SUMMARY:

The City is moving into its final build-out of the planned hangars located at the commercial aircraft maintenance, repair, and overhaul ("MRO") campus at Pensacola International Airport. The first phase of the campus, known as Project Stallion, consisted of one MRO hangar along with all necessary aircraft aprons and roadways. Hangar 1 achieved completion in the summer of 2018.

The second phase of the MRO campus, known as Project Titian, was broken into two elements. Element 1 was the construction of the second MRO hangar along with all necessary aircraft aprons and roadways. Element 1 achieved substantial completion towards the end of calendar year 2022. Element 2 is the planned construction of two additional hangars (or some form thereof) along with all necessary aircraft aprons and roadways. In an effort to reduce cost and keep the project moving forward, staff broke the scope of work for Element 2 into three separate bid packages: site work, taxiway/apron, and vertical work.

On April 4, 2023, City Purchasing issued Invitation to Bid No. 23-021 for the site preparation of Element 2. Six (6) responses were received and opened on June 8, 2023. This Master Customer Agreement (the "**MCA**") is entered into between Motorola Solutions, Inc., with offices at 500 W. Monroe Street, Suite 4400, Chicago, IL 60661 ("**Motorola**") and the City of Pensacola, 222 W. Main Street, Pensacola, Fl. 32502 ("**Customer**"). Motorola and Customer will each be referred to herein as a "**Party**" and collectively as the "**Parties**". This Agreement (as defined below) is effective as of the date of the last signature (the "**Effective Date**").

1. Agreement.

1.1. Scope; Agreement Documents. This MCA and Motorola's Quote No. 2193664 governs Customer's purchase of Products (as defined below) and Services (as defined below) from Motorola. Additional terms and conditions applicable to specific Products and Services are set forth in one or more addenda attached to this MCA (each an "**Addendum**", and collectively the "**Addenda**"). In addition, the Parties may agree upon solution descriptions, equipment lists, statements of work, schedules, technical specifications, and other ordering documents setting forth the Products and Services to be purchased by Customer and provided by Motorola and additional rights and obligations of the Parties (the "**Ordering Documents**"). To the extent required by applicable procurement law, a proposal submitted by Motorola in response to a competitive procurement process will be included within the meaning of the term Ordering Documents. This MCA, the Addenda, and any Ordering Documents collectively form the Parties' "**Agreement**".

1.2. Order of Precedence. Each Addendum will control with respect to conflicting terms in the MCA, but only as applicable to the Products and Services described in such Addendum. Each Ordering Document will control with respect to conflicting terms in the MCA or any Addenda, but only as applicable to the Products and Services described on such Ordering Document.

2. Products and Services.

2.1. Products. Motorola will sell equipment and license software, including software as a service and subscription based software service offerings (the "**Products**") to Customer to the extent set forth in an Ordering Document, for Customer's own use in accordance with this Agreement. At any time during the Term (as defined below), Motorola may substitute Product or Service at no cost to Customer, if the substitute is substantially similar to the Products set forth in the applicable Ordering Documents. Motorola will provide services related to purchased Products ("**Services**"), to the extent set forth in an Ordering Document.

2.2.1. Integration Services; Maintenance and Support Services. If specified in an Ordering Document, Motorola will provide, for the term of such Ordering Document, (a) design, deployment, and integration Services in order to design, install, set up, configure, and/or integrate the applicable Products at the applicable locations ("**Sites**"), agreed upon by the Parties ("**Integration Services**"), or (b) break/fix maintenance, technical support, or other Services (such as Software integration Services) ("**Maintenance and Support Services**"), each as further described in the applicable statement of work. Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the ""Underlying Agreement"") that authorizes Customer to purchase equipment and/or services or license software (collectively ""Products""). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

Support Services and Integration Services will each be considered “Services”, as defined above.

2.2.2. Service Ordering Documents. The Fees for Services will be set forth in an Ordering Document and any applicable project schedules. A Customer point of contact will be set forth in the applicable statement of work for the Services. For purposes of clarity, each statement of work will be incorporated into, and form an integral part of, the Agreement.

2.2.3. Service Completion. Unless otherwise specified in the applicable Ordering Document, Services described in an Ordering Document will be deemed complete upon Motorola’s performance of all Services listed in such Ordering Document (“**Service Completion Date**”); provided, however, that Maintenance and Support Services may be offered on an ongoing basis during a given Ordering Document term, in which case such Maintenance and Support Services will conclude upon the expiration or termination of such Ordering Document.

2.3. Non-Preclusion. If, in connection with the Products and Services provided under this Agreement, Motorola makes recommendations, including a recommendation to purchase other products or services, nothing in this Agreement precludes Motorola from participating in a future competitive bidding process or otherwise offering or selling the recommended products or other services to Customer. Customer represents that this paragraph does not violate its procurement standards or other laws, regulations, or policies.

2.4. Customer Obligations. Customer will ensure that information Customer provides to Motorola in connection with receipt of Products and Services are accurate and complete in all material respects. Customer will make timely decisions and obtain any required management approvals that are reasonably necessary for Motorola to provide the Products and Services and perform its other duties under this Agreement. Unless the applicable Ordering Document states otherwise, Motorola may rely upon and is not required to evaluate, confirm, reject, modify, or provide advice concerning any assumptions or Customer information, decisions, or approvals described in this Section. If any assumptions in the Ordering Documents or information provided by Customer prove to be incorrect, or if Customer fails to perform any of its obligations under this Agreement, Motorola’s ability to perform its obligations may be impacted and changes to the Agreement, including the scope, Fees, and performance schedule may be required.

2.5. Documentation. Products and Services may be delivered with documentation for the equipment, software, or data that specifies technical and performance features, capabilities, users, or operation, including training manuals, and other deliverables, such as reports, specifications, designs, plans, drawings, analytics, or other information (collectively, “**Documentation**”). Documentation is and will be owned by Motorola, unless otherwise expressly agreed in an Addendum or Ordering Document that certain Documentation will be owned by Customer. Motorola hereby grants Customer a limited, royalty-free, worldwide, non- exclusive license to use the Documentation solely for its internal business purposes in connection with the Products and Services.

2.6. Motorola Tools and Equipment. As part of delivering the Products and Services, Motorola may provide certain tools, equipment, models, and other materials of its own.

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the ""Underlying Agreement"") that authorizes Customer to purchase equipment and/or services or license software (collectively ""Products""). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

Such tools and equipment will remain the sole property of Motorola unless they are to be purchased by Customer as Products and are explicitly listed on an Ordering Document. The tools and equipment may be held by Customer for Motorola's use without charge and may be removed from Customer's premises by Motorola at any time without restriction. Customer will safeguard all tools and equipment while in Customer's custody or control, and be liable for any loss or damage. Upon the expiration or earlier termination of this Agreement, Customer, at its expense, will return to Motorola all tools and equipment in its possession or control.

2.7. Authorized Users. Customer will ensure its employees and Authorized Users comply with the terms of this Agreement and will be liable for all acts and omissions of its employees and Authorized Users. Customer is responsible for the secure management of Authorized Users' names, passwords and login credentials for access to Products and Services. "**Authorized Users**" are Customer's employees, full-time contractors engaged for the purpose of supporting the Products and Services that are not competitors of Motorola, and the entities (if any) specified in an Ordering Document or otherwise approved by Motorola in writing (email from an authorized Motorola signatory accepted), which may include affiliates or other Customer agencies.

2.8. Export Control. Customer, its employees, and any other Authorized Users will not access or use the Products and Services in any jurisdiction in which the provision of such Products and Services is prohibited under applicable laws or regulations (a "**Prohibited Jurisdiction**"), and Customer will not provide access to the Products and Services to any government, entity, or individual located in a Prohibited Jurisdiction. Customer represents and warrants that (a) it and its Authorized Users are not named on any U.S. government list of persons prohibited from receiving U.S. exports, or transacting with any U.S. person; (b) it and its Authorized Users are not a national of, or a company registered in, any Prohibited Jurisdiction; (c) Customer will not permit its Authorized Users to access or use the Products or Services in violation of any U.S. or other applicable export embargoes, prohibitions or restrictions; and (d) Customer and its Authorized Users will comply with all applicable laws regarding the transmission of technical data exported from the U.S. and the country in which Customer, its employees, and the Authorized Users are located.

2.9. Change Orders. Unless a different change control process is agreed upon in writing by the Parties, a Party may request changes to an Addendum or an Ordering Document by submitting a change order to the other Party (each, a "**Change Order**"). If a requested change in a Change Order causes an increase or decrease in the Products or Services, the Parties by means of the Change Order will make appropriate adjustments to the Fees, project schedule, or other matters. Change Orders are effective and binding on the Parties only upon execution of the Change Order by an authorized representative of both Parties.

3. Term and Termination.

3.1. Term. The term of this MCA ("**Term**") will commence on the Effective Date and continue until six (6) months after the later of (a) the termination, expiration, or discontinuance of services under the last Ordering Document in effect, or (b) the expiration of all applicable warranty periods, unless the MCA is earlier terminated as set forth herein. The applicable Addendum or Ordering Document will set forth the term for the Products and Services governed thereby.

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the ""Underlying Agreement"") that authorizes Customer to purchase equipment and/or services or license software (collectively ""Products""). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

3.2. Termination. Either Party may terminate the Agreement or the applicable Addendum or Ordering Document if the other Party breaches a material obligation under the Agreement and does not cure such breach within thirty (30) days after receipt of notice of the breach or fails to produce a cure plan within such period of time. Each Addendum and Ordering Document may be separately terminable as set forth therein.

3.3. Suspension of Services. Motorola may terminate or suspend any Products or Services under an Ordering Document if Motorola determines: (a) the related Product license has expired or has terminated for any reason; (b) the applicable Product is being used on a hardware platform, operating system, or version not approved by Motorola; (c) Customer fails to make any payments when due; or (d) Customer fails to comply with any of its other obligations or otherwise delays Motorola's ability to perform.

3.4. Effect of Termination or Expiration. Upon termination for any reason or expiration of this Agreement, an Addendum, or an Ordering Document, Customer and the Authorized Users will return or destroy (at Motorola's option) all Motorola Materials and Motorola's Confidential Information in their possession or control and, as applicable, provide proof of such destruction, except that equipment purchased by Customer should not be returned. If Customer has any outstanding payment obligations under this Agreement, Motorola may accelerate and declare all such obligations of Customer immediately due and payable by Customer. Notwithstanding the reason for termination or expiration, Customer must pay Motorola for Products and Services already delivered. Customer has a duty to mitigate any damages under this Agreement, including in the event of default by Motorola and Customer's termination of this Agreement.

4. Payment and Invoicing.

4.1. Fees. Fees and charges applicable to the Products and Services (the "**Fees**") will be as set forth in the applicable Addendum or Ordering Document, and such Fees may be changed by Motorola at any time, except that Motorola will not change the Fees for Products and Services purchased by Customer during the term of an active Ordering Document or during a Subscription Term (as defined and further described in the applicable Addendum). Changes in the scope of Services described in an Ordering Document may require an adjustment to the Fees due under such Ordering Document. If a specific invoicing or payment schedule is set forth in the applicable Addendum or Ordering Document, such schedule will apply solely with respect to such Addendum or Ordering Document. Unless otherwise specified in the applicable Ordering Document, the Fees for any Services exclude expenses associated with unusual and costly Site access requirements (e.g., if Site access requires a helicopter or other equipment), and Customer will reimburse Motorola for these or other expenses incurred by Motorola in connection with the Services.

4.2. Taxes. The Fees do not include any excise, sales, lease, use, property, or other taxes, assessments or duties (collectively, "**Taxes**"), all of which will be paid by Customer, except as exempt by law. 11.2. Delays Caused by Customer. Motorola's performance of the Products and Services will be excused for delays caused by Customer or its Authorized Users or subcontractors, or by failure of any assumptions set forth in this Agreement (including in any Addendum or Ordering Document). In the event of a delay under this **Section 11.2 –**

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the ""Underlying Agreement"") that authorizes Customer to purchase equipment and/or services or license software (collectively ""Products""). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

Delays Caused by Customer, (a) Customer will continue to pay the Fees as required hereunder, (b) the Parties will agree (in writing) upon a reasonable extension to any applicable performance schedule, and (c) Customer will compensate Motorola for its out-of-pocket costs incurred due to the delay (including those incurred by Motorola's affiliates, vendors, and subcontractors).

12. Disputes. The Parties will use the following procedure to resolve any disputes relating to or arising out of this Agreement (each, a "**Dispute**"):

12.1. Governing Law. All matters relating to or arising out of the Agreement are governed by the laws of the State of Florida, unless Customer is the United States Government (or an agency thereof), in which case all matters relating to or arising out of the Agreement will be governed by the laws of the State in which the Products and Services are provided. The terms of the U.N. Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transactions Act will not apply.

12.2. Negotiation; Mediation. Either Party may initiate dispute resolution procedures by sending a notice of Dispute ("**Notice of Dispute**") to the other Party. The Parties will attempt to resolve the Dispute promptly through good faith negotiations, including timely escalation of the Dispute to executives who have authority to settle the Dispute (and who are at a higher level of management than the persons with direct responsibility for the matter). If a Dispute is not resolved through negotiation, either Party may initiate mediation by sending a notice of mediation ("**Notice of Mediation**") to the other Party. The Parties will choose an independent mediator within thirty (30) days of such Notice of Mediation. Neither Party may unreasonably withhold consent to the selection of a mediator, but if the Parties are unable to agree upon a mediator, either Party may request that the American Arbitration Association nominate a mediator. Each Party will bear its own costs of mediation, but the Parties will share the cost of the mediator equally. Each Party will participate in the mediation in good faith and will be represented at the mediation by a business executive with authority to settle the Dispute. All in person meetings under this **Section 12.2 – Negotiation; Mediation** will take place in Pensacola, Florida, and all communication relating to the Dispute resolution will be maintained in strict confidence by the Parties. Notwithstanding the foregoing, any Dispute arising from or relating to Motorola's intellectual property rights will not be subject to negotiation or mediation in accordance with this Section, but instead will be decided by a court of competent jurisdiction, in accordance with **Section 12.3 – Litigation, Venue, Jurisdiction** below. Neither party is required to engage in negotiation or mediation prior to bringing suit pursuant to Section 12.3

12.3. Litigation, Venue, Jurisdiction. If the Dispute has not been resolved by mediation within sixty (60) days from the Notice of Mediation, either Party may submit the Dispute exclusively to a court in Escambia County, Florida. Each Party expressly consents to the exclusive jurisdiction of such courts for resolution of any Dispute and to enforce the outcome of any mediation.

13. General.

13.1. Compliance with Laws. Each Party will comply with applicable laws in connection with the performance of its obligations under this Agreement, including that Customer will ensure its and its Authorized Users' use of the Products and Services

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the ""Underlying Agreement"") that authorizes Customer to purchase equipment and/or services or license software (collectively ""Products""). 13.2. Audit; Monitoring. Motorola will have the right to monitor and audit use of the Products, which may also include access by Motorola to Customer Data and Service Use Data. Customer will maintain during the Term, and for two (2) years thereafter, accurate records relating to any Software licenses granted under this Agreement to verify compliance with this Agreement. Motorola or a third party ("**Auditor**") may inspect Customer's and, as applicable, Authorized Users' premises, books, and records. Motorola

13.3. Assignment and Subcontracting. Neither Party may assign or otherwise transfer this Agreement without the prior written approval of the other Party. Motorola may assign or otherwise transfer this Agreement or any of its rights or obligations under this Agreement without consent (a) for financing purposes, (b) in connection with a merger, acquisition or sale of all or substantially all of its assets, (c) as part of a corporate reorganization, or (d) to a subsidiary corporation. Subject to the foregoing, this Agreement will be binding upon the Parties and their respective successors and assigns.

13.4. Waiver. A delay or omission by either Party to exercise any right under this Agreement will not be construed to be a waiver of such right. A waiver by either Party of any of the obligations to be performed by the other, or any breach thereof, will not be construed to be a waiver of any succeeding breach or of any other obligation. All waivers must be in writing and signed by the Party waiving its rights.

13.5. Severability. If any provision of the Agreement is found by a court of competent jurisdiction to be invalid, illegal, or otherwise unenforceable, such provision will be deemed to be modified to reflect as nearly as possible the original intentions of the Parties in accordance with applicable law. The remaining provisions of this Agreement will not be affected, and each such provision will be valid and enforceable to the full extent permitted by applicable law.

13.6. Independent Contractors. Each Party will perform its duties under this Agreement as an independent contractor. The Parties and their personnel will not be considered to be employees or agents of the other Party. Nothing in this Agreement will be interpreted as granting either Party the right or authority to make commitments of any kind for the other. This Agreement will not constitute, create, or be interpreted as a joint venture, partnership, or formal business organization of any kind.

13.7. Third-Party Beneficiaries. The Agreement is entered into solely between, and may be enforced only by, the Parties. Each Party intends that the Agreement will not benefit, or create any right or cause of action in or on behalf of, any entity other than the Parties. Notwithstanding the foregoing, a licensor or supplier of third party software included in the Software will be a direct and intended third party beneficiary of this

Agreement.

13.8. Interpretation. The section headings in this Agreement are included only for convenience. The words “including” and “include” will be deemed to be followed by the phrase “without limitation”. This Agreement will be fairly interpreted in accordance with its terms and conditions and not for or against either Party.

13.9. Notices. Notices required under this Agreement to be given by one Party to the other must be in writing and either personally delivered or sent to the address provided by the other Party by certified mail, return receipt requested and postage prepaid (or by a recognized courier service, such as FedEx, UPS, or DHL), and will be effective upon receipt.

13.10. Cumulative Remedies. Except as specifically stated in this Agreement, all remedies provided for in this Agreement will be cumulative and in addition to, and not in lieu of, any other remedies available to either Party at law, in equity, by contract, or otherwise. Except as specifically stated in this Agreement, the election by a Party of any remedy provided for in this Agreement or otherwise available to such Party will not preclude such Party from pursuing any other remedies available to such Party at law, in equity, by contract, or otherwise.

13.11. Survival. The following provisions will survive the expiration or termination of this Agreement for any reason: **Section 2.4 – Customer Obligations**; **Section 3.4 – Effect of Termination or Expiration**; **Section 4 – Payment and Invoicing**; **Section 6.5 – Warranty.**

13.12. Disclaimer; Section 7.3 – Customer Indemnity; Section 8 – Limitation of Liability; Section 9 – Confidentiality; Section 10 – Proprietary Rights; Data; Feedback; Section 11 – Force Majeure; Delays Caused by Customer; Section 12 – Disputes; and Section 13 – General.

13.13. Entire Agreement. This Agreement, including all Addenda and Ordering Documents, constitutes the entire agreement of the Parties regarding the subject matter hereto, and supersedes all previous agreements, proposals, and understandings, whether written or oral, relating to this subject matter. This Agreement may be executed in multiple counterparts, and will have the same legal force and effect as if the Parties had executed it as a single document. The Parties may sign in writing or by electronic signature. An electronic signature, facsimile copy, or computer image of a signature, will be treated, and will have the same effect as an original signature, and will have the same effect, as an original signed copy of this document. This Agreement may be amended or modified only by a written instrument signed by authorized representatives of both Parties. The preprinted terms and conditions found on any Customer purchase order, acknowledgment, or other form will not be considered an amendment or modification or part of this Agreement, even if a representative of each Party signs such document.

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the ""Underlying Agreement"") that authorizes Customer to purchase equipment and/or services or license software (collectively ""Products""). Unless otherwise stated in an Addendum or the Ordering Document, the foregoing license grant will be limited to the number of licenses set forth in the applicable Ordering Document and will continue for the life of the applicable Designated Product. Except as otherwise permitted in an applicable Addendum or Ordering Document, Customer may install, access, and use Software only in Customer's owned or controlled facilities, including any authorized mobile sites; provided, however, that Authorized Users using authorized mobile or handheld devices may also log into and access the Software remotely from any location.

3.2. Subscription License Model. If the Parties mutually agree that any Product purchased under this EPSLA will be replaced with or upgraded to a subscription-based Product, then upon such time which the Parties execute the applicable Ordering Document, the licenses granted under this EPSLA will automatically terminate, and such subscription-based Products will be governed by the terms of the applicable Addendum under this Agreement.

3.5. Copies. Customer may make one (1) copy of the Software solely for archival, back-up, or disaster recovery purposes during the term of the applicable Software license. Customer may make as many copies of the Documentation reasonably required for the internal use of the Software during such Software license term. Customer may temporarily transfer Software installed on a Designated Product to another device if the Designated Product is inoperable or malfunctioning, if Customer provides written notice to Motorola of the temporary transfer and identifies the device on which the Software is transferred. Temporary transfer of the Software to another device must be discontinued when the original Designated Product is returned to operation and the Software must be removed from the other device. Customer must provide prompt written notice to Motorola at the time temporary transfer is discontinued.

4.1. Term. The term of this EPSLA (the "**EPSLA Term**") will commence upon either (a) the Effective Date of the MCA, if this EPSLA is attached to the MCA as of such Effective Date, or (b) the EPSLA Date set forth on the signature page below, if this EPSLA is executed after the MCA Effective Date, and will continue until the later of (i) three (3) years after the first order for Products is placed via an Ordering Document, or (ii) the expiration of all applicable warranty periods (as set forth in **Section 6.1 – Motorola Warranties** below) under this EPSLA, unless this EPSLA or the Agreement is earlier terminated in accordance with the terms of the Agreement.

For clarity, upon termination or expiration of the EPSLA Term, all Motorola obligations under this EPSLA (including with respect to Equipment and Software delivered hereunder) will terminate. If Customer desires to purchase additional Services in connection with such Equipment or Software, Customer may enter into a separate Addendum with Motorola, governing such Services. Customer acknowledges that Motorola made a considerable investment of resources in the development, marketing, and distribution of the Software and Documentation, and that Customer's breach of the Agreement will result in irreparable harm to Motorola for which monetary damages would be inadequate. As Customer's sole and exclusive remedy for any breach of the Motorola Software Warranty, Motorola will use commercially reasonable efforts to remedy the material defect in the applicable Software; provided, however, that if Motorola does not remedy such material defect within a reasonable time, then at Motorola's sole option, Motorola will either replace the defective Software with functionally-equivalent software, provide substitute software to Customer, or terminate the applicable software license and refund any paid license fees to Customer on a pro-rata basis. For clarity, the Motorola Software Warranty applies only to the most current version of the Software issued by Motorola, and issuance of updated versions of any Software does not result in a renewal or extension of the Motorola Software Warranty beyond the ninety (90) day warranty period.

7. Copyright Notices. The existence of a copyright notice on any Software will not be construed as an admission or presumption of publication of the Software or public disclosure of any trade secrets associated with the Software.

8. Survival. The following provisions will survive the expiration or termination of this EPSLA for any reason: **Section 3 – Software License and Restrictions**; **Section 4 – Term**; **Section 5 – Payment**; **Section 6.2 – Additional Exclusions**; **Section 8 – Survival**.

Motorola may increase Fees prior to any Renewal Subscription Year. In such case, Motorola will notify Customer of such proposed increase no later than thirty (30) days prior to commencement of such Renewal Subscription Year. Unless otherwise specified in the applicable Ordering Document, if Customer orders any additional Subscription Software or recurring Services under this SSA during an in-process Subscription Term, the subscription for each new Subscription Software or recurring Service will commence upon delivery of such Subscription Software or recurring Service, and continue until the conclusion of Customer's then-current Subscription Term (a "**Partial Subscription Year**"). Thus, unless otherwise specified in the applicable Ordering Document, the Subscription Terms for all Subscription Software and recurring Services hereunder will be synchronized.

4.2. Term. The term of this SSA (the "**SSA Term**") will commence upon either (a) the Effective Date of the MCA, if this SSA is attached to the MCA as of such Effective Date, or (b) the SSA Date set forth on the signature page below, if this SSA is executed after the MCA Effective Date, and will continue until the expiration or termination of all Subscription Terms under this SSA, unless this SSA or the Agreement is earlier terminated in accordance with the terms of the Agreement.

4.3. Termination. Notwithstanding the termination provisions of the MCA, Motorola may terminate this SSA (or any Addendum or Ordering Documents hereunder), or suspend delivery of Subscription Software or Services, immediately upon notice to Customer if (a) Customer breaches **Section 3 – Subscription Software License and Restrictions** of this SSA, or any other provision related to Subscription Software license scope or restrictions set forth in an Addendum or Ordering Document, or (b) it determines that Customer's use of the Subscription Software poses, or may pose, a security or other risk or adverse impact to any Subscription Software, Motorola, Motorola's systems, or any third party (including other Motorola customers). Customer acknowledges that Motorola made a considerable investment of resources in the development, marketing, and distribution of the Subscription Software and Documentation, and that Customer's breach of the Agreement will result in irreparable harm to Motorola for which monetary damages would be inadequate. If Customer breaches this Agreement, in addition to termination, Motorola will be entitled to all available remedies at law or in equity (including immediate injunctive relief).

4.4. Wind Down of Subscription Software. In addition to the termination rights in the MCA, Motorola may terminate any Ordering Document and Subscription Term, in whole or in part, in the event Motorola plans to cease offering the applicable Subscription Software or Service to customers.

5. Payment.

5.1. Payment. Unless otherwise provided in an Ordering Document (and notwithstanding the provisions of the MCA), Customer will prepay an annual subscription Fee set forth in an Ordering Document for each Subscription Software, before the commencement of each Subscription Term. For any Partial Subscription Year, the applicable annual subscription Fee will be prorated based on the number of months in the Partial Subscription Year. The annual subscription Fee for Subscription Software and associated recurring Services may include certain one-time Fees, such as start-up fees,

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the ""Underlying Agreement"") that authorizes Customer to purchase equipment and/or services or license software (collectively ""Products""). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

license fees, or other fees set forth in an Ordering Document. Motorola will have the right to suspend the Subscription Software and any recurring Services if Customer fails to make any payments when due.

5.2. License True-Up. Motorola will have the right to conduct an audit of total user licenses credentialed by Customer for any Subscription Software during a Subscription Term, and Customer will cooperate with such audit. If Motorola determines that Customer's usage of the Subscription Software during the applicable Subscription Term exceeded the total number of licenses purchased by Customer, Motorola may invoice Customer for the additional licenses used by Customer, pro-rated for each additional license from the date such license was activated, and Customer will pay such invoice in accordance with the payment terms in the MCA.

6. Liability.

6.1. ADDITIONAL EXCLUSIONS. IN ADDITION TO THE EXCLUSIONS FROM DAMAGES SET FORTH IN THE MCA, AND NOTWITHSTANDING ANY PROVISION OF THE AGREEMENT TO THE CONTRARY, MOTOROLA WILL HAVE NO LIABILITY FOR (A) INTERRUPTION OR FAILURE OF CONNECTIVITY, VULNERABILITIES, OR SECURITY EVENTS; (B) DISRUPTION OF OR DAMAGE TO CUSTOMER'S OR THIRD PARTIES' SYSTEMS, EQUIPMENT, OR DATA, INCLUDING DENIAL OF ACCESS TO USERS, OR SHUTDOWN OF SYSTEMS CAUSED BY INTRUSION DETECTION SOFTWARE OR HARDWARE; (C) AVAILABILITY OR ACCURACY OF ANY DATA AVAILABLE THROUGH THE SUBSCRIPTION SOFTWARE OR SERVICES, OR INTERPRETATION, USE, OR MISUSE THEREOF; (D) TRACKING AND LOCATION-BASED SERVICES; OR (E) BETA SERVICES.

6.2. Voluntary Remedies. Motorola is not obligated to remedy, repair, replace, or refund the purchase price for the disclaimed or excluded issues in the MCA or **Section 6.1 – Additional Exclusions** above, but if Motorola agrees to provide Services to help resolve such issues, Customer will reimburse Motorola for its reasonable time and expenses if set forth in a purchase order or written notice to proceed, including by paying Motorola any Fees set forth in an Ordering Document for such Services, if applicable.

7. Motorola as a Controller or Joint Controller. In all instances where Motorola acts as a controller of data, it will comply with the applicable provisions of the Motorola Privacy Statement at https://www.motorolasolutions.com/en_us/about/privacy-policy.html#privacystatement, as may be updated from time to time. Motorola holds all Customer Contact Data as a controller and shall Process such Customer Contact Data in accordance with the Motorola Privacy Statement. In instances where Motorola is acting as a joint controller with Customer, the Parties will enter into a separate Addendum to the Agreement to allocate the respective roles as joint controllers.

8. Survival. The following provisions will survive the expiration or termination of this SSA for any reason: **Section 4 – Term**; **Section 5 – Payment**; **Section 6.1 – Additional Exclusions**; **Section 8 – Survival**.

Mobile Video Addendum

This Mobile Video Addendum (this "**MVA**") is entered into between Motorola Solutions, Inc., with offices at 500 W. Capitalized terms used in this MVA, but not defined herein, will have the meanings set forth in the MCA or the applicable Addenda.

1. Addendum. This MVA governs Customer's purchase of any Motorola mobile video Products, including participation in Motorola's Video-as-a-Service Program ("**VaaS Program**"). A "**Mobile Video System**" is a solution that includes at least one mobile video Product and requires Integration Services to deploy such mobile video Product or the associated evidence management Product at a Customer Site. In addition to the MCA, other Addenda may be applicable to Products offered under this MVA, including the Subscription Software Addendum ("**SSA**"), with respect to Subscription Software, and the Equipment Purchase and Software License Addendum ("**EPSLA**"), with respect to Licensed Software and Equipment, as each of those terms are defined therein, and as further described below. 2. Evidence Management Systems; Applicable Terms and Conditions.

2.1. On-Premise Evidence Management. If Customer purchases a Mobile Video System where Equipment and Licensed Software for evidence management is installed at Customer Sites (an "**On-Premises Evidence Management System**"), then, unless the Ordering Document(s) specify that any software is being purchased on a subscription basis (i.e., as Subscription Software), any (i) Equipment and (ii) Licensed Software installed at Customer Sites or on Customer-Provided Equipment, in each case purchased in connection with the On- Premises Evidence Management System, are subject to the EPSLA. On-Premises Evidence Management Systems described in this Section qualify for the System Warranty as described in **Section 4 – On-Premises Evidence Management System Warranty** (the "**System Warranty**").

2.2. Cloud Hosted Evidence Management. If Customer purchases Mobile Video System where the software for evidence management is hosted in a data center and provided to Customer as a service ("**Cloud Hosted Evidence Management System"),** including CommandCentral Evidence and EvldenceLibrary.com Products, then such Cloud Hosted Evidence Management System is subject to the SSA. Any Equipment purchased in connection with Cloud Hosted Evidence Management System is subject to the EPSLA. Cloud Hosted Evidence Management System described in this Section do not qualify for the System Warranty. System completion, however, is determined in accordance with the provisions of **Section 7 – System Completion** below.

2.3. Services. Any Integration Services or Maintenance and Support Services purchased in connection with, or included as a part of, a Mobile Video System are subject to the MCA, and as described in the applicable Ordering Document.

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the ""Underlying Agreement"") that authorizes Customer to purchase equipment and/or services or license software (collectively ""Products""). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

3. Payment. Customer will pay invoices for the Products and Services covered by this MVA in accordance with the invoice payment terms set forth in the MCA. Fees for Mobile Video Systems will be invoiced as of the System Completion Date, unless another payment process or schedule or milestones are set forth in an Ordering Document or applicable Addendum. In addition to Equipment, Licensed Software, Subscription Software and Integration Services (as applicable) sold as part of a Mobile Video System, the Ordering Documents for a Mobile Video System may also include post-deployment Integration Services or other Services which are to be provided following the date of functional demonstration ("**Post-Deployment Services**"). Post-Deployment Services will be invoiced upon their completion and paid by Customer in accordance with the terms of the MCA.

4. On-Premises Evidence Management System Warranty. Subject to the disclaimers in the MCA and any other applicable Addenda, Motorola represents and warrants that, on the System Completion Date (as defined below) for an On-Premises Evidence Management System described in **Section 2.1 – On-Premises Evidence Management** (a) such On- Premises Evidence Management System will perform in accordance with the descriptions in the applicable Ordering Documents in all material respects, and (b) if Customer has purchased any Equipment or Motorola Licensed Software (but, for clarity, excluding Subscription Software) as part of such On-Premises Evidence Management System, the warranty period applicable to such Equipment and Motorola Licensed Software will continue for a period of one (1) year commencing upon the System Completion Date for the On-Premises Evidence Management System that includes such Products, or on the applicable Product Completion Date, if earlier, instead of commencing upon delivery of the Products in accordance with the terms and conditions set forth in **Section 6 – Representations and Warranties; Liabilities** of the EPSLA. The warranties set forth in the applicable Addenda are not otherwise modified by this MVA.

5. Additional Software and Video Terms.

5.1. Unlimited Storage. In the event Customer purchases a Cloud Hosted Evidence Management System with "Unlimited Storage", including evidence management under the VaaS Program, then "Unlimited Storage" means storage of all data captured using Equipment sold under this MVA, provided that (1) video recordings are recorded in an event-based setting where users are not recording an entire shift under one video footage and (2) Customer's data retention policies and practices do not result in the retention of data beyond the statutory minimums set forth by the State in which the Customer resides. In the event Customer does not comply with the preceding clauses (1) and (2), Motorola shall have the right to charge Customer for such excess data storage at the prevailing rates. Motorola also has the right to place any data that has not been accessed for a consecutive six (6) month period into archival storage, retrieval of which may take up to twenty-four (24) hours from any access request.

5.2. Applicable End User Terms. Additional license terms apply to third-party software included in certain software Products which are available online at: www.motorolasolutions.com/legal-flow-downs. Customer will comply, and ensure its Authorized Users comply, with all such additional license terms.

5.3. WatchGuard Detector Mobile. Any order by Customer of WatchGuard Detector Mobile is on a subscription basis and subject to the SSA.

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the ""Underlying Agreement"") that authorizes Customer to purchase equipment and/or services or license software (collectively ""Products""). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

5.4. Vigilant Access. Customer may opt for subscription to additional Subscription Software, including use of the Law Enforcement Archival Network ("**LEARN**"), which is subject to the SSA and any additional terms governing the use of LEARN. If Customer purchases a subscription to commercial license plate recognition data, then Customer will execute and agree to the terms of Motorola's standard Data License Addendum.

5.5. License Plate Recognition Data. License plate recognition ("**LPR**") data collected by Customer is considered Customer Data (as defined in the MCA) and is therefore subject to the Customer's own retention policy. Customer, at its option, may share its LPR data with other similarly situated Law Enforcement Agencies ("**LEAs**") which contract with Motorola to access LEARN by selecting this option within LEARN. Other similarly situated LEAs may similarly opt to share their LPR data with Customer using LEARN. Such LPR data generated by other LEAs is considered Third-Party Data (as defined in the MCA), is governed by the retention policy of the respective LEA, and shall be used by Customer only in connection with its use of LEARN. LPR data that has reached its expiration date will be deleted from LEARN. Only individuals who are agents and/or sworn officers of Customer and who are authorized by Customer to access LEARN on behalf of Customer through login credentials provided by Customer ("**User Eligibility Requirements**") may access LEARN. Vigilant in its sole discretion may deny access to LEARN to any individual based on such person's failure to meet the User Eligibility Requirements. Customer will ensure no user logins are provided to agents or officers of other local, state, or Federal LEAs without the express written consent of Vigilant. Customer will be responsible for all individuals' access to, and use of, LEARN through use of Customer login credentials, including ensuring their compliance with this Agreement.

5.6. API Support. Motorola will use commercially reasonable efforts to maintain its Application Programming Interface ("**API**") sold in connection with any Mobile Video System. APIs will evolve and mature over time, requiring changes and updates. Motorola will use reasonable efforts to continue supporting any version of an API for six (6) months after such version is introduced, but if Motorola determines, in its sole discretion, to discontinue support of an API for any reason, Motorola will provide reasonable advance notification to Customer. If an API presents a security risk, Motorola may discontinue an API without prior notice.

5.7. Support of Downloaded Clients. If Customer purchases any software Product that requires a client installed locally on Customer-Provided Equipment or Equipment in possession of Customer, Customer will be responsible for downloading and installing the current version of such client, as it may be updated from time to time. Motorola will use reasonable efforts to continue supporting any version of a client for forty-five (45) days following its release, but Motorola may update the current version of its client at any time, including for bug fixes, product improvements, and feature updates, and Motorola makes no representations or warranties that any software Product will support prior versions of a client.

5.8. CJIS Security Policy. Motorola agrees to support Customer's obligation to comply with the Federal Bureau of Investigation Criminal Justice Information Services ("**CJIS**") Security Policy and will comply with the terms of the CJIS Security Addendum for the term of the Addendum or Ordering Document for the applicable Product. Customer hereby consents to Motorola screened personnel serving as the "escort" within the meaning of CJIS Security Policy for unscreened Motorola personnel that

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the ""Underlying Agreement"") that authorizes Customer to purchase equipment and/or services or license software (collectively ""Products""). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

6. VaaS Program Terms. All hardware provided by Motorola to Customer under the VaaS Program will be considered "Equipment", as defined in the EPSLA, and constitutes a purchase of such Equipment subject to the terms of the EPSLA. Additionally, the following terms and conditions apply to any Equipment purchased under the VaaS Program:

6.1. Technology Refresh. All body cameras and associated batteries purchased under the VaaS Program ("**Body Cameras**") are eligible for a one-time replacement at no additional cost to the Customer beginning on the date three (3) years following the date of delivery of the initial Body Cameras and associated batteries provided under the VaaS Program. In order to receive any replacement Body Camera applicable under this **Section 6.1 – Technology Refresh**, Customer must return the existing Body Camera to Motorola in working condition. The corresponding replacement Body Camera will be the then-current model of the Body Camera at the same tier as the Body Camera that is returned to Motorola. For clarity, any other Equipment received by Customer as part of the VaaS Program, other than Body Cameras, will not be eligible for a technology refresh hereunder.

6.2. No-Fault Warranty. Subject to the disclaimers set forth in the MCA and EPSLA, upon delivery of any Equipment purchased as part of the VaaS Program, Motorola will provide a No- fault Warranty to Customer for such Equipment that extends until the end of the Commitment Term (as defined below) applicable to such Equipment; except that the No-fault Warranty will not apply to: (i) any Equipment with intentionally altered or removed serial numbers, (ii) any other damages disclaimed under the MCA or EPSLA, or (iii) any Equipment that Motorola determines was changed, modified, or repaired by Customer or any third party. The "**No-fault Warranty**" means that Motorola will repair or replace any Equipment components or parts that render the applicable Equipment unable to perform its intended purpose. With respect to any batteries in Body Cameras, a battery will be considered faulty and covered under this No-fault Warranty if it falls below sixty percent (60%) of rated capacity.

6.3. Commitment Term. Customer accepts that following the delivery of any Equipment under the VaaS Program, Customer commits to a five (5) year subscription term for such Equipment at the rate provided in the Ordering Document (the "**Initial Commitment Term**"). If Customer, for any reason, terminates any of its obligations to Motorola prior to expiration of the applicable Commitment Term (as defined below), Customer will be subject to the payments described in **Section 6.7.2 – Termination** hereunder.

6.4. Additional Devices. Any additional Equipment, including any accessory items, ordered by Customer after Customers' initial purchase of Equipment hereunder may be subject to an incremental increase in Fees. In the event Customer orders additional Equipment under the VaaS Program within the ninety (90) days immediately following its initial purchase, such Equipment will be included in and subject to the Initial Commitment Term. Any additional Equipment purchased under the VaaS Program subsequent to such ninety (90) day period, will commence an additional subscription term commitment for such Equipment of five (5) years (a "**Subsequent Commitment Term**") with respect to the monthly Fee associated with such additional Equipment. For purposes of this

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the ""Underlying Agreement"") that authorizes Customer to purchase equipment and/or services or license software (collectively ""Products""). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

Addendum, the Initial Commitment Term and each Subsequent Commitment Term are each also referred to herein as a "**Commitment Term**".

6.5. Included Subscription Software.

6.5.1. EvidenceLibrary.com. Subject to **Section 6.7.1 – VaaS Term**, the VaaS Program provides Customer with a subscription to the Cloud Hosted Evidence Management System specified in the Ordering Document during the VaaS Term (as defined below), the use of which is subject to the SSA. Customer's subscription will include unlimited users, Unlimited Storage and unlimited sharing, provided any media or data uploaded to the Cloud Hosted Evidence Management System is done so using Motorola Equipment actively enrolled in the VaaS Program. Following expiration of the applicable Commitment Term, if Customer desires to continue use of expired Equipment with the Cloud Hosted Evidence Management System, Customer must purchase additional access to Cloud Hosted Evidence Management System based on Motorola's prevailing rates, or Motorola may disconnect connectivity of any expired Equipment to the Cloud Hosted Evidence Management System.

6.5.2. CommandCentral. For each Body Camera, in-car system or integrated system purchased, Customer will receive one user license for Motorola CommandCentral, which provides access to CC Community, CC Capture, CC Vault and CC Records. If the Customer requires additional licenses to CommandCentral they must be purchased for an additional fee.

6.5.3. CarDetector Mobile. If Customer's VaaS Program order includes an in-car system, Customer will receive a subscription to WatchGuard CarDetector Mobile during the VaaS Term, the use of which is subject to the SSA.

6.6. VaaS Program Payment. Unless otherwise provided in an Ordering Document (and notwithstanding the provisions of the MCA), Customer will prepay a subscription Fee quarterly (each a "**Subscription Quarter**"), as set forth in an Ordering Document. If Customer orders any additional Product(s) under the VaaS Program subsequent to the initial purchase by Customer, Fees for such additional Product will be added to the quarterly subscription Fee, and will be payable on the same Fee payment schedule as the initial Product purchased under the VaaS Program; provided, however, that for the first Subscription Quarter during which such additional Product is purchased, the subscription Fee for the applicable additional Product will be pro-rated based on the applicable number of days remaining in the such initial Subscription Quarter.

6.7. VaaS Program Term and Termination.

VaaS Term. Customer's participation in the VaaS Program will commence upon the System Completion Date under this MVA, and will continue through the end of the final Commitment Term hereunder ("the "**VaaS Term**"). Following the end of any Commitment Term, Customer's access to the Cloud Hosted Evidence Management System with respect to the Equipment purchased relative to that Commitment Term will expire, and Customer must download or transfer all Customer Data associated with the applicable Equipment within ninety (90) days following expiration unless Customer purchases extended access to the Cloud Hosted Evidence Management System from Motorola at the prevailing rates. Motorola has no obligation to retain Customer Data for expired Equipment beyond ninety (90) days following expiration of the applicable Commitment Term or as may otherwise be agreed in writing by the Parties. For

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the ""Underlying Agreement"") that authorizes Customer to purchase equipment and/or services or license software (collectively ""Products""). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

example, if Customer purchases 100 devices on January 1 of Year 1 of the VaaS Term, and then 100 additional devices on January 1 of Year 3, on December 31 of Year 5 (i.e., the conclusion of the Initial Commitment Term), Customer's access to the Cloud Hosted Evidence Management System with respect to the first 100 devices will be discontinued, and Customer must purchase extended storage or transfer all Customer Data associated with the first 100 devices within ninety (90) days of expiration of the Initial Commitment Term. In the foregoing example, the Cloud Hosted Evidence Management System access and data storage for the second 100 devices purchase will extend until December 31 of Year 7.

6.7.1. Termination. The termination provisions applicable to the VaaS Program will be those set forth in the MCA, EPSLA and SSA, as applicable. If Customer's participation in the VaaS Program is terminated for any reason prior to the end of the Initial Commitment Term or any Subsequent Commitment Term, Customer will pay the pro-rated remainder of the aggregate Equipment MSRP price (prevailing as of the time of delivery), calculated by multiplying the MSRP price of all Equipment purchased under the VaaS Program by the percentage resulting from dividing the number of months remaining in the Commitment Term applicable to such Equipment by sixty (60). In the event Customer purchased Equipment on multiple dates, resulting in separate Commitment Terms for certain Equipment, the preceding calculation will be made relative to the applicable Commitment Term for each Equipment order. For example, if Customer purchased $1,000 worth of Equipment on January 1 of Year 1 of the VaaS Term, and then $1,000 worth of Equipment on January 1 of Year 2, and then Customer's VaaS Program terminates on December 31 of Year 3, Customer will be required to repay: $1,000 x (24/60) + $1,000 x (36/60), which is equal to
$1,000 in the aggregate.

7. System Completion. Any Mobile Video System sold hereunder will be deemed completed upon Customer's (or the applicable Authorized User's) Beneficial Use of the applicable Mobile Video System (the "**System Completion Date**"). Customer will not unreasonably delay Beneficial Use, and in any event, the Parties agree that Beneficial Use will be deemed to have occurred thirty (30) days after functional demonstration. As used in this Section, "**Beneficial Use**" means use by Customer or at least one (1) Authorized User of the material features and functionalities of Mobile Video System, in material conformance with Product descriptions in the applicable Ordering Document. Any additional Equipment sold in connection with the initial Mobile Video System shall be deemed delivered in accordance of the terms of the EPSLA. Any additional Subscription Software purchased under the VaaS Program will be deemed delivered upon Customer's receipt of credentials required for access to the Cloud Hosted Evidence Management System or upon Motorola otherwise providing access to the Cloud Hosted Evidence Management System. This Section applies to Products purchased under the MVA notwithstanding the delivery provisions of the Addendum applicable to such Products, such as the SSA or EPSLA, and this Section will control over such other delivery provisions to the extent of a conflict.

8. Additional Cloud Terms. The terms set forth in this **Section 8 – Additional Cloud Terms** apply in the event Customer purchases any cloud hosted software Products under this MVA, including a Cloud Hosted Evidence Management System.

8.1. Data Storage. Motorola will determine, in its sole discretion, the location of the stored content for cloud hosted software Products. All data, replications, and backups

will be stored at a location in the United States for Customers in the United States.

8.2. Data Retrieval. Cloud hosted software Products will leverage different types of storage to optimize software, as determined in Motorola's sole discretion. For multimedia data, such as videos, pictures, audio files, Motorola will, in its sole discretion, determine the type of storage medium used to store the content. The type of storage and medium selected by Motorola will determine the data retrieval speed. Access to content in archival storage may take up to twenty-four (24) hours to be viewable.

8.3. Availability. Motorola will make reasonable efforts to provide monthly availability of 99.9% for cloud hosted software Products with the exception of maintenance windows. There are many factors beyond Motorola's control that may impact Motorola's ability to achieve this goal.

8.4. Maintenance. Scheduled maintenance of cloud hosted software Products will be performed periodically. Motorola will make commercially reasonable efforts to notify customers one (1) week in advance of any such maintenance. Unscheduled and emergency maintenance may be required from time to time. Motorola will make commercially reasonable efforts to notify customers of any unscheduled or emergency maintenance twenty-four (24) hours in advance.

9. Survival. The following provisions will survive the expiration or termination of this MVA for any reason: **Section 1 – Addendum**; **2 – Evidence Management Systems; Applicable Terms and Conditions**; **Section 3 – Payment**; **Section 5.2 – Applicable End User Terms; Section 6.5.1 – EvidenceLibrary.com**; **Section 6.7 – VaaS Program Term and Termination**; **Section 9 – Survival**.

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the ""Underlying Agreement"") that authorizes Customer to purchase equipment and/or services or license software (collectively ""Products""). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

DISCRETIONARY FUNDING ALLOCATION - CITY COUNCIL MEMBER TENIADE BROUGHTON - DISTRICT 5

RECOMMENDATION:

That City Council approve funding of $500 to the Woodland Heights Neighborhood Association, $500 to the East Hill Neighborhood Association and $500 to the Northeast Neighborhood Association from the City Council Discretionary Funds for District 5.

HEARING REQUIRED: No Hearing Required

SUMMARY:

In accordance with Section 3.28-3.33 of the Policies of the City Council, prior to any distribution of grant or sponsorship funds from the City Council Discretionary Funds, approval by City Council is required.

Woodland Heights is located in the north central section of the City of Pensacola. The Woodland Heights area consists of 358.4 acres annexed into the City of Pensacola in two segments, the first in 1956 with the remainder in 1957. The neighborhood was platted as a traditional post-war subdivision in 1957 and became one of Pensacola's first-ring suburbs. In 1996, the Woodland Heights Neighborhood Association was organized and has been actively involved in bringing residents together and working to improve the neighborhood. The Woodland Heights Neighborhood Association's mission is to nurture connections for a fun and vibrant Woodland Heights where everyone belongs. Funding will be used to further their mission.

In 2004, a woman by the name of Ms. Colleen McDonough approached the City of Pensacola about issues in the neighborhood. While she thought she'd be organizing a neighborhood watch group, with support from the city, what became of it was much more. At the time, the City was urging areas to organize neighborhood associations to create a greater sense of community and government partnership. So, with that, the dream of a crime watch group grew to something much greater. And the East Hill Neighborhood Association was born and was the second to form within the City limits, following the long-standing North Hill Neighborhood. Today, a 15-member volunteer Board of Directors governs the Association and spearheads its great initiatives. From park improvements and planting trees to hosting movie nights and outdoor concerts, the association continues to help make

East Hill a wonderful place to live, work and play. Funding will be used to continue providing improvements to the neighborhood as well as hosting various events.

Established in November 2001, the Northeast Neighborhood Association was created to provide beautification, awareness and safety of the neighborhood, particularly for children as well as maintaining property values within the neighborhood. Funding will be used towards various improvements and activities within the neighborhood.

The goal of the Gulf Coast Kids House is to form a more collaborative response to child abuse cases so that they can improve case outcomes and minimize trauma to the children and families they serve. Funding will be used towards their general operations as well as a sponsorship for their Waiting To Be A Waitress fundraiser. This event is a one-act musical comedy dinner theatre written by Pensacola songwriter Ross Orenstein and

California playwright Jerome Elliott Moskowitz. This special three-night only fundraiser will be held August 25, 26 and 27, 2023 at The Gordon, located at 306 N. DeVilliers Street.

The Magnolia/AME Zion Cemeteries, co-located at the 1200 block of North "A" Street, were established at the turn of the 20th century and serve as an important physical reflection of Pensacola's African-American community from the early 1900s through the 1980s. The Historic Burial A.M.E. Zion Association assists in maintaining these historic cemeteries. Currently there is immediate work required on two grave sites that were heavily damaged by a fallen tree. Funding will be allocated to restoring these two sites.

WHEREAS, the City Council of Pensacola, Florida, has enacted Ordinance No. 52-00 (the "Ordinance"), which authorizes the imposition of Stormwater Service Assessments against real property specially benefited by the City's Stormwater Management Services;

WHEREAS, the reimposition of a Stormwater Service Assessment is an equitable and efficient method of allocating and apportioning the cost of the City's Stormwater Management Service among parcels of property that are specially benefited thereby;

WHEREAS, the City Council desires to reimpose a stormwater service assessment program using the tax bill collection method for the Fiscal Year beginning on October 1, 2023;

WHEREAS, in order to reimpose Stormwater Service Assessments for the Fiscal Year beginning October 1, 2023, the Ordinance requires the City Council to adopt an Annual Stormwater Service Assessment Resolution during its budget adoption process for each Fiscal Year, which establishes the rate of assessment and approves the updated Stormwater

Assessment Roll for the upcoming Fiscal Year, with such amendments as the City Council deems appropriate, after hearing comments and objections of all interested parties;

WHEREAS, the updated Stormwater Assessment Roll has heretofore been made available for inspection by the public, as required by the Ordinance;

WHEREAS, notice of a public hearing has been published and mailed as required by the terms of the Ordinance, which provides notice to all interested persons of an opportunity to be heard; an affidavit regarding the form of notice mailed being attached hereto as Appendix B and the proof of publication being attached hereto as Appendix A; and

WHEREAS, a public hearing has been duly held on August 17, 2023, and comments and objections of all interested persons have been heard and considered as required by the terms of the Ordinance.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL FOR THE CITY OF PENSACOLA, FLORIDA, AS FOLLOWS:

SECTION 1. AUTHORITY. This resolution is adopted pursuant to the Ordinance; the Amended and Restated Initial Assessment Resolution (Resolution No. 18-10); the Amended and Restated Final Assessment Resolution (Resolution No. 36-10); Article VIII, Section 2, Florida Constitution; sections 166.021 and 166.041, Florida Statutes; the Charter of the City of Pensacola, Florida; and other applicable provisions of law.

SECTION 2. DEFINITIONS.

(A) This resolution is the Annual Stormwater Assessment Resolution for the imposition of Stormwater Service Assessments.

(B) All capitalized terms in this resolution shall have the meanings defined in the Ordinance, the Amended and Restated Initial Stormwater Service Assessment Resolution, and the Amended and Restated Final Stormwater Service Assessment Resolution.

SECTION 3. APPROVAL OF STORMWATER ASSESSMENT ROLL.

(A) The updated Stormwater Assessment Roll, which is currently on file in the office of the City Clerk and incorporated herein by reference, is hereby approved.

(B) Additionally, the approved Stormwater Assessment Roll includes all parcels of Assessed Property with exempt "home addresses" pursuant to Section 119.071(4), Florida Statutes.

SECTION 4. REIMPOSITION OF STORMWATER SERVICE ASSESSMENTS.

(A) It is hereby ascertained, determined, and declared that each parcel of Assessed Property within the Stormwater Service Area will be specially benefited by the City's Stormwater Management Services in an amount not less than the Stormwater Service Assessment for such Tax Parcel, computed in the manner set forth in the Amended and Restated Initial Assessment Resolution, and set forth in the updated Stormwater Assessment Roll.

(B) Adoption of this Annual Stormwater Service Assessment Resolution constitutes a legislative determination that all parcels assessed derive a special benefit in a manner consistent with the legislative declarations, determinations and findings as set forth in the Ordinance and the Amended and Restated Initial Assessment Resolution from the Stormwater Management Services to be provided and a legislative determination that the Stormwater Service Assessments are fairly and reasonably apportioned among the properties that receive the special benefit as set forth in the Amended and Restated Initial Assessment Resolution.

(C) The method for computing and apportioning the Stormwater Service Assessments described in the Amended and Restated Initial Assessment Resolution is hereby approved.

(D) In accordance with section 163.3162(3), Florida Statutes, the City is prohibited from charging a Stormwater Service Assessment on certain agricultural property, if such farm operation has a National Pollution Discharge Elimination System Permit, an environmental resource permit, a works-of-the-district permit, or if it has implemented best management practices adopted as rules by the Florida Department of Environmental Protection, the Department of Agricultural and Consumer Services, or an appropriate water management district. Accordingly, any Owner of such agricultural property demonstrating that they meet the outlined requirements shall be exempted from the Stormwater Service Assessment.

(E) For the Fiscal Year beginning October 1, 2023, the estimated Stormwater Service Cost of $3,100,000.00 shall be allocated among all parcels of Assessed Property, based upon each parcel's number of Net ESUs. An annual rate of assessment equal to $80.00 per Net ESU is hereby imposed for each Tax Parcel of Developed Property. Stormwater Service Assessments for Stormwater Management Services in the amounts set forth in the updated Stormwater Assessment Roll, as herein approved, are hereby levied and imposed on all Tax Parcels of Assessed Property included in the Stormwater Assessment Roll for the Fiscal Year beginning October 1, 2023.

(F) For future fiscal years, the maximum rate of assessment that can be imposed without additional notice to the Owners of Tax Parcels of Developed Property is hereby established as $80.00 per Net ESU.

(G) The Stormwater Service Assessments shall constitute a lien upon the Tax Parcels so assessed equal in rank and dignity with the liens of all state, county, district or municipal taxes and non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims, until paid. The lien for the Stormwater Service Assessments shall be deemed perfected upon adoption by the City Council of this Annual Rate Resolution and shall attach to the property included on the Stormwater Assessment Roll as of the prior January 1, the lien date for ad valorem taxes.

(H) As authorized in the Ordinance, interim Stormwater Service Assessments are also levied and imposed against all property for which a Certificate of Occupancy is issued

after adoption of this Annual Stormwater Service Assessment Resolution based upon the rates of assessment approved herein.

SECTION 5. COLLECTION OF STORMWATER SERVICE ASSESSMENTS.

(A) The Stormwater Service Assessments shall be collected from all Assessed Property, except Government Property, pursuant to the Uniform Assessment Collection Act. The Stormwater Utility Director is hereby authorized and directed to certify and deliver or cause the certification and delivery of the Stormwater Service Assessment Roll to the Tax Collector by September 15, in the manner prescribed by section 197.3632, Florida Statutes. The Assessment Roll, as delivered to the Tax Collector, shall be accompanied by a Certificate to Non-Ad Valorem Assessment Roll in substantially the form attached hereto as Appendix C.

NOTICE OF HEARING TO IMPOSE AND PROVIDE FOR COLLECTION OF NON-AD VALOREM ASSESSMENTS

Notice is hereby given that the City Council of the City of Pensacola, Florida, will conduct a public hearing to consider reimposing Stormwater Service Assessments in the area receiving Stormwater Management Service from the City, as shown above, for the fiscal year beginning October 1, 2023 and future fiscal years. The hearing will be held at 5:30 p.m. on Thursday, August 17, 2023 in the City Council Chambers in City Hall, 222 West Main Street, Pensacola, Florida. The City of Pensacola adheres to the Americans with Disabilities Act and will make reasonable accommodations for access to City services, programs, and activities. Please call (850) 435-1606 (or TDD 435-1666) for further information. The request must be made at least 48 hours in advance of the event in order to allow the City time to provide requested services. All affected property owners have a right to appear at the hearing and to file written objections with the City Council. All written objections to the non-ad valorem assessments must be filed with the City Council of Pensacola within twenty (20) days of this notice. Please include your name, parcel number, and the reason you object to the assessment on all written objections. Address all written objections as follows: The Purchasing Office; Objections to Non-ad Valorem Assessment; Post Office Box 12910, Pensacola, Florida 32521. Any person wishing to appeal any decision of the City Council with respect to any matter considered will need a record of the proceedings and may wish to ensure that a verbatim record of the proceedings is made.

The Stormwater Service Assessments have been imposed to fund the City's cost to provide Stormwater Management Service in the area shown above. The Stormwater Service Assessments are based upon the estimated amount of stormwater runoff generated by impervious surface on the property. Impervious surfaces include the roof top, patios, driveways, parking lots and similar areas. The City has determined that the median single-family residence in the Stormwater Service Area includes 2,998 square feet of impervious surface, which is defined as the "equivalent stormwater unit value" or "ESU Value." The annual Stormwater Service Assessment rate for the upcoming Fiscal Year will be $80.00 for each Net ESU. The maximum Stormwater Service Assessment rate that can be imposed in future fiscal years is $80.00 per net ESU.

Generally, the number of ESUs were calculated individually for each parcel of property by dividing the impervious surface area by 2,998 square feet. Credit for privately maintained Stormwater management facilities and other factors affecting the quantity or quality of Stormwater runoff has also been applied, resulting in an assignment of Net ESUs. A more specific description is set forth in the Amended and Restated Initial Stormwater Assessment Resolution adopted by the City Council on July 22, 2010. Copies of the Stormwater Services Assessment Ordinance (Ordinance No. 52-00), Amended and Restated Initial Assessment Resolution (Resolution No. 18-10), Amended and Restated Final Assessment Resolution (Resolution No. 36-10), and the updated assessment roll are available for inspection at the Office of the City Clerk, 222 West Main Street, 7th Floor, Pensacola, Florida.

The Stormwater Service Assessment, except for those imposed on government property, will be collected on the annual property ad valorem tax bill that is mailed in November by the Escambia County Tax Collector. Failure to pay the Stormwater Service Assessment will cause a tax certificate to be issued against the assessed property which may result in a loss of title.
