2019

Community Mental Health

Pensacola, FL

Case Manager for Home Intervention-(Community Action Team)

- Provide services that enhance home, school, and community partnerships, while actively addressing mental health barriers that interfere with student performance and achievement by bringing clients and families together and creating an environment that is conducive to effective treatment planning and problem solving.
- Implemented service needs assessments, service needs plans, and service plan reviews to assist clients and families with essential tools to address mental health needs, behavior needs, and educational needs and transition from alternative school placement to traditional school placement, as well as facilitating group discussions on issues such as: avoiding the school to prison pipeline; conflict resolution; community engagement etc.
- Provided mental and behavioral health services to clients and families that have been referred by community agencies for treatment.

- Worked with Sylvan Learning Center (SLC), which sought to link client and families to academic tutoring in effort to reduce client inappropriate behavior in the school setting, as a result of being frustrated for having a lack of understanding in academics.
- Identify student and family needs to provide proper referrals to assist the student and family to community resources.
- Address the psychological and social well-being of clients labeled as having a Mental Health Disorder (MHD).
