LEGISLATIVE ACTION ITEM

SPONSOR: Ashton J. Hayward, III, Mayor

SUBJECT:

AWARD OF CONTRACT - BID #17-032 BAYOU CHICO NORTH STORMWATER OUTFALL TREATMENT ENHANCEMENT PROJECT

RECOMMENDATION:

That City Council award a contract for construction of the Bayou Chico North Stormwater Outfall Treatment Enhancement Project to BKW, Inc., of Pensacola, Florida, the lowest and most responsible bidder with a base bid of \$304,926.06, plus 10% contingency of \$30,492.61 for a total amount of \$335,418.67.

HEARING REQUIRED: No Hearing Required

SUMMARY:

The scope of the project is to provide proprietary stormwater treatment for currently untreated drainage sub-basins within the Bayou Chico Watershed. Stormwater outfalls have been identified as one of the significant contributors of sediment into Bayou Chico and the proposed project will utilize underground stormwater treatment units to reduce total suspended solids pollution into Bayou Chico at various locations within the drainage basin. The treatment units proposed for use in this project are the most up to date technology available and are very effective in this type of application for pollutant removal. The project is located within developed commercial and residential areas which have existing stormwater collection/transmission facilities that discharge into Bayou Chico.

APPOINTMENT TO THE DOWNTOWN IMPROVEMENT BOARD (DIB)

RECOMMENDATION:

That the City Council affirm the Mayor's appointment of Michael Carro and the reappointment of Teri Levin to the Downtown Improvement Board (DIB) for a term of three years expiring August 31, 2020.

HEARING REQUIRED: No Hearing Required

SUMMARY:

The Downtown Improvement Board (DIB) is a quasi-governmental, not-for-profit agency created in 1972 for the purpose of physically, economically and socially revitalizing downtown Pensacola. The DIB coordinates the marketing and promotion of the 44 block central business core of downtown Pensacola.

The DIB was created by a Special Act of the Florida Legislature Section 72.662 and is to be composed of five (5) members appointed by the Mayor and confirmed by the City Council. Members must be owners of real estate within the downtown area, subject to ad valorem taxation, or a lessee thereof required by lease to pay taxes. No voting member may be a City or County officer or employee.

PRIOR ACTION:

All members of the DIB are appointed by the Mayor for three year terms.

PUBLIC HEARING FOR THE ANNUAL ASSESSMENT RESOLUTION IMPOSING STORMWATER SERVICE ASSESSMENTS AND APPROVAL OF 2017 STORMWATER ASSESSMENT ROLL

RECOMMENDATION:

That City Council conduct a public hearing on August 10, 2017 to adopt the final assessment resolution imposing stormwater service assessments and approving the 2017 Stormwater Assessment Roll.

HEARING REQUIRED: Public

SUMMARY:

The City of Pensacola created a stormwater utility fee in 2001 to provide a dedicated funding source for stormwater management costs. To continue to receive stormwater assessment revenue, it is necessary that the City Council conduct an annual public hearing on August 10, 2017 to adopt the annual assessment resolution imposing stormwater service assessments and to approve the 2017 Stormwater Assessment Roll.

Since its inception, the stormwater utility fee has generated over \$31 million in revenue designated exclusively for stormwater management. A billing rate of \$72.24 per equivalent stormwater unit (ESU) billing unit is proposed for 2017, the same rate as 2016.

A summary of the residential and commercial charges is provided below:

2017 Rate Structure:

Residential:

<u>Building Sq. Ft.</u>	<u>2017 Rate</u>
Small 100-1,100	\$ 31.79
Small-Med 1,101-1,600	\$ 49.12
Medium 1,601-2,500	\$ 72.24
Large 2,501-5,600	\$110.53
Very Large 5,601+	Treated as a Commercial Property

Commercial:

A rate of \$72.24 per 2,998 square feet of impervious area (building footprint, paved parking, etc.) minus appropriate mitigation credit, typically 32%, provided for on-site stormwater retention.

PRIOR ACTION:

None

FUNDING:

Budget: \$2,775,000

Actual: \$2,775,000

FINANCIAL IMPACT:

The 2017 stormwater assessment program will generate an estimated \$2.8 million in revenue for Fiscal Year 2018 stormwater management and improvement projects.

RESOLUTION NO. ___-17

A RESOLUTION OF THE CITY OF PENSACOLA, FLORIDA, RELATING TO THE PROVISION OF STORMWATER MANAGEMENT SERVICES PROVIDED BY THE CITY'S STORMWATER UTILITY; REIMPOSING STORMWATER SERVICE ASSESSMENTS AGAINST DEVELOPED PROPERTY LOCATED WITHIN THE STORMWATER SERVICE AREA FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2017; APPROVING THE RATE OF ASSESSMENT; APPROVING THE ASSESSMENT ROLL; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City Council of Pensacola, Florida, has enacted Ordinance No. 52-00 (the "Ordinance"), which authorizes the imposition of Stormwater Service Assessments against real property specially benefited by the City's Stormwater Management Services;

WHEREAS, the reimposition of a Stormwater Service Assessment is an equitable and efficient method of allocating and apportioning the cost of the City's Stormwater Management Service among parcels of property that are specially benefited thereby;

WHEREAS, the City Council desires to reimpose a stormwater service assessment program using the tax bill collection method for the Fiscal Year beginning on October 1, 2017;

WHEREAS, in order to reimpose Stormwater Service Assessments for the Fiscal Year beginning October 1, 2017, the Ordinance requires the City Council to adopt an Annual Stormwater Service Assessment Resolution during its budget adoption process for each Fiscal Year, which establishes the rate of assessment and approves the updated Stormwater

Assessment Roll for the upcoming Fiscal Year, with such amendments as the City Council deems appropriate, after hearing comments and objections of all interested parties;

WHEREAS, the updated Stormwater Assessment Roll has heretofore been made available for inspection by the public, as required by the Ordinance;

WHEREAS, notice of a public hearing has been published and mailed as required by the terms of the Ordinance, which provides notice to all interested persons of an opportunity to be heard; an affidavit regarding the form of notice mailed being attached hereto as Appendix B and the proof of publication being attached hereto as Appendix A; and

WHEREAS, a public hearing has been duly held on August 10, 2017 and comments and objections of all interested persons have been heard and considered as required by the terms of the Ordinance.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL FOR THE CITY OF PENSACOLA, FLORIDA, AS FOLLOWS:

SECTION 1. AUTHORITY. This resolution is adopted pursuant to the Ordinance, the Amended and Restated Initial Assessment Resolution (Resolution No. 18-10), the Amended and Restated Final Assessment Resolution (Resolution No. 36-10), sections 166.021 and 166.041, Florida Statutes, the Charter of the City of Pensacola, Florida, and other applicable provisions of law.

SECTION 2. DEFINITIONS.

(A) This resolution is the Annual Stormwater Assessment Resolution for the imposition of Stormwater Service Assessments.

(B) All capitalized terms in this resolution shall have the meanings defined in the Ordinance, the Amended and Restated Initial Stormwater Service Assessment Resolution, and the Amended and Restated Final Stormwater Service Assessment Resolution.

SECTION 3. APPROVAL OF STORMWATER ASSESSMENT ROLL. The updated Stormwater Assessment Roll, which is currently on file in the office of the City Clerk and incorporated herein by reference, is hereby approved.

SECTION 4. REIMPOSITION OF STORMWATER SERVICE ASSESSMENTS.

(A) It is hereby ascertained, determined, and declared that each parcel of Assessed Property within the Stormwater Service Area will be specially benefited by the City's Stormwater Management Services in an amount not less than the Stormwater Service Assessment for such Tax Parcel, computed in the manner set forth in the Amended and Restated Initial Assessment Resolution, and set forth in the updated Stormwater Assessment Roll. Adoption of this Annual Stormwater Service Assessment Resolution constitutes a legislative determination that all parcels assessed derive a special benefit in a manner consistent with the legislative declarations, determinations and findings as set forth in the Ordinance and the Amended and Restated Initial Assessment Resolution from the

Stormwater Management Services to be provided and a legislative determination that the Stormwater Service Assessments are fairly and reasonably apportioned among the properties that receive the special benefit as set forth in the Amended and Restated Initial Assessment Resolution.

(B) The method for computing and apportioning the Stormwater Service Assessments described in the Amended and Restated Initial Assessment Resolution is hereby approved.

(C) For the Fiscal Year beginning October 1, 2017, the estimated Stormwater Service Cost of \$2,838,800.00 shall be allocated among all parcels of Assessed Property, based upon each parcel's number of Net ESUs. An annual rate of assessment equal to \$72.24 per Net ESU is hereby imposed for each Tax Parcel of Developed Property. Stormwater Service Assessments for Stormwater Management Services in the amounts set forth in the updated Stormwater Assessment Roll, as herein approved, are hereby levied and imposed on all Tax Parcels of Assessed Property described in the Stormwater Assessment Roll for the Fiscal Year beginning October 1, 2017.

(D) The Stormwater Service Assessments shall constitute a lien upon the Tax Parcels so assessed equal in rank and dignity with the liens of all state, county, district or municipal taxes and non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims, until paid. The lien for the Stormwater Service Assessments shall be deemed perfected upon adoption by the City

Council of this Annual Rate Resolution and shall attach to the property included on the Stormwater Assessment Roll as of the prior January 1, the lien date for ad valorem taxes.

(E) As authorized in the Ordinance, interim Stormwater Service Assessments are also levied and imposed against all property for which a Certificate of Occupancy is issued after adoption of this Annual Stormwater Service Assessment Resolution based upon the rates of assessment approved herein.

SECTION 5. COLLECTION OF STORMWATER SERVICE ASSESSMENTS.

(A) The Stormwater Service Assessments shall be collected from all Assessed Property, except Government Property, pursuant to the Uniform Assessment Collection Act. The Stormwater Utility Director is hereby authorized and directed to certify and deliver or cause the certification and delivery of the Stormwater Service Assessment Roll to the Tax Collector by September 15, in the manner prescribed by section 197.3632, Florida Statutes. The Assessment Roll, as delivered to the Tax Collector, shall be accompanied by a Certificate to Non-Ad Valorem Assessment Roll in substantially the form attached hereto as Appendix C.

(B) The Stormwater Service Assessments shall be collected from all Government Property in accordance with Section 4.04 of the Ordinance. The Council hereby directs the Stormwater Utility Director to mail said bills no later than November 1, 2017.

SECTION 6. EFFECT OF ADOPTION OF RESOLUTION. The adoption of this Annual Stormwater Assessment Resolution shall be the final adjudication of the issues presented herein (including, but not limited to, the apportionment methodology, the rate of assessment, the adoption of the Stormwater Assessment Roll and the levy and lien of the Stormwater Service Assessments), unless proper steps shall be initiated in a court of competent jurisdiction to secure relief within 20 days from the date of this Annual Stormwater Assessment Resolution.

SECTION 7. EFFECTIVE DATE. This resolution shall become effective on the fifth business day after adoption, unless otherwise provided pursuant to Section 4.03(d) of the City Charter of the City of Pensacola.

DULY ADOPTED this 10th day of August, 2017.

AFFIDAVIT OF MAILING

BEFORE ME, the undersigned authority, personally appeared Ashton J. Hayward, III, and Tammy Peters, who, after being duly sworn, depose and say:

1. Ashton J. Hayward, III, as Mayor of the City of Pensacola, Florida ("City"), pursuant to the authority and direction received from the City Council, timely directed the preparation of the Assessment Roll and the preparation, mailing, and publication of notices in accordance with the Stormwater Utility Ordinance adopted by the City Council on November 16, 2000 (the "Ordinance").

2. Tammy Peters, is Office Manager for Government Services Group, Inc. ("GSG"). GSG has caused the notices required by the Ordinance to be prepared in conformance with the Initial Assessment Resolution. An exemplary form of such notice is attached hereto. GSG has caused such individual notices for each affected property owner to be prepared and each notice included the following information: the purpose of the assessment; the total amount proposed to be levied against each parcel; the unit of measurement to be applied against each parcel to determine the assessment; the number of such units contained within each parcel; the total revenue the City expects to collect by the assessment; a statement that failure to pay the assessment will cause a tax certificate to be issued against the property which may result in a loss of title; a statement that all affected property owners have a right to appear at the hearing and to file written objections with the

local governing board within 20 days of the notice; and the date, time, and place of the hearing.

3. On or before July 20, 2017, GSG caused the mailing of the above-referenced notices in accordance with the Ordinance and the Initial Assessment Resolution by First Class Mail to each affected owner, at the addresses then shown on the real property assessment tax roll database maintained by the Escambia County Property Appraiser for the purpose of the levy and collection of ad valorem taxes.

FURTHER AFFIANTS SAYETH NOT.

WHEREAS, the City Council desires to reimpose a stormwater service assessment program using the tax bill collection method for the Fiscal Year beginning on October 1, 2017;

WHEREAS, in order to reimpose Stormwater Service Assessments for the Fiscal Year beginning October 1, 2017, the Ordinance requires the City Council to adopt an Annual Stormwater Service Assessment Resolution during its budget adoption process for each Fiscal Year, which establishes the rate of assessment and approves the updated Stormwater

Assessment Roll for the upcoming Fiscal Year, with such amendments as the City Council deems appropriate, after hearing comments and objections of all interested parties;

WHEREAS, the updated Stormwater Assessment Roll has heretofore been made available for inspection by the public, as required by the Ordinance;

WHEREAS, notice of a public hearing has been published and mailed as required by the terms of the Ordinance, which provides notice to all interested persons of an opportunity to be heard; an affidavit regarding the form of notice mailed being attached hereto as Appendix B and the proof of publication being attached hereto as Appendix A; and

WHEREAS, a public hearing has been duly held on August 10, 2017 and comments and objections of all interested persons have been heard and considered as required by the terms of the Ordinance.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL FOR THE CITY OF PENSACOLA, FLORIDA, AS FOLLOWS:

SECTION 1. AUTHORITY. This resolution is adopted pursuant to the Ordinance, the Amended and Restated Initial Assessment Resolution (Resolution No. 18-10), the Amended and Restated Final Assessment Resolution (Resolution No. 36-10), sections 166.021 and 166.041, Florida Statutes, the Charter of the City of Pensacola, Florida, and other applicable provisions of law.

SECTION 2. DEFINITIONS.

(A) This resolution is the Annual Stormwater Assessment Resolution for the imposition of Stormwater Service Assessments.

(B) All capitalized terms in this resolution shall have the meanings defined in the Ordinance, the Amended and Restated Initial Stormwater Service Assessment Resolution, and the Amended and Restated Final Stormwater Service Assessment Resolution.

SECTION 3. APPROVAL OF STORMWATER ASSESSMENT ROLL. The updated Stormwater Assessment Roll, which is currently on file in the office of the City Clerk and incorporated herein by reference, is hereby approved.

SECTION 4. REIMPOSITION OF STORMWATER SERVICE ASSESSMENTS.

(A) It is hereby ascertained, determined, and declared that each parcel of Assessed Property within the Stormwater Service Area will be specially benefited by the City's Stormwater Management Services in an amount not less than the Stormwater Service Assessment for such Tax Parcel, computed in the manner set forth in the Amended and Restated Initial Assessment Resolution, and set forth in the updated Stormwater Assessment Roll. Adoption of this Annual Stormwater Service Assessment Resolution constitutes a legislative determination that all parcels assessed derive a special benefit in a manner consistent with the legislative declarations, determinations and findings as set forth in the Ordinance and the Amended and Restated Initial Assessment Resolution from the

Stormwater Management Services to be provided and a legislative determination that the Stormwater Service Assessments are fairly and reasonably apportioned among the properties that receive the special benefit as set forth in the Amended and Restated Initial Assessment Resolution.

(B) The method for computing and apportioning the Stormwater Service Assessments described in the Amended and Restated Initial Assessment Resolution is hereby approved.

(C) For the Fiscal Year beginning October 1, 2017, the estimated Stormwater Service Cost of \$2,838,800.00 shall be allocated among all parcels of Assessed Property, based upon each parcel's number of Net ESUs. An annual rate of assessment equal to \$72.24 per Net ESU is hereby imposed for each Tax Parcel of Developed Property. Stormwater Service Assessments for Stormwater Management Services in the amounts set forth in the updated Stormwater Assessment Roll, as herein approved, are hereby levied and imposed on all Tax Parcels of Assessed Property described in the Stormwater Assessment Roll for the Fiscal Year beginning October 1, 2017.

(D) The Stormwater Service Assessments shall constitute a lien upon the Tax Parcels so assessed equal in rank and dignity with the liens of all state, county, district or municipal taxes and non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims, until paid. The lien for the Stormwater Service Assessments shall be deemed perfected upon adoption by the City

Council of this Annual Rate Resolution and shall attach to the property included on the Stormwater Assessment Roll as of the prior January 1, the lien date for ad valorem taxes.

(E) As authorized in the Ordinance, interim Stormwater Service Assessments are also levied and imposed against all property for which a Certificate of Occupancy is issued after adoption of this Annual Stormwater Service Assessment Resolution based upon the rates of assessment approved herein.

SECTION 5. COLLECTION OF STORMWATER SERVICE ASSESSMENTS.

(A) The Stormwater Service Assessments shall be collected from all Assessed Property, except Government Property, pursuant to the Uniform Assessment Collection Act. The Stormwater Utility Director is hereby authorized and directed to certify and deliver or cause the certification and delivery of the Stormwater Service Assessment Roll to the Tax Collector by September 15, in the manner prescribed by section 197.3632, Florida Statutes. The Assessment Roll, as delivered to the Tax Collector, shall be accompanied by a Certificate to Non-Ad Valorem Assessment Roll in substantially the form attached hereto as Appendix C.

(B) The Stormwater Service Assessments shall be collected from all Government Property in accordance with Section 4.04 of the Ordinance. The Council hereby directs the Stormwater Utility Director to mail said bills no later than November 1, 2017.

SECTION 6. EFFECT OF ADOPTION OF RESOLUTION. The adoption of this Annual Stormwater Assessment Resolution shall be the final adjudication of the issues presented herein (including, but not limited to, the apportionment methodology, the rate of assessment, the adoption of the Stormwater Assessment Roll and the levy and lien of the Stormwater Service Assessments), unless proper steps shall be initiated in a court of competent jurisdiction to secure relief within 20 days from the date of this Annual Stormwater Assessment Resolution.

SECTION 7. EFFECTIVE DATE. This resolution shall become effective on the fifth business day after adoption, unless otherwise provided pursuant to Section 4.03(d) of the City Charter of the City of Pensacola.

DULY ADOPTED this 10th day of August, 2017.

AFFIDAVIT OF MAILING

AFFIDAVIT OF MAILING

BEFORE ME, the undersigned authority, personally appeared Ashton J. Hayward, III, and Tammy Peters, who, after being duly sworn, depose and say:

1. Ashton J. Hayward, III, as Mayor of the City of Pensacola, Florida ("City"), pursuant to the authority and direction received from the City Council, timely directed the preparation of the Assessment Roll and the preparation, mailing, and publication of notices in accordance with the Stormwater Utility Ordinance adopted by the City Council on November 16, 2000 (the "Ordinance").

2. Tammy Peters, is Office Manager for Government Services Group, Inc. ("GSG"). GSG has caused the notices required by the Ordinance to be prepared in conformance with the Initial Assessment Resolution. An exemplary form of such notice is attached hereto. GSG has caused such individual notices for each affected property owner to be prepared and each notice included the following information: the purpose of the assessment; the total amount proposed to be levied against each parcel; the unit of measurement to be applied against each parcel to determine the assessment; the number of such units contained within each parcel; the total revenue the City expects to collect by the assessment; a statement that failure to pay the assessment will cause a tax certificate to be issued against the property which may result in a loss of title; a statement that all affected property owners have a right to appear at the hearing and to file written objections with the

local governing board within 20 days of the notice; and the date, time, and place of the hearing.

3. On or before July 20, 2017, GSG caused the mailing of the above-referenced notices in accordance with the Ordinance and the Initial Assessment Resolution by First Class Mail to each affected owner, at the addresses then shown on the real property assessment tax roll database maintained by the Escambia County Property Appraiser for the purpose of the levy and collection of ad valorem taxes.

FURTHER AFFIANTS SAYETH NOT.

Call to Order / Quorum Present

Chairman Ritz called the meeting to order at 2:03 pm with a quorum present. He gave instructions to the audience on the rules and procedures of the Board.

Approval of Meeting Minutes

Mr. Larson made a motion to approve the June 13, 2017 minutes, seconded by Mr. Moore, and it carried unanimously.

Request for Site Plan Approval for 4771 North 9th Avenue (North 9th Avenue Corridor Management Overlay District)

This application is being received in response to the recent amendments to the North 9th Avenue Corridor Management Plan which require Board approval. The proposed improvements include a new 5,000 sf retail/office building with required parking as well as site modifications to the existing "Food Mart" convenience store and gas station. Since the existing site is being modified, FDOT has required adherence with their access management standards.

EVERYTHING THAT'S GREAT ABOUT FLORIDA IS BETTER IN PENSACOLA.

The large expanse of concrete which currently provides direct access to North 9th Avenue will be reduced to two directional driveways with the sole full-access driveway connection relocated to the side street (Springdale Circle). A landscaping plan has also been included within the submittal package. Although these plans were originally developed prior to the LDC Amendment, the plan does not meet the intent of the ordinance. The applicant allowed their building permit to expire, so they were required to conform to the present code.

Chairman Ritz asked about the access to Code changes, and Ms. Deese stated the LDC online actually goes through a codification process through Municode and their attorneys before being published online. However, access is available through the Municode website or the City of Pensacola's Code of Ordinances website where a listing is available for ordinances adopted but not yet codified.

Mr. Chakrabarti explained the project was initiated before the current ordinance was put in place, then they were caught up with FDOT for driveway permitting. The biggest challenge was fuel trucks being able to safely enter and exit the site. FDOT allowed a 16' right-in and a 16' right-out, and the City allowed full access on the side street. After being advised of the new ordinance, they prepared the building based on what they felt was best suited for the area. He explained the truck access was because FDOT requires cross access when the adjacent property is with the same owner (Exxon Station). He stated there was only one exit on 9th Avenue and right-in and right-out on Springdale.

Mr. Grundhoefer discussed the span of concrete in the parking lot, since the goal of the ordinance was to bring in landscaping and buffers for parking spaces. Ms. Deese advised there were two different sections where landscaping would be addressed - in the regular landscaping and tree section and North 9th Avenue District. Chairman Ritz advised one of the purposes of the overlay district was to try and guide development along 9th Avenue to create a more pedestrian-oriented approach. However, the large expanse of asphalt was accommodating the adjacent property. Mr. Chakrabarti clarified if the property sold, the cross access easement would stay. Mr. Chakrabarti advised the original driveway was closer to the intersection which Engineering had approved. Ms. Deese pointed out the plans had not been approved by Engineering or Inspections as that would be completed during permitting. Mr. Grundhoefer suggested extending the awning for more coverage. Mr. Chakrabarti advised they could also increase the landscaping and possibly reduce the asphalt which would also reduce the cost to the owner.

Ms. Mack appreciated the discussion on the asphalt and asked that the Board not approve the project until they see the changes discussed. She observed fuel trucks and delivery trucks, and it was unfortunate that this corner lot was rezoned to RNC. The applicant cannot be required to place parking in the rear due to FDOT requirements. She also reminded the Board that economics and the quality of the development are related and provided pictures of neighboring commercial development. She mentioned there was a section in the LDC which reduces the parking requirements based on enhanced landscaping.

Chairman Ritz pointed out 18 parking spaces illustrated on the project, with 17 required by Code. He was concerned with the application dealing with the convenience store with the sign moved and the canopy extended, and those details were not presented. Regarding the aesthetics of the strip mall, it did not have much to differentiate it from any other area in Pensacola. Mr. Grundhoefer felt it had no beauty and appreciated the residential examples provided by Ms. Mack. He stressed the goal throughout the city was to promote projects which would make the city more attractive.

Chairman Ritz advised in addressing the design, the Board could submit ideas and suggestions for a more appropriately styled building. He suggested windows or storefronts which do not extend to the sidewalk. The character of those buildings with some delineation or windows and doors at different heights, separation between door members and windows, along with a change in the exterior finish would encompass his suggestions. Mr. Grundhoefer stated if the exterior had brick or precast, it could withstand some of the elements in Pensacola and might not require as much maintenance. He offered that the designers could come up with something more attractive to make it fit with the neighborhood.

Mr. Chakrabarti stated most of the building examples illustrated were residential converted to commercial, and his project was proposing modern-day design.

Regarding the storefront, they could introduce a knee-wall in front and also meet the landscaping requirements. Chairman Ritz stated in considering successful projects, the insurance office on Cervantes near 14th was recent construction which had more character.

He pointed out this project was not in a historic district where the Board was trying to maintain a certain period, but a designer could develop a different approach with a residential feel. Mr. Grundhoefer explained to the applicant how to reconfigure the parking orientation. Ms. Deese pointed out that Ms. Mack had referred to the reduction of parking spaces when providing landscaping; the Code provides for a variety of relief from parking possibly a bike rack, compact cars or landscaping as options. **Mr. Moore made a motion to deny and wanted to see the project come back with suggestions considered, and Mr. Larson seconded.** Chairman Ritz stated the minutes would reflect the suggestions of a knee-wall, and a change in texture or texture finish. He stressed the Board was not trying to prevent development and was sensitive to jobs it would create, but the Board was trying to guide development in this district utilizing the regulations of the LDC. Mr. Grundhoefer offered his services to guide the applicant, and Ms. Deese stated if he was willing to devote his time to this project, it would be appropriate as long as it did not include other Board members. **The motion then carried unanimously.**

Request for Minor Subdivision Plat Approval for Cottages at Eighth Subdivision (Preliminary and Final Plat Approval)

Gregory Stack has submitted a request for Minor Subdivision approval for "Cottages at Eighth"; this request includes both the Preliminary Plat and the Final Plat for the development. The proposed townhouse development, identified as 800 E. Strong Street, is a 0.2525-acre parcel on the northeast corner of the intersection of E. Strong Street and North 8th Avenue. The single family residence which was located on the site has been demolished to accommodate this development. The proposed subdivision consists of 4 lots which measure 34 feet in width. This development is located within the R-1A zoning district. Front yard averaging was applied and resulted in a reduction to the front and corner side yard setbacks. Both the Preliminary Plat and Final Plat were routed thru the various City departments and outside agencies for review and comments. Ms. Deese advised the only comment of any substance was from Engineering concerning drainage.

Chairman Ritz was familiar with the area and suggested the project was in line with existing development and had no objections to the preliminary or final plat. Mr. Grundhoefer confirmed the Board was not reviewing for aesthetics. Mr. Moore asked if the Engineering comment needed to be addressed, and Ms. Deese explained the Board was approving contingent on the comments received; the applicant has indicated they will meet the requirements and will have to do so in order to obtain a building permit. Mr. Grundhoefer explained the project was being developed behind the fire station and was consistent with the structures in the area.

Mr. Stack suggested the project would be a major improvement for that area. The building would be constructed with hardie board siding with a metal roof or architectural shingled roof. The columns would be wrapped, similar to single family homes on LaRua located by the railroad tracks. He explained they wanted to keep as much green as possible by constructing paver track driveways up to the garages. Currently, the garages are pushed to the back to provide additional parking; Chairman Ritz appreciated the garages pushed to the rear to allow for pedestrian traffic.

Mr. Larson made a motion to approve based upon compliance with drainage and utilities, seconded by Mr. Grundhoefer, and it carried unanimously.

Request for Final Plat Approval for River Birch Subdivision

John and Connie Bowman, Our Family Property LLC, have submitted a request for Final Plat approval for "River Birch" subdivision. The proposed development, identified as the 7100 blk of Spanish Trail, is a 3.93-acre parcel located on the east side of Spanish Trail, and is immediately adjacent to the north of Gull Point Community Center. The site is currently vacant.

The Preliminary Plat was granted approval by this Board in May 2017. The proposed Final Plat is fairly consistent with the approved Preliminary Plat, with the exception of the location of the stormwater facilities. The current iteration has a 15' wide stormwater easement located along the perimeter of the parent parcel with a much wider area located in the southeast portion of the parent parcel. This residential development is located within the R-1AA zoning district. Per the application, the proposed subdivision consists of 4 lots, three new residential lots and the remainder of the parent parcel.

The Final Plat has been routed thru the various City departments and outside agencies for review and comments.

Mr. Rebol stated the stormwater has been relocated to the parent parcel; the Bowmans are building their own home on the rear lot. **Mr. Larson explained the applicant had addressed all the Board's issues and made a motion to approve, seconded by Mr. Moore. The motion then carried unanimously.**

Consider Rezoning and FLUM Amendment for 109 N. A Street

Novota Properties, LLC is requesting to rezone the property located at 109 N. A Street from Residential/Office (R-2) to Commercial (C-2). This request also requires a Future Land Use Map Amendment from Office (O) to Commercial (C). This parcel is across the street from C-2A zoned property. The proposed Future Land Use Amendment from Office to Commercial will allow the applicant to request a Commercial (C-2) zoning designation, since C-2A is a specific zoning not appropriate for this parcel. The applicant has indicated the reason for the rezoning request is to match adjacent property on the east side of N. A Street.

Ms. Deese indicated several calls and a letter had been received opposing this request. To clarify, Chairman Ritz advised that spot zoning is not allowed by State of Florida law, so there has to be a rationale to change zoning. Mr. Larson asked the difference between C-1 and C-2. Ms. Deese advised C-1 is the least intensive of commercial districts and lies next to residential/commercial neighborhoods; C-2 has more intensive uses. Everything permitted in C-1 and below is permitted in C-2.

Mr. Novota stated the request was due to a residential home across the street being in C-2. He emphasized they wanted to make their property zoned for what it looks like since it has never been a residence. He had spoken with the person who wrote the letter, and her concern was the traffic. He indicated he bought the property for a family hobby shop and wanted the building to be reflective of that use. He informed one of the neighbors the intent was not to widen A Street. He also stated the lady who wrote the letter was not familiar with the building, and no longer had any issues.

Mr. Grundhoefer indicated he was in favor of granting the previous barber shop request, but he was concerned with the uses in a commercial district; a dentist, doctor or barber shop are compatible but not heavy retail.

Ms. Davis, who lives at 819 W. Gregory, stated the street corner holds water and does not drain and is a mosquito issue. Chairman Ritz clarified that although they hear her concern, this Board does not handle those issues. He did advise her to state her issue in the Open Forum portion of the meeting.

After returning to the agenda item, Ms. Deese advised RNC would be the zone between R-2 and C-1, however, there are future land use categories. In order to request one of the zoning listings under that category, you would have to be adjacent or contiguous. In looking at the map, the only options that could be offered to Mr. Novota was the office, the residential or the commercial, since there wasn't an RNC designation; this would be spot zoning which is illegal. She explained that C-2 was chosen by the applicant since it fit the best with what is adjacent to it. However, the Future Land Use request within this request would accommodate C-1. As requested, Ms. Deese read the uses from the ordinance for C-1. Mr. Grundhoefer observed that even though they did not fit, service stations were permitted in RNC. Chairman Ritz stated after having driven the area, his opinion was to suggest C-1 as a viable alternative; with the size of the parcel, C-1 would allow sufficient variation of use.

Mr. Grundhoefer noted there was no outpouring of complaints on the request. At this point, Mr. Novota advised he was satisfied with C-1 zoning.

Mr. Larson made a motion to approve for C-1, seconded by Mr. Owens. Mr. Larson stated C-1 was least intensive and a mix between residential and commercial. **The motion then carried unanimously.** Ms. Deese advised the applicant the project would proceed to City Council.

Open Forum – Annie Davis wanted to address the water on C and Gregory Streets. The erosion from the City's right-of-way is a problem. Ms. Deese offered to direct Ms. Davis to the appropriate department for solutions.

Mr. Grundhoefer asked the reason for pulling the Girard item from the agenda. Ms. Deese advised they had found some issues that would be addressed through the platting process, but no revisions had been received at this time.

Chairman Ritz confirmed that Board members were given the option for reappointment, and this meeting closes the term. Ms. Deese advised each Board member had indicated the desire to serve, and reappointments were scheduled for the July 13th Council meeting.

Ms. Deese explained Mr. Larson had inquired about the communication tower at Strong and A Streets. Planning Board's recommendation was upheld through the City Council's final approval. The applicant has added the fencing, trees and stealth technology as required. The form of stealth technology applied was painting (least desirable) which was listed in the Code as an option. In discussion with Mr. Weeks, the only way to help the situation in the future was to be more specific in the motion. The trees were also an issue since the number or size of trees was not specified.

Adjournment – With no further business, Chairman Ritz adjourned the meeting at 3:42 pm.

Respectfully Submitted,

To whom it may concern:

I am writing to respond to the public notice I received, via mail, regarding the request to rezone 109 North "A" St. I understand a beauty salon would like to move into the neighborhood. I firmly oppose that notion.

This is a reasonably quiet residential neighborhood where retirees and working families live their lives with little outside interference.

The gas stations on Cervantes and Garden Streets respectively, with the family store on Jackson and A, are quite enough businesses in the area.

There is already an inordinate amount of traffic on "A" Street without having another business bring more. Not to mention the potential for other influences to come into the area.

I hope you will take my concerns into consideration before you make your decision. Thank you.

Betty Bishop

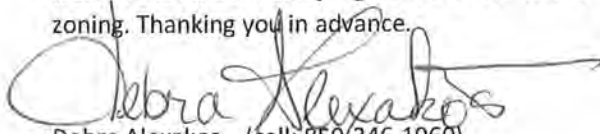

July 18, 2017

Our names are George & Debra Alexakos. We own our home located at 111 North "A" Street. Our next door neighbor, Strong Street Studio, 109 North "A" Street, a house and garage building in use as an art glass-blowing workshop factory, are requesting rezoning which is scheduled for discussion at the August 10th public hearing. My husband and I are both disabled and unable to attend the meeting. Please accept this correspondence on our behalf allowing us this opportunity to defend and express our concerns opposing that request. It is our belief that the current R2 zoning should remain in place without change.

At the present time the R2 zoning is allowing the use of hazardous flammable gasses which are apparently required for their glass-blowing workshop. I shudder to consider what other hazardous materials any new zoning, with even less restrictions, would introduce to our neighborhood not only now but in years to come as the property is sold and resold as it always occurs. My husband and I have come to accept the dangers involved with the glass-blowing industry since our purchase of the home in 2015. Our purchase was out of necessity due to its location across the street (see pics) from Southern Oaks Nursing Home (600 West Gregory Street). My health is declining and at times leaves me unable to care for my paralyzed, bed-ridden, stroke patient husband who is 100% dependent on me for all aspects of his care. My hospitalizations are sudden at which time I must acquire immediate care for my husband while I am incapacitated and/ or recovering. Buying this home with its location and the existing zoning restrictions is a win/win situation for us. Simply put, my husband and I are just not healthy enough to even consider exposure to additional dangers or hazards i.e., , fumes, chemicals, engines running, diesel, additional flammables or gasses, outdoor paging system, bright lights, annoyances, obnoxious odors, etc., anything that any new zoning could potentially allow or introduce. None of which any of the proprietors of the Strong Street Studio, 109 North A Street, would want or even consider allowing next to their East Hill family residence.

While this neighborhood does not presently have the esthetic appeal of our East Hill neighbors, it certainly has enormous potential and contains some very old homes with interesting history. Just like East Hill, this is also an old neighborhood which deserves more than just being a foot-note in Pensacola's history simply because commercialization destroyed its charm. Our home was built in 1929 and in 12 short years, will be 100 years old (see pics). It would be ashamed to see it in 20 years with a historical marker planted in the front yard explaining the location history yet the only remnants of the home was now an engine repair or welding shop.

While I can't boast of having family employed with the City of Pensacola, or those serving as property realtors, property investors or property managers, in short, I lack the community clout considered helpful when trying to present and/or defend such issues within city (or any) government. Therefore, I humbly and respectfully ask this board to make the right decision and NOT grant any zoning changes to 109 North A Street. I believe we need to trust in the wisdom and judgment that our wise city forefathers expressed when they established the current zoning. Thanking you in advance.

Call to Order / Quorum Present

Chairman Ritz called the meeting to order at 2:03 pm with a quorum present. He gave instructions to the audience on the rules and procedures of the Board.

Approval of Meeting Minutes

Mr. Larson made a motion to approve the June 13, 2017 minutes, seconded by Mr. Moore, and it carried unanimously.

Request for Site Plan Approval for 4771 North 9th Avenue (North 9th Avenue Corridor Management Overlay District)

This application is being received in response to the recent amendments to the North 9th Avenue Corridor Management Plan which require Board approval. The proposed improvements include a new 5,000 sf retail/office building with required parking as well as site modifications to the existing "Food Mart" convenience store and gas station. Since the existing site is being modified, FDOT has required adherence with their access management standards.

EVERYTHING THAT'S GREAT ABOUT FLORIDA IS BETTER IN PENSACOLA.

The large expanse of concrete which currently provides direct access to North 9th Avenue will be reduced to two directional driveways with the sole full-access driveway connection relocated to the side street (Springdale Circle). A landscaping plan has also been included within the submittal package. Although these plans were originally developed prior to the LDC Amendment, the plan does not meet the intent of the ordinance. The applicant allowed their building permit to expire, so they were required to conform to the present code.

Chairman Ritz asked about the access to Code changes, and Ms. Deese stated the LDC online actually goes through a codification process through Municode and their attorneys before being published online. However, access is available through the Municode website or the City of Pensacola's Code of Ordinances website where a listing is available for ordinances adopted but not yet codified.

Mr. Chakrabarti explained the project was initiated before the current ordinance was put in place, then they were caught up with FDOT for driveway permitting. The biggest challenge was fuel trucks being able to safely enter and exit the site. FDOT allowed a 16' right-in and a 16' right-out, and the City allowed full access on the side street. After being advised of the new ordinance, they prepared the building based on what they felt was best suited for the area. He explained the truck access was because FDOT requires cross access when the adjacent property is with the same owner (Exxon Station). He stated there was only one exit on 9th Avenue and right-in and right-out on Springdale.

Mr. Grundhoefer discussed the span of concrete in the parking lot, since the goal of the ordinance was to bring in landscaping and buffers for parking spaces. Ms. Deese advised there were two different sections where landscaping would be addressed - in the regular landscaping and tree section and North 9th Avenue District. Chairman Ritz advised one of the purposes of the overlay district was to try and guide development along 9th Avenue to create a more pedestrian-oriented approach. However, the large expanse of asphalt was accommodating the adjacent property. Mr. Chakrabarti clarified if the property sold, the cross access easement would stay. Mr. Chakrabarti advised the original driveway was closer to the intersection which Engineering had approved. Ms. Deese pointed out the plans had not been approved by Engineering or Inspections as that would be completed during permitting. Mr. Grundhoefer suggested extending the awning for more coverage. Mr. Chakrabarti advised they could also increase the landscaping and possibly reduce the asphalt which would also reduce the cost to the owner.

Ms. Mack appreciated the discussion on the asphalt and asked that the Board not approve the project until they see the changes discussed. She observed fuel trucks and delivery trucks, and it was unfortunate that this corner lot was rezoned to RNC. The applicant cannot be required to place parking in the rear due to FDOT requirements. She also reminded the Board that economics and the quality of the development are related and provided pictures of neighboring commercial development. She mentioned there was a section in the LDC which reduces the parking requirements based on enhanced landscaping.

Chairman Ritz pointed out 18 parking spaces illustrated on the project, with 17 required by Code. He was concerned with the application dealing with the convenience store with the sign moved and the canopy extended, and those details were not presented. Regarding the aesthetics of the strip mall, it did not have much to differentiate it from any other area in Pensacola. Mr. Grundhoefer felt it had no beauty and appreciated the residential examples provided by Ms. Mack. He stressed the goal throughout the city was to promote projects which would make the city more attractive.

Chairman Ritz advised in addressing the design, the Board could submit ideas and suggestions for a more appropriately styled building. He suggested windows or storefronts which do not extend to the sidewalk. The character of those buildings with some delineation or windows and doors at different heights, separation between door members and windows, along with a change in the exterior finish would encompass his suggestions. Mr. Grundhoefer stated if the exterior had brick or precast, it could withstand some of the elements in Pensacola and might not require as much maintenance. He offered that the designers could come up with something more attractive to make it fit with the neighborhood.

Mr. Chakrabarti stated most of the building examples illustrated were residential converted to commercial, and his project was proposing modern-day design.

Regarding the storefront, they could introduce a knee-wall in front and also meet the landscaping requirements. Chairman Ritz stated in considering successful projects, the insurance office on Cervantes near 14th was recent construction which had more character.

He pointed out this project was not in a historic district where the Board was trying to maintain a certain period, but a designer could develop a different approach with a residential feel. Mr. Grundhoefer explained to the applicant how to reconfigure the parking orientation. Ms. Deese pointed out that Ms. Mack had referred to the reduction of parking spaces when providing landscaping; the Code provides for a variety of relief from parking possibly a bike rack, compact cars or landscaping as options. **Mr. Moore made a motion to deny and wanted to see the project come back with suggestions considered, and Mr. Larson seconded.** Chairman Ritz stated the minutes would reflect the suggestions of a knee-wall, and a change in texture or texture finish. He stressed the Board was not trying to prevent development and was sensitive to jobs it would create, but the Board was trying to guide development in this district utilizing the regulations of the LDC. Mr. Grundhoefer offered his services to guide the applicant, and Ms. Deese stated if he was willing to devote his time to this project, it would be appropriate as long as it did not include other Board members. **The motion then carried unanimously.**

Request for Minor Subdivision Plat Approval for Cottages at Eighth Subdivision (Preliminary and Final Plat Approval)

Gregory Stack has submitted a request for Minor Subdivision approval for "Cottages at Eighth"; this request includes both the Preliminary Plat and the Final Plat for the development. The proposed townhouse development, identified as 800 E. Strong Street, is a 0.2525-acre parcel on the northeast corner of the intersection of E. Strong Street and North 8th Avenue. The single family residence which was located on the site has been demolished to accommodate this development. The proposed subdivision consists of 4 lots which measure 34 feet in width. This development is located within the R-1A zoning district. Front yard averaging was applied and resulted in a reduction to the front and corner side yard setbacks. Both the Preliminary Plat and Final Plat were routed thru the various City departments and outside agencies for review and comments. Ms. Deese advised the only comment of any substance was from Engineering concerning drainage.

Chairman Ritz was familiar with the area and suggested the project was in line with existing development and had no objections to the preliminary or final plat. Mr. Grundhoefer confirmed the Board was not reviewing for aesthetics. Mr. Moore asked if the Engineering comment needed to be addressed, and Ms. Deese explained the Board was approving contingent on the comments received; the applicant has indicated they will meet the requirements and will have to do so in order to obtain a building permit. Mr. Grundhoefer explained the project was being developed behind the fire station and was consistent with the structures in the area.

Mr. Stack suggested the project would be a major improvement for that area. The building would be constructed with hardie board siding with a metal roof or architectural shingled roof. The columns would be wrapped, similar to single family homes on LaRua located by the railroad tracks. He explained they wanted to keep as much green as possible by constructing paver track driveways up to the garages. Currently, the garages are pushed to the back to provide additional parking; Chairman Ritz appreciated the garages pushed to the rear to allow for pedestrian traffic.

Mr. Larson made a motion to approve based upon compliance with drainage and utilities, seconded by Mr. Grundhoefer, and it carried unanimously.

Request for Final Plat Approval for River Birch Subdivision

John and Connie Bowman, Our Family Property LLC, have submitted a request for Final Plat approval for "River Birch" subdivision. The proposed development, identified as the 7100 blk of Spanish Trail, is a 3.93-acre parcel located on the east side of Spanish Trail, and is immediately adjacent to the north of Gull Point Community Center. The site is currently vacant.

The Preliminary Plat was granted approval by this Board in May 2017. The proposed Final Plat is fairly consistent with the approved Preliminary Plat, with the exception of the location of the stormwater facilities. The current iteration has a 15' wide stormwater easement located along the perimeter of the parent parcel with a much wider area located in the southeast portion of the parent parcel. This residential development is located within the R-1AA zoning district. Per the application, the proposed subdivision consists of 4 lots, three new residential lots and the remainder of the parent parcel.

The Final Plat has been routed thru the various City departments and outside agencies for review and comments.

Mr. Rebol stated the stormwater has been relocated to the parent parcel; the Bowmans are building their own home on the rear lot. **Mr. Larson explained the applicant had addressed all the Board's issues and made a motion to approve, seconded by Mr. Moore. The motion then carried unanimously.**

Consider Rezoning and FLUM Amendment for 109 N. A Street

Novota Properties, LLC is requesting to rezone the property located at 109 N. A Street from Residential/Office (R-2) to Commercial (C-2). This request also requires a Future Land Use Map Amendment from Office (O) to Commercial (C). This parcel is across the street from C-2A zoned property. The proposed Future Land Use Amendment from Office to Commercial will allow the applicant to request a Commercial (C-2) zoning designation, since C-2A is a specific zoning not appropriate for this parcel. The applicant has indicated the reason for the rezoning request is to match adjacent property on the east side of N. A Street.

Ms. Deese indicated several calls and a letter had been received opposing this request. To clarify, Chairman Ritz advised that spot zoning is not allowed by State of Florida law, so there has to be a rationale to change zoning. Mr. Larson asked the difference between C-1 and C-2. Ms. Deese advised C-1 is the least intensive of commercial districts and lies next to residential/commercial neighborhoods; C-2 has more intensive uses. Everything permitted in C-1 and below is permitted in C-2.

Mr. Novota stated the request was due to a residential home across the street being in C-2. He emphasized they wanted to make their property zoned for what it looks like since it has never been a residence. He had spoken with the person who wrote the letter, and her concern was the traffic. He indicated he bought the property for a family hobby shop and wanted the building to be reflective of that use. He informed one of the neighbors the intent was not to widen A Street. He also stated the lady who wrote the letter was not familiar with the building, and no longer had any issues.

Mr. Grundhoefer indicated he was in favor of granting the previous barber shop request, but he was concerned with the uses in a commercial district; a dentist, doctor or barber shop are compatible but not heavy retail.

Ms. Davis, who lives at 819 W. Gregory, stated the street corner holds water and does not drain and is a mosquito issue. Chairman Ritz clarified that although they hear her concern, this Board does not handle those issues. He did advise her to state her issue in the Open Forum portion of the meeting.

After returning to the agenda item, Ms. Deese advised RNC would be the zone between R-2 and C-1, however, there are future land use categories. In order to request one of the zoning listings under that category, you would have to be adjacent or contiguous. In looking at the map, the only options that could be offered to Mr. Novota was the office, the residential or the commercial, since there wasn't an RNC designation; this would be spot zoning which is illegal. She explained that C-2 was chosen by the applicant since it fit the best with what is adjacent to it. However, the Future Land Use request within this request would accommodate C-1. As requested, Ms. Deese read the uses from the ordinance for C-1. Mr. Grundhoefer observed that even though they did not fit, service stations were permitted in RNC. Chairman Ritz stated after having driven the area, his opinion was to suggest C-1 as a viable alternative; with the size of the parcel, C-1 would allow sufficient variation of use.

Mr. Grundhoefer noted there was no outpouring of complaints on the request. At this point, Mr. Novota advised he was satisfied with C-1 zoning.

Mr. Larson made a motion to approve for C-1, seconded by Mr. Owens. Mr. Larson stated C-1 was least intensive and a mix between residential and commercial. **The motion then carried unanimously.** Ms. Deese advised the applicant the project would proceed to City Council.

Open Forum – Annie Davis wanted to address the water on C and Gregory Streets. The erosion from the City's right-of-way is a problem. Ms. Deese offered to direct Ms. Davis to the appropriate department for solutions.

Mr. Grundhoefer asked the reason for pulling the Girard item from the agenda. Ms. Deese advised they had found some issues that would be addressed through the platting process, but no revisions had been received at this time.

Chairman Ritz confirmed that Board members were given the option for reappointment, and this meeting closes the term. Ms. Deese advised each Board member had indicated the desire to serve, and reappointments were scheduled for the July 13th Council meeting.

Ms. Deese explained Mr. Larson had inquired about the communication tower at Strong and A Streets. Planning Board's recommendation was upheld through the City Council's final approval. The applicant has added the fencing, trees and stealth technology as required. The form of stealth technology applied was painting (least desirable) which was listed in the Code as an option. In discussion with Mr. Weeks, the only way to help the situation in the future was to be more specific in the motion. The trees were also an issue since the number or size of trees was not specified.

Adjournment – With no further business, Chairman Ritz adjourned the meeting at 3:42 pm.

Respectfully Submitted,

To whom it may concern:

I am writing to respond to the public notice I received, via mail, regarding the request to rezone 109 North "A" St. I understand a beauty salon would like to move into the neighborhood. I firmly oppose that notion.

This is a reasonably quite residential neighborhood where retirees and working families live their lives with little outside interference.

The gas stations on Cervantes and Garden Streets respectively, with the family store on Jackson and A, are quite enough businesses in the area.

There is already an inordinate amount of traffic on "A" Street without having another business bring more. Not to mention the potential for other influences to come into the area.

I hope you will take my concerns into consideration before you make your decision. Thank you.

Call to Order / Quorum Present

Chairman Ritz called the meeting to order at 2:03 pm with a quorum present. He gave instructions to the audience on the rules and procedures of the Board.

Approval of Meeting Minutes

Mr. Larson made a motion to approve the June 13, 2017 minutes, seconded by Mr. Moore, and it carried unanimously.

Request for Site Plan Approval for 4771 North 9th Avenue (North 9th Avenue Corridor Management Overlay District)

This application is being received in response to the recent amendments to the North 9th Avenue Corridor Management Plan which require Board approval. The proposed improvements include a new 5,000 sf retail/office building with required parking as well as site modifications to the existing "Food Mart" convenience store and gas station. Since the existing site is being modified, FDOT has required adherence with their access management standards.

EVERYTHING THAT'S GREAT ABOUT FLORIDA IS BETTER IN PENSACOLA.

The large expanse of concrete which currently provides direct access to North 9th Avenue will be reduced to two directional driveways with the sole full-access driveway connection relocated to the side street (Springdale Circle). A landscaping plan has also been included within the submittal package. Although these plans were originally developed prior to the LDC Amendment, the plan does not meet the intent of the ordinance. The applicant allowed their building permit to expire, so they were required to conform to the present code.

Chairman Ritz asked about the access to Code changes, and Ms. Deese stated the LDC online actually goes through a codification process through Municode and their attorneys before being published online. However, access is available through the Municode website or the City of Pensacola's Code of Ordinances website where a listing is available for ordinances adopted but not yet codified.

Mr. Chakrabarti explained the project was initiated before the current ordinance was put in place, then they were caught up with FDOT for driveway permitting. The biggest challenge was fuel trucks being able to safely enter and exit the site. FDOT allowed a 16' right-in and a 16' right-out, and the City allowed full access on the side street. After being advised of the new ordinance, they prepared the building based on what they felt was best suited for the area. He explained the truck access was because FDOT requires cross access when the adjacent property is with the same owner (Exxon Station). He stated there was only one exit on 9th Avenue and right-in and right-out on Springdale.

Mr. Grundhoefer discussed the span of concrete in the parking lot, since the goal of the ordinance was to bring in landscaping and buffers for parking spaces. Ms. Deese advised there were two different sections where landscaping would be addressed - in the regular landscaping and tree section and North 9th Avenue District. Chairman Ritz advised one of the purposes of the overlay district was to try and guide development along 9th Avenue to create a more pedestrian-oriented approach. However, the large expanse of asphalt was accommodating the adjacent property. Mr. Chakrabarti clarified if the property sold, the cross access easement would stay. Mr. Chakrabarti advised the original driveway was closer to the intersection which Engineering had approved. Ms. Deese pointed out the plans had not been approved by Engineering or Inspections as that would be completed during permitting. Mr. Grundhoefer suggested extending the awning for more coverage. Mr. Chakrabarti advised they could also increase the landscaping and possibly reduce the asphalt which would also reduce the cost to the owner.

Ms. Mack appreciated the discussion on the asphalt and asked that the Board not approve the project until they see the changes discussed. She observed fuel trucks and delivery trucks, and it was unfortunate that this corner lot was rezoned to RNC. The applicant cannot be required to place parking in the rear due to FDOT requirements. She also reminded the Board that economics and the quality of the development are related and provided pictures of neighboring commercial development. She mentioned there was a section in the LDC which reduces the parking requirements based on enhanced landscaping.

Chairman Ritz pointed out 18 parking spaces illustrated on the project, with 17 required by Code. He was concerned with the application dealing with the convenience store with the sign moved and the canopy extended, and those details were not presented. Regarding the aesthetics of the strip mall, it did not have much to differentiate it from any other area in Pensacola. Mr. Grundhoefer felt it had no beauty and appreciated the residential examples provided by Ms. Mack. He stressed the goal throughout the city was to promote projects which would make the city more attractive.

Chairman Ritz advised in addressing the design, the Board could submit ideas and suggestions for a more appropriately styled building. He suggested windows or storefronts which do not extend to the sidewalk. The character of those buildings with some delineation or windows and doors at different heights, separation between door members and windows, along with a change in the exterior finish would encompass his suggestions. Mr. Grundhoefer stated if the exterior had brick or precast, it could withstand some of the elements in Pensacola and might not require as much maintenance. He offered that the designers could come up with something more attractive to make it fit with the neighborhood.

Mr. Chakrabarti stated most of the building examples illustrated were residential converted to commercial, and his project was proposing modern-day design.

Regarding the storefront, they could introduce a knee-wall in front and also meet the landscaping requirements. Chairman Ritz stated in considering successful projects, the insurance office on Cervantes near 14th was recent construction which had more character.

He pointed out this project was not in a historic district where the Board was trying to maintain a certain period, but a designer could develop a different approach with a residential feel. Mr. Grundhoefer explained to the applicant how to reconfigure the parking orientation. Ms. Deese pointed out that Ms. Mack had referred to the reduction of parking spaces when providing landscaping; the Code provides for a variety of relief from parking possibly a bike rack, compact cars or landscaping as options. **Mr. Moore made a motion to deny and wanted to see the project come back with suggestions considered, and Mr. Larson seconded.** Chairman Ritz stated the minutes would reflect the suggestions of a knee-wall, and a change in texture or texture finish. He stressed the Board was not trying to prevent development and was sensitive to jobs it would create, but the Board was trying to guide development in this district utilizing the regulations of the LDC. Mr. Grundhoefer offered his services to guide the applicant, and Ms. Deese stated if he was willing to devote his time to this project, it would be appropriate as long as it did not include other Board members. **The motion then carried unanimously.**

Request for Minor Subdivision Plat Approval for Cottages at Eighth Subdivision (Preliminary and Final Plat Approval)

Gregory Stack has submitted a request for Minor Subdivision approval for "Cottages at Eighth"; this request includes both the Preliminary Plat and the Final Plat for the development. The proposed townhouse development, identified as 800 E. Strong Street, is a 0.2525-acre parcel on the northeast corner of the intersection of E. Strong Street and North 8th Avenue. The single family residence which was located on the site has been demolished to accommodate this development. The proposed subdivision consists of 4 lots which measure 34 feet in width. This development is located within the R-1A zoning district. Front yard averaging was applied and resulted in a reduction to the front and corner side yard setbacks. Both the Preliminary Plat and Final Plat were routed thru the various City departments and outside agencies for review and comments. Ms. Deese advised the only comment of any substance was from Engineering concerning drainage.

Chairman Ritz was familiar with the area and suggested the project was in line with existing development and had no objections to the preliminary or final plat. Mr. Grundhoefer confirmed the Board was not reviewing for aesthetics. Mr. Moore asked if the Engineering comment needed to be addressed, and Ms. Deese explained the Board was approving contingent on the comments received; the applicant has indicated they will meet the requirements and will have to do so in order to obtain a building permit. Mr. Grundhoefer explained the project was being developed behind the fire station and was consistent with the structures in the area.

Mr. Stack suggested the project would be a major improvement for that area. The building would be constructed with hardie board siding with a metal roof or architectural shingled roof. The columns would be wrapped, similar to single family homes on LaRua located by the railroad tracks. He explained they wanted to keep as much green as possible by constructing paver track driveways up to the garages. Currently, the garages are pushed to the back to provide additional parking; Chairman Ritz appreciated the garages pushed to the rear to allow for pedestrian traffic.

Mr. Larson made a motion to approve based upon compliance with drainage and utilities, seconded by Mr. Grundhoefer, and it carried unanimously.

Request for Final Plat Approval for River Birch Subdivision

John and Connie Bowman, Our Family Property LLC, have submitted a request for Final Plat approval for "River Birch" subdivision. The proposed development, identified as the 7100 blk of Spanish Trail, is a 3.93-acre parcel located on the east side of Spanish Trail, and is immediately adjacent to the north of Gull Point Community Center. The site is currently vacant.

The Preliminary Plat was granted approval by this Board in May 2017. The proposed Final Plat is fairly consistent with the approved Preliminary Plat, with the exception of the location of the stormwater facilities. The current iteration has a 15' wide stormwater easement located along the perimeter of the parent parcel with a much wider area located in the southeast portion of the parent parcel. This residential development is located within the R-1AA zoning district. Per the application, the proposed subdivision consists of 4 lots, three new residential lots and the remainder of the parent parcel.

The Final Plat has been routed thru the various City departments and outside agencies for review and comments.

Mr. Rebol stated the stormwater has been relocated to the parent parcel; the Bowmans are building their own home on the rear lot. **Mr. Larson explained the applicant had addressed all the Board's issues and made a motion to approve, seconded by Mr. Moore. The motion then carried unanimously.**

Consider Rezoning and FLUM Amendment for 109 N. A Street

Novota Properties, LLC is requesting to rezone the property located at 109 N. A Street from Residential/Office (R-2) to Commercial (C-2). This request also requires a Future Land Use Map Amendment from Office (O) to Commercial (C). This parcel is across the street from C-2A zoned property. The proposed Future Land Use Amendment from Office to Commercial will allow the applicant to request a Commercial (C-2) zoning designation, since C-2A is a specific zoning not appropriate for this parcel. The applicant has indicated the reason for the rezoning request is to match adjacent property on the east side of N. A Street.

Ms. Deese indicated several calls and a letter had been received opposing this request. To clarify, Chairman Ritz advised that spot zoning is not allowed by State of Florida law, so there has to be a rationale to change zoning. Mr. Larson asked the difference between C-1 and C-2. Ms. Deese advised C-1 is the least intensive of commercial districts and lies next to residential/commercial neighborhoods; C-2 has more intensive uses. Everything permitted in C-1 and below is permitted in C-2.

Mr. Novota stated the request was due to a residential home across the street being in C-2. He emphasized they wanted to make their property zoned for what it looks like since it has never been a residence. He had spoken with the person who wrote the letter, and her concern was the traffic. He indicated he bought the property for a family hobby shop and wanted the building to be reflective of that use. He informed one of the neighbors the intent was not to widen A Street. He also stated the lady who wrote the letter was not familiar with the building, and no longer had any issues.

Mr. Grundhoefer indicated he was in favor of granting the previous barber shop request, but he was concerned with the uses in a commercial district; a dentist, doctor or barber shop are compatible but not heavy retail.

Ms. Davis, who lives at 819 W. Gregory, stated the street corner holds water and does not drain and is a mosquito issue. Chairman Ritz clarified that although they hear her concern, this Board does not handle those issues. He did advise her to state her issue in the Open Forum portion of the meeting.

After returning to the agenda item, Ms. Deese advised RNC would be the zone between R-2 and C-1, however, there are future land use categories. In order to request one of the zoning listings under that category, you would have to be adjacent or contiguous. In looking at the map, the only options that could be offered to Mr. Novota was the office, the residential or the commercial, since there wasn't an RNC designation; this would be spot zoning which is illegal. She explained that C-2 was chosen by the applicant since it fit the best with what is adjacent to it. However, the Future Land Use request within this request would accommodate C-1. As requested, Ms. Deese read the uses from the ordinance for C-1. Mr. Grundhoefer observed that even though they did not fit, service stations were permitted in RNC. Chairman Ritz stated after having driven the area, his opinion was to suggest C-1 as a viable alternative; with the size of the parcel, C-1 would allow sufficient variation of use.

Mr. Grundhoefer noted there was no outpouring of complaints on the request. At this point, Mr. Novota advised he was satisfied with C-1 zoning.

Mr. Larson made a motion to approve for C-1, seconded by Mr. Owens. Mr. Larson stated C-1 was least intensive and a mix between residential and commercial. **The motion then carried unanimously.** Ms. Deese advised the applicant the project would proceed to City Council.

Open Forum – Annie Davis wanted to address the water on C and Gregory Streets. The erosion from the City's right-of-way is a problem. Ms. Deese offered to direct Ms. Davis to the appropriate department for solutions.

Mr. Grundhoefer asked the reason for pulling the Girard item from the agenda. Ms. Deese advised they had found some issues that would be addressed through the platting process, but no revisions had been received at this time.

Chairman Ritz confirmed that Board members were given the option for reappointment, and this meeting closes the term. Ms. Deese advised each Board member had indicated the desire to serve, and reappointments were scheduled for the July 13th Council meeting.

Ms. Deese explained Mr. Larson had inquired about the communication tower at Strong and A Streets. Planning Board's recommendation was upheld through the City Council's final approval. The applicant has added the fencing, trees and stealth technology as required. The form of stealth technology applied was painting (least desirable) which was listed in the Code as an option. In discussion with Mr. Weeks, the only way to help the situation in the future was to be more specific in the motion. The trees were also an issue since the number or size of trees was not specified.

Adjournment – With no further business, Chairman Ritz adjourned the meeting at 3:42 pm.

Respectfully Submitted,

Brandi C. Deese

To whom it may concern:

I am writing to respond to the public notice I received, via mail, regarding the request to rezone 109 North "A" St. I understand a beauty salon would like to move into the neighborhood. I firmly oppose that notion.

This is a reasonably quiet residential neighborhood where retirees and working families live their lives with little outside interference.

The gas stations on Cervantes and Garden Streets respectively, with the family store on Jackson and A, are quite enough businesses in the area.

There is already an inordinate amount of traffic on "A" Street without having another business bring more. Not to mention the potential for other influences to come into the area.

I hope you will take my concerns into consideration before you make your decision. Thank you.

***Sec. 12-8-6. SITES FOR PUBLIC USE.**

(B) Sites for park and recreation or open space. Each subdivision plat shall be reviewed by the planning and leisure services departments in order to assess the following: park and recreational or open space needs for the recreation service area within which the subdivision is located and for the city as a whole; and characteristics of the land to be subdivided for its capability to fulfill park, recreation or open space needs. Based on this review the city staff shall recommend one of the following options:

(1) *Dedication of land for park, recreation or open space needs.* The subdivider(s) or owner(s) shall dedicate to the city for park and recreation or open space purposes

at least five (5) percent of the gross area of the residential subdivision. In no case shall the aggregate acreage donated be less than one-quarter (1/4) acre.

(2) *Payment of money to an escrow account for park, recreation or open space needs in lieu of dedication of land.* The subdivider(s) or owner(s) shall pay unto the city such sum of money equal in value to five (5) percent of the gross area of the subdivision thereof, which sum shall be held in escrow and used by the city for the purpose of acquiring parks and developing playgrounds and shall be used for these purposes and no others. The aforementioned value shall be the value of the land subdivided without improvements and shall be determined jointly by the city manager and the subdivider. If the city manager and subdivider cannot agree on a land value, then the land value shall be established by arbitration. The city manager shall appoint a professional land appraiser, the subdivider shall appoint a professional land appraiser, and these two (2) shall appoint a third.

***Open Space Requirement (only applicable to residential subdivision)**

Sec. 12-8-6 requires (a) the dedication of 5% of the gross area for open space purposes, or (b) a fee in lieu of land dedication. Please calculate and check preferred method of meeting requirement:

(a) Total Land Area: .2525 acres
5% for land dedication*: n/a acres
[*may not equal less than 1/4 acre]

(b) Value of land (Esc. Co. Tax Assessor) \$ 20,900.00
Fee in lieu of land dedication (5% of value) \$ 1,045.00
[Payable to the City of Pensacola; Due after plat approval, prior to receiving signatures]

Sec. 12-8-3. Procedure for subdivision approval.

(A) *Procedure for subdivision requiring a plat.*

(1) *Approval of preliminary plat by the planning board.*

(a) Any person desiring to divide land into three (3) or more lots shall first file with the planning board a preliminary plat of the subdivision prepared in accordance with the requirements of section 12-8-8.

(b) Accompanying the preliminary plat shall be a general location sketch map showing the relationship of the proposed subdivision to existing community facilities which serve or influence it. On such sketch map, the main traffic arteries, shopping centers, schools, parks, and playgrounds, principal places of employment and other principal features should be noted.

(c) Where the preliminary plat submitted covers only a part of the total contiguous property under the subdivider's ownership, a sketch of the prospective future street system of the unsubdivided part shall be required if not shown on a previously approved conceptual plan or plans for the entire property. The street system of the unplatted portion shall be planned to coordinate and connect with the street system of the platted portion.

(d) A master drainage plan at a scale not smaller than one inch equals two hundred (200) feet, shall be prepared. The master drainage plan shall be for the entire property and shall be reviewed by the city engineer in relation to the entire drainage basin. It is the specific intent of this requirement that rights-of-way and easements of all drainage improvements including but not limited to, retention ponds, ditches, culverts, channels, and the like required for the drainage of the site for both on-site and off-site improvements, shall be provided for the master drainage plan. Instruments shall be submitted fully executed in sufficient form for recording for all off-site drainage rights-of-way and easements not included on the final plat. These instruments shall be submitted with the final plat for recordation.

(e) Eleven (11) copies of the preliminary plat shall be submitted to The Community Development Department at least thirty (30) calendar days prior to the meeting at which it is to be considered.

(f) Prior to the examination of the preliminary plat, the planning board shall be furnished with reports from the city engineer, traffic engineer, energy services, Escambia County Utilities Authority, fire department, and the secretary to the planning board to the effect that said plat does or does not conform to the comprehensive plan, the provisions of this chapter, and with sound principles and practices of planning and engineering and with such other items that may affect the health, safety and welfare of the people.

(g) When, after examination, the planning board finds as fact that the aforementioned requirements have been met, the preliminary plat may be approved; however, such approval shall not constitute an approval of the final plat. If the preliminary plat is rejected, the planning board shall provide the applicant in writing a detailed list of reasons for rejection.

(2) *Approval of final plat by the planning board and city council.*

(a) The final plat shall conform substantially to the preliminary plat. The applicant shall submit only that portion of the approved preliminary plat which he proposes to record and develop. Such portion shall conform to all requirements of this chapter. Such final plat shall be submitted within one year (three hundred sixty-five (365) days) of the date of the approval of the preliminary plat. If more than one year has elapsed since the approval of the preliminary plat, the preliminary plat must be resubmitted to the planning board for their review and approval prior to submission of the final plat.

(b) Eleven (11) copies of the final plat shall be submitted to The Community Development Department at least thirty (30) calendar days prior to the meeting of the planning board at which it is to be considered. Before granting final approval of the plat, the planning board shall receive reports from the secretary to the planning board, the city engineer, the traffic engineer, energy services of Pensacola, the Escambia County Utilities Authority and the fire department.

(c) After approval by the planning board, the final plat shall be transmitted to the city council for approval. Approval of the plat shall be granted by the city council upon its finding that all the requirements of this chapter have been met.

(3) *Approval of a combined preliminary/final plat of a subdivision by the planning board and city council.* Subdivisions containing no more than four (4) lots fronting on an existing public street, right-of-way or an access easement, not involving any new street or road, or the extension of governmental facilities, or the creation of any public improvements, and not adversely affecting the remainder of the parcel or adjoining property, and not in conflict with any provision of this code or the comprehensive plan, may be reviewed and approved through an abbreviated procedure which provides for the submittal of both the preliminary and final plat concurrently. All design standards, plat information and recording requirements as set forth in this chapter shall be complied with when exercising the abbreviated minor subdivision procedure.

(B) *Procedure for division of land requiring a boundary survey.* A division of land into no more than two (2) lots fronting on an existing public street, or an access easement not involving any new street or road, or the extension of governmental facilities, or the creation of any public improvements, and not adversely affecting the remainder of the parcel or adjoining property, and not in conflict with any provision of this code or the comprehensive plan, may be reviewed and approved by the city engineer, city surveyor and city planner through an abbreviated procedure which provides for the submittal of a metes and bounds description and a legal boundary survey of the property.

(1) *Submission requirements.*

(a) Any person desiring to divide land into no more than two (2) lots shall first submit three (3) copies of a metes and bounds description and a legal boundary survey of the property (equal to that required by F.S. § 472.27, pertaining to minimum technical standards for surveys, and having a minimum of four (4) concrete permanent reference monuments set) to The Community Development Department. The boundary survey shall be drawn at a scale of one hundred (100) feet to the inch, or less, and shall depict all information required by section 12-8-8(a) through (j).

(b) If an access easement is required for the subdivision, this document shall be attached to each of the three (3) copies of the boundary survey.

(c) All stormwater drainage requirements set forth in this chapter shall be complied with when exercising this procedure.

(2) *Final approval.*

(a) The Community Development Department shall notify the applicant of the approval or disapproval of the subdivision boundary survey within nine (9) working days from submission.

(b) If the subdivision boundary survey is rejected The Community Development Department shall provide the applicant, in writing, a detailed list of reasons for rejection.

(c) Upon submission of the corrected subdivision boundary survey the Community Development Department shall notify the applicant of the approval or disapproval of the corrected boundary survey within nine (9) days. If the subdivision boundary survey is not approved, the minor subdivision must be resubmitted.

(d) After the survey has been approved by city staff fourteen (14) blueprints and one (1) mylar of the survey shall be filed with The Community Development Department. In addition, one (1) copy each of any applicable recorded access easements shall be filed with The Community Development Department.

(e) Furthermore, no building permit shall be issued until the survey has been approved by city staff and any accompanying documentation has been recorded.

Call to Order / Quorum Present

Chairman Ritz called the meeting to order at 2:03 pm with a quorum present. He gave instructions to the audience on the rules and procedures of the Board.

Approval of Meeting Minutes

Mr. Larson made a motion to approve the June 13, 2017 minutes, seconded by Mr. Moore, and it carried unanimously.

Request for Site Plan Approval for 4771 North 9th Avenue (North 9th Avenue Corridor Management Overlay District)

This application is being received in response to the recent amendments to the North 9th Avenue Corridor Management Plan which require Board approval. The proposed improvements include a new 5,000 sf retail/office building with required parking as well as site modifications to the existing "Food Mart" convenience store and gas station. Since the existing site is being modified, FDOT has required adherence with their access management standards.

EVERYTHING THAT'S GREAT ABOUT FLORIDA IS BETTER IN PENSACOLA.

The large expanse of concrete which currently provides direct access to North 9th Avenue will be reduced to two directional driveways with the sole full-access driveway connection relocated to the side street (Springdale Circle). A landscaping plan has also been included within the submittal package. Although these plans were originally developed prior to the LDC Amendment, the plan does not meet the intent of the ordinance. The applicant allowed their building permit to expire, so they were required to conform to the present code.

Chairman Ritz asked about the access to Code changes, and Ms. Deese stated the LDC online actually goes through a codification process through Municode and their attorneys before being published online. However, access is available through the Municode website or the City of Pensacola's Code of Ordinances website where a listing is available for ordinances adopted but not yet codified.

Mr. Chakrabarti explained the project was initiated before the current ordinance was put in place, then they were caught up with FDOT for driveway permitting. The biggest challenge was fuel trucks being able to safely enter and exit the site. FDOT allowed a 16' right-in and a 16' right-out, and the City allowed full access on the side street. After being advised of the new ordinance, they prepared the building based on what they felt was best suited for the area. He explained the truck access was because FDOT requires cross access when the adjacent property is with the same owner (Exxon Station). He stated there was only one exit on 9th Avenue and right-in and right-out on Springdale.

Mr. Grundhoefer discussed the span of concrete in the parking lot, since the goal of the ordinance was to bring in landscaping and buffers for parking spaces. Ms. Deese advised there were two different sections where landscaping would be addressed - in the regular landscaping and tree section and North 9th Avenue District. Chairman Ritz advised one of the purposes of the overlay district was to try and guide development along 9th Avenue to create a more pedestrian-oriented approach. However, the large expanse of asphalt was accommodating the adjacent property. Mr. Chakrabarti clarified if the property sold, the cross access easement would stay. Mr. Chakrabarti advised the original driveway was closer to the intersection which Engineering had approved. Ms. Deese pointed out the plans had not been approved by Engineering or Inspections as that would be completed during permitting. Mr. Grundhoefer suggested extending the awning for more coverage. Mr. Chakrabarti advised they could also increase the landscaping and possibly reduce the asphalt which would also reduce the cost to the owner.

Ms. Mack appreciated the discussion on the asphalt and asked that the Board not approve the project until they see the changes discussed. She observed fuel trucks and delivery trucks, and it was unfortunate that this corner lot was rezoned to RNC. The applicant cannot be required to place parking in the rear due to FDOT requirements. She also reminded the Board that economics and the quality of the development are related and provided pictures of neighboring commercial development. She mentioned there was a section in the LDC which reduces the parking requirements based on enhanced landscaping.

Chairman Ritz pointed out 18 parking spaces illustrated on the project, with 17 required by Code. He was concerned with the application dealing with the convenience store with the sign moved and the canopy extended, and those details were not presented. Regarding the aesthetics of the strip mall, it did not have much to differentiate it from any other area in Pensacola. Mr. Grundhoefer felt it had no beauty and appreciated the residential examples provided by Ms. Mack. He stressed the goal throughout the city was to promote projects which would make the city more attractive.

Chairman Ritz advised in addressing the design, the Board could submit ideas and suggestions for a more appropriately styled building. He suggested windows or storefronts which do not extend to the sidewalk. The character of those buildings with some delineation or windows and doors at different heights, separation between door members and windows, along with a change in the exterior finish would encompass his suggestions. Mr. Grundhoefer stated if the exterior had brick or precast, it could withstand some of the elements in Pensacola and might not require as much maintenance. He offered that the designers could come up with something more attractive to make it fit with the neighborhood.

Mr. Chakrabarti stated most of the building examples illustrated were residential converted to commercial, and his project was proposing modern-day design.

Regarding the storefront, they could introduce a knee-wall in front and also meet the landscaping requirements. Chairman Ritz stated in considering successful projects, the insurance office on Cervantes near 14th was recent construction which had more character.

He pointed out this project was not in a historic district where the Board was trying to maintain a certain period, but a designer could develop a different approach with a residential feel. Mr. Grundhoefer explained to the applicant how to reconfigure the parking orientation. Ms. Deese pointed out that Ms. Mack had referred to the reduction of parking spaces when providing landscaping; the Code provides for a variety of relief from parking possibly a bike rack, compact cars or landscaping as options. **Mr. Moore made a motion to deny and wanted to see the project come back with suggestions considered, and Mr. Larson seconded.** Chairman Ritz stated the minutes would reflect the suggestions of a knee-wall, and a change in texture or texture finish. He stressed the Board was not trying to prevent development and was sensitive to jobs it would create, but the Board was trying to guide development in this district utilizing the regulations of the LDC. Mr. Grundhoefer offered his services to guide the applicant, and Ms. Deese stated if he was willing to devote his time to this project, it would be appropriate as long as it did not include other Board members. **The motion then carried unanimously.**

Request for Minor Subdivision Plat Approval for Cottages at Eighth Subdivision (Preliminary and Final Plat Approval)

Gregory Stack has submitted a request for Minor Subdivision approval for "Cottages at Eighth"; this request includes both the Preliminary Plat and the Final Plat for the development. The proposed townhouse development, identified as 800 E. Strong Street, is a 0.2525-acre parcel on the northeast corner of the intersection of E. Strong Street and North 8th Avenue. The single family residence which was located on the site has been demolished to accommodate this development. The proposed subdivision consists of 4 lots which measure 34 feet in width. This development is located within the R-1A zoning district. Front yard averaging was applied and resulted in a reduction to the front and corner side yard setbacks. Both the Preliminary Plat and Final Plat were routed thru the various City departments and outside agencies for review and comments. Ms. Deese advised the only comment of any substance was from Engineering concerning drainage.

Chairman Ritz was familiar with the area and suggested the project was in line with existing development and had no objections to the preliminary or final plat. Mr. Grundhoefer confirmed the Board was not reviewing for aesthetics. Mr. Moore asked if the Engineering comment needed to be addressed, and Ms. Deese explained the Board was approving contingent on the comments received; the applicant has indicated they will meet the requirements and will have to do so in order to obtain a building permit. Mr. Grundhoefer explained the project was being developed behind the fire station and was consistent with the structures in the area.

Mr. Stack suggested the project would be a major improvement for that area. The building would be constructed with hardie board siding with a metal roof or architectural shingled roof. The columns would be wrapped, similar to single family homes on LaRua located by the railroad tracks. He explained they wanted to keep as much green as possible by constructing paver track driveways up to the garages. Currently, the garages are pushed to the back to provide additional parking; Chairman Ritz appreciated the garages pushed to the rear to allow for pedestrian traffic.

Mr. Larson made a motion to approve based upon compliance with drainage and utilities, seconded by Mr. Grundhoefer, and it carried unanimously.

Request for Final Plat Approval for River Birch Subdivision

John and Connie Bowman, Our Family Property LLC, have submitted a request for Final Plat approval for "River Birch" subdivision. The proposed development, identified as the 7100 blk of Spanish Trail, is a 3.93-acre parcel located on the east side of Spanish Trail, and is immediately adjacent to the north of Gull Point Community Center. The site is currently vacant.

The Preliminary Plat was granted approval by this Board in May 2017. The proposed Final Plat is fairly consistent with the approved Preliminary Plat, with the exception of the location of the stormwater facilities. The current iteration has a 15' wide stormwater easement located along the perimeter of the parent parcel with a much wider area located in the southeast portion of the parent parcel. This residential development is located within the R-1AA zoning district. Per the application, the proposed subdivision consists of 4 lots, three new residential lots and the remainder of the parent parcel.

The Final Plat has been routed thru the various City departments and outside agencies for review and comments.

Mr. Rebol stated the stormwater has been relocated to the parent parcel; the Bowmans are building their own home on the rear lot. **Mr. Larson explained the applicant had addressed all the Board's issues and made a motion to approve, seconded by Mr. Moore. The motion then carried unanimously.**

Consider Rezoning and FLUM Amendment for 109 N. A Street

Novota Properties, LLC is requesting to rezone the property located at 109 N. A Street from Residential/Office (R-2) to Commercial (C-2). This request also requires a Future Land Use Map Amendment from Office (O) to Commercial (C). This parcel is across the street from C-2A zoned property. The proposed Future Land Use Amendment from Office to Commercial will allow the applicant to request a Commercial (C-2) zoning designation, since C-2A is a specific zoning not appropriate for this parcel. The applicant has indicated the reason for the rezoning request is to match adjacent property on the east side of N. A Street.

Ms. Deese indicated several calls and a letter had been received opposing this request. To clarify, Chairman Ritz advised that spot zoning is not allowed by State of Florida law, so there has to be a rationale to change zoning. Mr. Larson asked the difference between C-1 and C-2. Ms. Deese advised C-1 is the least intensive of commercial districts and lies next to residential/commercial neighborhoods; C-2 has more intensive uses. Everything permitted in C-1 and below is permitted in C-2.

Mr. Novota stated the request was due to a residential home across the street being in C-2. He emphasized they wanted to make their property zoned for what it looks like since it has never been a residence. He had spoken with the person who wrote the letter, and her concern was the traffic. He indicated he bought the property for a family hobby shop and wanted the building to be reflective of that use. He informed one of the neighbors the intent was not to widen A Street. He also stated the lady who wrote the letter was not familiar with the building, and no longer had any issues.

Mr. Grundhoefer indicated he was in favor of granting the previous barber shop request, but he was concerned with the uses in a commercial district; a dentist, doctor or barber shop are compatible but not heavy retail.

Ms. Davis, who lives at 819 W. Gregory, stated the street corner holds water and does not drain and is a mosquito issue. Chairman Ritz clarified that although they hear her concern, this Board does not handle those issues. He did advise her to state her issue in the Open Forum portion of the meeting.

After returning to the agenda item, Ms. Deese advised RNC would be the zone between R-2 and C-1, however, there are future land use categories. In order to request one of the zoning listings under that category, you would have to be adjacent or contiguous. In looking at the map, the only options that could be offered to Mr. Novota was the office, the residential or the commercial, since there wasn't an RNC designation; this would be spot zoning which is illegal. She explained that C-2 was chosen by the applicant since it fit the best with what is adjacent to it. However, the Future Land Use request within this request would accommodate C-1. As requested, Ms. Deese read the uses from the ordinance for C-1. Mr. Grundhoefer observed that even though they did not fit, service stations were permitted in RNC. Chairman Ritz stated after having driven the area, his opinion was to suggest C-1 as a viable alternative; with the size of the parcel, C-1 would allow sufficient variation of use.

Mr. Grundhoefer noted there was no outpouring of complaints on the request. At this point, Mr. Novota advised he was satisfied with C-1 zoning.

Mr. Larson made a motion to approve for C-1, seconded by Mr. Owens. Mr. Larson stated C-1 was least intensive and a mix between residential and commercial. **The motion then carried unanimously.** Ms. Deese advised the applicant the project would proceed to City Council.

Open Forum – Annie Davis wanted to address the water on C and Gregory Streets. The erosion from the City's right-of-way is a problem. Ms. Deese offered to direct Ms. Davis to the appropriate department for solutions.

Mr. Grundhoefer asked the reason for pulling the Girard item from the agenda. Ms. Deese advised they had found some issues that would be addressed through the platting process, but no revisions had been received at this time.

Chairman Ritz confirmed that Board members were given the option for reappointment, and this meeting closes the term. Ms. Deese advised each Board member had indicated the desire to serve, and reappointments were scheduled for the July 13th Council meeting.

Ms. Deese explained Mr. Larson had inquired about the communication tower at Strong and A Streets. Planning Board's recommendation was upheld through the City Council's final approval. The applicant has added the fencing, trees and stealth technology as required. The form of stealth technology applied was painting (least desirable) which was listed in the Code as an option. In discussion with Mr. Weeks, the only way to help the situation in the future was to be more specific in the motion. The trees were also an issue since the number or size of trees was not specified.

Adjournment – With no further business, Chairman Ritz adjourned the meeting at 3:42 pm.

Respectfully Submitted,

***Sec. 12-8-6. SITES FOR PUBLIC USE.**

(B) Sites for park and recreation or open space. Each subdivision plat shall be reviewed by the planning and leisure services departments in order to assess the following: park and recreational or open space needs for the recreation service area within which the subdivision is located and for the city as a whole; and characteristics of the land to be subdivided for its capability to fulfill park, recreation or open space needs. Based on this review the city staff shall recommend one of the following options:

(1) Dedication of land for park, recreation or open space needs. The subdivider(s) or owner(s) shall dedicate to the city for park and recreation or open space purposes

at least five (5) percent of the gross area of the residential subdivision. In no case shall the aggregate acreage donated be less than one-quarter (1/4) acre.

(2) Payment of money to an escrow account for park, recreation or open space needs in lieu of dedication of land. The subdivider(s) or owner(s) shall pay unto the city such sum of money equal in value to five (5) percent of the gross area of the subdivision thereof, which sum shall be held in escrow and used by the city for the purpose of acquiring parks and developing playgrounds and shall be used for these purposes and no others. The aforementioned value shall be the value of the land subdivided without improvements and shall be determined jointly by the city manager and the subdivider. If the city manager and subdivider cannot agree on a land value, then the land value shall be established by arbitration. The city manager shall appoint a professional land appraiser, the subdivider shall appoint a professional land appraiser, and these two (2) shall appoint a third.

***Open Space Requirement (only applicable to residential subdivision)**

Sec. 12-8-6 requires (a) the dedication of 5% of the gross area for open space purposes, or (b) a fee in lieu of land dedication. Please calculate and check preferred method of meeting requirement:

(a) Total Land Area:	3.93	acres
5% for land dedication*:	.25	acres
[*may not equal less than 1/4 acre]		
(b) Value of land (Esc. Co. Tax Assessor)	\$	172,657
Fee in lieu of land dedication (5% of value)	\$	8,632.85
[Payable to the City of Pensacola; Due after plat approval, prior to receiving signatures]		

Sec. 12-8-3. Procedure for subdivision approval.

(A) Procedure for subdivision requiring a plat.

(1) Approval of preliminary plat by the planning board.

(a) Any person desiring to divide land into three (3) or more lots shall first file with the planning board a preliminary plat of the subdivision prepared in accordance with the requirements of section 12-8-8.

(b) Accompanying the preliminary plat shall be a general location sketch map showing the relationship of the proposed subdivision to existing community facilities which serve or influence it. On such sketch map, the main traffic arteries, shopping centers, schools, parks, and playgrounds, principal places of employment and other principal features should be noted.

(c) Where the preliminary plat submitted covers only a part of the total contiguous property under the subdivider's ownership, a sketch of the prospective future street system of the unsubdivided part shall be required if not shown on a previously approved conceptual plan or plans for the entire property. The street system of the unplatted portion shall be planned to coordinate and connect with the street system of the platted portion.

(d) A master drainage plan at a scale not smaller than one inch equals two hundred (200) feet, shall be prepared. The master drainage plan shall be for the entire property and shall be reviewed by the city engineer in relation to the entire drainage basin. It is the specific intent of this requirement that rights-of-way and easements of all drainage improvements including but not limited to, retention ponds, ditches, culverts, channels, and the like required for the drainage of the site for both on-site and off-site improvements, shall be provided for the master drainage plan. Instruments shall be submitted fully executed in sufficient form for recording for all off-site drainage rights-of-way and easements not included on the final plat. These instruments shall be submitted with the final plat for recordation.

(e) Eleven (11) copies of the preliminary plat shall be submitted to The Community Development Department at least thirty (30) calendar days prior to the meeting at which it is to be considered.

(f) Prior to the examination of the preliminary plat, the planning board shall be furnished with reports from the city engineer, traffic engineer, energy services, Escambia County Utilities Authority, fire department, and the secretary to the planning board to the effect that said plat does or does not conform to the comprehensive plan, the provisions of this chapter, and with sound principles and practices of planning and engineering and with such other items that may affect the health, safety and welfare of the people.

(g) When, after examination, the planning board finds as fact that the aforementioned requirements have been met, the preliminary plat may be approved; however, such approval shall not constitute an approval of the final plat. If the preliminary plat is rejected, the planning board shall provide the applicant in writing a detailed list of reasons for rejection.

(2) Approval of final plat by the planning board and city council.

(a) The final plat shall conform substantially to the preliminary plat. The applicant shall submit only that portion of the approved preliminary plat which he proposes to record and develop. Such portion shall conform to all requirements of this chapter. Such final plat shall be submitted within one year (three hundred sixty-five (365) days) of the date of the approval of the preliminary plat. If more than one year has elapsed since the approval of the preliminary plat, the preliminary plat must be resubmitted to the planning board for their review and approval prior to submission of the final plat.

Call to Order / Quorum Present

Chairman Ritz called the meeting to order at 2:03 pm with a quorum present. He gave instructions to the audience on the rules and procedures of the Board.

Approval of Meeting Minutes

Mr. Larson made a motion to approve the June 13, 2017 minutes, seconded by Mr. Moore, and it carried unanimously.

Request for Site Plan Approval for 4771 North 9th Avenue (North 9th Avenue Corridor Management Overlay District)

This application is being received in response to the recent amendments to the North 9th Avenue Corridor Management Plan which require Board approval. The proposed improvements include a new 5,000 sf retail/office building with required parking as well as site modifications to the existing "Food Mart" convenience store and gas station. Since the existing site is being modified, FDOT has required adherence with their access management standards.

EVERYTHING THAT'S GREAT ABOUT FLORIDA IS BETTER IN PENSACOLA.

The large expanse of concrete which currently provides direct access to North 9th Avenue will be reduced to two directional driveways with the sole full-access driveway connection relocated to the side street (Springdale Circle). A landscaping plan has also been included within the submittal package. Although these plans were originally developed prior to the LDC Amendment, the plan does not meet the intent of the ordinance. The applicant allowed their building permit to expire, so they were required to conform to the present code.

Chairman Ritz asked about the access to Code changes, and Ms. Deese stated the LDC online actually goes through a codification process through Municode and their attorneys before being published online. However, access is available through the Municode website or the City of Pensacola's Code of Ordinances website where a listing is available for ordinances adopted but not yet codified.

Mr. Chakrabarti explained the project was initiated before the current ordinance was put in place, then they were caught up with FDOT for driveway permitting. The biggest challenge was fuel trucks being able to safely enter and exit the site. FDOT allowed a 16' right-in and a 16' right-out, and the City allowed full access on the side street. After being advised of the new ordinance, they prepared the building based on what they felt was best suited for the area. He explained the truck access was because FDOT requires cross access when the adjacent property is with the same owner (Exxon Station). He stated there was only one exit on 9th Avenue and right-in and right-out on Springdale.

Mr. Grundhoefer discussed the span of concrete in the parking lot, since the goal of the ordinance was to bring in landscaping and buffers for parking spaces. Ms. Deese advised there were two different sections where landscaping would be addressed - in the regular landscaping and tree section and North 9th Avenue District. Chairman Ritz advised one of the purposes of the overlay district was to try and guide development along 9th Avenue to create a more pedestrian-oriented approach. However, the large expanse of asphalt was accommodating the adjacent property. Mr. Chakrabarti clarified if the property sold, the cross access easement would stay. Mr. Chakrabarti advised the original driveway was closer to the intersection which Engineering had approved. Ms. Deese pointed out the plans had not been approved by Engineering or Inspections as that would be completed during permitting. Mr. Grundhoefer suggested extending the awning for more coverage. Mr. Chakrabarti advised they could also increase the landscaping and possibly reduce the asphalt which would also reduce the cost to the owner.

Ms. Mack appreciated the discussion on the asphalt and asked that the Board not approve the project until they see the changes discussed. She observed fuel trucks and delivery trucks, and it was unfortunate that this corner lot was rezoned to RNC. The applicant cannot be required to place parking in the rear due to FDOT requirements. She also reminded the Board that economics and the quality of the development are related and provided pictures of neighboring commercial development. She mentioned there was a section in the LDC which reduces the parking requirements based on enhanced landscaping.

Chairman Ritz pointed out 18 parking spaces illustrated on the project, with 17 required by Code. He was concerned with the application dealing with the convenience store with the sign moved and the canopy extended, and those details were not presented. Regarding the aesthetics of the strip mall, it did not have much to differentiate it from any other area in Pensacola. Mr. Grundhoefer felt it had no beauty and appreciated the residential examples provided by Ms. Mack. He stressed the goal throughout the city was to promote projects which would make the city more attractive.

Chairman Ritz advised in addressing the design, the Board could submit ideas and suggestions for a more appropriately styled building. He suggested windows or storefronts which do not extend to the sidewalk. The character of those buildings with some delineation or windows and doors at different heights, separation between door members and windows, along with a change in the exterior finish would encompass his suggestions. Mr. Grundhoefer stated if the exterior had brick or precast, it could withstand some of the elements in Pensacola and might not require as much maintenance. He offered that the designers could come up with something more attractive to make it fit with the neighborhood.

Mr. Chakrabarti stated most of the building examples illustrated were residential converted to commercial, and his project was proposing modern-day design.

Regarding the storefront, they could introduce a knee-wall in front and also meet the landscaping requirements. Chairman Ritz stated in considering successful projects, the insurance office on Cervantes near 14th was recent construction which had more character.

He pointed out this project was not in a historic district where the Board was trying to maintain a certain period, but a designer could develop a different approach with a residential feel. Mr. Grundhoefer explained to the applicant how to reconfigure the parking orientation. Ms. Deese pointed out that Ms. Mack had referred to the reduction of parking spaces when providing landscaping; the Code provides for a variety of relief from parking possibly a bike rack, compact cars or landscaping as options. **Mr. Moore made a motion to deny and wanted to see the project come back with suggestions considered, and Mr. Larson seconded.** Chairman Ritz stated the minutes would reflect the suggestions of a knee-wall, and a change in texture or texture finish. He stressed the Board was not trying to prevent development and was sensitive to jobs it would create, but the Board was trying to guide development in this district utilizing the regulations of the LDC. Mr. Grundhoefer offered his services to guide the applicant, and Ms. Deese stated if he was willing to devote his time to this project, it would be appropriate as long as it did not include other Board members. **The motion then carried unanimously.**

Request for Minor Subdivision Plat Approval for Cottages at Eighth Subdivision (Preliminary and Final Plat Approval)

Gregory Stack has submitted a request for Minor Subdivision approval for "Cottages at Eighth"; this request includes both the Preliminary Plat and the Final Plat for the development. The proposed townhouse development, identified as 800 E. Strong Street, is a 0.2525-acre parcel on the northeast corner of the intersection of E. Strong Street and North 8th Avenue. The single family residence which was located on the site has been demolished to accommodate this development. The proposed subdivision consists of 4 lots which measure 34 feet in width. This development is located within the R-1A zoning district. Front yard averaging was applied and resulted in a reduction to the front and corner side yard setbacks. Both the Preliminary Plat and Final Plat were routed thru the various City departments and outside agencies for review and comments. Ms. Deese advised the only comment of any substance was from Engineering concerning drainage.

Chairman Ritz was familiar with the area and suggested the project was in line with existing development and had no objections to the preliminary or final plat. Mr. Grundhoefer confirmed the Board was not reviewing for aesthetics. Mr. Moore asked if the Engineering comment needed to be addressed, and Ms. Deese explained the Board was approving contingent on the comments received; the applicant has indicated they will meet the requirements and will have to do so in order to obtain a building permit. Mr. Grundhoefer explained the project was being developed behind the fire station and was consistent with the structures in the area.

Mr. Stack suggested the project would be a major improvement for that area. The building would be constructed with hardie board siding with a metal roof or architectural shingled roof. The columns would be wrapped, similar to single family homes on LaRua located by the railroad tracks. He explained they wanted to keep as much green as possible by constructing paver track driveways up to the garages. Currently, the garages are pushed to the back to provide additional parking; Chairman Ritz appreciated the garages pushed to the rear to allow for pedestrian traffic.

Mr. Larson made a motion to approve based upon compliance with drainage and utilities, seconded by Mr. Grundhoefer, and it carried unanimously.

Request for Final Plat Approval for River Birch Subdivision

John and Connie Bowman, Our Family Property LLC, have submitted a request for Final Plat approval for "River Birch" subdivision. The proposed development, identified as the 7100 blk of Spanish Trail, is a 3.93-acre parcel located on the east side of Spanish Trail, and is immediately adjacent to the north of Gull Point Community Center. The site is currently vacant.

The Preliminary Plat was granted approval by this Board in May 2017. The proposed Final Plat is fairly consistent with the approved Preliminary Plat, with the exception of the location of the stormwater facilities. The current iteration has a 15' wide stormwater easement located along the perimeter of the parent parcel with a much wider area located in the southeast portion of the parent parcel. This residential development is located within the R-1AA zoning district. Per the application, the proposed subdivision consists of 4 lots, three new residential lots and the remainder of the parent parcel.

The Final Plat has been routed thru the various City departments and outside agencies for review and comments.

Mr. Rebol stated the stormwater has been relocated to the parent parcel; the Bowmans are building their own home on the rear lot. **Mr. Larson explained the applicant had addressed all the Board's issues and made a motion to approve, seconded by Mr. Moore. The motion then carried unanimously.**

Consider Rezoning and FLUM Amendment for 109 N. A Street

Novota Properties, LLC is requesting to rezone the property located at 109 N. A Street from Residential/Office (R-2) to Commercial (C-2). This request also requires a Future Land Use Map Amendment from Office (O) to Commercial (C). This parcel is across the street from C-2A zoned property. The proposed Future Land Use Amendment from Office to Commercial will allow the applicant to request a Commercial (C-2) zoning designation, since C-2A is a specific zoning not appropriate for this parcel. The applicant has indicated the reason for the rezoning request is to match adjacent property on the east side of N. A Street.

Ms. Deese indicated several calls and a letter had been received opposing this request. To clarify, Chairman Ritz advised that spot zoning is not allowed by State of Florida law, so there has to be a rationale to change zoning. Mr. Larson asked the difference between C-1 and C-2. Ms. Deese advised C-1 is the least intensive of commercial districts and lies next to residential/commercial neighborhoods; C-2 has more intensive uses. Everything permitted in C-1 and below is permitted in C-2.

Mr. Novota stated the request was due to a residential home across the street being in C-2. He emphasized they wanted to make their property zoned for what it looks like since it has never been a residence. He had spoken with the person who wrote the letter, and her concern was the traffic. He indicated he bought the property for a family hobby shop and wanted the building to be reflective of that use. He informed one of the neighbors the intent was not to widen A Street. He also stated the lady who wrote the letter was not familiar with the building, and no longer had any issues.

Mr. Grundhoefer indicated he was in favor of granting the previous barber shop request, but he was concerned with the uses in a commercial district; a dentist, doctor or barber shop are compatible but not heavy retail.

Ms. Davis, who lives at 819 W. Gregory, stated the street corner holds water and does not drain and is a mosquito issue. Chairman Ritz clarified that although they hear her concern, this Board does not handle those issues. He did advise her to state her issue in the Open Forum portion of the meeting.

After returning to the agenda item, Ms. Deese advised RNC would be the zone between R-2 and C-1, however, there are future land use categories. In order to request one of the zoning listings under that category, you would have to be adjacent or contiguous. In looking at the map, the only options that could be offered to Mr. Novota was the office, the residential or the commercial, since there wasn't an RNC designation; this would be spot zoning which is illegal. She explained that C-2 was chosen by the applicant since it fit the best with what is adjacent to it. However, the Future Land Use request within this request would accommodate C-1. As requested, Ms. Deese read the uses from the ordinance for C-1. Mr. Grundhoefer observed that even though they did not fit, service stations were permitted in RNC. Chairman Ritz stated after having driven the area, his opinion was to suggest C-1 as a viable alternative; with the size of the parcel, C-1 would allow sufficient variation of use.

Mr. Grundhoefer noted there was no outpouring of complaints on the request. At this point, Mr. Novota advised he was satisfied with C-1 zoning.

Mr. Larson made a motion to approve for C-1, seconded by Mr. Owens. Mr. Larson stated C-1 was least intensive and a mix between residential and commercial. **The motion then carried unanimously.** Ms. Deese advised the applicant the project would proceed to City Council.

Open Forum – Annie Davis wanted to address the water on C and Gregory Streets. The erosion from the City's right-of-way is a problem. Ms. Deese offered to direct Ms. Davis to the appropriate department for solutions.

Mr. Grundhoefer asked the reason for pulling the Girard item from the agenda. Ms. Deese advised they had found some issues that would be addressed through the platting process, but no revisions had been received at this time.

Chairman Ritz confirmed that Board members were given the option for reappointment, and this meeting closes the term. Ms. Deese advised each Board member had indicated the desire to serve, and reappointments were scheduled for the July 13th Council meeting.

Ms. Deese explained Mr. Larson had inquired about the communication tower at Strong and A Streets. Planning Board's recommendation was upheld through the City Council's final approval. The applicant has added the fencing, trees and stealth technology as required. The form of stealth technology applied was painting (least desirable) which was listed in the Code as an option. In discussion with Mr. Weeks, the only way to help the situation in the future was to be more specific in the motion. The trees were also an issue since the number or size of trees was not specified.

Adjournment – With no further business, Chairman Ritz adjourned the meeting at 3:42 pm.

Respectfully Submitted,

LEGISLATIVE ACTION ITEM

SPONSOR: City Council Member Sherri F. Myers

SUBJECT:

LOST IV FUNDING FOR BURGESS ROAD (MYERS)

RECOMMENDATION:

That City Council approve \$1,600,000 in unallocated LOST IV Funds from the 2017 budget for installation of sidewalks and drainage on Burgess Road from Sewell St. to Sanders St. In the alternative, that City Council remove \$1,600,000 from the proposed Bayview Resource Center allocation of \$8,250,000 and place this amount under a new line under Public Works entitled "Burgess Road Project" within the LOST IV Funding Plan.

HEARING REQUIRED: No Hearing Required

SUMMARY:

Burgess Road is an 80 year old thoroughfare that is used by many, particularly children who walk, ride bicycles, and travel to three locale schools, including Workman Middle School, Holms Elementary and Washington High Schools.

Burgess Road is extremely dangerous for pedestrians and cyclist as most of the road has ditches for drainage on either side of the road. Over the past 20 years, residents of Burgess Road and Parker Circle Community have pleaded with the City for drainage and sidewalks on Burgess Road. At least three petitions signed by residents have been presented to the City Council and the Mayor.

Mayor Ashton Hayward has stood in the ditches along Burgess Road and witnessed firsthand the dangerous conditions of the road. For 6 years I have ask the City Council and the Mayor to fix Burgess Road. Several times this year, I have met, or spoke with Dick Barker, the City's CFO, and other city officials regarding the use of the \$ 1.6 million unallocated funds in the 2017 budget for Burgess Road. It is time. It is past time for the Council and the City of Pensacola to address the issue of Burgess Road. Commissioner Grover Robinson has allocated \$350,000 to fix Escambia County's portion of Burgess Road. Commissioner Robinson stepped up to the plate with these funds in 2011. It is time for the City to step up to the plate and protect our most vulnerable citizens; poor and underserved children.

In 2016, I asked the City to borrow against the LOST IV to address the safety issues of Burgess Road. I am asking again that the City borrow against the LOST IV to provide the funding in order to improve the functioning of this area and to enhance the safe travel to schools by neighborhood children. Burgess Road is in need of road repair, storm water updates and sidewalks.

Alternatively, in 2016 the City Council agreed to allocation \$6,050,000 of LOST IV funds for the Bayview Resource Center. The proposed budget presented to City Council identifies the amount allocated for the Bayview Resource Center to be \$8,250,000 under the year 2017; a difference of \$2, 200,000 not previously approved for allocation by the City Council.

This proposal take \$1,600,000 from the \$2,200,000 difference and creating a new line item under Public Works within the LOST IV Funding Plan, titling this line item "Burgess Road Project."

Burgess Road residents lobby for sidewalks

T.S. Strickland, Staff Writer Published 7:05 p.m. CT July 31, 2014 | Updated 7:05 p.m. CT July 31, 2014

Residents of Burgess Road are asking city leaders to address longstanding safety concerns.

Residents of one Pensacola neighborhood are asking city leaders to address longstanding concerns about speeding and pedestrian safety.

Parker Circle — located east of Davis Highway and south of Creighton Road — straddles the city-county line. Motorists routinely cut through the neighborhood to avoid the traffic light at Davis and Creighton — flying down Burgess Road, which has a speed limit of 25 mph — at speeds as fast as 70, residents say.

For Curtis Boudreaux, this is worrisome. Boudreaux is one of several dozen residents whose homes front the busy street. His 16-year-old daughter, who attends Washington High School, had to obtain a special waiver from the school district to ride the bus.

Most children living in the neighborhood — including 11 elementary and middle schoolers — live within the district's "walk zone," meaning they aren't eligible for public transportation. Those who have no other means must walk in the street or ditches because of the lack of sidewalks along Burgess, residents report.

Rob Doss, director of transportation for the Escambia County School District, said those students could apply for bus service on a space available basis. However, the district is not able to accommodate all requests.

The Parker Circle Neighborhood Association sent a letter to Pensacola Mayor Ashton Hayward in July, asking that he allocate \$60,000 toward an engineering plan to begin to address the problem.

"It's an awfully scary situation," Boudreaux said Thursday of the lack of sidewalks. The city has stepped up patrols in the area and installed automated speed signs in response to residents' complaints. During one 18-month period from 2012-13, police issued 278 traffic citations along the road. So far this year, there have been 81. However, Boudreaux said the overall effect of the enforcement has been minimal.

"They rely on the police to address speeding issues," he said, "but do nothing to address the issue that there's no place for our kids to walk."

For the past three years, Councilwoman Sherri Myers — who lives in and represents the neighborhood — has asked the city to fix the problem. In 2011, she partnered with Escambia County Commissioner Grover Robinson in proposing a joint solution.

The county agreed to set aside \$350,000 of local option sales taxes to build sidewalks, curbs and gutters along Burgess. The city, which encompasses the greater part of the roadway, was asked to foot the remaining \$1.05 million worth of work. Robinson said the project stalled when the city refused to commit.

The county later installed sidewalks on Lanier Street and a four-way stop at the intersection of Burgess and Sanders Street, the site of a significant number of wrecks in prior years. However, Burgess still has no sidewalks.

City officials said the project had been hampered by limited resources and greater needs elsewhere in the city.

City Administrator Colleen Castille noted that the project would be extraordinarily expensive. Besides having no sidewalks, the road also lacks curbs and gutters — a legacy of past leaders' reluctance to embrace more stringent development laws.

"Pensacola spends approximately \$2,526,500 on both streets and sidewalks on an annual basis," Castille said. "The proposal for funding for the city's portion of Burgess Road, sidewalk, street repaving, placement of curb and gutter and stormwater pipes is \$1,050,000 — nearly 40 percent of the city's (street) funding."

Castille added that other areas — such as West Cervantes Street, Ninth Avenue and 12th Avenue — had perhaps greater needs for the limited available funding.

"Costs have to be weighed against benefits," said Tamara Fountain, communications administrator for the city. "With finite resources, you can't always do every project."

Officials have invested in sidewalk improvements elsewhere in the city — spending more than \$1.8 million during the past five years. Hayward has proposed spending another \$350,000 in the next year — mostly within Pensacola's urban core.

John Phillips, a past president of the Parker Circle Neighborhood Association, said he and his neighbors felt neglected by city leaders, whom he said seemed to care more about downtown Pensacola than uptown residents. He recognized other areas of the city also needed attention but added that Parker Circle has been asking for help since neighborhood residents voted to join the city in the early 1960s.

Doss, an outspoken sidewalk advocate, said he felt other areas — especially in the city and county's lower-income neighborhoods — had more urgent needs than Parker Circle. He added, however, that the choice need not be a zero-sum game — if only local governments were willing to invest more in pedestrian infrastructure, as a whole. Doing so is important, he said.

"From an education standpoint, I believe there is a correlation between the extent and quality of a community's development, which includes lighting and a safe walking infrastructure, and a student's readiness for a day of learning," he said.

Doss added that the implications for safety, public health, government spending and the environment also were clear.

"A well-lit (sidewalk) safely separated from speeding traffic improves citizen safety," he said. "A population that is more inclined to walk reasonable distances to schools and stores is a healthier population. When more people feel safe enough to walk that they leave their cars at home and don't need to ride the school bus to school, government spends less on transportation and fuel, and the environment benefits from fewer vehicles emitting exhaust and burning fuel."

Ladies and Gentlemen:

1. Unkept Promises For many years, the residents who live along Burgess Road east of Davis Highway as well as in the surrounding neighborhoods have contacted both City of Pensacola and Escambia County officials about the need for improvement of Burgess Road from Davis Highway east to Lanier Drive.

At one time a formal petition was submitted that was signed by all but one property owner along this length of Burgess Road. The petition was ignored. A copy of this petition may still be in the files of the Department of Public Works. In the past, many City and County officials have verbally acknowledged the need for improvements and have promised to work for those improvements, but they have done nothing. A recent list of paving projects for the City of Pensacola linked to the *Pensacola News Journal* did not even include the re-paving of Burgess Road much less its overall improvement.

2. The Parker Circle Neighborhood Association The Parker Circle Neighborhood Association was formed under the guidance of the Community Development Department of the City of Pensacola to work for the improvement of Pensacola neighborhoods. Part of the section of Burgess Road east of Davis Highway lies within the boundaries of The Parker Circle Neighborhood Association. More importantly, everyone in the Parker Circle Neighborhood Association area **must** use Burgess Road multiple times daily because Burgess Road is the **only** access to every home in our neighborhood.

This year the Association agreed to once again make a united and concerted effort to implore the proper officials, whether City or County or both, to pledge action on the needed improvements. Now that the November 2010 election is completed, we are appealing to you to whom this letter is addressed since you are familiar with Burgess Road and have pledged the improvement of our City and County.

When Davis Highway was improved, one block of Burgess Road between Davis Highway and Sewell Street was also improved under that project. The roadway was widened, and curbs,

gutters, and sidewalks were installed. These improvements are a model for the improvement of the rest of Burgess Road. The Davis Highway to Sewell Street improvements should be extended to Lanier Drive.

3. Burgess Road is Dangerous Burgess Road is a very busy corridor. Many drivers use it to bypass the congestion and traffic signals at Davis Highway and Creighton Road. The City Police must regularly use radar along Burgess Road to control the speeding traffic, and we notice that in the past few days new 30 miles per hour speed limit signs have been posted. Burgess Road is dangerous not only for automobile traffic, but also it is particularly dangerous for pedestrians and bicyclists. The paved roadway is very narrow and is too narrow to safely ride a bicycle or to safely walk along.

Burgess Road east of Sewell Street has no sidewalks. Since there are no sidewalks, children on their way to and from Holm Elementary School, Workman Middle School, and Washington High School stay off Burgess Road and walk through the neighborhood streets. However, to do this the students must trespass across private property through dense, secluded, and undeveloped wooded areas which may be more dangerous for their personal safety than Burgess Road itself because of the possibility of predators. Those same wooded areas were the site of two assaults and armed robberies in recent months.

Without sidewalks, Burgess Road is so dangerous that parents and guardians regularly meet both the public school, private school, and special needs school buses to ensure the children's safety. Not only is Burgess Road dangerous for children, but also, without sidewalks, senior citizens, handicapped persons, and all other pedestrians cannot negotiate the ditches, culverts, driveways, and other hazards along the present roadway.

4. The Sanders Street Intersection Sanders Street carries a considerable amount of traffic as a connection between Creighton Road and Langley Avenue. The intersection of Burgess Road and Sanders Street is particularly difficult to negotiate and has been the scene of frequent collisions, injuries, and at least one fatality. The drainage is poor, the roadway is crumbling and often patched, and the stop signs are often ignored. Neighborhood residents have observed two serious accidents with overturned vehicles at the intersection in the last few weeks.

5. The Challenge The Parker Circle Neighborhood Association challenges every person who receives this letter to park his or her automobile at the What-a-Burger or the SunTrust Bank on the corner of Davis Highway and join me or other members of the Association in walking the length of Burgess Road from Davis Highway to Lanier Drive at any time of day or night. When you do this, you will experience for yourself the difficulty of movement, access, and the physical danger from both the road traffic and the hazardous terrain.

* 6. Jurisdiction Problems The members of the Association believe that one reason for the lack of action on the improvement of Burgess Road has been the long-standing jurisdictional "buck-passing" between the City of Pensacola and Escambia County. The portion of Burgess Road

*

from Davis Highway to Sanders Street is in the City, and the portion of Burgess Road from Sanders Street to Lanier Drive is in the County.

Right now would be a good time for governmental officials to work together and to act to overcome the years of neglecting to improve Burgess Road. A Burgess Road Improvement Project would be an ideal opportunity for both the City and the County to cooperate and show that they can work together both to improve our community and protect the citizens.

The Association is now collecting signatures of citizens who live along Burgess Road and in the surrounding neighborhoods which will be presented to you when our survey is complete. These citizens support the improvement of Burgess Road including widening the roadway and the laying of sidewalks along with whatever drainage conditions such improvements will require.

Sincerely yours,

The Parker Circle Neighborhood Association

Burgess Road residents lobby for sidewalks

Residents of Burgess Road are asking city leaders to address longstanding safety concerns.

Residents of one Pensacola neighborhood are asking city leaders to address longstanding concerns about speeding and pedestrian safety.

Parker Circle — located east of Davis Highway and south of Creighton Road — straddles the city-county line. Motorists routinely cut through the neighborhood to avoid the traffic light at Davis and Creighton — flying down Burgess Road, which has a speed limit of 25 mph — at speeds as fast as 70, residents say.

For Curtis Boudreaux, this is worrisome. Boudreaux is one of several dozen residents whose homes front the busy street. His 16-year-old daughter, who attends Washington High School, had to obtain a special waiver from the school district to ride the bus.

Most children living in the neighborhood — including 11 elementary and middle schoolers — live within the district's "walk zone," meaning they aren't eligible for public transportation. Those who have no other means must walk in the street or ditches because of the lack of sidewalks along Burgess, residents report.

Rob Doss, director of transportation for the Escambia County School District, said those students could apply for bus service on a space available basis. However, the district is not able to accommodate all requests.

The Parker Circle Neighborhood Association sent a letter to Pensacola Mayor Ashton Hayward in July, asking that he allocate \$60,000 toward an engineering plan to begin to address the problem.

"It's an awfully scary situation," Boudreaux said Thursday of the lack of sidewalks. The city has stepped up patrols in the area and installed automated speed signs in response to residents' complaints. During one 18-month period from 2012-13, police issued 278 traffic citations along the road. So far this year, there have been 81. However, Boudreaux said the overall effect of the enforcement has been minimal.

"They rely on the police to address speeding issues," he said, "but do nothing to address the issue that there's no place for our kids to walk."

ADVERTISING

For the past three years, Councilwoman Sherri Myers — who lives in and represents the neighborhood — has asked the city to fix the problem. In 2011, she partnered with Escambia County Commissioner Grover Robinson in proposing a joint solution.

The county agreed to set aside \$350,000 of local option sales taxes to build sidewalks, curbs and gutters along Burgess. The city, which encompasses the greater part of the roadway, was asked to foot the remaining \$1.05 million worth of work. Robinson said the project stalled when the city refused to commit.

The county later installed sidewalks on Lanier Street and a four-way stop at the intersection of Burgess and Sanders Street, the site of a significant number of wrecks in prior years. However, Burgess still has no sidewalks.

City officials said the project had been hampered by limited resources and greater needs elsewhere in the city.

City Administrator Colleen Castille noted that the project would be extraordinarily expensive. Besides having no sidewalks, the road also lacks curbs and gutters — a legacy of past leaders' reluctance to embrace more stringent development laws.

"Pensacola spends approximately \$2,526,500 on both streets and sidewalks on an annual basis," Castille said. "The proposal for funding for the city's portion of Burgess Road, sidewalk, street

repaving, placement of curb and gutter and stormwater pipes is \$1,050,000 — nearly 40 percent of the city's (street) funding."

Castille added that other areas — such as West Cervantes Street, Ninth Avenue and 12th Avenue — had perhaps greater needs for the limited available funding.

"Costs have to be weighed against benefits," said Tamara Fountain, communications administrator for the city. "With finite resources, you can't always do every project."

Officials have invested in sidewalk improvements elsewhere in the city — spending more than \$1.8 million during the past five years. Hayward has proposed spending another \$350,000 in the next year — mostly within Pensacola's urban core.

John Phillips, a past president of the Parker Circle Neighborhood Association, said he and his neighbors felt neglected by city leaders, whom he said seemed to care more about downtown Pensacola than uptown residents. He recognized other areas of the city also needed attention but added that Parker Circle has been asking for help since neighborhood residents voted to join the city in the early 1960s.

Doss, an outspoken sidewalk advocate, said he felt other areas — especially in the city and county's lower-income neighborhoods — had more urgent needs than Parker Circle. He added, however, that the choice need not be a zero-sum game — if only local governments were willing to invest more in pedestrian infrastructure, as a whole. Doing so is important, he said.

"From an education standpoint, I believe there is a correlation between the extent and quality of a community's development, which includes lighting and a safe walking infrastructure, and a student's readiness for a day of learning," he said.

Doss added that the implications for safety, public health, government spending and the environment also were clear.

"A well-lit (sidewalk) safely separated from speeding traffic improves citizen safety," he said. "A population that is more inclined to walk reasonable distances to schools and stores is a healthier population. When more people feel safe enough to walk that they leave their cars at home and don't need to ride the school bus to school, government spends less on transportation and fuel, and the environment benefits from fewer vehicles emitting exhaust and burning fuel."

BURGESS ROAD PEDESTRIAN PLAN

CHARACTERISTICS OF BURGESS ROAD

- ✘ Mostly a residential area.
- ✘ Some commercial near the intersection of Burgess Road and Davis Hwy. There is also some commercial at the intersection of Burgess Road and Lanier Street.
- ✘ Walking proximity to 3 schools: Holmes Elementary, Workman Middle, Washington High
- ✘ Limited pedestrian access

KEY ELEMENTS

- ✘ Construct sidewalks along Burgess Road and Lanier Street
- ✘ Install traffic calming mini-circles at the following cross streets on Burgess Road: Sewell St, Joy St, Chapel St, Marie Ave, and Sanders St.
- ✘ Install a Crosswalk at Sanders St. and Langley Ave.
- ✘ Install a Traffic Signal at Lanier Dr. and Creighton Rd.

PROPOSED IMPROVEMENTS

-  Proposed Traffic Signal
-  Proposed Mini-circles
-  Proposed Sidewalks
-  Proposed Crosswalk

City Council

8/10/2017

LEGISLATIVE ACTION ITEM

SPONSOR: City Council Member Sherri F. Myers

SUBJECT:

LOST IV FUNDING FOR BURGESS ROAD (MYERS)

RECOMMENDATION:

That City Council approve \$1,600,000 in unallocated LOST IV Funds from the 2017 budget for installation of sidewalks and drainage on Burgess Road from Sewell St. to Sanders St. In the alternative, that City Council remove \$1,600,000 from the proposed Pavement Management Program allocation of \$3,500,000 in FY 18 and place this amount under a new line under Public Works entitled "Burgess Road Project" within the LOST IV Funding Plan.

HEARING REQUIRED: No Hearing Required

SUMMARY:

Burgess Road is an 80 year old thoroughfare that is used by many, particularly children who walk, ride bicycles, and travel to three local schools, including Workman Middle School, Holms Elementary and Washington High Schools.

Burgess Road is extremely dangerous for pedestrians and cyclist as most of the road has ditches for drainage on either side of the road. Over the past 20 years, residents of Burgess Road and Parker Circle Community have pleaded with the City for drainage and sidewalks on Burgess Road. At least three petitions signed by residents have been presented to the City Council and the Mayor.

Mayor Ashton Hayward has stood in the ditches along Burgess Road and witnessed firsthand the dangerous conditions of the road. For 6 years I have ask the City Council and the Mayor to fix Burgess Road. Several times this year, I have met, or spoke with Dick Barker, the City's CFO, and other city officials regarding the use of the \$ 1.6 million unallocated funds in the 2017 budget for Burgess Road. It is time. It is past time for the Council and the City of Pensacola to address the issue of Burgess Road. Commissioner Grover Robinson has allocated \$350,000 to fix Escambia County's portion of Burgess Road. Commissioner Robinson stepped up to the plate with these funds in 2011. It is time for the City to step up to the plate and protect our most vulnerable citizens; poor and underserved children.

In 2016, I asked the City to borrow against the LOST IV to address the safety issues of Burgess Road. I am asking again that the City borrow against the LOST IV to provide the funding in order to improve the functioning of this area and to enhance the safe travel to schools by neighborhood children. Burgess Road is in need of road repair, storm water updates and sidewalks.

Alternatively, the City Council agreed to \$15,000,000 for street resurfacing to take place in three (3) phases over the next 3 years. Within the LOST IV Funding Plan is a line for the Pavement Management Program with the stated purpose of, "Rehabilitation of existing city streets to improve existing roadway surface and extend the longevity of the City's infrastructure." \$3,500,000 is proposed to be spent in FY 18 under this program.

This proposal takes \$1,600,000 from the \$3,500,000 being proposed and creating a new line item under Public Works within the LOST IV Funding Plan, titling this line item "Burgess Road Project."

Burgess Road residents lobby for sidewalks

T.S. Strickland, Staff Writer Published 7:05 p.m. CT July 31, 2014 | Updated 7:05 p.m. CT July 31, 2014

Residents of Burgess Road are asking city leaders to address longstanding safety concerns.

Residents of one Pensacola neighborhood are asking city leaders to address longstanding concerns about speeding and pedestrian safety.

Parker Circle — located east of Davis Highway and south of Creighton Road — straddles the city-county line. Motorists routinely cut through the neighborhood to avoid the traffic light at Davis and Creighton — flying down Burgess Road, which has a speed limit of 25 mph — at speeds as fast as 70, residents say.

For Curtis Boudreaux, this is worrisome. Boudreaux is one of several dozen residents whose homes front the busy street. His 16-year-old daughter, who attends Washington High School, had to obtain a special waiver from the school district to ride the bus.

Most children living in the neighborhood — including 11 elementary and middle schoolers — live within the district's "walk zone," meaning they aren't eligible for public transportation. Those who have no other means must walk in the street or ditches because of the lack of sidewalks along Burgess, residents report.

Rob Doss, director of transportation for the Escambia County School District, said those students could apply for bus service on a space available basis. However, the district is not able to accommodate all requests.

The Parker Circle Neighborhood Association sent a letter to Pensacola Mayor Ashton Hayward in July, asking that he allocate \$60,000 toward an engineering plan to begin to address the problem.

"It's an awfully scary situation," Boudreaux said Thursday of the lack of sidewalks. The city has stepped up patrols in the area and installed automated speed signs in response to residents' complaints. During one 18-month period from 2012-13, police issued 278 traffic citations along the road. So far this year, there have been 81. However, Boudreaux said the overall effect of the enforcement has been minimal.

"They rely on the police to address speeding issues," he said, "but do nothing to address the issue that there's no place for our kids to walk."

For the past three years, Councilwoman Sherri Myers — who lives in and represents the neighborhood — has asked the city to fix the problem. In 2011, she partnered with Escambia County Commissioner Grover Robinson in proposing a joint solution.

The county agreed to set aside \$350,000 of local option sales taxes to build sidewalks, curbs and gutters along Burgess. The city, which encompasses the greater part of the roadway, was asked to foot the remaining \$1.05 million worth of work. Robinson said the project stalled when the city refused to commit.

The county later installed sidewalks on Lanier Street and a four-way stop at the intersection of Burgess and Sanders Street, the site of a significant number of wrecks in prior years. However, Burgess still has no sidewalks.

City officials said the project had been hampered by limited resources and greater needs elsewhere in the city.

City Administrator Colleen Castille noted that the project would be extraordinarily expensive. Besides having no sidewalks, the road also lacks curbs and gutters — a legacy of past leaders' reluctance to embrace more stringent development laws.

"Pensacola spends approximately \$2,526,500 on both streets and sidewalks on an annual basis," Castille said. "The proposal for funding for the city's portion of Burgess Road, sidewalk, street repaving, placement of curb and gutter and stormwater pipes is \$1,050,000 — nearly 40 percent of the city's (street) funding."

Castille added that other areas — such as West Cervantes Street, Ninth Avenue and 12th Avenue — had perhaps greater needs for the limited available funding.

"Costs have to be weighed against benefits," said Tamara Fountain, communications administrator for the city. "With finite resources, you can't always do every project."

Officials have invested in sidewalk improvements elsewhere in the city — spending more than \$1.8 million during the past five years. Hayward has proposed spending another \$350,000 in the next year — mostly within Pensacola's urban core.

John Phillips, a past president of the Parker Circle Neighborhood Association, said he and his neighbors felt neglected by city leaders, whom he said seemed to care more about downtown Pensacola than uptown residents. He recognized other areas of the city also needed attention but added that Parker Circle has been asking for help since neighborhood residents voted to join the city in the early 1960s.

Doss, an outspoken sidewalk advocate, said he felt other areas — especially in the city and county's lower-income neighborhoods — had more urgent needs than Parker Circle. He added, however, that the choice need not be a zero-sum game — if only local governments were willing to invest more in pedestrian infrastructure, as a whole. Doing so is important, he said.

"From an education standpoint, I believe there is a correlation between the extent and quality of a community's development, which includes lighting and a safe walking infrastructure, and a student's readiness for a day of learning," he said.

Doss added that the implications for safety, public health, government spending and the environment also were clear.

"A well-lit (sidewalk) safely separated from speeding traffic improves citizen safety," he said. "A population that is more inclined to walk reasonable distances to schools and stores is a healthier population. When more people feel safe enough to walk that they leave their cars at home and don't need to ride the school bus to school, government spends less on transportation and fuel, and the environment benefits from fewer vehicles emitting exhaust and burning fuel."

PARKER CIRCLE NEIGHBORHOOD ASSOCIATION

590 Parker Circle
Pensacola, Florida 32504
November 8, 2010

Ashton Hayward, III, Mayor Elect, City of Pensacola
Sam Hall, Pensacola City Council, District 2, At Large Elect
Sherri Myers, Pensacola City Council, District 2, Elect
Megan B. Pratt, Pensacola City Council, At Large
Al Garza, Public Works Director, City of Pensacola
Grover C. Robinson, IV, Escambia County Commissioner, District 4
Larry Newsome, Escambia County Engineer

Ladies and Gentlemen:

1. Unkept Promises For many years, the residents who live along Burgess Road east of Davis Highway as well as in the surrounding neighborhoods have contacted both City of Pensacola and Escambia County officials about the need for improvement of Burgess Road from Davis Highway east to Lanier Drive.

At one time a formal petition was submitted that was signed by all but one property owner along this length of Burgess Road. The petition was ignored. A copy of this petition may still be in the files of the Department of Public Works. In the past, many City and County officials have verbally acknowledged the need for improvements and have promised to work for those improvements, but they have done nothing. A recent list of paving projects for the City of Pensacola linked to the *Pensacola News Journal* did not even include the re-paving of Burgess Road much less its overall improvement.

2. The Parker Circle Neighborhood Association The Parker Circle Neighborhood Association was formed under the guidance of the Community Development Department of the City of Pensacola to work for the improvement of Pensacola neighborhoods. Part of the section of Burgess Road east of Davis Highway lies within the boundaries of The Parker Circle Neighborhood Association. More importantly, everyone in the Parker Circle Neighborhood Association area **must** use Burgess Road multiple times daily because Burgess Road is the **only** access to every home in our neighborhood.

This year the Association agreed to once again make a united and concerted effort to implore the proper officials, whether City or County or both, to pledge action on the needed improvements. Now that the November 2010 election is completed, we are appealing to you to whom this letter is addressed since you are familiar with Burgess Road and have pledged the improvement of our City and County.

When Davis Highway was improved, one block of Burgess Road between Davis Highway and Sewell Street was also improved under that project. The roadway was widened, and curbs,

gutters, and sidewalks were installed. These improvements are a model for the improvement of the rest of Burgess Road. The Davis Highway to Sewell Street improvements should be extended to Lanier Drive.

3. Burgess Road is Dangerous Burgess Road is a very busy corridor. Many drivers use it to bypass the congestion and traffic signals at Davis Highway and Creighton Road. The City Police must regularly use radar along Burgess Road to control the speeding traffic, and we notice that in the past few days new 30 miles per hour speed limit signs have been posted. Burgess Road is dangerous not only for automobile traffic, but also it is particularly dangerous for pedestrians and bicyclists. The paved roadway is very narrow and is too narrow to safely ride a bicycle or to safely walk along.

Burgess Road east of Sewell Street has no sidewalks. Since there are no sidewalks, children on their way to and from Holm Elementary School, Workman Middle School, and Washington High School stay off Burgess Road and walk through the neighborhood streets. However, to do this the students must trespass across private property through dense, secluded, and undeveloped wooded areas which may be more dangerous for their personal safety than Burgess Road itself because of the possibility of predators. Those same wooded areas were the site of two assaults and armed robberies in recent months.

Without sidewalks, Burgess Road is so dangerous that parents and guardians regularly meet both the public school, private school, and special needs school buses to ensure the children's safety. Not only is Burgess Road dangerous for children, but also, without sidewalks, senior citizens, handicapped persons, and all other pedestrians cannot negotiate the ditches, culverts, driveways, and other hazards along the present roadway.

4. The Sanders Street Intersection Sanders Street carries a considerable amount of traffic as a connection between Creighton Road and Langley Avenue. The intersection of Burgess Road and Sanders Street is particularly difficult to negotiate and has been the scene of frequent collisions, injuries, and at least one fatality. The drainage is poor, the roadway is crumbling and often patched, and the stop signs are often ignored. Neighborhood residents have observed two serious accidents with overturned vehicles at the intersection in the last few weeks.

5. The Challenge The Parker Circle Neighborhood Association challenges every person who receives this letter to park his or her automobile at the What-a-Burger or the SunTrust Bank on the corner of Davis Highway and join me or other members of the Association in walking the length of Burgess Road from Davis Highway to Lanier Drive at any time of day or night. When you do this, you will experience for yourself the difficulty of movement, access, and the physical danger from both the road traffic and the hazardous terrain.

* 6. Jurisdiction Problems The members of the Association believe that one reason for the lack of action on the improvement of Burgess Road has been the long-standing jurisdictional "buck-passing" between the City of Pensacola and Escambia County. The portion of Burgess Road

*

from Davis Highway to Sanders Street is in the City, and the portion of Burgess Road from Sanders Street to Lanier Drive is in the County.

Right now would be a good time for governmental officials to work together and to act to overcome the years of neglecting to improve Burgess Road. A Burgess Road Improvement Project would be an ideal opportunity for both the City and the County to cooperate and show that they can work together both to improve our community and protect the citizens.

The Association is now collecting signatures of citizens who live along Burgess Road and in the surrounding neighborhoods which will be presented to you when our survey is complete. These citizens support the improvement of Burgess Road including widening the roadway and the laying of sidewalks along with whatever drainage conditions such improvements will require.

Sincerely yours,

The Parker Circle Neighborhood Association

Burgess Road residents lobby for sidewalks

Residents of Burgess Road are asking city leaders to address longstanding safety concerns.

Residents of one Pensacola neighborhood are asking city leaders to address longstanding concerns about speeding and pedestrian safety.

Parker Circle — located east of Davis Highway and south of Creighton Road — straddles the city-county line. Motorists routinely cut through the neighborhood to avoid the traffic light at Davis and Creighton — flying down Burgess Road, which has a speed limit of 25 mph — at speeds as fast as 70, residents say.

For Curtis Boudreaux, this is worrisome. Boudreaux is one of several dozen residents whose homes front the busy street. His 16-year-old daughter, who attends Washington High School, had to obtain a special waiver from the school district to ride the bus.

Most children living in the neighborhood — including 11 elementary and middle schoolers — live within the district's "walk zone," meaning they aren't eligible for public transportation. Those who have no other means must walk in the street or ditches because of the lack of sidewalks along Burgess, residents report.

Rob Doss, director of transportation for the Escambia County School District, said those students could apply for bus service on a space available basis. However, the district is not able to accommodate all requests.

The Parker Circle Neighborhood Association sent a letter to Pensacola Mayor Ashton Hayward in July, asking that he allocate \$60,000 toward an engineering plan to begin to address the problem.

"It's an awfully scary situation," Boudreaux said Thursday of the lack of sidewalks. The city has stepped up patrols in the area and installed automated speed signs in response to residents' complaints. During one 18-month period from 2012-13, police issued 278 traffic citations along the road. So far this year, there have been 81. However, Boudreaux said the overall effect of the enforcement has been minimal.

"They rely on the police to address speeding issues," he said, "but do nothing to address the issue that there's no place for our kids to walk."

ADVERTISING

For the past three years, Councilwoman Sherri Myers — who lives in and represents the neighborhood — has asked the city to fix the problem. In 2011, she partnered with Escambia County Commissioner Grover Robinson in proposing a joint solution.

The county agreed to set aside \$350,000 of local option sales taxes to build sidewalks, curbs and gutters along Burgess. The city, which encompasses the greater part of the roadway, was asked to foot the remaining \$1.05 million worth of work. Robinson said the project stalled when the city refused to commit.

The county later installed sidewalks on Lanier Street and a four-way stop at the intersection of Burgess and Sanders Street, the site of a significant number of wrecks in prior years. However, Burgess still has no sidewalks.

City officials said the project had been hampered by limited resources and greater needs elsewhere in the city.

City Administrator Colleen Castille noted that the project would be extraordinarily expensive. Besides having no sidewalks, the road also lacks curbs and gutters — a legacy of past leaders' reluctance to embrace more stringent development laws.

"Pensacola spends approximately \$2,526,500 on both streets and sidewalks on an annual basis," Castille said. "The proposal for funding for the city's portion of Burgess Road, sidewalk, street

repaving, placement of curb and gutter and stormwater pipes is \$1,050,000 — nearly 40 percent of the city's (street) funding.”

Castille added that other areas — such as West Cervantes Street, Ninth Avenue and 12th Avenue — had perhaps greater needs for the limited available funding.

“Costs have to be weighed against benefits,” said Tamara Fountain, communications administrator for the city. “With finite resources, you can't always do every project.”

Officials have invested in sidewalk improvements elsewhere in the city — spending more than \$1.8 million during the past five years. Hayward has proposed spending another \$350,000 in the next year — mostly within Pensacola's urban core.

John Phillips, a past president of the Parker Circle Neighborhood Association, said he and his neighbors felt neglected by city leaders, whom he said seemed to care more about downtown Pensacola than uptown residents. He recognized other areas of the city also needed attention but added that Parker Circle has been asking for help since neighborhood residents voted to join the city in the early 1960s.

Doss, an outspoken sidewalk advocate, said he felt other areas — especially in the city and county's lower-income neighborhoods — had more urgent needs than Parker Circle. He added, however, that the choice need not be a zero-sum game — if only local governments were willing to invest more in pedestrian infrastructure, as a whole. Doing so is important, he said.

“From an education standpoint, I believe there is a correlation between the extent and quality of a community's development, which includes lighting and a safe walking infrastructure, and a student's readiness for a day of learning,” he said.

Doss added that the implications for safety, public health, government spending and the environment also were clear.

“A well-lit (sidewalk) safely separated from speeding traffic improves citizen safety,” he said. “A population that is more inclined to walk reasonable distances to schools and stores is a healthier population. When more people feel safe enough to walk that they leave their cars at home and don't need to ride the school bus to school, government spends less on transportation and fuel, and the environment benefits from fewer vehicles emitting exhaust and burning fuel.”

BURGESS ROAD PEDESTRIAN PLAN

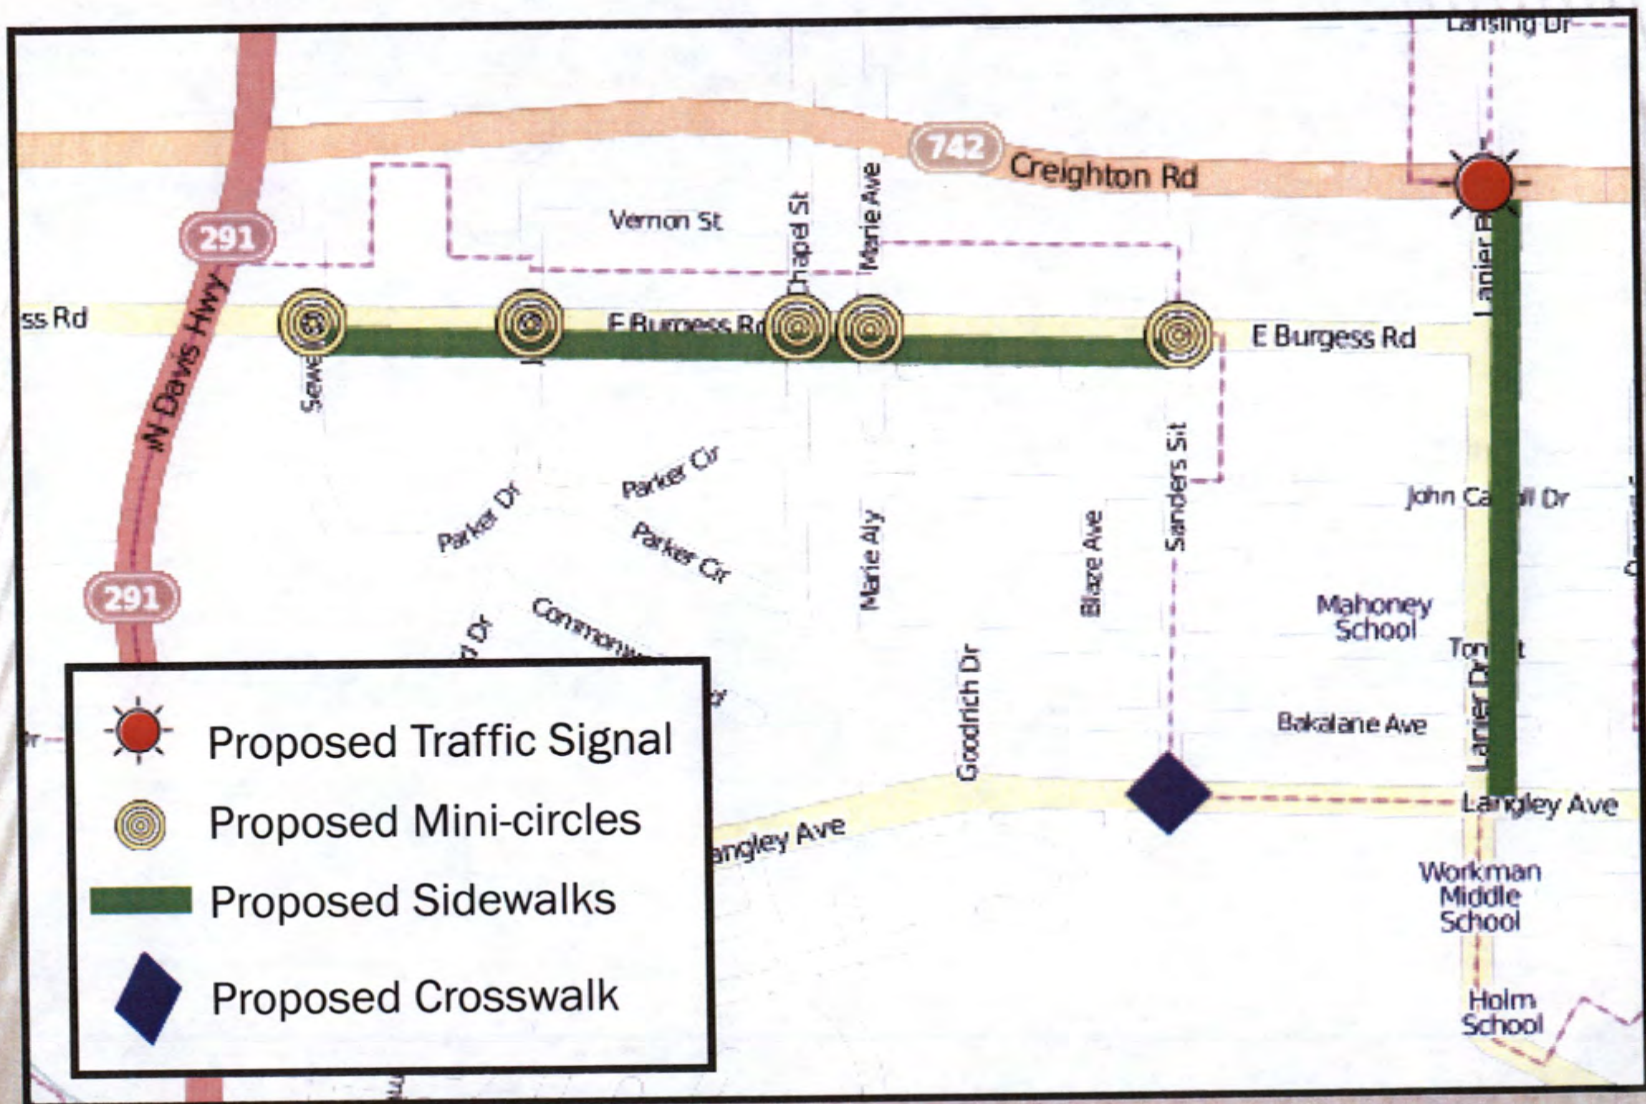

CHARACTERISTICS OF BURGESS ROAD

- ✘ Mostly a residential area.
- ✘ Some commercial near the intersection of Burgess Road and Davis Hwy. There is also some commercial at the intersection of Burgess Road and Lanier Street.
- ✘ Walking proximity to 3 schools: Holmes Elementary, Workman Middle, Washington High
- ✘ Limited pedestrian access

KEY ELEMENTS

- ✘ Construct sidewalks along Burgess Road and Lanier Street
- ✘ Install traffic calming mini-circles at the following cross streets on Burgess Road: Sewell St, Joy St, Chapel St, Marie Ave, and Sanders St.
- ✘ Install a Crosswalk at Sanders St. and Langley Ave.
- ✘ Install a Traffic Signal at Lanier Dr. and Creighton Rd.

LOST IV FUNDING - LEGION FIELD (CANNADA-WYNN)

RECOMMENDATION:

That City Council include \$1.5 million within the LOST IV funding plan and move the proposed appropriations for Legion Field from 2027 to an earlier date for the renovation of Legion Field.

HEARING REQUIRED: No Hearing Required

SUMMARY:

Currently within the LOST IV proposed plan, \$215,000 has been scheduled for appropriation in 2027 for Legion Field. Legion Field is in the West Garden District which has seen an increased growth over the past four (4) years. Two housing initiatives will be developed in the area within the next three (3) years; the old Blount school property and the Delphine Downs Project on Cervantes Street.

This neighborhood is deserving of a recreational complex that includes a playground area, walking trail, splash area and other amenities that would enhance the neighborhood. Therefore, the allocation of LOST IV funds in an acceptable and needed use for this project.

LOST IV FUNDING - FRICKER CENTER (CANNADA-WYNN)

RECOMMENDATION:

That City Council include \$800,000 in the LOST IV funding plan for upgrades and improvements to the Fricker Center.

HEARING REQUIRED: No Hearing Required

SUMMARY:

Currently the Fricker center is at capacity and is one of the most used recreational centers within the City. There is a need for upgrades and renovations to meet the current needs as well as the needs in the future; the renovations will focus on building a second floor to accommodate the large increased use of the facility.

RECOMMENDATION:

That City Council include \$1 million in the LOST IV funding plan for the purpose of supporting housing initiatives and home ownership programs.

HEARING REQUIRED: No Hearing Required

SUMMARY:

Many areas on the west side of town are defined by rental housing. In some instances, over 50% of the residents live in rental housing. The goal of this endeavor is to promote home ownership. These LOST dollars would be used to supplement current housing initiatives and to promote home ownership. The program would be administered through the housing department.

PROPOSED ORDINANCE NO. 35-17 - EQUITABLE DISTRIBUTION OF LOCAL OPTION SALES TAX REVENUES (MYERS)

RECOMMENDATION:

That City Council approve proposed Ordinance No. 35-17 on first reading:

AN ORDINANCE AMENDING SECTION 3-1 OF THE CODE OF THE CITY OF PENSACOLA, FLORIDA, FINANCE AND TAXATION - GENERAL PROVISIONS; CREATING SECTION 3-1-14 TO PROVIDE EQUITABLE DISTRIBUTION OF LOCAL OPTION SALES TAX REVENUES; PROVIDING FOR SEVERABILITY; REPEALING CLAUSE; PROVIDING AN EFFECTIVE DATE

HEARING REQUIRED: No Hearing Required

SUMMARY:

In November of 2014, by referendum, the Local Option Sales Tax (LOST IV) was extended. It is anticipated that within the LOST IV funding cycle, the City will receive an estimated \$87,000,000; within the proposed LOST IV Funding Plan, the Mayor's office has proposed the spending of \$87,000,000.

In an effort to promote the health, safety and welfare of all city residents and to ensure that each City Council District and its citizens are treated in an equitable manner, the proposed ordinance provides that each year's fair share allocation of LOST revenues shall be divided equally among each of the seven City Council Districts. This will provide a fair, efficient and transparent use of LOST IV revenues while providing for Council oversight for the expenditure of the revenues in each of the respective districts.

PRIOR ACTION:

November 2014 - Referendum extending the Local Option Sales Tax (LOST IV)

FUNDING:

Budget: \$87,000,000 (anticipated over LOST IV period)

Actual \$87,000,000 (divided equitably between the districts)

FINANCIAL IMPACT:

All funds received via LOST revenues would be equitably divided between the districts.

ORDINANCE NO. 35-17

ORDINANCE NO. _____

AN ORDINANCE
TO BE ENTITLED:

AN ORDINANCE AMENDING SECTION 3-1 OF THE CODE OF THE CITY OF PENSACOLA, FLORIDA, FINANCE AND TAXATION – GENERAL PROVISIONS; CREATING SECTION 3-1-14 TO PROVIDE EQUITABLE DISTRIBUTION OF LOCAL OPTION SALES TAX REVENUES; PROVIDING FOR SEVERABILITY; REPEALING CLAUSE; PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY OF PENSACOLA, FLORIDA:

SECTION 1. Section 3-1-14 of the Code of the City of Pensacola, Florida is hereby created to read as follows:

Sec. 3-1-14 – Equitable Distribution of Local Option Sales Tax Revenues

1. Statement of Purpose and Legislative Intent. To best promote the health, safety and welfare of all city residents and to ensure that each City Council District and its citizens are treated in an equitable manner, the City Council finds that each year's fair share allocation of Local Option Sales Tax (LOST) Revenues shall be divided equally among each of the City Council Districts.

2. Implementation. This ordinance shall take effect in conjunction with the receipt of LOST Revenues for Fiscal Year 2018 and remain in effect until the City Council repeals or amends it.

3. City Council District LOST Revenues Trust Fund. Upon the City's receipt of each year's allocation of LOST Revenues, all LOST Revenues shall be divided equally among the City Council Districts and placed in separate interest-bearing Trust Funds except as provided herein.

4. Citizens' LOST Commission. There shall be a Citizens' LOST Commission to advise the City Council and its Members on the expenditure of LOST Revenues. Each City Council Member shall make one direct appointment of a qualified elector of their City Council District to the commission who shall serve at the pleasure of their appointing City Council Member.

5. Expenditure of City Council District LOST Revenues. After consultation with the qualified electors of each City Council District during a publically noticed meeting held in their City Council District, each City Council Member may propose the expenditure of LOST Revenues in their City Council District's LOST Revenue Trust Fund for fixed capital improvement infrastructure projects to include but not be limited to Transportation & Drainage Improvements, Recreation & Neighborhood Improvements and Public Facilities Infrastructure Improvements. By unanimous approval of the full membership of the City Council, the LOST Revenues of two or more City

Council Districts may be combined in support of a single project that benefits two or more City Council Districts. City Council approval of the projects shall not require the adoption of an ordinance or resolution except if required by state law.

6. Neighborhood Improvement Grants. Each City Council Member may allocate up to five percent of each year's allocation of City Council District LOST Revenues to neighborhood improvement grants in their City Council District. Acting in a ministerial capacity, the Council President shall certify that the request complies with the City Council's policies for such grants.

7. Limitations Upon Expenditure of LOST Revenues. LOST Revenues shall not be expended in support of the purchase of Capital Equipment that shall be purchased as a regular part of each administrative department's budget during the regular annual budget process; for Economic Development; for Community Services; for Debt Service or for Unallocated. LOST Revenues shall not be expended in support of enterprise operations or special revenue funds.

8. Expenditure of LOST IV Revenues Prior to Adoption of Ordinance. All LOST IV Revenues allocated for projects given final approval prior to adoption of this ordinance and funded using borrowed monies shall be deducted first from the annual share of the City Council District LOST Revenues where the project is currently located. The annual cost to replace the Pensacola Police Department's 800 MHz Radio System shall be reflected in the department's regular budget.

SECTION 2. If any word, phrase, clause, paragraph, section or provision of this ordinance or the application thereof to any person or circumstance is held invalid or unconstitutional, such finding shall not affect the other provision or applications of the ordinance which can be given effect without the invalid or unconstitutional provisions or application, and to this end the provisions of this ordinance are declared severable

SECTION 3. All ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflict.

SECTION 4. This ordinance shall take effect on the fifth business day after adoption, unless otherwise provided pursuant to Section 4.03(d) of the City Charter of the City of Pensacola.

AMENDMENT TO LAND DEVELOPMENT CODE SECTION 12-2-21 (PALAFOX HISTORIC BUSINESS DISTRICT) (SPENCER)

RECOMMENDATION:

That City Council refer to the Planning Board for review and recommendation amendments to the Land Development Code Section 12-2-21 (Palafox Historic Business District)

HEARING REQUIRED: No Hearing Required

SUMMARY:

Currently, Land Development Code Section 12-2-21 (Palafox Historic Business District) does not specifically address the issue of internal illumination.

Recently, on two separate occasions, the Architectural Review Board (ARB) has interpreted the Code to authorize the denial of internally illuminated signs within the Palafox Historic Business District. On appeal, the City Council has reversed the ARB on this issue, speaking to the lack of direction or specific prohibition within the Code.

This is a request for review and recommendation from the Planning Board, with proposed amendment language included, in order to address these issues.

PRESENTATION: No

Sec. 12-2-21. - Palafox historic business district.

- (A) *Purpose.* The Palafox historic business district is established to preserve the existing development pattern and distinctive architectural character of the historic downtown commercial district. The regulations are intended to preserve, through the restoration of existing buildings and construction of compatible new buildings, the scale of the existing structures and the diversity of original architectural styles, and to encourage a compact, convenient arrangement of buildings.
- (B) *Character of the district.* The Palafox historic business district is characterized by sites and facilities of historical value to the city. These buildings and historic sites and their period architecture (i.e., Sullivanesque, Classical Revival, Renaissance Revival, and Commercial Masonry) blend with an overall pattern of harmony, make the district unique and represent the diversity of business activity and commercial architecture over a long period of Pensacola history. The district is an established business area, tourist attraction, containing historic sites, and a variety of specialty retail shops, restaurants, private and governmental offices, and entertainment centers.
- (C) *Historic theme area.* That portion of Palafox Place between Garden Street and Main Street is hereby designated a historical theme area, with a theme based on materials, signs, canopies, facades or other features as they existed in 1925 or earlier.
- (D) *Boundaries of the district.* The boundaries of the Palafox historic business district shall be the same as the Pensacola downtown improvement district as adopted pursuant to section 3-1-10 of the code, plus the west 14.25 feet of lot 214 and all of lots 215 and 216, old city tract.
- (E) *Procedure for review and submission of development plan.*
 - (1) *Submission of plans.* Every application for a building permit to erect, construct, renovate and/or alter an exterior of a building, or sign, located or to be located in the district shall be accompanied by plans for the proposed work. As used herein, "plans" shall mean drawings or sketches with sufficient detail to show, as far as they relate to exterior appearance, the architectural design of the building or sign, (both before and after the proposed work is done in the cases of altering, renovating, demolishing or razing a building or structure) including proposed materials, textures and colors, and the plat plan or site layout, including all site improvements or features such as walls, fences, walks, terraces, plantings, accessory buildings, paved areas, signs, lights, awnings, canopies and other appurtenances. Such plans shall be promptly forwarded by the building official to the architectural review board. The building official or his designee shall serve as secretary to the board.
 - (2) *General conditions, procedures and standards.* Prior to submitting a formal application for approval of a proposed exterior alteration, the owner(s) shall confer with the staff of the architectural review board, who will seek the advice of the downtown improvement board staff, the Historic Pensacola Preservation Board staff and appropriate city staff if necessary to review:
 - (a) The relationship between the proposed exterior alteration or proposed exterior to buildings in the immediate surroundings and to the district in which it is located or to be located.
 - (b) At the time of the predevelopment conference, the applicant shall provide a sketch plan indicating the location of the proposed exterior alteration and its relationship to surrounding properties. The advisory meeting should provide insight to both the developer, the city, the downtown improvement board, and the Historic Pensacola Preservation Board staff regarding potential development problems which might otherwise result in costly plan revisions or unnecessary delay in development.
 - (3) *Review and approval by the architectural review board.* All such plans shall be subject to review and approval by the architectural review board as established in section 12-13-3 and in accordance with the provisions of section 12-2-10(A)(4)(a) through (c), applicable to the historic zoning districts. The board shall adopt written rules and procedures for abbreviated review for paint colors, minor repairs, emergency repairs and minor deviations in projects already approved by the board. This process may authorize the board to designate one of its members to undertake such abbreviated review without the necessity for review by the entire board, provided, however

such abbreviated review process shall require review by the director of the downtown improvement board and the staff of the Historic Pensacola Preservation Board. If agreement cannot be reached as it pertains to an abbreviated review by the board designee, director of the downtown improvement board, Historic Pensacola Preservation Board staff and secretary to the architectural review board then the matter will be referred to the full board for a decision.

(F) *Architectural review of proposed exterior development.*

- (1) *General considerations.* The board shall consider plans for existing buildings based on their classification as significant, supportive, compatible or nonconforming as defined and documented in files located at the office of the downtown improvement board. In reviewing the plans, the board shall consider exterior design and appearance of the building, including the front, sides, rear and roof, materials, textures and colors; plot plan or site layout, including features such as walls, walks, terraces, plantings, accessory buildings, signs, lights, awnings, canopies, and other appurtenances; and conformity to plans and themes promulgated, approved and/or amended from time to time by the city council; and relation of the building to immediate surroundings and to the district in which it is located or to be located. The term "exterior" shall be deemed to include all of the outer surfaces of the building and is not restricted to those exteriors visible from a public street or place. The board shall not consider interior design or plan. The board shall not exercise any control over land use, which is governed by particular provisions of this title, or over construction, which is governed by Chapter 14-1.
- (2) *Decision guidelines.* Every decision of the board, in their review of plans for buildings or signs located or to be located in the district, shall be in the form of a written order stating the findings of the board, its decision and the reasons therefor, and shall be filed with and posted with the building permit on site. Before approving the plans for any proposed building, or signs located or to be located in the district, the board shall find:
 - (a) In the case of a proposed alteration or addition to an existing building, that such alteration or addition will not impair the architectural or historic value of the building or if due to a new use for the building the impairment is minor considering visual compatibility standards such as height, proportion, shape, and scale.
 - (b) In the case of a proposed new building, that such building will not, in itself or by reason of its location on the site, impair the architectural or historic value or character of buildings on adjacent sites or in the immediate vicinity.
 - (c) In the case of a proposed new building, that such building will not be injurious to the general visual character of the district in which it is to be located considering visual compatibility standards such as height, proportion, shape, and scale.
 - (d) In the case of the proposed razing or demolition of an existing building, that the regulations established in section 12-2-10(A)(9) to (11) shall apply.
 - (e) In the case of a proposed addition to an existing building or the base of a proposed new building, or building relocation, that such addition, new building or relocation will not adversely affect downtown redevelopment plans or programs or the Comprehensive Plan of the city.
- (3) *Recommendation for changes.* The board shall not disapprove any plans without giving its recommendations for changes necessary to be made before the plans will be reconsidered. Such recommendations may be general in scope, and compliance with them shall qualify the plans for reconsideration by the board.
- (4) *Board review standards.* The architectural review board shall use the Secretary of Interior's Standards for Rehabilitation and Guidelines for Rehabilitation of Historic Buildings as the general governing standards for existing structures. New construction shall maintain scale and quality of design. All new construction shall be reviewed in terms of massing, rhythm, materials and details, building elements and site. Generally, all structures should be compatible in these categories to surrounding structures. In addition the following standards shall apply:

- (a) Signs. In the case of any proposed new or altered sign, that the sign will not impair the architectural or historical value of any building to which it is attached, nor any adjacent building, and that such sign is consistent with the theme and spirit of the block where it is to be located, and that such sign is consistent with the following provisions:
1. Within the Palafox historic business district, signs protruding into or overhanging the public right-of-way are permitted subject to prior approval by the board, and are subject to removal on thirty (30) days notice if the city actually requires the space for any public purpose. Such signs must be of a character and size consistent with maintenance of the theme and character of the district. Existing overhanging signs are hereby approved and will not require further board approval unless altered.
 2. Businesses located within the Palafox Historic Business District may place one portable (two-sided A-frame) sign on the sidewalk adjacent to the business location subject to the following conditions:
 - a. The maximum size of the sign shall not exceed two (2) feet wide by three (3) feet high;
 - b. The sidewalk width shall be a minimum of eight (8) feet;
 - c. A one time fee of forty dollars (\$40.00) shall be paid to the City of Pensacola for a license to use the sidewalk for placement of a sign;
 - d. A license to use agreement, with proof of insurance, shall be required to use an identified area of the sidewalk for locating a sign;
 - e. The sign shall be removed from the sidewalk at the close of business hours daily;
 - f. Signs shall require approval by the Downtown Improvement Board and Architectural Review Board.
 3. Rooftop signs are prohibited, provided the business for which the sign is erected remains continuously in business, existing signs violating this provision may continue in use. Upon application to and approval by the board, such existing signs may be permitted to remain in place for a longer period if the board finds that the sign is consistent with the theme and character of the district.
 4. Whirling and flashing signs attached to a building are prohibited, unless such signs replicate an original sign used at that location in the historical theme area. Balloon-type, portable or nonaccessory signs are prohibited.
 5. Internally illuminated signs shall be prohibited excepting that internal illumination of individual lettering of a sign shall be permitted.
- (b) Building fronts, rears, and sides abutting streets and public areas. All structural and decorative elements of building fronts, rears, and sides abutting streets or public improvement areas shall be repaired or replaced to match as closely as possible the original materials and construction of that building.
- (c) Windows.
1. Window openings in upper floors of the front of the building shall not be covered from the outside.
 2. Window panes shall not be painted.
 3. The number of window panes and use of shutters should reflect the style and period of the structure.
 4. Windows not in front of buildings shall be kept properly repaired or, with fire department approval, may be closed, in which case sills, lintels and frame must be retained and the new enclosure recessed from the exterior face of the wall.

(d) Show windows and storefronts:

1. A show window shall include the building face, porches, and entrance area leading to the door, sidelights, transoms, display platforms, and devices including lighting and signage designated to be viewed from the public right-of-way.
2. Show windows, entrances, signs, lighting, sun protection, porches, security grilles, etc., shall be compatible with the original scale and character of the structure and the surrounding structures.
3. Show windows shall not be painted for advertising purposes but may be painted for authorized identification of the place of business as authorized by the architectural review board.
4. Show windows with aluminum trim, mullions, or muntins shall be placed or painted consistent with and compatible to the overall facade design as authorized by the Board.
5. Solid or permanently closed or covered storefronts shall not be permitted, unless treated as an integral part of the building facade using wall materials and window detailing compatible with the upper floors, or other building surfaces.

(e) Exterior walls:

1. All exterior front or side walls which have not been wholly or partially resurfaced or built over shall be repaired or replaced in a manner approved by the Board. Existing painted masonry walls shall have loose material removed and painted a single color except for trim which may be another color. Patched walls shall match the existing adjacent surfaces as to materials, color, bond and joining.
2. Historic painted advertising on walls should be preserved at the discretion of the board.
3. Rear and side walls, where visible from any of the streets or alleys, shall be finished so as to harmonize with the front of the building.

(f) Roofs:

1. Chimneys, elevator penthouses or other auxiliary structures on the roofs shall be repaired or replaced to match as closely as possible the original.
2. Any mechanical equipment placed on a roof shall be so located as to be hidden from view or to be as inconspicuous from view as possible. Equipment shall be screened with suitable elements of a permanent nature or finished in such a manner as to be compatible with the character of the building or to minimize its visibility.

(g) Walls and fences. The size, design and placement of these features within the Palafox historic business district shall be consistent with the architectural character within the immediate area of their location.

(h) Landscaping and screening. Landscaping and screening requirements in the Palafox historic business district shall be based on applicable requirements of Chapter 12-6. All service areas (i.e. trash collection containers, compactors, loading docks) shall be fully screened from street and adjacent buildings by one of the following techniques: Fence or wall, six (6) feet high; Vegetation six (6) feet high (within three (3) years); A combination of the above.

(5) *Review.* Any person aggrieved by a decision of the board may, within fifteen (15) days thereafter, apply to the city council for review of the board's decision. He shall file with the city clerk a written notice requesting the council to review said decision.

(G) *District rehabilitation, repair and maintenance guidelines.* The following rehabilitation, repair and maintenance standards shall be applied to all existing structures and land parcels respectively, whether occupied or vacant within the Palafox Historic Theme Area. These standards shall be considered as guidelines by the board when reviewing development plans in other areas of the Pensacola historic business district. In cases where an owner owns property comprising a total city

block, the board shall consider the burden on the owner and may approve an incremental adherence to the standards or guidelines.

- (1) *Building fronts, rears, and sides abutting streets and public areas.* Rotten or weakened portions shall be removed, repaired and replaced to match as closely as possible the original.
 - (2) *Windows.*
 - (a) All windows must be tight-fitting and have sashes of proper size and design. Sashes with rotten wood, broken joints or loose mullions or muntins shall be replaced. All broken and missing windows shall be replaced with new glass.
 - (b) Window openings in upper floors of the front of the building shall not be filled or boarded-up. Window panes shall not be painted.
 - (3) *Show windows and storefronts.* All damaged, sagging or otherwise deteriorated storefronts, show windows or entrances shall be repaired or replaced.
 - (4) *Exterior walls.*
 - (a) Existing miscellaneous elements on the building walls, such as empty electrical conduit, unused signs and/or sign brackets, etc., shall be removed.
 - (b) Sheet metal gutters, downspouts and copings shall be repaired or replaced as necessary.
 - (c) Rear and side walls shall be repaired and finished as necessary to cover evenly all miscellaneous patched and filled areas to present an even and uniform surface.
 - (5) *Roofs.* Roofs shall be cleaned and kept free of trash, debris or any other element which is not a permanent part of the building.
 - (6) *Auxiliary structures.* Structures, at the rear of buildings, attached or unattached to the principal structure, which are structurally deficient shall be properly repaired or demolished as authorized by the architectural review board.
 - (7) *Front, rear, and side yards, parking areas and vacant parcels.* When a front, rear or side yard, parking area or vacant parcel exists or is created through demolition, the owner may utilize the space in accordance with the provisions of the zoning district in which the space is located, provided, however, that the site shall be properly maintained free of weeds, litter, and garbage in accordance with applicable provisions of the code.
 - (8) *Walls, fences, signs.* Walls, fences, signs and other accessory structures shall be properly maintained.
- (H) *Survey, classification and technical assistance.*
- (1) *Survey and classification.* A survey of the district to determine in which areas historical themes are appropriate, and to classify buildings, by architectural design, and materials as historically significant, supportive, neutral, and nonconforming shall be available at the offices of the downtown improvement board and the Community Redevelopment Agency of Pensacola.
 - (2) *Technical assistance.* Within the limits of staff capability and availability of funds, the board may provide sketches or renderings to property owners and/or merchants, showing suitable designs and themes for facade improvement.

LEGISLATIVE ACTION ITEM

SPONSOR: Ashton J. Hayward, III, Mayor

SUBJECT:

PENSACOLA PROFESSIONAL FIREFIGHTERS INTERNATIONAL ASSOCIATION OF FIREFIGHTERS (IAFF) LOCAL 707 COLLECTIVE BARGAINING AGREEMENT

RECOMMENDATION:

That City Council ratify the proposed Pensacola Professional Firefighters International Association of Firefighters (IAFF) Local 707 Collective Bargaining Agreement. Further, that City Council authorize the Mayor to take all actions necessary to execute the agreement.

HEARING REQUIRED: No Hearing Required

SUMMARY:

On June 13, 2017, a tentative agreement was reached between the City of Pensacola and the International Association of Firefighters (IAFF) regarding their Collective Bargaining Agreement for the period beginning October 1, 2017 and ending September 30, 2020. Effective October 1, 2017, the general terms of agreement are as follows:

- 1) Revised pension language provided by the City of Pensacola to conform to state legislative changes.
- 2) Minimum annual base pay for all firefighters hired after the effective date increased to \$32,500.
- 3) On the effective date, the annual base pay of employed firefighters (with the exception of five named firefighters) with a base pay less than \$32,500 will be increased to \$32,500.
- 4) The annual base pay effective October 1, 2017 for five named firefighters will be increased to \$33,475.
- 5) All other active IAFF members will receive an across the board increase to annual base pay of 3% effective October 1, 2017, 3% effective October 1, 2018 and 3% effective October 1, 2019.
- 6) The remaining provisions and articles not addressed in the terms as outlined above shall remain unchanged from the current Agreement (FY 14, FY 15, and FY 16) to the new Agreement (FY 17, FY 18, and FY 19). The agreement is to be executed with no reopeners during the term of the contract.

The wage increase provision shall not extend beyond 2020 nor become the status quo of this Agreement.

PRIOR ACTION:

None.

FUNDING:

Budget: -0-

Actual: \$154,200

FINANCIAL IMPACT:

The estimated net cost over the next 3 years of the contract is approximately \$1.1 million. The Mayor's proposed FY 2018 Budget includes \$154,200 for the first year of the agreement. The increases for years two and three of the contract will be incorporated in the respective proposed budgets.

PREAMBLE

This Agreement is made and entered into by and between the City of Pensacola, Florida, which is hereinafter referred to as the "Employer," and the Pensacola Professional Firefighters, International Association of Firefighters, AFL-CIO, Local No. 707, hereinafter referred to as the "Union."

ARTICLE (1)

DEFINITIONS

- 1) "Day" shall mean a calendar day unless otherwise specified in this Agreement.
- (2) References to the male gender are intended to conform to traditional usage, and should be understood to include both males and females.
- 3) All references to Legislative Approval, approval by Legislature or such similar phrases included in this document shall mean the actual date the legislation becomes law.

ARTICLE (2)

PURPOSE AND INTENT

SECTION 1. The purpose of this Agreement is to secure industrial peace and efficiency, enabling the Employer and its employees to provide continuing satisfactory services to the citizens of the City, to secure a healthy operation through efficient service and public satisfaction, to establish an orderly and peaceful procedure for the resolution of grievances, and to set forth a basic understanding relative to rates of pay, hours of work and conditions of employment, designed to achieve those goals at a reasonable cost.

SECTION 2. The employees and management recognize that they are mutually dependent upon one another. Both are committed to public service and the success of that service. This success requires that both management and employees work together. The Employer, the Union and all employees are convinced that there is no reason why differences that may arise may not be peacefully and satisfactorily adjusted by sincere and patient efforts on the part of all.

SECTION 3. The Union agrees that it will support the Employer in its efforts to (a) eliminate waste and damage; (b) conserve equipment and supplies; (c) improve standards of efficiency; (d) prevent accidents; and (e) strengthen good will between the Employer, its employees and the public. This section is intended to express the purpose of this Agreement, and nothing in this section shall be considered to confer liability for monetary damages on the Union in any action in which the Union would not otherwise be liable.

ARTICLE (3)

RECOGNITION

SECTION 1. The Employer hereby recognizes the Union as the sole and exclusive bargaining representative of the employees covered by this Agreement for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment and other terms and conditions of employment.

SECTION 2. The Union is recognized as the sole and exclusive bargaining representative of: all Fire Department employees in the rank of Fire Captain, Fire Lieutenant, and Professional Firefighter; excluding the Fire Chief, Deputy Fire Chief, Battalion Chief Administrative Officer, and all other employees of the City. All other types of employees and classifications of employees not in existence at the time of the certification by the Pensacola Public Employees Relations Commission dated July 13, 1988 are excluded from the coverage of this Agreement; provided that the Union shall not be deprived of the right to bargain with respect to wages, hours, terms and conditions of employment for new job classifications which may hereafter be created, should either party obtain an order from the Public Employees Relations Commission certifying the Union as bargaining agent for such classifications.

ARTICLE (4)

NO STRIKE CLAUSE

SECTION 1. No employee, Union officer, agent, or employee shall instigate, promote, sponsor, or engage in any strike, slow down, concerted stoppage of work, or any other intentional interruption of the operations of the Employer.

SECTION 2. In the event of a strike, slow down, concerted stoppage of work, or other intentional interruption of the operations of Employer, the Union shall take direct and immediate action to bring about a cessation of such activities.

SECTION 3. In addition to the penalties provided by law, those employees found to be in violation of the provisions of Section 1 may be held liable for any damages which are suffered by the City as a result of the violation of the provisions of this Article.

ARTICLE (5)

DUES CHECK-OFF

SECTION 1. Dues deduction is currently accomplished thru electronic fund transfers from bargaining unit member credit union share accounts to the Union monthly. The City is currently not directly involved in the deduction of Union dues. Should the existing fund transfer method of monthly dues deduction for some reason become unworkable, the City will work cooperatively with the Union to establish a system for payroll deduction of dues to be submitted monthly to the Union.

ARTICLE (6)

SEVERABILITY

In the event that any Article or provision of this Agreement is found to be invalid or unenforceable, by reason of any legislation or judicial authority over which the parties have no amendatory power, all other provisions of this Agreement shall remain in full force and effect for the term of this Agreement. Moreover, should any change in wages, hours, or working conditions be required as a result of any subsequently enacted legislation, judicial order, conciliation agreement, or other legal requirements, the City shall give the Union notice of the action it intends to take to comply with such requirement, and shall negotiate with the Union, if requested, regarding the proposed action.

ARTICLE (7)

PROBATION & SENIORITY

SECTION 1. An appointment, employment or promotion shall not be deemed complete until a period of probation of twelve (12) months has elapsed from the date of employment or promotion; however, in no case shall the probationary period end earlier than twelve (12) months after the employee has received necessary required state certification.

SECTION 2. Employees serving a probationary period following their initial hiring shall not have recourse to the Grievance Procedures contained herein.

SECTION 3. Seniority shall first be determined by the period of service in a class or position within a chain of command (rank) within the fire department, and then by the period of service within the fire department based on hire date. In cases of equal seniority, seniority shall be determined through random selection via a draw through the Human Resources Division.

ARTICLE (8)

NO SMOKING

SECTION 1. The Surgeon General of the United States has determined that smoking tobacco contributes to the development of a number of heart and lung diseases.

SECTION 2. As of March 1, 1989, the City will hire as firefighters only those individuals who do not smoke, and such individuals will continue to not smoke for the duration of their employment. As of January 1, 1992, the City will hire as firefighters only those individuals who do not use tobacco products, and such individuals will continue to not use tobacco products for the duration of their employment.

SECTION 3. All bargaining unit employees who were hired before March 1, 1989, will not be affected by the no smoking condition of employment which will apply to the new hires, but current employees will smoke only in designated smoking areas while on duty. After meeting and conferring with the Union, the City retains the right to designate smoking areas in each fire station.

SECTION 4. The City agrees to make reasonably available courses to stop smoking for those employees wishing to quit smoking.

ARTICLE (9)

RESIDENCY

All employees covered by this Agreement shall live within Escambia or Santa Rosa County, Florida or 45 minute response time. Exceptions to this article may be granted by the City Administrator.

ARTICLE (10)

WAGES, HOURS OF WORK AND OVERTIME PAY

SECTION 1. Purpose of Article.

The purpose of this Article is to provide a basis for the computation of straight time and overtime wages, and nothing contained in this Agreement shall be construed as a guarantee or commitment by the City to any employee of a minimum or maximum number of hours of work per day, per week, per work period, or per year, for any employee covered by this Agreement. The City's pay records, practices, and procedures shall govern the payment of all wages.

SECTION 2. Straight Time Wage Rates.

All employees covered by this Agreement shall be paid as reflected below:

Professional Firefighter Minimum	\$32,500.00
Lieutenant Minimum:	\$ 43,000.00
Fire Captain Minimum:	\$53,000.00

*These amounts include the mandatory overtime adjustments.

Provisions that are set forth in the General Employees Pay Plan, shall apply also to the employees covered by this collective bargaining contract.

SECTION 3. Salary Adjustments.

From the effective date of this contract to September 30, 2020, bargaining unit members shall receive the following salary adjustments:

FY 2018

October 1, 2017 each bargaining unit member shall receive a 3% increase to their base wage at that time unless otherwise specified in the Compensation Schedule dated June 29, 2017 – Attached to this Agreement as Appendix A.

FY 2019

October 1, 2018 each bargaining unit member shall receive a 3% increase to their base wage at that time.

FY 2020

October 1, 2019 each bargaining unit member shall receive a 3% increase to their base wage at that time.

The City Administrator may, upon recommendation by the Fire Chief, withhold an employee's salary adjustment, if there is documented evidence that the employee is performing consistently at a level below standard during the previous year.

SECTION 4. Fire Inspectors.

The workweek for fire inspectors shall consist of seven (7) calendar days beginning at 12:00 midnight on Sunday and ending 12:00 midnight the following Sunday. Fire inspectors will be scheduled to work a 40 hour week. Daily shift times will be set by the City no earlier than 7:45 am and no later than 5:00 pm including a one hour meal period which shall not count as time worked (unless and then only to the extent of time spent in authorized calls to emergency duty). All time worked in excess of 40 hours per workweek will be compensated at a minimum of one and one-half times the straight time rate in effect as set forth in the City's salary schedule.

SECTION 5. Fire Suppression Employees.

Other than fire inspectors, all other employees covered by this Agreement will continue to be paid pursuant to the partial overtime pay exemption provided by 29 U.S.C. Section 207(k). The "work period" will continue to be a minimum of twenty-one (21) calendar days beginning immediately after 8:00 a.m. on Sunday and ending at 8:00 a.m. the third following Sunday. Fire suppression employees will be scheduled to work 24 hours on duty and 48 hours off duty, for a total of 168 hours of scheduled duty time during each 21 day work period. All fire suppression employees who work more than one hundred fifty-nine (159) hours during a 21 day work period will be compensated for such additional hours at a minimum of one and one-half times the straight time rate in effect as set forth in the City's wage schedule.

SECTION 6. Watch Captains

The parties agree that there shall be one watch captain on each watch.

SECTION 7. Overtime.

The Fire Department may offer the opportunity to work unscheduled overtime through the use of three alphabetized lists, one per watch, without regard to rank. This established list is for fire suppression activities only.

SECTION 8. Time Worked.

For the purpose of calculating overtime pay, scheduled sick leave should be considered as "time worked" in the appropriate work period. Leave taken as annual leave will not be considered as "time worked" for purposes of overtime calculation.

SECTION 9. Working Out of Class Pay.

Bargaining unit members working temporarily in a higher class for more than five (5) consecutive watches will be paid out-of-class differential pay incentive of 10% premium on their base wage beginning with their 6th consecutive watch. To qualify, an employee must be assuming the full and complete duties and responsibilities of the higher class. Said differential pay shall be applicable only when the vacancy has resulted from an illness that qualifies under FMLA, on-the-job injury or a job vacancy that is a position duly created and still existent but not occupied by an employee. Such differential pay shall begin only after the employee has performed the complete duties for five consecutive (5) watches and shall be paid only for time actually worked. Out-of-class differential pay shall apply only to the days worked after the five (5) consecutive watches have been completed. Out-of-class differential shall be paid with the employee's regular compensation and is pensionable. Complete records of such out-of-class differential work shall be submitted to the Division of Human Resources within two (2) weeks of having performed such work, on forms furnished by that department. Employees approved for acting out of class assignments must requalify every time a new event occurs.

SECTION 10. Pay Adjustment upon Promotion

Upon successful promotion from the rank of Firefighter to the rank of Lieutenant or from the rank of Lieutenant to the rank of Captain, employees shall have their base pay increased 10% or shall be moved to the new minimum of the pay scale for their new rank, whichever is greater.

SECTION 11. Special Duty Overtime

The special projects will be listed or advertised on an electronic bulletin board, which shall contain two (2) lists. The first list will provide the project description and the necessary qualifications. The second will be an alphabetical list of volunteers including their qualifications.

If an individual is skipped for lack of qualifications, he/she will remain at the top of the list. If assigned to Special Project overtime, the employee may not sign up for overtime, as described in Article X Section 7, on the dates listed for a special project.

ARTICLE (11)

GRIEVANCE PROCEDURE

SECTION 1. A grievance is defined as an allegation made during the term of this Agreement that the Employer has violated a specific provision of this Agreement. Employees who are not members of the Union may utilize the Grievance Procedure established by this Article, but the Union is in no way responsible for non-members' utilization of this article.

SECTION 2. Under no circumstance shall there be a suspension or slowdown of work, or refusal to follow any instruction, on account of any grievance. Grievances shall be resolved at the lowest supervisory level possible, but only within the customary authority of such succeeding level of supervision. No grievance shall be considered unless it is processed in complete accordance with the following steps:

STEP 1. There shall be a discussion between the employee and the Battalion Chief involved.

STEP 2. If the grievance is not resolved in Step 1, the Union may, within ten 10 calendar days of the alleged violation, reduce the grievance to writing on a grievance form and present it to the Fire Chief. The grievance form shall specify the particular Article, Section and provision of this Agreement alleged to have been violated, shall contain a complete and detailed statement of the facts upon which the grievance is based, including date of occurrence, shall specify the proposed remedy, shall be signed and dated by the employee or (if applicable) by his Union representative. Grievances submitted which do not contain the above information shall be considered null and void. Upon receipt of the grievance, the Chief or his designee shall record the time and date of receipt, shall consider the written grievance, shall investigate the same to the extent he chooses, and shall resolve or deny the grievance within ten (10) calendar days.

STEP 3. If the Union is dissatisfied with the decision rendered in Step 2, and the Union desires to further pursue the grievance, it shall present a letter of appeal to the City Administrator or his designee within ten (10) calendar days following the decision of the Fire Chief or his designee on the grievance in Step 2. The City Administrator or his designee shall consider the written grievance, investigate the same to the extent he chooses, and resolve or deny the grievance within fifteen (15) calendar days.

STEP 4. Within ten (10) calendar days following the decision by the City Administrator or his designee, if the Union chooses to proceed further on the grievance, it shall present to the City Administrator or his designee a written request for a Step 4 meeting concerning the grievance, to which shall be attached copies of the written grievance submitted in Step 2 and Step 3 letter of appeal. A meeting shall be held at the convenience of the parties between the grievant, the grievant's Union representative (if applicable), and the City Administrator or his designee and their representative, and the City Administrator or his designee shall resolve or deny the grievance within fifteen (15) calendar days.

SECTION 3. Submission to Arbitration. In the event any grievance which has been timely brought during the term of this Agreement under Section 4 of this Article cannot be satisfactorily adjusted in accordance with Section 2 of this Article, either the Union or the Employer may demand arbitration by filing a request with the Federal Mediation and Conciliation Service of the United States, with a copy to the other side by certified mail, return receipt requested, to submit the names of seven (7) approved arbitrators available to hear and decide the question involved. The party wishing to submit a grievance to arbitration must do so within twenty (20) calendar days of receipt by the Union of the decision in Step 4, or the right to pursue arbitration shall have been waived. The Union shall retain the exclusive authority to decide which, if any, union member grievances shall be forwarded to arbitration.

SECTION 4. The parties hereto acknowledge the importance of both the time limitations and the requirements for written grievances and appeals expressed in Sections 2 and 3 of this Article, and no grievance shall be considered or deemed to exist that is not reduced in writing in the manner specified, timely filed and pursued at each step of the grievance procedure, and timely submitted to arbitration. A timely filed grievance not answered by management within the time limit prescribed shall be treated as a denial of the grievance and the grievance may be pursued to the next step of the grievance procedure. Time limits may not be extended except by a written mutual agreement signed by representatives of both parties. The Employer's willingness to go through the grievance procedure and to submit the issue on the merits to an arbitrator shall not be interpreted as a waiver of any issue as to arbitrability.

SECTION 5. Absent permission from the Employer, grievances must be processed outside of the scheduled working hours of any employee involved in the grievance.

ARTICLE (12)

ARBITRATION

SECTION 1. Upon receipt of the list of arbitrators from the Federal Mediation and Conciliation Service, the parties shall flip a coin to determine who has the first strike. The party losing the coin flip shall strike a name from the list first; the other party shall strike second, and then each party shall in turn strike one name until only one name remains. This person shall be selected as an impartial Arbitrator.

SECTION 2. Each party shall have the right to reject one complete panel of arbitrators and request the Federal Mediation and Conciliation Service to submit a second list, from which names shall be stricken in accordance with Section 1. Nothing in this article shall prevent the parties from agreeing upon a mutually acceptable arbitrator other than one on a panel supplied by FMCS.

SECTION 3. The grievance submitted to the arbitrator shall be based exclusively on the written grievance as submitted in Section 2, Step 2, of the Grievance Procedure. If on-duty personnel are subpoenaed to the arbitration hearing, they will be released from duty only for the time required to testify. No more than two employees will be released from duty at a time, unless the Employer authorizes the release of more than two; such authorization shall not be unreasonably withheld.

SECTION 4. Any decision or award of the arbitrator shall be strictly limited to the interpretation of specific terms of this Agreement, and to a determination of (a) whether the grievance is arbitrable, and (b) whether the Employer violated a specific provision of this Agreement as alleged in the written grievance. The arbitrator shall not explicitly or implicitly change, amend, add to, subtract from, or otherwise alter or supplement any of its terms and conditions, nor depart from its terms in rendering a decision. The arbitrator shall confine himself exclusively to the question which is presented to him. The arbitrator's decision shall be final and binding upon both parties.

SECTION 5. The Employer may not be compelled to arbitrate any grievance not alleged to have occurred during the term of this Agreement.

SECTION 6. Each side shall bear the cost of its own witnesses and representatives. The cost of room accommodations shall be divided equally between the parties. The fees of the arbitrator shall be divided equally between the parties. The costs associated with the appearance of the court reporter and a copy of the transcript for the arbitrator shall be divided equally between the parties. Any party requesting a transcript copy for their use will bear its cost, unless otherwise agreed.

SECTION 7. The arbitrator shall have no authority to assess any compensatory or punitive damages, nor to impose as a remedy any back pay to any employees or individuals who are not grievants. No award of back pay to any grievant shall date back to a time prior to the date the grievance arose. All awards of back pay under this Agreement shall be offset by unemployment compensation benefits, workers' compensation benefits (except medical), earned by the grievant, during any period of unemployment for which back pay is awarded.

ARTICLE (13)

MANAGEMENT RIGHTS

SECTION 1. It is the right of the public employer to determine unilaterally the purpose of each of its constituent agencies, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the right of the public employer to direct its employees, take disciplinary action for proper cause, and relieve its employees from duty because of lack of work or for other legitimate reasons. However, the exercise of such rights shall not preclude employees or their representatives from raising grievances, should decisions on the above matters have the practical consequence of violating the terms and conditions of any collective bargaining agreement in force or any civil or career service regulation.

Additionally the City shall enjoy and retain any additional or expanded right granted to public employers through any decision issued by the Public Employee Relations Commission.

The City has the sole authority to determine the purpose and mission of the City, to prepare and submit budgets to be adopted by the City Council.

The City shall enforce and comply with the provisions of this Agreement so as not to violate the City Charter.

SECTION 2. Nothing contained herein shall be construed to constitute a waiver by the Union of its right to negotiate over the impact of managerial decisions on all terms and conditions of employment.

ARTICLE (14)

WORK RULES

SECTION 1. It is understood and agreed that the duties performed by members of the bargaining unit cannot always be covered by job descriptions and, therefore, members of the bargaining unit may be required to perform duties in addition to those listed within job descriptions.

SECTION 2. Except where expressly modified by any provision of this Agreement, the Rules, Regulations and Procedures of the Pensacola Fire Department shall govern the relationship between the Employer and the employees covered by this Agreement. Any of the Fire Department Rules, Regulations and Procedures in conflict with this Agreement shall be of no force and effect.

SECTION 3. Any new rules or regulations made after the effective date of this Agreement which conflict with this Agreement may be made the subject of an appropriate grievance and may be taken to arbitration by the Union as provided in the grievance and arbitration provisions of this Agreement.

ARTICLE (15)

PROMOTIONAL PROCESS & PROMOTIONAL REQUIREMENT EXAMINATION COMMITTEE

When a vacant position is to be filled by promotion within the Fire Department, these procedures apply:

SECTION 1. Study Materials and information for promotional testing will be posted a minimum of 90 days prior to a job announcement posting.

SECTION 2. Job announcements will be posted a minimum of 30 days prior to conducting a promotional examination.

SECTION 3. Examinations may include a written test, an interview, a performance test, an evaluation of training and experience, supervisory efficiency rating, assessment centers, or any combination thereof. Examination components will total 100%.

SECTION 4. If it is determined that a vacancy shall be filled from a promotional eligible register, a list shall be certified which contains the names of five (5) persons and ties (which can be created by adding points but not take points away from an applicant) having the highest promotional grades as hereinafter provided, and the vacant position shall be filled by the appointing authority by selection from said promotional eligible list. The list may contain less than five (5) names if five (5) persons do not meet the minimum qualifications for the position, or attain the required promotional grade; however, anytime a promotional eligible list cannot be certified with the required minimum number of candidates, the appointing authority may request a new examination.

SECTION 5. The following procedures will be followed to establish a current eligible register:

- a) The Fire Department shall prepare and administer examinations which shall be practical and objectively measure the relative capabilities of the applicant to perform the duties of the position. All persons within the department who meet the minimum qualifications established by the Promotional Qualification Committee (as defined below) for the position shall be eligible to take the promotional examination. Announcement of each examination shall be publicized for a minimum of thirty (30) calendar days prior to the application deadline specified in the announcement. Applications for each examination must be filed with the Human Resource Division prior to the designated deadline and all necessary records, licenses, certificates, transcripts and other documents of proofs must be submitted prior to the examination.
- b) The examination process shall include a written test and a performance test. The examination factor, assigned weights and scoring methods shall be included in the examination announcements. The total value of all questions on any wholly written

examination shall be one hundred percent (100%). The total percentage value on any combination of examinations shall be one hundred percent (100%).

- c) No person shall be promoted who has a promotional grade of less than seventy percent (70%), or a promotional examination score of less than seventy percent (70%). If a promotional examination score of seventy percent (70%) is attained, the total percent made upon such examination shall be added to the total number of points allowed for seniority defined as follows. Seniority Points: Points added to a passing score on a promotional examination to arrive at the total examination grade. For Lieutenants seeking promotion to the rank of Captain, these points shall be computed on the basis of one (1) percentage point for each full year of service as a Lieutenant. For Firefighters seeking promotion to the rank of Lieutenant, these points shall be computed on the basis of one (1) percentage point for each full year of service within the Fire Department, to a maximum of ten (10) points.

- d) Each such register shall stand for a period of one (1) year from the date the original promotional eligible list is certified, unless otherwise extended by the Chief Human Resources Officer for a period of not to exceed one (1) year. However, if the appointing authority requests that no extension be granted, then the register shall expire at the end of the on (1) year. Subsequent eligible lists shall be certified by the Human Resource Administrator from an unexpired register so long as the minimum qualifications and special requirements are the same as those required when the register was established. Additional promotional examinations may be given to supplement a current register which contains less than five (5) qualified persons, and the names of the successful examinees shall be in order behind the existing names on the register. If there is a significant change in special and minimum requirement and qualifications for a position, the Chief Human Resources Officer may cancel and terminate an existing eligible register and establish a new register of eligibles. The establishment of a new register shall require a new application and examination of each applicant.

SECTION 6. Definitions

Eligible List – A list of names taken from the eligible register, of the top (5) five candidates and ties. Names are listed in rank order according to their final overall score on the promotional testing.

Eligible Register: A register of names of all eligible applicants who have obtained a passing score on the overall examination process, listed in rank order according to their final overall score.

SECTION 7. A committee shall be formed to develop promotional qualification requirements for Fire Lieutenant and Fire Captain. This six-member committee shall consist of one Fire Captain and one Lieutenant, one selected by the Union, and one Fire Captain and one Lieutenant, one selected by the Fire Chief or designee; one representative of the Fire Chief's Management Team; and one representative from

Human Resources. The Committee's purpose is to develop and present promotional qualifications for approval by the Fire Chief.

SECTION 8. When changing promotional requirements the City must give a minimum of 2 years prior notice to said change or changes.

SECTION 9. Review of testing material

Following the testing, all test participants shall be provided the opportunity to review their test, the scoring and all answers and worksheet materials utilized during the testing to determine areas in which they might need improvement. It is understood that the participant shall not be permitted to copy or photograph the materials and may not take notes during the review. Additionally it is understood that no test materials shall be permitted to leave the control of the City at any time.

ARTICLE (16)

HEALTH AND LIFE INSURANCE

SECTION 1. The City will make available the same health and life insurance programs on a group basis to bargaining unit employees as are made available to all other non-managerial City employees. The City reserves the right to reduce or increase the benefits payable under coverages, to alter or cease any coverages, to raise or lower any "out-of-pocket" amounts and to raise or lower any deductibles and otherwise determine the coverage to be made available and the premium costs of the same, provided that such benefits, coverages, amounts and deductibles remain the same as those made available to all other non-managerial City employees.

SECTION 2. The insurance programs will be optional to all eligible employees. For those employees electing to participate in the program, the City will make contributions towards the cost of such insurance, in the same amounts as it makes for all other non-managerial City employees. Those employees who elect to participate in the City's group insurance programs will pay a share of the total premium through deductions from payroll, for the cost not paid by the City.

SECTION 3. The Union will be notified of any change in insurance carriers, nature or scope of coverage or amount of coverage and increased amounts to be paid by employees under this Article. The City reserves the right to terminate the group insurance program or any part thereof for all City employees at any time with prior notice to the Union.

SECTION 4. Upon notification by the Union, in its sole discretion, the City shall exclude all bargaining unit employees and Fire Department uniformed retirees from the City's group health and life insurance programs, and will cease deducting employee and retiree insurance premium amounts from compensation checks; the City will, in such event, make contributions towards the cost of such alternative insurance as the Union may designate, in the same amounts as the City contributes for all non-managerial City employees and retirees respectively, for each employee and retiree participating in such alternative insurance. Provided, however, that such notification must be given no less than ninety (90) days prior to the contract renewal date of the City's group health and life insurance programs.

ARTICLE (17)

LIFE INSURANCE BENEFITS

SECTION 1. The City will provide members of the bargaining unit those life insurance and death benefits for survivors as required by Federal and State laws. Additional life insurance may be purchased by members of the bargaining unit, under the City's group policy, with the employee paying the cost and those additional benefits shall be portable after 10 years of service, at the employee's continued expense, upon separation from the City.

SECTION 2. The voluntary life insurance benefit (currently provided by American General) shall be portable, at the employee's continued expense, upon separation from the City. Additionally the life insurance benefits (currently provided by Sun Life) shall be portable, at the employee's continued expense, upon separation from the City provided the employee has vested in the benefit through the completion of 10 years of service with the City prior to separation. No life insurance benefit shall be portable for employees who are terminated.

SECTION 3. Notwithstanding anything contained herein, the City will endeavor to maintain the provisions of this Article but the portability of life insurance benefits shall be subject to the insurance contract between the Life Insurance Company and the City.

ARTICLE (18)

TRAINING

SECTION 1. When employees attend required training, they will be compensated in accordance with the provisions of the Fair Labor Standards Act.

SECTION 2. Training will be deemed to be required only when an employee is given a direct order by the Fire Chief or his/her designee to attend training. Thus, if the City merely advises employees of available training courses and offers to pay all or part of course tuition, but does not order an employee to attend the courses, any employee attending courses will be engaged in voluntary training, and thus will not be engaged in compensable work hours.

ARTICLE (19)

MILEAGE

SECTION 1. Employees who are ordered to report to another station after reporting to their regular duty station, and use their personal vehicle for transportation to the other station, will be eligible for mileage reimbursement at the rate as approved by the Florida Department of Management Services for the number of miles driving the most direct and shortest route from their regular duty station to the other assigned station. This rate changes from time to time, and it is agreed that it shall be changed as may be necessary during the term of this Agreement without collective bargaining on the subject.

SECTION 2. Mileage will not be paid for the trip from the employee's home to the employee's assigned place of duty, or from the assigned place of duty to the employee's home.

ARTICLE (20)

UNIFORMS

SECTION 1. Bargaining Unit members will be allowed to select any number or arrangement of uniform articles from a menu of department approved items, up to an allowed amount of \$ 350.00 per fiscal year. The City agrees to continue its practice of furnishing uniforms for newly-hired bargaining unit employees to include three (3) dress shirts, three (3) uniform pants and four (4) tee-shirts and shoes and a jacket.

Except when members are on Building Survey, Home Safety Survey, Lecture and Demonstrations, Station Tours or otherwise meeting the Public in a non-emergency fashion, they will be allowed to wear the uniform t-shirt provided. It shall be the obligation of each employee to maintain such items in good and presentable condition. All Fire Department personnel shall wear currently issued uniforms. Obsolete uniform clothing shall not be worn on duty by Fire Department personnel. It shall be the obligation of the City to replace torn or damaged articles as deemed necessary by the Fire Chief or his designee. The selections will be based on their individual needs in order to maintain a complete set of serviceable uniforms. Deviation from the allotment will be at the discretion of the Fire Chief. All Bargaining Unit members will be allowed to begin purchasing dress (Class A) uniform items within their annual allotment.

Any additional costs related to the issuance of plus size uniforms will be borne by the Fire Department. Paramedic and EMT patches are considered optional and the cost associated with these items will be borne by the member.

Collective Bargaining Unit members may substitute items on the approved uniform clothing list for other approved uniform clothing items offered by the same department contract vendor not to exceed the total uniform allowance per employee per year. The type and quality of uniform will be determined by the City.

SECTION 2. Protective clothing and other equipment required by the City to be worn or carried by employees shall be furnished by the City outside the uniform allowance provided for in Section 1 above, the type and quality to be determined by the City. Replacement of protective clothing and equipment will be determined and implemented in the exclusive judgment of the Fire Chief. Protective clothing and other equipment, when provided, must be used. Neglect or failure by an employee to obey safety regulations or to use or maintain the safety equipment furnished by the City shall be basis for disciplinary action.

SECTION 3. No article of clothing or equipment provided for herein shall be utilized during off-duty hours, except as authorized by the Fire Chief or his designee.

ARTICLE (21)

PERSONNEL FILES

SECTION 1. An employee has the right to examine his or her own personnel file in the presence of the Chief Human Resource Officer or his/her designee. Employees are responsible for providing any document such as birth certificates or records of educational courses completed which should be part of their personnel files.

SECTION 2. Disciplinary documents, such as letters of reprimand, counseling letters, suspensions and fines, and performance related correspondence such as performance appraisals and letters of correction and commendation, shall be read and signed by the employee. Employee signatures on such documents do not imply agreement with the document; rather, it is simply an acknowledgment of the document in the employee's personnel file.

SECTION 3. The employee is responsible for providing current address and telephone information to the Fire Department.

ARTICLE (22)

WATCH EXCHANGE

The City retains the right to determine and modify organizational structure; to select, direct, transfer, assign and determine the personnel for each watch and station. However, fire suppression employees may exchange watches on a voluntary basis, with the watches to be "repaid" within one year, provided that a minimum of 48 hours prior notice is given. A swapped watch shall count as time worked for the individual normally scheduled for the watch, rather than for the individual who actually works the watch, as provided under the Fair Labor Standards Act. There will be no voluntary exchange of shifts by bargaining unit employees without express permission of the Fire Chief or his designee.

ARTICLE (23)

WORKER'S COMPENSATION

The City will provide bargaining unit employees Worker's Compensation benefits under the conditions set forth in the City's Human Resources Manual in effect on the date of the ratification of this agreement and modified in accordance with the State Statute, Chapter 440 and/or Florida Administrative Code 69(l).

ARTICLE (24)

MILITARY LEAVE

SECTION 1. Military leave is administered in accordance with State and Federal law and is considered as any leave necessary to fulfill military obligations with a branch of the Armed Forces of the United States. Only branches of the Armed Forces, which are, or usually serve as, combat units are to be considered.

a. Extended Military Leave

Persons will be granted extended military leave will forfeit all employee benefits while on active duty, but will be accorded reinstatement or reemployment privileges, as required under and in accordance with Florida Statutes 295.095 and the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

Extended military leave will be granted upon the following conditions:

- (1) The employee has received notification from proper authority to report for active duty with the Armed Forces.
- (2) The official notice of induction, or recall, into active duty, or a verified copy of same, must be presented to the Human Resources Division within five (5) days of receipt by the employee. A record of this notice is to be recorded in the employee's file.
- (3) Upon honorable completion of military obligations, former employees must present their request in writing to the Chief Human Resources Officer within one (1) year of the date of separation from military service to be eligible for reemployment benefits.
- (4) Upon resumption of active employment with the City of Pensacola, the employee will be given credit for acceptable service performed prior to entering the military for seniority purposes, and for pension purposes when the pension law is complied with. Time spent on extended military duty shall count, without loss of personal time off leave, pay, time, or efficiency rating, except in the case of pensions whereby authorized. Said employee shall be given benefit of any range increases granted for the position vacated during military absence.
- (5) Employees on extended military leave are entitled to two hundred forty (240) hours at full pay in any one annual calendar period. In addition, per each military activation the City will:
 - (a) Supplement the employee's military salary to the extent that will equal the amount earned at the time they were called to active duty. The supplement would continue for a period up to six months.

(b) Continue all other employee benefits such as time accrual for purposes of personal time off leave, annual increments, and pensions; insurance and deferred compensation, provided the employee maintains his or her contributions as previously arranged. Benefits would continue for a period up to six months.

b. Military Leave for Training Purposes (1) Section (1) of Florida Statute 115.07 requires the City to grant leaves of absence to City employees who are commissioned reserve officers or reserve enlisted personnel in the United States military or naval service or members of the National Guard without loss of vacation leave, pay, time, or efficiency rating. This leave is required on all days during which the City employee is engaged in training ordered under the provisions of the United States military or naval training regulations regardless of whether they are assigned to active or inactive duty.

(2) Florida Statute 115.07 gives a maximum period of two hundred forty (240) hours in any one annual calendar year period for this type of leave of absence. Administrative leaves of absence of periods in excess of two hundred forty (240) hours are to be without pay.

(3) Employees requesting leave under these provisions must submit a verified copy of their notification for duty with completed Personnel Leave (PF-301) or (PF 300), to the Fire Chief or designee at least two (2) weeks in advance.

The City reserves the right to amend provisions of this policy, provided that such provisions remain the same as those available to all other non-managerial City employees.

ARTICLE (25)

FUNERAL LEAVE

SECTION 1. In the event of a death in the employee's immediate family, which is defined as spouse, parents, step-parents, children, step-children, brothers, sisters, step-brothers, stepsisters, mother-in-law, father-in-law, grandparents, grandchildren, brother-in-law, sister-in-law, aunt or uncle of the employee and of their spouse, or City of Pensacola, Florida Domestic Partnership Registry registered domestic partner of the employee, the employee shall be granted funeral leave. For the purposes of this section, registered domestic partner shall be defined as someone with whom the employee has maintained a strong familial relationship and with whom the employee has cohabitated for a period of five or more years and who is on the City of Pensacola, Florida Domestic Partnership Registry.

SECTION 2. Fire suppression employees may be allowed thirty-six (36) consecutively scheduled hours; fire prevention employees may be allowed three (3) eight hour consecutive calendar days of leave.

SECTION 3. Funeral leave shall be compensated at the straight-time rate of pay for each hour the employee would have worked had the employee not been absent on such leave. The Employer may request verification of the death.

The City recognizes that the above policy does not cover every situation and that the days provided will not necessarily always be sufficient. For this reason employees may, with the approval of the Fire Chief or his/her designee use PTO leave to supplement the funeral leave policy.

ARTICLE (26)

INCENTIVE PROGRAM

SECTION 1. Educational salary incentive compensation for firefighters shall be paid from the general fund of the City.

SECTION 2. Educational salary incentive compensation for firefighters shall be paid only to those uniformed active firefighters, and not to fire pensioners.

SECTION 3. The Fire Incentive Program shall be managed per the Fire Incentive Policy as established and maintained by the Human Resources Division upon the abolishment of the Fire Incentive Board by City Council on August 11, 2016.

SECTION 4. Any unit member at the rank of Professional Firefighter or higher may receive up to one hundred thirty dollars (\$130.00) monthly through the education salary incentive program as follows:

(1) Basic certifications.

- a. Twenty-five dollars (\$25.00) monthly allowance payable after one year on the job and full certification.
- b. Certification indicates that the individual has successfully completed the state requirements for fire as delineated by the Florida Firefighters Standards and Training Council.

(2) Career development.

- a. Twenty dollars (\$20.00) monthly allowance payable for each eighty (80) hours completed of approved courses.
- b. Career development is defined as courses that may be taken which are generally not considered purely academic in nature. The amount indicated does not include the basic twenty-five dollars (\$25.00) monthly allowance for basic certification.
- c. There are three (3) levels within the career development track:
 1. Level I. The maximum any Professional Firefighter or Lieutenant (with certification) may obtain by completing the approved courses is forty dollars (\$40.00) monthly; provided, further, that he has never been listed on the roster for promotion within the Fire Department of the City.

2. Level II. The maximum any Professional Firefighter or Lieutenant may obtain by completing the approved courses is sixty dollars (\$60.00) monthly; provided further that he has become eligible and has appeared on the roster for Fire Lieutenant, Engineer or above within the Fire Department of the City and has completed approved management courses. Successful completion of management courses without being on or having appeared on the City's roster for appointment to Fire Lieutenant or above will not qualify an individual for this level.

3. Level III. Maximum allowed for Lieutenant or above who has completed approved management courses is eighty dollars (\$80.00) monthly.

(3) Academic development.

a. Academic development denotes the amount paid for an approved associate's degree, bachelor's degree or equivalent. No payment is made if an applicant is hired with one of these degrees until one full year on the job. No payment is allowed until the degree is completed or sixty (60) approved equivalent semester hours are accumulated and presented for certification to the fire education incentive board. The amount indicated does not include the basic twenty-five dollars (\$25.00) monthly allowance for basic certification.

b. Thirty dollars (\$30.00) monthly allowance payable for approved A.A. or A.S. degree, or sixty (60) equivalent and approved hours.

c. Eighty dollars (\$80.00) monthly allowance payable for approved B.A. or B.S. degree. The eighty dollars (\$80.00) is inclusive of the thirty dollars (\$30.00) previously described under subsection (3) b herein.

SECTION 5. The most payable monthly under academic development without any career development courses is:

(1) Associate's degree or equivalent, thirty dollars (\$30.00) plus twenty-five dollars (\$25.00) equals fifty-five dollars (\$55.00).

(2) Bachelor's or higher degree, eighty dollars (\$80.00) plus twenty-five dollars (\$25.00) equals one hundred five dollars (\$105.00). The eighty dollars (\$80.00) is inclusive of the thirty dollars (\$30.00) paid for the associate's degree or equivalent.

SECTION 6. The maximum monthly payment is one hundred thirty dollars (\$130.00). This can only be achieved after one full year of service to the City within the Fire Department as a uniformed firefighter, state recognized certification as a firefighter and a combination of career development courses as approved by the fire education incentive board, and at least a two-year college degree.

SECTION 7. Any compensation provided for pursuant to this Article shall be offset by the amount of any supplemental compensation received from the state pursuant to F.S. section 633.382.

ARTICLE (27)

LEGAL COUNSEL

The defense of civil actions against bargaining unit employees shall be governed by the provisions of Florida Statutes 111.07 and 111.071.

ARTICLE (28)

OUTSIDE EMPLOYMENT

Employees covered by this Agreement may, upon prior written application and approval by the City Administrator or his/her designee accept outside employment, provided that no such outside employment conflicts with the employees' duties as may be assigned and required from time to time by the Employer, interferes with the availability of the employee for such duties, and does not constitute a conflict of interest. Continued efforts by the City to cooperate with employees in permitting outside employment will not be construed as a waiver of the City's right to require unscheduled overtime and to require that its employees be available for emergency services and other required duties during off-duty hours.

Employees currently engaged in outside employment shall report such employment to the City Administrator within thirty (30) days of the effective date of this Agreement.

Disputes concerning approval or disapproval of outside employment shall be subject to the grievance/arbitration procedure.

ARTICLE (29)

COURT APPEARANCES

An employee required as the result of the work they have performed for the Employer to appear in court, at a deposition, or at any hearing, shall be compensated for the time necessary for such appearance as if such time were time worked under this Agreement.

ARTICLE (30)

ACCOMMODATIONS AND MAINTENANCE

SECTION 1. The City reserves the right to determine the accommodations they will provide at each station, including but not limited to kitchen supplies, telephones, cooking equipment, laundering equipment, television, radios.

SECTION 2. Common Mess

All stations meals will be conducted under a common mess with contributions by each employee on a shift, even if the employee chooses not to eat the meal.

The City shall not be responsible to collect contributions or contribute to the meal arrangements.

ARTICLE (31)

UNION BUSINESS

SECTION 1. The Union, and all employees covered by this Agreement, shall comply with the requirements and prohibitions of Section 447.509, Florida Statutes, and Section 9-4-3 of the City of Pensacola Code.

SECTION 2. The Union, and all employees covered by this Agreement, agree to comply strictly with the requirements of Chapter 496, Florida Statutes.

ARTICLE (32)

BULLETIN BOARDS

SECTION 1. The City agrees to provide space for the Union to erect, at the Union's expense, one bulletin board, not to exceed thirty-six inches (36") by thirty-six inches (36"), at each station. The location of each bulletin board shall be approved by the Fire Chief or his designee. The Union shall be responsible for purchasing and erecting boards.

SECTION 2. These bulletin boards shall be used for posting Union notices, but restricted to:

- a. Notices of Union recreational or social affairs
- b. Notices of Union elections and results of such elections
- c. Notices of Union meetings
- d. Notices of Union appointments and other official Union business
- e. Minutes of Union meetings

All costs incidental to preparing and posting of Union materials shall be borne by the Union. The Union is responsible for posting and removing approved material on designated bulletin boards and maintaining such bulletin boards in an orderly condition.

ARTICLE (33)

LAYOFFS AND RECALLS

SECTION 1. The Employer may lay off employees whenever, in its sole discretion, it determines a reduction in workforce to be in the best interests of the City. The City will certify the number of excess employees and classes/ranks to be reduced and/or eliminated.

SECTION 2. For the purposes of this article, reductions and layoffs will be determined by statutory requirement (i.e. veteran preference in retention) and by seniority. The employee standing lowest within the class or rank to be eliminated will be the first reduced in rank. This method of reduction continues until the certified number of employees in the lowest rank has been discharged. When employees have equal seniority within the rank, seniority will next be determined by the length of the employee's continuous service in the Fire Department as shown in the employer's records. An employee's length of service for these purposes is deemed continuous while on leave due to illness, accident, or a status protected by law, such as military service.

SECTION 3. Employees who have been laid off are responsible for maintaining up-to-date information on file with the City, including the address to which a return-to-work notice would be sent.

SECTION 4. Employees will be recalled based on seniority as described above. By certified letter to the address on file, the City will notify a recalled employee at least three (3) weeks prior to the date the individual is to report to work. The recalled employee must respond within three (3) days of notification. The employee may be required to update personal information and to complete an employment screening process to ensure he or she is qualified to return to work.

SECTION 5. Any recalled employee who fails to respond within three (3) days after notification, or fails to comply with these conditions, or fails without an excuse the City regards as reasonable to report for work, shall be considered to have abandoned his/her position.

ARTICLE (34)

HOLIDAYS

SECTION 1. Personal Holidays

Employees will receive two twenty four (24) hour days, of personal holiday time per year. At least one 24 hour personal holiday must be taken prior to July 1st of each year. If this day is not taken, then the day will be forfeited. These personal holidays may be taken up to but no later than December 31st of each year. Approval must be granted by the Fire Chief or his/her designee. Such approval shall not be unreasonably withheld.

However, in the first year of employment individuals who start working during the month of January, February and March will receive two personal holidays; those hired from April 1st through September 30th will receive one personal holiday; and those hired from October 1st through December 31st will not receive any personal holidays until January of the following year.

SECTION 2. Holiday Pay

Effective upon ratification of this Agreement, all bargaining unit members shall be paid twelve (12) hours holiday pay at the overtime rate of time-and-one-half their regular rate of pay for New Year's Day; Martin Luther King Jr. Day, Memorial Day; July 4th; Labor Day; Veteran's Day; Thanksgiving Day, the Day After Thanksgiving; and Christmas Day.

SECTION 3. Anniversary Personal Holiday (PH)

Employees shall receive 24 hours of anniversary holiday personal leave for the completion of each five years of service to the City during their career. Anniversary PH hours shall be awarded in the employee's fifth year anniversary month. Anniversary PH hours must be used within 12 months of being earned.

ARTICLE (35)

VACATION SCHEDULE

ANNUAL SELECTION

SECTION 1. Each month will be segmented into two vacation periods, each containing six vacation slots being five shifts in length (approximately two weeks). There may be two (2) Fire Captains, or two (2) Fire Lieutenants or one (1) of each rank; and two (2) Lieutenants or two (2) Firefighters per watch on vacation during each vacation slot at the same time.

SECTION 2. The selection process will be as follows: Employees within each watch will choose their first vacation by rank. Fire Captains, will choose by seniority in rank, followed by Lieutenants and then Professional Firefighters. Within each rank, selection will be made by seniority in rank. Fire Captains and Fire Lieutenants on the same watch, stationed at single truck stations, may not choose coinciding vacation slots, except with approval; of the Battalion Chief.

After all employees have made their first selection, employees shall choose their second and third vacation under the same terms and conditions of the first selection.

REMAINING VACATION SELECTION

SECTION 3. After all first, second and third selections have been completed; if there are available remaining open vacation slots of the initial six that were available daily, employees shall be permitted to take PTO as vacation leave on a day-by-day and first-come, first-approved basis with approval of the Battalion Chief provided the request is made to the Battalion Chief not later than 7:00am the morning of the shift for which the employee requests to utilize the leave.

For purposes of this Article, employees on other forms of leave (i.e. funeral leave, administrative leave, union leave, pension school leave, PTO as sick leave, personal holiday, anniversary personal holiday, special assignment, workers compensation leave, military leave or, leave of absence etc.) shall not be counted against the six available daily slots that are available for bargaining unit members to utilize PTO as vacation.

ARTICLE (36)

LEAVE PROGRAMS

SECTION 1. Personal Time Off -Leaves of Absence.

Personal time off (PTO) is established for the purpose of providing employees leave for a variety vacation, personal business, illness, medical or dental appointments, and family. It replaces leave formerly known as sick and annual leave.

(1) Employee responsibility.

Employees are required to arrange and obtain prior/advance approval of personal time off leave. In the case of illness, supervisors may consider same day request.

a. In any case of absence on account of illness, an employee may be required by his department to file a doctor's certificate with the city clinic, and all absences due to illness or injury of more than three (3) days' duration shall require the employee to provide a doctor's certificate to the City Clinic stating:

- 1) The nature of illness or injury;
- 2) That the employee was incapacitated for work for the duration of his absence;
- 3) The employee is physically able to return to work and perform his duties;
- 4) That the employee has no contagious disease, which would jeopardize the health of other employees.

b. If an employee is habitually or chronically absent, a supervisor may require medical evidence to be provided to the City Clinic concerning any illness or injury beginning with the first day of absence.

c. If an employee is absent and an excuse is felt necessary, the Fire Chief or designee may request the City Nurse to verify the reason for absence.

(2) Record keeping.

No employee will be granted personal time off leave unless the time requested has already accrued prior to the leave period. Personal time off leave request shall be for a period of not less than one (1) hour and shall be in increments of not less than one (1) hour.

(3) Accrual of time.

Employees covered by this agreement will be credited thirty eight (38) hours personal time off for each month of service.

(4) Separation from service.

Employees who are separated from the service of the city in good standing by retirement, resignation, or layoff shall be paid the balance of their accrued PTO, but such pay shall not exceed the maximum of seven hundred twenty (720) hours. In no case shall an employee be paid against whom disciplinary action is being taken or is otherwise leaving city employment not in good standing.

SECTION 2. Leave Sharing Program

A leave sharing program is hereby established for all employees. The City Administrator shall establish the procedure by which the Chief Human Resources Officer shall administer the leave-sharing program. This leave-sharing program shall be administered in keeping with the area practices and within the financial limits as set forth by the council. Unless otherwise provided for by the council or by law, shared personal time off (PTO) leave of more than 30 days shall be considered non-salaried supplement, and shall not be utilized in the calculation of pensions, deferred compensation(s), longevity and other benefits.

a. Scope and Purpose

The leave sharing program will allow employees to donate unused Personal Time Off (PTO) leave to co-workers who are seriously ill or have family members who are ill, and have exhausted their own leave.

This leave-sharing program operating on a case-by-case donation basis encourages employees with unneeded leave to donate leave to employees coping with personal tragedy.

b. Eligibility

The employee requesting donations of leave must have:

- worked for a minimum of six (6) months; and
- exhausted all earned leave.

c. Leave Use

Request for leave can be made for:

- the employee's own serious health condition as defined by the federal Family and Medical Leave Act, or

- the serious health condition of a family member, defined, as spouse, children, stepchildren, parent, stepparent, brothers, sisters, stepbrothers, stepsisters, mother-in-law, father-in-law, grandparents, grandchildren, aunt or uncle.

d. Leave Donation Restrictions

Employees can donate up to half the leave they have available in their PTO and Auxiliary PTO accounts. Employees may receive up to six (6) months maximum of donated leave. Donated leave of more than 30 days will be considered a non-salaried supplement and shall not be utilized in the calculation of pensions, deferred compensation(s), and accrual of time credited to an employee's longevity. The city will continue to pay their portion toward the group insurance plans, social security replacement, and longevity pay. Donated leave is not considered time worked, and the employee receiving the donation will not accrue leave in their PTO account while on donated leave. Donated leave must be submitted in advance for use and cannot be used retroactively.

e. Administration

An employee donating leave must complete a leave transfer form (PF-306) and turn the form into the Chief Human Resources Officer for verification of leave balance. This form will be forwarded to the Financial Services Department for processing. Employees receiving leave will be awarded leave hours based on the "cash value" of the donated leave.

f. Tax Treatment

Employees who donate leave are not subject to any taxes because of their donation. However, employees who receive donated leave are subject to regular income tax and it will be reported as income.

SECTION 3. Leave Accrual

The PTO leave balances for members of the bargaining unit shall be compensated by the City from a maximum accumulation of 720 hours. Hours accumulated above 720 will not be compensated. Hours that are accumulated in excess of 720 hours per year will be transferred to an auxiliary leave account, restricted for FMLA leave use.

ARTICLE (37)

PENSIONS

SECTION 1. The Firefighters' Relief and Pension Fund shall be administered according to State Law and City Ordinance.

SECTION 2. Firefighters' Relief and Pension Fund Changes:

The Union agrees to cooperate with the City of Pensacola in making the following changes to the existing Firefighters' Relief and Pension Fund provisions as soon as practical:

OT TOWARDS PENSION:

- 300 hours of annual OT will remain pensionable for those employees vested as of June 10, 2015.
- 200 hours of annual OT will be pensionable for those employed but NOT vested as of June 10, 2015.
- 0 hours of annual OT will be pensionable for those employees HIRED AFTER June 10, 2015.
- All of these pensionable OT caps DO NOT include OTA.

CALCULATION OF FINAL COMPENSATION FOR PENSION

- Those employees with 20 years or more of service as of June 10, 2015 continue with calculations of average final compensation based on best 2 out of the last 5 years.
- Those with less than 20 years of service as of June 10, 2015 will have their average final compensation for pension calculated based on best 5 out of the last 5 years.

CITY DROP PROGRAM

For purposes of this article only:

- Those employees in the DROP or entering the DROP on or before June 10, 2015 will continue to receive status quo.
- Those employees who enter the DROP AFTER June 10, 2015 will receive a 1.3% guaranteed rate of return on their DROP monies BUT will NOT receive COLA on their DROP funds / pension while participating in the DROP.

COLA FOR FUTURE RETIREES

Those employees participating in the DROP on or BEFORE June 10, 2015 will continue to receive status quo with respect to COLA adjustments on post-DROP retirement benefits.

- Those employees entering the DROP AFTER June 10, 2015 will be eligible to receive UP TO a maximum 2% annual COLA on their post-DROP retirement benefits (using the same formula that has always been used)
- Employees hired AFTER June 10, 2015 will be eligible to receive UP TO a maximum 1.25% COLA on their post-DROP retirement benefits (using the same formula that has always been used.)

SPOUSAL BENEFIT & SOCIAL SECURITY REPLACEMENT

- All employees HIRED BEFORE June 10, 2015 will continue to receive the spousal benefits as currently provided for in the plan documents.
- Those employees hired AFTER June 10, 2015 will be eligible for a spousal benefit in the same manner that spousal benefits are available to Florida Retirement System (FRS) participants. However, those employees Hired AFTER the date of the pension changes will also be offered a social security replacement plan commensurate with the Plan provided to the City's Police Officers.

PENSION CONTRIBUTIONS

- Pension contributions for ALL employee, including those hired in the future will remain at 11%.

MILITARY BUY BACK

- The City will continue to offer an actuarially determined cost-neutral Military Buy-Back Plan that is commensurate with the Plan offered to the City's Police Officers.

All other portions of the existing Chapter 175 pension plan shall remain unchanged.

SECTION 3. The Officers of Local 707 will cooperate with the City's representatives in meeting with members of the Legislative Delegation in an effort to get the above provisions approved by the State Legislature during the 2018 State of Florida Legislative Session. This cooperation may include meetings with elected officials at their offices in and around Pensacola, meetings with elected officials at their offices in Tallahassee, drafting letters of support and seeking the assistance of Officers of the Florida Professional Firefighters in getting the necessary legislation passed during the 2018 Legislative Session.

SECTION 4. Pursuant to Florida Statute 175.351 the Firefighters; Relief and Pension Plan will provide for a 401 Deferred Contribution Plan with the Firefighters' Relief and Pension Plan. Pursuant to Florida Statute 175.351 mutual consent is required for deviations from the default rules on the uses of premium tax revenues. The Firefighters' Relief and Pension Plan states the following use of the insurance proceeds in Article VI Section 4(b). "By the net proceeds of the 1.85-percent excise or license tax levied and collected under the authority of chapter 19112, Laws of Florida, 1939, as amended, which may be imposed by the City of Pensacola upon certain insurance companies or other insurers against loss by fire and tornado on their gross receipts of premiums from holders of policies, which policies cover property within the corporation limits of such municipality, or any additional amount that may hereafter be levied and collected. This revenue shall be used first to fund the cost-of-living adjustment provision, then the benefit for seventy-five (75) percent of compensation with twenty five (25) years of service on normal pension benefits, and then any remaining amount shall be used for the remaining benefits of the plan. If the receipt of this money is not sufficient to pay all benefits of the plan, nevertheless, all benefits of the plan shall be paid." As a part of the contract both parties mutually consent to the use of insurance proceeds and any accumulated insurance proceeds balance (reflected in the Firefighters' Relief and Pension Plan actuarial valuation) as stated in this paragraph.

ARTICLE (38)

SECTION 125 PLANS

SECTION 1. The City will make available a Section 125 plan on a group basis to bargaining unit employees to the same degree that such a plan is provided to other non-managerial City employees.

SECTION 2. The City reserves the right to terminate or alter provisions of the Section 125 plan or any part thereof for unit members on the same terms as all other City employees, but agrees to provide the Union notice and an opportunity for the Union to request and participate in impact bargaining before the change is made.

SECTION 3. The wages of employees for pension contributions and pension benefit purposes will be based on the gross wages, before the Section 125 redirection.

SECTION 4. Nothing herein, or in the Section 125 plan, except requirements established by the Internal Revenue Service governing the administration of such plans, shall affect the provisions for Health and Life Insurance under Article XV.

SECTION 5. If the City implements a Retirement Health Savings Plan during the life of this contract the collective bargaining members will be eligible at implementation date.

ARTICLE (39)

DEFERRED COMPENSATION

SECTION 1. Bargaining unit members will be eligible to participate in the deferred compensation program, as established under Article IV Deferred Compensation Plan, Division 1. "For Non-Social Security Participants employed since January 1, 1960" of the Pensacola Code, as it conforms to Section 457 of the U.S. Internal Revenue Code, provided that the City will make no contributions to the deferred compensation account of any employee participating under this plan.

SECTION 2. Any employee under this collective bargaining agreement will be allowed to enter the plan at each annual enrollment period.

ARTICLE (40)

BENEFIT MEETINGS

SECTION 1. Upon request of the Union, representatives of the Human Resource Division will have the opportunity to meet with bargaining unit members to explain to them the provisions of the benefit programs adopted by this bargaining agreement. The times and places for these presentations will be scheduled in coordination with the Fire Chief during scheduled work hours.

ARTICLE (41)

FAMILY LEAVE

The City will comply with the Family Medical Leave Act. The Fire Chief will work closely with the Chief Human Resources Officer, on a case-by-case basis, to determine if a reasonable amount of additional time beyond FMLA benefits is justified to allow the employee to return to full duty work.

ARTICLE (42)

MINIMUM STAFFING

SECTION 1. MINIMUM STAFFING – The City agrees to maintain the following minimum levels of daily staffing in the fire department:

A. 5 Engines each staffed as follows:

1 Captain or Acting Captain

1 Lieutenant or Acting Lieutenant

1 Firefighter

B. 1 Engine (Engine 4) staffed as follows:

1 Captain or Acting Captain

1 Lieutenant or Acting Lieutenant

2 Firefighters

C. 2 Ladders each staffed as follows:

1 Captain or Acting Captain

1 Lieutenant or Acting Lieutenant

1 Firefighter

In addition, the City shall maintain one Battalion Chief and two full time professional fire personnel for a total of twenty-eight (28) full-time personnel to be staffed each day.

Apparatus staffing levels may be temporarily reduced during times when an Engine or Ladder is placed out of service temporarily for maintenance or training and shift personnel may be temporarily reassigned or deployed in other response capacities for special events, marine/water emergencies etc. provided these periods of time do not exceed four (4) hours.

SECTION 3. HAND-HELD RADIOS

The City agrees to provide each on-duty Firefighter, Lieutenant and Captain a hand-held radio while on duty with the City.

SECTION 4. SUNSET PROVISION

Notwithstanding Section 2 of Article 53, this Article 42 will expire on September 30, 2020, which is the end of the term of this collective bargaining agreement as defined in Article 53, Section 1 herein.

ARTICLE (43)

IAFF ACTIVITIES

The Employer will grant two hundred (200) hours annually for use as IAFF Pool Time. Members of the bargaining team may arrange swaps for any hours above the 200 hours. This time shall be used for the purpose of attending or handling a grievance meeting, negotiating session, arbitration, or attendance at IAFF functions. Approval of such time shall be authorized by the IAFF President, Vice-President, Treasurer, or Secretary. Time will be charged in increments of one (1) hour. The IAFF may rollover not more than a total of two hundred (200) unused hours to subsequent contract. Employees receiving leave will be awarded leave hours based on the "cash value" of the donated leave.

ARTICLE (44)

PRINTING OF AGREEMENT

The City will furnish one (1) copy of the final signed and fully executed agreement following ratification by the City Council to the Union.

ARTICLE (45)

ANNUAL MEETING

The Union Executive Board shall meet on an annual basis for a maximum of one (1) hour, during the first 10 days of August each year with the City Administrator and the Chief Human Resources Officer to discuss issues that may benefit both the City and the collective bargaining unit.

ARTICLE (46)

EMPLOYMENT OF RELATIVES

The purpose of this policy is to allow all candidates an equal opportunity for employment and advancement with the City of Pensacola, while prohibiting favoritism and avoiding conflicts of interest regarding relatives of employees.

Definition:

Relatives are defined as: father, mother, son, daughter, brother, sister, uncle, aunt, grandparent, grandchild, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half-brother, half-sister or registered domestic partner and their family as defined in Article 25.

Prohibited Relationships

1. Appointing authorities may not appoint, employ, promote, transfer, or advance any relative in or to a position where the appointing authority exercises jurisdiction or control.
2. The appointment, employment, promotion, advancement, or transfer of a relative into any division, activity, or section is prohibited if the action creates a relationship where a relative would supervise (directly or indirectly), make or influence personnel decisions concerning a relative, or creates a conflict of interest or the appearance of a conflict of interest. Prior to relatives being employed in the same career ladder or series, one must be enrolled in the city's Deferred Retirement Option Plan (DROP).

This rule does not prohibit continued employment of employees becoming relatives by marriage while working in the same division, activity, or section, so long as a prohibited relationship is not created.

Appointment, employment, promotion, advancement, or transfer of relatives within a division, activity, or section must be specifically authorized by the City Administrator.

ARTICLE (47)

DRUG FREE WORKPLACE

Members of the collective bargaining unit agree to be active participants in the City's drug-free workplace program and comply with the drug-free workplace policy. The Employer's policy is to employ a workforce free from the use of illegal drugs either on or off the job, and free from alcohol in the workplace. Any employee determined to be in violation of this policy is subject to disciplinary action up to and including termination, even for the first offense. It is a Standard of Conduct of the Employees of this Employer that employees shall not use illegal drugs or abuse legal ones. In order to maintain this standard, the Employer shall establish and maintain the programs and rules set forth here.

Testing to be included in this provision includes the following situations:

1. Pre-hire testing of all new safety sensitive employees.
2. Testing of active safety sensitive employees randomly as directed by the City Clinic. Lists are to be produced monthly and shall include all "certified" personnel in the fire department from the rank of Fire Chief and below. Lists will be generated and managed through the City's third party testing center. Random lists are not to include more than 5% of the total number of active participants in the fire department at the time of the list generation.
3. Routine fitness for duty tests as directed by the City Clinic.
4. Reasonable suspicion testing in accordance with the City's Drug Free Workplace policy in effect on the date of ratification of this agreement.
5. Post-accident. Any employee of the collective bargaining unit involved in an accident while at work. This includes both accidents that result in personal injury as well as any accidents that occur while the employee is driving a City vehicle. The employee should contact their supervisor or the City Clinic immediately following an accident to make sure required alcohol and drug testing procedures are followed.
6. Return-to-duty and follow-up testing in accordance with the City's Drug Free Workplace Policy.

Applicants and/or Employees who are directed by the City Clinic staff or supervisor to report to the Clinic or an approved collection facility for a drug/alcohol test and refuse to take a drug or alcohol test may result in a refusal to hire and/or termination; the employee forfeiting his or her eligibility for medical or indemnity benefits under State Worker's Compensation; and is cause for disciplinary action up to, and including, dismissal of the employee which may also cause denial of Unemployment Compensation.

It is the Employer's policy that an employee found with the presence of illegal drugs and/or alcohol in his/her system, in possession of, using, selling, trading, or offering for sale illegal drugs during working hours, at government functions, or on City premises (including parking lots) may be subject to disciplinary action up to and including discharge. The use of any over the counter products that contain illegal drugs is expressly prohibited. Anyone observing a violation of this policy must report it to his or her immediate supervisor, and that violation be reported to the Department Administrator.

Drugs prescribed by the employee's physician may be taken during work hours. The employee should notify the supervisor if the use of properly prescribed medication will affect the employee's work performance. Abuse of prescription drugs will not be tolerated.

As a condition of employment, employees must abide by the terms of this policy and must notify the Employer in writing of any conviction of a violation of a criminal drug statute immediately and/or as soon as possible based on the factors involved in the situation but to be reported PRIOR to the employee returning to work.

All provisions contained in the City's Drug Free Workplace and Vehicle Use Policies (in effect on the date of the ratification of this Agreement) are incorporated in this Article unless specifically addressed herein.

ARTICLE (48)

SAFETY COMMITTEE

The City agrees to the formation of safety committees which will conform to the requirements of Chapter 633, Florida Statutes. The committees will have the following features:

- There will be one safety committee, composed of members appointed by the Battalion Chief of each watch and a fourth member appointed by the Union.
- The function of the safety committee will be in conformance with the rules and regulation promulgated by the Division of State Marshal.
- The Fire Chief or his designee will confer with the safety committee.

ARTICLE (50)

CONTRACT REOPENERS

There shall be no Contract Reopeners during the term of this agreement.

ARTICLE (51)

EDUCATIONAL REIMBURSEMENT PROGRAM

SECTION 1. PURPOSE

The educational reimbursement program encourages personal development through formal education so that employees can maintain and improve job related skills or enhance their ability to compete for reasonably attainable jobs within the City of Pensacola. Individual courses that are part of a degree, licensing, or certification program must be related to the employees current job duties or a foreseeable future position. The City of Pensacola will reimburse employees for the costs of obtaining undergraduate or graduate degrees in accordance with the provisions of this policy. Employees should contact Human Resources for more information about educational reimbursement.

SECTION 2. FUNDING LIMITS

The City shall provide bargaining unit members with a pool of money available for educational reimbursement (in accordance with this policy) that shall be capped at \$ 20,000 per fiscal year. It is understood that these funds will be available on a first come, first serve basis and there shall be no reimbursement for that fiscal year after the annual \$ 20,000 funding has been exhausted for that year.

Reimbursement will be available during each fiscal year for courses that have a COMPLETION date between October 1st and the following September 30th for that fiscal year. There shall be NO reimbursement for any courses that had a completion date prior to October 1, 2014.

SECTION 3. APPLICATION

Employees seeking educational reimbursement for completion of a certification course that is listed on the pre-authorized list must submit a copy of his or her final grades/certificate of completion within forty-five (45) days of completion of the course, to the Fire Chief or designee to be forwarded to the Chief Human Resources Officer for final review and payment. The employee also must submit a receipt issued by the educational organization indicating the class has been paid in full and there is a zero balance due. The employee is responsible for ensuring there is money available from the annual reimbursement allotment. Employees participating in pre-authorized training courses both acknowledge and understand that they will not be reimbursed for courses beyond the allotment of funding establish for the education reimbursement benefit. The pre-authorized list of eligible courses will be mutually agreed upon by City management and the union. Courses will not be added or removed without mutual consent of the Chief Human Resources Officer, the Fire Chief, and the union president.

Employees requesting educational reimbursement for courses not listed on the pre-authorized list must, prior to registration, submit an application for reimbursement on the Application for Education Benefits Form (PF-202), to the Fire Chief or designee for approval prior to class registration. Each course must be part of a curriculum related to an employee's present position with the City or a

reasonable promotional objective as determined by the Chief Human Resources Officer. Once this determination has been made, then the approved request form (PF 202) will be submitted by the Fire Chief or designee to the Human Resources Division, before course registration commences.

In order to receive reimbursement, an employee must submit a copy of his or her final grades within forty-five (45) days of completion of the course, to the Fire Chief or designee to be forwarded to the Chief Human Resources Officer for final review and payment. The employee also must submit a receipt issued by the educational organization indicating the class has been paid for and there is a zero balance due.

When an employee has received advance approval for education reimbursement, following the receipt of grades at the end of a course, the employee must have achieved a grade of "C" or better; however, an employee will not receive reimbursement by the City for any course for which the employee has also received reimbursement or payment from any other source.

The City encourages all employees to utilize courses offered by the University of West Florida or Pensacola State College. Approved reimbursement will be made at the prevailing hourly course rate for "in state" students, utilized at the University of West Florida or at Pensacola State College, respectively.

Employees who otherwise meet the educational reimbursement criteria set forth above but who elect to attend a college or university other than the University of West Florida or Pensacola State College may receive reimbursement in an amount not to exceed the higher rate of the University of West Florida or Pensacola State College. If attending a college or university that allows a deferred payment plan, the employee is responsible for any payment to that institution exceeding the cost set forth in the above criteria. The City will not be responsible for payment to that institution, if the rate exceeds the prevailing "in state" rate of the University of West Florida or Pensacola State College.

SECTION 4. REPAYMENT OBLIGATIONS

Employees seeking to receive educational reimbursement from the City of Pensacola shall accept a contractual employment condition obligating the employee to remain in the employment of the City of Pensacola for a period of six months for each 15 hours of paid reimbursement. This obligation shall be cumulative in nature. Employees who voluntarily sever employment with the City of Pensacola prior to fulfilling the employment obligations set forth above shall reimburse the City of Pensacola for any remaining balance of educational reimbursement, and employees will be obligated to consent to pay such balance from any funds in the possession of or managed by the City of Pensacola before any remaining balances are paid to the terminating employee.

Employees receiving tuition payment for vocational credits such as enrollment in the fire academy are subject to a repayment agreement to be executed by the employee prior to entering into the vocational education program. In the event that such an employee should voluntarily terminate his or her employment with the City within two (2) years of receipt of amount paid by the City to attend the fire academy, the employee shall be contractually responsible for repayment to the City of the cost incurred to attend such school. Employees will be required to consent in advance to allow the

City to recoup such funds from any funds in the possession of or managed by the City of Pensacola prior to the employee receiving the balance of such funds after reimbursement has been made.

SECTION 5. EDUCATIONAL REIMBURSEMENT BENEFITS

Required Courses: The City will reimburse 100% of tuition books, and fees for any employee attaining a "C" grade or better in a course that is required by the City. Upon completion of the course, all books or course material will become property of the City.

Voluntary Job-Related Courses: The City will reimburse 100% of the tuition up to the prevailing in state rates at either Pensacola State College or University of West Florida, only for any employee who voluntarily takes a course which is directly related to their job, and who attains a "C" grade or better in the approved course. The Fire Chief or his designee will be the signing authority on determining if a course is job related, along with review by the Chief Human Resources Officer for reimbursement purposes.

Non-Job Related Courses: The City will reimburse 50% of tuition only for any employee who voluntarily takes a course and who attains a "C" grade or better even though that course is not job related.

High School Diploma: Any employee wishing to obtain their high school diploma or G.E.D. will be reimbursed 100% for any tuition, book or fee expenses they may incur.

Tax Status: All educational reimbursements are subject to income tax laws and regulations as determined by the Internal Revenue Service. Employees may have to report any amounts received under the Educational Reimbursement Plan as taxable income.

ARTICLE 52

ENTIRE AGREEMENT

SECTION 1. This Agreement constitutes the entire agreement between the City and the Union. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. If, at any time during the term of this Agreement, the parties arrive at any agreement which adds to, deletes, or waives any of the terms of the Agreement it will be reduced to writing and signed by both parties.

SECTION 2. This Contract constitutes the entire agreement and understanding between the parties and shall not be modified, altered, changed or amended in any respect except on mutual agreement set forth in writing and signed by both parties.

ARTICLE 53

TERM OF AGREEMENT

SECTION 1. This Agreement shall be in full force and effect from 12:00 a.m. October 1, 2017 through 11:59 p.m. September 30, 2020.

SECTION 2. With the exception of Article 42 herein, if no new or successor agreement has been reached by September 30, 2020, then this Agreement will stay in effect until a new contract is ratified.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their duly authorized officers and representatives.

FIREFIGHTERS' RELIEF AND PENSION PLAN SPECIAL ACT

RECOMMENDATION:

That City Council authorize the Mayor to send changes to the Firefighters' Relief and Pension Plan Special Act to the State Legislature to comply with the provisions in the collective bargaining agreement with the Pensacola Professional Firefighters International Association of Firefighters (IAFF) Local 707. Further that City Council authorize the Mayor to take all actions necessary to effectuate the changes to the Special Act.

HEARING REQUIRED: No Hearing Required

SUMMARY:

The Pensacola Professional Firefighters International Association of Firefighters (IAFF) Local 707 Collective Bargaining Agreement contained language for mutual consent between the IAFF and the City of Pensacola regarding the use of the State Insurance proceeds which the Firefighters' Relief and Pension Plan receives. Florida Statute Section 175.351 requires that a Defined Contribution Plan be established within the Firefighters' Relief and Pension Plan. Therefore, the Firefighters' Relief and Pension Plan Special Act amendments will need to be sent to the Local Delegation for the addition of the Defined Contribution Plan as required by Florida Statute.

PRESENTATION: No

An act relating to the Firefighters' Relief and Pension Fund of the City of Pensacola, Escambia County: amending chapter 21483, Laws of Florida (1941), as amended; providing for a defined contribution plan as required by Florida Law; providing severability; providing an effective date.

Section 34: Defined Contribution Plan.

- (a) ***Established.*** Pursuant to Section 175.351; Florida Statutes, a defined contribution plan to be entitled "Firefighters' Relief and Pension Fund Defined Contribution Plan" is hereby created. The purpose of this plan is to receive fifty percent (50%) of the excess insurance premium tax revenues over the insurance premium tax revenues received for calendar year 2012. The plan will not be funded if the City and the collective bargaining units come to mutual consent on an alternate use of the funds. The separate defined contribution plan hereby created shall be in addition to any other benefits available to the members under the Firefighters' Relief and Pension Fund and nothing herein shall in any way affect any other benefits that now or hereafter exist.
- (b) Any extra benefits to be provided or on behalf of participants of the Firefighters' Relief and Pension Fund Defined Contribution Plan shall be provided through individual accounts with each participant – directed investments and in accordance with section 401(a) of the Internal Revenue Code and its related regulations.
- (c) The City shall not be required to levy any additional taxes on its residents or to make any other contributions to the defined contribution plan.

SUMMARY:

As part of the U.S. Department of Housing and Urban Development's (HUD) Consolidated Plan process, the City of Pensacola Housing Division, in conjunction with other members of the Escambia Consortium, must prepare an Annual Action Plan each program year to submit to HUD for approval. The FY 2017-2018 Annual Action Plan covers the period October 1, 2017 through September 30, 2018. The Annual Action Plan identifies housing and community development activities and presents the proposed budget for the FY 2017-2018 CDBG funding request. The HOME program activities and budget are presented in the City of Pensacola FY 2017-2018 CDBG and HOME Programs Proposed Budgets and Activities Summary. The approved plan is due to HUD on or before August 15, 2017.

To initiate the 30 day public participation process for preparation of the 2017-2018 Annual Action Plan, a Public Notice was published in the Pensacola News Journal on February 23, 2017 and posted on the City's website. On March 7, 2017 a public meeting was held at the City of Pensacola Housing Division's office. An overview of the Escambia Pensacola Consortium, program funding, public participation process, proposed projects, and planning schedule were presented and discussed.

The proposed Escambia Consortium Annual Action Plan summary was published in the Pensacola News Journal on May 27, 2017 and posted on the City's website allowing for a 14 day comment period. A public hearing was held June 6, 2017 at the City of Pensacola Housing Division's office to receive input regarding the

proposed activities and budgets. Comments were positive and supportive of the proposed activities and budgets.

PRIOR ACTION:

July 14, 2016 - City Council approved the FY 2016-2017 CDBG and HOME Annual Action Plan and budgets.

FUNDING

HOUSING REHABILITATION:

Housing Rehabilitation Loan/Grant Programs

\$419,123*

Funds to repair and/or rehabilitate owner-occupied houses; to provide for structural modifications and the removal of architectural barriers to accommodate the needs of persons with disabilities; to provide for the federally mandated evaluation and control of lead based paint hazards for projects with a house constructed prior to 1978; and to provide for administrative costs of this program and other related housing rehabilitation/repair activities. Funding will provide for the rehabilitation/repair of 15-20 owner occupied housing units. The program is available to low and moderate income persons occupying their homestead residence within the corporate limits of the City of Pensacola. (Pre FY2015 Funds \$150,000)

*All program income from housing rehabilitation loans will be used to rehabilitate and/or repair homeowner occupied units for low and moderate income families located within the corporate limits of the City of Pensacola (estimated program income is \$100,000).

Code Enforcement

\$5,000

Funds to provide code enforcement within the CDBG target area where such enforcement, together with public or private improvements, rehabilitation, or services to be provided, may be expected to arrest the decline of the area. Code enforcement will be conducted within targeted low and moderate income areas within the CDBG Target Area.

Demolition and Clearance of Unsafe Structures

\$12,182

Funds to provide direct assistance, to income eligible property owners, with the elimination of dilapidated, structurally unsound buildings. Funding will be used to address conditions of blight and decay; arrest the decline of property; and support revitalization of depressed neighborhoods. (Pre FY2015 Funds \$30,000)

PUBLIC SERVICES:

Council on Aging of West Florida, Inc. (COA)

\$70,000

Funds will provide approximately 16,000 meals through the Senior Dining Sites and Meals on Wheels Programs to low and moderate income elderly, disabled, and/or handicapped residents residing within the City limits which otherwise would not be available. The Meals on Wheels program delivers nutritionally balanced meals to homebound, functionally impaired adults. The Senior Dining Sites Program provides nutritional meals to eligible adult recipients at five sites located within the City and also an element of socialization and recreation. The five sites are the Fricker Resource Center, E. S. Cobb Resource Center, Bayview Senior Resource Center, Westminster Village, and Council on Aging office. These funds provide direct services. Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

The Annual Action Plan contains a description of resources to be allocated for programmatic activities to address affordable housing and community development needs for low/moderate income families within the jurisdiction for the period October 1, 2017 to September 30, 2018. As indicated throughout the plan, the limited resources of local non-profits and the private and public sector greatly impact the ability to address the unmet needs in the jurisdiction.

As a member of the Escambia Pensacola Consortium, the City works cooperatively with Escambia County to assist residents in attaining decent affordable housing, a suitable living environment, and expanded economic opportunities.

The Plan identifies key community partners that contribute their expertise and assistance to the local jurisdiction to address the needs identified herein.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The major plan activities address the following needs: affordable housing opportunities for both renter and homeowners; community development needs within designated areas and eligible neighborhoods; needs to provide assistance for underserved populations; and opportunities and programs to support self-sufficiency. As evidenced throughout the plan, the need for affordable housing for extremely low, very low, and low/moderate income residents is a pressing issue for the jurisdiction. Housing needs are discussed in depth in Sections AP 20, AP 35, and AP 38.

Community development needs to support reinvestment in the City's redevelopment areas and associated business districts are discussed in Sections AP 20, AP 35, and AP 50. Concentrations of poverty are identified on the western and northwestern jurisdictional boundary between the City and Escambia County. Coordinated efforts will be pursued to provide enhancements to these areas through both public facility and public service activities with the goal of assisting these residents with attaining self-sufficiency.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

Goals were assessed based upon an in depth review of the community's needs as presented in this plan. Specific activity selection was based upon an evaluation of the activity in meeting the needs of the community to address affordable housing and community development shortfalls. Support for the housing rehabilitation program was based upon a review and evaluation of the decades of experience the City has in managing and implementing this program with over 1,000 homeowners having successfully completed participation. Code Enforcement in conjunction with other private and public investments within the designated redevelopment areas has been a successful tool in slowing and, in some cases, abating the continued decline of property in these areas. Public service activities supported in the plan continue to provide much needed assistance to underserved populations within the City including elderly and/or disabled and low/moderate income residents.

The activities presented in the plan will be reviewed annually to determine the viability and success in addressing the needs of low/moderate income residents within the jurisdiction. These activities will be revised to address the changing needs of the community, within funding limitation.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

Citizen participation was achieved through various methods. Multiple public meeting were held in relation to the development of the 2017 - 2018 Annual Action Plan. The City of Pensacola participated in conjunction with Escambia County in all meetings held within Escambia County. In accordance with the guidance issued by the U.S. Department of Housing and Urban Development, the City of Pensacola utilized the waiver and the proposed plan was advertised for 14 days in its draft version for public review. Upon receipt of the jurisdiction's allocation notice, the final plan was advertised for an additional 14 day comment period. Through the process, citizen comments were incorporated where appropriate. No comments were rejected.

A public meeting and public hearing were held March 7, 2017 and June 6, 2017, respectively, where input from community organizations nonprofits and citizens was solicited for preparation of the Annual Action Plan. Due to delays in adopting the federal budget and announcement of grant allocations, the funding levels were presented as estimated amounts and contingency provisions were explained to include that the budgets would be proportionally increased or decreased, in compliance with grant requirements, from the estimated funding levels to match actual allocation amounts.

Local participation has been greatly expanded with the use of local government websites where access to all types of planning documents, budgets, compliance reports, and program implementation summaries are readily available for public review.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

Public comments were received during a public meeting and public hearing. Comments included questions regarding how funds are allocated, assistance for underserved population in the community including a discussion regarding the Emergency Solutions Grant (ESG), projects to support demolition and clearance, programs supporting self-sufficiency education and counseling, elderly and disabled persons, and affordable housing needs.

Additional comments included a discussion regarding continued program funding.

Attendees expressed support for the proposed projects.

6. Summary of comments or views not accepted and the reasons for not accepting them

No comments were rejected.

7. Summary

Activities presented in the Annual Action Plan are generally available to assist low/moderate income families within the jurisdiction by supporting development or rehabilitation of affordable housing, providing suitable living environments, and creating opportunities to achieve and or maintain self-sufficiency.

AP-10 Consultation - 91.100, 91.200(b), 91.215(I)

1. Introduction

Consultation of the plan began in February 2017 and was achieved through a variety of strategies, including public meetings, outreach to other City Departments, and one on one meetings. Efforts were made to contact appropriate parties for input. Local service providers, nonprofits, citizens, and media outlets, were in attendance at the public meetings. Citizen participation was achieved through various methods. A public meeting and a public hearing were held in relation to the development of the 2017 - 2018 Annual Action Plan. The City of Pensacola, as a member of the Escambia - Pensacola Consortium, participated in conjunction with Escambia County in all meetings held within Escambia County. Due to delays in adopting the federal budget and announcement of grant allocations, the funding levels were presented as estimated amounts and contingency provisions were explained to include that the budgets would be proportionally increased or decreased, in compliance with grant requirements, from the estimated funding levels to match actual allocation amounts.

In accordance with guidance issued by U.S. Department of Housing and Urban Development, the City of Pensacola utilized the waiver and the proposed plan was advertised for 14 days in its draft version for public review. Upon receipt of the jurisdiction's allocation notice, the final plan was advertised for an additional 14 day comment period. Through the process, citizen comments were incorporated where appropriate. No comments were rejected.

One public meeting was held March 7, 2017 where input from community organizations nonprofits and citizens was solicited for preparation of the 2017 - 2018 Annual Action Plan. A public hearing was held June 6, 2017 where the proposed Annual Action Plan was presented and public comment was solicited. Additionally, members of the community were invited to attend Homeless Summit workshops hosted by Escambia County.

Citizen participation was achieved through various methods. Multiple public meetings, one on one meetings with citizens, and meetings with the Office of the Mayor and other City Divisions and Departments were held in relation to the development of the 2017 - 2018 Annual Action Plan. The plan was advertised for 14 days in its final version for public review. Through the process, citizen comments were incorporated where appropriate. No comments were rejected.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I)).

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Housing Administrator serves as a board member for the EscaRosa Coalition on the Homeless, which serves as the lead agency for the Continuum of Care (CoC). The Administrator routinely attends board and general Homeless Coalition meetings where the needs in the community are presented and discussed. These discussions regularly lead to the development of programs which then are used to address the needs of this underserved population.

In coordination with the VA, the Housing Division administers 182 HUD – VASH vouchers used to address housing needs of homeless veterans in the community. During July, 2016, the Housing Division made application to HUD for an additional 25 HUD - VASH vouchers which were subsequently awarded.

In support of the CoC, Housing Division staff participated in both the Point In Time County survey and U-Count events.

During February and May, 2017 Escambia County hosted Homeless Summit workshops inviting input from service providers in the community. During the March 7, 2017 public meeting and June 6, 2017 public hearing, the Emergency Solution Grant funding for FY 2017 - 2018 was covered. No changes were recommended regarding the solicitation process for agencies that provide rapid rehousing and homeless prevention services.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction’s area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The Consortium lead, Escambia County, is the recipient of the Emergency Solution Grant (ESG) grant funds. As a member of the Consortium and in cooperation with the CoC, the City participates in discussions regarding allocation of funding, performance standards and evaluation outcomes and the development of funding policies, and procedures for the administration of HMIS.

Expected Resources

AP-15 Expected Resources – 91.420(b), 91.220(c) (1, 2)

Introduction

Community Development Block Grant (CDBG) resources will be utilized to accomplish long range local affordable housing and community development activities for the period October 1, 2017 through September 30, 2018. For Fiscal Year 2017 - 2018, funding will be used to support community development and public service activities within the City to include the following: Housing Rehabilitation for owner occupied single family structures; Code Enforcement in conjunction with other public or private improvements; Demolition/Clearance of Unsafe Structures; Public Services activities including funding to support Council on Aging of West Florida, Inc.'s Meals on Wheels and Senior Dining site programs; Homebuyer and Foreclosure Prevention education and counseling; and grant administration and program management.

Long term funding allocations will continue to be coordinated with Escambia County, the Consortium lead, to assure the maximum benefit within the community as a result of the limited resources made available to support eligible activities from all public, private, and non-profit resources.

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

When eligible, CDBG funds will be used as leverage in conjunction with City general fund allocations, local option sales tax funds, tax increment financing allocations, and other grant resources to complete community development activities, address housing needs, and provide services to meet the needs of City residents.

State funds received as an allocation from Florida Housing Finance Corporation's State Housing Initiatives Partnership program are used by the Consortium as match for the HOME Investment Partnerships Program allocation.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Not applicable.

Discussion

The City, in its 2017-2018 Annual Action Plan and as a member of the Consortium, supports the Consortium's major plan priorities to include the following: rehabilitation of homeowner occupied substandard housing for families with incomes between 0-80% of the local median; promote new construction, homebuyer assistance, and acquisition/rehabilitation activities to support affordable homeownership for families with incomes primarily between 50-80% of median; expand below market rate and subsidized rental assistance for families with incomes between 0-50% of median through acquisition, rehabilitation and/or new construction of units; enhance the availability of rental assistance for very low income families; support development of housing for underserved populations in the community; support reinvestment in distressed neighborhoods; and undertake a variety of targeted public infrastructure, public service, and community development activities primarily for the benefit of lower income residents.

Goal Descriptions

1	Goal Name	Housing Rehabilitation
	Goal Description	Funds provide for the City's Housing Rehabilitation Program and related activities.
2	Goal Name	Code Enforcement
	Goal Description	Provide code enforcement on structures that are deteriorated to a point where such enforcement, together with public or private improvements, rehabilitation, or services to be provided may be expected to arrest the decline of the property. To support revitalization of distressed neighborhoods, provide direct assistance with the elimination of structurally unsound buildings.
3	Goal Name	Public Service: Council on Aging of West Florida,
	Goal Description	Provides direct nutritional services by delivering hot meals to elderly, disabled, and handicapped residents through the COA's Meals on Wheels and Senior Dining Sites Programs. These services would otherwise not be available. Funding provides 1:10 leverage for other critical state and federal funding.
4	Goal Name	Homebuyer and Foreclosure Prevention Counseling
	Goal Description	Provides group and individual counseling and educational opportunities regarding home buying and foreclosure prevention through the City's Homebuyer's Club and Foreclosure Prevention Program.
5	Goal Name	Grant Administration and Management
	Goal Description	Provide funding to ensure proper fiscal and programmatic management of the various activities undertaken with grant funds. Includes personnel services and operational expenses.

Table 7 – Goal Descriptions

Estimate the number of extremely low-income, low-income, and moderate-income families to whom the jurisdiction will provide affordable housing as defined by HOME 91.215(b):

As indicated by HUD's Comprehensive Housing Affordability Strategy (CHAS) 2010-2014 ACS data, there are 22,060 households within the City. 59% of City residents are homeowners and 41% are renters. Of those households, 40% report incomes at or below 80% of area median. The American Community Survey (ACS) 2011-2015 data indicates that 67% of the City's housing stock was built prior to 1979. Almost a third (27%) of low income City residents, households at or below 80% of area median income, has at least one of four housing problems associated with their dwelling. These older homes also present the additional challenge of lead based paint hazards. Much of the older housing stock is located in one of the City's designated redevelopment areas and has been identified as needing rehabilitation.

Within the City, single family detached housing comprises a majority (69%) of the housing stock, while complexes with 10 or more units comprises only 14%. Survey data indicates that 43% of renter households with income at or below 80% of area median are cost burdened. With 41% of the households residing in rental units and the lack of rental complexes, many families are being housed in older single family dwellings.

Due to the age of the housing stock and the need to maintain a supply of affordable housing for both rental and home ownership purposes, this plan supports the need for home ownership assistance, homeowner rehabilitation, and rental assistance programs. As presented in Table 6. Goal Summary, the City plans to assist 15 low income families through the residential rehabilitation program during the 2017 - 2018 plan year. The City, as a member of the Escambia-Pensacola Consortium, will continue to collaborate with the County to address affordable housing needs throughout the community.

The City administers the Section 8 Housing Choice Voucher program county-wide which provides extremely low (30% AMI) and very low (50% AMI) income residents with rental assistance. As a member of the Consortium and through State allocations the City has administered Tenant Based Rental Assistance (TBRA) programs. Most recently through a referral from the lead agency for the CoC, TBRA funding received from the FHFC was used to implement a housing first model for families experiencing homelessness. In coordination with the VA, the City administers 182 HUD-VASH vouchers.

AP-35 Projects - 91.420, 91.220(d)

Introduction

Community Development Block Grant (CDBG) resources will be utilized to accomplish long range local affordable housing and community development activities for the period October 1, 2017 to September 30, 2018. The funding will be used to support community development and public service activities within the City to include the following: Housing Rehabilitation for owner occupied single family structures; Code Enforcement in conjunction with other public or private improvements; Demolition and Clearance of Unsafe Structures to address condition of blight and decay and support revitalization of depressed neighborhoods; Public Service activities including funding to support Council on Aging of West Florida, Inc.'s nutritional service programs; Homebuyer and Foreclosure Prevention education and counseling; and grant administration and program management.

Long term funding allocations will continue to be coordinated with Escambia County, the Consortium lead, to assure the maximum benefit within the community as a result of the limited resources made available to support eligible activities from all public, private, and non-profit resources.

AP-50 Geographic Distribution - 91.420, 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

With the exception of one census tract (Census Tract 6), concentrations of minority families are found along the western boundary of the jurisdiction. Census tract 6 is located in the downtown urban area of the City. Many of these same census tracts have a poverty rate exceeding 30%.

Table 9 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The majority of assistance available under this plan will be targeted toward low income households across the jurisdiction. The need for housing rehabilitation is identified as a strategy in the redevelopment plans. Due to the age of the housing stock within the downtown area and in the adjoining neighborhoods, households with multiple housing problems are scattered throughout these areas. While there may not be a concentration of units in any one area of the City, units requiring some form of repair or rehabilitation can be identified in most neighborhoods throughout the City. Coupled with enhanced code enforcement and demolition/clearance efforts, housing rehabilitation supports the goal of community redevelopment. Public Services, are planned to assist income eligible residents with homeownership and foreclosure prevention counseling and nutritional services for elderly and special needs residents provided by Council on Aging of West Florida, Inc. throughout the jurisdiction.

Discussion

While a specific geographic area is not prioritized within this plan, the City has identified several neighborhoods and associated commercial corridors in need of revitalization to include the Urban Core, Eastside, and Westside neighborhoods. To support, enhance, and leverage ongoing revitalization efforts in those areas, the City's Annual Action Plan allocates resources to these designated areas. Additionally, resources will be used to support eligible activities in income eligible areas of the City predominantly located on the northern and western jurisdictional boundary between Escambia County and the City. It is anticipated that activities may be completed in cooperation with Escambia County since numerous

County community redevelopment areas adjoin the City's boundary to the west and northwest.

It should be noted that needs in the identified areas far outpace the available and projected funding resources.

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

The City plans to undertake projects and activities identified in this plan to address the needs of low/moderate income residents within the jurisdiction. This will be accomplished through continued cooperation with the Consortium lead agency to leverage the limited resources necessary to provide affordable housing, support suitable living environments, and provide economic opportunities throughout the jurisdiction.

Actions planned to address obstacles to meeting underserved needs

The primary obstacle in meeting underserved needs is the lack of sufficient private and public funding. The City will continue to partner with other jurisdictions and agencies to address the jurisdiction's needs and leverage resources. To support reinvestment in the City and its many varied neighborhoods including the urban core and adjoining neighborhoods and other income qualifying areas, revitalization of distressed neighborhoods will be a priority through a host of projects that have been proposed within the associated redevelopment plans for these neighborhoods and will be supported through this plan where eligible.

Actions planned to foster and maintain affordable housing

The level of housing need and associated housing problems is inverse to family income. Housing rehabilitation will continue to be of primary importance to sustain homeownership, preserve existing affordable housing inventory, and assure families are living in suitable conditions. The intent of leveraging the limited available funds is to meet the needs of the community as a whole. The City will continue to coordinate the preservation and development of affordable housing with Escambia County the Consortium lead.

Actions planned to reduce lead-based paint hazards

The continued support of housing rehabilitation projects where lead based paint hazards are addressed will continue to reduce the presence of this hazard to area residents. Section 8 Housing Choice Voucher holders are encouraged to look for units in good repair which also diminishes the potential for exposure to lead based paint hazards. Much of the older housing stock in the City was impacted and subsequently demolished or renovated after the 2004 and 2005 storm seasons, which while in the case of losing units negatively impacted the availability of affordable housing, it also eliminated and/or addressed conditions in the older housing stock which would have presented lead-based paint hazards.

Actions planned to reduce the number of poverty-level families

The plan supports programs which provide residents with tools to help themselves improve their

financial stability and should assist in reducing poverty level families. They will be served with new job opportunities and an enhanced quality of life. Credit and housing counseling, financial literacy and homeowner education for prospective homebuyers are programs that are currently in place. These programs offer residents a “step up” out of poverty as well as build wealth and skills so that residents can remove themselves from the debt cycle that plagues many low income families.

Actions planned to develop institutional structure

The organizations identified in the plan reflect a strong community commitment to addressing the unmet needs of low/moderate income families and the underserved population in the area. Both the volunteer and paid staff provide a valuable resource for the community. The limited financial resources available do not come close to meeting the multitude of housing and community development needs identified in the plan. The City will continue to coordinate efforts through the Consortium and the CoC to identify opportunities to leverage funding from both the public and private sectors to expand the capacity of available resources and service delivery models.

Actions planned to enhance coordination between public and private housing and social service agencies

The City will continue to engage in community discussions which are leading to the development of outcome based goals promoting long term solutions. The local agencies tasked with providing social services continue to be underfunded and struggle to meet the growing demand for services and assistance. The City will continue to coordinate efforts through the Consortium and the CoC to identify opportunities to leverage funding from both the public and private sectors to expand the capacity of available resources and service delivery models. The City, as a member of the Consortium, supports the continued delivery of training and technical assistance for local not for profits and other interested agencies to assist with developing capacity in these agencies.

Discussion

The intent is to leverage the limited available funds to meet the needs of the community as a whole. The City plans to continue the work of the past through the new planning period. Falling federal funding levels do not support bold new actions especially since the current programs are effective for the whole community. Continued coordination and any newly identified opportunities to address needs will be incorporated within future annual plans, when eligible and affordable.

Program Specific Requirements

AP-90 Program Specific Requirements - 91.420, 91.220(I)(1,2,4)

Introduction

The City generates approximately \$100,000 in program income annually from the Housing Rehabilitation activity.

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	100,000
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	100,000

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	95.00%

Discussion

Historically, the City generates approximately \$100,000 in program income from the Housing Rehabilitation activity. These funds are receipted into IDIS and reallocated to support additional housing rehabilitation projects under this activity. Currently the jurisdiction does not make use of Section 108 loan funding, urban renewal settlement funding, funds returned to the line of credit, and/or income from float funded activities. The jurisdiction plans to continue using program income to enhance current funding levels under the Housing Rehabilitation activity to address unmet needs of low/moderate income families for affordable housing by sustaining and upgrading the existing housing stock within the community.

1. The four housing problems are: incomplete kitchen facilities, incomplete plumbing facilities, more than 1 person per room, and cost burden greater than 30%.
2. The four severe housing problems are: incomplete kitchen facilities, incomplete plumbing facilities, more than 1 person per room, and cost burden greater than 50%.
3. Cost burden is the ratio of housing costs to household income. For renters, housing cost is gross rent (contract rent plus utilities). For owners, housing cost is "select monthly owner costs", which includes mortgage payment, utilities, association fees, insurance, and real estate taxes.

Data are based on a sample and are subject to sampling variability. The degree of uncertainty for an estimate arising from sampling variability is represented through the use of a margin of error. The value shown here is the 90 percent margin of error. The margin of error can be interpreted roughly as providing a 90 percent probability that the interval defined by the estimate minus the margin of error and the estimate plus the margin of error (the lower and upper confidence bounds) contains the true value. In addition to sampling variability, the ACS estimates are subject to nonsampling error (for a discussion of nonsampling variability, see Accuracy of the Data). The effect of nonsampling error is not represented in these tables.

Households not paying cash rent are excluded from the calculation of median gross rent.

Telephone service data are not available for certain geographic areas due to problems with data collection. See Errata Note #93 for details.

While the 2011-2015 American Community Survey (ACS) data generally reflect the February 2013 Office of Management and Budget (OMB) definitions of metropolitan and micropolitan statistical areas; in certain instances the names, codes, and boundaries of the principal cities shown in ACS tables may differ from the OMB definitions due to differences in the effective dates of the geographic entities.

Estimates of urban and rural population, housing units, and characteristics reflect boundaries of urban areas defined based on Census 2010 data. As a result, data for urban and rural areas from the ACS do not necessarily reflect the results of ongoing urbanization.

Explanation of Symbols:

1. An '**' entry in the margin of error column indicates that either no sample observations or too few sample observations were available to compute a standard error and thus the margin of error. A statistical test is not appropriate.
2. An '-' entry in the estimate column indicates that either no sample observations or too few sample observations were available to compute an estimate, or a ratio of medians cannot be calculated because one or both of the median estimates falls in the lowest interval or upper interval of an open-ended distribution.
3. An '-' following a median estimate means the median falls in the lowest interval of an open-ended distribution.
4. An '+' following a median estimate means the median falls in the upper interval of an open-ended distribution.
5. An '**' entry in the margin of error column indicates that the median falls in the lowest interval or upper interval of an open-ended distribution. A statistical test is not appropriate.
6. An '*****' entry in the margin of error column indicates that the estimate is controlled. A statistical test for sampling variability is not appropriate.
7. An 'N' entry in the estimate and margin of error columns indicates that data for this geographic area cannot be displayed because the number of sample cases is too small.
8. An '(X)' means that the estimate is not applicable or not available.

PUBLIC NOTICE

The Escambia Consortium, comprised of Escambia County, the City of Pensacola, and Santa Rosa County, Florida, announces initiation of the public participation process that will facilitate the preparation of the 2017/18 Annual Housing and Community Development Plan for the period October 1, 2017 - September 30, 2018. This process serves as a collaborative tool for the community by identifying or updating existing conditions in the Consortium's member jurisdictions with respect to housing and community development needs, goals and objectives.

The Consortium's 2017/18 Annual Plan for Housing and Community Development will identify the community's housing and community development priorities, and target strategies to address priorities established in the 2015-19 Escambia Consortium Consolidated Plan which will be implemented during the next Federal Fiscal Year. The 2017/18 Annual Plan, when complete, will denote the Escambia Consortium's action plan for the utilization of resources provided through the FY 2017 Community Development Block Grant, FY 2017 HOME Investment Partnerships Act, FY 2017 Emergency Solutions Grant, and other HUD programs designed to address housing and community development needs.

TWO PUBLIC HEARINGS are being sponsored by the Consortium to afford citizens the opportunity to provide input and recommendations regarding assisted housing, housing related needs/priorities, supportive housing needs, and non housing community development needs within the Consortium. The TWO public hearings concerning the development of the Annual Plan will be held at 5:30 P.M. on Tuesday, March 7, 2017, in Pensacola Housing Office, Conference Room, 420 West Chase Street, Pensacola, Florida; and at 9:00 A.M. on Thursday, March 9, 2017, in the Santa Rosa County Public Services Building, Media Room, 6051 Old Bagdad Highway, Milton, Florida.

In accordance with the Americans with Disabilities Act, any person needing accommodations to attend or participate, pursuant to the Americans with Disabilities Act, should contact 858-0350 (City) or 595-4947 (County) at least 72 hours in advance of the event in order to allow time to provide the requested services.

In addition to direct input provided during the public hearings, written comments or input regarding local housing needs or priorities will be accepted through March 31, 2017, and may be submitted to: Escambia Consortium, 221 Palafox Place, Suite 200, Pensacola, Florida 32502 or via NED@myescambia.com. For further information, contact Meredith Reeves at 595-0022 (Escambia County), Marcie Whitaker at 858-0350 (City of Pensacola), or Erin Malbeck at 981-7076 (Santa Rosa County).

The Escambia Consortium, comprised of Escambia County, the City of Pensacola, Santa Rosa County, and Milton, Florida, have drafted the 2017/2018 Annual Housing and Community Development Plan for the period October 1, 2017 - September 30, 2018. The draft Annual Plan denotes key agencies and individuals participating in the planning process and identifies the Consortium's 2017/2018 Annual Action Plan for the utilization of Community Development Block Grant (CDBG), HOME Investment Partnerships Act (HOME), Emergency Solutions Grant (ESG), Public Housing Grant Programs, and other HUD programs designed to address housing and community development needs. The major priorities include: rehabilitation of rental and homeowner occupied substandard housing units for families with incomes between 0-80% of the area median income; new construction, homebuyer assistance, and acquisition/rehabilitation activities in support of the provision of affordable housing for families with incomes primarily between 50-80% of median; expansion of below market rate and subsidized rental assistance for families with incomes between 0-50% of median through acquisition, rehabilitation and/or construction; support of activities leading to the development of housing for persons with special needs; supportive services addressing the special needs of the elderly, handicapped, and homeless or near homeless; redevelopment activities within designated areas of slum and blight; and targeted community development public facility and improvement priorities. Activities are generally available to assist eligible lower income persons in varying capacities and financial levels throughout the respective jurisdictions to the extent that such availability is not limited by Federal or State Regulations and/or financial resources. The draft 2017 Annual Action Plan is available for public review at the following Pensacola and Milton locations between the hours of 8:00 A.M. - 4:00 P.M., Monday through Friday.

Transit Program

\$16,650

Pilot program to support reduced fares for elderly, disabled and/or low income riders to expand transportation service in the north end of the County. Should HUD funding allocation be less than indicated in the totals below, this program may be reduced or not provided in order not to exceed the CDBG cap on public services.

DEMOLITION/CLEARANCE:

Demolition/Clearance of Unsafe Structures or Properties

\$68,100

Funds will be used to provide direct assistance for demolition/clearance for income eligible property owners to eliminate dilapidated, structurally unsound buildings and/or abandoned lots/properties in the unincorporated County. Remaining funds may be used in designated areas of slum and blight, specifically the Atwood, Barrancas, Brownsville, Cantonment, Englewood, Ensley, Oakfield, Palafox & Warrington Community Redevelopment Areas and Century.

PUBLIC FACILITIES AND IMPROVEMENTS:

County Facility Handicapped Accessibility Improvement Project

\$266,344

Completion of Americans with Disabilities Act (ADA) required handicapped accessibility planning, design and improvements to Escambia County public buildings and facilities. Funding to support improvements to Century Volunteer Fire Department, Sheriff's Evidence Storage, Government Complex Office, Wildlife Sanctuary, Bellview Athletic Park, Cantonment Athletic Park, and/or Brent Athletic Park. May be used to support PD 16-17.034 if needed. (Countywide)

CRA Neighborhood Improvement Project Enhancements

\$275,000

Funds to provide enhancements in conjunction with other community redevelopment and housing projects located within eligible CDBG low and moderate income Community Redevelopment Areas (CRA) to include street rehabilitation/reconstruction; new or upgraded street lighting; sidewalk construction/ reconstruction; sanitary sewer and/or stormwater drainage improvements; and related infrastructure improvements, including those in support of housing development. Priority will be given to projects identified in the Redevelopment Plans for the County designated Community Redevelopment Areas: Atwood, Barrancas, Brownsville, Cantonment, Englewood, Ensley, Oakfield, Palafox & Warrington. Funds, if any, remaining after completion of CRA priorities may be expended in other CDBG eligible areas.

**CITY OF PENSACOLA
2017-2018 COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)
PROPOSED BUDGETS AND ACTIVITIES**

HOUSING REHABILITATION:

Housing Rehabilitation Loan/Grant Programs

\$419,123*

Funds to repair and/or rehabilitate owner-occupied houses; to provide for structural modifications and the removal of architectural barriers to accommodate the needs of persons with disabilities; to provide for the federally mandated evaluation and control of lead based paint hazards for projects with a house constructed prior to 1978; and to provide for administrative costs of this program and other related housing rehabilitation/repair activities. Funding will provide for the rehabilitation/repair of 15-20 owner occupied housing units. The program is available to low and moderate income persons occupying their homestead residence within the corporate limits of the City of Pensacola. (Pre FY2015 Funds \$150,000)

*All program income from housing rehabilitation loans will be used to rehabilitate and/or repair homeowner occupied units for low and moderate income families located within the corporate limits of the City of Pensacola (estimated program income is \$100,000).

Code Enforcement

\$5,000

Funds to provide code enforcement within the CDBG target area where such enforcement, together with public or private improvements, rehabilitation, or services to be provided, may be expected to arrest the decline of the area. Code enforcement will be conducted within targeted low and moderate income areas within the CDBG Target Area.

Demolition and Clearance of Unsafe Structures

\$12,182

Funds to provide direct assistance, to income eligible property owners, with the elimination of dilapidated, structurally unsound buildings. Funding will be used to address conditions of blight and decay; arrest the decline of property; and support revitalization of depressed neighborhoods. (Pre FY2015 Funds \$30,000)

PUBLIC SERVICES:

Council on Aging of West Florida, Inc. (COA)

\$70,000

Funds will provide approximately 16,000 meals through the Senior Dining Sites and Meals on Wheels Programs to low and moderate income elderly, disabled, and/or handicapped residents residing within the City limits which otherwise would not be available. The Meals on Wheels program delivers nutritionally balanced meals to homebound, functionally impaired adults. The Senior Dining Sites Program provides nutritional meals to eligible adult recipients at five sites located within the City and also an element of socialization and recreation. The five sites are the Fricker Resource Center, E. S. Cobb Resource Center, Bayview Senior Resource Center, Westminster Village, and Council on Aging office. These funds provide direct services. CDBG funds received from the City are utilized by COA as 1:10 leverage for other critical federal and state funding for which COA would

most likely be unable to apply. The City has funded COA for over two decades.

Homebuyer and Foreclosure Prevention Education and Counseling **\$28,000**
Pre-purchase homeownership counseling, education, guidance and support for lower income (80% or below of area median income) residents with a goal of owning their own home (Homebuyer's Club). Foreclosure prevention guidance, education and assistance is provided in an effort to assist Pensacola residents avoid foreclosure and retain ownership of their homes. Individual counseling opportunities are provided under both programs.

PROGRAM PLANNING AND ADMINISTRATION:

General Grant Administration/Management **\$133,576**
Funds to administer the City's CDBG Program which includes personnel services and operating expenses.

TOTAL FY 2017-2018 CDBG PROPOSED BUDGET **\$ 847,881**

Projected FY 2017-2018 CDBG Grant Allocation **\$ 667,881**

March 7, 2017

A public hearing was held March 7, 2017 at 5:30 p.m., at the City of Pensacola Housing Office, 420 W. Chase Street, Pensacola, Florida.

Staff members present: Marcie Whitaker, City of Pensacola Housing Office (PHO); Ursula Jackson, PHO; Meredith Reeves, Division Manager, Neighborhood Enterprise Division, Neighborhood and Human Services Department

Citizens present: James Gulley, Westside Community Redevelopment Agency (WSCRA); Dianne P. Robinson, Westside Community Redevelopment Agency (WSCRA); Robert Strickland, Circle Inc; Patrick Kozma, West Florida Homebuilders Association; Allie Norton, WEAR TV 3; John Clark, Council on Aging of NWFL.

1. **WELCOME AND INTRODUCTION:** Marcie Whitaker introduced herself and Meredith Reeves. Marcie Whitaker explained the purpose of the public meeting was to provide information and receive public input regarding the needs of the community for development of the Escambia Consortium FY2017-2018 Annual Action Plan.
2. **OVERVIEW OF ANNUAL PLAN:** Marcie Whitaker explained that the Escambia Consortium is comprised of Escambia County, the City of Pensacola, Santa Rosa County, and the City of Milton, Florida. She explained that the Five Year Plan summarizes long range, local affordable housing and community development needs. The Five Year plan encompasses years 2015-2019. The Annual Action Plan contains detailed projections concerning programmatic activities for the next fiscal year. She provided an overview of the grant requirements and indicated that due to the decreased funding the consortium is not soliciting for new projects.
3. **OVERVIEW OF CDBG, HOME, AND ESG PROGRAMS:** Meredith Reeves informed attendees at this time financial resources for the next fiscal year had not been determined. In addition, Meredith Reeves informed attendees of a reduction in funding for the Consortium and referred them to a handout listing Grant Funding amounts dating back to 1988. She provided an overview of the ESG and HOME programs. She presented an overview of the eligible activities and current programmatic activities.
4. **REVIEW OF PUBLIC PARTICIPATION SCHEDULE AND PLAN(S) PROCESS:** Marcie Whitaker reviewed the Public Participation and Annual Plan Schedule for the remainder of the plan process (handout provided).
5. **PUBLIC COMMENTS AND QUESTIONS:** Dianne Robinson asked how funds will be allocated. Marcie Whitaker explained one activity the City of Pensacola was considering to allocate Code Enforcement funds for is demolition assistance to owners that are income eligible. Meredith Reeves explained that Escambia County currently allocate funds toward demolition assistance. Attendees express support of demolition programs. James Gulley asked about the allocation of ESG funds. Meredith Reeves explained that 60 percent of the ESG funds are allocated to homeless outreach and shelters. In addition, Meredith Reeves explained that the agencies that receive the allocation are required to match the funds 100 percent. Dianne Robinson asked about home purchasing programs. Marcie Whitaker and Meredith Reeves explained the HOME and SHIP homebuyer programs.

With no further questions or comments, the meeting adjourned at 6:20 p.m.

LEGISLATIVE ACTION ITEM

SPONSOR: Ashton J. Hayward, III, Mayor

SUBJECT:

FEDERAL AVIATION ADMINISTRATION GRANT AGREEMENT - DEMOLITION SERVICES AT AIR COMMERCE PARK

RECOMMENDATION:

That City Council approve and authorize the Mayor to execute the acceptance of the Federal Aviation Administration Airport Improvement Program (AIP) Grant 3-12-0063-041-2017 in the amount of \$43,796 for demolition services at Air Commerce Park at the Pensacola International Airport and to take all actions necessary relating to the finalization of the grant. Further, that City Council approve a supplemental budget resolution appropriating the grant funds.

HEARING REQUIRED: No Hearing Required

SUMMARY:

The 2000 Airport Master Plan identified 65 acres of adjacent land for future development of an Air Commerce Park. With the support of funding through multiple agency grants, the Airport has acquired 91 residential properties and 24 commercial properties. To prepare the area for future development, all existing buildings need to be removed. To date, seventy parcels have been cleared. Sixteen additional parcels in the Air Commerce Park were identified for demolition in this fiscal year.

Pensacola International Airport has received a grant offer and agreement totaling \$43,796 from the Federal Aviation Administration (FAA). The amount includes partial funding reimbursement of demolition expenses associated with the project.

PRIOR ACTION:

August 2006 - June 2017: City Council approved the purchase of 91 residential and 24 commercial parcels.

FUNDING:

Budget: \$ 43,796 FAA Grant Funds

<u>28,182</u>	Airport Matching Funds
<u>\$ 71,978</u>	Total

Actual: \$ 71,978 Demolition Services

FINANCIAL IMPACT:

Approval of a supplemental budget resolution will appropriate the FAA Grant Entitlement Funds. Funds for the Airport portion of the project will come from the Airport's FY 2017 operating budget.

Remove Obstructions- Demolition Services at Air Commerce Park associated with properties; [2517 Douglas Avenue, 5601 Tulane Avenue, 5601 Sherrill Drive, and 6003 Airline Drive]

which is more fully described in the Project Application.

NOW THEREFORE, According to the applicable provisions of the former Federal Aviation Act of 1958, as amended and recodified, 49 U.S.C. § 40101, et seq., and the former Airport and Airway Improvement Act of 1982 (AAIA), as amended and recodified, 49 U.S.C. § 47101, et seq., (herein the AAIA grant statute is referred to as "the Act"), the representations contained in the Project Application, and in consideration of (a) the Sponsor's adoption and ratification of the Grant Assurances dated March 2014, and the Sponsor's acceptance of this Offer; and, (b) the benefits to accrue to the United States and the public from the accomplishment of the Project and compliance with the Grant Assurances and conditions as herein provided.

THE FEDERAL AVIATION ADMINISTRATION, FOR AND ON BEHALF OF THE UNITED STATES, HEREBY OFFERS AND AGREES to pay ninety (90) percent of the allowable costs incurred accomplishing the Project as the United States share of the Project.

This Offer is made on and **SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS:**

CONDITIONS

- 1. Maximum Obligation.** The maximum obligation of the United States payable under this Offer is \$43,796. The following amounts represent a breakdown of the maximum obligation for the purpose of establishing

allowable amounts for any future grant amendment, which may increase the foregoing maximum obligation of the United States under the provisions of 49 U.S.C. § 47108(b):

\$0 for planning

\$43,796 airport development or noise program implementation; and,

\$0 for land acquisition.

2. **Period of Performance.** The period of performance begins on the date the Sponsor formally accepts this agreement. Unless explicitly stated otherwise in an amendment from the FAA, the end date of the period of performance is 4 years (1,460 calendar days) from the date of formal grant acceptance by the Sponsor.

The Sponsor may only charge allowable costs for obligations incurred prior to the end date of the period of performance (2 CFR §200.309). Unless the FAA authorizes a written extension, the sponsor must submit all project closeout documentation and liquidate (pay off) all obligations incurred under this award no later than 90 calendar days after the end date of the period of performance (2 CFR §200.343).

The period of performance end date does not relieve or reduce Sponsor obligations and assurances that extend beyond the closeout of a grant agreement.

3. **Ineligible or Unallowable Costs.** The Sponsor must not include any costs in the project that the FAA has determined to be ineligible or unallowable.
4. **Indirect Costs - Sponsor.** Sponsor may charge indirect costs under this award by applying the indirect cost rate identified in the project application as accepted by the FAA, to allowable costs for Sponsor direct salaries and wages.
5. **Determining the Final Federal Share of Costs.** The United States' share of allowable project costs will be made in accordance with the regulations, policies, and procedures of the Secretary. Final determination of the United States' share will be based upon the final audit of the total amount of allowable project costs and settlement will be made for any upward or downward adjustments to the Federal share of costs.
6. **Completing the Project Without Delay and in Conformance with Requirements.** The Sponsor must carry out and complete the project without undue delays and in accordance with this agreement, and the regulations, policies, and procedures of the Secretary. The Sponsor also agrees to comply with the assurances which are part of this agreement.
7. **Amendments or Withdrawals before Grant Acceptance.** The FAA reserves the right to amend or withdraw this offer at any time prior to its acceptance by the Sponsor.
8. **Offer Expiration Date.** This offer will expire and the United States will not be obligated to pay any part of the costs of the project unless this offer has been accepted by the Sponsor on or before August 11, 2017, or such subsequent date as may be prescribed in writing by the FAA.
9. **Improper Use of Federal Funds.** The Sponsor must take all steps, including litigation if necessary, to recover Federal funds spent fraudulently, wastefully, or in violation of Federal antitrust statutes, or misused in any other manner for any project upon which Federal funds have been expended. For the purposes of this grant agreement, the term "Federal funds" means funds however used or dispersed by the Sponsor, that were originally paid pursuant to this or any other Federal grant agreement. The Sponsor must obtain the approval of the Secretary as to any determination of the amount of the Federal share of such funds. The Sponsor must return the recovered Federal share, including funds recovered by settlement, order, or judgment, to the Secretary. The Sponsor must furnish to the Secretary, upon request, all documents and records pertaining to the determination of the amount of the Federal share or to any settlement, litigation, negotiation, or other efforts taken to recover such funds. All settlements or other final positions of the Sponsor, in court or otherwise, involving the recovery of such Federal share require advance approval by the Secretary.

- 10. United States Not Liable for Damage or Injury.** The United States is not responsible or liable for damage to property or injury to persons which may arise from, or be incident to, compliance with this grant agreement.
- 11. System for Award Management (SAM) Registration And Universal Identifier.**
- A. Requirement for System for Award Management (SAM): Unless the Sponsor is exempted from this requirement under 2 CFR 25.110, the Sponsor must maintain the currency of its information in the SAM until the Sponsor submits the final financial report required under this grant, or receives the final payment, whichever is later. This requires that the Sponsor review and update the information at least annually after the initial registration and more frequently if required by changes in information or another award term. Additional information about registration procedures may be found at the SAM website (currently at <http://www.sam.gov>).
 - B. Data Universal Numbering System: DUNS number means the nine-digit number established and assigned by Dun and Bradstreet, Inc. (D & B) to uniquely identify business entities. A DUNS number may be obtained from D & B by telephone (currently 866-705-5771) or on the web (currently at <http://fedgov.dnb.com/webform>).
- 12. Electronic Grant Payment(s).** Unless otherwise directed by the FAA, the Sponsor must make each payment request under this agreement electronically via the Delphi eInvoicing System for Department of Transportation (DOT) Financial Assistance Awardees.
- 13. Informal Letter Amendment of AIP Projects.** If, during the life of the project, the FAA determines that the maximum grant obligation of the United States exceeds the expected needs of the Sponsor by \$25,000 or five percent (5%), whichever is greater, the FAA can issue a letter amendment to the Sponsor unilaterally reducing the maximum obligation.
- The FAA can also issue a letter to the Sponsor increasing the maximum obligation if there is an overrun in the total actual eligible and allowable project costs to cover the amount of the overrun provided it will not exceed the statutory limitations for grant amendments. The FAA's authority to increase the maximum obligation does not apply to the "planning" component of condition No. 1.
- The FAA can also issue an informal letter amendment that modifies the grant description to correct administrative errors or to delete work items if the FAA finds it advantageous and in the best interests of the United States.
- An informal letter amendment has the same force and effect as a formal grant amendment.
- 14. Air and Water Quality.** The Sponsor is required to comply with all applicable air and water quality standards for all projects in this grant. If the Sponsor fails to comply with this requirement, the FAA may suspend, cancel, or terminate this agreement.
- 15. Financial Reporting and Payment Requirements.** The Sponsor will comply with all federal financial reporting requirements and payment requirements, including submittal of timely and accurate reports.
- 16. Buy American.** Unless otherwise approved in advance by the FAA, the Sponsor will not acquire or permit any contractor or subcontractor to acquire any steel or manufactured products produced outside the United States to be used for any project for which funds are provided under this grant. The Sponsor will include a provision implementing Buy American in every contract.
- 17. Maximum Obligation Increase For Primary Airports.** In accordance with 49 U.S.C. § 47108(b), as amended, the maximum obligation of the United States, as stated in Condition No. 1 of this Grant Offer:
- A. May not be increased for a planning project;
 - B. May be increased by not more than 15 percent for development projects;

C. May be increased by not more than 15 percent for land project.

- 18. Audits for Public Sponsors.** The Sponsor must provide for a Single Audit or program specific audit in accordance with 2 CFR part 200. The Sponsor must submit the audit reporting package to the Federal Audit Clearinghouse on the Federal Audit Clearinghouse's Internet Data Entry System at <http://harvester.census.gov/facweb/>. Provide one copy of the completed audit to the FAA if requested.
- 19. Suspension or Debarment.** When entering into a "covered transaction" as defined by 2 CFR §180.200, the Sponsor must:
- A. Verify the non-federal entity is eligible to participate in this Federal program by:
 - 1. Checking the excluded parties list system (EPLS) as maintained within the System for Award Management (SAM) to determine if the non-federal entity is excluded or disqualified; or
 - 2. Collecting a certification statement from the non-federal entity attesting they are not excluded or disqualified from participating; or
 - 3. Adding a clause or condition to covered transactions attesting individual or firm are not excluded or disqualified from participating.
 - B. Require prime contractors to comply with 2 CFR §180.330 when entering into lower-tier transactions (e.g. Sub-contracts).
 - C. Immediately disclose to the FAA whenever the Sponsor (1) learns they have entered into a covered transaction with an ineligible entity or (2) suspends or debar a contractor, person, or entity.
- 20. Ban on Texting While Driving.**
- A. In accordance with Executive Order 13513, Federal Leadership on Reducing Text Messaging While Driving, October 1, 2009, and DOT Order 3902.10, Text Messaging While Driving, December 30, 2009, the Sponsor is encouraged to:
 - 1. Adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers including policies to ban text messaging while driving when performing any work for, or on behalf of, the Federal government, including work relating to a grant or subgrant.
 - 2. Conduct workplace safety initiatives in a manner commensurate with the size of the business, such as:
 - a. Establishment of new rules and programs or re-evaluation of existing programs to prohibit text messaging while driving; and
 - b. Education, awareness, and other outreach to employees about the safety risks associated with texting while driving.
 - B. The Sponsor must insert the substance of this clause on banning texting while driving in all subgrants, contracts and subcontracts.
- 21. AIP Funded Work Included in a PFC Application.**
- Within 90 days of acceptance of this award, Sponsor must submit to the Federal Aviation Administration an amendment to any approved Passenger Facility Charge (PFC) application that contains an approved PFC project also covered under this grant award. The airport sponsor may not make any expenditure under this award until project work addressed under this award is removed from an approved PFC application by amendment.
- 22. Exhibit "A" Property Map.** The Exhibit "A" Property Map dated June 1994, is incorporated herein by reference or is submitted with the project application and made part of this grant agreement.

23. Employee Protection from Reprisal.**A. Prohibition of Reprisals –**

1. In accordance with 41 U.S.C. § 4712, an employee of a grantee or subgrantee may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing to a person or body described in sub-paragraph (A)(2), information that the employee reasonably believes is evidence of:
 - i. Gross mismanagement of a Federal grant;
 - ii. Gross waste of Federal funds;
 - iii. An abuse of authority relating to implementation or use of Federal funds;
 - iv. A substantial and specific danger to public health or safety; or
 - v. A violation of law, rule, or regulation related to a Federal grant.
2. Persons and bodies covered: The persons and bodies to which a disclosure by an employee is covered are as follows:
 - i. A member of Congress or a representative of a committee of Congress;
 - ii. An Inspector General;
 - iii. The Government Accountability Office;
 - iv. A Federal office or employee responsible for oversight of a grant program;
 - v. A court or grand jury;
 - vi. A management office of the grantee or subgrantee; or
 - vii. A Federal or State regulatory enforcement agency.
3. Submission of Complaint – A person who believes that they have been subjected to a reprisal prohibited by paragraph A of this grant term may submit a complaint regarding the reprisal to the Office of Inspector General (OIG) for the U.S. Department of Transportation.
4. Time Limitation for Submittal of a Complaint - A complaint may not be brought under this subsection more than three years after the date on which the alleged reprisal took place.
5. Required Actions of the Inspector General – Actions, limitations and exceptions of the Inspector General's office are established under 41 U.S.C. § 4712(b)
6. Assumption of Rights to Civil Remedy - Upon receipt of an explanation of a decision not to conduct or continue an investigation by the Office of Inspector General, the person submitting a complaint assumes the right to a civil remedy under 41 U.S.C. § 4712(c).

The Sponsor's acceptance of this Offer and ratification and adoption of the Project Application incorporated herein shall be evidenced by execution of this instrument by the Sponsor, as hereinafter provided, and this Offer and Acceptance shall comprise a Grant Agreement, as provided by the Act, constituting the contractual obligations and rights of the United States and the Sponsor with respect to the accomplishment of the Project and compliance with the assurances and conditions as provided herein. Such Grant Agreement shall become effective upon the Sponsor's acceptance of this Offer.

CERTIFICATE OF SPONSOR'S ATTORNEY

I, _____, acting as Attorney for the Sponsor do hereby certify:

That in my opinion the Sponsor is empowered to enter into the foregoing Grant Agreement under the laws of the State of _____. Further, I have examined the foregoing Grant Agreement and the actions taken by said Sponsor and Sponsor's official representative has been duly authorized and that the execution thereof is in all respects due and proper and in accordance with the laws of the said State and the Act. In addition, for grants involving projects to be carried out on property not owned by the Sponsor, there are no legal impediments that will prevent full performance by the Sponsor. Further, it is my opinion that the said Grant Agreement constitutes a legal and binding obligation of the Sponsor in accordance with the terms thereof.

ASSURANCES

AIRPORT SPONSORS

A. General.

- a. These assurances shall be complied with in the performance of grant agreements for airport development, airport planning, and noise compatibility program grants for airport sponsors.
- b. These assurances are required to be submitted as part of the project application by sponsors requesting funds under the provisions of Title 49, U.S.C., subtitle VII, as amended. As used herein, the term "public agency sponsor" means a public agency with control of a public-use airport; the term "private sponsor" means a private owner of a public-use airport; and the term "sponsor" includes both public agency sponsors and private sponsors.
- c. Upon acceptance of this grant offer by the sponsor, these assurances are incorporated in and become part of this grant agreement.

B. Duration and Applicability.

1. Airport development or Noise Compatibility Program Projects Undertaken by a Public Agency Sponsor.

The terms, conditions and assurances of this grant agreement shall remain in full force and effect throughout the useful life of the facilities developed or equipment acquired for an airport development or noise compatibility program project, or throughout the useful life of the project items installed within a facility under a noise compatibility program project, but in any event not to exceed twenty (20) years from the date of acceptance of a grant offer of Federal funds for the project. However, there shall be no limit on the duration of the assurances regarding Exclusive Rights and Airport Revenue so long as the airport is used as an airport. There shall be no limit on the duration of the terms, conditions, and assurances with respect to real property acquired with federal funds. Furthermore, the duration of the Civil Rights assurance shall be specified in the assurances.

2. Airport Development or Noise Compatibility Projects Undertaken by a Private Sponsor.

The preceding paragraph 1 also applies to a private sponsor except that the useful life of project items installed within a facility or the useful life of the facilities developed or equipment acquired under an airport development or noise compatibility program project shall be no less than ten (10) years from the date of acceptance of Federal aid for the project.

3. Airport Planning Undertaken by a Sponsor.

Unless otherwise specified in this grant agreement, only Assurances 1, 2, 3, 5, 6, 13, 18, 25, 30, 32, 33, and 34 in Section C apply to planning projects. The terms, conditions, and assurances of this grant agreement shall remain in full force and effect during the life of the project; there shall be no limit on the duration of the assurances regarding Exclusive Rights and Airport Revenue so long as the airport is used as an airport.

C. Sponsor Certification.

The sponsor hereby assures and certifies, with respect to this grant that:

1. General Federal Requirements.

It will comply with all applicable Federal laws, regulations, executive orders, policies, guidelines, and requirements as they relate to the application, acceptance and use of Federal funds for this project including but not limited to the following:

SPECIFIC ASSURANCES

Specific assurances required to be included in grant agreements by any of the above laws, regulations or circulars are incorporated by reference in this grant agreement.

FOOTNOTES TO ASSURANCE C.1.

- ¹ These laws do not apply to airport planning sponsors.
- ² These laws do not apply to private sponsors.
- ³ 49 CFR Part 18 and 2 CFR Part 200 contain requirements for State and Local Governments receiving Federal assistance. Any requirement levied upon State and Local Governments by this regulation and circular shall also be applicable to private sponsors receiving Federal assistance under Title 49, United States Code.
- ⁴ On December 26, 2013 at 78 FR 78590, the Office of Management and Budget (OMB) issued the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR Part 200. 2 CFR Part 200 replaces and combines the former Uniform Administrative Requirements for Grants (OMB Circular A-102 and Circular A-110 or 2 CFR Part 215 or Circular) as well as the Cost Principles (Circulars A-21 or 2 CFR part 220; Circular A-87 or 2 CFR part 225; and A-122, 2 CFR part 230). Additionally it replaces Circular A-133 guidance on the Single Annual Audit. In accordance with 2 CFR section 200.110, the standards set forth in Part 200 which affect administration of Federal awards issued by Federal agencies become effective once implemented by Federal agencies or when any future amendment to this Part becomes final. Federal agencies, including the Department of Transportation, must implement the policies and procedures applicable to Federal awards by promulgating a regulation to be effective by December 26, 2014 unless different provisions are required by statute or approved by OMB.
- ⁵ Cost principles established in 2 CFR part 200 subpart E must be used as guidelines for determining the eligibility of specific types of expenses.
- ⁶ Audit requirements established in 2 CFR part 200 subpart F are the guidelines for audits.

2. Responsibility and Authority of the Sponsor.

a. Public Agency Sponsor:

It has legal authority to apply for this grant, and to finance and carry out the proposed project; that a resolution, motion or similar action has been duly adopted or passed as an official act of the applicant's governing body authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required.

b. Private Sponsor:

It has legal authority to apply for this grant and to finance and carry out the proposed project and comply with all terms, conditions, and assurances of this grant agreement. It shall designate an official representative and shall in writing direct and authorize that person to file this application, including all understandings and assurances contained therein; to act in connection with this application; and to provide such additional information as may be required.

3. Sponsor Fund Availability.

It has sufficient funds available for that portion of the project costs which are not to be paid by the United States. It has sufficient funds available to assure operation and maintenance of items funded under this grant agreement which it will own or control.

4. Good Title.

- a. It, a public agency or the Federal government, holds good title, satisfactory to the Secretary, to the landing area of the airport or site thereof, or will give assurance satisfactory to the Secretary that good title will be acquired.
- b. For noise compatibility program projects to be carried out on the property of the sponsor, it holds good title satisfactory to the Secretary to that portion of the property upon which Federal funds will be expended or will give assurance to the Secretary that good title will be obtained.

5. Preserving Rights and Powers.

- a. It will not take or permit any action which would operate to deprive it of any of the rights and powers necessary to perform any or all of the terms, conditions, and assurances in this grant agreement without the written approval of the Secretary, and will act promptly to acquire, extinguish or modify any outstanding rights or claims of right of others which would interfere with such performance by the sponsor. This shall be done in a manner acceptable to the Secretary.
- b. It will not sell, lease, encumber, or otherwise transfer or dispose of any part of its title or other interests in the property shown on Exhibit A to this application or, for a noise compatibility program project, that portion of the property upon which Federal funds have been expended, for the duration of the terms, conditions, and assurances in this grant agreement without approval by the Secretary. If the transferee is found by the Secretary to be eligible under Title 49, United States Code, to assume the obligations of this grant agreement and to have the power, authority, and financial resources to carry out all such obligations, the sponsor shall insert in the contract or document transferring or disposing of the sponsor's interest, and make binding upon the transferee all of the terms, conditions, and assurances contained in this grant agreement.
- c. For all noise compatibility program projects which are to be carried out by another unit of local government or are on property owned by a unit of local government other than the sponsor, it will enter into an agreement with that government. Except as otherwise specified by the Secretary, that agreement shall obligate that government to the same terms, conditions, and assurances that would be applicable to it if it applied directly to the FAA for a grant to undertake the noise compatibility program project. That agreement and changes thereto must be satisfactory to the Secretary. It will take steps to enforce this agreement against the local government if there is substantial non-compliance with the terms of the agreement.

- d. For noise compatibility program projects to be carried out on privately owned property, it will enter into an agreement with the owner of that property which includes provisions specified by the Secretary. It will take steps to enforce this agreement against the property owner whenever there is substantial non-compliance with the terms of the agreement.
- e. If the sponsor is a private sponsor, it will take steps satisfactory to the Secretary to ensure that the airport will continue to function as a public-use airport in accordance with these assurances for the duration of these assurances.
- f. If an arrangement is made for management and operation of the airport by any agency or person other than the sponsor or an employee of the sponsor, the sponsor will reserve sufficient rights and authority to insure that the airport will be operated and maintained in accordance Title 49, United States Code, the regulations and the terms, conditions and assurances in this grant agreement and shall insure that such arrangement also requires compliance therewith.
- g. Sponsors of commercial service airports will not permit or enter into any arrangement that results in permission for the owner or tenant of a property used as a residence, or zoned for residential use, to taxi an aircraft between that property and any location on airport. Sponsors of general aviation airports entering into any arrangement that results in permission for the owner of residential real property adjacent to or near the airport must comply with the requirements of Sec. 136 of Public Law 112-95 and the sponsor assurances.

6. Consistency with Local Plans.

The project is reasonably consistent with plans (existing at the time of submission of this application) of public agencies that are authorized by the State in which the project is located to plan for the development of the area surrounding the airport.

7. Consideration of Local Interest.

It has given fair consideration to the interest of communities in or near where the project may be located.

8. Consultation with Users.

In making a decision to undertake any airport development project under Title 49, United States Code, it has undertaken reasonable consultations with affected parties using the airport at which project is proposed.

9. Public Hearings.

In projects involving the location of an airport, an airport runway, or a major runway extension, it has afforded the opportunity for public hearings for the purpose of considering the economic, social, and environmental effects of the airport or runway location and its consistency with goals and objectives of such planning as has been carried out by the community and it shall, when requested by the Secretary, submit a copy of the transcript of such hearings to the Secretary. Further, for such projects, it has on its management board either voting representation from the communities where the project is located or has advised the communities that they have the right to petition the Secretary concerning a proposed project.

10. Metropolitan Planning Organization.

In projects involving the location of an airport, an airport runway, or a major runway extension at a medium or large hub airport, the sponsor has made available to and has provided upon request to the metropolitan planning organization in the area in which the airport is located, if any, a copy

of the proposed amendment to the airport layout plan to depict the project and a copy of any airport master plan in which the project is described or depicted.

11. Accounting System, Audit, and Record Keeping Requirements.

- a. It shall keep all project accounts and records which fully disclose the amount and disposition by the recipient of the proceeds of this grant, the total cost of the project in connection with which this grant is given or used, and the amount or nature of that portion of the cost of the project supplied by other sources, and such other financial records pertinent to the project. The accounts and records shall be kept in accordance with an accounting system that will facilitate an effective audit in accordance with the Single Audit Act of 1984.
- b. It shall make available to the Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, for the purpose of audit and examination, any books, documents, papers, and records of the recipient that are pertinent to this grant. The Secretary may require that an appropriate audit be conducted by a recipient. In any case in which an independent audit is made of the accounts of a sponsor relating to the disposition of the proceeds of a grant or relating to the project in connection with which this grant was given or used, it shall file a certified copy of such audit with the Comptroller General of the United States not later than six (6) months following the close of the fiscal year for which the audit was made.

12. Minimum Wage Rates.

It shall include, in all contracts in excess of \$2,000 for work on any projects funded under this grant agreement which involve labor, provisions establishing minimum rates of wages, to be predetermined by the Secretary of Labor, in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a-276a-5), which contractors shall pay to skilled and unskilled labor, and such minimum rates shall be stated in the invitation for bids and shall be included in proposals or bids for the work.

13. Veteran's Preference.

It shall include in all contracts for work on any project funded under this grant agreement which involve labor, such provisions as are necessary to insure that, in the employment of labor (except in executive, administrative, and supervisory positions), preference shall be given to Vietnam era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns owned and controlled by disabled veterans as defined in Section 47112 of Title 49, United States Code. However, this preference shall apply only where the individuals are available and qualified to perform the work to which the employment relates.

14. Conformity to Plans and Specifications.

It will execute the project subject to plans, specifications, and schedules approved by the Secretary. Such plans, specifications, and schedules shall be submitted to the Secretary prior to commencement of site preparation, construction, or other performance under this grant agreement, and, upon approval of the Secretary, shall be incorporated into this grant agreement. Any modification to the approved plans, specifications, and schedules shall also be subject to approval of the Secretary, and incorporated into this grant agreement.

15. Construction Inspection and Approval.

It will provide and maintain competent technical supervision at the construction site throughout the project to assure that the work conforms to the plans, specifications, and schedules approved by the Secretary for the project. It shall subject the construction work on any project contained in an approved project application to inspection and approval by the Secretary and such work shall

be in accordance with regulations and procedures prescribed by the Secretary. Such regulations and procedures shall require such cost and progress reporting by the sponsor or sponsors of such project as the Secretary shall deem necessary.

16. Operation and Maintenance.

- a. The airport and all facilities which are necessary to serve the aeronautical users of the airport, other than facilities owned or controlled by the United States, shall be operated at all times in a safe and serviceable condition and in accordance with the minimum standards as may be required or prescribed by applicable Federal, state and local agencies for maintenance and operation. It will not cause or permit any activity or action thereon which would interfere with its use for airport purposes. It will suitably operate and maintain the airport and all facilities thereon or connected therewith, with due regard to climatic and flood conditions. Any proposal to temporarily close the airport for non-aeronautical purposes must first be approved by the Secretary. In furtherance of this assurance, the sponsor will have in effect arrangements for-
- 1) Operating the airport's aeronautical facilities whenever required;
 - 2) Promptly marking and lighting hazards resulting from airport conditions, including temporary conditions; and
 - 3) Promptly notifying airmen of any condition affecting aeronautical use of the airport. Nothing contained herein shall be construed to require that the airport be operated for aeronautical use during temporary periods when snow, flood or other climatic conditions interfere with such operation and maintenance. Further, nothing herein shall be construed as requiring the maintenance, repair, restoration, or replacement of any structure or facility which is substantially damaged or destroyed due to an act of God or other condition or circumstance beyond the control of the sponsor.
- b. It will suitably operate and maintain noise compatibility program items that it owns or controls upon which Federal funds have been expended.

17. Hazard Removal and Mitigation.

It will take appropriate action to assure that such terminal airspace as is required to protect instrument and visual operations to the airport (including established minimum flight altitudes) will be adequately cleared and protected by removing, lowering, relocating, marking, or lighting or otherwise mitigating existing airport hazards and by preventing the establishment or creation of future airport hazards.

18. Compatible Land Use.

It will take appropriate action, to the extent reasonable, including the adoption of zoning laws, to restrict the use of land adjacent to or in the immediate vicinity of the airport to activities and purposes compatible with normal airport operations, including landing and takeoff of aircraft. In addition, if the project is for noise compatibility program implementation, it will not cause or permit any change in land use, within its jurisdiction, that will reduce its compatibility, with respect to the airport, of the noise compatibility program measures upon which Federal funds have been expended.

19. Economic Nondiscrimination.

- a. It will make the airport available as an airport for public use on reasonable terms and without unjust discrimination to all types, kinds and classes of aeronautical activities, including commercial aeronautical activities offering services to the public at the airport.

- b. In any agreement, contract, lease, or other arrangement under which a right or privilege at the airport is granted to any person, firm, or corporation to conduct or to engage in any aeronautical activity for furnishing services to the public at the airport, the sponsor will insert and enforce provisions requiring the contractor to-
- 1) furnish said services on a reasonable, and not unjustly discriminatory, basis to all users thereof, and
 - 2) charge reasonable, and not unjustly discriminatory, prices for each unit or service, provided that the contractor may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.
 - a.) Each fixed-based operator at the airport shall be subject to the same rates, fees, rentals, and other charges as are uniformly applicable to all other fixed-based operators making the same or similar uses of such airport and utilizing the same or similar facilities.
 - b.) Each air carrier using such airport shall have the right to service itself or to use any fixed-based operator that is authorized or permitted by the airport to serve any air carrier at such airport.
 - c.) Each air carrier using such airport (whether as a tenant, non-tenant, or subtenant of another air carrier tenant) shall be subject to such nondiscriminatory and substantially comparable rules, regulations, conditions, rates, fees, rentals, and other charges with respect to facilities directly and substantially related to providing air transportation as are applicable to all such air carriers which make similar use of such airport and utilize similar facilities, subject to reasonable classifications such as tenants or non-tenants and signatory carriers and non-signatory carriers. Classification or status as tenant or signatory shall not be unreasonably withheld by any airport provided an air carrier assumes obligations substantially similar to those already imposed on air carriers in such classification or status.
 - d.) It will not exercise or grant any right or privilege which operates to prevent any person, firm, or corporation operating aircraft on the airport from performing any services on its own aircraft with its own employees [including, but not limited to maintenance, repair, and fueling] that it may choose to perform.
 - e.) In the event the sponsor itself exercises any of the rights and privileges referred to in this assurance, the services involved will be provided on the same conditions as would apply to the furnishing of such services by commercial aeronautical service providers authorized by the sponsor under these provisions.
 - f.) The sponsor may establish such reasonable, and not unjustly discriminatory, conditions to be met by all users of the airport as may be necessary for the safe and efficient operation of the airport.
 - g.) The sponsor may prohibit or limit any given type, kind or class of aeronautical use of the airport if such action is necessary for the safe operation of the airport or necessary to serve the civil aviation needs of the public.

20. Exclusive Rights.

It will permit no exclusive right for the use of the airport by any person providing, or intending to provide, aeronautical services to the public. For purposes of this paragraph, the providing of the services at an airport by a single fixed-based operator shall not be construed as an exclusive right if both of the following apply:

- a. It would be unreasonably costly, burdensome, or impractical for more than one fixed-based operator to provide such services, and
- b. If allowing more than one fixed-based operator to provide such services would require the reduction of space leased pursuant to an existing agreement between such single fixed-based operator and such airport. It further agrees that it will not, either directly or indirectly, grant or permit any person, firm, or corporation, the exclusive right at the airport to conduct any aeronautical activities, including, but not limited to charter flights, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft sales and services, sale of aviation petroleum products whether or not conducted in conjunction with other aeronautical activity, repair and maintenance of aircraft, sale of aircraft parts, and any other activities which because of their direct relationship to the operation of aircraft can be regarded as an aeronautical activity, and that it will terminate any exclusive right to conduct an aeronautical activity now existing at such an airport before the grant of any assistance under Title 49, United States Code.

21. Fee and Rental Structure.

It will maintain a fee and rental structure for the facilities and services at the airport which will make the airport as self-sustaining as possible under the circumstances existing at the particular airport, taking into account such factors as the volume of traffic and economy of collection. No part of the Federal share of an airport development, airport planning or noise compatibility project for which a grant is made under Title 49, United States Code, the Airport and Airway Improvement Act of 1982, the Federal Airport Act or the Airport and Airway Development Act of 1970 shall be included in the rate basis in establishing fees, rates, and charges for users of that airport.

22. Airport Revenues.

- a. All revenues generated by the airport and any local taxes on aviation fuel established after December 30, 1987, will be expended by it for the capital or operating costs of the airport; the local airport system; or other local facilities which are owned or operated by the owner or operator of the airport and which are directly and substantially related to the actual air transportation of passengers or property; or for noise mitigation purposes on or off the airport. The following exceptions apply to this paragraph:
 - 1) If covenants or assurances in debt obligations issued before September 3, 1982, by the owner or operator of the airport, or provisions enacted before September 3, 1982, in governing statutes controlling the owner or operator's financing, provide for the use of the revenues from any of the airport owner or operator's facilities, including the airport, to support not only the airport but also the airport owner or operator's general debt obligations or other facilities, then this limitation on the use of all revenues generated by the airport (and, in the case of a public airport, local taxes on aviation fuel) shall not apply.
 - 2) If the Secretary approves the sale of a privately owned airport to a public sponsor and provides funding for any portion of the public sponsor's acquisition of land, this limitation on the use of all revenues generated by the sale shall not apply to certain proceeds from the sale. This is conditioned on repayment to the Secretary by the private owner of an amount equal to the remaining unamortized portion (amortized over a 20-year period) of any airport improvement grant made to the private owner for any purpose other than land acquisition on or after October 1, 1996, plus an amount equal to the federal share of the current fair market value of any land acquired with an airport improvement grant made to that airport on or after October 1, 1996.
 - 3) Certain revenue derived from or generated by mineral extraction, production, lease, or

other means at a general aviation airport (as defined at Section 47102 of title 49 United States Code), if the FAA determines the airport sponsor meets the requirements set forth in Sec. 813 of Public Law 112-95.

- a.) As part of the annual audit required under the Single Audit Act of 1984, the sponsor will direct that the audit will review, and the resulting audit report will provide an opinion concerning, the use of airport revenue and taxes in paragraph (a), and indicating whether funds paid or transferred to the owner or operator are paid or transferred in a manner consistent with Title 49, United States Code and any other applicable provision of law, including any regulation promulgated by the Secretary or Administrator.
- b.) Any civil penalties or other sanctions will be imposed for violation of this assurance in accordance with the provisions of Section 47107 of Title 49, United States Code.

23. Reports and Inspections.

It will:

- a. submit to the Secretary such annual or special financial and operations reports as the Secretary may reasonably request and make such reports available to the public; make available to the public at reasonable times and places a report of the airport budget in a format prescribed by the Secretary;
- b. for airport development projects, make the airport and all airport records and documents affecting the airport, including deeds, leases, operation and use agreements, regulations and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request;
- c. for noise compatibility program projects, make records and documents relating to the project and continued compliance with the terms, conditions, and assurances of this grant agreement including deeds, leases, agreements, regulations, and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request; and
- d. in a format and time prescribed by the Secretary, provide to the Secretary and make available to the public following each of its fiscal years, an annual report listing in detail:
 - 1) all amounts paid by the airport to any other unit of government and the purposes for which each such payment was made; and
 - 2) all services and property provided by the airport to other units of government and the amount of compensation received for provision of each such service and property.

24. Use by Government Aircraft.

It will make available all of the facilities of the airport developed with Federal financial assistance and all those usable for landing and takeoff of aircraft to the United States for use by Government aircraft in common with other aircraft at all times without charge, except, if the use by Government aircraft is substantial, charge may be made for a reasonable share, proportional to such use, for the cost of operating and maintaining the facilities used. Unless otherwise determined by the Secretary, or otherwise agreed to by the sponsor and the using agency, substantial use of an airport by Government aircraft will be considered to exist when operations of such aircraft are in excess of those which, in the opinion of the Secretary, would unduly interfere with use of the landing areas by other authorized aircraft, or during any calendar month that –

- a. by gross weights of such aircraft) is in excess of five million pounds Five (5) or more Government aircraft are regularly based at the airport or on land adjacent thereto; or

- b. The total number of movements (counting each landing as a movement) of Government aircraft is 300 or more, or the gross accumulative weight of Government aircraft using the airport (the total movement of Government aircraft multiplied).

25. Land for Federal Facilities.

It will furnish without cost to the Federal Government for use in connection with any air traffic control or air navigation activities, or weather-reporting and communication activities related to air traffic control, any areas of land or water, or estate therein, or rights in buildings of the sponsor as the Secretary considers necessary or desirable for construction, operation, and maintenance at Federal expense of space or facilities for such purposes. Such areas or any portion thereof will be made available as provided herein within four months after receipt of a written request from the Secretary.

26. Airport Layout Plan.

- a. It will keep up to date at all times an airport layout plan of the airport showing:
 - 1) boundaries of the airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the sponsor for airport purposes and proposed additions thereto;
 - 2) the location and nature of all existing and proposed airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangars and roads), including all proposed extensions and reductions of existing airport facilities;
 - 3) the location of all existing and proposed nonaviation areas and of all existing improvements thereon; and
 - 4) all proposed and existing access points used to taxi aircraft across the airport's property boundary. Such airport layout plans and each amendment, revision, or modification thereof, shall be subject to the approval of the Secretary which approval shall be evidenced by the signature of a duly authorized representative of the Secretary on the face of the airport layout plan. The sponsor will not make or permit any changes or alterations in the airport or any of its facilities which are not in conformity with the airport layout plan as approved by the Secretary and which might, in the opinion of the Secretary, adversely affect the safety, utility or efficiency of the airport.
- a.) If a change or alteration in the airport or the facilities is made which the Secretary determines adversely affects the safety, utility, or efficiency of any federally owned, leased, or funded property on or off the airport and which is not in conformity with the airport layout plan as approved by the Secretary, the owner or operator will, if requested, by the Secretary (1) eliminate such adverse effect in a manner approved by the Secretary; or (2) bear all costs of relocating such property (or replacement thereof) to a site acceptable to the Secretary and all costs of restoring such property (or replacement thereof) to the level of safety, utility, efficiency, and cost of operation existing before the unapproved change in the airport or its facilities except in the case of a relocation or replacement of an existing airport facility due to a change in the Secretary's design standards beyond the control of the airport sponsor.

27. Civil Rights.

It will promptly take any measures necessary to ensure that no person in the United States shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in any activity conducted with, or benefiting from, funds received from this grant.

- a. Using the definitions of activity, facility and program as found and defined in §§ 21.23 (b) and 21.23 (e) of 49 CFR § 21, the sponsor will facilitate all programs, operate all facilities, or conduct all programs in compliance with all non-discrimination requirements imposed by, or pursuant to these assurances.
- b. Applicability
 - 1) Programs and Activities. If the sponsor has received a grant (or other federal assistance) for any of the sponsor's program or activities, these requirements extend to all of the sponsor's programs and activities.
 - 2) Facilities. Where it receives a grant or other federal financial assistance to construct, expand, renovate, remodel, alter or acquire a facility, or part of a facility, the assurance extends to the entire facility and facilities operated in connection therewith.
 - 3) Real Property. Where the sponsor receives a grant or other Federal financial assistance in the form of, or for the acquisition of real property or an interest in real property, the assurance will extend to rights to space on, over, or under such property.

- c. Duration.

The sponsor agrees that it is obligated to this assurance for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the assurance obligates the sponsor, or any transferee for the longer of the following periods:

- 1) So long as the airport is used as an airport, or for another purpose involving the provision of similar services or benefits; or
 - 2) So long as the sponsor retains ownership or possession of the property.
- d. Required Solicitation Language. It will include the following notification in all solicitations for bids, Requests For Proposals for work, or material under this grant agreement and in all proposals for agreements, including airport concessions, regardless of funding source:

"The **(City of Pensacola)**, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises and airport concession disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award."

- e. Required Contract Provisions.

- 1) It will insert the non-discrimination contract clauses requiring compliance with the acts and regulations relative to non-discrimination in Federally-assisted programs of the DOT, and incorporating the acts and regulations into the contracts by reference in every contract or agreement subject to the non-discrimination in Federally-assisted programs of the DOT acts and regulations.
- 2) It will include a list of the pertinent non-discrimination authorities in every contract that is subject to the non-discrimination acts and regulations.
- 3) It will insert non-discrimination contract clauses as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property,

structures, use, or improvements thereon or interest therein to a sponsor.

- 4) It will insert non-discrimination contract clauses prohibiting discrimination on the basis of race, color, national origin, creed, sex, age, or handicap as a covenant running with the land, in any future deeds, leases, license, permits, or similar instruments entered into by the sponsor with other parties:
 - a.) For the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b.) For the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
- f. It will provide for such methods of administration for the program as are found by the Secretary to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the acts, the regulations, and this assurance.
- g. It agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the acts, the regulations, and this assurance.

28. Disposal of Land.

- a. For land purchased under a grant for airport noise compatibility purposes, including land serving as a noise buffer, it will dispose of the land, when the land is no longer needed for such purposes, at fair market value, at the earliest practicable time. That portion of the proceeds of such disposition which is proportionate to the United States' share of acquisition of such land will be, at the discretion of the Secretary, (1) reinvested in another project at the airport, or (2) transferred to another eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order, (1) reinvestment in an approved noise compatibility project, (2) reinvestment in an approved project that is eligible for grant funding under Section 47117(e) of title 49 United States Code, (3) reinvestment in an approved airport development project that is eligible for grant funding under Sections 47114, 47115, or 47117 of title 49 United States Code, (4) transferred to an eligible sponsor of another public airport to be reinvested in an approved noise compatibility project at that airport, and (5) paid to the Secretary for deposit in the Airport and Airway Trust Fund. If land acquired under a grant for noise compatibility purposes is leased at fair market value and consistent with noise buffering purposes, the lease will not be considered a disposal of the land. Revenues derived from such a lease may be used for an approved airport development project that would otherwise be eligible for grant funding or any permitted use of airport revenue.
- b. For land purchased under a grant for airport development purposes (other than noise compatibility), it will, when the land is no longer needed for airport purposes, dispose of such land at fair market value or make available to the Secretary an amount equal to the United States' proportionate share of the fair market value of the land. That portion of the proceeds of such disposition which is proportionate to the United States' share of the cost of acquisition of such land will, (1) upon application to the Secretary, be reinvested or transferred to another eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order: (1) reinvestment in an approved noise compatibility project, (2) reinvestment in an approved project that is eligible for grant funding under Section 47117(e) of title 49 United States Code, (3) reinvestment in an approved airport development project that is eligible for grant funding under Sections 47114, 47115, or 47117 of title 49 United States Code, (4) transferred to an eligible sponsor of another public airport to be reinvested in

an approved noise compatibility project at that airport, and (5) paid to the Secretary for deposit in the Airport and Airway Trust Fund.

- c. Land shall be considered to be needed for airport purposes under this assurance if (1) it may be needed for aeronautical purposes (including runway protection zones) or serve as noise buffer land, and (2) the revenue from interim uses of such land contributes to the financial self-sufficiency of the airport. Further, land purchased with a grant received by an airport operator or owner before December 31, 1987, will be considered to be needed for airport purposes if the Secretary or Federal agency making such grant before December 31, 1987, was notified by the operator or owner of the uses of such land, did not object to such use, and the land continues to be used for that purpose, such use having commenced no later than December 15, 1989.
- d. Disposition of such land under (a) (b) or (c) will be subject to the retention or reservation of any interest or right therein necessary to ensure that such land will only be used for purposes which are compatible with noise levels associated with operation of the airport.

29. Engineering and Design Services.

It will award each contract, or sub-contract for program management, construction management, planning studies, feasibility studies, architectural services, preliminary engineering, design, engineering, surveying, mapping or related services with respect to the project in the same manner as a contract for architectural and engineering services is negotiated under Title IX of the Federal Property and Administrative Services Act of 1949 or an equivalent qualifications-based requirement prescribed for or by the sponsor of the airport.

30. Foreign Market Restrictions.

It will not allow funds provided under this grant to be used to fund any project which uses any product or service of a foreign country during the period in which such foreign country is listed by the United States Trade Representative as denying fair and equitable market opportunities for products and suppliers of the United States in procurement and construction.

31. Policies, Standards, and Specifications.

It will carry out the project in accordance with policies, standards, and specifications approved by the Secretary including, but not limited to, the advisory circulars listed in the Current FAA Advisory Circulars for AIP projects, dated January 24, 2017 and included in this grant, and in accordance with applicable state policies, standards, and specifications approved by the Secretary.

32. Relocation and Real Property Acquisition.

- a. It will be guided in acquiring real property, to the greatest extent practicable under State law, by the land acquisition policies in Subpart B of 49 CFR Part 24 and will pay or reimburse property owners for necessary expenses as specified in Subpart B.
- b. It will provide a relocation assistance program offering the services described in Subpart C and fair and reasonable relocation payments and assistance to displaced persons as required in Subpart D and E of 49 CFR Part 24.
- c. It will make available within a reasonable period of time prior to displacement, comparable replacement dwellings to displaced persons in accordance with Subpart E of 49 CFR Part 24.

33. Access By Intercity Buses.

The airport owner or operator will permit, to the maximum extent practicable, intercity buses or other modes of transportation to have access to the airport; however, it has no obligation to fund special facilities for intercity buses or for other modes of transportation.

34. Disadvantaged Business Enterprises.

The sponsor shall not discriminate on the basis of race, color, national origin or sex in the award and performance of any DOT-assisted contract covered by 49 CFR Part 26, or in the award and performance of any concession activity contract covered by 49 CFR Part 23. In addition, the sponsor shall not discriminate on the basis of race, color, national origin or sex in the administration of its DBE and ACDBE programs or the requirements of 49 CFR Parts 23 and 26. The sponsor shall take all necessary and reasonable steps under 49 CFR Parts 23 and 26 to ensure nondiscrimination in the award and administration of DOT-assisted contracts, and/or concession contracts. The sponsor's DBE and ACDBE programs, as required by 49 CFR Parts 26 and 23, and as approved by DOT, are incorporated by reference in this agreement. Implementation of these programs is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the sponsor of its failure to carry out its approved program, the Department may impose sanctions as provided for under Parts 26 and 23 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1936 (31 U.S.C. 3801).

35. Competitive Access.

- a. If the airport owner or operator of a medium or large hub airport (as defined in section 47102 of title 49, U.S.C.) has been unable to accommodate one or more requests by an air carrier for access to gates or other facilities at that airport in order to allow the air carrier to provide service to the airport or to expand service at the airport, the airport owner or operator shall transmit a report to the Secretary that-
 - 1) Describes the requests;
 - 2) Provides an explanation as to why the requests could not be accommodated; and
 - 3) Provides a time frame within which, if any, the airport will be able to accommodate the requests.
- b. Such report shall be due on either February 1 or August 1 of each year if the airport has been unable to accommodate the request(s) in the six month period prior to the applicable due date.

RECOMMENDATION:

That City Council approve Supplemental Budget Resolution No. 17-40.

A RESOLUTION AUTHORIZING AND MAKING REVISIONS AND APPROPRIATIONS FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2017; PROVIDING FOR AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

The 2000 Airport Master Plan identified 65 acres of adjacent land for future development of an Air Commerce Park. With the support of funding through multiple agency grants, the Airport has acquired 91 residential properties and 24 commercial properties. To prepare the area for future development, all existing buildings need to be removed. To date, seventy parcels have been cleared. Sixteen additional parcels in the Air Commerce Park were identified for demolition in this fiscal year.

Pensacola International airport has receive a grant offer and agreement totaling \$43,796 from the Federal Aviation Administration (FAA). The amount includes partial funding reimbursement of demolition expenses associated with the project.

PRIOR ACTION:

August 2006 - June 2017: City Council approved the purchase of 91 residential and 24 commercial parcels.

FUNDING:

Budget:	\$ 43,796	FAA Grant Funds
	<u>28,182</u>	Airport Matching Funds

\$ 71,978 Total

Actual: \$ 71,978 Demolition Services

FINANCIAL IMPACT:

Approval of the supplemental budget resolution will appropriate the FAA Grant Entitlement Funds. Funds for the Airport portion of the project will come from the Airport's FY 2017 operating budget.

GRANT AGREEMENT

PART I –OFFER

Date of Offer	July 7, 2017
Airport/Planning Area	Pensacola International
AIP Grant Number	3-12-0063-041-2017
DUNS Number	073131559
TO:	City of Pensacola (herein called the "Sponsor")

FROM: **The United States of America**(acting through the Federal Aviation Administration, herein called the "FAA")

WHEREAS, the Sponsor has submitted to the FAA a Project Application dated May 15, 2017, for a grant of Federal funds for a project at or associated with the Pensacola International Airport, which is included as part of this Grant Agreement; and

WHEREAS, the FAA has approved a project for the Pensacola International Airport (herein called the "Project") consisting of the following:

Remove Obstructions- Demolition Services at Air Commerce Park associated with properties; [2517 Douglas Avenue, 5601 Tulane Avenue, 5601 Sherrill Drive, and 6003 Airline Drive]

which is more fully described in the Project Application.

NOW THEREFORE, According to the applicable provisions of the former Federal Aviation Act of 1958, as amended and recodified, 49 U.S.C. § 40101, et seq., and the former Airport and Airway Improvement Act of 1982 (AAIA), as amended and recodified, 49 U.S.C. § 47101, et seq., (herein the AAIA grant statute is referred to as "the Act"), the representations contained in the Project Application, and in consideration of (a) the Sponsor's adoption and ratification of the Grant Assurances dated March 2014, and the Sponsor's acceptance of this Offer; and, (b) the benefits to accrue to the United States and the public from the accomplishment of the Project and compliance with the Grant Assurances and conditions as herein provided.

THE FEDERAL AVIATION ADMINISTRATION, FOR AND ON BEHALF OF THE UNITED STATES, HEREBY OFFERS AND AGREES to pay ninety (90) percent of the allowable costs incurred accomplishing the Project as the United States share of the Project.

This Offer is made on and **SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS:**

CONDITIONS

- 1. Maximum Obligation.** The maximum obligation of the United States payable under this Offer is \$43,796. The following amounts represent a breakdown of the maximum obligation for the purpose of establishing

allowable amounts for any future grant amendment, which may increase the foregoing maximum obligation of the United States under the provisions of 49 U.S.C. § 47108(b):

\$0 for planning

\$43,796 airport development or noise program implementation; and,

\$0 for land acquisition.

2. **Period of Performance.** The period of performance begins on the date the Sponsor formally accepts this agreement. Unless explicitly stated otherwise in an amendment from the FAA, the end date of the period of performance is 4 years (1,460 calendar days) from the date of formal grant acceptance by the Sponsor.

The Sponsor may only charge allowable costs for obligations incurred prior to the end date of the period of performance (2 CFR §200.309). Unless the FAA authorizes a written extension, the sponsor must submit all project closeout documentation and liquidate (pay off) all obligations incurred under this award no later than 90 calendar days after the end date of the period of performance (2 CFR §200.343).

The period of performance end date does not relieve or reduce Sponsor obligations and assurances that extend beyond the closeout of a grant agreement.
3. **Ineligible or Unallowable Costs.** The Sponsor must not include any costs in the project that the FAA has determined to be ineligible or unallowable.
4. **Indirect Costs - Sponsor.** Sponsor may charge indirect costs under this award by applying the indirect cost rate identified in the project application as accepted by the FAA, to allowable costs for Sponsor direct salaries and wages.
5. **Determining the Final Federal Share of Costs.** The United States' share of allowable project costs will be made in accordance with the regulations, policies, and procedures of the Secretary. Final determination of the United States' share will be based upon the final audit of the total amount of allowable project costs and settlement will be made for any upward or downward adjustments to the Federal share of costs.
6. **Completing the Project Without Delay and in Conformance with Requirements.** The Sponsor must carry out and complete the project without undue delays and in accordance with this agreement, and the regulations, policies, and procedures of the Secretary. The Sponsor also agrees to comply with the assurances which are part of this agreement.
7. **Amendments or Withdrawals before Grant Acceptance.** The FAA reserves the right to amend or withdraw this offer at any time prior to its acceptance by the Sponsor.
8. **Offer Expiration Date.** This offer will expire and the United States will not be obligated to pay any part of the costs of the project unless this offer has been accepted by the Sponsor on or before August 11, 2017, or such subsequent date as may be prescribed in writing by the FAA.
9. **Improper Use of Federal Funds.** The Sponsor must take all steps, including litigation if necessary, to recover Federal funds spent fraudulently, wastefully, or in violation of Federal antitrust statutes, or misused in any other manner for any project upon which Federal funds have been expended. For the purposes of this grant agreement, the term "Federal funds" means funds however used or dispersed by the Sponsor, that were originally paid pursuant to this or any other Federal grant agreement. The Sponsor must obtain the approval of the Secretary as to any determination of the amount of the Federal share of such funds. The Sponsor must return the recovered Federal share, including funds recovered by settlement, order, or judgment, to the Secretary. The Sponsor must furnish to the Secretary, upon request, all documents and records pertaining to the determination of the amount of the Federal share or to any settlement, litigation, negotiation, or other efforts taken to recover such funds. All settlements or other final positions of the Sponsor, in court or otherwise, involving the recovery of such Federal share require advance approval by the Secretary.

- 10. United States Not Liable for Damage or Injury.** The United States is not responsible or liable for damage to property or injury to persons which may arise from, or be incident to, compliance with this grant agreement.
- 11. System for Award Management (SAM) Registration And Universal Identifier.**
- A. Requirement for System for Award Management (SAM): Unless the Sponsor is exempted from this requirement under 2 CFR 25.110, the Sponsor must maintain the currency of its information in the SAM until the Sponsor submits the final financial report required under this grant, or receives the final payment, whichever is later. This requires that the Sponsor review and update the information at least annually after the initial registration and more frequently if required by changes in information or another award term. Additional information about registration procedures may be found at the SAM website (currently at <http://www.sam.gov>).
 - B. Data Universal Numbering System: DUNS number means the nine-digit number established and assigned by Dun and Bradstreet, Inc. (D & B) to uniquely identify business entities. A DUNS number may be obtained from D & B by telephone (currently 866-705-5771) or on the web (currently at <http://fedgov.dnb.com/webform>).
- 12. Electronic Grant Payment(s).** Unless otherwise directed by the FAA, the Sponsor must make each payment request under this agreement electronically via the Delphi eInvoicing System for Department of Transportation (DOT) Financial Assistance Awardees.
- 13. Informal Letter Amendment of AIP Projects.** If, during the life of the project, the FAA determines that the maximum grant obligation of the United States exceeds the expected needs of the Sponsor by \$25,000 or five percent (5%), whichever is greater, the FAA can issue a letter amendment to the Sponsor unilaterally reducing the maximum obligation.
- The FAA can also issue a letter to the Sponsor increasing the maximum obligation if there is an overrun in the total actual eligible and allowable project costs to cover the amount of the overrun provided it will not exceed the statutory limitations for grant amendments. The FAA's authority to increase the maximum obligation does not apply to the "planning" component of condition No. 1.
- The FAA can also issue an informal letter amendment that modifies the grant description to correct administrative errors or to delete work items if the FAA finds it advantageous and in the best interests of the United States.
- An informal letter amendment has the same force and effect as a formal grant amendment.
- 14. Air and Water Quality.** The Sponsor is required to comply with all applicable air and water quality standards for all projects in this grant. If the Sponsor fails to comply with this requirement, the FAA may suspend, cancel, or terminate this agreement.
- 15. Financial Reporting and Payment Requirements.** The Sponsor will comply with all federal financial reporting requirements and payment requirements, including submittal of timely and accurate reports.
- 16. Buy American.** Unless otherwise approved in advance by the FAA, the Sponsor will not acquire or permit any contractor or subcontractor to acquire any steel or manufactured products produced outside the United States to be used for any project for which funds are provided under this grant. The Sponsor will include a provision implementing Buy American in every contract.
- 17. Maximum Obligation Increase For Primary Airports.** In accordance with 49 U.S.C. § 47108(b), as amended, the maximum obligation of the United States, as stated in Condition No. 1 of this Grant Offer:
- A. May not be increased for a planning project;
 - B. May be increased by not more than 15 percent for development projects;

C. May be increased by not more than 15 percent for land project.

18. Audits for Public Sponsors. The Sponsor must provide for a Single Audit or program specific audit in accordance with 2 CFR part 200. The Sponsor must submit the audit reporting package to the Federal Audit Clearinghouse on the Federal Audit Clearinghouse's Internet Data Entry System at <http://harvester.census.gov/facweb/>. Provide one copy of the completed audit to the FAA if requested.

19. Suspension or Debarment. When entering into a "covered transaction" as defined by 2 CFR §180.200, the Sponsor must:

A. Verify the non-federal entity is eligible to participate in this Federal program by:

1. Checking the excluded parties list system (EPLS) as maintained within the System for Award Management (SAM) to determine if the non-federal entity is excluded or disqualified; or
2. Collecting a certification statement from the non-federal entity attesting they are not excluded or disqualified from participating; or
3. Adding a clause or condition to covered transactions attesting individual or firm are not excluded or disqualified from participating.

B. Require prime contractors to comply with 2 CFR §180.330 when entering into lower-tier transactions (e.g. Sub-contracts).

C. Immediately disclose to the FAA whenever the Sponsor (1) learns they have entered into a covered transaction with an ineligible entity or (2) suspends or debar a contractor, person, or entity.

20. Ban on Texting While Driving.

A. In accordance with Executive Order 13513, Federal Leadership on Reducing Text Messaging While Driving, October 1, 2009, and DOT Order 3902.10, Text Messaging While Driving, December 30, 2009, the Sponsor is encouraged to:

1. Adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers including policies to ban text messaging while driving when performing any work for, or on behalf of, the Federal government, including work relating to a grant or subgrant.
2. Conduct workplace safety initiatives in a manner commensurate with the size of the business, such as:
 - a. Establishment of new rules and programs or re-evaluation of existing programs to prohibit text messaging while driving; and
 - b. Education, awareness, and other outreach to employees about the safety risks associated with texting while driving.

B. The Sponsor must insert the substance of this clause on banning texting while driving in all subgrants, contracts and subcontracts.

21. AIP Funded Work Included in a PFC Application.

Within 90 days of acceptance of this award, Sponsor must submit to the Federal Aviation Administration an amendment to any approved Passenger Facility Charge (PFC) application that contains an approved PFC project also covered under this grant award. The airport sponsor may not make any expenditure under this award until project work addressed under this award is removed from an approved PFC application by amendment.

22. Exhibit "A" Property Map. The Exhibit "A" Property Map dated June 1994, is incorporated herein by reference or is submitted with the project application and made part of this grant agreement.

23. Employee Protection from Reprisal.**A. Prohibition of Reprisals –**

1. In accordance with 41 U.S.C. § 4712, an employee of a grantee or subgrantee may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing to a person or body described in sub-paragraph (A)(2), information that the employee reasonably believes is evidence of:
 - i. Gross mismanagement of a Federal grant;
 - ii. Gross waste of Federal funds;
 - iii. An abuse of authority relating to implementation or use of Federal funds;
 - iv. A substantial and specific danger to public health or safety; or
 - v. A violation of law, rule, or regulation related to a Federal grant.
2. Persons and bodies covered: The persons and bodies to which a disclosure by an employee is covered are as follows:
 - i. A member of Congress or a representative of a committee of Congress;
 - ii. An Inspector General;
 - iii. The Government Accountability Office;
 - iv. A Federal office or employee responsible for oversight of a grant program;
 - v. A court or grand jury;
 - vi. A management office of the grantee or subgrantee; or
 - vii. A Federal or State regulatory enforcement agency.
3. Submission of Complaint – A person who believes that they have been subjected to a reprisal prohibited by paragraph A of this grant term may submit a complaint regarding the reprisal to the Office of Inspector General (OIG) for the U.S. Department of Transportation.
4. Time Limitation for Submittal of a Complaint - A complaint may not be brought under this subsection more than three years after the date on which the alleged reprisal took place.
5. Required Actions of the Inspector General – Actions, limitations and exceptions of the Inspector General's office are established under 41 U.S.C. § 4712(b)
6. Assumption of Rights to Civil Remedy - Upon receipt of an explanation of a decision not to conduct or continue an investigation by the Office of Inspector General, the person submitting a complaint assumes the right to a civil remedy under 41 U.S.C. § 4712(c).

The Sponsor's acceptance of this Offer and ratification and adoption of the Project Application incorporated herein shall be evidenced by execution of this instrument by the Sponsor, as hereinafter provided, and this Offer and Acceptance shall comprise a Grant Agreement, as provided by the Act, constituting the contractual obligations and rights of the United States and the Sponsor with respect to the accomplishment of the Project and compliance with the assurances and conditions as provided herein. Such Grant Agreement shall become effective upon the Sponsor's acceptance of this Offer.

ASSURANCES

AIRPORT SPONSORS

A. General.

- a. These assurances shall be complied with in the performance of grant agreements for airport development, airport planning, and noise compatibility program grants for airport sponsors.
- b. These assurances are required to be submitted as part of the project application by sponsors requesting funds under the provisions of Title 49, U.S.C., subtitle VII, as amended. As used herein, the term "public agency sponsor" means a public agency with control of a public-use airport; the term "private sponsor" means a private owner of a public-use airport; and the term "sponsor" includes both public agency sponsors and private sponsors.
- c. Upon acceptance of this grant offer by the sponsor, these assurances are incorporated in and become part of this grant agreement.

B. Duration and Applicability.

1. Airport development or Noise Compatibility Program Projects Undertaken by a Public Agency Sponsor.

The terms, conditions and assurances of this grant agreement shall remain in full force and effect throughout the useful life of the facilities developed or equipment acquired for an airport development or noise compatibility program project, or throughout the useful life of the project items installed within a facility under a noise compatibility program project, but in any event not to exceed twenty (20) years from the date of acceptance of a grant offer of Federal funds for the project. However, there shall be no limit on the duration of the assurances regarding Exclusive Rights and Airport Revenue so long as the airport is used as an airport. There shall be no limit on the duration of the terms, conditions, and assurances with respect to real property acquired with federal funds. Furthermore, the duration of the Civil Rights assurance shall be specified in the assurances.

2. Airport Development or Noise Compatibility Projects Undertaken by a Private Sponsor.

The preceding paragraph 1 also applies to a private sponsor except that the useful life of project items installed within a facility or the useful life of the facilities developed or equipment acquired under an airport development or noise compatibility program project shall be no less than ten (10) years from the date of acceptance of Federal aid for the project.

3. Airport Planning Undertaken by a Sponsor.

Unless otherwise specified in this grant agreement, only Assurances 1, 2, 3, 5, 6, 13, 18, 25, 30, 32, 33, and 34 in Section C apply to planning projects. The terms, conditions, and assurances of this grant agreement shall remain in full force and effect during the life of the project; there shall be no limit on the duration of the assurances regarding Exclusive Rights and Airport Revenue so long as the airport is used as an airport.

C. Sponsor Certification.

The sponsor hereby assures and certifies, with respect to this grant that:

1. General Federal Requirements.

It will comply with all applicable Federal laws, regulations, executive orders, policies, guidelines, and requirements as they relate to the application, acceptance and use of Federal funds for this project including but not limited to the following:

SPECIFIC ASSURANCES

Specific assurances required to be included in grant agreements by any of the above laws, regulations or circulars are incorporated by reference in this grant agreement.

FOOTNOTES TO ASSURANCE C.1.

- ¹ These laws do not apply to airport planning sponsors.
- ² These laws do not apply to private sponsors.
- ³ 49 CFR Part 18 and 2 CFR Part 200 contain requirements for State and Local Governments receiving Federal assistance. Any requirement levied upon State and Local Governments by this regulation and circular shall also be applicable to private sponsors receiving Federal assistance under Title 49, United States Code.
- ⁴ On December 26, 2013 at 78 FR 78590, the Office of Management and Budget (OMB) issued the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR Part 200. 2 CFR Part 200 replaces and combines the former Uniform Administrative Requirements for Grants (OMB Circular A-102 and Circular A-110 or 2 CFR Part 215 or Circular) as well as the Cost Principles (Circulars A-21 or 2 CFR part 220; Circular A-87 or 2 CFR part 225; and A-122, 2 CFR part 230). Additionally it replaces Circular A-133 guidance on the Single Annual Audit. In accordance with 2 CFR section 200.110, the standards set forth in Part 200 which affect administration of Federal awards issued by Federal agencies become effective once implemented by Federal agencies or when any future amendment to this Part becomes final. Federal agencies, including the Department of Transportation, must implement the policies and procedures applicable to Federal awards by promulgating a regulation to be effective by December 26, 2014 unless different provisions are required by statute or approved by OMB.
- ⁵ Cost principles established in 2 CFR part 200 subpart E must be used as guidelines for determining the eligibility of specific types of expenses.
- ⁶ Audit requirements established in 2 CFR part 200 subpart F are the guidelines for audits.

2. Responsibility and Authority of the Sponsor.

a. Public Agency Sponsor:

It has legal authority to apply for this grant, and to finance and carry out the proposed project; that a resolution, motion or similar action has been duly adopted or passed as an official act of the applicant's governing body authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required.

b. Private Sponsor:

It has legal authority to apply for this grant and to finance and carry out the proposed project and comply with all terms, conditions, and assurances of this grant agreement. It shall designate an official representative and shall in writing direct and authorize that person to file this application, including all understandings and assurances contained therein; to act in connection with this application; and to provide such additional information as may be required.

3. Sponsor Fund Availability.

It has sufficient funds available for that portion of the project costs which are not to be paid by the United States. It has sufficient funds available to assure operation and maintenance of items funded under this grant agreement which it will own or control.

4. Good Title.

- a. It, a public agency or the Federal government, holds good title, satisfactory to the Secretary, to the landing area of the airport or site thereof, or will give assurance satisfactory to the Secretary that good title will be acquired.
- b. For noise compatibility program projects to be carried out on the property of the sponsor, it holds good title satisfactory to the Secretary to that portion of the property upon which Federal funds will be expended or will give assurance to the Secretary that good title will be obtained.

5. Preserving Rights and Powers.

- a. It will not take or permit any action which would operate to deprive it of any of the rights and powers necessary to perform any or all of the terms, conditions, and assurances in this grant agreement without the written approval of the Secretary, and will act promptly to acquire, extinguish or modify any outstanding rights or claims of right of others which would interfere with such performance by the sponsor. This shall be done in a manner acceptable to the Secretary.
- b. It will not sell, lease, encumber, or otherwise transfer or dispose of any part of its title or other interests in the property shown on Exhibit A to this application or, for a noise compatibility program project, that portion of the property upon which Federal funds have been expended, for the duration of the terms, conditions, and assurances in this grant agreement without approval by the Secretary. If the transferee is found by the Secretary to be eligible under Title 49, United States Code, to assume the obligations of this grant agreement and to have the power, authority, and financial resources to carry out all such obligations, the sponsor shall insert in the contract or document transferring or disposing of the sponsor's interest, and make binding upon the transferee all of the terms, conditions, and assurances contained in this grant agreement.
- c. For all noise compatibility program projects which are to be carried out by another unit of local government or are on property owned by a unit of local government other than the sponsor, it will enter into an agreement with that government. Except as otherwise specified by the Secretary, that agreement shall obligate that government to the same terms, conditions, and assurances that would be applicable to it if it applied directly to the FAA for a grant to undertake the noise compatibility program project. That agreement and changes thereto must be satisfactory to the Secretary. It will take steps to enforce this agreement against the local government if there is substantial non-compliance with the terms of the agreement.

- d. For noise compatibility program projects to be carried out on privately owned property, it will enter into an agreement with the owner of that property which includes provisions specified by the Secretary. It will take steps to enforce this agreement against the property owner whenever there is substantial non-compliance with the terms of the agreement.
- e. If the sponsor is a private sponsor, it will take steps satisfactory to the Secretary to ensure that the airport will continue to function as a public-use airport in accordance with these assurances for the duration of these assurances.
- f. If an arrangement is made for management and operation of the airport by any agency or person other than the sponsor or an employee of the sponsor, the sponsor will reserve sufficient rights and authority to insure that the airport will be operated and maintained in accordance Title 49, United States Code, the regulations and the terms, conditions and assurances in this grant agreement and shall insure that such arrangement also requires compliance therewith.
- g. Sponsors of commercial service airports will not permit or enter into any arrangement that results in permission for the owner or tenant of a property used as a residence, or zoned for residential use, to taxi an aircraft between that property and any location on airport. Sponsors of general aviation airports entering into any arrangement that results in permission for the owner of residential real property adjacent to or near the airport must comply with the requirements of Sec. 136 of Public Law 112-95 and the sponsor assurances.

6. Consistency with Local Plans.

The project is reasonably consistent with plans (existing at the time of submission of this application) of public agencies that are authorized by the State in which the project is located to plan for the development of the area surrounding the airport.

7. Consideration of Local Interest.

It has given fair consideration to the interest of communities in or near where the project may be located.

8. Consultation with Users.

In making a decision to undertake any airport development project under Title 49, United States Code, it has undertaken reasonable consultations with affected parties using the airport at which project is proposed.

9. Public Hearings.

In projects involving the location of an airport, an airport runway, or a major runway extension, it has afforded the opportunity for public hearings for the purpose of considering the economic, social, and environmental effects of the airport or runway location and its consistency with goals and objectives of such planning as has been carried out by the community and it shall, when requested by the Secretary, submit a copy of the transcript of such hearings to the Secretary. Further, for such projects, it has on its management board either voting representation from the communities where the project is located or has advised the communities that they have the right to petition the Secretary concerning a proposed project.

10. Metropolitan Planning Organization.

In projects involving the location of an airport, an airport runway, or a major runway extension at a medium or large hub airport, the sponsor has made available to and has provided upon request to the metropolitan planning organization in the area in which the airport is located, if any, a copy

of the proposed amendment to the airport layout plan to depict the project and a copy of any airport master plan in which the project is described or depicted.

11. Accounting System, Audit, and Record Keeping Requirements.

- a. It shall keep all project accounts and records which fully disclose the amount and disposition by the recipient of the proceeds of this grant, the total cost of the project in connection with which this grant is given or used, and the amount or nature of that portion of the cost of the project supplied by other sources, and such other financial records pertinent to the project. The accounts and records shall be kept in accordance with an accounting system that will facilitate an effective audit in accordance with the Single Audit Act of 1984.
- b. It shall make available to the Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, for the purpose of audit and examination, any books, documents, papers, and records of the recipient that are pertinent to this grant. The Secretary may require that an appropriate audit be conducted by a recipient. In any case in which an independent audit is made of the accounts of a sponsor relating to the disposition of the proceeds of a grant or relating to the project in connection with which this grant was given or used, it shall file a certified copy of such audit with the Comptroller General of the United States not later than six (6) months following the close of the fiscal year for which the audit was made.

12. Minimum Wage Rates.

It shall include, in all contracts in excess of \$2,000 for work on any projects funded under this grant agreement which involve labor, provisions establishing minimum rates of wages, to be predetermined by the Secretary of Labor, in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a-276a-5), which contractors shall pay to skilled and unskilled labor, and such minimum rates shall be stated in the invitation for bids and shall be included in proposals or bids for the work.

13. Veteran's Preference.

It shall include in all contracts for work on any project funded under this grant agreement which involve labor, such provisions as are necessary to insure that, in the employment of labor (except in executive, administrative, and supervisory positions), preference shall be given to Vietnam era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns owned and controlled by disabled veterans as defined in Section 47112 of Title 49, United States Code. However, this preference shall apply only where the individuals are available and qualified to perform the work to which the employment relates.

14. Conformity to Plans and Specifications.

It will execute the project subject to plans, specifications, and schedules approved by the Secretary. Such plans, specifications, and schedules shall be submitted to the Secretary prior to commencement of site preparation, construction, or other performance under this grant agreement, and, upon approval of the Secretary, shall be incorporated into this grant agreement. Any modification to the approved plans, specifications, and schedules shall also be subject to approval of the Secretary, and incorporated into this grant agreement.

15. Construction Inspection and Approval.

It will provide and maintain competent technical supervision at the construction site throughout the project to assure that the work conforms to the plans, specifications, and schedules approved by the Secretary for the project. It shall subject the construction work on any project contained in an approved project application to inspection and approval by the Secretary and such work shall

be in accordance with regulations and procedures prescribed by the Secretary. Such regulations and procedures shall require such cost and progress reporting by the sponsor or sponsors of such project as the Secretary shall deem necessary.

16. Operation and Maintenance.

- a. The airport and all facilities which are necessary to serve the aeronautical users of the airport, other than facilities owned or controlled by the United States, shall be operated at all times in a safe and serviceable condition and in accordance with the minimum standards as may be required or prescribed by applicable Federal, state and local agencies for maintenance and operation. It will not cause or permit any activity or action thereon which would interfere with its use for airport purposes. It will suitably operate and maintain the airport and all facilities thereon or connected therewith, with due regard to climatic and flood conditions. Any proposal to temporarily close the airport for non-aeronautical purposes must first be approved by the Secretary. In furtherance of this assurance, the sponsor will have in effect arrangements for-
- 1) Operating the airport's aeronautical facilities whenever required;
 - 2) Promptly marking and lighting hazards resulting from airport conditions, including temporary conditions; and
 - 3) Promptly notifying airmen of any condition affecting aeronautical use of the airport. Nothing contained herein shall be construed to require that the airport be operated for aeronautical use during temporary periods when snow, flood or other climatic conditions interfere with such operation and maintenance. Further, nothing herein shall be construed as requiring the maintenance, repair, restoration, or replacement of any structure or facility which is substantially damaged or destroyed due to an act of God or other condition or circumstance beyond the control of the sponsor.
- b. It will suitably operate and maintain noise compatibility program items that it owns or controls upon which Federal funds have been expended.

17. Hazard Removal and Mitigation.

It will take appropriate action to assure that such terminal airspace as is required to protect instrument and visual operations to the airport (including established minimum flight altitudes) will be adequately cleared and protected by removing, lowering, relocating, marking, or lighting or otherwise mitigating existing airport hazards and by preventing the establishment or creation of future airport hazards.

18. Compatible Land Use.

It will take appropriate action, to the extent reasonable, including the adoption of zoning laws, to restrict the use of land adjacent to or in the immediate vicinity of the airport to activities and purposes compatible with normal airport operations, including landing and takeoff of aircraft. In addition, if the project is for noise compatibility program implementation, it will not cause or permit any change in land use, within its jurisdiction, that will reduce its compatibility, with respect to the airport, of the noise compatibility program measures upon which Federal funds have been expended.

19. Economic Nondiscrimination.

- a. It will make the airport available as an airport for public use on reasonable terms and without unjust discrimination to all types, kinds and classes of aeronautical activities, including commercial aeronautical activities offering services to the public at the airport.

- b. In any agreement, contract, lease, or other arrangement under which a right or privilege at the airport is granted to any person, firm, or corporation to conduct or to engage in any aeronautical activity for furnishing services to the public at the airport, the sponsor will insert and enforce provisions requiring the contractor to-
- 1) furnish said services on a reasonable, and not unjustly discriminatory, basis to all users thereof, and
 - 2) charge reasonable, and not unjustly discriminatory, prices for each unit or service, provided that the contractor may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.
 - a.) Each fixed-based operator at the airport shall be subject to the same rates, fees, rentals, and other charges as are uniformly applicable to all other fixed-based operators making the same or similar uses of such airport and utilizing the same or similar facilities.
 - b.) Each air carrier using such airport shall have the right to service itself or to use any fixed-based operator that is authorized or permitted by the airport to serve any air carrier at such airport.
 - c.) Each air carrier using such airport (whether as a tenant, non-tenant, or subtenant of another air carrier tenant) shall be subject to such nondiscriminatory and substantially comparable rules, regulations, conditions, rates, fees, rentals, and other charges with respect to facilities directly and substantially related to providing air transportation as are applicable to all such air carriers which make similar use of such airport and utilize similar facilities, subject to reasonable classifications such as tenants or non-tenants and signatory carriers and non-signatory carriers. Classification or status as tenant or signatory shall not be unreasonably withheld by any airport provided an air carrier assumes obligations substantially similar to those already imposed on air carriers in such classification or status.
 - d.) It will not exercise or grant any right or privilege which operates to prevent any person, firm, or corporation operating aircraft on the airport from performing any services on its own aircraft with its own employees [including, but not limited to maintenance, repair, and fueling] that it may choose to perform.
 - e.) In the event the sponsor itself exercises any of the rights and privileges referred to in this assurance, the services involved will be provided on the same conditions as would apply to the furnishing of such services by commercial aeronautical service providers authorized by the sponsor under these provisions.
 - f.) The sponsor may establish such reasonable, and not unjustly discriminatory, conditions to be met by all users of the airport as may be necessary for the safe and efficient operation of the airport.
 - g.) The sponsor may prohibit or limit any given type, kind or class of aeronautical use of the airport if such action is necessary for the safe operation of the airport or necessary to serve the civil aviation needs of the public.

20. Exclusive Rights.

It will permit no exclusive right for the use of the airport by any person providing, or intending to provide, aeronautical services to the public. For purposes of this paragraph, the providing of the services at an airport by a single fixed-based operator shall not be construed as an exclusive right if both of the following apply:

- a. It would be unreasonably costly, burdensome, or impractical for more than one fixed-based operator to provide such services, and
- b. If allowing more than one fixed-based operator to provide such services would require the reduction of space leased pursuant to an existing agreement between such single fixed-based operator and such airport. It further agrees that it will not, either directly or indirectly, grant or permit any person, firm, or corporation, the exclusive right at the airport to conduct any aeronautical activities, including, but not limited to charter flights, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft sales and services, sale of aviation petroleum products whether or not conducted in conjunction with other aeronautical activity, repair and maintenance of aircraft, sale of aircraft parts, and any other activities which because of their direct relationship to the operation of aircraft can be regarded as an aeronautical activity, and that it will terminate any exclusive right to conduct an aeronautical activity now existing at such an airport before the grant of any assistance under Title 49, United States Code.

21. Fee and Rental Structure.

It will maintain a fee and rental structure for the facilities and services at the airport which will make the airport as self-sustaining as possible under the circumstances existing at the particular airport, taking into account such factors as the volume of traffic and economy of collection. No part of the Federal share of an airport development, airport planning or noise compatibility project for which a grant is made under Title 49, United States Code, the Airport and Airway Improvement Act of 1982, the Federal Airport Act or the Airport and Airway Development Act of 1970 shall be included in the rate basis in establishing fees, rates, and charges for users of that airport.

22. Airport Revenues.

- a. All revenues generated by the airport and any local taxes on aviation fuel established after December 30, 1987, will be expended by it for the capital or operating costs of the airport; the local airport system; or other local facilities which are owned or operated by the owner or operator of the airport and which are directly and substantially related to the actual air transportation of passengers or property; or for noise mitigation purposes on or off the airport. The following exceptions apply to this paragraph:
 - 1) If covenants or assurances in debt obligations issued before September 3, 1982, by the owner or operator of the airport, or provisions enacted before September 3, 1982, in governing statutes controlling the owner or operator's financing, provide for the use of the revenues from any of the airport owner or operator's facilities, including the airport, to support not only the airport but also the airport owner or operator's general debt obligations or other facilities, then this limitation on the use of all revenues generated by the airport (and, in the case of a public airport, local taxes on aviation fuel) shall not apply.
 - 2) If the Secretary approves the sale of a privately owned airport to a public sponsor and provides funding for any portion of the public sponsor's acquisition of land, this limitation on the use of all revenues generated by the sale shall not apply to certain proceeds from the sale. This is conditioned on repayment to the Secretary by the private owner of an amount equal to the remaining unamortized portion (amortized over a 20-year period) of any airport improvement grant made to the private owner for any purpose other than land acquisition on or after October 1, 1996, plus an amount equal to the federal share of the current fair market value of any land acquired with an airport improvement grant made to that airport on or after October 1, 1996.
 - 3) Certain revenue derived from or generated by mineral extraction, production, lease, or

other means at a general aviation airport (as defined at Section 47102 of title 49 United States Code), if the FAA determines the airport sponsor meets the requirements set forth in Sec. 813 of Public Law 112-95.

- a.) As part of the annual audit required under the Single Audit Act of 1984, the sponsor will direct that the audit will review, and the resulting audit report will provide an opinion concerning, the use of airport revenue and taxes in paragraph (a), and indicating whether funds paid or transferred to the owner or operator are paid or transferred in a manner consistent with Title 49, United States Code and any other applicable provision of law, including any regulation promulgated by the Secretary or Administrator.
- b.) Any civil penalties or other sanctions will be imposed for violation of this assurance in accordance with the provisions of Section 47107 of Title 49, United States Code.

23. Reports and Inspections.

It will:

- a. submit to the Secretary such annual or special financial and operations reports as the Secretary may reasonably request and make such reports available to the public; make available to the public at reasonable times and places a report of the airport budget in a format prescribed by the Secretary;
- b. for airport development projects, make the airport and all airport records and documents affecting the airport, including deeds, leases, operation and use agreements, regulations and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request;
- c. for noise compatibility program projects, make records and documents relating to the project and continued compliance with the terms, conditions, and assurances of this grant agreement including deeds, leases, agreements, regulations, and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request; and
- d. in a format and time prescribed by the Secretary, provide to the Secretary and make available to the public following each of its fiscal years, an annual report listing in detail:
 - 1) all amounts paid by the airport to any other unit of government and the purposes for which each such payment was made; and
 - 2) all services and property provided by the airport to other units of government and the amount of compensation received for provision of each such service and property.

24. Use by Government Aircraft.

It will make available all of the facilities of the airport developed with Federal financial assistance and all those usable for landing and takeoff of aircraft to the United States for use by Government aircraft in common with other aircraft at all times without charge, except, if the use by Government aircraft is substantial, charge may be made for a reasonable share, proportional to such use, for the cost of operating and maintaining the facilities used. Unless otherwise determined by the Secretary, or otherwise agreed to by the sponsor and the using agency, substantial use of an airport by Government aircraft will be considered to exist when operations of such aircraft are in excess of those which, in the opinion of the Secretary, would unduly interfere with use of the landing areas by other authorized aircraft, or during any calendar month that –

- a. by gross weights of such aircraft) is in excess of five million pounds Five (5) or more Government aircraft are regularly based at the airport or on land adjacent thereto; or

- b. The total number of movements (counting each landing as a movement) of Government aircraft is 300 or more, or the gross accumulative weight of Government aircraft using the airport (the total movement of Government aircraft multiplied).

25. Land for Federal Facilities.

It will furnish without cost to the Federal Government for use in connection with any air traffic control or air navigation activities, or weather-reporting and communication activities related to air traffic control, any areas of land or water, or estate therein, or rights in buildings of the sponsor as the Secretary considers necessary or desirable for construction, operation, and maintenance at Federal expense of space or facilities for such purposes. Such areas or any portion thereof will be made available as provided herein within four months after receipt of a written request from the Secretary.

26. Airport Layout Plan.

- a. It will keep up to date at all times an airport layout plan of the airport showing:
 - 1) boundaries of the airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the sponsor for airport purposes and proposed additions thereto;
 - 2) the location and nature of all existing and proposed airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangars and roads), including all proposed extensions and reductions of existing airport facilities;
 - 3) the location of all existing and proposed nonaviation areas and of all existing improvements thereon; and
 - 4) all proposed and existing access points used to taxi aircraft across the airport's property boundary. Such airport layout plans and each amendment, revision, or modification thereof, shall be subject to the approval of the Secretary which approval shall be evidenced by the signature of a duly authorized representative of the Secretary on the face of the airport layout plan. The sponsor will not make or permit any changes or alterations in the airport or any of its facilities which are not in conformity with the airport layout plan as approved by the Secretary and which might, in the opinion of the Secretary, adversely affect the safety, utility or efficiency of the airport.
- a.) If a change or alteration in the airport or the facilities is made which the Secretary determines adversely affects the safety, utility, or efficiency of any federally owned, leased, or funded property on or off the airport and which is not in conformity with the airport layout plan as approved by the Secretary, the owner or operator will, if requested, by the Secretary (1) eliminate such adverse effect in a manner approved by the Secretary; or (2) bear all costs of relocating such property (or replacement thereof) to a site acceptable to the Secretary and all costs of restoring such property (or replacement thereof) to the level of safety, utility, efficiency, and cost of operation existing before the unapproved change in the airport or its facilities except in the case of a relocation or replacement of an existing airport facility due to a change in the Secretary's design standards beyond the control of the airport sponsor.

27. Civil Rights.

It will promptly take any measures necessary to ensure that no person in the United States shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in any activity conducted with, or benefiting from, funds received from this grant.

- a. Using the definitions of activity, facility and program as found and defined in §§ 21.23 (b) and 21.23 (e) of 49 CFR § 21, the sponsor will facilitate all programs, operate all facilities, or conduct all programs in compliance with all non-discrimination requirements imposed by, or pursuant to these assurances.
- b. Applicability
 - 1) Programs and Activities. If the sponsor has received a grant (or other federal assistance) for any of the sponsor's program or activities, these requirements extend to all of the sponsor's programs and activities.
 - 2) Facilities. Where it receives a grant or other federal financial assistance to construct, expand, renovate, remodel, alter or acquire a facility, or part of a facility, the assurance extends to the entire facility and facilities operated in connection therewith.
 - 3) Real Property. Where the sponsor receives a grant or other Federal financial assistance in the form of, or for the acquisition of real property or an interest in real property, the assurance will extend to rights to space on, over, or under such property.

- c. Duration.

The sponsor agrees that it is obligated to this assurance for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the assurance obligates the sponsor, or any transferee for the longer of the following periods:

- 1) So long as the airport is used as an airport, or for another purpose involving the provision of similar services or benefits; or
 - 2) So long as the sponsor retains ownership or possession of the property.
- d. Required Solicitation Language. It will include the following notification in all solicitations for bids, Requests For Proposals for work, or material under this grant agreement and in all proposals for agreements, including airport concessions, regardless of funding source:

"The **(City of Pensacola)**, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises and airport concession disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award."

- e. Required Contract Provisions.

- 1) It will insert the non-discrimination contract clauses requiring compliance with the acts and regulations relative to non-discrimination in Federally-assisted programs of the DOT, and incorporating the acts and regulations into the contracts by reference in every contract or agreement subject to the non-discrimination in Federally-assisted programs of the DOT acts and regulations.
 - 2) It will include a list of the pertinent non-discrimination authorities in every contract that is subject to the non-discrimination acts and regulations.
 - 3) It will insert non-discrimination contract clauses as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property,

structures, use, or improvements thereon or interest therein to a sponsor.

- 4) It will insert non-discrimination contract clauses prohibiting discrimination on the basis of race, color, national origin, creed, sex, age, or handicap as a covenant running with the land, in any future deeds, leases, license, permits, or similar instruments entered into by the sponsor with other parties:
 - a.) For the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b.) For the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
- f. It will provide for such methods of administration for the program as are found by the Secretary to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the acts, the regulations, and this assurance.
- g. It agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the acts, the regulations, and this assurance.

28. Disposal of Land.

- a. For land purchased under a grant for airport noise compatibility purposes, including land serving as a noise buffer, it will dispose of the land, when the land is no longer needed for such purposes, at fair market value, at the earliest practicable time. That portion of the proceeds of such disposition which is proportionate to the United States' share of acquisition of such land will be, at the discretion of the Secretary, (1) reinvested in another project at the airport, or (2) transferred to another eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order, (1) reinvestment in an approved noise compatibility project, (2) reinvestment in an approved project that is eligible for grant funding under Section 47117(e) of title 49 United States Code, (3) reinvestment in an approved airport development project that is eligible for grant funding under Sections 47114, 47115, or 47117 of title 49 United States Code, (4) transferred to an eligible sponsor of another public airport to be reinvested in an approved noise compatibility project at that airport, and (5) paid to the Secretary for deposit in the Airport and Airway Trust Fund. If land acquired under a grant for noise compatibility purposes is leased at fair market value and consistent with noise buffering purposes, the lease will not be considered a disposal of the land. Revenues derived from such a lease may be used for an approved airport development project that would otherwise be eligible for grant funding or any permitted use of airport revenue.
- b. For land purchased under a grant for airport development purposes (other than noise compatibility), it will, when the land is no longer needed for airport purposes, dispose of such land at fair market value or make available to the Secretary an amount equal to the United States' proportionate share of the fair market value of the land. That portion of the proceeds of such disposition which is proportionate to the United States' share of the cost of acquisition of such land will, (1) upon application to the Secretary, be reinvested or transferred to another eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order: (1) reinvestment in an approved noise compatibility project, (2) reinvestment in an approved project that is eligible for grant funding under Section 47117(e) of title 49 United States Code, (3) reinvestment in an approved airport development project that is eligible for grant funding under Sections 47114, 47115, or 47117 of title 49 United States Code, (4) transferred to an eligible sponsor of another public airport to be reinvested in

an approved noise compatibility project at that airport, and (5) paid to the Secretary for deposit in the Airport and Airway Trust Fund.

- c. Land shall be considered to be needed for airport purposes under this assurance if (1) it may be needed for aeronautical purposes (including runway protection zones) or serve as noise buffer land, and (2) the revenue from interim uses of such land contributes to the financial self-sufficiency of the airport. Further, land purchased with a grant received by an airport operator or owner before December 31, 1987, will be considered to be needed for airport purposes if the Secretary or Federal agency making such grant before December 31, 1987, was notified by the operator or owner of the uses of such land, did not object to such use, and the land continues to be used for that purpose, such use having commenced no later than December 15, 1989.
- d. Disposition of such land under (a) (b) or (c) will be subject to the retention or reservation of any interest or right therein necessary to ensure that such land will only be used for purposes which are compatible with noise levels associated with operation of the airport.

29. Engineering and Design Services.

It will award each contract, or sub-contract for program management, construction management, planning studies, feasibility studies, architectural services, preliminary engineering, design, engineering, surveying, mapping or related services with respect to the project in the same manner as a contract for architectural and engineering services is negotiated under Title IX of the Federal Property and Administrative Services Act of 1949 or an equivalent qualifications-based requirement prescribed for or by the sponsor of the airport.

30. Foreign Market Restrictions.

It will not allow funds provided under this grant to be used to fund any project which uses any product or service of a foreign country during the period in which such foreign country is listed by the United States Trade Representative as denying fair and equitable market opportunities for products and suppliers of the United States in procurement and construction.

31. Policies, Standards, and Specifications.

It will carry out the project in accordance with policies, standards, and specifications approved by the Secretary including, but not limited to, the advisory circulars listed in the Current FAA Advisory Circulars for AIP projects, dated January 24, 2017 and included in this grant, and in accordance with applicable state policies, standards, and specifications approved by the Secretary.

32. Relocation and Real Property Acquisition.

- a. It will be guided in acquiring real property, to the greatest extent practicable under State law, by the land acquisition policies in Subpart B of 49 CFR Part 24 and will pay or reimburse property owners for necessary expenses as specified in Subpart B.
- b. It will provide a relocation assistance program offering the services described in Subpart C and fair and reasonable relocation payments and assistance to displaced persons as required in Subpart D and E of 49 CFR Part 24.
- c. It will make available within a reasonable period of time prior to displacement, comparable replacement dwellings to displaced persons in accordance with Subpart E of 49 CFR Part 24.

33. Access By Intercity Buses.

The airport owner or operator will permit, to the maximum extent practicable, intercity buses or other modes of transportation to have access to the airport; however, it has no obligation to fund special facilities for intercity buses or for other modes of transportation.

34. Disadvantaged Business Enterprises.

The sponsor shall not discriminate on the basis of race, color, national origin or sex in the award and performance of any DOT-assisted contract covered by 49 CFR Part 26, or in the award and performance of any concession activity contract covered by 49 CFR Part 23. In addition, the sponsor shall not discriminate on the basis of race, color, national origin or sex in the administration of its DBE and ACDBE programs or the requirements of 49 CFR Parts 23 and 26. The sponsor shall take all necessary and reasonable steps under 49 CFR Parts 23 and 26 to ensure nondiscrimination in the award and administration of DOT-assisted contracts, and/or concession contracts. The sponsor's DBE and ACDBE programs, as required by 49 CFR Parts 26 and 23, and as approved by DOT, are incorporated by reference in this agreement. Implementation of these programs is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the sponsor of its failure to carry out its approved program, the Department may impose sanctions as provided for under Parts 26 and 23 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1936 (31 U.S.C. 3801).

35. Competitive Access.

- a. If the airport owner or operator of a medium or large hub airport (as defined in section 47102 of title 49, U.S.C.) has been unable to accommodate one or more requests by an air carrier for access to gates or other facilities at that airport in order to allow the air carrier to provide service to the airport or to expand service at the airport, the airport owner or operator shall transmit a report to the Secretary that-
 - 1) Describes the requests;
 - 2) Provides an explanation as to why the requests could not be accommodated; and
 - 3) Provides a time frame within which, if any, the airport will be able to accommodate the requests.
- b. Such report shall be due on either February 1 or August 1 of each year if the airport has been unable to accommodate the request(s) in the six month period prior to the applicable due date.

LEGISLATIVE ACTION ITEM

SPONSOR: Ashton J. Hayward, III, Mayor

SUBJECT:

PROPOSED ORDINANCE NO. 34-17, AMENDMENT TO SECTION 10-4-19 - SCHEDULE OF GAS RATES AND CHARGES

RECOMMENDATION:

That City Council approve Proposed Ordinance No. 34-17 on first reading.

AN ORDINANCE AMENDING SECTION 10-4-19 OF THE CODE OF THE CITY OF PENSACOLA ENTITLED: "SCHEDULE OF RATES AND CHARGES"; PROVIDING FOR SEVERABILITY; REPEALING CLAUSE; PROVIDING AN EFFECTIVE DATE

HEARING REQUIRED: No Hearing Required

SUMMARY:

In 2007, City Council adopted a rate study that allowed for an annual inflation adjustment component to provide for funding to maintain the City's natural gas system. The last Consumer Price Index (CPI) adjustment was in 2016 where rates were decreased 0.1%. During the budget preparation for fiscal year 2017, Pensacola Energy did not adjust rates pending final results of a rate study which was not implemented. The fiscal year 2018 budget has been prepared with an increase based on the CPI for both fiscal year 2017 and fiscal year 2018 of 0.90% and 2.40% respectively.

PRIOR ACTION:

August 20, 2015 - City Council approved revisions to Rate Ordinance based upon changes to the CPI.

FUNDING:

N/A

FINANCIAL IMPACT:

The rate change yields an overall revenue increase of approximately \$672,300 which has been incorporated in

the Fiscal Year 2018 Budget.

ORDINANCE NO. _____

AN ORDINANCE TO BE
ENTITLED:

AN ORDINANCE AMENDING SECTION 10-4-19 OF THE CODE OF
THE CITY OF PENSACOLA ENTITLED: "SCHEDULE OF RATES AND
CHARGES"; PROVIDING FOR SEVERABILITY; REPEALING
CLAUSE; PROVIDING AN EFFECTIVE DATE:

BE IT ORDAINED BY THE CITY OF PENSACOLA, FLORIDA

SECTION 1. Section 10-4-19 of the Code of the City of Pensacola, Florida, is hereby amended to read:

Sec. 10-4-19. Schedule of rates and charges.

A. Subject to the provisions of subsection 1-1-1 (c), the charges and assessments set forth below shall be levied and assessed by the department of Pensacola Energy through the Mayor or the Chief Financial Officer for natural gas services provided by the city to consumers.

The charges for gas are segregated according to the following service classifications: residential gas inside and outside the city limits (GR-1, GR-2), commercial gas inside and outside the city limits (GC-1, GC-2), interruptible industrial contract (GI-1, GI-2, GI-3, GI-4), City of Pensacola, almost firm service (GAF), flexible gas transportation (GTS, GPT, GIT, GVT), compressed natural gas service (CNG), and street or outdoor lighting.

B. Purchased gas adjustment (PGA)--Service classifications having a distribution charge stated in Mcfs shall have the price per Mcf adjusted by the amount of any increase or decrease in the cost of gas purchased for resale. Changes to the PGA will be effective at the beginning of a monthly billing cycle.

C. For the purpose of calculating the municipal public service tax, the city's cost of gas prior to October 1, 1973, was forty-five cents (\$0.45) per Mcf.

D. Weather normalization adjustment (WNA)--To adjust for fluctuations in consumption due to colder or warmer than normal weather during the months of October through March of the previous or current fiscal year, a WNA will be assessed on service classifications GR-1, GR-2, GC-1, GC-2, and GIT according to the following formula:

WNA	$\frac{R \times (HSF \times (NDD - ADD))}{(BL + (HSF \times ADD))}$
Where:	
WNA	= Weather normalization adjustment factor for each rate schedule classification expressed in cents per Mcf.
R	= Weighted average base rate of temperature sensitive sales for each included rate schedule.
HSF	= Heat sensitive factor for the appropriate rate schedule.
NDD	= Normal billing cycle heating degree.
ADD	= Actual billing cycle heating degree day.
BL	= Average base load sales for each billing cycle.

Normal degree days (NDD) shall be based on the most current National Oceanic and Atmospheric Administration (NOAA) thirty-year normal data. Actual degree days (ADD) shall be based on NOAA data.

- E. The Distribution Pipeline Infrastructure Cost Adjustment (DPICA) shall be adjusted annually, effective each October 1 by a percentage equal to the amount of Eligible Distribution Pipeline Infrastructure Costs divided by the total test year margin revenues associated with the Residential Gas inside and outside City limits (GR-1 and GR-2), Commercial Gas inside and outside City limits (GC-1, GC-2, and GIT), and Municipal operated building and facilities as shown for the 2012 Test Year shown in the most recent Cost of Service and Rate Design Study. Eligible Distribution Pipeline Infrastructure Costs include costs that meet all of the following conditions:
- (i) The principal purpose of the project is not to increase revenues by directly connecting the infrastructure replacement to new customers;
 - (ii) The project, or discrete portions thereof, are in service and used and useful;
 - (iii) The costs of the project are not included in the city's existing base rates;
 - (iv) The principal purpose of the project is to replace or extend the useful life of existing infrastructure, or otherwise enhance the infrastructure of city's physical plant; and
 - (v) City undertakes the project to comply with a valid statute, rule, regulation, order or ordinance, or other lawful requirement of a federal, state, or local governing or regulatory body having jurisdiction over pipeline integrity.

The percentage shall not exceed 10 percent of the non-gas operating expenses in the current fiscal year budget and will be applied to the rates used for each bill over the following 12 months.

- F. Distribution and customer charge rates shall be adjusted annually if approved by the

city council during budget sessions, effective each October based upon the percentage difference in the cost of living as computed under the most recent Consumer Price Index for all urban consumers published by the Bureau of Labor Statistics, U.S. Department of Labor for the period beginning April 1 of the preceding year and ending March 31 of the current year. The applicable rates are residential gas inside and outside the city limits (GR-1, GR-2), commercial gas inside and outside city limits (GC-1, GC-2), contract delivery, and municipal operated buildings and facilities.

- G. Tariff changes to pipeline transportation fees shall be assessed to each rate class upon implementation by the interstate or intrastate pipeline.
- H. Service charges shall include a customer charge and a distribution charge. The customer charge is a fixed monthly charge for having gas available and the distribution charge is a variable monthly charge based on consumption of gas.

Service charges are as follows:

- (1) *Service classification: GR-1, residential gas service. (Within city limits of the City of Pensacola).*
 - (1a) *Availability.* Available to any consumer using the city's natural gas service for any purpose in a residence only.
 - (1b) *Customer charge.* Nine dollars and fifty-two ~~twenty-one~~ cents (\$9.5224) fixed monthly charge, plus
 - (1c) *Distribution charge.* Seven dollars and ninety-nine ~~seventy-three~~ cents (\$7.9973) per Mcf.
- (2) *Service classification: GR-2, residential gas service. (Outside city limits of the City of Pensacola).*
 - (2a) *Availability.* Available to any consumer using the city's natural gas service for any purpose in a residence only.
 - (2b) *Customer charge.* Ten dollars and sixty-three ~~twenty-nine~~ cents (\$10.6329) fixed monthly charge, plus
 - (2c) *Distribution charge.* Nine dollars and eighty-eight ~~fifty-six~~ cents (\$9.8856) per Mcf.
- (3) *Service classification: GC-1, commercial service. (Within the city limits of the City of Pensacola).*
 - (3a) *Availability.* Available to any commercial consumer for cooking, water heating, space heating, air conditioning, and like uses.
 - (3b) *Customer charge.* Sixteen dollars and eighty-five ~~thirty-one~~ cents (\$16.8534) fixed monthly charge, plus
 - (3c) *Distribution charge.* Seven dollars and ninety-nine ~~seventy-three~~ cents (\$7.9973) per Mcf.

- (4) *Service classification: GC-2 commercial service. (Outside the city limits of the City of Pensacola).*
- (4a) *Availability.* Available to any commercial consumer for cooking, water heating, space heating, air conditioning, and like uses.
 - (4b) *Customer charge.* ~~Nineteen Eighteen~~ dollars and ~~fourteen fifty two~~ cents (\$19.1418.52) fixed monthly charge, plus
 - (4c) *Distribution charge.* ~~Nine dollars and eighty-eight fifty six~~ cents (\$9.8856) per Mcf.
- (5) *Service classification: GI-1, interruptible industrial contract service, small volume.*
- (5a) *Availability.* Available to any consumer using the city's natural gas service provided the consumer has adequate standby facilities approved by the city that will permit the city to curtail consumption as the city may determine necessary. Service under this rate classification shall be governed by individual contracts with consumer which includes a customer charge, a distribution charge, and a charge for fuel. Such contracts may be executed by the Mayor, based on recommendations by the Director of Pensacola Energy. Contracts for this class or rate must be for not less than one (1) year. All consumers under this rate are subject to the terms of the contract.
 - (5b) *Contract volume.* Not less than twenty-five (25) Mcf per day.
 - (5c) *Customer charge.* Two hundred dollars (\$200.00) fixed monthly charge, plus
 - (5d) *Distribution charge.* Two dollars and five cents (\$2.05) per Mcf.
- (6) *Service classification: GI-2, interruptible industrial contract service, large volume.*
- (6a) *Availability.* Available to any consumer using the city's natural gas service provided the consumer has adequate standby facilities approved by the city that will permit the city to curtail consumption as the city may determine necessary. Service under this rate classification shall be governed by individual contracts with consumer which includes a customer charge, a distribution charge, and a charge for fuel. Such contracts may be executed by the Mayor, based on recommendations by the Director of Pensacola Energy. Contracts for this class or rate must be for not less than one (1) year. All consumers under this rate are subject to the terms of the contract.
 - (6b) *Contract volume.* Not less than two hundred fifty (250) Mcf per day.
 - (6c) *Customer charge.* Two hundred dollars (\$200.00) fixed monthly charge, plus
 - (6d) *Distribution charge.* One dollar and five cents (\$1.05) per Mcf.
- (7) *Service classification: GI-3, interruptible industrial flexible contract service, large volume.*
- (7a) *Availability.* Available to any consumer using the city's natural gas service provided the consumer has adequate standby facilities approved by the city that will permit the city to curtail consumption as the city may determine necessary. Service under this rate classification shall be governed by individual contracts with consumer which includes a customer charge, a distribution charge, and a charge for fuel. Such contracts may be executed by the Mayor, based on recommendations by the Director of Pensacola Energy. Contracts for this class or rate must

be for not less than one (1) year. All consumers under this rate are subject to the terms of the contract.

(7b) *Contract volume.* Not less than five hundred (500) Mcf per day.

(7c) *Customer charge.* Two hundred dollars (\$200.00) fixed monthly charge, plus,

(7d) *Distribution charge.* Rates to be negotiated.

(8) *Service classification: GI-4, interruptible transportation flexible contract service.*

(8a) *Availability.* Available to any consumer using the city's natural gas service provided the consumer has adequate standby facilities approved by the city that will permit the city to curtail consumption as the city may determine necessary. Service under this rate classification shall be governed by individual contracts with consumer which includes a customer charge, a distribution charge, and a charge for fuel. Such contracts may be executed by the Mayor, based on recommendations by the Director of Pensacola Energy. Contracts for this class or rate must be for not less than one (1) year. All consumers under this rate are subject to the terms of the contract.

(8b) *Contract volume.* Not less than one hundred (100) Mcf nor more than five hundred (500) Mcf per day.

(8c) *Customer charge.* Two hundred dollars (\$200.00) fixed monthly charge, plus

(8d) *Distribution charge.* The GI-4 distribution charge shall consist of the following components:

1. The contracted cost of gas as it may vary from time to time, plus
2. The existing transportation rate on Pensacola Energy's distribution system as established under the annual pipeline transportation fees of two dollars (\$2.00) plus ninety-two cents (\$0.92) local transportation charge net per one (1) MMBTU/day transported for gas transportation service, plus
3. A seven cent (\$0.07) margin on the contracted cost of natural gas.

These three (3) components shall determine the monthly cost of any consumer in this class or rate times the number of MMBTUs used by the consumer.

City Council

8/10/2017

LEGISLATIVE ACTION ITEM

SPONSOR: Ashton J. Hayward, III, Mayor

SUBJECT:

DISPOSITION OF SURPLUS PROPERTY- 300 BLOCK WEST INTENDENCIA

RECOMMENDATION:

That City Council approve the sale of 300 Block West Intendencia Street, parcel identification number 000S009070600038, account number 152120000 to the highest and most responsible bidder, P. Taylor Loftin, in the amount of \$115,000. Further that City Council authorize the Mayor to negotiate and execute all necessary documents related to the sale of the property.

HEARING REQUIRED: No Hearing Required

SUMMARY:

The unimproved property located at 300 Block West Intendencia was approved by City Council as surplus property. The property is approximately 0.2222 acres and is zoned C-2. To facilitate the sale of the property, an RFP was issued and SVNCRE GROUP, LLC, a Florida limited liability corporation DBA Southland Commercial Real Estate (SVN) was selected to market the parcel and respond to inquiries related to the sale of the property at a commission rate of 6%.

In accordance with the Policy for Disposition of City-Owned Real Property, property owners within a 300 foot radius of the parcel received public notice of advertisement for bids for sale of surplus property by mail on May 11, 2017 and an appraisal of the property was conducted. The estimated market value of the subject property as appraised by Fruitticher-Lowery Appraisal Group on July 18, 2017 is \$109,000.

Seven (7) bids were received by SVN and the highest bid received was \$115,000, buyer to pay all closing costs except agent commission, from P. Taylor Loftin on June 23, 2017. The bid in the amount of \$115,000 is \$6,000 above appraised value.

PRIOR ACTION:

November 17, 2016 - City Council declared the City-owned unimproved real property located at 300 Block West Intendencia Street as surplus and authorized the Mayor to engage the services of a real estate professional from the City's list of qualified real estate professionals to market and sell the parcel.

January 12, 2017 - City Council approved the allocation of 100 percent of the proceeds from the sale of the property located at 300 Block of West Intendencia Street to the Housing Initiatives Fund.

FUNDING:

N/A

FINANCIAL IMPACT:

All costs associated with final transaction will come from sale proceeds with the remaining amount allocated to the Housing Initiatives Fund.

85* purchase **Seller's** escrow account dollar for dollar. If the interest rate upon transfer exceeds _____% or
86* the assumption/transfer fee exceeds \$ _____, either party may elect to pay the excess,
87 failing which this contract will terminate; and **Buyer's** deposit(s) will be returned. If the lender disapproves
88 **Buyer**, this contract will terminate; and **Buyer's** deposit(s) will be returned.

89* **6. Assignability: (Check one)** **Buyer** may assign and thereby be released from any further liability under this
90* contract, may assign but not be released from liability under this contract, or may not assign this contract.

91* **7. Title:** **Seller** has the legal capacity to and will convey marketable title to the Property by statutory warranty
92* deed special warranty deed other (specify) _____, free of liens, easements,
93 and encumbrances of record or known to **Seller**, but subject to property taxes for the year of closing; covenants,
94 restrictions, and public utility easements of record; existing zoning and governmental regulations; and (list any
95* other matters to which title will be subject) _____,
96 provided there exists at closing no violation of the foregoing.

97 (a) **Title Evidence:** The party who pays for the owner's title insurance policy will select the closing agent and
98 pay for the title search, including tax and lien search if performed, and all other fees charged by closing agent.
99 **Seller** will deliver to **Buyer**, at
100* (Check one) **Seller's** **Buyer's** expense and
101* (Check one) within _____ days after Effective Date at least _____ days before Closing Date.
102 (Check one)

103* (1) a title insurance commitment by a Florida licensed title insurer setting forth those matters to be
104 discharged by **Seller** at or before closing and, upon **Buyer** recording the deed, an owner's policy in the
105 amount of the purchase price for fee simple title subject only to the exceptions stated above. If **Buyer** is
106 paying for the owner's title insurance policy and **Seller** has an owner's policy, **Seller** will deliver a copy to
107 **Buyer** within 15 days after Effective Date.

108- (2) an abstract of title, prepared or brought current by an existing abstract firm or certified as correct by an
109 existing firm. However, if such an abstract is not available to **Seller**, then a prior owner's title policy
110 acceptable to the proposed insurer as a base for reissuance of coverage may be used. The prior policy
111 will include copies of all policy exceptions and an update in a format acceptable to **Buyer** from the policy
112 effective date and certified to **Buyer** or **Buyer's** closing agent together with copies of all documents
113 recited in the prior policy and in the update. If such an abstract or prior policy is not available to **Seller**,
114 then (1) above will be the title evidence.

115- (b) **Title Examination:** After receipt of the title evidence, **Buyer** will, within _____ days (10 days if left blank)
116 but no later than Closing Date, deliver written notice to **Seller** of title defects. Title will be deemed acceptable
117 to **Buyer** if (i) **Buyer** fails to deliver proper notice of defects or (ii) **Buyer** delivers proper written notice and
118- **Seller** cures the defects within _____ days (30 days if left blank) ("Cure Period") after receipt of the notice. If
119 the defects are cured within the Cure Period, closing will occur within 10 days after receipt by **Buyer** of notice
120 of such cure. **Seller** may elect not to cure defects if **Seller** reasonably believes any defect cannot be cured
121 within the Cure Period. If the defects are not cured within the Cure Period, **Buyer** will have 10 days after
122 receipt of notice of **Seller's** inability to cure the defects to elect whether to terminate this contract or accept
123 title subject to existing defects and close the transaction without reduction in purchase price.

124 (c) **Survey:** **Buyer** may, at **Buyer's** expense, have the Property surveyed and must deliver written notice to
125 **Seller**, within 5 days after receiving survey but not later than 5 days before Closing Date, of any
126 encroachments on the Property, encroachments by the Property's improvements on other lands, or deed
127 restriction or zoning violations. Any such encroachment or violation will be treated in the same manner as a
128 title defect and **Seller's** and **Buyer's** obligations will be determined in accordance with Paragraph 7(b).

129 (d) **Ingress and Egress:** **Seller** warrants that the Property presently has ingress and egress.

130 8. **Property Condition:** **Seller** will deliver the Property to **Buyer** at closing in its present "as is" condition, with
131 conditions resulting from **Buyer's** Inspections and casualty damage, if any, excepted. **Seller** will not engage in or
132 permit any activity that would materially alter the Property's condition without the **Buyer's** prior written consent.

133 (a) **Inspections: (Check (1) or (2))**

134- (1) **Feasibility Study:** **Buyer** will, at **Buyer's** expense and within _____ days (30 days if left blank)
135 ("Feasibility Study Period") after Effective Date and in **Buyer's** sole and absolute discretion, determine
136 whether the Property is suitable for **Buyer's** intended use. During the Feasibility Study Period, **Buyer**
137 may conduct a Phase 1 environmental assessment and any other tests, analyses, surveys, and
138 investigations ("Inspections") that **Buyer** deems necessary to determine to **Buyer's** satisfaction the
139 Property's engineering, architectural, and environmental properties; zoning and zoning restrictions;
140 subdivision statutes; soil and grade; availability of access to public roads, water, and other utilities;
141 consistency with local, state, and regional growth management plans; availability of permits, government
142 approvals, and licenses; and other inspections that **Buyer** deems appropriate. If the Property must be
143 rezoned, **Buyer** will obtain the rezoning from the appropriate government agencies. **Seller** will sign all
144 documents **Buyer** is required to file in connection with development or rezoning approvals. **Seller** gives
145 **Buyer**, its agents, contractors, and assigns, the right to enter the Property at any time during the
146 Feasibility Study Period for the purpose of conducting Inspections, provided, however, that **Buyer**, its
147 agents, contractors, and assigns enter the Property and conduct Inspections at their own risk. **Buyer** will
148 indemnify and hold **Seller** harmless from losses, damages, costs, claims, and expenses of any nature,
149 including attorneys' fees, expenses, and liability incurred in application for rezoning or related
150 proceedings, and from liability to any person, arising from the conduct of any and all Inspections or any
151 work authorized by **Buyer**. **Buyer** will not engage in any activity that could result in a construction lien
152 being filed against the Property without **Seller's** prior written consent. If this transaction does not close,
153 **Buyer** will, at **Buyer's** expense, (i) repair all damages to the Property resulting from the Inspections and
154 return the Property to the condition it was in before conducting the Inspections and (ii) release to **Seller**
155 all reports and other work generated as a result of the Inspections.

156 Before expiration of the Feasibility Study Period, **Buyer** must deliver written notice to **Seller** of **Buyer's**
157 determination of whether or not the Property is acceptable. **Buyer's** failure to comply with this notice
158 requirement will constitute acceptance of the Property as suitable for **Buyer's** intended use in its "as is"
159 condition. If the Property is unacceptable to **Buyer** and written notice of this fact is timely delivered to
160 **Seller**, this contract will be deemed terminated, and **Buyer's** deposit(s) will be returned.

161- (2) **No Feasibility Study:** **Buyer** is satisfied that the Property is suitable for **Buyer's** purposes, including
162 being satisfied that either public sewerage and water are available to the Property or the Property will be
163 approved for the installation of a well and/or private sewerage disposal system and that existing zoning

164 and other pertinent regulations and restrictions, such as subdivision or deed restrictions, concurrency,
165 growth management, and environmental conditions, are acceptable to **Buyer**. This contract is not
166 contingent on **Buyer** conducting any further investigations.

- 167 (b) **Government Regulations:** Changes in government regulations and levels of service which affect **Buyer's**
168 intended use of the Property will not be grounds for terminating this contract if the Feasibility Study Period has
169 expired or if Paragraph 8(a)(2) is selected.
- 170 (c) **Flood Zone:** **Buyer** is advised to verify by survey, with the lender, and with appropriate government
171 agencies which flood zone the Property is in, whether flood insurance is required, and what restrictions apply
172 to improving the Property and rebuilding in the event of casualty.
- 173 (d) **Coastal Construction Control Line ("CCCL"):** If any part of the Property lies seaward of the CCCL as
174 defined in Section 161.053, Florida Statutes, **Seller** will provide **Buyer** with an affidavit or survey as required
175 by law delineating the line's location on the Property, unless **Buyer** waives this requirement in writing. The
176 Property being purchased may be subject to coastal erosion and to federal, state, or local regulations that
177 govern coastal property, including delineation of the CCCL, rigid coastal protection structures, beach
178 nourishment, and the protection of marine turtles. Additional information can be obtained from the Florida
179 Department of Environmental Protection, including whether there are significant erosion conditions associated
180 with the shore line of the Property being purchased.
181 **Buyer** waives the right to receive a CCCL affidavit or survey.

182 9. **Closing Procedure; Costs:** Closing will take place in the county where the Property is located and may be
183 conducted by mail or electronic means. If title insurance insures **Buyer** for title defects arising between the title
184 binder effective date and recording of **Buyer's** deed, closing agent will disburse at closing the net sale proceeds
185 to **Seller** (in local cashier's check if **Seller** requests in writing at least 5 days before closing) and brokerage fees to
186 Broker as per Paragraph 19. In addition to other expenses provided in this contract, **Seller** and **Buyer** will pay the
187 costs indicated below.

188 (a) **Seller Costs:**

189 Taxes on deed
190 Recording fees for documents needed to cure title
191 Title evidence (if applicable under Paragraph 7)
192 Other: _____

193 (b) **Buyer Costs:**

194 Taxes and recording fees on notes and mortgages
195 Recording fees on the deed and financing statements

203 (c) **Prorations:** The following items will be made current and prorated as of the day before Closing Date: real
204 estate taxes (including special benefit tax liens imposed by a CDD), interest, bonds, assessments, leases,
205 and other Property expenses and revenues. If taxes and assessments for the current year cannot be
206 determined, the previous year's rates will be used with adjustment for any exemptions.

207 (d) **Special Assessment by Public Body:** Regarding special assessments imposed by a public body, **Seller**
208 will pay (i) the full amount of liens that are certified, confirmed, and ratified before closing and (ii) the amount
209 of the last estimate of the assessment if an improvement is substantially completed as of Effective Date but
210 has not resulted in a lien before closing; and **Buyer** will pay all other amounts. If special assessments may be
211 paid in installments, **Seller** **Buyer** (**Buyer** if left blank) will pay installments due after closing. If **Seller** is
212 checked, **Seller** will pay the assessment in full before or at the time of closing. Public body does not include a
213 Homeowners' or Condominium Association.

- 220 (f) **Foreign Investment in Real Property Tax Act ("FIRPTA"):** If **Seller** is a "foreign person" as defined by
221 FIRPTA, **Seller** and **Buyer** will comply with FIRPTA, which may require **Seller** to provide additional cash at
222 closing.
223 (g) **1031 Exchange:** If either **Seller** or **Buyer** wish to enter into a like-kind exchange (either simultaneously with
224 closing or after) under Section 1031 of the Internal Revenue Code ("Exchange"), the other party will
225 cooperate in all reasonable respects to effectuate the Exchange including executing documents, provided,
226 however, that the cooperating party will incur no liability or cost related to the Exchange and that the closing
227 will not be contingent upon, extended, or delayed by the Exchange.

228 **10. Computation of Time:** Calendar days will be used when computing time periods, except time periods of 5 days
229 or less. Time periods of 5 days or less will be computed without including Saturday, Sunday, or national legal
230 holidays specified in 5 U.S.C. 6103(a). Any time period ending on a Saturday, Sunday, or national legal holiday
231 will extend until 5:00 p.m. (where the Property is located) of the next business day. **Time is of the essence in**
232 **this contract.**

233 **11. Risk of Loss; Eminent Domain:** If any portion of the Property is materially damaged by casualty before closing
234 or **Seller** negotiates with a governmental authority to transfer all or part of the Property in lieu of eminent domain
235 proceedings or an eminent domain proceeding is initiated, **Seller** will promptly inform **Buyer**. Either party may
236 terminate this contract by written notice to the other within 10 days after **Buyer's** receipt of **Seller's** notification,
237 and **Buyer's** deposit(s) will be returned, failing which **Buyer** will close in accordance with this contract and
238 receive all payments made by the governmental authority or insurance company, if any.

239 **12. Force Majeure:** **Seller** or **Buyer** will not be required to perform any obligation under this contract or be liable to
240 each other for damages so long as the performance or non-performance of the obligation is delayed, caused, or
241 prevented by an act of God or force majeure. An "act of God or "force majeure" is defined as hurricanes,
242 earthquakes, floods, fire, unusual transportation delays, wars, insurrections, and any other cause not reasonably
243 within the control of **Seller** or **Buyer** and which by the exercise of due diligence the non-performing party is
244 unable in whole or in part to prevent or overcome. All time periods, including Closing Date, will be extended for
245 the period that the act of God or force majeure is in place. However, in the event that such act of God or force
246 majeure event continues beyond 30 days, either party may terminate this contract by delivering written notice to
247 the other; and **Buyer's** deposit(s) will be returned.

248 **13. Notices:** All notices will be in writing and delivered to the parties and Broker by mail, personal delivery, or
249 electronic means. **Buyer's failure to timely deliver written notice to Seller, when such notice is required by**
250 **this contract, regarding any contingency will render that contingency null and void, and this contract will**
251 **be construed as if the contingency did not exist. Any notice, document, or item delivered to or received**
252 **by an attorney or licensee (including a transactions broker) representing a party will be as effective as if**
253 **delivered to or received by that party.**

254 **14. Complete Agreement; Persons Bound:** This contract is the entire agreement between **Seller** and **Buyer**.
255 **Except for brokerage agreements, no prior or present agreements will bind Seller, Buyer, or Broker**
256 **unless incorporated into this contract.** Modifications of this contract will not be binding unless in writing, signed
257 or initialed, and delivered by the party to be bound. Electronic signatures will be acceptable and binding. This
258 contract, signatures, initials, documents referenced in this contract, counterparts, and written modifications
259 communicated electronically or on paper will be acceptable for all purposes, including delivery, and will be
260 binding. Handwritten or typewritten terms inserted in or attached to this contract prevail over preprinted terms. If
261 any provision of this contract is or becomes invalid or unenforceable, all remaining provisions will continue to be
262 fully effective. **Seller** and **Buyer** will use diligence and good faith in performing all obligations under this contract.
263 This contract will not be recorded in any public record. The terms "**Seller**," "**Buyer**," and "**Broker**" may be singular
264 or plural. This contract is binding on the heirs, administrators, executors, personal representatives, and assigns, if
265 permitted, of **Seller**, **Buyer**, and Broker.

266 **15. Default and Dispute Resolution:** This contract will be construed under Florida law. This Paragraph will survive
267 closing or termination of this contract.

268 (a) **Seller Default:** If **Seller** fails, neglects, or refuses to perform **Seller's** obligations under this contract, **Buyer**
269 may elect to receive a return of **Buyer's** deposit(s) without thereby waiving any action for damages resulting
270 from **Seller's** breach and may seek to recover such damages or seek specific performance. **Seller** will also
271 be liable for the full amount of the brokerage fee.

16. Escrow Agent; Closing Agent: Seller and Buyer authorize Escrow Agent and closing agent (collectively "Agent") to receive, deposit, and hold funds and other items in escrow and, subject to Collection, disburse them upon proper authorization and in accordance with Florida law and the terms of this contract, including disbursing brokerage fees. "Collection" or "Collected" means any checks tendered or received have become actually and finally collected and deposited in the account of Agent. The parties agree that Agent will not be liable to any person for misdelivery of escrowed items to Seller or Buyer, unless the misdelivery is due to Agent's willful breach of this contract or gross negligence. If Agent interpleads the subject matter of the escrow, Agent will pay the filing fees and costs from the deposit and will recover reasonable attorneys' fees and costs to be paid from the escrowed funds or equivalent and charged and awarded as court costs in favor of the prevailing party.

17. Professional Advice; Broker Liability: Broker advises Seller and Buyer to verify all facts and representations that are important to them and to consult an appropriate professional for legal advice (for example, interpreting this contract, determining the effect of laws on the Property and this transaction, status of title, foreign investor reporting requirements, the effect of property lying partially or totally seaward of the CCCL, etc.) and for tax, property condition, environmental, and other specialized advice. Buyer acknowledges that Broker does not reside in the Property and that all representations (oral, written, or otherwise) by Broker are based on Seller representations or public records. Buyer agrees to rely solely on Seller, professional inspectors, and government agencies for verification of the Property condition and facts that materially affect Property value. Seller and Buyer respectively will pay all costs and expenses, including reasonable attorneys' fees at all levels, incurred by Broker and Broker's officers, directors, agents, and employees in connection with or arising from Seller's or Buyer's misstatement or failure to perform contractual obligations. Seller and Buyer hold harmless and release Broker and Broker's officers, directors, agents, and employees from all liability for loss or damage based on (i) Seller's or Buyer's misstatement or failure to perform contractual obligations; (ii) the use or display of listing data by third parties, including, but not limited to, photographs, images, graphics, video recordings, virtual tours, drawings, written descriptions, and remarks related to the Property; (iii) Broker's performance, at Seller's or Buyer's request, of any task beyond the scope of services regulated by Chapter 475, Florida Statutes, as amended, including Broker's referral, recommendation, or retention of any vendor; (iv) products or services provided by any vendor; and (v) expenses incurred by any vendor. Seller and Buyer each assume full responsibility for selecting and compensating their respective vendors. This Paragraph will not relieve Broker of statutory obligations. For purposes of this Paragraph, Broker will be treated as a party to this contract. This Paragraph will survive closing.

18. Commercial Real Estate Sales Commission Lien Act: If the Property is commercial real estate as defined by Section 475.701, Florida Statutes, the following disclosure will apply: The Florida Commercial Real Estate Sales Commission Lien Act provides that when a broker has earned a commission by performing licensed services under a brokerage agreement with you, the broker may claim a lien against your net sales proceeds for the broker's commission. The broker's lien rights under the act cannot be waived before the commission is earned.

Comments on Market Data All of the sales are located within a few blocks of the subject property, offer similar utility and include no wetlands. Sales 1 and 2 are located on secondary streets similar to the subject's and would require no adjustments. Sale 2 is located on a busier four lane road (Spring Street) and makes up the extreme upper limit of value, indicating a downward adjustment is necessary. A comparison of sale 2 to *

Comments and Conditions of Appraisal *sales 1 and 2 would indicate it requires a downward 35% adjustment for its location on a higher traffic roadway. No other adjustments are necessary. The comparables are being considered on a value per square foot basis, which is the common method of comparison.

RECONCILIATION

Final Reconciliation As sales 1 and 3 offer the most similar value indications, they are given about equal weight to indicate an applicable value for the subject lot of \$11.23/SF. With a total land area of 9,680 square feet (0.22 Acres) at \$11.23/SF, the subject's overall market value is \$108,706, which can be rounded to \$109,000.

I (WE) ESTIMATE THE MARKET VALUE, AS DEFINED, OF THE SUBJECT PROPERTY AS OF 7/18/2017 TO BE \$ 109,000

File No. TF17083L-E

DEFINITION OF MARKET VALUE: The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (1) buyer and seller are typically motivated; (2) both parties are well informed or well advised, and each acting in what he considers his own best interest; (3) a reasonable time is allowed for exposure in the open market; (4) payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions* granted by anyone associated with the sale. (Source: FDIC Interagency Appraisal and Evaluation Guidelines, October 27, 1994.)

*Adjustments to the comparables must be made for special or creative financing or sales concessions. No adjustments are necessary for those costs which are normally paid by sellers as a result of tradition or law in a market area; these costs are readily identifiable since the seller pays these costs in virtually all sales transactions. Special or creative financing adjustments can be made to the comparable property by comparisons to financing terms offered by a third party institutional lender that is not already involved in the property or transaction. Any adjustment should not be calculated on a mechanical dollar for dollar cost of the financing or concession but the dollar amount of any adjustment should approximate the market's reaction to the financing or concessions based on the appraiser's judgement.

STATEMENT OF LIMITING CONDITIONS AND CERTIFICATION

CONTINGENT AND LIMITING CONDITIONS: The appraiser's certification that appears in the appraisal report is subject to the following conditions:

1. The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it. The appraiser assumes that the title is good and marketable and, therefore, will not render any opinions about the title. The property is valued on the basis of it being under responsible ownership.
2. Any sketch provided in the appraisal report may show approximate dimensions of the improvements and is included only to assist the reader of the report in visualizing the property. The appraiser has made no survey of the property.
3. The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand, or as otherwise required by law.
4. Any distribution of valuation between land and improvements in the report applies only under the existing program of utilization. These separate valuations of the land and improvements must not be used in conjunction with any other appraisal and are invalid if they are so used.
5. The appraiser has no knowledge of any hidden or unapparent conditions of the property or adverse environmental conditions (including the presence of hazardous waste, toxic substances, etc.) that would make the property more or less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied, regarding the condition of the property. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. This appraisal report must not be considered an environmental assessment of the subject property.
6. The appraiser obtained the information, estimates, and opinions that were expressed in the appraisal report from sources that he or she considers to be reliable and believes them to be true and correct. The appraiser does not assume responsibility for the accuracy of such items that were furnished by other parties.
7. The appraiser will not disclose the contents of the appraisal report except as provided for in the Uniform Standards of Professional Appraisal Practice, and any applicable federal, state or local laws.
8. The appraiser has based his or her appraisal report and valuation conclusion for an appraisal that is subject to satisfactory completion, repairs, or alterations on the assumption that completion of the improvements will be performed in a workmanlike manner.
9. The appraiser must provide his or her prior written consent before the lender/client specified in the appraisal report can distribute the appraisal report (including conclusions about the property value, the appraiser's identity and professional designations, and references to any professional appraisal organizations or the firm with which the appraiser is associated) to anyone other than the borrower; the mortgagee or its successors and assigns; the mortgage insurer; consultants; professional appraisal organizations; any state or federally approved financial institution; or any department, agency, or instrumentality of the United States or any state or the District of Columbia; except that the lender/client may distribute the property description section of the report only to data collection or reporting service(s) without having to obtain the appraiser's prior written consent. The appraiser's written consent and approval must also be obtained before the appraisal can be conveyed by anyone to the public through advertising, public relations, news, sales, or other media.
10. The appraiser is not an employee of the company or individual(s) ordering this report and compensation is not contingent upon the reporting of a predetermined value or direction of value or upon an action or event resulting from the analysis, opinions, conclusions, or the use of this report. This assignment is not based on a required minimum, specific valuation, or the approval of a loan.

CERTIFICATION: The appraiser certifies and agrees that:

1. The statements of fact contained in this report are true and correct.
2. The reported analyses, opinions, and conclusions are limited only by the reported assumptions and limiting conditions and are my personal, impartial and unbiased professional analyses, opinions, and conclusions.
3. Unless otherwise indicated, I have no present or prospective interest in the property that is the subject of this report and no personal interest with respect to the parties involved.
4. Unless otherwise indicated, I have performed no services, as an appraiser or in any other capacity, regarding the property that is the subject of this report within the three-year period immediately preceding acceptance of this assignment.
5. I have no bias with respect to the property that is the subject of this report or the parties involved with this assignment.
6. My engagement in this assignment was not contingent upon developing or reporting predetermined results.
7. My compensation for completing this assignment is not contingent upon the development or reporting of a predetermined value or direction in value that favors the cause of the client, the amount of the value opinion, the attainment of a stipulated result, or the occurrence of a subsequent event directly related to the intended use of this appraisal.
8. My analyses, opinions, and conclusions were developed, and this report has been prepared, in conformity with the Uniform Standards of Professional Appraisal Practice that were in effect at the time this report was prepared.
9. Unless otherwise indicated, I have made a personal inspection of the interior and exterior areas of the property that is the subject of this report, and the exteriors of all properties listed as comparables.
10. Unless otherwise indicated, no one provided significant real property appraisal assistance to the person(s) signing this certification (if there are exceptions, the name of each individual providing significant real property appraisal assistance is stated elsewhere in this report).
11. As of the date of this report, I have completed the continuing education program for Designated Members of the Appraisal Institute.
12. As of the date of this report, I have completed the Standards and Ethics Education Requirements for Practicing Affiliates of the Appraisal Institute.

Policy Statement of the Appraisal Institute

1. It is improper to base a conclusion or opinion of value upon the premise that the racial, ethnic or religious homogeneity of the inhabitants of an area or of a property is necessary for maximum value.
2. Racial, religious, and ethnic factors are deemed unreliable predictors of value trends or price variance.
3. It is improper to base a conclusion or opinion of value or a conclusion with respect to neighborhood trends upon stereotyped or biased presumptions relating to the effective age or remaining life of the property being appraised or the life expectancy of the neighborhood in which it is located.

ADDITIONAL COMMENTS

Additional USPAP related issues requiring disclosure and/or any state mandated requirements: Subject History: The subject property has been under its current ownership in excess of the previous three years. It was listed for sale by Lisa Bradley of SVN Southland Commercial for \$95,800, which appears to be slightly below market value. She indicated that she received multiple offers that range from \$40,000 to \$115,000. The list price is considered to be a good starting point but the higher end offers are considered to be very reflective of market value. Comparable Sales History: The comparable sales had no other sales in the previous 3 years.

MARKETING TIME AND EXPOSURE TIME FOR THE SUBJECT PROPERTY

- A reasonable marketing time for the subject property is 123 day(s) utilizing market conditions pertinent to the appraisal assignment.
- A reasonable exposure time for the subject property is 123 day(s).

Assumptions, Limiting Conditions & Scope of Work

File No.: TF17083L-E

Property Address: South Reus Street	City: Pensacola	State: FL	Zip Code: 32502
Client: City of Pensacola	Address: 222 West Main Street, Pensacola, FL 32502		
Appraiser: Tom Fruitlicher, MAI	Address: 3000 Langley Ave., Suite 402, Pensacola, FL 32504		

STATEMENT OF ASSUMPTIONS & LIMITING CONDITIONS

- The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it. The appraiser assumes that the title is good and marketable and, therefore, will not render any opinions about the title. The property is appraised on the basis of it being under responsible ownership.
- The appraiser may have provided a sketch in the appraisal report to show approximate dimensions of the improvements, and any such sketch is included only to assist the reader of the report in visualizing the property and understanding the appraiser's determination of its size. Unless otherwise indicated, a Land Survey was not performed.
- If so indicated, the appraiser has examined the available flood maps that are provided by the Federal Emergency Management Agency (or other data sources) and has noted in the appraisal report whether the subject site is located in an identified Special Flood Hazard Area. Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.
- The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand.
- If the cost approach is included in this appraisal, the appraiser has estimated the value of the land in the cost approach at its highest and best use, and the improvements at their contributory value. These separate valuations of the land and improvements must not be used in conjunction with any other appraisal and are invalid if they are so used. Unless otherwise specifically indicated, the cost approach value is not an insurance value, and should not be used as such.
- The appraiser has noted in the appraisal report any adverse conditions (including, but not limited to, needed repairs, depreciation, the presence of hazardous wastes, toxic substances, etc.) observed during the inspection of the subject property, or that he or she became aware of during the normal research involved in performing the appraisal. Unless otherwise stated in the appraisal report, the appraiser has no knowledge of any hidden or unapparent conditions of the property, or adverse environmental conditions (including, but not limited to, the presence of hazardous wastes, toxic substances, etc.) that would make the property more or less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied, regarding the condition of the property. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because the appraiser is not an expert in the field of environmental hazards, the appraisal report must not be considered as an environmental assessment of the property.
- The appraiser obtained the information, estimates, and opinions that were expressed in the appraisal report from sources that he or she considers to be reliable and believes them to be true and correct. The appraiser does not assume responsibility for the accuracy of such items that were furnished by other parties.
- The appraiser will not disclose the contents of the appraisal report except as provided for in the Uniform Standards of Professional Appraisal Practice, and any applicable federal, state or local laws.
- If this appraisal is indicated as subject to satisfactory completion, repairs, or alterations, the appraiser has based his or her appraisal report and valuation conclusion on the assumption that completion of the improvements will be performed in a workmanlike manner.
- An appraiser's client is the party (or parties) who engage an appraiser in a specific assignment. Any other party acquiring this report from the client does not become a party to the appraiser-client relationship. Any persons receiving this appraisal report because of disclosure requirements applicable to the appraiser's client do not become intended users of this report unless specifically identified by the client at the time of the assignment.
- The appraiser's written consent and approval must be obtained before this appraisal report can be conveyed by anyone to the public, through advertising, public relations, news, sales, or by means of any other media, or by its inclusion in a private or public database.
- An appraisal of real property is not a 'home inspection' and should not be construed as such. As part of the valuation process, the appraiser performs a non-invasive visual inventory that is not intended to reveal defects or detrimental conditions that are not readily apparent. The presence of such conditions or defects could adversely affect the appraiser's opinion of value. Clients with concerns about such potential negative factors are encouraged to engage the appropriate type of expert to investigate.

The Scope of Work is the type and extent of research and analyses performed in an appraisal assignment that is required to produce credible assignment results, given the nature of the appraisal problem, the specific requirements of the intended user(s) and the intended use of the appraisal report. Reliance upon this report, regardless of how acquired, by any party or for any use, other than those specified in this report by the Appraiser, is prohibited. The Opinion of Value that is the conclusion of this report is credible only within the context of the Scope of Work, Effective Date, the Date of Report, the Intended User(s), the Intended Use, the stated Assumptions and Limiting Conditions, any Hypothetical Conditions and/or Extraordinary Assumptions, and the Type of Value, as defined herein. The appraiser, appraisal firm, and related parties assume no obligation, liability, or accountability, and will not be responsible for any unauthorized use of this report or its conclusions.

Additional Comments (Scope of Work, Extraordinary Assumptions, Hypothetical Conditions, etc.): The subject property was visually inspected and information from County records was reviewed and relied upon. Upon determination of the land's highest and best use, similar land sales were researched and confirmed with one of the parties to the sale for use in the sales comparison analysis. The sales were adjusted for any differences with the subject and reconciled into a final value opinion. As this is the valuation of land, the income and cost approaches to value are being eliminated from consideration. As no reasonable appraiser would utilize these eliminated approaches and no weight would be placed on them if used, their elimination would have no impact on the final value opinion.

DEFINITION OF MARKET VALUE *:							
Market value means the most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:							
1. Buyer and seller are typically motivated;							
2. Both parties are well informed or well advised and acting in what they consider their own best interests;							
3. A reasonable time is allowed for exposure in the open market;							
4. Payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and							
5. The price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale.							
* This definition is from regulations published by federal regulatory agencies pursuant to Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act (FIRREA) of 1989 between July 5, 1990, and August 24, 1990, by the Federal Reserve System (FRS), National Credit Union Administration (NCUA), Federal Deposit Insurance Corporation (FDIC), the Office of Thrift Supervision (OTS), and the Office of Comptroller of the Currency (OCC). This definition is also referenced in regulations jointly published by the OCC, OTS, FRS, and FDIC on June 7, 1994, and in the Interagency Appraisal and Evaluation Guidelines, dated October 27, 1994.

City Council

8/10/2017

LEGISLATIVE ACTION ITEM

SPONSOR: Ashton J. Hayward, III, Mayor

SUBJECT:

DISPOSITION OF SURPLUS PROPERTY - WEST INTENDENCIA

RECOMMENDATION:

That City Council approve the sale of West Intendencia Street, parcel identification number 000S009080014094, account number 153145000 to the highest and most responsible bidder, Charles Liberis Old City Developers, LLC, in the amount of \$20,000. Further that City Council authorize the Mayor to negotiate and execute all necessary documents related to the sale of the property. Finally, that 50 percent of the proceeds, after costs associated with the final transaction, are allocated to the Housing Initiatives Fund.

HEARING REQUIRED: No Hearing Required

SUMMARY:

The unimproved property located at West Intendencia Street was approved by City Council as surplus property. The property is approximately 0.0800 acres and is zoned R-1AA. To facilitate the sale of the property, an RFP was issued and SVNCRE GROUP, LLC, a Florida limited liability corporation, DBA Southland Commercial Real Estate (SVN) was selected to market the parcel and respond to inquiries related to the sale of the property at a commission rate of 6%.

In accordance with the Policy for Disposition of City-Owned Real Property, property owners within a 300 foot radius of the parcel received public notice of advertisement for bids for sale of surplus property by mail on May 11, 2017 and an appraisal of the property was conducted. The estimated market value of the subject property as appraised by Fruitticher-Lowery Appraisal Group on July 18, 2017 is \$19,500.

Three (3) bids were received by SVN and the highest bid received was \$20,000 (\$500 more than the appraised value) from Charles Liberis, Old City Developers, LLC on June 21, 2017. The buyer will pay closing costs.

PRIOR ACTION:

January 12, 2017 - City Council declared the City-owned unimproved real property located at West Intendencia Street as surplus and authorized the Mayor to engage the services of a real estate professional from the City's list of qualified real estate professionals to market and sell the parcel.

FUNDING:

N/A

FINANCIAL IMPACT:

All costs associated with final transaction will come from sale proceeds with 50 percent of the remaining amount allocated to the Housing Initiatives Fund.

1. PURCHASE AND SALE:

Olde City Developers, LLC and/or assigns ("BUYER") agrees to buy and City of Pensacola ("SELLER") agrees to sell the property

described as: Street Address: W Intendencia Street Pensacola FL 32502

Parcel 00-0S-00-9080-014-094

Legal Description: Attached hereto as Exhibit 'A,' and subject to verification by survey, and the following personal property: none

(all collectively referred to as the "PROPERTY") on the terms and conditions set forth below.

The "Effective Date" of this Contract is the date on which the last of the Parties signs the latest offer. Time is of the essence in this Contract. Time periods of five (5) days or less shall be computed without including Saturday, Sunday, or national legal holidays and any time period ending on a Saturday, Sunday or national legal holiday shall be extended until 5:00 p.m. on the next business day.

2. PURCHASE PRICE:

Table with 2 columns: Description and Amount. Rows include deposit to be held in escrow (\$20,000.00), LESS: Additional deposit (\$2,000.00), LESS: Total mortgages (\$N/A), and Balance to close (\$18,000.00).

3. THIRD PARTY FINANCING:

Within three (3) days from Effective Date ("Application Period"), BUYER shall, at BUYER'S expense, apply for Third-party financing at terms acceptable to Buyer. BUYER shall pay for all loan expenses, including the mortgagee title policy, which is typically available as an "add-on" to the owner's policy referenced in Section 4(a), below. BUYER shall timely provide any and all credit, employment, financial, estoppel letters and other information as reasonably required by any lender. BUYER shall notify SELLER immediately upon obtaining financing or being rejected by a lender. If BUYER, after diligent effort, fails to obtain a written commitment by ten (10) days prior to the expiration of the Inspection Period referenced in Section 7(b), below, ("Financing Period"), BUYER shall either:

- a) waive this financing contingency and proceed with closing, or
b) Reapply at SELLER'S request and at BUYER'S expense for financing at an alternate lender selected by SELLER. Reapplication will be made within three (3) days from SELLER'S request. If SELLER does not request reapplication, either party may terminate this Contract by written notice to the other party within the Inspection Period.

4. TITLE:

SELLER has the legal capacity to and shall convey marketable title to the Property by : X statutory warranty deed, or other, specify: n/a, free of liens, easements and encumbrances of record or known to SELLER, but subject to property taxes for the year of closing; covenants, restrictions and

provided there exists at closing no violation of the foregoing and none of them Prevents BUYER'S intended use
as N/A

- a) **EVIDENCE OF TITLE:** SELLER shall, at X SELLER'S BUYER'S expense, and not later than fifteen (15) days prior to the Closing Date, Deliver to BUYER a title insurance policy by a Florida licensed title insurer and, upon BUYER recording the deed, an ALTA owner's policy in the amount of the purchase price for fee simple title subject only to exceptions stated above. BUYER shall, within seven (7) days from receipt of the commitment, deliver written notice to SELLER of title defects. Title shall be deemed acceptable to BUYER if (1) BUYER fails to deliver proper notice of defects or (2) BUYER delivers proper notice and SELLER cures the defects within fifteen (15) days from receipt of the notice ("Curative Period"). If the defects are cured within the Curative Period, closing shall occur within 10 days from receipt by BUYER of such curing. SELLER may elect not to cure defects if SELLER reasonably believes any defect cannot be cured within the Curative Period. If the defects are not cured within the Curative Period, BUYER shall have 10 days from receipt of notice of SELLER'S inability to cure the defects to elect whether to terminate this Contract or accept title subject to existing defects and close the transaction without reduction in purchase price. (If the BUYER needs a title commitment during the Inspection Period, the Buyer may have one prepared at its expense.)

- b) **SURVEY:**
 - i) SELLER shall, within five (5) business days from Effective Date, deliver to BUYER copies of pertinent documents that SELLER has in its possession, including but not limited to: leases, surveys, plans, specifications and engineering documents for the subject property, *if any*, in SELLER'S possession. Closing Agent. BUYER and SELLER shall, within five (5) days from the expiration of the Inspection Period as referenced in Paragraph 7(b) hereunder, deliver to Escrow Agent signed instructions which provide for closing procedure. If an institutional lender is providing purchase funds, lender requirements as to place, time of day and closing procedures shall control over any contrary provisions in this Contract.

a) **COSTS:**

- i) **BUYER** shall pay taxes and recording fees on notes, mortgages and financing statements and recording fees for the new deed.
- ii) **SELLER** shall pay documentary stamps on the deed and recording fees for any documents needed to cure title defects. If a septic tank inspection is required, the Seller will pay the required fee to the Department of Health and arrange for said inspection prior to closing. If SELLER is obligated to discharge any encumbrance at or prior to closing and fails to do so, BUYER may use purchase proceeds to satisfy the encumbrances.

b) **DOCUMENTS:**

- i) **SELLER** shall provide the deed, bill of sale, mechanic's lien affidavit, assignments of leases, updated rent roll, tenant and lender estoppel letters, assignments of permits and licenses, corrective instruments and letters notifying tenants of the change in ownership/rental agreement. If any tenant refuses to execute an estoppel letter, SELLER shall certify that information regarding the tenant's lease is correct. If SELLER is a corporation, SELLER shall deliver a resolution of its Board of Directors authorizing the sale and delivery of the deed and certification by the corporate Secretary certifying the resolution and setting forth facts showing the conveyance conforms either the requirements of local law. SELLER shall transfer security deposits to BUYER.
- ii) **BUYER** shall provide the closing statement, mortgages and notes, security agreements and financing statements.

- c) **TAXES, ASSESSMENTS, AND PRO-RATIONS:** The following items, as applicable, shall be made current and prorated as of Closing Date: real estate taxes, bond and assessment payments assumed by BUYER, interest, rents, association dues, and assumable insurance premiums acceptable to BUYER. If the amount of taxes and assessments for the current year cannot be ascertained, rates for the previous year shall be used with due allowance being made for improvements and exemptions. SELLER is aware of the following assessments affecting or potentially affecting the Property: none known

BUYER shall be responsible for all assessments of any kind which become due and owing on or after Effective Date, unless the improvement is substantially completed as of Closing Date, in which case SELLER shall be obligated to pay the entire assessment.

Commercial Real Estate Services, Worldwide.

- d) **FIRPTA Tax Withholding:** The foreign Investment in Real Property Act ("FIRPTA") requires BUYER to withhold at closing a portion of the purchase proceeds for remission to the Internal Revenue Service if SELLER is a "foreign person" as defined by the Internal Revenue Code. The parties agree to comply with the provisions of FIRPTA and to provide, at or prior to closing, appropriate documentation to establish any applicable exemption from the withholding requirement. If withholding is required and BUYER does not have cash sufficient at closing to meet the withholding requirement, SELLER shall provide the necessary funds and BUYER shall provide proof to SELLER that such funds were properly remitted to the I.R.S.

6. ESCROW:

BUYER and SELLER authorize Liberis Law Firm

Address: 212 Intendencia, Pensacola, Florida 32502

Telephone: (850) 438-9647 Facsimile: (850) 433-5409

to act as "Escrow Agent" to receive funds and other items and, subject to clearance, disburse them in accordance with the terms of this Contract. Escrow Agent will deposit all funds received in a non-interest bearing escrow account. If Escrow Agent receives conflicting demands or has a good faith doubt as to Escrow Agent's duties or liabilities under this Contract, he/she may (a) hold the subject matter of the escrow until the parties mutually agree to its disbursement or until issuance of a court order or decision of arbitrator determining the parties' rights regarding the escrow or (b) deposit the subject matter of the escrow with the clerk of the circuit court having jurisdiction over the dispute. Upon notifying the parties of such action, Escrow Agent shall be released from all liability except for the duty to account for items previously delivered out of escrow. If a licensed real estate broker, Escrow Agent shall comply with applicable provisions of Chapter 475, Florida Statutes. In any suit or arbitration in which Escrow Agent is made a party because of acting as agent hereunder or interpleads the subject matter of the escrow, Escrow Agent shall recover reasonably attorney's fees and costs, which such fees and costs to be paid from the escrowed funds or equivalent and charged and awarded as court or other costs in favor of the prevailing party. The parties agree that Escrow Agent shall not be liable to any person for misdelivery to BUYER or SELLER of escrowed items, unless the misdelivery is due to Escrow Agent's willful breach of this Contract or gross negligence.

7. PROPERTY CONDITION:

SELLER shall deliver the Property to BUYER at the time agrees in its present "as is" condition, ordinary wear and tear excepted, and shall maintain the landscaping and grounds in a comparable condition. SELLER makes no warranties other than marketability of title. By accepting the Property "as is", BUYER waives all claims against SELLER for any defects in the Property. *Select one of the following:*

- a) **As Is:** BUYER has inspected the Property or waives any right to inspect and accepts the Property in its "AS IS" condition, or
- b) **As Is With Right of Inspection:** BUYER may, at BUYER'S expense and within 30

Commercial Real Estate Services, Worldwide.

_____ days from the Effective Date ("Inspection Period"), conduct inspections, tests and investigations of the Property as BUYER deems necessary to determine suitability for BUYER'S intended use. It is BUYER'S sole responsibility to confirm with the appropriate municipal or county authorities that the zoning and future land use for the property will allow for the BUYER'S specific use. SELLER shall grant reasonable access to the Property to the BUYER, its agents, contractors and assigns for the purpose of conducting the inspections provided, however, that all such persons enter the Property and conduct the inspections at their own risk. BUYER shall indemnify and hold SELLER harmless from losses, damages, costs, claims and expenses of any nature, including attorney's fees, and from liability to any person, arising from the conduct of inspections or work authorized by BUYER. BUYER shall not engage in any activity that could result in a mechanics lien being filed against the Property without SELLER'S prior written consent. BUYER may terminate this Contract by written notice to SELLER prior to expiration of the Inspection Period if the inspections reveal conditions which are reasonably unsatisfactory to BUYER, unless SELLER elects to repair such conditions to BUYER'S satisfaction. If this transaction does not close, BUYER shall, at BUYER'S expense, repair all damages to the Property resulting from the inspections and return the Property to its present condition.

During the Inspection Period, the BUYER may, at BUYER'S sole discretion, terminate this contract with prior written notice to SELLER, and receive full refund of escrow deposit(s).

Walk-through Inspection: BUYER may, on the day prior to closing or any other time mutually agreeable to the parties, conduct a final "walk-through" inspection of the Property to determine compliance with this paragraph and to ensure that all Property is on the premises. No new issues may be raised as a result of the walk-through. **Radon Gas:** Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.

8. OPERATION OF PROPERTY DURING CONTRACT PERIOD:

SELLER shall continue to operate the Property and any business conducted on the Property in the manner operated prior to Contract and shall take no action which would adversely impact the Property, tenants, lenders, or business, if any. Any changes, such as renting vacant space, which materially affect the Property or BUYER'S intended use of the Property shall be permitted only with BUYER'S consent.

9. RETURN OF DEPOSIT:

In the event any condition of this Contract is not met and BUYER has acted in good faith and with the required degree of diligence, BUYER'S deposit shall be returned and this Contract shall terminate.

10. DEFAULT:

In the event the sale is not closed due to any default or failure on the part of BUYER, SELLER may either:

Commercial Real Estate Services, Worldwide.

- a) retain all deposit(s) paid or agreed to be paid by BUYER as agreed upon liquidated damages, consideration for the execution of this Contract, and in full settlement of any claims, upon which this Contract shall terminate, or
- b) seek specific performance. If SELLER elects to retain the deposit, BUYER shall be liable to Broker for the full amount of the brokerage fee.

11. ATTORNEY'S FEES AND COSTS:

In any claim or controversy arising out of or relating to this Contract, the prevailing party, which for purposes of this provision shall include BUYER, SELLER, and Broker, shall be awarded reasonable attorney's fees, costs and expenses.

12. BROKERS:

Neither BUYER nor SELLER has utilized the services of, or for any other reason owes compensation to, a licensed real estate Broker other than:

- a) **Listing Broker:** SVN Southland Commercial, who is an agent of the Seller

1. PURCHASE AND SALE:

Olde City Developers, LLC and/or assigns ("BUYER") agrees to buy and City of Pensacola ("SELLER") agrees to sell the property

described as: Street Address: W Intendencia Street Pensacola FL 32502

Parcel 00-0S-00-9080-014-094

Legal Description: Attached hereto as Exhibit 'A,' and subject to verification by survey, and the following personal property: none

(all collectively referred to as the "PROPERTY") on the terms and conditions set forth below.

The "Effective Date" of this Contract is the date on which the last of the Parties signs the latest offer. Time is of the essence in this Contract. Time periods of five (5) days or less shall be computed without including Saturday, Sunday, or national legal holidays and any time period ending on a Saturday, Sunday or national legal holiday shall be extended until 5:00 p.m. on the next business day.

2. PURCHASE PRICE:

Table with 2 columns: Description and Amount. Includes rows for deposit, less additional deposit, less mortgages, and balance to close.

3. THIRD PARTY FINANCING:

Within three (3) days from Effective Date ("Application Period"), BUYER shall, at BUYER'S expense, apply for Third-party financing at terms acceptable to Buyer. BUYER shall pay for all loan expenses, including the mortgagee title policy, which is typically available as an "add-on" to the owner's policy referenced in Section 4(a), below. BUYER shall timely provide any and all credit, employment, financial, estoppel letters and other information as reasonably required by any lender. BUYER shall notify SELLER immediately upon obtaining financing or being rejected by a lender. If BUYER, after diligent effort, fails to obtain a written commitment by ten (10) days prior to the expiration of the Inspection Period referenced in Section 7(b), below, ("Financing Period"), BUYER shall either:

- a) waive this financing contingency and proceed with closing, or
b) Reapply at SELLER'S request and at BUYER'S expense for financing at an alternate lender selected by SELLER. Reapplication will be made within three (3) days from SELLER'S request. If SELLER does not request reapplication, either party may terminate this Contract by written notice to the other party within the Inspection Period.

4. TITLE:

SELLER has the legal capacity to and shall convey marketable title to the Property by: X statutory warranty deed, or other, specify: n/a, free of liens, easements and encumbrances of record or known to SELLER, but subject to property taxes for the year of closing; covenants, restrictions and

public utility easements of record; and (list any other matters to which title will be subject: none known; provided there exists at closing no violation of the foregoing and none of them Prevents BUYER'S intended use as N/A

a) EVIDENCE OF TITLE: SELLER shall, at X SELLER'S BUYER'S expense, and not later than fifteen (15) days prior to the Closing Date, Deliver to BUYER a title insurance policy by a Florida licensed title insurer and, upon BUYER recording the deed, an ALTA owner's policy in the amount of the purchase price for fee simple title subject only to exceptions stated above. BUYER shall, within seven (7) days from receipt of the commitment, deliver written notice to SELLER of title defects. Title shall be deemed acceptable to BUYER if (1) BUYER fails to deliver proper notice of defects or (2) BUYER delivers proper notice and SELLER cures the defects within fifteen (15) days from receipt of the notice ("Curative Period"). If the defects are cured within the Curative Period, closing shall occur within 10 days from receipt by BUYER of such curing. SELLER may elect not to cure defects if SELLER reasonably believes any defect cannot be cured within the Curative Period. If the defects are not cured within the Curative Period, BUYER shall have 10 days from receipt of notice of SELLER'S inability to cure the defects to elect whether to terminate this Contract or accept title subject to existing defects and close the transaction without reduction in purchase price. (If the BUYER needs a title commitment during the Inspection Period, the Buyer may have one prepared at its expense.)

b) SURVEY:
i) SELLER shall, within five (5) business days from Effective Date, deliver to BUYER copies of pertinent documents that SELLER has in its possession, including but not limited to: leases, surveys, plans, specifications and engineering documents for the subject property, if any, in SELLER'S possession. N/A
ii) BUYER shall, at BUYER'S expense and within the Inspection Period, obtain a current certified survey of the Property from a registered surveyor. If the survey reveals encroachments on the Property or that the improvements encroach on the lands of another such encroachments shall constitute a title defect to be cured within the Curative Period.

c) INGRESS AND EGRESS: SELLER warrants that the Property presently has ingress and egress sufficient for BUYER'S intended use of the Property, title to which is in accordance with Section 4.

d) POSSESSION: SELLER shall deliver possession and keys for all locks and alarms to BUYER at closing.

5. CLOSING DATE AND PROCEDURE:

This transaction shall be closed in Escambia County, Florida, on or before n/a, or within 30 days after due diligence, unless otherwise extended herein. BUYER shall designate the

Closing Agent. BUYER and SELLER shall, within five (5) days from the expiration of the Inspection Period as referenced in Paragraph 7(b) hereunder, deliver to Escrow Agent signed instructions which provide for closing procedure. If an institutional lender is providing purchase funds, lender requirements as to place, time of day and closing procedures shall control over any contrary provisions in this Contract.

a) **COSTS:**

- i) **BUYER** shall pay taxes and recording fees on notes, mortgages and financing statements and recording fees for the new deed.
- ii) **SELLER** shall pay documentary stamps on the deed and recording fees for any documents needed to cure title defects. If a septic tank inspection is required, the Seller will pay the required fee to the Department of Health and arrange for said inspection prior to closing. If SELLER is obligated to discharge any encumbrance at or prior to closing and fails to do so, BUYER may use purchase proceeds to satisfy the encumbrances.

b) **DOCUMENTS:**

- i) **SELLER** shall provide the deed, bill of sale, mechanic's lien affidavit, assignments of leases, updated rent roll, tenant and lender estoppel letters, assignments of permits and licenses, corrective instruments and letters notifying tenants of the change in ownership/rental agreement. If any tenant refuses to execute an estoppel letter, SELLER shall certify that information regarding the tenant's lease is correct. If SELLER is a corporation, SELLER shall deliver a resolution of its Board of Directors authorizing the sale and delivery of the deed and certification by the corporate Secretary certifying the resolution and setting forth facts showing the conveyance conforms either the requirements of local law. SELLER shall transfer security deposits to BUYER.
- ii) **BUYER** shall provide the closing statement, mortgages and notes, security agreements and financing statements.

c) **TAXES, ASSESSMENTS, AND PRO-RATIONS:** The following items, as applicable, shall be made current and prorated as of Closing Date: real estate taxes, bond and assessment payments assumed by BUYER, interest, rents, association dues, and assumable insurance premiums acceptable to BUYER. If the amount of taxes and assessments for the current year cannot be ascertained, rates for the previous year shall be used with due allowance being made for improvements and exemptions. SELLER is aware of the following assessments affecting or potentially affecting the Property: **none known**

BUYER shall be responsible for all assessments of any kind which become due and owing on or after Effective Date, unless the improvement is substantially completed as of Closing Date, in which case SELLER shall be obligated to pay the entire assessment.

d) **FIRPTA Tax Withholding:** The foreign Investment in Real Property Act ("FIRPTA") requires BUYER to withhold at closing a portion of the purchase proceeds for remission to the Internal Revenue Service if SELLER is a "foreign person" as defined by the Internal Revenue Code. The parties agree to comply with the provisions of FIRPTA and to provide, at or prior to closing, appropriate documentation to establish any applicable exemption from the withholding requirement. If withholding is required and BUYER does not have cash sufficient at closing to meet the withholding requirement, SELLER shall provide the necessary funds and BUYER shall provide proof to SELLER that such funds were properly remitted to the I.R.S.

Commercial Real Estate Services, Worldwide.

6. ESCROW:

BUYER and SELLER authorize **Liberis Law Firm**

Address: **212 Intendencia, Pensacola, Florida 32502**

Telephone: **(850) 438-9647** Facsimile: **(850) 433-5409**

to act as "Escrow Agent" to receive funds and other items and, subject to clearance, disburse them in accordance with the terms of this Contract. Escrow Agent will deposit all funds received in a non-interest bearing escrow account. If Escrow Agent receives conflicting demands or has a good faith doubt as to Escrow Agent's duties or liabilities under this Contract, he/she may (a) hold the subject matter of the escrow until the parties mutually agree to its disbursement or until issuance of a court order or decision of arbitrator determining the parties' rights regarding the escrow or (b) deposit the subject matter of the escrow with the clerk of the circuit court having jurisdiction over the dispute. Upon notifying the parties of such action, Escrow Agent shall be released from all liability except for the duty to account for items previously delivered out of escrow. If a licensed real estate broker, Escrow Agent shall comply with applicable provisions of Chapter 475, Florida Statutes. In any suit or arbitration in which Escrow Agent is made a party because of acting as agent hereunder or interpleads the subject matter of the escrow, Escrow Agent shall recover reasonably attorney's fees and costs, which such fees and costs to be paid from the escrowed funds or equivalent and charged and awarded as court or other costs in favor of the prevailing party. The parties agree that Escrow Agent shall not be liable to any person for misdelivery to BUYER or SELLER of escrowed items, unless the misdelivery is due to Escrow Agent's willful breach of this Contract or gross negligence.

7. PROPERTY CONDITION:

SELLER shall deliver the Property to BUYER at the time agrees in its present "as is" condition, ordinary wear and tear excepted, and shall maintain the landscaping and grounds in a comparable condition. SELLER makes no warranties other than marketability of title. By accepting the Property "as is", BUYER waives all claims against SELLER for any defects in the Property. *Select one of the following:*

- a) **As Is:** BUYER has inspected the Property or waives any right to inspect and accepts the Property in its "AS IS" condition, or
- b) **As Is With Right of Inspection:** BUYER may, at BUYER'S expense and within 30

Commercial Real Estate Services, Worldwide.

_____ days from the Effective Date ("Inspection Period"), conduct inspections, tests and investigations of the Property as BUYER deems necessary to determine suitability for BUYER'S intended use. It is BUYER'S sole responsibility to confirm with the appropriate municipal or county authorities that the zoning and future land use for the property will allow for the BUYER'S specific use. SELLER shall grant reasonable access to the Property to the BUYER, its agents, contractors and assigns for the purpose of conducting the inspections provided, however, that all such persons enter the Property and conduct the inspections at their own risk. BUYER shall indemnify and hold SELLER harmless from losses, damages, costs, claims and expenses of any nature, including attorney's fees, and from liability to any person, arising from the conduct of inspections or work authorized by BUYER. BUYER shall not engage in any activity that could result in a mechanics lien being filed against the Property without SELLER'S prior written consent. BUYER may terminate this Contract by written notice to SELLER prior to expiration of the Inspection Period if the inspections reveal conditions which are reasonably unsatisfactory to BUYER, unless SELLER elects to repair such conditions to BUYER'S satisfaction. If this transaction does not close, BUYER shall, at BUYER'S expense, repair all damages to the Property resulting from the inspections and return the Property to its present condition.

During the Inspection Period, the BUYER may, at BUYER'S sole discretion, terminate this contract with prior written notice to SELLER, and receive full refund of escrow deposit(s).

Walk-through Inspection: BUYER may, on the day prior to closing or any other time mutually agreeable to the parties, conduct a final "walk-through" inspection of the Property to determine compliance with this paragraph and to ensure that all Property is on the premises. No new issues may be raised as a result of the walk-through. **Radon Gas:** Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.

8. OPERATION OF PROPERTY DURING CONTRACT PERIOD:

SELLER shall continue to operate the Property and any business conducted on the Property in the manner operated prior to Contract and shall take no action which would adversely impact the Property, tenants, lenders, or business, if any. Any changes, such as renting vacant space, which materially affect the Property or BUYER'S intended use of the Property shall be permitted only with BUYER'S consent.

9. RETURN OF DEPOSIT:

In the event any condition of this Contract is not met and BUYER has acted in good faith and with the required degree of diligence, BUYER'S deposit shall be returned and this Contract shall terminate.

10. DEFAULT:

In the event the sale is not closed due to any default or failure on the part of BUYER, SELLER may either:

Commercial Real Estate Services, Worldwide.

- a) retain all deposit(s) paid or agreed to be paid by BUYER as agreed upon liquidated damages, consideration for the execution of this Contract, and in full settlement of any claims, upon which this Contract shall terminate, or
- b) seek specific performance. If SELLER elects to retain the deposit, BUYER shall be liable to Broker for the full amount of the brokerage fee.

11. ATTORNEY'S FEES AND COSTS:

In any claim or controversy arising out of or relating to this Contract, the prevailing party, which for purposes of this provision shall include BUYER, SELLER, and Broker, shall be awarded reasonable attorney's fees, costs and expenses.

12. BROKERS:

Neither BUYER nor SELLER has utilized the services of, or for any other reason owes compensation to, a licensed real estate Broker other than:

- a) **Listing Broker:** SVN Southland Commercial, who is an agent of the Seller
And who will be compensated by SELLER as per the terms of separate listing agreement with SELLER.
- b) **Cooperating Broker:** NAI Halford, who is an agent of BUYER
And who will be compensated by SELLER.

(collectively referred to as "Broker") in connection with any act relating to the Property, including but not limited to inquiries, introductions, consultations and negotiations resulting in this transaction. SELLER and BUYER agree to indemnify and hold Broker harmless from and against losses, damages, costs and expenses of any kind, including reasonable attorney's fees, and from liability to any person, arising from (1) compensation claimed which is inconsistent with the representation in this Paragraph, (2) enforcement action to collect a brokerage fee pursuant to Paragraph 10, (3) any duty accepted by Broker at the request of BUYER or SELLER, which duty is beyond the scope of services regulated by Chapter 475, F.S., or (4) recommendations of services provided and expense incurred by any 3rd party whom Broker refers, recommends or retains for or on behalf of BUYER or SELLER.

13. ASSIGNABILITY; PERSONS BOUND:

This Contract _____ is not assignable, or X is assignable. The terms "BUYER," "SELLER," and "Broker" may be singular or plural. This Contract is binding upon BUYER, SELLER, and their heirs, personal representatives, successors, and assigns (if assignment is permitted).

14. 1031 TAX-DEFERRED EXCHANGE:

SELLER _____ BUYER May elect to effect disposition of the Property through a tax-deferred exchange under Internal Revenue Code Section 1031, and both parties agree to cooperate therein, if requested to do so. Any party making use of the exchange agrees to hold the other party harmless from all costs related to said exchange.

	The undersigned has recited the following recent sales of properties most similar and proximate to subject and has considered these in the market analysis. The description includes a dollar adjustment reflecting market reaction to those items of significant variation between the subject and comparable properties. If a significant item in the comparable property is superior to or more favorable than the subject property, a minus (-) adjustment is made, thus reducing the indicated value of subject; if a significant item in the comparable is inferior to or less favorable than the subject property, a plus (+) adjustment is made thus increasing the indicated value of the subject.

Comments on Market Data <u>All of the sales are located within a few blocks of the subject property, offer similar utility and include no wetlands. As they are so similar, no adjustments will be made but they will be considered on a value per square foot basis in a qualitative analysis. Sales 1 and 2 are located 1 block north of Garden St. and just a few blocks from each other, yet sale 1 at \$3.09/SF is well below sale 2 at \$5.01/SF.*</u>																																																																																																		
Comments and Conditions of Appraisal <u>*This value difference is considered to be due to the negotiating skills of the buyer and seller of sale 1. As sale 1 is so far below the other two sales, it will be given less weight. Sales 2 and 3 indicated more similar values and are both very recent sales. Sale 3, like the subject, is also located between Garden Street and Main Street.</u>																																																																																																		
RECONCILIATION	Final Reconciliation <u>As sales 2 and 3 offer the most similar value indications, they are given about equal weight to indicate an applicable value for the subject lot of \$5.58/SF. With a total land area of 3,484 square feet (0.08 Acres) at \$5.58/SF, the subject's overall market value is \$19,441, which can be rounded to \$19,500.</u>

File No. TF17082L-E

DEFINITION OF MARKET VALUE: The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (1) buyer and seller are typically motivated; (2) both parties are well informed or well advised, and each acting in what he considers his own best interest; (3) a reasonable time is allowed for exposure in the open market; (4) payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions* granted by anyone associated with the sale. (Source: FDIC Interagency Appraisal and Evaluation Guidelines, October 27, 1994.)

* Adjustments to the comparables must be made for special or creative financing or sales concessions. No adjustments are necessary for those costs which are normally paid by sellers as a result of tradition or law in a market area; these costs are readily identifiable since the seller pays these costs in virtually all sales transactions. Special or creative financing adjustments can be made to the comparable property by comparisons to financing terms offered by a third party institutional lender that is not already involved in the property or transaction. Any adjustment should not be calculated on a mechanical dollar for dollar cost of the financing or concession but the dollar amount of any adjustment should approximate the market's reaction to the financing or concessions based on the appraiser's judgement.

STATEMENT OF LIMITING CONDITIONS AND CERTIFICATION

CONTINGENT AND LIMITING CONDITIONS: The appraiser's certification that appears in the appraisal report is subject to the following conditions:

1. The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it. The appraiser assumes that the title is good and marketable and, therefore, will not render any opinions about the title. The property is valued on the basis of it being under responsible ownership.
2. Any sketch provided in the appraisal report may show approximate dimensions of the improvements and is included only to assist the reader of the report in visualizing the property. The appraiser has made no survey of the property.
3. The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand, or as otherwise required by law.
4. Any distribution of valuation between land and improvements in the report applies only under the existing program of utilization. These separate valuations of the land and improvements must not be used in conjunction with any other appraisal and are invalid if they are so used.
5. The appraiser has no knowledge of any hidden or unapparent conditions of the property or adverse environmental conditions (including the presence of hazardous waste, toxic substances, etc.) that would make the property more or less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied, regarding the condition of the property. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. This appraisal report must not be considered an environmental assessment of the subject property.
6. The appraiser obtained the information, estimates, and opinions that were expressed in the appraisal report from sources that he or she considers to be reliable and believes them to be true and correct. The appraiser does not assume responsibility for the accuracy of such items that were furnished by other parties.
7. The appraiser will not disclose the contents of the appraisal report except as provided for in the Uniform Standards of Professional Appraisal Practice, and any applicable federal, state or local laws.
8. The appraiser has based his or her appraisal report and valuation conclusion for an appraisal that is subject to satisfactory completion, repairs, or alterations on the assumption that completion of the improvements will be performed in a workmanlike manner.
9. The appraiser must provide his or her prior written consent before the lender/client specified in the appraisal report can distribute the appraisal report (including conclusions about the property value, the appraiser's identity and professional designations, and references to any professional appraisal organizations or the firm with which the appraiser is associated) to anyone other than the borrower; the mortgagee or its successors and assigns; the mortgage insurer; consultants; professional appraisal organizations; any state or federally approved financial institution; or any department, agency, or instrumentality of the United States or any state or the District of Columbia; except that the lender/client may distribute the property description section of the report only to data collection or reporting service(s) without having to obtain the appraiser's prior written consent. The appraiser's written consent and approval must also be obtained before the appraisal can be conveyed by anyone to the public through advertising, public relations, news, sales, or other media.
10. The appraiser is not an employee of the company or individual(s) ordering this report and compensation is not contingent upon the reporting of a predetermined value or direction of value or upon an action or event resulting from the analysis, opinions, conclusions, or the use of this report. This assignment is not based on a required minimum, specific valuation, or the approval of a loan.

CERTIFICATION: The appraiser certifies and agrees that:

1. The statements of fact contained in this report are true and correct.
2. The reported analyses, opinions, and conclusions are limited only by the reported assumptions and limiting conditions and are my personal, impartial and unbiased professional analyses, opinions, and conclusions.
3. Unless otherwise indicated, I have no present or prospective interest in the property that is the subject of this report and no personal interest with respect to the parties involved.
4. Unless otherwise indicated, I have performed no services, as an appraiser or in any other capacity, regarding the property that is the subject of this report within the three-year period immediately preceding acceptance of this assignment.
5. I have no bias with respect to the property that is the subject of this report or the parties involved with this assignment.
6. My engagement in this assignment was not contingent upon developing or reporting predetermined results.
7. My compensation for completing this assignment is not contingent upon the development or reporting of a predetermined value or direction in value that favors the cause of the client, the amount of the value opinion, the attainment of a stipulated result, or the occurrence of a subsequent event directly related to the intended use of this appraisal.
8. My analyses, opinions, and conclusions were developed, and this report has been prepared, in conformity with the Uniform Standards of Professional Appraisal Practice that were in effect at the time this report was prepared.
9. Unless otherwise indicated, I have made a personal inspection of the interior and exterior areas of the property that is the subject of this report, and the exteriors of all properties listed as comparables.
10. Unless otherwise indicated, no one provided significant real property appraisal assistance to the person(s) signing this certification (if there are exceptions, the name of each individual providing significant real property appraisal assistance is stated elsewhere in this report).
11. As of the date of this report, I have completed the continuing education program for Designated Members of the Appraisal Institute
12. As of the date of this report, I have completed the Standards and Ethics Education Requirements for Practicing Affiliates of the Appraisal Institute.

Policy Statement of the Appraisal Institute

1. It is improper to base a conclusion or opinion of value upon the premise that the racial, ethnic or religious homogeneity of the inhabitants of an area or of a property is necessary for maximum value.
2. Racial, religious, and ethnic factors are deemed unreliable predictors of value trends or price variance.
3. It is improper to base a conclusion or opinion of value or a conclusion with respect to neighborhood trends upon stereotyped or biased presumptions relating to the effective age or remaining life of the property being appraised or the life expectancy of the neighborhood in which it is located.

APPRAISAL ASSISTANCE

Unless otherwise noted, no one provided significant real property appraisal assistance to the person signing this certification. If anyone did provide significant assistance, they are hereby identified along with a summary of the extent of the assistance provided in the report.

ADDITIONAL COMMENTS

Additional USPAP related issues requiring disclosure and/or any state mandated requirements: **Subject History:** The subject property has been under its current ownership in excess of the previous three years. It was listed for sale by Lisa Bradley of SVN Southland Commercial for \$23,000. She indicated that she received multiple offers that range from \$15,000 to \$20,000. The list price is considered to be a good starting point but the offers are considered to be very reflective of market value. **Comparable Sales History:** Sale 1 had no arm's length sales in the previous 3 years but did have several quit claim deeds that were recorded in 2015 and 2014 but these were not arm's length and only minimal doc stamps were paid. Sale 2 had no other sales in the previous 3 years. Sale 3 previously sold on 2/6/2017 for \$45,500 per OR 7662/1468.

MARKETING TIME AND EXPOSURE TIME FOR THE SUBJECT PROPERTY

- A reasonable marketing time for the subject property is 123 day(s) utilizing market conditions pertinent to the appraisal assignment.
- A reasonable exposure time for the subject property is 123 day(s).

Client: City of Pensacola	Address: 222 West Main Street, Pensacola, FL 32502		
Appraiser: Tom Fruitticher, MAI	Address: 3000 Langley Ave., Suite 402, Pensacola, FL 32504		

STATEMENT OF ASSUMPTIONS & LIMITING CONDITIONS

- The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it. The appraiser assumes that the title is good and marketable and, therefore, will not render any opinions about the title. The property is appraised on the basis of it being under responsible ownership.
- The appraiser may have provided a sketch in the appraisal report to show approximate dimensions of the improvements, and any such sketch is included only to assist the reader of the report in visualizing the property and understanding the appraiser's determination of its size. Unless otherwise indicated, a Land Survey was not performed.
- If so indicated, the appraiser has examined the available flood maps that are provided by the Federal Emergency Management Agency (or other data sources) and has noted in the appraisal report whether the subject site is located in an identified Special Flood Hazard Area. Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.
- The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand.
- If the cost approach is included in this appraisal, the appraiser has estimated the value of the land in the cost approach at its highest and best use, and the improvements at their contributory value. These separate valuations of the land and improvements must not be used in conjunction with any other appraisal and are invalid if they are so used. Unless otherwise specifically indicated, the cost approach value is not an insurance value, and should not be used as such.
- The appraiser has noted in the appraisal report any adverse conditions (including, but not limited to, needed repairs, depreciation, the presence of hazardous wastes, toxic substances, etc.) observed during the inspection of the subject property, or that he or she became aware of during the normal research involved in performing the appraisal. Unless otherwise stated in the appraisal report, the appraiser has no knowledge of any hidden or unapparent conditions of the property, or adverse environmental conditions (including, but not limited to, the presence of hazardous wastes, toxic substances, etc.) that would make the property more or less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied, regarding the condition of the property. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because the appraiser is not an expert in the field of environmental hazards, the appraisal report must not be considered as an environmental assessment of the property.
- The appraiser obtained the information, estimates, and opinions that were expressed in the appraisal report from sources that he or she considers to be reliable and believes them to be true and correct. The appraiser does not assume responsibility for the accuracy of such items that were furnished by other parties.
- The appraiser will not disclose the contents of the appraisal report except as provided for in the Uniform Standards of Professional Appraisal Practice, and any applicable federal, state or local laws.
- If this appraisal is indicated as subject to satisfactory completion, repairs, or alterations, the appraiser has based his or her appraisal report and valuation conclusion on the assumption that completion of the improvements will be performed in a workmanlike manner.
- An appraiser's client is the party (or parties) who engage an appraiser in a specific assignment. Any other party acquiring this report from the client does not become a party to the appraiser-client relationship. Any persons receiving this appraisal report because of disclosure requirements applicable to the appraiser's client do not become intended users of this report unless specifically identified by the client at the time of the assignment.
- The appraiser's written consent and approval must be obtained before this appraisal report can be conveyed by anyone to the public, through advertising, public relations, news, sales, or by means of any other media, or by its inclusion in a private or public database.
- An appraisal of real property is not a 'home inspection' and should not be construed as such. As part of the valuation process, the appraiser performs a non-invasive visual inventory that is not intended to reveal defects or detrimental conditions that are not readily apparent. The presence of such conditions or defects could adversely affect the appraiser's opinion of value. Clients with concerns about such potential negative factors are encouraged to engage the appropriate type of expert to investigate.

The Scope of Work is the type and extent of research and analyses performed in an appraisal assignment that is required to produce credible assignment results, given the nature of the appraisal problem, the specific requirements of the intended user(s) and the intended use of the appraisal report. Reliance upon this report, regardless of how acquired, by any party or for any use, other than those specified in this report by the Appraiser, is prohibited. The Opinion of Value that is the conclusion of this report is credible only within the context of the Scope of Work, Effective Date, the Date of Report, the Intended User(s), the Intended Use, the stated Assumptions and Limiting Conditions, any Hypothetical Conditions and/or Extraordinary Assumptions, and the Type of Value, as defined herein. The appraiser, appraisal firm, and related parties assume no obligation, liability, or accountability, and will not be responsible for any unauthorized use of this report or its conclusions.

Additional Comments (Scope of Work, Extraordinary Assumptions, Hypothetical Conditions, etc.): The subject property was visually inspected and information from County records was reviewed and relied upon. Upon determination of the land's highest and best use, similar land sales were researched and confirmed with one of the parties to the sale for use in the sales comparison analysis. The sales were adjusted for any differences with the subject and reconciled into a final value opinion. As this is the valuation of land, the income and cost approaches to value are being eliminated from consideration. As no reasonable appraiser would utilize these eliminated approaches and no weight would be placed on them if used, their elimination would have no impact on the final value opinion.

DEFINITION OF MARKET VALUE *:

Market value means the most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

1. Buyer and seller are typically motivated;
2. Both parties are well informed or well advised and acting in what they consider their own best interests;
3. A reasonable time is allowed for exposure in the open market;
4. Payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and
5. The price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale.

* This definition is from regulations published by federal regulatory agencies pursuant to Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act (FIRREA) of 1989 between July 5, 1990, and August 24, 1990, by the Federal Reserve System (FRS), National Credit Union Administration (NCUA), Federal Deposit Insurance Corporation (FDIC), the Office of Thrift Supervision (OTS), and the Office of Comptroller of the Currency (OCC). This definition is also referenced in regulations jointly published by the OCC, OTS, FRS, and FDIC on June 7, 1994, and in the Interagency Appraisal and Evaluation Guidelines, dated October 27, 1994.

LEGISLATIVE ACTION ITEM

SPONSOR: Ashton J. Hayward, III, Mayor

SUBJECT:

RESOLUTION NO. 17-38 - AUTHORIZING A FINANCING IN THE PRINCIPAL AMOUNT OF \$4,082,000 TO FINANCE ELIGIBLE CAPITAL PROJECTS IN THE COMMUNITY REDEVELOPMENT AGENCY'S WESTSIDE TAX INCREMENT FINANCING DISTRICT AND AUTHORIZING AN INTERLOCAL AGREEMENT BETWEEN THE CITY OF PENSACOLA AND THE COMMUNITY REDEVELOPMENT AGENCY RELATING TO SUCH FINANCING.

RECOMMENDATION:

That City Council adopt Resolution No. 17-38.

A RESOLUTION OF THE CITY OF PENSACOLA, FLORIDA AUTHORIZING THE ISSUANCE BY THE CITY OF A WESTSIDE REDEVELOPMENT REVENUE BOND, SERIES 2017, IN THE PRINCIPAL AMOUNT OF \$4,082,000 TO FINANCE CERTAIN COMMUNITY REDEVELOPMENT IMPROVEMENTS IN THE WESTSIDE COMMUNITY REDEVELOPMENT AREA AS DESCRIBED HEREIN; PLEDGING THE TAX INCREMENT REVENUES OF THE WESTSIDE COMMUNITY REDEVELOPMENT AREA AND THE CITY'S LOCAL BUSINESS TAX AS SECURITY FOR THE PAYMENT OF SAID SERIES 2017 BOND; PROVIDING FOR THE RIGHTS, SECURITY, AND REMEDIES FOR THE REGISTERED OWNER OF THE SERIES 2017 BOND; MAKING CERTAIN COVENANTS AND AGREEMENTS IN CONNECTION THEREWITH; AUTHORIZING THE AWARD OF THE SALE OF THE SERIES 2017 BOND; AUTHORIZING FURTHER OFFICIAL ACTION IN CONNECTION WITH THE DELIVERY OF THE SERIES 2017 BOND; PROVIDING FOR SEVERABILITY; PROVIDING FOR REPEAL OF INCONSISTENT PROVISIONS; AND PROVIDING AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

On April 10, 2017, the Community Redevelopment Agency (CRA) requested that the City pursue financing options for eligible Eastside and Westside projects, to be repaid from future Tax Increment Financing (TIF) revenues. Westside projects approved by the CRA at the meeting included land acquisitions, various

streetscape projects and sidewalk enhancements.

Mitch Owens, the City's Financial Advisor with RBC Capital Markets, LLC has pursued financing options and has recommended SmartBank as the lender. SmartBank has offered twenty (20) year financing for both the CRA's Eastside and Westside Tax Increment Financing Districts at a fixed interest rate of 3.33%. Interest will be paid semi-annually on October 1 and April 1 of each year and principal payments will be paid annually on April 1 commencing on April 1, 2018 and maturing on April 1, 2037. The pledged revenues include Tax Increment Revenues derived from the Westside Redevelopment Area, and in the event that these revenues are insufficient, the Local Business Tax. The City's bond attorney has incorporated within the Resolution an interlocal agreement between the City and the CRA whereby the CRA agrees that in the event that Tax Increment Revenues are insufficient to fully pay the principal and interest on the Series 2017 Bond, and the City advances Local Business Tax for the payment thereof, the CRA shall repay such advance plus interest to the City once funds become available.

Upon approval of the financing by City Council, the Westside Redevelopment Revenue Bond proceeds will be available to fund land acquisitions, various streetscape projects and sidewalk enhancements. Any remaining proceeds can be used for capital improvements as identified in the Westside Neighborhood Plan.

Estimated Tax Increment Revenues are sufficient to meet debt service requirements for the twenty (20) year financing term as well as cover operations as currently structured in the fiscal year 2018 budget. However, for the next twenty (20) years, Tax Increment Revenues will be fully committed and additional projects as identified in the Westside Neighborhood Plan will need to come from revenue growth or other sources.

The financing team consists of Mitch Owens, the City's Financial Advisor with RBC Capital Markets, LLC and Randy Clement, Esq., with Bryant Miller Olive, the City's Bond Counsel.

In accordance with Section 163.346, Florida Statutes, a notice regarding the proposed issuance of the Westside Redevelopment Revenue Bond, Series 2017 has been sent to each taxing authority which levies ad valorem taxes on taxable real property contained within the geographic boundaries of the redevelopment area. Further, a notice of the public meeting has been published in the Pensacola News Journal of such proposed action in accordance with Florida Statutes.

PRIOR ACTION:

April 10, 2017 - CRA requested that the City pursue financing options for eligible Eastside and Westside projects, to be repaid from future Tax Increment Financing revenues.

FUNDING:

N/A

FINANCIAL IMPACT:

Bond proceeds are estimated to be \$4,082,000. Estimated closing cost of \$34,000 will be paid from bond proceeds resulting in total estimated project funds of \$4,048,000. The twenty (20) year bond will have semiannual interest payments on October 1 and April 1 each year commencing on October 1, 2018. Principal

payments will be due April 1 each year with the first payment due on April 1, 2018 and final maturity of April 1, 2037. Loan term assumes a fixed interest rate of 3.33%. The pledged revenues include the Tax Increment Revenues and in the event that these revenues are insufficient, the Local Business Tax. Debt service will be appropriated in the CRA Debt Service Fund and paid from revenues collected in the Westside Tax Increment Financing District Fund.

"Westside Community Redevelopment Area" means the area designated as a community redevelopment area pursuant to the Act, Resolution No. 54-80 adopted by the City Council on September 25, 1980, as ratified and confirmed by Resolution No. 65-81 adopted by the City Council on September 22, 1981, Resolution No. 04-07 adopted by the City Council on January 25, 2007, and known generally as the "Westside Community Redevelopment Area".

"Westside Community Redevelopment Plan" means the Westside Community Redevelopment Area Plan prepared by the Issuer, dated April 2007, and approved by the Issuer pursuant to Resolution No. 13-07 adopted by the City Council enacted on May 24, 2017.

"Westside Community Redevelopment Trust Fund" shall mean the Westside Community Redevelopment Trust Fund established under Section 163.387, Florida Statutes, and Ordinance 01-08 of the Issuer enacted on January 17, 2008, as subsequently amended by Ordinance No. 31-14 of the Issuer enacted on August 28, 2014, into which the Tax Increment Revenues are deposited from time to time.

Section 3. Findings.

(A) Pursuant to Resolution No. 54-80 adopted by the City Council on September 25, 1980, and as confirmed and ratified pursuant to Resolution 65-81 adopted by the City Council on September 22, 1981, the City Council found and determined that an area designated therein as the "Pensacola Inner City" is a blighted area as therein described, that a combination of rehabilitation, conservation and redevelopment of the Pensacola Inner City is necessary, that there exists a need for a community redevelopment agency to function in the City to carry out community redevelopment purposes pursuant to Part II, Chapter 163, Florida Statutes, and that the Pensacola Inner City is appropriate for community redevelopment projects and is thereby designated a community redevelopment area.

(B) Pursuant to Resolution No. 55-80 adopted by the City Council on September 25, 1980, and as confirmed and ratified pursuant to Resolution 65-81 adopted by the City Council on September 22, 1981, the City Council declared itself to be the "Community Redevelopment Agency" in the City and vested all rights, powers, duties, privileges and immunities vested in a community redevelopment agency pursuant to Part III, Chapter 163, Florida Statutes, in the City Council, subject to all responsibilities and liabilities imposed or incurred, and enumerated certain

powers of an Executive Committee therein described and certain powers of the City Council, including the power to issue revenue bonds.

(C) Resolution No. 22-10 adopted by the City Council on August 19, 2010, amended the composition of the Agency pursuant to the City's Charter which became effective on January 10, 2011, such that the Agency be comprised of the nine (9) members of the City Council now seated pursuant to the Charter and that such City Council assume the powers of the Executive Committee therein dissolved. An Interlocal Agreement dated April 12, 2017, between the City and the Agency, provides the Mayor certain executive authority and supervision over the daily operations of the Agency for the current Fiscal Year.

(D) Pursuant to Resolution No. 04-07 adopted on January 25, 2007, the City Council designated the boundaries and found and determined that an area designated therein as the "Westside Community Redevelopment Area" is a blighted area as therein described and that the rehabilitation, conservation and redevelopment, including the development of affordable housing for the purposes therein described, is necessary and in the public interest.

(E) On May 24, 2007, the City Council adopted Resolution No. 13-07 approving a "Westside Community Redevelopment Area Plan" for the Westside Community Redevelopment Area.

(F) Pursuant to Ordinance No. 01-08 enacted by the City Council on January 17, 2008, as subsequently amended by Ordinance No. 31-14 enacted by the City Council on August 28, 2014, the Westside Community Redevelopment Trust Fund was established and provided that funds allocated to and deposited in such fund shall be used for the purpose of financing the implementation of the Westside Community Redevelopment Plan. The Westside Community Redevelopment Trust Fund is required to be maintained and administered as a separate account of the City for the purposes expressed in such ordinance and Chapter 163, Florida Statutes.

(G) Pursuant to the Interlocal Agreement, the Agency shall acknowledge the Issuer's issuance of the Series 2017 Bond and confirm, consent to and accept the terms thereof and as set forth herein. The Agency will further pledge the Tax Increment Revenues to the City and covenant to fund, pay, reimburse and repay the Issuer the amounts due under the Series 2017 Bond and hereunder, including payment of the principal of and interest on the Series 2017 Bond from Tax Increment Revenues or from any other funds of the Agency legally available for such purpose.

(H) The Issuer has determined that it is necessary and in the best interests of the health, safety and welfare of the Issuer and its inhabitants that the Issuer undertake the Series 2017 Project and that the Series 2017 Project shall constitute and serve the purposes of "community redevelopment" within the meaning and in accordance with the Act. Issuance of the Series 2017 Bond to finance the Series 2017 Project serves a paramount public purpose.

(I) The Issuer is without currently available funds to pay the cost of the Series 2017 Project, and it is necessary and desirable that the Issuer borrow the moneys necessary to provide for payment of the Series 2017 Project.

(J) The Series 2017 Bond will be payable from the Pledged Revenues as and to the extent provided herein. The Pledged Revenues are not currently pledged or encumbered to pay any obligations of the Agency or the Issuer. It is estimated that the Pledged Revenues will be sufficient to pay the principal of and interest on the Series 2017 Bond herein authorized, as the same become due, and to make all deposits required by this Resolution.

(K) The obligation of the Issuer to repay the Series 2017 Bond in accordance with its terms and to make the payments required hereunder is hereby declared to be and shall be a special, limited obligation of the Issuer, secured solely by the Pledged Revenues as further described herein. The payment of the principal of and interest on the Series 2017 Bond shall be secured solely by a first priority lien upon and pledge of the Pledged Revenues. The principal of and interest on the Series 2017 Bond shall not constitute a general obligation or indebtedness of the Issuer, but shall be a limited obligation of the Issuer payable solely from the Pledged Revenues, to the extent and as provided herein. The Registered Owner shall never have the right to compel the levy of taxes upon any property of or in the Issuer for the payment of the principal of and interest on the Series 2017 Bond.

(L) It is necessary and desirable to provide for the securing of the Series 2017 Bond, the issuance of the Series 2017 Bond and the taking of all other action in connection therewith.

(M) It is necessary and desirable to approve the estimated costs of issuance to be paid by the Issuer in connection with the delivery of the Series 2017 Bond.

(N) The Financial Advisor has solicited proposals for the purchase of the Series 2017 Bond pursuant to a negotiated private placement and is recommending the Issuer award the Series 2017 Bond to the Lender pursuant to the terms in the Proposal.

(O) The Issuer has received an offer from the Lender to purchase the Series 2017 Bond.

Section 4. Authorization of Series 2017 Bond, Authorization of Series 2017 Project.

(A) Subject and pursuant to the provisions hereof, an obligation of the Issuer to be known as the “City of Pensacola, Florida Westside Redevelopment Revenue Bond, Series 2017” is hereby authorized to be issued under and secured by this Resolution in the principal amount of \$4,082,000 for the purposes of financing the Series 2017 Project and paying the costs of issuing the Series 2017 Bond.

(B) The financing and/or reimbursing of the Series 2017 Project is hereby authorized. The City Council and the proper officers of the Issuer are hereby directed to take all action and steps deemed necessary to construct the Series 2017 Project, which are not inconsistent with the terms and provisions of this Resolution.

Section 5. Award of Series 2017 Bond.

Because of the characteristics of the Series 2017 Bond, prevailing and expected market conditions it is in the best interest of the Issuer and shall effectuate the purpose of Chapter 163,

Part III, Florida Statutes to accept the offer of the Lender to purchase the Series 2017 Bond at a private negotiated sale, which was based upon a competitive selection process. Prior to the issuance of the Series 2017 Bond, the Issuer shall receive from the Lender a Lender's Certificate, in substantially the form attached hereto as Exhibit B and a Disclosure Letter containing the information required by Section 218.385, Florida Statutes, in substantially the form attached hereto as Exhibit C.

The Issuer hereby accepts the Proposal of the Lender; provided, however, in the event of any inconsistencies as between such Proposal and the Series 2017 Bond and this Resolution, the provisions of the Series 2017 Bond and this Resolution shall control.

Section 6. This Resolution to Constitute Contract.

In consideration of the acceptance of the Series 2017 Bond authorized to be issued hereunder by those who shall be Registered Owners of the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owners.

Section 7. Description of the Series 2017 Bond.

The Series 2017 Bond shall be dated the Date of Delivery and shall be subject to the following terms:

(A) Interest Rate. The Interest Rate on the Series 2017 Bond shall be a fixed rate of interest equal to 3.33% per annum, subject to adjustment as provided in Schedule 1 of the Series 2017 Bond. After a Determination of Taxability, the Interest Rate shall equal the Adjusted Interest Rate and after an Event of Default, the Interest Rate shall equal the Default Rate, however, in no event shall interest be payable on the Series 2017 Bond at a rate in excess of the maximum rate permitted by applicable law. Interest on the Series 2017 Bond shall be calculated using a 360-day year consisting of twelve 30-day months and shall be paid by wire transfer or other medium acceptable to the Issuer and the Lender.

(B) Principal and Interest Payment Dates. Principal on the Series 2017 Bond shall be paid annually on each Principal Payment Date, in amounts specified in Schedule 2 attached to the Series 2017 Bond, and shall mature on the Maturity Date. Interest on the Series 2017 Bond shall be paid semi-annually on each Interest Payment Date.

(C) Prepayment of the Series 2017 Bond. The Issuer may prepay the Series 2017 Bond in whole on any date and in part on any Payment Date, upon at least 10 days' prior written notice to the Registered Owner at a price of par plus accrued interest to the date of prepayment, including without limitation interest accrued after the Accrual Date at the Adjusted Interest Rate and the Additional Amount (as such terms are defined in Schedule 1 of the Series 2017 Bond). Unless otherwise agreed to by the Registered Owner of the Series 2017 Bond, all prepayments of the principal of the Series 2017 Bond shall be increments of \$1,000 and shall be applied to the

prepayment of principal installments in inverse order of the Principal Payment Dates specified in Schedule 2 attached to the Series 2017 Bond.

(D) Form of Series 2017 Bond. The Series 2017 Bond shall be in substantially the form attached hereto as Exhibit A, with such variations, omissions and insertions as may be necessary, desirable and authorized or permitted by this Resolution.

(E) Original Denomination. The Series 2017 Bond shall originally be issued in a single denomination in an amount equal to the original principal amount authorized hereunder.

Section 8. Execution, and Delivery of Series 2017 Bond.

Pursuant to Section 4.01(1) of its Charter, the Issuer hereby authorizes the Mayor to execute the Series 2017 Bond, such execution to be attested under seal by the City Clerk, approved as to content by the Chief Financial Officer and designated as legal in form and valid as drawn by the City Attorney and further authorizes the Mayor to deliver the Series 2017 Bond to the Lender, and to take such other actions as shall be necessary to consummate the loan. In case any one or more of the officers who shall have signed or sealed the Series 2017 Bond or whose facsimile signature shall appear thereon shall cease to be such officer of the Issuer before the Series 2017 Bond so signed and sealed has been actually sold and delivered, such Series 2017 Bond may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Series 2017 Bond had not ceased to hold such office. The Series 2017 Bond may be signed and sealed on behalf of the Issuer by such person who at the actual time of the execution of such Series 2017 Bond shall hold the proper office of the Issuer, although, at the date of such Series 2017 Bond, such person may not have held such office or may not have been so authorized. The Issuer may adopt and use for such purposes the facsimile signatures of any such persons who shall have held such offices at any time after the date of the adoption of this Resolution, notwithstanding that either or both shall have ceased to hold such office at the time the Series 2017 Bond shall be actually sold and delivered

Section 9. Registration and Exchange of the Series 2017 Bond.

There shall be a Registrar who shall be responsible for maintaining the Register. The person in whose name ownership of a Series 2017 Bond is shown on the Register shall be deemed the Registered Owner thereof by the Issuer and the Registrar, who may treat the Registered Owner as the absolute owner of the Series 2017 Bond for all purposes, whether or not the Series 2017 Bond shall be overdue, and any notice to the contrary shall not be binding upon the Issuer or the Registrar.

Ownership of the Series 2017 Bond may be transferred or assigned only as a whole and not in part and only upon the Register. Upon surrender to the Registrar for transfer or exchange of the Series 2017 Bond accompanied by an assignment or written authorization for exchange, whichever is applicable, duly executed by the Registered Owner or its attorney duly authorized in writing, the Registrar shall deliver in the name of the transferee a new fully registered Series 2017 Bond of the same amount, maturity and interest rate as the Series 2017 Bond surrendered.

The Series 2017 Bond presented for transfer, exchange, redemption or payment (if so required by the Issuer or the Registrar) shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guaranty of signature satisfactory to the Registrar, duly executed by the Registered Owner or by his duly authorized attorney.

The Issuer and the Registrar may charge the Registered Owner a sum sufficient to reimburse them for any expenses incurred in making any exchange or transfer after the first such exchange or transfer following the delivery of such Series 2017 Bond. The Registrar or the Issuer may also require payment from the Registered Owner or his transferee, as the case may be, of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto by any governmental entity other than the Issuer. Such charges and expenses shall be paid before any such new Series 2017 Bond shall be delivered.

The new Series 2017 Bond delivered upon any registered transfer or exchange shall be a valid obligation of the Issuer, evidencing the same debt as the Series 2017 Bond surrendered, shall be secured under this Resolution, and shall be entitled to all of the security and benefits hereof to the same extent as the Series 2017 Bond surrendered.

Whenever a Series 2017 Bond shall be delivered to the Registrar for cancellation, upon payment of the principal amount thereof, or for replacement, transfer or exchange, such Series 2017 Bond shall be cancelled and destroyed by the Registrar, and counterparts of a certificate of destruction evidencing such destruction shall be furnished to the Issuer.

Section 10. Series 2017 Bond Mutilated, Destroyed, Stolen or Lost.

In case the Series 2017 Bond shall be mutilated, or be destroyed, stolen or lost, upon the Registered Owner furnishing the Registrar satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer may incur, the Registrar shall issue and deliver a new Series 2017 Bond of like tenor as the Series 2017 Bond so mutilated, destroyed, stolen or lost, in lieu of or substitution for the Series 2017 Bond, if any, destroyed, stolen or lost, or in exchange and substitution for such mutilated Series 2017 Bond, upon surrender of such mutilated Series 2017 Bond, if any, to the Registrar and the cancellation thereof; provided however, if the Series 2017 Bond shall have matured or be about to mature, instead of issuing a substitute Series 2017 Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Series 2017 Bond be lost, stolen or destroyed, without surrender thereof. Any Series 2017 Bond surrendered under the terms of this Section 10 shall be cancelled by the Registrar.

Any such new Series 2017 Bond issued pursuant to this Section 10 shall constitute an original, additional contractual obligation on the part of the Issuer whether or not, as to the new Series 2017 Bond, the lost, stolen or destroyed Series 2017 Bond be at any time found by anyone, and such new Series 2017 Bond shall be entitled to equal and proportionate benefits and rights as to security for payment to the same extent as the Series 2017 Bond originally issued hereunder.

Section 11. Covenants of the Issuer.

Until the principal of and interest on the Series 2017 Bond shall have been paid in full or provision for payment of the Series 2017 Bond shall have been made in accordance with the provisions of this Resolution, the Issuer covenants with the Registered Owner of the Series 2017 Bond as follows:

(A) Establishment of Debt Service Fund and Accounts Therein. There is hereby created and established a Debt Service Fund (and the Principal Account and Interest Account therein). The Debt Service Fund and any other special funds herein established and created shall constitute trust funds of the Issuer for the purposes provided herein for such funds. All such funds shall be continuously secured in the same manner as deposits of governmental funds are authorized to be secured by the laws of the State.

The cash required to be accounted for in any funds established hereunder may be deposited in a single bank account, provided that adequate accounting records are maintained to reflect and control the restricted allocation of the cash on deposit therein for the various purposes of such funds as herein provided.

The designation and establishment of the various funds and accounts in and by this Resolution shall not be construed to require the establishment of any completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues for certain purposes and to establish certain priorities for application of such revenues and assets as herein provided.

The moneys in the Debt Service Fund and the accounts therein until disbursed pursuant to the provisions hereof may be invested and reinvested only in Authorized Investments, in the manner provided by law. All income on such investments shall remain in such Fund and be used for the purposes herein described. Authorized Investments in the funds and accounts hereunder shall be valued at the market value thereof, exclusive of accrued interest, by the Issuer as frequently as reasonably deemed necessary by the Lender but not less often than annually nor more often than monthly.

(B) Disposition of Pledged Revenues. Tax Increment Revenues shall be deposited to the credit of the Westside Community Redevelopment Trust Fund upon receipt. In each Fiscal Year, the Issuer shall transfer from the Westside Community Redevelopment Trust Fund to the Debt Service Fund sufficient Tax Increment Revenues to pay the principal of and interest on the Series 2017 Bond coming due on the April 1 Payment Date in such Fiscal Year and on the October 1 Payment Date in the immediately following Fiscal Year and amounts necessary to cure any deficiencies in the Debt Service Fund. To the extent permitted by applicable law, that portion of the Tax Increment Revenues paid by Escambia County shall be deposited to the credit of the Debt Service Fund and used to pay debt service on the Series 2017 Bond prior to that portion of the Tax Increment Revenues paid by the City. Prior to each Payment Date, the Issuer shall deposit Local Business Tax sufficient to cause the amount on deposit in the Principal Account and Interest Account, respectively, to be sufficient to pay the principal of and interest on the Series 2017 Bond

becoming due and payable on such Payment Date to the extent Tax Increment Revenues and other amounts therein are insufficient to make such payments.

Tax Increment Revenues and Local Business Tax in excess of the amounts necessary to make the deposits required hereby may be used by the Agency and the Issuer for any lawful purpose of the Westside Community Redevelopment Trust Fund and of the Issuer, respectively, free and clear of the pledge thereof and lien thereon created pursuant to this Resolution.

Any provision hereof to the contrary notwithstanding, so long as the Issuer is not in default in the payment of principal, premium, if any, and interest on the Series 2017 Bond, then the failure to deposit the Pledged Revenues into the Debt Service Fund in the amounts required hereunder shall not be deemed a default hereunder so long as the full amount of such deposits necessary to make all such payments with respect to the Series 2017 Bond is deposited in such Fund on or prior to the date such payments are due.

(C) Tax Covenant. Neither the Issuer, nor any third party over whom the Issuer has control, will make any use of, or permit an omission of use, of the proceeds of the Series 2017 Bond at any time during the term of the Series 2017 Bond which would cause the Series 2017 Bond to be (a) a “private activity bond” within the meaning of Section 103(b)(1) of the Code or (b) an “arbitrage bond” within the meaning of Section 103(b)(2) of the Code. The Issuer covenants throughout the term of the Series 2017 Bond to comply with the requirements of the Code and the Regulations, as amended from time to time, and to take all actions, and to not permit the omission of any actions, necessary to maintain the exclusion from gross income for purposes of the Code of interest on the Series 2017 Bond, including, without limitation, the payment of arbitrage rebate, if required.

The Issuer hereby makes each of the representations, warranties and covenants contained in the Tax Certificate. By this reference, all terms, conditions, and covenants in said Tax Certificate are incorporated in and made a part of this Resolution.

(D) Financial Statements. At no cost to the Lender, the Issuer shall provide to the Lender its audited year-end financial statements no later than 210 days after the end of the each Fiscal Year prepared in accordance with generally accepted accounting principles.

(E) Annual Budget and Other Information. The Issuer will prepare its annual budget in accordance with the Act, and will provide at no cost to the Lender a copy of its final, adopted annual budget for each Fiscal Year upon request of the Lender. The Issuer will provide the Lender such other financial or public information as the Lender may reasonably request.

(F) Additional Debt. Additional Obligations payable on a parity with the Series 2017 Bond may be issued hereunder upon the filing with the Clerk and the Registered Owner of the Series 2017 Bond of a certificate of the Chief Financial Officer stating that the Pledged Revenues for the most recent Fiscal Year for which audited financial statements are available equals at least 1.5 times the Maximum Annual Debt Service on the Bonds then outstanding and the Additional Obligations proposed to be issued. LBT Obligations may be issued by the Issuer upon the filing with the Clerk and the Registered Owner of the Series 2017 Bond of a certificate of the Chief

Financial Officer stating that the Local Business Tax for the most recent Fiscal Year for which audited financial statements are available equal at least 1.5 times the Maximum Annual Debt Service on the Bonds and LBT Obligations then outstanding and the LBT Obligations proposed to be issued; provided, however, that the foregoing shall not apply to the issuance of the Issuer's Eastside Redevelopment Revenue Bond, Series 2017, which shall be secured by a lien on and pledge of the Local Business Tax on a parity with the Series 2017 Bond.

For purposes of calculating Maximum Annual Debt Service, interest on Additional Obligations and any LTB Obligations which bear interest at a variable rate of interest shall be deemed to bear interest at the greater of (i) 1.25 times the most recent 20 Bond Index published by *The Bond Buyer*, or (ii) 1.25 times the actual average interest rate during the prior Fiscal Year of the Issuer. For purposes of calculating Maximum Annual Debt Service, the debt service on Additional Obligations and LBT Obligations, whether bearing interest at a fixed or variable interest rate, constituting Balloon Indebtedness, shall be determined assuming such obligations are amortized over 20 years from the date of original issuance on an approximately level debt service basis. For purposes of the foregoing sentence, "Balloon Indebtedness" means obligations designated as such by the Issuer, 25% or more of the original principal of which matures during any one Fiscal Year.

Obligations secured by the Tax Increment Revenues and/or the Local Business Tax that are junior and subordinate in all respects to the Series 2017 Bond may be issued without regard to the foregoing.

(G) No Impairment. The Issuer covenants with the Registered Owner that it will not, without the written consent of the Registered Owner, enact any ordinance or adopt any resolution which repeals, impairs, or modifies in any manner adverse to the Registered Owner the Tax Increment Revenues or Local Business Tax.

(H) Receipt of Pledged Revenues. The Issuer covenants to do all things necessary or required on its part by the Act, or other applicable provisions of law, to enforce the collection and receipt of the Tax Increment Revenues and the Local Business Tax. The Issuer shall exercise all legally available remedies to enforce such collection and receipt now or hereafter available under law. The Issuer will not take any action, or enter into any agreement that shall result in reducing the level of Local Business Tax below the amount sufficient to provide for the payment of the Series 2017 Bond as provided herein.

Section 12. Payment of Principal and Interest; Limited Obligation.

The payment of the principal of and interest on the Series 2017 Bond shall be secured forthwith solely by and there is hereby granted to the Registered Owner of the 2017 Bond a first priority lien upon and pledge of the Pledged Revenues. The pledge of and lien on the Local Business Tax shall be on a parity with the pledge thereof and lien thereon securing the Issuer's Eastside Redevelopment Revenue Bond, Series 2017. The principal of and interest on the Series 2017 Bond shall not constitute a general obligation or indebtedness of the Issuer, but shall be a limited obligation of the Issuer payable solely from the Pledged Revenues, to the extent and as provided herein. The Registered Owner shall never have the right to compel the levy of taxes upon

any property of or in the Issuer for the payment of the principal of and interest on the Series 2017 Bond.

Section 13. Application of Proceeds of Series 2017 Bond.

Simultaneously with the delivery of the Series 2017 Bond to the Lender, proceeds of the Series 2017 Bond shall be applied as follows:

(A) The Issuer shall pay all costs and expenses in connection with the preparation, issuance and sale of the Series 2017 Bond.

(B) Proceeds of the Series 2017 Bond remaining after payment of costs of issuance shall be deposited into a separate account of the Issuer hereby created and established to be known as the “City of Pensacola, Florida, Westside Redevelopment Revenue Bond, Series 2017 Project Fund” (the “Project Fund”) and shall be used by the Issuer to pay Project Costs. Monies in the Project Fund shall be invested in Authorized Investments, and all income derived therefrom shall be deposited in the Project Fund until the Series 2017 Project has been completed, at which time such income, together with any balance remaining in the Project Fund, shall be deposited to the credit of the Debt Service Fund and used to pay principal of and interest on the Series 2017 Bond.

To the extent there are no other available funds held hereunder, the Issuer shall use any remaining funds in the Project Fund to pay principal of and interest on the Series 2017 Bond.

Such fund shall be kept separate and apart from all other funds of the Issuer and the moneys on deposit therein shall be withdrawn, used and applied by the Issuer solely for the purposes set forth herein. Such proceeds shall be and constitute trust funds for such purpose and there is hereby created a lien in favor of the Series 2017 Bond upon such money until so applied by the Issuer solely for the purposes set forth herein.

Section 14. Amendment.

This Resolution shall not be modified or amended in any respect subsequent to the issuance of the Series 2017 Bond, except with the written consent of the Registered Owner.

Section 15. Limitation of Rights.

With the exception of any rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Resolution or the Series 2017 Bond is intended or shall be construed to give to any person other than the Issuer and the Registered Owner any legal or equitable right, remedy, or claim under or with respect to this Resolution or any covenants, conditions, and provisions herein contained; this Resolution and all of the covenants, conditions, and provisions hereof being intended to be and being for the sole and exclusive benefit of the Issuer and the Registered Owner.

Section 16. Events of Default; Notice and Remedies.

(A) Events of Default. The following shall be “Events of Default” hereunder, and the terms “Default” and “Events of Default” shall mean (except where the context clearly indicates otherwise), any one or more of the following events:

(1) Failure by the Issuer to make any payment of principal of or interest on the Series 2017 Bond within five (5) days of the date due.

(2) Failure by the Issuer to observe and perform any other covenant, condition or agreement on its part to be observed or performed hereunder for a period of thirty (30) days after written notice of such failure was or was by the terms hereof required to be delivered to the Issuer by the Registered Owner, unless the Registered Owner shall agree in writing to an extension of such time prior to its expiration;

(3) The making of any warranty, representation or other statement by the Issuer or by an officer or agent of the Issuer herein or in any instrument furnished in compliance with or in reference to this Resolution which is false or misleading in any material adverse respect;

(4) The filing of a petition against the Issuer or the Agency under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, if an order for relief is entered under such petition or such petition is not dismissed within ninety (90) days of such filing;

(5) The filing by the Issuer or the Agency of a voluntary petition in bankruptcy or seeking relief under any provision of any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or the consent by the Issuer or the Agency to the filing of any petition against it under such law; or

(6) The admission by the Issuer or the Agency of its insolvency or bankruptcy or its inability to pay its debts as they become due or that it is generally not paying its debts as such debts become due, or the Issuer’s or Agency’s becoming insolvent or bankrupt or making an assignment for the benefit of creditors, or the appointment by court order of a custodian (including without limitation a receiver, liquidator or trustee) of the Issuer or any of its property taking possession thereof and such order remaining in effect or such possession continuing for more than sixty (60) days.

Upon an Event of Default specified in paragraphs (1) through (6) above, the Interest Rate shall immediately and automatically become the Default Rate.

(B) Notice of Defaults. The Issuer shall within five (5) Business Days after it acquires knowledge thereof, notify the Registered Owner of the Series 2017 Bond in writing (a) upon the happening, occurrence, or existence of any Event of Default that the Registered Owner is not otherwise aware of, or (b) any event or condition which with the passage of time or giving notice,

or both, would constitute an Event of Default, and shall provide the Registered Owner of the Series 2017 Bond, with such written notice, a detailed statement by the Chief Financial Officer of all relevant facts and the action being taken or proposed to be taken by the Issuer with respect thereto. Regardless of the date of receipt of such notice by the Registered Owner of the Series 2017 Bond, such date shall not in any way modify the date of occurrence of the actual Event of Default.

(C) Remedies. For all Events of Default, the Registered Owner may sue to protect and enforce any and all rights, including the right to specific performance, existing under the laws of the State, of the United States of America, or granted and contained herein, and to enforce and compel the performance of all duties required by this Resolution or by any applicable laws to be performed by the Issuer, the City Council or by any officer thereof, and may take all steps to enforce this Resolution or the Issuer's rights under the Interlocal Agreement to the full extent permitted or authorized by the laws of the State or the United States of America. The Issuer hereby agrees to reimburse the Registered Owner for all reasonable legal and collection costs incurred by the Registered Owner in connection with the exercise of any remedies hereunder. The Registered Owner may exercise any remedies hereunder without any consent of any other holder, owner or creditor of any Bonds hereafter issued under this Resolution.

The right to accelerate and to declare immediately due and payable all or any portion of the principal of the Series 2017 Bond upon the occurrence of an Event of Default ("Right of Acceleration") shall not be a remedy hereunder; unless, however, any Additional Obligation issued in accordance with the terms hereof includes a Right of Acceleration. The Issuer shall provide notice thereof to the Registered Owner within ten (10) days of the delivery of such Additional Obligation, together with a copy of any loan document, security agreement, or other agreement evidencing such Additional Obligation. Upon the execution and delivery of an Additional Obligation that includes the Right of Acceleration as a remedy, the Right of Acceleration shall be a remedy hereunder from and after the effective date of such Additional Obligation for so long as such Obligation is outstanding, regardless of whether the Issuer fails to provide such notice.

The Issuer and the Registered Owner each waives, to the fullest extent permitted by law, any right to trial by jury in respect of any litigation based upon the Series 2017 Bond or arising out of, under or in conjunction with the Series 2017 Bond or this Resolution.

Section 17. Severability.

If any one or more of the covenants, agreements or provisions herein contained shall be held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements or provisions and shall in no way affect the validity of any of the other provisions hereof or of the Series 2017 Bond issued hereunder.

Section 18. Business Days.

In any case where the date for making any payment or the last date for performance of any act or the exercise of any right, as provided herein, shall be other than a Business Day, then such payment or performance shall be made on the succeeding Business Day with the same force and effect as if done on the nominal date provided herein, provided that interest on any monetary obligation hereunder shall accrue at the applicable rate to and including the date of such payment.

Section 19. Applicable Provisions of Law.

This Resolution shall be governed by and construed in accordance with the laws of the State.

Section 20. Rules of Interpretation.

Unless expressly indicated otherwise, references to sections or articles are to be construed as references to sections or articles of this instrument as originally executed. Use of the words "herein," "hereby," "hereunder," "hereof," "hereinbefore," "hereinafter," and other equivalent words refer to this Resolution and not solely to the particular portion in which any such word is used.

Section 21. Captions.

The captions and headings in this Resolution are for convenience only and in no way define, limit or describe the scope or intent of any provisions or sections of this Resolution.

Section 22. No Personal Liability.

No recourse shall be had for the payment of the principal of and interest on the Series 2017 Bond or for any claim based on the Series 2017 Bond or hereon, against any present or former member, officer or employee of the City Council or the City or any person executing the Series 2017 Bond.

Section 23. Approval of Interlocal Agreement.

The form of Interlocal Agreement between the Issuer and the Agency and relating to the Series 2017 Bond, attached hereto as Exhibit E, is hereby approved. The Interlocal Agreement with such non-material omissions, insertions and variations as may be necessary and/or desirable and approved by the Mayor, the City Administrator, City Attorney, the Clerk or the Chief Financial Officer prior to the execution thereof, which necessity and/or desirability and approval shall be presumed by the execution thereof by the Mayor. The Issuer hereby authorizes the Mayor to execute the Interlocal Agreement, such execution to be attested under seal by the City Clerk, approved as to content by the Chief Financial Officer and designated as legal in form and valid as drawn by the City Attorney.

Section 24. Authorizations.

The Mayor, City Administrator, City Attorney, the Clerk, the Chief Financial Officer and such other authorized officers, employees and agents of the Issuer are each designated agents of the Issuer in connection with the issuance, execution and delivery of the Series 2017 Bond and the execution and delivery of the Interlocal Agreement and are authorized and empowered, collectively or individually, to take all actions and steps to execute and deliver any and all instruments, documents or contracts on behalf of the Issuer which are necessary or desirable in connection with the execution and delivery of the Series 2017 Bond and the Interlocal Agreement and which are not inconsistent with the terms and provisions hereof and other actions relating to the Series 2017 Bond and the Interlocal Agreement heretofore taken by the Issuer.

Section 25. Repealer.

This Resolution supersedes all prior actions of City Council inconsistent herewith. All resolutions or portions thereof in conflict with the provisions of this Resolution are hereby repealed to the extent of any such conflict.

FORM OF SERIES 2017 BOND

No. R-1

\$4,082,000

**CITY OF PENSACOLA, FLORIDA
WESTSIDE REDEVELOPMENT REVENUE BOND,
SERIES 2017**

<u>Interest Rate</u>	<u>Maturity Date</u>	<u>Date of Issue</u>
3.33%	April 1, 2037	August 15, 2017
Subject to adjustment as herein described		

REGISTERED OWNER: SMARTBANK CORPORATION

PRINCIPAL AMOUNT: FOUR MILLION EIGHTY-TWO THOUSAND DOLLARS

KNOW ALL MEN BY THESE PRESENTS, that the City of Pensacola, Florida (the “Issuer”), for value received, hereby promises to pay to the Registered Owner designated above, or registered assigns, solely from the sources hereinafter mentioned, in installments, on the Principal Payment Dates indicated in Schedule 2 attached hereto and on the Maturity Date, or sooner as provided herein, the Principal Amount shown above and the interest on the outstanding Principal Amount hereof from the date of this Bond or from the most recent date to which interest has been paid, whichever is applicable, until payment of such Principal Amount, at the Interest Rate described above, subject to adjustment as set forth in Schedule 1 attached hereto, with all unpaid interest being due on the Maturity Date or upon the earlier payment of principal hereunder upon presentation and surrender hereof at the office of the Chief Financial Officer for the Issuer, as Registrar and Paying Agent. The principal of, premium, if any, and interest on this Bond are payable in lawful money of the United States of America. Interest due hereon shall be calculated on the basis of a 360-day year consisting of twelve 30-day months.

The Issuer may prepay this Bond in whole on any date or in part on any Payment Date upon at least 10 days’ prior written notice to the Registered Owner at a price of par plus accrued interest to the date of prepayment, including without limitation interest accrued after the Accrual Date at the Adjusted Interest Rate and the Additional Amount (as such terms are defined in Schedule 1 attached hereto). Unless otherwise agreed to by the Registered Owner hereof, all prepayments of the principal of this Bond shall be increments of \$1,000 and shall be applied to the prepayment of principal in inverse order of the Principal Payment Dates indicated in Schedule 2 attached hereto.

This Bond is being issued in the principal amount \$4,082,000 to finance the costs of the Series 2017 Project of the Issuer under the authority of and in full compliance with the Constitution of the State of Florida, Chapter 163, Part III, Florida Statutes, Chapter 166, Part II, Florida Statutes, the municipal charter of the Issuer and other applicable provisions of law, and Resolution No. __-

17, duly adopted by the City Council of the Issuer on August 10, 2017 (the “Resolution”), to which reference should be made to ascertain those terms and conditions. The terms and provisions of the Resolution, including, without limitation, the definitions therein, are hereby incorporated as a part of this Bond. The principal of this Bond shall be disbursed by the Registered Owner hereof to the Issuer in immediately available funds on the Date of Issue in accordance with the Resolution.

This Bond is payable from and secured solely by the Pledged Revenues consisting primarily of the Tax Increment Revenues and, to the extent Tax Increment Revenues are insufficient to pay the debt service requirements hereunder, the Local Business Tax, all in the manner provided in, and subject to the terms and conditions of, the Resolution. This Bond shall not constitute a general obligation or indebtedness of the Issuer, but shall be a limited obligation of the Issuer payable solely from the Pledged Revenues as provided in the Resolution. The Registered Owner hereof shall never have the right to compel the levy of taxes upon any property of or in the Issuer for the payment of the principal of and interest on this Bond. Reference is made to the Resolution for the provisions relating to the security for payment of this Bond and the duties and obligations of the Issuer hereunder.

The Registered Owner may sue to protect and enforce any and all rights, including the right to specific performance, existing under the laws of the State of Florida, of the United States of America, or granted and contained in the Resolution, and to enforce and compel the performance of all duties required by the Resolution or by any applicable laws to be performed by the Issuer, the City Council or by any officer thereof, and may take all steps to enforce the Resolution to the full extent permitted or authorized by the laws of the State of Florida or the United States of America.

The Issuer waives its right to trial by jury in the event of any proceedings in state or federal courts to enforce the terms of this Bond or of the Resolution, and the Registered Owner, by its acceptance of this Bond, waives its right to trial by jury in any such proceedings.

This Bond is subject to all the terms of the Resolution and Schedule 1 attached hereto.

It is hereby certified and recited that all acts, conditions and things required by the Constitution and laws of the State of Florida to be performed, to exist and to happen precedent to and in the issuance of this Bond, have been performed, exist and have happened in regular and due form and time as so required.

SCHEDULE 1 TO SERIES 2017 BOND

ADJUSTMENTS TO INTEREST RATE IN CERTAIN EVENTS

The Interest Rate on the Series 2017 Bond shall be subject to adjustment as provided herein and in the Resolution. The Registered Owner shall provide to the Issuer such documentation to evidence any adjustment to the Interest Rate and the calculations made in connection therewith. All calculations and determinations by the Registered Owner of the amounts payable pursuant to the following Interest Rate adjustment provisions or of any element thereof, if made in accordance with its then standard procedures for so calculating or determining such amounts, shall be conclusive absent manifest arithmetic error.

Upon the occurrence of a Determination of Taxability, the interest rate on the Series 2017 Bond shall be adjusted to the Adjusted Interest Rate as of the Accrual Date (as such terms are defined below); and (i) the Issuer shall, on the next Interest Payment Date (or if the Series 2017 Bond shall have matured, within thirty (30) days after demand by the Registered Owner of the Series 2017 Bond), pay to the Registered Owner of the Series 2017 Bond an amount equal to the sum of (1) the difference between (A) the total interest that would have accrued on the Series 2017 Bond at the Adjusted Interest Rate from the Accrual Date to such next Interest Payment Date (or the Maturity Date), and (B) the actual interest paid by the Issuer on the Series 2017 Bond from the Accrual Date to such next Interest Payment Date (or the Maturity Date), and (2) any interest and penalties required to be paid as a result of any additional federal income taxes imposed upon such Registered Owner arising as a result of such Determination of Taxability (collectively, the “Additional Amount”); and (ii) from and after such next Interest Payment Date, the Series 2017 Bond shall continue to bear interest at the Adjusted Interest Rate for the period such Determination of Taxability continues to be applicable with respect to the Series 2017 Bond. This adjustment shall survive payment of the Series 2017 Bond until such time as the federal statute of limitations under which the interest on the Series 2017 Bond could be declared taxable under the Code shall have expired.

“Accrual Date” means the date from which the interest payable on the Series 2017 Bond shall be includable for federal income tax purposes in the gross income of the Registered Owner thereof as a result of a Determination of Taxability.

“Adjusted Interest Rate” means an interest rate equal to 4.87% per annum.

Notwithstanding anything in the foregoing to the contrary, upon the occurrence and during the continuation of an Event of Default, the Interest Rate shall be established at a rate at all times equal to the Default Rate.

Notwithstanding any provision in the Resolution or the Series 2017 Bond to the contrary, in no event shall the Interest Rate exceed the maximum interest rate permitted by applicable law.

FORM OF PURCHASER'S CERTIFICATE

This is to certify that SmartBank Corporation (the “Purchaser”) has not required the City of Pensacola, Florida (the “Issuer”) to deliver any offering document and has conducted its own investigation, to the extent it deems satisfactory or sufficient, into matters relating to business affairs or conditions (either financial or otherwise) of the Issuer in connection with the issuance of its \$4,082,000 Westside Redevelopment Revenue Bond, Series 2017 (the “Series 2017 Bond”), and no inference should be drawn that the Purchaser, in the acceptance of the Series 2017 Bond, is relying on Bond Counsel or the City Attorney as to any such matters other than the legal opinions rendered by Bond Counsel and by the City Attorney. Any capitalized undefined terms used herein not otherwise defined shall have the meaning set forth in Resolution No. __-17 adopted by the City Council of the Issuer on August 10, 2017 (the “Resolution”).

We are aware that investment in the Series 2017 Bond involves various risks, that the Series 2017 Bond is not a general obligation of the Issuer or payable from ad valorem tax revenues, and that the payment of the Series 2017 Bond is secured solely from the sources described in the Resolution (the “Security”).

We have made such independent investigation of the Security as we, in the exercise of sound business judgment, consider to be appropriate under the circumstances.

We have knowledge and experience in financial and business matters and are capable of evaluating the merits and risks of our investment in the Series 2017 Bond and can bear the economic risk of our investment in the Series 2017 Bond.

We acknowledge and understand that the Resolution is not being qualified under the Trust Indenture Act of 1939, as amended (the “1939 Act”), and is not being registered in reliance upon the exemption from registration under Section 3(a)(2) of the Securities Act of 1933, Section 517.051(1), Florida Statutes, and/or Section 517.061(7), Florida Statutes, and that neither the Issuer, Bond Counsel, nor the City Attorney shall have any obligation to effect any such registration or qualification.

We are not acting as a broker or other intermediary, and are purchasing the Series 2017 Bond as an investment for our own account and not with a present view to a resale or other distribution to the public. We understand that the Series 2017 Bond may be transferred only in whole and not in part and only in accordance with the limitations set forth in the Resolution.

We are a bank, trust company, savings institution, insurance company, dealer, investment company, pension or profit-sharing trust, or qualified institutional buyer as contemplated by Section 517.061(7), Florida Statutes. We are not purchasing the Series 2017 Bond for the direct or indirect promotion of any scheme or enterprise with the intent of violating or evading any provision of Chapter 517, Florida Statutes.

We are an “accredited investor” within the meaning of the Securities Act of 1933, as amended, and Regulation D thereunder.

FORM OF DISCLOSURE LETTER

The undersigned, as Lender, proposes to negotiate with the City of Pensacola, Florida (the “Issuer”) for the private purchase of its \$4,082,000 Westside Redevelopment Revenue Bond, Series 2017 (“Series 2017 Bond”). Prior to the award of the Series 2017 Bond, the following information is hereby furnished to the Issuer:

1. Set forth is an itemized list of the nature and estimated amounts of expenses to be incurred for services rendered to us (the “Lender”) in connection with the issuance of the Series 2017 Bond (such fees and expenses to be paid by the Issuer):

\$4,875.00
Legal Fees

2. (a) No other fee, bonus or other compensation is estimated to be paid by the Lender in connection with the issuance of the Series 2017 Bond to any person not regularly employed or retained by the Lender (including any “finder” as defined in Section 218.386(1)(a), Florida Statutes), except as specifically enumerated as expenses to be incurred by the Lender, as set forth in paragraph 1 above.

(b) No person has entered into an understanding with the Lender, or to the knowledge of the Lender, with the Issuer, for any paid or promised compensation or valuable consideration, directly or indirectly, expressly or implied, to act solely as an intermediary between the Issuer and the Lender or to exercise or attempt to exercise any influence to effect any transaction in the purchase of the Series 2017 Bond.

3. The amount of the underwriting spread expected to be realized by the Lender is \$0.

4. The management fee to be charged by the Lender is \$0.

5. Truth-in-Bonding Statement:

The Series 2017 Bond is being issued primarily to finance the cost of the Series 2017 Project as defined in Resolution No. __-17 adopted by the Issuer on August 10, 2017 (the “Resolution”) and reimburse the Issuer for any Project Costs, as defined in the Resolution. Unless earlier prepaid, the Series 2017 Bond is expected to be repaid by April 1, 2037. At a fixed interest rate of 3.33%, total interest paid over the life of the Series 2017 Bond is \$1,506,278.51 and issuance of the Series 2017 Bond will result in a maximum of approximately \$279,903.00 of Pledged Revenues of the Issuer not being available to finance other services of the Issuer during the life of the Series 2017 Bond.

6. The name and address of the Lender is as follows:

Honorable Mayor and City Council
City of Pensacola, Florida

Re: City of Pensacola \$4,082,000 Westside Redevelopment Bonds, series 2017, and \$1,307,000 Eastside Redevelopment Bonds, series 2017, (bank qualified tax exempt or non-bank qualified)

Please accept this letter as a commitment of SmartBank or the "Bank" to purchase the above captioned Notes upon the terms and conditions outlined below:

Issuer: City of Pensacola, Florida

Amount: \$4,082,000 (Westside Series 2017) and \$1,307,000 (Eastside Series 2017) revenue notes (the "Notes").

Purpose of Issue: The Note proceeds will be used to finance various improvements within the respective community redevelopment areas (collectively the "Project").

Authority for Issue: Provisions of the Florida Constitution, the Charter of the City of Pensacola, Florida, as amended; Chapter 166, Part II of the Florida Statutes, Chapter 163, Florida Statutes, and any other valid constitutional and statutory authority.

Dated Date of Notes: Date of Delivery.

Form of Certificates: The Notes will be issued as a single typewritten or printed certificates, in fully registered form.

Interest Rate & Term:

<u>Westside Series 2017**</u>	<u>Annual Interest Rate #</u>
20 year term – fully amortized##	3.25% (Bank Qualified tax exempt)
	3.33% (Non-Bank Qualified tax exempt)

This paper is carbon-neutral, was processed chlorine-free, contains 100% post consumer waste and is Green-e Certified.

<u>Eastside Series 2017**</u>	<u>Annual Interest Rate #</u>
20 year term – fully amortized##	3.25% (Bank Qualified tax exempt) 3.33% (Non-Bank Qualified tax exempt)

**The Issuer would fully fund the loan on the day we close the loan.

If the Issuer accepts our proposal by the stipulated time, we will hold the above referenced fixed interest rate firm, provided that the Notes are closed (fully funded) no later than August 15, 2017. Should the Notes not be funded by August 15, 2017, a higher rate could apply, which would be based upon market conditions at the time the loan is actually closed.

Our pricing is based on the loan being amortized over a 20 year term utilizing approximately level debt. The loan would have a "final maturity" of no later than April 1, 2037.

Interest and Principal Payments: Interest would be calculated on a 30 over 360 day basis. Principal would be paid annually while interest would be payable semi-annually. The combined principal and interest payment would be due annually commencing on April 1, 2018 with an additional interest payment due annually commencing on October 1, 2018; see the attached "sample" amortization schedule. Although the dates and amounts could change, in all cases the final maturity date would need to occur no later than April 1, 2037.

Prepayment Provisions: The principal may be prepaid in whole on any date with 10 days advance written notice to the Bank without prepayment penalty. Principal may be prepaid in part on any interest payment date (each semi-annual payment date) with 10 days advance written notice to the Bank without prepayment penalty, provided that the Issuer pays all accrued interest which shall have accrued to the date of prepayment and provided further that any principal prepayments shall be in multiples of one-thousands (\$1,000.00). Prepayments shall be deemed to apply to those principal installments with the latest maturities of the Notes in inverse order.

Credit Approval: Already approved.

Security: The Notes would be secured by a pledge of (i) in the case of the Westside Series 2017 Note, the tax increment revenues generated within its Westside Community Redevelopment Area, (ii) in the case of the Eastside Series 2017 Note, the tax increment revenues generated within its Eastside Community Redevelopment Area, and (iii) in the case of both the Westside Series 2017 Note and Eastside Series 2017 Note, the Issuer's local Business Tax receipts.

Additional Debt: The Issuer would be permitted to issue additional debt on parity with the Notes (payable either from tax increment revenues or Business Tax receipts) provided it could meet an "additional bonds test" (ABT) of 1.50 times MADS for whatever portion of the security is being pledged to another issue.

July 20, 2017

Documentation: All documentation would need to be acceptable to the Bank and "Bank Counsel". The Bank and Bank Counsel would need to review and approve all documentation prior to adoption and/or acceptance by the Issuer's City Council. The loan documentation would include standard terms, conditions, and covenants which are customary for this type of financing. We understand that Note Counsel will be Bryant Miller Olive, P.A. Note Counsel would draft the loan documents and issue the customary legal and tax opinions. The Issuer's Local Counsel would also issue an opinion letter as to the due authorization and validity of the authorizing documents and the Notes. Based on this, the role of "Bank Counsel" would be that of a "review function" only. We have outlined the cost of Bank Counsel in the paragraph captioned "Closing costs, fees and expenses" presented below.

Additional Terms and Conditions:

* All legal and tax opinions would be addressed to the Bank and be in a form and substance acceptable to the Bank. The Issuer's legal counsel would opine as to the authority, legality, validity and enforceability of any pertinent ordinances, the Authorizing Resolution, the Notes, and such other proceedings of the City Commission and CRA Board as the Bank and Bank Counsel may deem necessary.

* The Issuer would covenant to use the proceeds of the Notes only for those projects which are eligible to receive the tax increment revenue distributions.

* No Impairment: the pledge of the tax increment revenues and Business Tax receipts will not be subject to repeal, modification or impairment by any subsequent ordinance, resolution or other proceedings of the CRA or the City. The Issuer will covenant not to reduce the level of Business Tax below that sufficient to pay debt service on the Notes.

* The Issuer would be required to do all things necessary (including taking legal action should it be necessary) to enforce the receipt of the tax increment revenues, and would be required to do all things necessary (including taking legal action should it be necessary) to enforce receipt of the Business Tax receipts in order to ensure that the pledged revenues are forthcoming to pay the Issuer's Notes.

* The Issuer would warrant in the loan documents that the tax increment revenues and Business Tax receipts are not currently pledged to any other obligations or debts.

* Prior to funding the Notes the Issuer would furnish to us a final "Sources and Uses" of funds statement, based on the final numbers.

July 20, 2017

* Prior to closing the Notes the Issuer would provide to the Bank a certificate to the effect that (i) the financial statements were prepared in accordance with GAAP and fairly present the financial condition of the Issuer and the CRA, respectively, as of their date, and (ii) since the date of the information presented in the 2016 audit (latest audit available at this time) there has been no material adverse change in the financial condition of the City and the CRA, respectively, or the pledged sources of repayment.

* We would require that the interest rate on the loan be "grossed up" and applied retroactively to the date of any event of taxability should it be determined by the Internal Revenue Service that the tax status of the Notes has changed due to the actions or inaction of the Issuer. Such "gross up" would not exceed any statutory limit imposed by the State of Florida and would be equal to the tax equivalent yield as originally contemplated by the Bank.

* Provision would be made for a "default interest rate" equal to 18% or any statutory interest rate limitation imposed by the State of Florida, whichever is less.

* The loan documentation would define standard events of default as are customary for this type of transaction and would provide reasonable remedies to the Bank in the event of default under the loan documents, but would exclude the right of acceleration unless other loans secured by the same revenue sources are granted such rights.

* The Issuer, immediately upon receiving knowledge of an event of default, would provide written notice to the Bank in the event of default.

* The Issuer would reimburse the Bank (or its agent e.g., receiver, trustee, etc.) for all reasonable legal and collection costs to exercise its remedies or collect its payments for the loan in the event of default.

* The Bank's remedies could be exercised independently of all other series of debt obligations of the Issuer and would require no other noteholders', bondholders' or creditors' approvals to exercise such remedies in the event of default.

* The Issuer would provide to the Bank (at no cost) the following information: a copy of its audited financial statement annually (automatically within 210 days after fiscal year end or whenever it becomes available, whichever occurs first), annual operating budgets (if requested by the Bank), and such other financial information as the Bank may reasonably request.

Closing costs, fees and expenses: The Bank would charge no fees and assess no closing costs for its own benefit. However, we would require the Issuer to reimburse the Bank for "Bank Counsel" expenses. Bank Counsel's fee will not exceed \$6,500 if its role is limited to a "review"

This paper is carbon-neutral, was processed chlorine-free, contains 100% post consumer waste and is Green-e Certified.

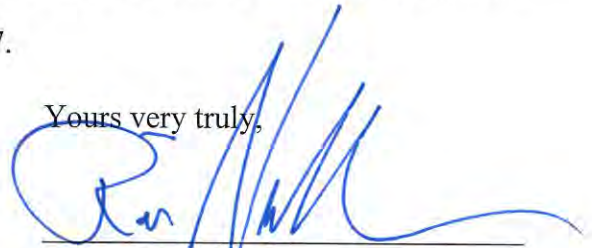

July 20, 2017

function only. All other legal expense i.e., Note Counsel and the Issuer's Local Counsel would be paid directly by the Issuer. See the "Documentation" paragraph above for more detail.

Delivery: As soon as possible after all approvals, but in any event the loan would be closed no later than August 15, 2017 in order for us to hold firm the quoted fixed rate of interest.

This proposal shall remain valid August 15, 2017.

Yours very truly,

Name: Ric Nickelsen

and

THE CITY OF PENSACOLA, FLORIDA

**INTERLOCAL AGREEMENT
WESTSIDE REDEVELOPMENT REVENUE BOND,
SERIES 2017**

This INTERLOCAL AGREEMENT made and entered into this 15th day of August, 2017 (herein, the "Agreement"), by and between THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF PENSACOLA, FLORIDA, a public body corporate and politic of the State of Florida (the "Agency"), and the CITY OF PENSACOLA, FLORIDA, a municipal corporation of the State of Florida (the "City");

W I T N E S S E T H:

WHEREAS, on September 25, 1980, the City Council of the City (the "City Council") adopted Resolution No. 54-80 which created the Community Redevelopment Agency of the City of Pensacola, Florida and declared the City Council to be the Agency as provided in Section 163.357, Florida Statutes; and

WHEREAS, pursuant to Resolution No. 04-07, enacted on January 25, 2007, the City Council designated the boundaries and found and determined that an area designated therein as the "Westside Community Redevelopment Area" is a blighted area as therein described, and

WHEREAS, on May 24, 2007, the City Council approved, by Resolution No. 13-07, the "Westside Community Redevelopment Plan" for the Westside Community Redevelopment Area; and

WHEREAS, pursuant to Sections 163.2520 and 163.387, Florida Statutes, on January 17, 2008, the City Council enacted Ordinance No. 01-08, as subsequently amended by Ordinance No. 31-14 enacted by the City Council on August 28, 2014, creating and establishing the Westside Community Redevelopment Trust Fund; and

WHEREAS, the Agency is responsible for implementation of community redevelopment plans providing for the redevelopment, rehabilitation and improvement of community redevelopment areas in the City; and

WHEREAS, the City and the Agency have determined to redevelop and revitalize the Westside Community Redevelopment Area as a visibly attractive, economically viable, and socially desirable area of the City; and

WHEREAS, in accordance with the intent and purpose of Section 163.01, Florida Statutes, the parties have elected to enter into this Agreement to jointly and collectively provide for the acceptance by the Agency of the issuance by the City of its \$4,082,000 Westside Redevelopment Revenue Bond, Series 2017 (the “Series 2017 Bond”), pursuant to Resolution No. __-17 adopted by the City Council on August 10, 2017 (the “Bond Resolution”), to finance the Series 2017 Project as therein described; and

WHEREAS, the City Council and the Agency have determined that this Agreement and the Series 2017 Project and expenditures contemplated hereunder serve public purposes and are appropriate and necessary undertakings in furtherance of redeveloping the Westside Community Redevelopment Area consistent with the Westside Community Redevelopment Plan.

NOW, THEREFORE, in consideration of the mutual covenants of and benefits derived from this Agreement, the sufficiency of which is hereby acknowledged by the City and the Agency agree as follows:

Section 1. Authority. This Agreement is entered into pursuant to and under the authority of the City Charter; Section 163.01, Florida Statutes; the Community Redevelopment Act of 1969 (the “Act”), codified in Part III, Chapter 163, Florida Statutes; Chapter 166, Florida Statutes, and other applicable law, as amended and supplemented.

Section 2. Incorporation of Recitals. The recitals set forth above are hereby incorporated into the terms of this Agreement.

Section 3. Definitions. Unless the context otherwise requires, all terms used herein shall have the meanings assigned to such terms in the Bond Resolution.

Section 4. Series 2017 Bond Accepted; Obligation to Repay City.

(A) The City's issuance of the Series 2017 Bond is hereby acknowledged by the Agency, and the Agency hereby confirms, consents to and accepts the terms thereof and as set forth in the Bond Resolution.

(B) The Agency hereby covenants to fund, pay, reimburse and repay the City the amounts due under the Series 2017 Bond and the Bond Resolution, including payment of the principal of and interest on the Series 2017 Bond. The Agency hereby pledges the Tax Increment Revenues to the City and shall pay the amounts due hereunder from Tax Increment Revenues or from any other funds of the Agency legally available for such purpose. To the extent that Tax Increment Revenues are insufficient to fully pay the principal of and interest on the Series 2017 Bond, and the City has advanced Local Business Tax for the payment thereof in accordance with the terms of the Bond Resolution (an “Advance”), the Agency shall repay such Advance and pay interest on such Advance at the “WSJ Prime Rate” published by *The Wall*

Street Journal or such other prime rate as published by such other publication as the City's Chief Financial Officer may reasonably designate. The obligations of the Agency described in this Section 4(B) are cumulative and shall continue until amounts due hereunder and under the Bond Resolution are fully paid. The obligation of the Agency to pay the City the amount of any Advance and interest thereon shall be junior and subordinate in all respects to the Agency's obligation hereunder to make payments sufficient to pay the Series 2017 Bond and any Additional Obligations issued in accordance with the Bond Resolution.

Section 5. Term. This Agreement shall become effective upon execution by the Parties and continue in full force and effect until the obligations hereunder approved by this Agreement, including principal and accumulated interest, has been fully repaid.

Section 6. Amendments. This Agreement may be amended by the mutual written agreement of all parties at any time and from time to time, which amendments shall become effective upon filing thereof in the public records of Escambia County, Florida, pursuant to Section 163.01(11), Florida Statutes.

Section 7. Assignment. No party to this Agreement may, directly or indirectly, assign or transfer any or all of their duties, rights, responsibilities, or obligations under this Agreement to any other party or person not a party to this Agreement, without the express prior approval of the other party to this Agreement.

Section 8. Severability. The provisions of this Agreement are severable, and it is the intention of the parties hereto to confer the whole or any part of the powers herein provided for and if any of the provisions of this Agreement or any other powers granted by this Agreement shall be held unconstitutional, invalid or void by any court of competent jurisdiction, the decision of said court shall not affect or impair any of the remaining provisions of this Agreement. It is hereby declared to be the intent of the parties hereto that this Agreement would have been adopted, agreed to, and executed had such unconstitutional, invalid or void provision or power not been included therein.

Section 9. Controlling Law; Venue. Any and all provisions of this Agreement and any proceeding seeking to enforce and challenge any provision of this Agreement shall be governed by the laws of the State of Florida. Venue for any proceeding pertaining to this Agreement shall be Escambia County, Florida.

Section 10. Members Not Liable.

(A) All covenants, stipulations, obligations and agreements contained in this Agreement shall be deemed to be covenants, stipulations, obligations and agreements of the City and the Agency, respectively, to the full extent authorized by the Act and provided by the Constitution and laws of the State of Florida.

(B) No covenant, stipulation, obligation or agreement contained herein shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future individual member of a governing body or agent or employee of the Agency or the City in his or her

individual capacity, and neither the members of the governing body of the Agency or the City or any official executing this Agreement shall individually be liable personally or shall be subject to any accountability by reason of the execution by the City or the Agency of this Agreement or any act pertaining hereto or contemplated hereby.

Section 11. Third Party Beneficiaries. Nothing in this Agreement, expressed or implied, is intended or shall be construed to confer upon any person, firm or corporation other than the parties hereto, any right, remedy, or claim, legal or equitable, under or by reason of this Agreement or any provision hereof.

Section 12. Notices.

(A) Any notice, demand, direction, request or other instrument authorized or required by this Agreement to be given or filed with a party hereto shall be deemed sufficiently given or filed for all purposes of this Agreement if and when sent by registered mail, return receipt requested, transmitted by a facsimile machine with confirmation of delivery, or by personal hand delivery:

To the CRA:	The Community Redevelopment Agency of the City of Pensacola, Florida 222 W. Main St. Pensacola, Florida 32502 Attention: Administrator
-------------	--

To the City:	City of Pensacola 222 W. Main St. Pensacola, Florida 32502 Attention: Mayor

(B) The addresses to which any notice, demand, direction or other instrument authorized to be given or filed may be changed from time to time by a written notice to that effect delivered to all the parties, which change shall be effective immediately or such other time as provided in the notice.

Until notice of a change of address is received, a party may rely upon the last address received. Notice shall be deemed given, if notice is by mail on the date mailed to the address set forth above or as changed pursuant to this Article.

Section 13. Execution of Agreement. This Agreement shall be executed in the manner normally used by the parties hereto. If any officer whose signature appears on this Agreement ceases to hold office before all officers shall have executed this Agreement or prior to the filing and recording of this Agreement as provided in this Article, his or her signature shall nevertheless be valid and sufficient for all purposes. This Agreement shall bear the signature of, or may be signed by, such individuals as at the actual time of execution of this Agreement thereby shall be the proper and duly empowered officer to sign this Agreement and this

Agreement shall be deemed to have been duly and properly executed even though on the Effective Date any such individual may not hold such office.

Section 14. Limited Obligation. Neither the full faith and credit of the City, the Agency or of the State of Florida or any political subdivision thereof is pledged to meet the funding obligations hereunder, and no party shall ever have the right to compel any exercise of any ad valorem taxing power of the City, the Agency or of the State of Florida or any political subdivision thereof, directly or indirectly to enforce any payment or funding of money provided for hereunder. This Agreement shall not constitute a lien upon any property of the City or the Agency except in the manner and to the express extent described herein.

Section 15. City and Agency Not Liable. Nothing contained in this Agreement shall be construed or deemed, nor is intended, or impose any obligation upon the City or the Agency except to the extent expressly assumed by the City or the Agency, respectively.

Section 16. Filing with County Clerk of the Court. The City is hereby authorized and directed after approval of this Agreement by the Agency and the City and the execution hereof to submit this Agreement to the Clerk of the Court of Escambia County, Florida, for filing in the public records of Escambia County, Florida, as provided by Section 163.01(11), Florida Statutes.

APPROVAL OF CRA PROJECTS

RECOMMENDATION:

That the Community Redevelopment Agency (CRA) approve the proposed project funding allocation from the current year CRA budget. Further that the CRA request that the City of Pensacola pursue financing options, to be repaid from future TIF revenues, for those projects requiring financing.

SUMMARY:

The following revitalization projects are recommended for approval for funding and implementation in the Urban Core, Eastside, and Westside CRA districts during fiscal years 2017 and 2018. Projects are proposed to be funded from available current year TIF, program income and/or financing. Proposed revisions to Chapter 163 of the Florida Statutes, governing Community Redevelopment Agencies, would restrict the ability of CRA's to undertake or fund any projects which have not been previously approved or for which debt service repayment has not been committed prior to a specified date in 2017.

SUPPLEMENTAL BUDGET RESOLUTION NO. 17-39 - APPROPRIATING FUNDING IN CONNECTION WITH THE WESTSIDE REDEVELOPMENT REVENUE BOND, SERIES 2017.

RECOMMENDATION:

That City Council adopt Supplemental Budget Resolution No. 17-39.

A RESOLUTION AUTHORIZING AND MAKING REVISIONS AND APPROPRIATIONS FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2017; PROVIDING FOR AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

On April 10, 2017, the Community Redevelopment Agency (CRA) requested that the City pursue financing options for eligible Eastside and Westside projects, to be repaid from future Tax Increment Financing (TIF) revenues. Westside projects approved by the CRA at the meeting included land acquisitions, various streetscape projects and sidewalk enhancements.

Mitch Owens, the City's Financial Advisor with RBC Capital Markets, LLC has pursued financing options and has recommended SmartBank as the lender. SmartBank has offered twenty (20) year financing for both the CRA's Eastside and Westside Tax Increment Financing Districts at a fixed interest rate of 3.33%. Interest will be paid semi-annually on October 1 and April 1 of each year and principal payments will be paid annually on April 1 commencing on April 1, 2018 and maturing on April 1, 2037. The pledged revenues include Tax Increment Revenues derived from the Westside Redevelopment Area, and in the event that these revenues are insufficient, the Local Business Tax. The City's bond attorney has incorporated within the Resolution an interlocal agreement between the City and the CRA whereby the CRA agrees that in the event that Tax Increment Revenues are insufficient to fully pay the principal and interest on the Series 2017 Bond, and the City advances Local Business Tax for the payment thereof, the CRA shall repay such advance plus interest to the City once funds become available.

Upon approval of the financing by City Council, the Westside Redevelopment Revenue Bond proceeds will be

available to fund land acquisitions, various streetscape projects and sidewalk enhancements. Any remaining proceeds can be used for capital improvements as identified in the Westside Neighborhood Plan.

Estimated Tax Increment Revenues are sufficient to meet debt service requirements for the twenty (20) year financing term as well as cover operations as currently structured in the fiscal year 2018 budget. However, for the next twenty (20) years, Tax Increment Revenues will be fully committed and additional projects as identified in the Westside Neighborhood Plan will need to come from revenue growth or other sources.

The financing team consists of Mitch Owens, the City's Financial Advisor with RBC Capital Markets, LLC and Randy Clement, Esq., with Bryant Miller Olive, the City's Bond Counsel.

In accordance with Section 163.346, Florida Statutes, a notice regarding the proposed issuance of the Westside Redevelopment Revenue Bond, Series 2017 has been sent to each taxing authority which levies ad valorem taxes on taxable real property contained within the geographic boundaries of the redevelopment area. Further, a notice of the public meeting has been published in the Pensacola News Journal of such proposed action in accordance with Florida Statutes.

RECOMMENDATION:

That City Council adopt Resolution No. 17-43.

A RESOLUTION OF THE CITY OF PENSACOLA, FLORIDA AUTHORIZING THE ISSUANCE BY THE CITY OF AN EASTSIDE REDEVELOPMENT REVENUE BOND, SERIES 2017, IN THE PRINCIPAL AMOUNT OF \$1,307,000 TO FINANCE CERTAIN COMMUNITY REDEVELOPMENT IMPROVEMENTS IN THE EASTSIDE NEIGHBORHOOD REDEVELOPMENT AREA AS DESCRIBED HEREIN; PLEDGING THE TAX INCREMENT REVENUES OF THE EASTSIDE NEIGHBORHOOD REDEVELOPMENT AREA AND THE CITY'S LOCAL BUSINESS TAX AS SECURITY FOR THE PAYMENT OF SAID SERIES 2017 BOND; PROVIDING FOR THE RIGHTS, SECURITY, AND REMEDIES FOR THE REGISTERED OWNER OF THE SERIES 2017 BOND; MAKING CERTAIN COVENANTS AND AGREEMENTS IN CONNECTION THEREWITH; AUTHORIZING THE AWARD OF THE SALE OF THE SERIES 2017 BOND; AUTHORIZING FURTHER OFFICIAL ACTION IN CONNECTION WITH THE DELIVERY OF THE SERIES 2017 BOND; PROVIDING FOR SEVERABILITY; PROVIDING FOR REPEAL OF INCONSISTENT PROVISIONS; AND PROVIDING AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

On April 10, 2017, the Community Redevelopment Agency (CRA) requested that the City pursue financing options for eligible Eastside and Westside projects, to be repaid from future Tax Increment Financing (TIF) revenues. Eastside projects approved by the CRA at the meeting included the General Daniel "Chappie" James

Jr. Museum & Flight Academy Project, affordable housing rehabilitation and greenway improvements.

Mitch Owens, the City's Financial Advisor with RBC Capital Markets, LLC has pursued financing options and has recommended SmartBank as the lender. SmartBank has offered twenty (20) year financing for both the CRA's Eastside and Westside Tax Increment Financing Districts at a fixed interest rate of 3.33%. Interest will be paid semi-annually on October 1 and April 1 of each year and principal payments will be paid annually on April 1 commencing on April 1, 2018 and maturing on April 1, 2037. The pledged revenues include Tax Increment Revenues derived from the Eastside Redevelopment Area, and in the event that these revenues are insufficient, the Local Business Tax. The City's bond attorney has incorporated within the Resolution an interlocal agreement between the City and the CRA whereby the CRA agrees that in the event that Tax Increment Revenues are insufficient to fully pay the principal and interest on the Series 2017 Bond, and the City advances Local Business Tax for the payment thereof, the CRA shall repay such advance plus interest to the City once funds become available.

Upon approval of the financing by City Council, the Eastside Redevelopment Revenue Bond proceeds will be available to fund the remaining cost for the construction of the General Daniel "Chappie" James Jr. Museum & Flight Academy Project. Any remaining proceeds can be used for capital improvements as identified in the Eastside Neighborhood Plan.

Estimated Tax Increment Revenues are sufficient to meet debt service requirements for the twenty (20) year financing term as well as cover operations as currently structured in the fiscal year 2018 budget. However, for the next twenty (20) years, Tax Increment Revenues will be fully committed and additional projects as identified in the Eastside Neighborhood Plan will need to come from revenue growth or other sources.

On January 12, 2017, City Council approved the transfer of \$440,000 from the City's General Fund to the Eastside TIF Fund, specifically for the General Daniel "Chappie" James Jr. Museum & Flight Academy Project. With the anticipated financing proceeds covering the remaining cost of the Project, the \$440,000 transfer from the City's General Fund to the Eastside TIF Fund is no longer required. City staff suggest that these funds remain in the City's General Fund and be designated to the Housing Initiatives Fund specifically for use in the Pensacola Inner City Community Redevelopment Area in order to fund the Eastside and Westside affordable housing rehabilitation projects.

The financing team consists of Mitch Owens, the City's Financial Advisor with RBC Capital Markets, LLC and Randy Clement, Esq., with Bryant Miller Olive, the City's Bond Counsel.

In accordance with Section 163.346, Florida Statutes, a notice regarding the proposed issuance of the Eastside Redevelopment Revenue Bond, Series 2017 has been sent to each taxing authority which levies ad valorem taxes on taxable real property contained within the geographic boundaries of the redevelopment area. Further, a notice of the public meeting has been published in the Pensacola News Journal of such proposed action in accordance with Florida Statutes.

PRIOR ACTION:

January 12, 2017 - City Council approved the transfer of \$440,000 from the City's General Fund to the Eastside TIF Fund, specifically for the General Daniel "Chappie" James Jr. Museum & Flight Academy Project.

April 10, 2017 - CRA requested that the City pursue financing options for eligible Eastside and Westside projects, to be repaid from future Tax Increment Financing revenues.

July 13, 2017 - City Council approved Ordinance No. 21-17, extending the Eastside Neighborhood Redevelopment Trust Fund for an additional twenty (20) years.

FUNDING:

N/A

FINANCIAL IMPACT:

Bond proceeds are estimated to be \$1,307,000. Estimated closing cost of \$12,000 will be paid from bond proceeds resulting in total estimated project funds of \$1,295,000. The twenty (20) year bond will have semiannual interest payments on October 1 and April 1 each year commencing on October 1, 2018. Principal payments will be due April 1 each year with the first payment due on April 1, 2018 and final maturity of April 1, 2037. Loan term assumes a fixed interest rate of 3.33%. The pledged revenues include the Tax Increment Revenues and in the event that these revenues are insufficient, the Local Business Tax. Debt service will be appropriated in the CRA Debt Service Fund and paid from revenues collected in the Eastside Tax Increment Financing District Fund.

"State" means the State of Florida.

“Subordinate Obligation” means the loan from the City to the Agency pursuant to the Interlocal Agreement between the City and the Agency dated as of September 30, 2016, for the purpose of financing the “Project” therein described and located within the Eastside Neighborhood Redevelopment Area.

“Tax Certificate” means the Issuer’s Tax Certificate as to Arbitrage and the Provisions of Sections 141-150 of the Internal Revenue Code of 1986, As Amended, dated as of the Delivery Date.

"Tax Increment Revenues" means the tax increment revenues paid into the Eastside Neighborhood Redevelopment Trust Fund.

Section 3. Findings.

(A) Pursuant to Resolution No. 54-80 adopted by the City Council on September 25, 1980, and as confirmed and ratified pursuant to Resolution 65-81 adopted by the City Council on September 22, 1981, the City Council found and determined that an area designated therein as the “Pensacola Inner City” is a blighted area as therein described, that a combination of rehabilitation, conservation and redevelopment of the Pensacola Inner City is necessary, that there exists a need for a community redevelopment agency to function in the City to carry out community redevelopment purposes pursuant to Part II, Chapter 163, Florida Statutes, and that the Pensacola Inner City is appropriate for community redevelopment projects and is thereby designated a community redevelopment area.

(B) Pursuant to Resolution No. 55-80 adopted by the City Council on September 25, 1980, and as confirmed and ratified pursuant to Resolution 65-81 adopted by the City Council on September 22, 1981, the City Council declared itself to be the “Community Redevelopment Agency” in the City and vested all rights, powers, duties, privileges and immunities vested in a community redevelopment agency pursuant to Part III, Chapter 163, Florida Statutes, in the City Council, subject to all responsibilities and liabilities imposed or incurred, and enumerated certain powers of an Executive Committee therein described and certain powers of the City Council, including the power to issue revenue bonds.

(C) Resolution No. 22-10 adopted by the City Council on August 19, 2010, amended the composition of the Agency pursuant to the City’s Charter which became effective on January 10, 2011, such that the Agency be comprised of the nine (9) members of the City Council now seated pursuant to the Charter and that such City Council assume the powers of the Executive Committee therein dissolved. An Interlocal Agreement dated April 12, 2017, between the City and the Agency, provides the Mayor certain executive authority and supervision over the daily operations of the Agency for the current Fiscal Year.

(D) Pursuant to Ordinance No. 46-00 and Ordinance No. 47-00, each enacted on October 26, 2000, the City Council designated the boundaries and found and determined that an area designated therein as the “Urban Infill and Redevelopment Area” is a blighted area as therein described.

(E) On February 12, 2004, the City Council approved an “Eastside Neighborhood Plan” for an area located within the boundaries of the Urban Infill and Redevelopment Area. Pursuant to Resolution No. 41-05 adopted by the City Council on October 13, 2005, the City Council found and determined that the Eastside Neighborhood Redevelopment Area is a blighted area as therein described, that the rehabilitation, conservation and redevelopment, including the development of affordable housing for the purposes therein described, is necessary and that such area is appropriate for redevelopment projects.

(F) Ordinance No. 16-05 enacted by the City Council on October 27, 2005, established the Eastside Neighborhood Redevelopment Trust Fund and provided that funds allocated to and deposited in such fund shall be used for the purpose of financing the implementation of the Urban Infill and Redevelopment Plan, as amended, within the Eastside Neighborhood Redevelopment Area. On July 13, 2017, the City Council enacted Ordinance No. 21-17, amending Ordinance No. 16-05 to extend the Eastside Neighborhood Redevelopment Trust Fund for an additional twenty years or for a period commencing January 1, 2006, and each of thirty-nine (39) years thereafter. The Eastside Neighborhood Redevelopment Trust Fund is required to be maintained and administered as a separate account of the City for the purposes expressed in such ordinance and Chapter 163, Florida Statutes.

(G) Pursuant to the Interlocal Agreement, the Agency shall acknowledge the Issuer's issuance of the Series 2017 Bond and confirm, consent to and accept the terms thereof and as set forth herein. The Agency will further pledge the Tax Increment Revenues to the City and covenant to fund, pay, reimburse and repay the Issuer the amounts due under the Series 2017 Bond and

hereunder, including payment of the principal of and interest on the Series 2017 Bond from Tax Increment Revenues or from any other funds of the Agency legally available for such purpose.

(H) The Issuer has determined that it is necessary and in the best interests of the health, safety and welfare of the Issuer and its inhabitants that the Issuer undertake the Series 2017 Project and that the Series 2017 Project shall constitute and serve the purposes of “community redevelopment” within the meaning and in accordance with the Act. Issuance of the Series 2017 Bond to finance the Series 2017 Project serves a paramount public purpose.

(I) The Issuer is without currently available funds to pay the cost of the Series 2017 Project, and it is necessary and desirable that the Issuer borrow the moneys necessary to provide for payment of the Series 2017 Project.

(J) The Series 2017 Bond will be payable from the Pledged Revenues as and to the extent provided herein. The Pledged Revenues are not currently pledged or encumbered to pay any obligations of the Agency or the Issuer, except the Subordinate Obligation of the Agency which is secured by a junior and subordinate lien upon the Tax Increment Revenues. It is estimated that the Pledged Revenues will be sufficient to pay the principal of and interest on the Series 2017 Bond herein authorized, as the same become due, and to make all deposits required by this Resolution.

(K) The obligation of the Issuer to repay the Series 2017 Bond in accordance with its terms and to make the payments required hereunder is hereby declared to be and shall be a special, limited obligation of the Issuer, secured solely by the Pledged Revenues as further described herein. The payment of the principal of and interest on the Series 2017 Bond shall be secured solely by a first priority lien upon and pledge of the Pledged Revenues. The principal of and interest on the Series 2017 Bond shall not constitute a general obligation or indebtedness of the Issuer, but shall be a limited obligation of the Issuer payable solely from the Pledged Revenues, to the extent and as provided herein. The Registered Owner shall never have the right to compel the levy of taxes upon any property of or in the Issuer for the payment of the principal of and interest on the Series 2017 Bond.

(L) It is necessary and desirable to provide for the securing of the Series 2017 Bond, the issuance of the Series 2017 Bond and the taking of all other action in connection therewith.

(M) It is necessary and desirable to approve the estimated costs of issuance to be paid by the Issuer in connection with the delivery of the Series 2017 Bond.

(N) The Financial Advisor has solicited proposals for the purchase of the Series 2017 Bond pursuant to a negotiated private placement and is recommending the Issuer award the Series 2017 Bond to the Lender pursuant to the terms in the Proposal.

(O) The Issuer has received an offer from the Lender to purchase the Series 2017 Bond.

Section 4. Authorization of Series 2017 Bond, Authorization of Series 2017 Project.

(A) Subject and pursuant to the provisions hereof, an obligation of the Issuer to be known as the “City of Pensacola, Florida Eastside Redevelopment Revenue Bond, Series 2017” is hereby authorized to be issued under and secured by this Resolution in the principal amount of \$1,307,000 for the purposes of financing the Series 2017 Project and paying the costs of issuing the Series 2017 Bond.

(B) The financing and/or reimbursing of the Series 2017 Project is hereby authorized. The City Council and the proper officers of the Issuer are hereby directed to take all action and steps deemed necessary to construct the Series 2017 Project, which are not inconsistent with the terms and provisions of this Resolution.

Section 5. Award of Series 2017 Bond.

Because of the characteristics of the Series 2017 Bond, prevailing and expected market conditions it is in the best interest of the Issuer and shall effectuate the purpose of Chapter 163, Part III, Florida Statutes to accept the offer of the Lender to purchase the Series 2017 Bond at a private negotiated sale, which was based upon a competitive selection process. Prior to the issuance of the Series 2017 Bond, the Issuer shall receive from the Lender a Lender's Certificate, in substantially the form attached hereto as Exhibit B and a Disclosure Letter containing the information required by Section 218.385, Florida Statutes, in substantially the form attached hereto as Exhibit C.

The Issuer hereby accepts the Proposal of the Lender; provided, however, in the event of any inconsistencies as between such Proposal and the Series 2017 Bond and this Resolution, the provisions of the Series 2017 Bond and this Resolution shall control.

Section 6. This Resolution to Constitute Contract.

In consideration of the acceptance of the Series 2017 Bond authorized to be issued hereunder by those who shall be Registered Owners of the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owners.

Section 7. Description of the Series 2017 Bond.

The Series 2017 Bond shall be dated the Date of Delivery and shall be subject to the following terms:

(A) Interest Rate. The Interest Rate on the Series 2017 Bond shall be a fixed rate of interest equal to 3.33% per annum, subject to adjustment as provided in Schedule 1 of the Series 2017 Bond. After a Determination of Taxability, the Interest Rate shall equal the Adjusted Interest Rate and after an Event of Default, the Interest Rate shall equal the Default Rate, however, in no event shall interest be payable on the Series 2017 Bond at a rate in excess of the maximum rate

permitted by applicable law. Interest on the Series 2017 Bond shall be calculated using a 360-day year consisting of twelve 30-day months and shall be paid by wire transfer or other medium acceptable to the Issuer and the Lender.

(B) Principal and Interest Payment Dates. Principal on the Series 2017 Bond shall be paid annually on each Principal Payment Date, in amounts specified in Schedule 2 attached to the Series 2017 Bond, and shall mature on the Maturity Date. Interest on the Series 2017 Bond shall be paid semi-annually on each Interest Payment Date.

(C) Prepayment of the Series 2017 Bond. The Issuer may prepay the Series 2017 Bond in whole on any date and in part on any Payment Date, upon at least 10 days' prior written notice to the Registered Owner at a price of par plus accrued interest to the date of prepayment, including without limitation interest accrued after the Accrual Date at the Adjusted Interest Rate and the Additional Amount (as such terms are defined in Schedule 1 of the Series 2017 Bond). Unless otherwise agreed to by the Registered Owner of the Series 2017 Bond, all prepayments of the principal of the Series 2017 Bond shall be increments of \$1,000 and shall be applied to the prepayment of principal installments in inverse order of the Principal Payment Dates specified in Schedule 2 attached to the Series 2017 Bond.

(D) Form of Series 2017 Bond. The Series 2017 Bond shall be in substantially the form attached hereto as Exhibit A, with such variations, omissions and insertions as may be necessary, desirable and authorized or permitted by this Resolution.

(E) Original Denomination. The Series 2017 Bond shall originally be issued in a single denomination in an amount equal to the original principal amount authorized hereunder.

Section 8. Execution, and Delivery of Series 2017 Bond.

Pursuant to Section 4.01(1) of its Charter, the Issuer hereby authorizes the Mayor to execute the Series 2017 Bond, such execution to be attested under seal by the City Clerk, approved as to content by the Chief Financial Officer and designated as legal in form and valid as drawn by the City Attorney and further authorizes the Mayor to deliver the Series 2017 Bond to the Lender, and to take such other actions as shall be necessary to consummate the loan. In case any one or more of the officers who shall have signed or sealed the Series 2017 Bond or whose facsimile signature shall appear thereon shall cease to be such officer of the Issuer before the Series 2017 Bond so signed and sealed has been actually sold and delivered, such Series 2017 Bond may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Series 2017 Bond had not ceased to hold such office. The Series 2017 Bond may be signed and sealed on behalf of the Issuer by such person who at the actual time of the execution of such Series 2017 Bond shall hold the proper office of the Issuer, although, at the date of such Series 2017 Bond, such person may not have held such office or may not have been so authorized. The Issuer may adopt and use for such purposes the facsimile signatures of any such persons who shall have held such offices at any time after the date of the adoption of this Resolution, notwithstanding that either or both shall have ceased to hold such office at the time the Series 2017 Bond shall be actually sold and delivered

Section 9. Registration and Exchange of the Series 2017 Bond.

There shall be a Registrar who shall be responsible for maintaining the Register. The person in whose name ownership of a Series 2017 Bond is shown on the Register shall be deemed the Registered Owner thereof by the Issuer and the Registrar, who may treat the Registered Owner as the absolute owner of the Series 2017 Bond for all purposes, whether or not the Series 2017 Bond shall be overdue, and any notice to the contrary shall not be binding upon the Issuer or the Registrar.

Ownership of the Series 2017 Bond may be transferred or assigned only as a whole and not in part and only upon the Register. Upon surrender to the Registrar for transfer or exchange of the Series 2017 Bond accompanied by an assignment or written authorization for exchange, whichever is applicable, duly executed by the Registered Owner or its attorney duly authorized in writing, the Registrar shall deliver in the name of the transferee a new fully registered Series 2017 Bond of the same amount, maturity and interest rate as the Series 2017 Bond surrendered.

The Series 2017 Bond presented for transfer, exchange, redemption or payment (if so required by the Issuer or the Registrar) shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guaranty of signature satisfactory to the Registrar, duly executed by the Registered Owner or by his duly authorized attorney.

The Issuer and the Registrar may charge the Registered Owner a sum sufficient to reimburse them for any expenses incurred in making any exchange or transfer after the first such exchange or transfer following the delivery of such Series 2017 Bond. The Registrar or the Issuer may also require payment from the Registered Owner or his transferee, as the case may be, of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto by any governmental entity other than the Issuer. Such charges and expenses shall be paid before any such new Series 2017 Bond shall be delivered.

The new Series 2017 Bond delivered upon any registered transfer or exchange shall be a valid obligation of the Issuer, evidencing the same debt as the Series 2017 Bond surrendered, shall be secured under this Resolution, and shall be entitled to all of the security and benefits hereof to the same extent as the Series 2017 Bond surrendered.

Whenever a Series 2017 Bond shall be delivered to the Registrar for cancellation, upon payment of the principal amount thereof, or for replacement, transfer or exchange, such Series 2017 Bond shall be cancelled and destroyed by the Registrar, and counterparts of a certificate of destruction evidencing such destruction shall be furnished to the Issuer.

Section 10. Series 2017 Bond Mutilated, Destroyed, Stolen or Lost.

In case the Series 2017 Bond shall be mutilated, or be destroyed, stolen or lost, upon the Registered Owner furnishing the Registrar satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer may incur, the Registrar shall issue and deliver a new Series 2017 Bond of like tenor as the Series 2017 Bond so mutilated, destroyed, stolen or lost, in lieu of or substitution for the Series

2017 Bond, if any, destroyed, stolen or lost, or in exchange and substitution for such mutilated Series 2017 Bond, upon surrender of such mutilated Series 2017 Bond, if any, to the Registrar and the cancellation thereof; provided however, if the Series 2017 Bond shall have matured or be about to mature, instead of issuing a substitute Series 2017 Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Series 2017 Bond be lost, stolen or destroyed, without surrender thereof. Any Series 2017 Bond surrendered under the terms of this Section 10 shall be cancelled by the Registrar.

Any such new Series 2017 Bond issued pursuant to this Section 10 shall constitute an original, additional contractual obligation on the part of the Issuer whether or not, as to the new Series 2017 Bond, the lost, stolen or destroyed Series 2017 Bond be at any time found by anyone, and such new Series 2017 Bond shall be entitled to equal and proportionate benefits and rights as to security for payment to the same extent as the Series 2017 Bond originally issued hereunder.

Section 11. Covenants of the Issuer.

Until the principal of and interest on the Series 2017 Bond shall have been paid in full or provision for payment of the Series 2017 Bond shall have been made in accordance with the provisions of this Resolution, the Issuer covenants with the Registered Owner of the Series 2017 Bond as follows:

(A) Establishment of Debt Service Fund and Accounts Therein. There is hereby created and established a Debt Service Fund (and the Principal Account and Interest Account therein). The Debt Service Fund and any other special funds herein established and created shall constitute trust funds of the Issuer for the purposes provided herein for such funds. All such funds shall be continuously secured in the same manner as deposits of governmental funds are authorized to be secured by the laws of the State.

The cash required to be accounted for in any funds established hereunder may be deposited in a single bank account, provided that adequate accounting records are maintained to reflect and control the restricted allocation of the cash on deposit therein for the various purposes of such funds as herein provided.

The designation and establishment of the various funds and accounts in and by this Resolution shall not be construed to require the establishment of any completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues for certain purposes and to establish certain priorities for application of such revenues and assets as herein provided.

The moneys in the Debt Service Fund and the accounts therein until disbursed pursuant to the provisions hereof may be invested and reinvested only in Authorized Investments, in the manner provided by law. All income on such investments shall remain in such Fund and be used for the purposes herein described. Authorized Investments in the funds and accounts hereunder shall be valued at the market value thereof, exclusive of accrued interest, by the Issuer as frequently as reasonably deemed necessary by the Lender but not less often than annually nor more often than monthly.

(B) Disposition of Pledged Revenues. Tax Increment Revenues shall be deposited to the credit of the Eastside Neighborhood Redevelopment Trust Fund upon receipt. In each Fiscal Year, the Issuer shall transfer from the Eastside Neighborhood Redevelopment Trust Fund to the Debt Service Fund sufficient Tax Increment Revenues to pay the principal of and interest on the Series 2017 Bond coming due on the April 1 Payment Date in such Fiscal Year and on the October 1 Payment Date in the immediately following Fiscal Year and amounts necessary to cure any deficiencies in the Debt Service Fund. To the extent permitted by applicable law, that portion of the Tax Increment Revenues paid by Escambia County shall be deposited to the credit of the Debt Service Fund and used to pay debt service on the Series 2017 Bond prior to that portion of the Tax Increment Revenues paid by the City. Prior to each Payment Date, the Issuer shall deposit Local Business Tax sufficient to cause the amount on deposit in the Principal Account and Interest Account, respectively, to be sufficient to pay the principal of and interest on the Series 2017 Bond becoming due and payable on such Payment Date to the extent Tax Increment Revenues and other amounts therein are insufficient to make such payments.

Tax Increment Revenues and Local Business Tax in excess of the amounts necessary to make the deposits required hereby may be used by the Agency and the Issuer for any lawful purpose of the Eastside Neighborhood Redevelopment Trust Fund and of the Issuer, respectively, free and clear of the pledge thereof and lien thereon created pursuant to this Resolution.

Any provision hereof to the contrary notwithstanding, so long as the Issuer is not in default in the payment of principal, premium, if any, and interest on the Series 2017 Bond, then the failure to deposit the Pledged Revenues into the Debt Service Fund in the amounts required hereunder shall not be deemed a default hereunder so long as the full amount of such deposits necessary to make all such payments with respect to the Series 2017 Bond is deposited in such Fund on or prior to the date such payments are due.

(C) Tax Covenant. Neither the Issuer, nor any third party over whom the Issuer has control, will make any use of, or permit an omission of use, of the proceeds of the Series 2017 Bond at any time during the term of the Series 2017 Bond which would cause the Series 2017 Bond to be (a) a “private activity bond” within the meaning of Section 103(b)(1) of the Code or (b) an “arbitrage bond” within the meaning of Section 103(b)(2) of the Code. The Issuer covenants throughout the term of the Series 2017 Bond to comply with the requirements of the Code and the Regulations, as amended from time to time, and to take all actions, and to not permit the omission of any actions, necessary to maintain the exclusion from gross income for purposes of the Code of interest on the Series 2017 Bond, including, without limitation, the payment of arbitrage rebate, if required.

The Issuer hereby makes each of the representations, warranties and covenants contained in the Tax Certificate. By this reference, all terms, conditions, and covenants in said Tax Certificate are incorporated in and made a part of this Resolution.

(D) Financial Statements. At no cost to the Lender, the Issuer shall provide to the Lender its audited year-end financial statements no later than 210 days after the end of the each Fiscal Year prepared in accordance with generally accepted accounting principles.

(E) Annual Budget and Other Information. The Issuer will prepare its annual budget in accordance with the Act, and will provide at no cost to the Lender a copy of its final, adopted annual budget for each Fiscal Year upon request of the Lender. The Issuer will provide the Lender such other financial or public information as the Lender may reasonably request.

(F) Additional Debt. Additional Obligations payable on a parity with the Series 2017 Bond may be issued hereunder upon the filing with the Clerk and the Registered Owner of the Series 2017 Bond of a certificate of the Chief Financial Officer stating that the Pledged Revenues for the most recent Fiscal Year for which audited financial statements are available equals at least 1.5 times the Maximum Annual Debt Service on the Bonds then outstanding and the Additional Obligations proposed to be issued. LBT Obligations may be issued by the Issuer upon the filing with the Clerk and the Registered Owner of the Series 2017 Bond of a certificate of the Chief Financial Officer stating that the Local Business Tax for the most recent Fiscal Year for which audited financial statements are available equal at least 1.5 times the Maximum Annual Debt Service on the Bonds and LBT Obligations then outstanding and the LBT Obligations proposed to be issued; provided, however, that the foregoing shall not apply to the issuance of the Issuer's Westside Redevelopment Revenue Bond, Series 2017, which shall be secured by a lien on and pledge of the Local Business Tax on a parity with the Series 2017 Bond.

For purposes of calculating Maximum Annual Debt Service, interest on Additional Obligations and any LTB Obligations which bear interest at a variable rate of interest shall be deemed to bear interest at the greater of (i) 1.25 times the most recent 20 Bond Index published by *The Bond Buyer*, or (ii) 1.25 times the actual average interest rate during the prior Fiscal Year of the Issuer. For purposes of calculating Maximum Annual Debt Service, the debt service on Additional Obligations and LBT Obligations, whether bearing interest at a fixed or variable interest rate, constituting Balloon Indebtedness, shall be determined assuming such obligations are amortized over 20 years from the date of original issuance on an approximately level debt service basis. For purposes of the foregoing sentence, "Balloon Indebtedness" means obligations designated as such by the Issuer, 25% or more of the original principal of which matures during any one Fiscal Year.

Obligations secured by the Tax Increment Revenues and/or the Local Business Tax that are junior and subordinate in all respects to the Series 2017 Bond may be issued without regard to the foregoing.

(G) No Impairment. The Issuer covenants with the Registered Owner that it will not, without the written consent of the Registered Owner, enact any ordinance or adopt any resolution which repeals, impairs, or modifies in any manner adverse to the Registered Owner the Tax Increment Revenues or Local Business Tax.

(H) Receipt of Pledged Revenues. The Issuer covenants to do all things necessary or required on its part by the Act, or other applicable provisions of law, to enforce the collection and receipt of the Tax Increment Revenues and the Local Business Tax. The Issuer shall exercise all legally available remedies to enforce such collection and receipt now or hereafter available under law. The Issuer will not take any action, or enter into any agreement that shall result in reducing

the level of Local Business Tax below the amount sufficient to provide for the payment of the Series 2017 Bond as provided herein.

Section 12. Payment of Principal and Interest; Limited Obligation.

The payment of the principal of and interest on the Series 2017 Bond shall be secured forthwith solely by and there is hereby granted to the Registered Owner of the 2017 Bond a first priority lien upon and pledge of the Pledged Revenues. The pledge of and lien on the Local Business Tax shall be on a parity with the pledge thereof and lien thereon securing the Issuer's Westside Redevelopment Revenue Bond, Series 2017. The principal of and interest on the Series 2017 Bond shall not constitute a general obligation or indebtedness of the Issuer, but shall be a limited obligation of the Issuer payable solely from the Pledged Revenues, to the extent and as provided herein. The Registered Owner shall never have the right to compel the levy of taxes upon any property of or in the Issuer for the payment of the principal of and interest on the Series 2017 Bond.

Section 13. Application of Proceeds of Series 2017 Bond.

Simultaneously with the delivery of the Series 2017 Bond to the Lender, proceeds of the Series 2017 Bond shall be applied as follows:

(A) The Issuer shall pay all costs and expenses in connection with the preparation, issuance and sale of the Series 2017 Bond.

(B) Proceeds of the Series 2017 Bond remaining after payment of costs of issuance shall be deposited into a separate account of the Issuer hereby created and established to be known as the "City of Pensacola, Florida, Eastside Redevelopment Revenue Bond, Series 2017 Project Fund" (the "Project Fund") and shall be used by the Issuer to pay Project Costs. Monies in the Project Fund shall be invested in Authorized Investments, and all income derived therefrom shall be deposited in the Project Fund until the Series 2017 Project has been completed, at which time such income, together with any balance remaining in the Project Fund, shall be deposited to the credit of the Debt Service Fund and used to pay principal of and interest on the Series 2017 Bond.

To the extent there are no other available funds held hereunder, the Issuer shall use any remaining funds in the Project Fund to pay principal of and interest on the Series 2017 Bond.

Such fund shall be kept separate and apart from all other funds of the Issuer and the moneys on deposit therein shall be withdrawn, used and applied by the Issuer solely for the purposes set forth herein. Such proceeds shall be and constitute trust funds for such purpose and there is hereby created a lien in favor of the Series 2017 Bond upon such money until so applied by the Issuer solely for the purposes set forth herein.

Section 14. Amendment.

This Resolution shall not be modified or amended in any respect subsequent to the issuance of the Series 2017 Bond, except with the written consent of the Registered Owner.

Section 15. Limitation of Rights.

With the exception of any rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Resolution or the Series 2017 Bond is intended or shall be construed to give to any person other than the Issuer and the Registered Owner any legal or equitable right, remedy, or claim under or with respect to this Resolution or any covenants, conditions, and provisions herein contained; this Resolution and all of the covenants, conditions, and provisions hereof being intended to be and being for the sole and exclusive benefit of the Issuer and the Registered Owner.

Section 16. Events of Default; Notice and Remedies.

(A) Events of Default. The following shall be “Events of Default” hereunder, and the terms “Default” and “Events of Default” shall mean (except where the context clearly indicates otherwise), any one or more of the following events:

(1) Failure by the Issuer to make any payment of principal of or interest on the Series 2017 Bond within five (5) days of the date due.

(2) Failure by the Issuer to observe and perform any other covenant, condition or agreement on its part to be observed or performed hereunder for a period of thirty (30) days after written notice of such failure was or was by the terms hereof required to be delivered to the Issuer by the Registered Owner, unless the Registered Owner shall agree in writing to an extension of such time prior to its expiration;

(3) The making of any warranty, representation or other statement by the Issuer or by an officer or agent of the Issuer herein or in any instrument furnished in compliance with or in reference to this Resolution which is false or misleading in any material adverse respect;

(4) The filing of a petition against the Issuer or the Agency under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, if an order for relief is entered under such petition or such petition is not dismissed within ninety (90) days of such filing;

(5) The filing by the Issuer or the Agency of a voluntary petition in bankruptcy or seeking relief under any provision of any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or the consent by the Issuer or the Agency to the filing of any petition against it under such law; or

(6) The admission by the Issuer or the Agency of its insolvency or bankruptcy or its inability to pay its debts as they become due or that it is generally not paying its debts as such debts become due, or the Issuer’s or Agency’s becoming insolvent or bankrupt or making an assignment for the benefit of creditors, or the appointment by court order of a custodian (including without limitation a receiver, liquidator or trustee) of the Issuer or any of its property taking possession thereof and such order remaining in effect or such possession continuing for more than sixty (60) days.

Upon an Event of Default specified in paragraphs (1) through (6) above, the Interest Rate shall immediately and automatically become the Default Rate.

(B) Notice of Defaults. The Issuer shall within five (5) Business Days after it acquires knowledge thereof, notify the Registered Owner of the Series 2017 Bond in writing (a) upon the happening, occurrence, or existence of any Event of Default that the Registered Owner is not otherwise aware of, or (b) any event or condition which with the passage of time or giving notice, or both, would constitute an Event of Default, and shall provide the Registered Owner of the Series 2017 Bond, with such written notice, a detailed statement by the Chief Financial Officer of all relevant facts and the action being taken or proposed to be taken by the Issuer with respect thereto. Regardless of the date of receipt of such notice by the Registered Owner of the Series 2017 Bond, such date shall not in any way modify the date of occurrence of the actual Event of Default.

(C) Remedies. For all Events of Default, the Registered Owner may sue to protect and enforce any and all rights, including the right to specific performance, existing under the laws of the State, of the United States of America, or granted and contained herein, and to enforce and compel the performance of all duties required by this Resolution or by any applicable laws to be performed by the Issuer, the City Council or by any officer thereof, and may take all steps to enforce this Resolution and the Issuer's rights under the Interlocal Agreement to the full extent permitted or authorized by the laws of the State or the United States of America. The Issuer hereby agrees to reimburse the Registered Owner for all reasonable legal and collection costs incurred by the Registered Owner in connection with the exercise of any remedies hereunder. The Registered Owner may exercise any remedies hereunder without any consent of any other holder, owner or creditor of any Bonds hereafter issued under this Resolution.

The right to accelerate and to declare immediately due and payable all or any portion of the principal of the Series 2017 Bond upon the occurrence of an Event of Default ("Right of Acceleration") shall not be a remedy hereunder; unless, however, any Additional Obligation issued in accordance with the terms hereof includes a Right of Acceleration. The Issuer shall provide notice thereof to the Registered Owner within ten (10) days of the delivery of such Additional Obligation, together with a copy of any loan document, security agreement, or other agreement evidencing such Additional Obligation. Upon the execution and delivery of an Additional Obligation that includes the Right of Acceleration as a remedy, the Right of Acceleration shall be a remedy hereunder from and after the effective date of such Additional Obligation for so long as such Obligation is outstanding, regardless of whether the Issuer fails to provide such notice.

The Issuer and the Registered Owner each waives, to the fullest extent permitted by law, any right to trial by jury in respect of any litigation based upon the Series 2017 Bond or arising out of, under or in conjunction with the Series 2017 Bond or this Resolution.

Section 17. Severability.

If any one or more of the covenants, agreements or provisions herein contained shall be held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid,

then such covenants, agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements or provisions and shall in no way affect the validity of any of the other provisions hereof or of the Series 2017 Bond issued hereunder.

Section 18. Business Days.

In any case where the date for making any payment or the last date for performance of any act or the exercise of any right, as provided herein, shall be other than a Business Day, then such payment or performance shall be made on the succeeding Business Day with the same force and effect as if done on the nominal date provided herein, provided that interest on any monetary obligation hereunder shall accrue at the applicable rate to and including the date of such payment.

Section 19. Applicable Provisions of Law.

This Resolution shall be governed by and construed in accordance with the laws of the State.

Section 20. Rules of Interpretation.

Unless expressly indicated otherwise, references to sections or articles are to be construed as references to sections or articles of this instrument as originally executed. Use of the words "herein," "hereby," "hereunder," "hereof," "hereinbefore," "hereinafter," and other equivalent words refer to this Resolution and not solely to the particular portion in which any such word is used.

Section 21. Captions.

The captions and headings in this Resolution are for convenience only and in no way define, limit or describe the scope or intent of any provisions or sections of this Resolution.

Section 22. No Personal Liability.

No recourse shall be had for the payment of the principal of and interest on the Series 2017 Bond or for any claim based on the Series 2017 Bond or hereon, against any present or former member, officer or employee of the City Council or the City or any person executing the Series 2017 Bond.

Section 23. Approval of Interlocal Agreement.

The form of Interlocal Agreement between the Issuer and the Agency and relating to the Series 2017 Bond, attached hereto as Exhibit E, is hereby approved. The Interlocal Agreement with such non-material omissions, insertions and variations as may be necessary and/or desirable and approved by the Mayor, the City Administrator, City Attorney, the Clerk or the Chief Financial Officer prior to the execution thereof, which necessity and/or desirability and approval shall be presumed by the execution thereof by the Mayor. The Issuer hereby authorizes the Mayor to execute the Interlocal Agreement, such execution to be attested under seal by the City Clerk,

approved as to content by the Chief Financial Officer and designated as legal in form and valid as drawn by the City Attorney.

Section 24. Authorizations.

The Mayor, City Administrator, City Attorney, the Clerk, the Chief Financial Officer and such other authorized officers, employees and agents of the Issuer are each designated agents of the Issuer in connection with the issuance, execution and delivery of the Series 2017 Bond and the execution and delivery of the Interlocal Agreement are authorized and empowered, collectively or individually, to take all actions and steps to execute and deliver any and all instruments, documents or contracts on behalf of the Issuer which are necessary or desirable in connection with the execution and delivery of the Series 2017 Bond and the Interlocal Agreement and which are not inconsistent with the terms and provisions hereof and other actions relating to the Series 2017 Bond and the Interlocal Agreement heretofore taken by the Issuer.

Section 25. Repealer.

This Resolution supersedes all prior actions of City Council inconsistent herewith. All resolutions or portions thereof in conflict with the provisions of this Resolution are hereby repealed to the extent of any such conflict.

SERIES 2017**

<u>Interest Rate</u>	<u>Maturity Date</u>	<u>Date of Issue</u>
3.33%	April 1, 2037	August 15, 2017
Subject to adjustment as herein described		

REGISTERED OWNER: SMARTBANK CORPORATION

PRINCIPAL AMOUNT: ONE MILLION THREE HUNDRED SEVEN THOUSAND DOLLARS

KNOW ALL MEN BY THESE PRESENTS, that the City of Pensacola, Florida (the “Issuer”), for value received, hereby promises to pay to the Registered Owner designated above, or registered assigns, solely from the sources hereinafter mentioned, in installments, on the Principal Payment Dates indicated in Schedule 2 attached hereto and on the Maturity Date, or sooner as provided herein, the Principal Amount shown above and the interest on the outstanding Principal Amount hereof from the date of this Bond or from the most recent date to which interest has been paid, whichever is applicable, until payment of such Principal Amount, at the Interest Rate described above, subject to adjustment as set forth in Schedule 1 attached hereto, with all unpaid interest being due on the Maturity Date or upon the earlier payment of principal hereunder upon presentation and surrender hereof at the office of the Chief Financial Officer for the Issuer, as Registrar and Paying Agent. The principal of, premium, if any, and interest on this Bond are payable in lawful money of the United States of America. Interest due hereon shall be calculated on the basis of a 360-day year consisting of twelve 30-day months.

The Issuer may prepay this Bond in whole on any date or in part on any Payment Date upon at least 10 days’ prior written notice to the Registered Owner at a price of par plus accrued interest to the date of prepayment, including without limitation interest accrued after the Accrual Date at the Adjusted Interest Rate and the Additional Amount (as such terms are defined in Schedule 1 attached hereto). Unless otherwise agreed to by the Registered Owner hereof, all prepayments of the principal of this Bond shall be increments of \$1,000 and shall be applied to the prepayment of principal in inverse order of the Principal Payment Dates indicated in Schedule 2 attached hereto.

This Bond is being issued in the principal amount \$1,307,000 to finance the costs of the Series 2017 Project of the Issuer under the authority of and in full compliance with the Constitution of the State of Florida, Chapter 163, Part III, Florida Statutes, Chapter 166, Part II, Florida Statutes,

the municipal charter of the Issuer and other applicable provisions of law, and Resolution No. ___-17, duly adopted by the City Council of the Issuer on August 10, 2017 (the "Resolution"), to which reference should be made to ascertain those terms and conditions. The terms and provisions of the Resolution, including, without limitation, the definitions therein, are hereby incorporated as a part of this Bond. The principal of this Bond shall be disbursed by the Registered Owner hereof to the Issuer in immediately available funds on the Date of Issue in accordance with the Resolution.

This Bond is payable from and secured solely by the Pledged Revenues consisting primarily of the Tax Increment Revenues and, to the extent Tax Increment Revenues are insufficient to pay the debt service requirements hereunder, the Local Business Tax, all in the manner provided in, and subject to the terms and conditions of, the Resolution. This Bond shall not constitute a general obligation or indebtedness of the Issuer, but shall be a limited obligation of the Issuer payable solely from the Pledged Revenues as provided in the Resolution. The Registered Owner hereof shall never have the right to compel the levy of taxes upon any property of or in the Issuer for the payment of the principal of and interest on this Bond. Reference is made to the Resolution for the provisions relating to the security for payment of this Bond and the duties and obligations of the Issuer hereunder.

The Registered Owner may sue to protect and enforce any and all rights, including the right to specific performance, existing under the laws of the State of Florida, of the United States of America, or granted and contained in the Resolution, and to enforce and compel the performance of all duties required by the Resolution or by any applicable laws to be performed by the Issuer, the City Council or by any officer thereof, and may take all steps to enforce the Resolution to the full extent permitted or authorized by the laws of the State of Florida or the United States of America.

The Issuer waives its right to trial by jury in the event of any proceedings in state or federal courts to enforce the terms of this Bond or of the Resolution, and the Registered Owner, by its acceptance of this Bond, waives its right to trial by jury in any such proceedings.

This Bond is subject to all the terms of the Resolution and Schedule 1 attached hereto.

It is hereby certified and recited that all acts, conditions and things required by the Constitution and laws of the State of Florida to be performed, to exist and to happen precedent to and in the issuance of this Bond, have been performed, exist and have happened in regular and due form and time as so required.

[Remainder of page left intentionally blank]

IN WITNESS WHEREOF, the City of Pensacola, Florida, has issued this Bond and has caused the same to be executed by the manual signature of the Mayor, attested under seal by the City Clerk, approved as to substance by the Chief Financial Officer, and designated legal in form and valid as drawn by the City Attorney, as of the Dated Date set forth above.

SCHEDULE 1 TO SERIES 2017 BOND

ADJUSTMENTS TO INTEREST RATE IN CERTAIN EVENTS

The Interest Rate on the Series 2017 Bond shall be subject to adjustment as provided herein and in the Resolution. The Registered Owner shall provide to the Issuer such documentation to evidence any adjustment to the Interest Rate and the calculations made in connection therewith. All calculations and determinations by the Registered Owner of the amounts payable pursuant to the following Interest Rate adjustment provisions or of any element thereof, if made in accordance with its then standard procedures for so calculating or determining such amounts, shall be conclusive absent manifest arithmetic error.

Upon the occurrence of a Determination of Taxability, the interest rate on the Series 2017 Bond shall be adjusted to the Adjusted Interest Rate as of the Accrual Date (as such terms are defined below); and (i) the Issuer shall, on the next Interest Payment Date (or if the Series 2017 Bond shall have matured, within thirty (30) days after demand by the Registered Owner of the Series 2017 Bond), pay to the Registered Owner of the Series 2017 Bond an amount equal to the sum of (1) the difference between (A) the total interest that would have accrued on the Series 2017 Bond at the Adjusted Interest Rate from the Accrual Date to such next Interest Payment Date (or the Maturity Date), and (B) the actual interest paid by the Issuer on the Series 2017 Bond from the Accrual Date to such next Interest Payment Date (or the Maturity Date), and (2) any interest and penalties required to be paid as a result of any additional federal income taxes imposed upon such Registered Owner arising as a result of such Determination of Taxability (collectively, the “Additional Amount”); and (ii) from and after such next Interest Payment Date, the Series 2017 Bond shall continue to bear interest at the Adjusted Interest Rate for the period such Determination of Taxability continues to be applicable with respect to the Series 2017 Bond. This adjustment shall survive payment of the Series 2017 Bond until such time as the federal statute of limitations under which the interest on the Series 2017 Bond could be declared taxable under the Code shall have expired.

“Accrual Date” means the date from which the interest payable on the Series 2017 Bond shall be includable for federal income tax purposes in the gross income of the Registered Owner thereof as a result of a Determination of Taxability.

“Adjusted Interest Rate” means an interest rate equal to 4.87% per annum.

Notwithstanding anything in the foregoing to the contrary, upon the occurrence and during the continuation of an Event of Default, the Interest Rate shall be established at a rate at all times equal to the Default Rate.

Notwithstanding any provision in the Resolution or the Series 2017 Bond to the contrary, in no event shall the Interest Rate exceed the maximum interest rate permitted by applicable law.

FORM OF PURCHASER'S CERTIFICATE

This is to certify that SmartBank Corporation (the “Purchaser”) has not required the City of Pensacola, Florida (the “Issuer”) to deliver any offering document and has conducted its own investigation, to the extent it deems satisfactory or sufficient, into matters relating to business affairs or conditions (either financial or otherwise) of the Issuer in connection with the issuance of its \$1,307,000 Eastside Redevelopment Revenue Bond, Series 2017 (the “Series 2017 Bond”), and no inference should be drawn that the Purchaser, in the acceptance of the Series 2017 Bond, is relying on Bond Counsel or the City Attorney as to any such matters other than the legal opinions rendered by Bond Counsel and by the City Attorney. Any capitalized undefined terms used herein not otherwise defined shall have the meaning set forth in Resolution No. __-17 adopted by the City Council of the Issuer on August 10, 2017 (the “Resolution”).

We are aware that investment in the Series 2017 Bond involves various risks, that the Series 2017 Bond is not a general obligation of the Issuer or payable from ad valorem tax revenues, and that the payment of the Series 2017 Bond is secured solely from the sources described in the Resolution (the “Security”).

We have made such independent investigation of the Security as we, in the exercise of sound business judgment, consider to be appropriate under the circumstances.

We have knowledge and experience in financial and business matters and are capable of evaluating the merits and risks of our investment in the Series 2017 Bond and can bear the economic risk of our investment in the Series 2017 Bond.

We acknowledge and understand that the Resolution is not being qualified under the Trust Indenture Act of 1939, as amended (the “1939 Act”), and is not being registered in reliance upon the exemption from registration under Section 3(a)(2) of the Securities Act of 1933, Section 517.051(1), Florida Statutes, and/or Section 517.061(7), Florida Statutes, and that neither the Issuer, Bond Counsel, nor the City Attorney shall have any obligation to effect any such registration or qualification.

We are not acting as a broker or other intermediary, and are purchasing the Series 2017 Bond as an investment for our own account and not with a present view to a resale or other distribution to the public. We understand that the Series 2017 Bond may be transferred only in whole and not in part and only in accordance with the limitations set forth in the Resolution.

We are a bank, trust company, savings institution, insurance company, dealer, investment company, pension or profit-sharing trust, or qualified institutional buyer as contemplated by Section 517.061(7), Florida Statutes. We are not purchasing the Series 2017 Bond for the direct or indirect promotion of any scheme or enterprise with the intent of violating or evading any provision of Chapter 517, Florida Statutes.

We are an “accredited investor” within the meaning of the Securities Act of 1933, as amended, and Regulation D thereunder.

July 20, 2017

Honorable Mayor and City Council
City of Pensacola, Florida

Re: City of Pensacola \$4,082,000 Westside Redevelopment Bonds, series 2017, and \$1,307,000 Eastside Redevelopment Bonds, series 2017, (bank qualified tax exempt or non-bank qualified)

Please accept this letter as a commitment of SmartBank or the "Bank" to purchase the above captioned Notes upon the terms and conditions outlined below:

Issuer: City of Pensacola, Florida

Amount: \$4,082,000 (Westside Series 2017) and \$1,307,000 (Eastside Series 2017) revenue notes (the "Notes").

Purpose of Issue: The Note proceeds will be used to finance various improvements within the respective community redevelopment areas (collectively the "Project").

Authority for Issue: Provisions of the Florida Constitution, the Charter of the City of Pensacola, Florida, as amended; Chapter 166, Part II of the Florida Statutes, Chapter 163, Florida Statutes, and any other valid constitutional and statutory authority.

Dated Date of Notes: Date of Delivery.

Form of Certificates: The Notes will be issued as a single typewritten or printed certificates, in fully registered form.

Interest Rate & Term:

<u>Westside Series 2017**</u>	<u>Annual Interest Rate #</u>
20 year term – fully amortized##	3.25% (Bank Qualified tax exempt)
	3.33% (Non-Bank Qualified tax exempt)

This paper is carbon-neutral, was processed chlorine-free, contains 100% post consumer waste and is Green-e Certified.

<u>Eastside Series 2017**</u>	<u>Annual Interest Rate #</u>
20 year term – fully amortized##	3.25% (Bank Qualified tax exempt) 3.33% (Non-Bank Qualified tax exempt)

**The Issuer would fully fund the loan on the day we close the loan.

If the Issuer accepts our proposal by the stipulated time, we will hold the above referenced fixed interest rate firm, provided that the Notes are closed (fully funded) no later than August 15, 2017. Should the Notes not be funded by August 15, 2017, a higher rate could apply, which would be based upon market conditions at the time the loan is actually closed.

Our pricing is based on the loan being amortized over a 20 year term utilizing approximately level debt. The loan would have a "final maturity" of no later than April 1, 2037.

Interest and Principal Payments: Interest would be calculated on a 30 over 360 day basis. Principal would be paid annually while interest would be payable semi-annually. The combined principal and interest payment would be due annually commencing on April 1, 2018 with an additional interest payment due annually commencing on October 1, 2018; see the attached "sample" amortization schedule. Although the dates and amounts could change, in all cases the final maturity date would need to occur no later than April 1, 2037.

Prepayment Provisions: The principal may be prepaid in whole on any date with 10 days advance written notice to the Bank without prepayment penalty. Principal may be prepaid in part on any interest payment date (each semi-annual payment date) with 10 days advance written notice to the Bank without prepayment penalty, provided that the Issuer pays all accrued interest which shall have accrued to the date of prepayment and provided further that any principal prepayments shall be in multiples of one-thousands (\$1,000.00). Prepayments shall be deemed to apply to those principal installments with the latest maturities of the Notes in inverse order.

Credit Approval: Already approved.

Security: The Notes would be secured by a pledge of (i) in the case of the Westside Series 2017 Note, the tax increment revenues generated within its Westside Community Redevelopment Area, (ii) in the case of the Eastside Series 2017 Note, the tax increment revenues generated within its Eastside Community Redevelopment Area, and (iii) in the case of both the Westside Series 2017 Note and Eastside Series 2017 Note, the Issuer's local Business Tax receipts.

Additional Debt: The Issuer would be permitted to issue additional debt on parity with the Notes (payable either from tax increment revenues or Business Tax receipts) provided it could meet an "additional bonds test" (ABT) of 1.50 times MADS for whatever portion of the security is being pledged to another issue.

July 20, 2017

Documentation: All documentation would need to be acceptable to the Bank and "Bank Counsel". The Bank and Bank Counsel would need to review and approve all documentation prior to adoption and/or acceptance by the Issuer's City Council. The loan documentation would include standard terms, conditions, and covenants which are customary for this type of financing. We understand that Note Counsel will be Bryant Miller Olive, P.A. Note Counsel would draft the loan documents and issue the customary legal and tax opinions. The Issuer's Local Counsel would also issue an opinion letter as to the due authorization and validity of the authorizing documents and the Notes. Based on this, the role of "Bank Counsel" would be that of a "review function" only. We have outlined the cost of Bank Counsel in the paragraph captioned "Closing costs, fees and expenses" presented below.

Additional Terms and Conditions:

* All legal and tax opinions would be addressed to the Bank and be in a form and substance acceptable to the Bank. The Issuer's legal counsel would opine as to the authority, legality, validity and enforceability of any pertinent ordinances, the Authorizing Resolution, the Notes, and such other proceedings of the City Commission and CRA Board as the Bank and Bank Counsel may deem necessary.

* The Issuer would covenant to use the proceeds of the Notes only for those projects which are eligible to receive the tax increment revenue distributions.

* No Impairment: the pledge of the tax increment revenues and Business Tax receipts will not be subject to repeal, modification or impairment by any subsequent ordinance, resolution or other proceedings of the CRA or the City. The Issuer will covenant not to reduce the level of Business Tax below that sufficient to pay debt service on the Notes.

* The Issuer would be required to do all things necessary (including taking legal action should it be necessary) to enforce the receipt of the tax increment revenues, and would be required to do all things necessary (including taking legal action should it be necessary) to enforce receipt of the Business Tax receipts in order to ensure that the pledged revenues are forthcoming to pay the Issuer's Notes.

* The Issuer would warrant in the loan documents that the tax increment revenues and Business Tax receipts are not currently pledged to any other obligations or debts.

* Prior to funding the Notes the Issuer would furnish to us a final "Sources and Uses" of funds statement, based on the final numbers.

July 20, 2017

* Prior to closing the Notes the Issuer would provide to the Bank a certificate to the effect that (i) the financial statements were prepared in accordance with GAAP and fairly present the financial condition of the Issuer and the CRA, respectively, as of their date, and (ii) since the date of the information presented in the 2016 audit (latest audit available at this time) there has been no material adverse change in the financial condition of the City and the CRA, respectively, or the pledged sources of repayment.

* We would require that the interest rate on the loan be "grossed up" and applied retroactively to the date of any event of taxability should it be determined by the Internal Revenue Service that the tax status of the Notes has changed due to the actions or inaction of the Issuer. Such "gross up" would not exceed any statutory limit imposed by the State of Florida and would be equal to the tax equivalent yield as originally contemplated by the Bank.

* Provision would be made for a "default interest rate" equal to 18% or any statutory interest rate limitation imposed by the State of Florida, whichever is less.

* The loan documentation would define standard events of default as are customary for this type of transaction and would provide reasonable remedies to the Bank in the event of default under the loan documents, but would exclude the right of acceleration unless other loans secured by the same revenue sources are granted such rights.

* The Issuer, immediately upon receiving knowledge of an event of default, would provide written notice to the Bank in the event of default.

* The Issuer would reimburse the Bank (or its agent e.g., receiver, trustee, etc.) for all reasonable legal and collection costs to exercise its remedies or collect its payments for the loan in the event of default.

* The Bank's remedies could be exercised independently of all other series of debt obligations of the Issuer and would require no other noteholders', bondholders' or creditors' approvals to exercise such remedies in the event of default.

* The Issuer would provide to the Bank (at no cost) the following information: a copy of its audited financial statement annually (automatically within 210 days after fiscal year end or whenever it becomes available, whichever occurs first), annual operating budgets (if requested by the Bank), and such other financial information as the Bank may reasonably request.

Closing costs, fees and expenses: The Bank would charge no fees and assess no closing costs for its own benefit. However, we would require the Issuer to reimburse the Bank for "Bank Counsel" expenses. Bank Counsel's fee will not exceed \$6,500 if its role is limited to a "review"

This paper is carbon-neutral, was processed chlorine-free, contains 100% post consumer waste and is Green-e Certified.

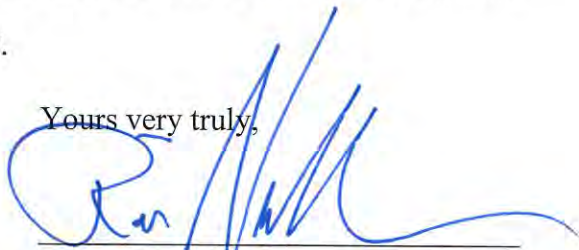

July 20, 2017

function only. All other legal expense i.e., Note Counsel and the Issuer's Local Counsel would be paid directly by the Issuer. See the "Documentation" paragraph above for more detail.

Delivery: As soon as possible after all approvals, but in any event the loan would be closed no later than August 15, 2017 in order for us to hold firm the quoted fixed rate of interest.

This proposal shall remain valid August 15, 2017.

Yours very truly,

WHEREAS, the Agency is responsible for implementation of community redevelopment plans providing for the redevelopment, rehabilitation and improvement of community redevelopment areas in the City; and

WHEREAS, the City and the Agency have determined to redevelop and revitalize the Eastside Neighborhood Redevelopment Area as a visibly attractive, economically viable, and socially desirable area of the City; and

WHEREAS, in accordance with the intent and purpose of Section 163.01, Florida Statutes, the parties have elected to enter into this Agreement to jointly and collectively provide for the acceptance by the Agency of the issuance by the City of its \$1,307,000 Eastside Redevelopment Revenue Bond, Series 2017 (the “Series 2017 Bond”), pursuant to Resolution No. __-17 adopted by the City Council on August 10, 2017 (the “Bond Resolution”), to finance the Series 2017 Project as therein described; and

WHEREAS, the City Council and the Agency have determined that this Agreement and the Series 2017 Project and expenditures contemplated hereunder serve public purposes and are appropriate and necessary undertakings in furtherance of redeveloping the Eastside Neighborhood Redevelopment Area consistent with the Eastside Neighborhood Plan.

NOW, THEREFORE, in consideration of the mutual covenants of and benefits derived from this Agreement, the sufficiency of which is hereby acknowledged by the City and the Agency agree as follows:

Section 1. Authority. This Agreement is entered into pursuant to and under the authority of the City Charter; Section 163.01, Florida Statutes; the Community Redevelopment Act of 1969 (the “Act”), codified in Part III, Chapter 163, Florida Statutes; Chapter 166, Florida Statutes, and other applicable law, as amended and supplemented.

Section 2. Incorporation of Recitals. The recitals set forth above are hereby incorporated into the terms of this Agreement.

Section 3. Definitions. Unless the context otherwise requires, all terms used herein shall have the meanings assigned to such terms in the Bond Resolution.

Section 4. Series 2017 Bond Accepted; Obligation to Repay City.

(A) The City's issuance of the Series 2017 Bond is hereby acknowledged by the Agency, and the Agency hereby confirms, consents to and accepts the terms thereof and as set forth in the Bond Resolution.

(B) The Agency hereby covenants to fund, pay, reimburse and repay the City the amounts due under the Series 2017 Bond and the Bond Resolution, including payment of the principal of and interest on the Series 2017 Bond. The Agency hereby pledges the Tax Increment Revenues to the City and shall pay the amounts due hereunder from Tax Increment Revenues or from any other funds of the Agency legally available for such purpose. To the extent that Tax Increment Revenues are insufficient to fully pay the principal of and interest on the Series 2017 Bond, and the City has advanced Local Business Tax for the payment thereof in accordance with the terms of the Bond Resolution (an "Advance"), the Agency shall repay such Advance and pay interest on such Advance at the "WSJ Prime Rate" published by *The Wall Street Journal* or such other prime rate as published by such other publication as the City's Chief Financial Officer may reasonably designate. The obligations of the Agency described in this Section 4(B) are cumulative and shall continue until amounts due hereunder and under the Bond Resolution are fully paid. The obligation of the Agency to pay the City the amount of any Advance and interest thereon shall be junior and subordinate in all respects to the Agency's obligation hereunder to make payments sufficient to pay the Series 2017 Bond and any Additional Obligations issued in accordance with the Bond Resolution.

Section 5. Term. This Agreement shall become effective upon execution by the Parties and continue in full force and effect until the obligations hereunder approved by this Agreement, including principal and accumulated interest, has been fully repaid.

Section 6. Amendments. This Agreement may be amended by the mutual written agreement of all parties at any time and from time to time, which amendments shall become effective upon filing thereof in the public records of Escambia County, Florida, pursuant to Section 163.01(11), Florida Statutes.

Section 7. Assignment. No party to this Agreement may, directly or indirectly, assign or transfer any or all of their duties, rights, responsibilities, or obligations under this Agreement to any other party or person not a party to this Agreement, without the express prior approval of the other party to this Agreement.

Section 8. Severability. The provisions of this Agreement are severable, and it is the intention of the parties hereto to confer the whole or any part of the powers herein provided for and if any of the provisions of this Agreement or any other powers granted by this Agreement shall be held unconstitutional, invalid or void by any court of competent jurisdiction, the decision of said court shall not affect or impair any of the remaining provisions of this Agreement. It is hereby declared to be the intent of the parties hereto that this Agreement would have been adopted, agreed to, and executed had such unconstitutional, invalid or void provision or power not been included therein.

Section 9. Controlling Law; Venue. Any and all provisions of this Agreement and any proceeding seeking to enforce and challenge any provision of this Agreement shall be governed by the laws of the State of Florida. Venue for any proceeding pertaining to this Agreement shall be Escambia County, Florida.

Section 10. Members Not Liable.

(A) All covenants, stipulations, obligations and agreements contained in this Agreement shall be deemed to be covenants, stipulations, obligations and agreements of the City and the Agency, respectively, to the full extent authorized by the Act and provided by the Constitution and laws of the State of Florida.

(B) No covenant, stipulation, obligation or agreement contained herein shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future individual member of a governing body or agent or employee of the Agency or the City in his or her individual capacity, and neither the members of the governing body of the Agency or the City or any official executing this Agreement shall individually be liable personally or shall be subject to any accountability by reason of the execution by the City or the Agency of this Agreement or any act pertaining hereto or contemplated hereby.

Section 11. Third Party Beneficiaries. Nothing in this Agreement, expressed or implied, is intended or shall be construed to confer upon any person, firm or corporation other than the parties hereto, any right, remedy, or claim, legal or equitable, under or by reason of this Agreement or any provision hereof.

Section 12. Notices.

(A) Any notice, demand, direction, request or other instrument authorized or required by this Agreement to be given or filed with a party hereto shall be deemed sufficiently given or filed for all purposes of this Agreement if and when sent by registered mail, return receipt requested, transmitted by a facsimile machine with confirmation of delivery, or by personal hand delivery:

To the CRA: The Community Redevelopment Agency of
 the City of Pensacola, Florida
 222 W. Main St.
 Pensacola, Florida 32502
 Attention: Administrator

To the City: City of Pensacola
 222 W. Main St.
 Pensacola, Florida 32502
 Attention: Mayor

(B) The addresses to which any notice, demand, direction or other instrument authorized to be given or filed may be changed from time to time by a written notice to that effect delivered to all the parties, which change shall be effective immediately or such other time as provided in the notice.

Until notice of a change of address is received, a party may rely upon the last address received. Notice shall be deemed given, if notice is by mail on the date mailed to the address set forth above or as changed pursuant to this Article.

Section 13. Execution of Agreement. This Agreement shall be executed in the manner normally used by the parties hereto. If any officer whose signature appears on this Agreement ceases to hold office before all officers shall have executed this Agreement or prior to the filing and recording of this Agreement as provided in this Article, his or her signature shall nevertheless be valid and sufficient for all purposes. This Agreement shall bear the signature of, or may be signed by, such individuals as at the actual time of execution of this Agreement thereby shall be the proper and duly empowered officer to sign this Agreement and this Agreement shall be deemed to have been duly and properly executed even though on the Effective Date any such individual may not hold such office.

Section 14. Limited Obligation. Neither the full faith and credit of the City, the Agency or of the State of Florida or any political subdivision thereof is pledged to meet the funding obligations hereunder, and no party shall ever have the right to compel any exercise of any ad valorem taxing power of the City, the Agency or of the State of Florida or any political subdivision thereof, directly or indirectly to enforce any payment or funding of money provided for hereunder. This Agreement shall not constitute a lien upon any property of the City or the Agency except in the manner and to the express extent described herein.

Section 15. City and Agency Not Liable. Nothing contained in this Agreement shall be construed or deemed, nor is intended, or impose any obligation upon the City or the Agency except to the extent expressly assumed by the City or the Agency, respectively.

Section 16. Filing with County Clerk of the Court. The City is hereby authorized and directed after approval of this Agreement by the Agency and the City and the execution hereof to submit this Agreement to the Clerk of the Court of Escambia County, Florida, for filing in the public records of Escambia County, Florida, as provided by Section 163.01(11), Florida Statutes.

APPROVAL OF CRA PROJECTS

RECOMMENDATION:

That the Community Redevelopment Agency (CRA) approve the proposed project funding allocation from the current year CRA budget. Further that the CRA request that the City of Pensacola pursue financing options, to be repaid from future TIF revenues, for those projects requiring financing.

SUMMARY:

The following revitalization projects are recommended for approval for funding and implementation in the Urban Core, Eastside, and Westside CRA districts during fiscal years 2017 and 2018. Projects are proposed to be funded from available current year TIF, program income and/or financing. Proposed revisions to Chapter 163 of the Florida Statutes, governing Community Redevelopment Agencies, would restrict the ability of CRA's to undertake or fund any projects which have not been previously approved or for which debt service repayment has not been committed prior to a specified date in 2017.

SUPPLEMENTAL BUDGET RESOLUTION NO. 17-44 - APPROPRIATING FUNDING IN CONNECTION WITH THE EASTSIDE REDEVELOPMENT REVENUE BOND, SERIES 2017 AND THE PENSACOLA INNER CITY COMMUNITY REDEVELOPMENT AREA HOUSING INITIATIVES FUND.

RECOMMENDATION:

That City Council adopt Supplemental Budget Resolution No. 17-44.

A RESOLUTION AUTHORIZING AND MAKING REVISIONS AND APPROPRIATIONS FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2017; PROVIDING FOR AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

On April 10, 2017, the Community Redevelopment Agency (CRA) requested that the City pursue financing options for eligible Eastside and Westside projects, to be repaid from future Tax Increment Financing (TIF) revenues. Eastside projects approved by the CRA at the meeting included the General Daniel "Chappie" James Jr. Museum & Flight Academy Project, affordable housing rehabilitation and greenway improvements.

Mitch Owens, the City's Financial Advisor with RBC Capital Markets, LLC has pursued financing options and has recommended SmartBank as the lender. SmartBank has offered twenty (20) year financing for both the CRA's Eastside and Westside Tax Increment Financing Districts at a fixed interest rate of 3.33%. Interest will be paid semi-annually on October 1 and April 1 of each year and principal payments will be paid annually on April 1 commencing on April 1, 2018 and maturing on April 1, 2037. The pledged revenues include Tax Increment Revenues derived from the Eastside Redevelopment Area, and in the event that these revenues are insufficient, the Local Business Tax. The City's bond attorney has incorporated within the Resolution an interlocal agreement between the City and the CRA whereby the CRA agrees that in the event that Tax Increment Revenues are insufficient to fully pay the principal and interest on the Series 2017 Bond, and the City advances Local Business Tax for the payment thereof, the CRA shall repay such advance plus interest to the City once funds become available.

Upon approval of the financing by City Council, the Eastside Redevelopment Revenue Bond proceeds will be available to fund the remaining cost for the construction of the General Daniel “Chappie” James Jr. Museum & Flight Academy Project. Any remaining proceeds can be used for capital improvements as identified in the Eastside Neighborhood Plan.

Estimated Tax Increment Revenues are sufficient to meet debt service requirements for the twenty (20) year financing term as well as cover operations as currently structured in the fiscal year 2018 budget. However, for the next twenty (20) years, Tax Increment Revenues will be fully committed and additional projects as identified in the Eastside Neighborhood Plan will need to come from revenue growth or other sources.

On January 12, 2017, City Council approved the transfer of \$440,000 from the City’s General Fund to the Eastside TIF Fund, specifically for the General Daniel “Chappie” James Jr. Museum & Flight Academy Project. With the anticipated financing proceeds covering the remaining cost of the Project, the \$440,000 transfer from the City’s General Fund to the Eastside TIF Fund is no longer required. City staff suggest that these funds remain in the City’s General Fund and be designated to the Housing Initiatives Fund specifically for use in the Pensacola Inner City Community Redevelopment Area in order to fund the Eastside and Westside affordable housing rehabilitation projects.

The financing team consists of Mitch Owens, the City’s Financial Advisor with RBC Capital Markets, LLC and Randy Clement, Esq., with Bryant Miller Olive, the City’s Bond Counsel.

In accordance with Section 163.346, Florida Statutes, a notice regarding the proposed issuance of the Eastside Redevelopment Revenue Bond, Series 2017 has been sent to each taxing authority which levies ad valorem taxes on taxable real property contained within the geographic boundaries of the redevelopment area. Further, a notice of the public meeting has been published in the Pensacola News Journal of such proposed action in accordance with Florida Statutes.

PRIOR ACTION:

January 12, 2017 - City Council approved the transfer of \$440,000 from the City’s General Fund to the Eastside TIF Fund, specifically for the General Daniel “Chappie” James Jr. Museum & Flight Academy Project.

RESOLUTION NO. 17-34 - AUTHORIZING THE AMENDED AND RESTATED INTERLOCAL AGREEMENT BETWEEN THE CITY OF PENSACOLA AND THE COMMUNITY REDEVELOPMENT AGENCY.

RECOMMENDATION:

That City Council adopt Resolution No. 17-34.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PENSACOLA, FLORIDA, AUTHORIZING AN AMENDED AND RESTATED INTERLOCAL AGREEMENT BETWEEN THE CITY AND THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF PENSACOLA, FLORIDA, TO PROVIDE FOR THE FINANCING OF COMMUNITY REDEVELOPMENT PROJECTS WITHIN THE EASTSIDE REDEVELOPMENT AREA WHICH MAY INCLUDE, BUT ARE NOT LIMITED TO, THE CONSTRUCTION AND RETROFITTING OF THE GENERAL DANIEL "CHAPPIE" JAMES, JR. MUSEUM & YOUTH FLIGHT ACADEMY; APPROVING THE FORM OF THE AMENDED AND RESTATED INTERLOCAL AGREEMENT; RATIFYING AND CONFIRMING ALL PRIOR ACTIONS OF THE CITY COUNCIL ASSOCIATED THEREWITH; AND PROVIDING AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

On September 12, 2016 the Community Redevelopment Agency (CRA) approved and authorized Resolution No. 04-2016 approving and authorizing an interlocal agreement with the City to finance the design, construction and acquisition of the General Daniel "Chappie" James Jr. Museum & Flight Academy Project.

On September 15, 2016, City Council authorized an interlocal agreement between the City and the CRA providing a loan from the City's Insurance Retention Fund of up to \$500,000 (the Loan) to the Community Redevelopment Agency's (CRA's) Eastside Tax Increment Financing District for the construction of the General Daniel "Chappie" James Jr. Museum & Flight Academy Project. The interlocal agreement provided that the Loan was for an eight (8) year term, at an annual interest rate of three percent (3%) to be repaid from

the Eastside Neighborhood Redevelopment Trust Fund.

On April 10, 2017, the Community Redevelopment Agency (CRA) requested that the City pursue financing options for eligible Eastside and Westside projects, to be repaid from future Tax Increment Financing (TIF) revenues. Mitch Owens, the City's Financial Advisor with RBC Capital Markets, LLC has pursued financing options and it is anticipated that a twenty (20) year financing for the CRA's Westside and Eastside Tax Increment Financing Districts will be approved by Council at the August 10, 2017 City Council meeting. Upon approval of the financing by City Council, the proceeds will fund part of the cost for the construction of the General Daniel "Chappie" James Jr. Museum & Flight Academy Project freeing up the proceeds from the Loan to be used for other eligible projects as identified in the Urban Infill and Redevelopment Area Plan.

On July 13, 2017, the City Council approved Ordinance No. 21-17, amending Ordinance No. 16-05 to provide for a twenty (20) year extension of the Eastside Neighborhood Redevelopment Trust Fund. The extension allows for the City to take advantage of the maximum number of years (forty (40) years) currently allowed under Section 163.387, Florida Statutes.

The current Loan repayment schedule was based on the Eastside Neighborhood Redevelopment Trust Fund's original sunset date. With the extension of the Eastside Neighborhood Redevelopment Trust Fund, the amended and restated interlocal agreement changes the provisions of the Loan from an eight (8) year term to a thirty (30) year term in order to secure the Eastside TIF revenues through the end of the Eastside Neighborhood Redevelopment Trust Fund. In addition, the repayment schedule of the Loan has been extended so that the first principal payment is due once the anticipated twenty (20) year financing has been paid off in order to make available TIF revenues to pay the principal and interest on the anticipated financing.

The amended and restated interlocal agreement also changes the project description as the anticipated financing proceeds will fund part of the cost for the construction of the General Daniel "Chappie" James Jr. Museum & Flight Academy Project freeing up the proceeds from the Loan to be used for other eligible projects as identified in the Urban Infill and Redevelopment Area Plan. The annual interest rate of the Loan (3% per year) remains the same in the amended and restated interlocal agreement.

PRIOR ACTION:

September 12, 2016 - the CRA approved Resolution No. 04-2016 approving and authorizing an interlocal agreement with the City to finance the design, construction and acquisition of the General Daniel "Chappie" James Jr. Museum & Flight Academy Project.

September 15, 2016 - City Council authorized an interlocal agreement between the City and the CRA providing a loan from the City's Insurance Retention Fund of up to \$500,000 to the CRA's Eastside Tax Increment Financing District for the construction of the General Daniel "Chappie" James Jr. Museum & Flight Academy Project.

January 12, 2017 - City Council approved the transfer of \$440,000 from the City's General Fund to the Eastside TIF Fund, specifically for the General Daniel "Chappie" James Jr. Museum & flight Academy Project.

April 10, 2017 - CRA requested that the City pursue financing options for eligible Eastside and Westside projects, to be repaid from future Tax Increment Financing revenues.

July 13, 2017 - City Council approved Ordinance No. 21-17, extending the Eastside Neighborhood Redevelopment Trust Fund for an additional twenty (20) years.

FUNDING:

N/A

FINANCIAL IMPACT:

The Loan was disbursed on September 30, 2016. Interest only payments will commence on December 31, 2016 and will total \$3,750 in year one and approximately \$15,000 annually thereafter until December 31, 2037 at which point principal repayment will begin. Principal repayment of the Loan will begin on December 31, 2037 and will conclude on December 31, 2045. Principal and interest payments during that time period will total approximately \$65,000. The Loan terms include a 3% annual interest rate. Debt service will be appropriated and paid from revenues of Eastside Tax Increment Financing District Fund.

RESOLUTION NO. 17-34

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PENSACOLA, FLORIDA, AUTHORIZING AN AMENDED AND RESTATED INTERLOCAL AGREEMENT BETWEEN THE CITY AND THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF PENSACOLA, FLORIDA, TO PROVIDE FOR THE FINANCING OF COMMUNITY REDEVELOPMENT PROJECTS WITHIN THE EASTSIDE REDEVELOPMENT AREA WHICH MAY INCLUDE, BUT ARE NOT LIMITED TO, THE CONSTRUCTION AND RETROFITTING OF THE GENERAL DANIEL "CHAPPIE" JAMES, JR. MUSEUM & YOUTH FLIGHT ACADEMY; APPROVING THE FORM OF THE AMENDED AND RESTATED INTERLOCAL AGREEMENT; RATIFYING AND CONFIRMING ALL PRIOR ACTIONS OF THE CITY COUNCIL ASSOCIATED THEREWITH; AND PROVIDING AN EFFECTIVE DATE.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PENSACOLA, FLORIDA, AS FOLLOWS:

SECTION 1. FINDINGS. It is hereby ascertained, determined and declared that:

(A) On September 25, 1980, the City Council of the City of Pensacola, Florida (the "City Council") adopted Resolution No. 55-80 which created the Community Redevelopment Agency (the "Agency") of the City of Pensacola, Florida and declared the City Council to be the Agency as provided in Section 163.357, Florida Statutes.

(B) On October 26, 2000, the City Council adopted Ordinance No. 47-00 which adopted the Urban Infill and Redevelopment Plan (as may be amended from time to time, the "Redevelopment Plan").

(C) On October 13, 2005, the City Council adopted Resolution No. 41-05 finding that the Eastside neighborhood described therein as the Urban Infill and Redevelopment Area (the "Eastside Redevelopment Area") is a "blighted area" within the meaning of Section 163.340, Florida Statutes, in need of redevelopment, rehabilitation and improvement.

(D) On October 27, 2005, pursuant to Sections 163.2520 and 163.387, Florida Statutes, the City Council adopted Ordinance No. 16-05 which created and established the Redevelopment Trust Fund for the Eastside Redevelopment Area (the "Trust Fund").

(E) On August 28, 2014, the City Council adopted Ordinance No. 32-14 which amended and readopted the Eastside Neighborhood Plan element of the Redevelopment Plan adding priority elements.

(F) The Agency is responsible for implementation of community redevelopment plans providing for the redevelopment, rehabilitation and improvement of community redevelopment areas in the City.

(G) The City of Pensacola (the "City") and the Agency have determined to redevelop and revitalize the Eastside Redevelopment Area as a visibly attractive, economically viable, and socially desirable area of the City.

(H) In accordance with City Resolution No. 34-16 adopted by the City Council on September 15, 2016, and the intent and purpose of Section 163.01, Florida Statutes, the City and the Agency entered into that certain Interlocal Agreement dated September 30, 2016 (the "Original Interlocal Agreement") to establish the terms and conditions by which the City would provide a loan to the Agency in the principal amount of \$500,000 (the "Loan") to finance a portion of the costs associated with the design, construction and acquisition of the General Daniel "Chappie" James, Jr. Museum and Youth Flight Academy.

(I) The Original Interlocal Agreement contemplated disbursement of the full amount of the Loan in draws, interest at the rate of three percent (3%) per annum, and semi-annual payments of principal and interest, and included as an attachment an estimated repayment schedule with a final loan repayment schedule to be attached thereto upon disbursement of the full principal amount of the Loan.

(J) The full principal balance of the Loan was disbursed as of September 30, 2016.

(K) The City wishes to authorize an amendment and restatement of the Original Interlocal Agreement (the "Amended and Restated Interlocal Agreement") in order to (i) modify the maturity date of the Loan, (ii) provide for annual debt service payments, (iii) approve a final loan repayment schedule, and (iv) provide that the proceeds of the Loan may be expended in furtherance of any redevelopment projects undertaken pursuant to the Redevelopment Plan which may include but are not limited to construction and retrofitting of the General Daniel "Chappie" James, Jr. Museum and Youth Flight Academy (collectively, the "Project").

(L) Section 5.1 of the Original Interlocal Agreement provides that the agreement may be amended by the mutual written agreement of the parties thereto.

(M) The City Council hereby determines that the Amended and Restated Interlocal Agreement and the Project and the expenditures contemplated thereunder serve public purposes and are appropriate and necessary undertakings in furtherance of redeveloping the Eastside Redevelopment Area consistent with the Redevelopment Plan.

SECTION 2. APPROVAL OF AMENDED AND RESTATED INTERLOCAL AGREEMENT.

(A) The City Council hereby approves, authorizes and directs execution of the Amended and Restated Interlocal Agreement in substantially the form attached hereto as Appendix "A" and incorporated herein by reference (the "Amended Agreement").

(B) The City Council President, Mayor, City Administrator, Chief Financial Officer and attorneys are hereby authorized and directed to execute and deliver the Amended Agreement and any other papers and instruments, with such omissions, insertions, and variations as may be necessary and/or desirable for carrying out the actions contemplated by this Resolution and the authorized Amended Agreement.

SECTION 3. RATIFICATION AND CONFIRMATION. Based upon the findings herein, the Redevelopment Plan, and the public purpose advanced by the Project and redevelopment of the Eastside Redevelopment Area, all prior actions by the City associated with the Original Interlocal Agreement and advancing the Project are in the public interest, serve public purpose and provide for accomplishing community redevelopment consistent with the Redevelopment Plan. The findings herein and all prior actions and plans of the City associated with the Project are hereby ratified and confirmed.

SECTION 4. PRIOR ACTIONS. It is not the City's intention, and nothing herein shall be so construed, to impair the effectiveness of any prior action or resolution taken or adopted by the City with respect to the creation and establishment of the Agency, community redevelopment, the issuance of any bonds or obligations, or any other associated action taken by the City.

SECTION 5. REPEALING CLAUSE. All resolutions or parts thereof of the City in conflict with the provisions herein contained are, to the extent of such conflict, hereby superseded and repealed.

SECTION 6. SEVERABILITY. If any one or more of the provisions of this Resolution should be held contrary to any express provision of law or shall for any reason whatsoever be held invalid by a court of competent jurisdiction, then such provisions shall be null and void and shall be deemed separate from the remaining provisions of this Resolution.

SECTION 7. APPLICABLE PROVISION OF LAW. This Resolution shall be governed by and construed in accordance with the laws of the State of Florida.

SECTION 8. VENUE. Venue for any claim, action or proceeding shall be Escambia County, Florida.

SECTION 9. EFFECTIVE DATE. This Resolution shall become effective on the fifth business day after adoption, unless otherwise provided pursuant to Section 4.03(d) of the City Charter of the City of Pensacola.

APPENDIX A
FORM OF
AMENDED AND RESTATED INTERLOCAL AGREEMENT

AMENDED AND RESTATED INTERLOCAL AGREEMENT

between

THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF PENSACOLA, FLORIDA

and

THE CITY OF PENSACOLA, FLORIDA

This **AMENDED AND RESTATED INTERLOCAL AGREEMENT** (the "Agreement"), is made and entered into as of this ____ day of _____ 2017, between **THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF PENSACOLA, FLORIDA**, a public body corporate and politic of the State of Florida (the "Agency"), and the **CITY OF PENSACOLA, FLORIDA**, a Florida municipal corporation created under the laws of the State of Florida (the "City").

WITNESSETH:

WHEREAS, on September 25, 1980, the City Council of the City of Pensacola, Florida (the "City Council") adopted Resolution No. 55-80 which created the Community Redevelopment Agency of the City of Pensacola, Florida and declared the City Council to be the Agency as provided in Section 163.357, Florida Statutes; and

WHEREAS, on October 26, 2000, the City Council adopted Ordinance No. 47-00 which adopted the Urban Infill and Redevelopment Plan (as may be amended from time to time, the "Redevelopment Plan"), and

WHEREAS, on October 13, 2005, the City Council adopted Resolution No. 41-05 finding that the Eastside neighborhood described therein as the Urban Infill and Redevelopment Area (the "Eastside Redevelopment Area") is a "blighted area" within the meaning of Section 163.340, Florida Statutes, in need of redevelopment, rehabilitation and improvement; and

WHEREAS, on October 27, 2005, pursuant to Sections 163.2520 and 163.387, Florida Statutes, the City Council adopted Ordinance No. 16-05, which created and established the Redevelopment Trust Fund for the Eastside Redevelopment Area (the "Trust Fund"); and

WHEREAS, on August 28, 2014, the City Council adopted Ordinance No. 32-14, which amended and readopted the Eastside Neighborhood Plan element of the Redevelopment Plan adding priority elements; and

WHEREAS, the Agency is responsible for implementation of community redevelopment plans providing for the redevelopment, rehabilitation and improvement of community redevelopment areas in the City; and

WHEREAS, the City and the Agency have determined to redevelop and revitalize the Eastside Redevelopment Area as a visibly attractive, economically viable, and socially desirable area of the City; and

WHEREAS, in accordance with City Resolution No. 34-16 adopted by the City Council on September 15, 2016, and the intent and purpose of Section 163.01, Florida Statutes, the parties entered into that certain Interlocal Agreement dated September 30, 2016 (the "Original Interlocal Agreement") to establish the terms and conditions by which the City would provide a loan to the Agency in the principal amount of \$500,000 (the "Loan") to finance a portion of the costs associated with the design, construction and acquisition of the General Daniel "Chappie" James, Jr. Museum and Youth Flight Academy; and

WHEREAS, the Original Interlocal Agreement contemplated disbursement of the full amount of the Loan in draws, interest at the rate of three percent (3%) per annum, and semi-annual payments of principal and interest, and included as an attachment an estimated repayment schedule with a final loan repayment schedule to be attached thereto upon disbursement of the full principal amount of the Loan; and

WHEREAS, the full principal balance of the Loan was disbursed as of September 30, 2016; and

WHEREAS, the parties hereto wish to amend and restate the Original Interlocal Agreement in order to (i) modify the maturity date of the Loan, (ii) provide for annual debt service payments, (iii) approve a final loan repayment schedule, and (iv) provide that the proceeds of the Loan may be expended in furtherance of any redevelopment projects undertaken pursuant to the Redevelopment Plan which may include but are not limited to construction and retrofitting of the General Daniel "Chappie" James, Jr. Museum and Youth Flight Academy (collectively, the "Project"); and

WHEREAS, Section 5.1 of the Original Interlocal Agreement provides that the agreement may be amended by the mutual written agreement of the parties thereto.

WHEREAS, the Mayor of the City of Pensacola (the "Mayor"), City Council and the Agency have determined that this Amended and Restated Interlocal Agreement and the Project and expenditures contemplated hereunder serve public purposes and are appropriate and necessary undertakings in furtherance of redeveloping the Eastside Redevelopment Area consistent with the Redevelopment Plan.

NOW, THEREFORE, in consideration of the mutual covenants of and benefits derived from this Agreement, the City and the Agency agree as follows:

ARTICLE 1: AUTHORITY AND PURPOSE

1.1. Authority. This Agreement is entered into pursuant to and under the authority of the City Charter; Section 163.01, Florida Statutes; the Community Redevelopment Act of 1969 (the "Act"), codified in Part III, Chapter 163, Florida Statutes; Chapter 166, Florida Statutes; City Council Resolution No. 55-80; City Council Ordinance No. 47-00; City Council Resolution 41-05; City Council Ordinance No. 16-05; City Council Ordinance 32-14; City Council Resolution No. 22-10; and other applicable law, as amended and supplemented.

1.2. Recitals. The City and Agency agree that the foregoing recitals are correct, complete and not misleading and are hereby incorporated as if fully set forth herein.

1.3. Purpose. The purpose of this Agreement is to provide for a source of additional funds to finance the design, construction and acquisition of the Project.

1.4 Project Description. The Project shall include any community redevelopment projects undertaken in furtherance of redeveloping the Eastside Redevelopment Area consistent with the Redevelopment Plan, which projects may include but are not limited to construction and retrofitting of a historic structure located on the city-owned home of America's first African-American Four Star General, Daniel "Chappie" James, Jr., located within the Eastside Redevelopment Area on Martin Luther King Jr. Boulevard, to accommodate a public museum and youth flight academy, as approved by the Agency in its award of bid for construction of the Project on September 12, 2016, including renovation of the existing historic structure, the construction of additional structures and furnishing of same, and the provision of suitable parking and landscaping. The description of the Project set forth herein shall be liberally construed to effectuate the purposes of this Agreement.

ARTICLE 2: FUNDING AND DISBURSEMENT

2.1. Project Cost. A portion of the cost of the Project in the amount of \$500,000 will be provided by a loan from the City to the Agency as provided hereunder. The Agency will contribute the balance of funding necessary for the Project from its currently available funds or loan proceeds from other financings.

2.2 Funding. The City of Pensacola shall provide a loan of \$500,000 at an interest rate of three percent (3%) per annum (the "Loan") to the Agency for purposes of funding a portion of the Project, to be repaid from legally available funds of the Agency which may include but are not limited to tax increment revenues on deposit in the Trust Fund.

ARTICLE 3: REIMBURSEMENT

3.1. Loan Repayment. The Agency hereby covenants to fund, reimburse and repay the Loan from tax increment revenues on deposit in the Trust Fund (or any other funds of the Agency which are legally available for such purpose) in accordance with this Article 3. Such covenant to repay the Loan is cumulative and shall continue until the Loan, including all principal and

interest due thereupon, has been paid in full. To the extent that revenues on deposit in the Trust Fund are insufficient to make a payment to the City on any Loan payment date, the obligation to make such payment shall continue until tax increment revenues or other legally available funds of the Agency, in amounts sufficient to pay any then outstanding Loan payments, shall have actually been paid.

3.2 Repayment Schedule. Attachment A, incorporated herein by reference, sets forth the repayment schedule for the Loan which is based upon (i) annual payments on December 31 of each year, (ii), interest only payments through December 31, 2036, (iii) principal and interest payments starting on December 31, 2037 with a final maturity date of December 31, 2045 and (iv) interest rate of three percent (3%) per annum.

3.3. Prepayment. The Agency may repay the principal balance of the Loan in whole or in part at any time, without penalty. In the event of partial repayment, the City's Chief Financial Officer shall adjust the amortization schedule for the remaining principal balance consistent with the terms and repayment schedule described in Section 3.2. The adjusted repayment schedule shall be maintained on file in the office of the Chief Financial Officer. This Section 3.3 will constitute full authorization for the Chief Financial Officer to make such adjustment, without any further authorization by the City or Agency.

3.4. Subordination. The Agency's obligation to fund, reimburse and repay the Loan shall be subordinate to any other debt issuance secured by tax increment revenues on deposit in the Trust Fund.

ARTICLE 4: TERM

4.1. Term. This Agreement shall become effective upon execution by the Parties and filing thereof in the public records of Escambia County, Florida pursuant to Section 163.01(11), Florida Statutes and shall continue in full force and effect until the loan authorized by this Agreement, including principal and accumulated interest, has been fully repaid and amortized.

ARTICLE 5: MISCELLANEOUS

5.1. Amendments. This Agreement may be amended by the mutual written agreement of all parties at any time and from time to time, which amendments shall become effective upon filing thereof in the public records of Escambia County, Florida, pursuant to Section 163.01(11), Florida Statutes.

5.2. Assignment. No party to this Agreement may, directly or indirectly, assign or transfer any or all of their duties, rights, responsibilities, or obligations under this Agreement to any other party or person not a party to this Agreement, without the express prior approval of the other party to this Agreement.

5.3. Severability. The provisions of this Agreement are severable, and it is the intention of the parties hereto to confer the whole or any part of the powers herein provided for

and if any of the provisions of this Agreement or any other powers granted by this Agreement shall be held unconstitutional, invalid or void by any court of competent jurisdiction, the decision of said court shall not affect or impair any of the remaining provisions of this Agreement. It is hereby declared to be the intent of the parties hereto that this Agreement would have been adopted, agreed to, and executed had such unconstitutional, invalid or void provision or power not been included therein.

5.4. Controlling Law; Venue. Any and all provisions of this Agreement and any proceeding seeking to enforce and challenge any provision of this Agreement shall be governed by the laws of the State of Florida. Venue for any proceeding pertaining to this Agreement shall be Escambia County, Florida.

5.5. Members Not Liable.

(1) All covenants, stipulations, obligations and agreements contained in this Agreement shall be deemed to be covenants, stipulations, obligations and agreements of the City and the Agency, respectively, to the full extent authorized by the Act and provided by the Constitution and laws of the State of Florida.

(2) No covenant, stipulation, obligation or agreement contained herein shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future individual member of a governing body or agent or employee of the Agency or the City in his or her individual capacity, and neither the members of the governing body of the Agency or the City or any official executing this Agreement shall individually be liable personally or shall be subject to any accountability by reason of the execution by the City or the Agency of this Agreement or any act pertaining hereto or contemplated hereby.

5.6. Third Party Beneficiaries. Nothing in this Agreement, expressed or implied, is intended or shall be construed to confer upon any person, firm or corporation other than the parties hereto, any right, remedy, or claim, legal or equitable, under or by reason of this Agreement or any provision hereof.

5.7. Notices.

(1) Any notice, demand, direction, request or other instrument authorized or required by this Agreement to be given or filed with a party hereto shall be deemed sufficiently given or filed for all purposes of this Agreement if and when sent by registered mail, return receipt requested, transmitted by a facsimile machine with confirmation of delivery, or by personal hand delivery:

To the CRA:	Community Redevelopment Agency of The City of Pensacola, Florida 222 W. Main St. Pensacola, Florida 32502 Attention: Administrator
-------------	--

To the City: City of Pensacola
222 W. Main St.
Pensacola, Florida 32502
Attention: Mayor

(2) The addresses to which any notice, demand, direction or other instrument authorized to be given or filed may be changed from time to time by a written notice to that effect delivered to all the parties, which change shall be effective immediately or such other time as provided in the notice.

Until notice of a change of address is received, a party may rely upon the last address received. Notice shall be deemed given, if notice is by mail on the date mailed to the address set forth above or as changed pursuant to this Article.

5.8. Execution of Agreement. This Agreement shall be executed in the manner normally used by the parties hereto. If any officer whose signature appears on this Agreement ceases to hold office before all officers shall have executed this Agreement or prior to the filing and recording of this Agreement as provided in this Article, his or her signature shall nevertheless be valid and sufficient for all purposes. This Agreement shall bear the signature of, or may be signed by, such individuals as at the actual time of execution of this Agreement thereby shall be the proper and duly empowered officer to sign this Agreement and this Agreement shall be deemed to have been duly and properly executed even though on the Effective Date any such individual may not hold such office.

5.9. Limited Obligation. Neither the full faith and credit of the City, the Agency or of the State of Florida or any political subdivision thereof is pledged to meet the funding obligations hereunder, and no party shall ever have the right to compel any exercise of any ad valorem taxing power of the City, the Agency or of the State of Florida or any political subdivision thereof, directly or indirectly to enforce any payment or funding of money provided for hereunder. This Agreement shall not constitute a lien upon any property of the City or the Agency except in the manner and to the express extent described herein.

5.10. City and Agency Not Liable. Nothing contained in this Agreement shall be construed or deemed, nor is intended, or impose any obligation upon the City or the Agency except to the extent expressly assumed by the City or the Agency, respectively.

5.11. Original Interlocal Agreement. The Original Interlocal Agreement is hereby amended and restated in its entirety by this Agreement.

5.12. Filing with County Clerk of the Court. The City is hereby authorized and directed after approval of this Agreement by the Agency and the City and the execution hereof to submit this Agreement to the Clerk of the Court of Escambia County, Florida, for filing in the public records of Escambia County, Florida, as provided by Section 163.01(11), Florida Statutes.

IN WITNESS WHEREOF, the parties hereto, by and through the undersigned, have entered into this Interlocal Agreement as of the day and year first above written.

SUPPLEMENTAL BUDGET RESOLUTION NO. 17-26 - APPROPRIATING FUNDING FOR THE FISCAL YEAR 2017 AND FISCAL YEAR 2018 INTEREST PAYMENT ON THE LOAN FROM THE CITY'S INSURANCE RETENTION FUND TO THE COMMUNITY REDEVELOPMENT AGENCY'S EASTSIDE TAX INCREMENT FINANCING DISTRICT

RECOMMENDATION:

That City Council adopt Supplemental Budget Resolution No. 17-26.

A RESOLUTION AUTHORIZING AND MAKING REVISIONS AND APPROPRIATIONS FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2017; PROVIDING FOR AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

On September 12, 2016 the Community Redevelopment Agency (CRA) approved and authorized Resolution No. 04-2016 approving and authorizing an interlocal agreement with the City to finance the design, construction and acquisition of the General Daniel "Chappie" James Jr. Museum & Flight Academy Project.

On September 15, 2016, City Council authorized an interlocal agreement between the City and the CRA providing a loan from the City's Insurance Retention Fund of up to \$500,000 (the Loan) to the Community Redevelopment Agency's (CRA's) Eastside Tax Increment Financing District for the construction of the General Daniel "Chappie" James Jr. Museum & Flight Academy Project. The interlocal agreement provided that the Loan was for an eight (8) year term, at an annual interest rate of three percent (3%) to be repaid from the Eastside Neighborhood Redevelopment Trust Fund.

On April 10, 2017, the Community Redevelopment Agency (CRA) requested that the City pursue financing options for eligible Eastside and Westside projects, to be repaid from future Tax Increment Financing (TIF) revenues. Mitch Owens, the City's Financial Advisor with RBC Capital Markets, LLC has pursued financing options and it is anticipated that a twenty (20) year financing for the CRA's Westside and Eastside Tax Increment Financing Districts will be approved by Council at the August 10, 2017 City Council meeting. Upon

approval of the financing by City Council, the proceeds will fund part of the cost for the construction of the General Daniel “Chappie” James Jr. Museum & Flight Academy Project freeing up the proceeds from the Loan to be used for other eligible projects as identified in the Urban Infill and Redevelopment Area Plan.

On July 13, 2017, the City Council approved Ordinance No. 21-17, amending Ordinance No. 16-05 to provide for a twenty (20) year extension of the Eastside Neighborhood Redevelopment Trust Fund. The extension allows for the City to take advantage of the maximum number of years (forty (40) years) currently allowed under Section 163.387, Florida Statutes.

The current Loan repayment schedule was based on the Eastside Neighborhood Redevelopment Trust Fund’s original sunset date. With the extension of the Eastside Neighborhood Redevelopment Trust Fund, the amended and restated interlocal agreement changes the provisions of the Loan from an eight (8) year term to a thirty (30) year term in order to secure the Eastside TIF revenues through the end of the Eastside Neighborhood Redevelopment Trust Fund. In addition, the repayment schedule of the Loan has been extended so that the first principal payment is due once the anticipated twenty (20) year financing has been paid off in order to make available TIF revenues to pay the principal and interest on the anticipated financing.

The amended and restated interlocal agreement also changes the project description as the anticipated financing proceeds will fund part of the cost for the construction of the General Daniel “Chappie” James Jr. Museum & Flight Academy Project freeing up the proceeds from the Loan to be used for other eligible projects as identified in the Urban Infill and Redevelopment Area Plan. The annual interest rate of the Loan (3% per year) remains the same in the amended and restated interlocal agreement.

PRIOR ACTION:

September 12, 2016 - the CRA approved Resolution No. 04-2016 approving and authorizing an interlocal agreement with the City to finance the design, construction and acquisition of the General Daniel “Chappie” James Jr. Museum & Flight Academy Project.

September 15, 2016 - City Council authorized an interlocal agreement between the City and the CRA providing a loan from the City’s Insurance Retention Fund of up to \$500,000 to the CRA’s Eastside Tax Increment Financing District for the construction of the General Daniel “Chappie” James Jr. Museum & Flight Academy Project.

January 12, 2017 - City Council approved the transfer of \$440,000 from the City’s General Fund to the Eastside TIF Fund, specifically for the General Daniel “Chappie” James Jr. Museum & flight Academy Project.

April 10, 2017 - CRA requested that the City pursue financing options for eligible Eastside and Westside projects, to be repaid from future Tax Increment Financing revenues.

July 19, 2017 - City Council approved Ordinance No. 21-17, extending the Eastside Neighborhood Redevelopment Trust Fund for an additional twenty (20) years.

FUNDING:

Budget: \$ 18,750

Actual: \$ 18,750

FINANCIAL IMPACT:

Adoption of Supplemental Budget Resolution No. 17-26 will appropriate the fiscal year 2017 and fiscal year 2018 interest payment on the loan from the City's Insurance Retention Fund to the Community Redevelopment Agency's (CRA's) Eastside Tax Increment Financing District.

PROPOSED ORDINANCE NO. 29-17 - VACATION OF RIGHT-OF-WAY 700 BLOCK OF COMMENDENCIA STREET - FERRY LANDING

RECOMMENDATION:

That City Council adopt Proposed Ordinance No. 29-17 on second reading.

AN ORDINANCE CLOSING, ABANDONING AND VACATING A PORTION OF THE COMMENDENCIA STREET RIGHT OF WAY; IN PENSACOLA, ESCAMBIA COUNTY, STATE OF FLORIDA; REPEALING CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

The City has received a request from Amy Miller, Director, Port of Pensacola, to vacate a portion of the Commendencia Street right of way, which is adjacent to properties owned by the City. The purpose for the vacation request is to allow for the subject right of way area to serve as a driveway between the proposed Ferry Landing ticket concession building, and the parking area accommodating Ferry passengers. The City of Pensacola is the sole adjacent property owner to this section of the Commendencia Street.

On June 13, 2017, the City's Planning Board unanimously recommended approval of this request.

PRIOR ACTION:

July 13, 2017 - The City Council voted to approve Ordinance No. 29-17 on first reading.

ORDINANCE NO. 29-17

ORDINANCE NO. _____

AN ORDINANCE
TO BE ENTITLED:

AN ORDINANCE CLOSING, ABANDONING AND VACATING
A PORTION OF THE COMMENDENCIA STREET RIGHT OF
WAY; IN PENSACOLA, ESCAMBIA COUNTY, STATE OF
FLORIDA; REPEALING CLAUSE; AND PROVIDING AN
EFFECTIVE DATE.

WHEREAS, a public hearing was held on July 13, 2017,
as to the vacation of a portion of the Commendencia Street right
of way; Pensacola, Escambia County, Florida; and

WHEREAS, the vacation of said right-of-way,
hereinafter described, will contribute to the general welfare of
the City of Pensacola in that said right-of-way is no longer
needed as a public thoroughfare; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF PENSACOLA, FLORIDA:

SECTION 1. That the following described right of way
in Pensacola, Escambia County, Florida is hereby closed,
discontinued, vacated and forever abandoned by the City of
Pensacola as a public thoroughfare:

That portion of Pine Street (60' right of way), between
Jefferson Street (60' right of way) to the west and Commendencia
Street (60' right of way) to the east. Further described as
beginning at the southwestern corner of the intersection of Pine
Street and Commendencia Street, thence in a northerly direction
approximately 60 feet to the northwestern corner of Pine Street
and Commendencia Street, thence in a westerly direction
approximately 242 feet to the northeastern corner of Pine Street
and Jefferson Street, thence in a southerly direction
approximately 60 feet to the southeastern corner of Pine Street
and Jefferson Street and thence in an easterly direction
approximately 243 feet to the point of beginning at the
southwestern corner of the intersection of Pine Street and
Commendencia Street.

SECTION 2. That the owners of the abutting property be, and they are hereby authorized to acquire possession of the right-of-way more particularly described in Section 1 of this ordinance, and the City of Pensacola does hereby abandon all claim of right, if any it has, in said property, and it shall remain and be the property of the abutting property owners.

SECTION 3. That, notwithstanding the foregoing sections, the City of Pensacola reserves for itself, Gulf Power Company, Bell South, Cox Cable, and the Emerald Coast Utilities Authority, their successors and assigns, a full width easement in the entire portion the right of way vacated hereby for the purpose of locating and maintaining public utilities and improvements.

SECTION 4. All ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflict.

SECTION 5. This ordinance shall become effective on the fifth business day after adoption, unless otherwise provided pursuant to Section 4.03(d) of the City Charter of the City of Pensacola.

Call to Order / Quorum Present

Chairman Ritz called the meeting to order at 2:03 pm with a quorum present. He gave instructions to the audience on the rules and procedures of the Board.

Approval of Meeting Minutes

Mr. Larson made a motion to approve the May 9, 2017 minutes, seconded by Mr. Grundhoefer, and it carried unanimously.

Request for ROW Vacation of the 1000 Block Avery Street

Mr. Dax Campbell, Campbell Construction, is requesting to vacate the portion of the right-of-way of Avery Street directly adjacent to his property at 1011 Fairnie Avenue and the properties located at 1015 Fairnie Avenue and 1717 N. 11th Avenue.

EVERYTHING THAT'S GREAT ABOUT FLORIDA IS BETTER IN PENSACOLA.

222 West Main Street Pensacola, FL 32502 / T: 850.435.1670 / F: 850.595.1143/www.cityofpensacola.com

The applicant indicates the reason for the request is to enable him to have a somewhat symmetric parcel and to allow him to install a privacy fence along the new rear property line. The applicant is only interested in the portion which abuts his property. He has indicated the remainder of the right-of-way could be equally divided between the property owners of 1015 Fairnie Avenue and 1717 N. 11th Avenue. He has indicated both abutting neighbors are in agreement with the request; however, both have signed with contingencies. In initial discussions the rationale for this request was that the applicant could gain additional square footage in order to split the lot and construct two dwellings instead of the one dwelling currently permitted by code. There is a potential for future variance requests to the Zoning Board of Adjustment, which would be self-created by this present request.

Dax Campbell explained they wanted to make the property more symmetrical and install a privacy fence. Both adjacent property owners were in agreement. He explained the contingencies were that he no longer use the easement in the future and install a fence across it. Chairman Ritz asked how the adjacent property owners would maintain their access, and Mr. Campbell advised at the moment he was not aware they were maintaining it. Mr. Joel Campbell explained the easement was like a road they drive in to access the rear of their house. On the Fairnie property, the neighbor does not have access to Fairnie Avenue, so they drive around to Avery and come in the back way. He advised when they demolish the home and rebuild, they will use the front entrance on Fairnie to access the property. Chairman Ritz pointed out at the present time the property belongs to Pensacola and is used by the neighbors who abut it. Since this would allow public property to be placed in the hands of a private individual, how would the Board become satisfied that Mr. Bell and Mr. Broadley (neighbors) still maintain access, and that all citizens are treated fairly. Dax Campbell stated on the rear corner of the property, he would be constructing a fence. When the neighbors access the easement, they turn in before the corner, and this would not impede their access. Ms. Campbell pointed out this is public property being handed over, and would it make more sense to address this as an individual vacation of right-of-way just for the portion needed? Ms. Deese advised that we don't typically vacate portions of rights-of-way for a variety of reasons. It is shown as 20' wide, which means each property owner would get half. Mr. Campbell would get the entire portion because his property abuts the right-of-way on the north and the south.

Mr. Grundhoefer explained the Board needed a legal description to show how the neighbors' contingencies for access were met. Chairman Ritz pointed out those contingencies needed to be clearly resolved. Dax Campbell asked for clarification on what the Board required, and Chairman Ritz advised some kind of legal description/survey from a licensed firm was needed. Even if Mr. Bell and Mr. Broadley were not present and they signed the legal description/survey, with the fence location indicated, the Board would have a much easier time accepting and approving the vacation. Ms. Deese explained the Board could table the item but she would recommend the Board specify the length of time instead of being bound to the 45-day requirement. **Mr. Grundhoefer made a motion to deny as presented without prejudice, seconded by Ms. Campbell, and it carried unanimously.**

Request for ROW Vacation of the 700 Block Commendancia Street – Ferry Landing Project

Chairman Ritz advised since his business was involved with this project, he recused himself from the discussion and voting on the item.

The Port of Pensacola is requesting to vacate the portion of the right-of-way of Commendancia Street directly adjacent to properties owned by the City of Pensacola, including the Port of Pensacola. Although the application indicates this is a request to vacate Pine Street, the proposed area has been identified as the 700 Block of Commendancia Street by the appropriate City departments. The applicant indicates the reason for the request is to enable this portion of the existing right-of-way to function more as a driveway between the proposed Ferry Landing ticket concession building and the parking area accommodating the passengers. As such, it provides more direct access to the users. The City of Pensacola is the sole adjacent property owner to this section of Commendancia Street.

Steve Popal of Atkins Engineering addressed the Board along with Robert Rice of Bullock Tice Associates. Though the ferry landing itself is confined to the rectangular block to the south of the proposed vacation area, it is supported by the existing large parking lot to the north, and approximately 100 parking spaces would be allocated to the ferry passengers coming to and from the ferry facilities. The right-of-way area would become a pedestrian area and a vehicular drop off for passengers. The building has been located closer to the right-of-way to have more queuing and storage space for passengers on the water side. In the long term, there is potential for an additional building to the east.

Mr. Grundhoefer asked if Pine Street would be changed, and Mr. Popal advised it would remain as is, but the building itself would fall within the 60' street right-of-way. Mr. Grundhoefer confirmed the building did not meet City codes because it was in the right-of-way. He asked if the City had ever reduced the right-of-way width, and Ms. Deese stated the City typically does not favor vacating portions of the right-of-way especially in this situation, and that was not the request routed through the utility providers and appropriate departments. Mr. Grundhoefer stated his concern was that it could turn into most anything, but it was City property. Chairman Ritz offered that the portion to the south (the building) was owned fee-simple by the City, and the right-of-way was owned by the citizens. Mr. Popal stated the fee-simple parcel was the same parcel as the northern parking lot – not subdivided. **Mr. Larson made a motion to approve, seconded by Mr. Moore, and it carried unanimously with Chairman Ritz abstaining.**

Request Variance Approval for the 700 Block Commendencia Street – Ferry Landing Project

The Port of Pensacola is requesting a Variance of 33.0 feet to reduce the required minimum building setback for structures adjacent to a bulkhead from 30 feet landward of the bulkhead line to 3.0 feet waterward of the bulkhead to accommodate an open-air shelter for ferry passengers. The ferries will be loading passengers at the terminal end of the Commendencia slip adjacent to the proposed sun/weather shelter. The design professionals have maintained a concise footprint while planning for future growth and expansion. However, given the limited space for the development adjacent to the boarding area and the nature of the intended use, the open-air shelters are proposed to be closer than the minimum setback allowed within the district. It should be noted the structural members of the shelters do not extend waterward of the bulkhead line; the roof extends beyond this vertical plane. Mr. Popal stated the reason for the variance was to provide shelter for queuing approximately 300 passengers waiting for the ferry boats. The space between the shelter and building is a general gathering area, open structure, and allows for a promenade along the water. Mr. Grundhoefer stated the Board had already approved the location, the look, and architectural character. **Mr. Moore made a motion to approve, seconded by Mr. Larson, and it carried unanimously with Chairman Ritz abstaining.**

Request Aesthetic Approval of 700 Block of Commendencia Street – Ferry Landing Project

The Port of Pensacola, is requesting aesthetic approval for the Ferry Landing Project. This project was considered by the Planning Board for preliminary approval at the May 9, 2017 meeting and approved with consideration being made for more permanent materials that would have lower maintenance. Mr. Moore wanted to review the suggested changes. Mr. Rice explained they had designed the building with wood veneer cladding and an EFIS cladding, so the white depicted on the drawings was an EFIS system, basically a clad foam system, with natural wood paneling. The Board felt these materials were not as durable, so in keeping with the design, they modified the EFIS to an insulated metal panel. The wood veneer is a cementitious fiber panel board rather than natural wood. The screen walls on the roof and below the finished floor, and the screen wall around the mechanical yard will also be cementitious hardi board panel.

Ms. Deese clarified the applicant was seeking final approval for the building and the open-air shelters which would move forward to City Council.

Mr. Popal indicated the sunshades for the high roof are a first bid option, and the second bid option is the canopy at the water's edge. The sunshade aluminum louver system is built in the high roof, and if they were removed, the opaque roof would remain. **Mr. Moore made a motion to approve as presented, seconded by Mr. Larson. Ms. Campbell noted the item was amended to include the main building. The motion then carried unanimously with Chairman Ritz abstaining.**

Request for Preliminary Plat Approval for River Birch Subdivision

John and Connie Bowman, Our Family Property LLC, have submitted a request for Preliminary Plat approval for "River Birch" subdivision. The proposed development, identified as the 7100 blk of Spanish Trail, is a 3.93-acre parcel located on the east side of Spanish Trail, north of Creighton Road and immediately adjacent to the north of Gull Point Community Center. The site is currently vacant. The proposed subdivision is located within the R-1AA zoning district and has a FLUM designation of MDR, Medium Density Residential. The density allowed within the zoning district is 8.7 units per acre with the lots adhering to the regulations within Table 12-2.2. Per the application, the proposed subdivision consists of 6 lots. However, the actual plat indicates 4 lots are being created and depicts 3 new lots, measuring at least 40 feet in width, and 2 drainage easements contained within the remainder of the parent parcel. Additionally, the developer has requested Administrative Variances to reduce the rear building setback from 30 feet to 28 feet. The developer has opted to pay into the park escrow in lieu of dedicating a park.

Chairman Ritz noted that the fire hydrant had been addressed.

Jason Rebold addressed the Board and stated the plan was to subdivide, and the large parcel would be Phase II, and they were not sure what they were going to do with it. Chairman Ritz addressed the rear setback from 30' to 28' and was concerned if neighbors nearby have that same requirement for them, here the large parcel is being subdivided with a request for the rear setback to be reduced by 2' which others in the neighborhood might not have as their benefit but was requested in this item. Ms. Deese explained it was for transparency and was actually permitted by the LDC, so not a variance to the actual property which would go to the Board; it would be administratively handled. She advised the LDC permits staff to grant administrative variances of 10 percent up to 2', whichever is less. Chairman Ritz explained the Board was reviewing the preliminary plat and would see the final. Ms. Campbell stated given the comments from the City, all the requirements had been met. Mr. Grundhoefer asked if R-1AA had a 50' minimum requirement on the street, and this was a variance to that. Ms. Deese clarified the lot width requirement was 40' and the comments he referred to were based on engineering which is a different regulation because of the corner parcel. Mr. Rebold stated because there were over 4 lots, Engineering required retention, so the drainage easements would be ponds for the three lots. As Lot 4 was developed, the ponds would be relocated to the downstream side. **Ms. Campbell made a motion to approve the preliminary plat, seconded by Mr. Grundhoefer, and the motion carried unanimously.**

Request for Preliminary Plat Approval for Girard Place Phase I Subdivision

Rebol-Battle & Associates has submitted a request for Preliminary Plat approval for "Girard Place" subdivision, a townhouse subdivision. The proposed development, formerly identified as 302 W. Romana St, is a total of 1.62 acres located on the eastern portion of the City block bounded by S. Reus Street (east), W. Romana Street (south), S. DeVilliers (west), and Hilary Street (north). The initial phase under consideration with this application is .92-acres in size. The site is currently vacant. The proposed subdivision is located within the C-2 zoning district, the Governmental Center District (GCD) overlay district, and has a FLUM designation of B, Business. It is also located within the Dense Business District. The density allowed within the zoning district is 135 units per acre with the lots adhering to the regulations within Table 12-2.7.

The application under review contains 11 lots in addition to the remainder of the parent parcel. Although the project will contain open space, the developer has opted to pay into the park escrow in lieu of dedicating a park to the City.

Chairman Ritz indicated Rebol Battle had provided the Board with revised materials.

Jason Rebol presented to the Board and explained this was the first phase of a townhome project as a subdivision which allows a fee-simple mortgage, with 11 lots being the first phases of the project. The second phase would be plotted on the north side of the property on the Hilary Street right-of-way.

Chairman Ritz noted the private drainage easement along Romana Street. Mr. Rebol stated because the lots are fronting an existing city street right-of-way, they were required to address the stormwater on this property, providing drainage at the foot of the driveways in order to route it to retention ponds.

Mr. Rebol clarified that the first phase had been presold, and rest of the parcel would be the second phase.

Ms. Campbell explained that the ARB voted 4 to 1 to approve with comments, and the project went before the Council. Ms. Deese stated the applicant then appealed the decision, and Council voted to overturn the ARB decision. Even though the applicant received approval from the ARB, they received approval with comments which were substantial enough in the developer's mind that the project could not go forward. He filed an appeal which is allowed by the LDC. Most of the discussion was centered around the comments that the building move forward toward the property lines so that a car could not be parked within that area, which eliminated the guest parking, and the developer said this made the project not feasible. She indicated she had not seen any renderings coming through ARB nor through Mr. Rebol's office that displayed any parking in the rear. She stated if the plat meets technical standards, the Board is obligated to approve. The aesthetic review process had been completed through the ARB. Mr. Rebol advised the applicant wanted to go through ARB first before the platting began.

Mr. Moore made a motion to approve the preliminary plat as submitted with the revised version, seconded by Ms. Campbell. The motion carried 3 to 2 with Mr. Larson and Mr. Grundhoefer dissenting.

Consider Amendment to LDC Section 12-2-6 Residential/Office Land Use District

Mr. Mick Novota is requesting the Board consider amending the Land Development Code as it relates to the land uses allowed within the R-2 zoning district, specifically barber shops and hair salons. The Ordinance was modified in 2016 to allow these uses as permitted within the district subject to their location along a 4-lane roadway. The applicant is requesting the Board consider changing this language to identify the roadway classification rather than the physical characteristics of the roadway.

Chairman Ritz asked if the designation "major urbanized collector or larger roadway" was a State of Florida transportation document. Ms. Deese stated it would be up to the City's transportation engineer.

Mr. Mick Novota explained they bought the property on A Street and found out about the 4-lane language later. The property has an office building, a warehouse, and parking and has always been commercial. He had a request to place a high-end beauty salon in the corner building. He did confer with the city engineer to find out how to proceed without a commercial variance. Through his research, he found that people did not like beauty salons in their neighborhoods.

Chairman Ritz stated in considering Garden at A Street, this location would suffice for this type of occupancy. Also, if they changed the underlying language of the Code, there were other locations where this would take effect - the far reaching effect of this agenda item.

Mr. Grundhoefer asked for the commercial uses in R-2. Ms. Deese stated getting into the more commercial uses would include childcare facilities, private clubs and lodges, boarding and lodging houses, bed and breakfast, dormitories, office buildings, hospitals, clinics, nursing homes, schools and educational institutions, libraries, community centers, social service homes or centers, banks and financial institutions, studios, and any accessory uses related to those above. Mr. Mick Novota advised the property was a dentist office at one time. Mr. Grundhoefer suggested barber shops and salons did not seem foreign to the other types of uses.

Ms. Deese stated the retail selling of products would fall under accessory, so it would have to maintain an accessory use and not consume the business (beauty supply house). She advised this is one of those uses that is often presumed to be allowed, but when you look at the Code, it is not permitted within the R-2 District. It was determined that "major urbanized collector or larger roadway" was based on traffic counts. Ms. Mack reminded the Board that one year ago she addressed the Board when Buddy Page pleaded for barber shops and beauty salons to be included in R-2 because a realtor selling the property at 9th and Cross did not perform the due diligence to read the LDC, noting the permitted uses before selling the property. This couple who bought the property put thousands of dollars in renovating it before realizing a beauty salon was not allowed. The request was denied initially by the Board but later approved by Planning Board and Council with the 4-lane roadway designation because of the hardship which was pleaded by the property owners. She explained if you were a real estate broker for 25 years, you should know to do the due diligence and read the LDC. She advised ordinances are laws, and we want laws to be clear and unambiguous. The ordinance was changed to allow barber shops and beauty salons in R-2 on 4-lane roadways. She emphasized that if you feel as a Board that we have reached the point that barber shops and beauty salons should be included in R-2, make it universal but not before you notify the affected people that you are looking at that change. The other alternative is that Mr. Novota does not need to have the Board change things citywide since he can ask for rezoning, and there is commercial zoning across the street.

Mr. Grundhoefer asked Ms. Mack to explain her opposition to the beauty salon versus other types of businesses. She stated it had nothing to do with services offered but the business operation parameters – operating within fixed hours. Beauty salons are not limited to 3 or 4 stations and have extended hours of operation.

Ryan Novota, Transportation Engineer, appeared before the Board and referred to the 2001 city document which defined an urban and minor and major urban collector for reference. He pointed out A Street had the volume for a 4-lane road. He stated personally, he wanted this amendment to happen, and professionally, he did not have an issue with it.

Ms. Campbell suggested this felt a little like a conflict of interest since Mr. Ryan Novota was speaking as the City Transportation Engineer. Given Ms. Mack's comments, she asked if Mr. Ryan Novota would consider requesting commercial zoning at this location. Mr. Ryan Novota stated it would be a cost to pursue that and a delay. When they received the latest proposal to install a salon, he did not know of the restrictions. Ms. Campbell stated one of the things she liked about an individual going through the process of rezoning, was the Board would not have to do what they were asking them to do for this item. Chairman Ritz stressed the request would have a citywide effect. He explained that we try to avoid language that requires research beyond the LDC, so if this 2001 document does exist, the citizen who brought it forth was the City Engineer who knows it exists. Mr. Ryan Novota explained that barber shops and hair salons were the only ones exempted from the R-2 which seemed wrong to him.

Ms. Mack stated it should be clear to the applicant that when this was changed to 4-lane roadway, R-2 did not allow barber shops or beauty salons, and this was in effect when Mr. Novota bought this property. If the City did a re-evaluation of the map in 2017, based on traffic volumes, might that not include more roadways? **Mr. Moore then made a motion to deny, seconded by Ms. Campbell. The motion carried 3 to 2 with Mr. Larson and Mr. Grundhoefer dissenting.**

Consider Amendment to LDC Section 12-12-8 Regulation of Patron's Dogs at Permitted Food Service Establishments

On May 11, 2017, City Council referred to this Board for recommendation a proposed ordinance amending Section 12-12-8 – Regulation of Patron's Dogs at Permitted Food Service Establishments. This amendment includes the removal of the requirements to have a physical barrier, removal of "patron" as one receiving a Notice to Appear or Civil Citation, and inclusion of the ability to allow enforcement via Chapter 13.

Chapter 13 includes Code Enforcement through a special magistrate as an option instead of all violations being routed through the court system.

Ms. Deese explained the amendment language was developed by Council staff. Chairman Ritz pointed out he encounters dogs on the sidewalks frequently and asked for a synopsis of the changes. Mr. Kraher, Council Executive, explained this requirement was on the business and not on the patron visiting the business. Council felt it should be the business that was held responsible for violations. The business has within their purview to say we don't have a permit yet, so you can't have your dog here. Chairman Ritz clarified that the business would then police their own customers. Mr. Kraher stated this would follow the state statute required by the Department of Health, and the restaurants have to meet those requirements. The inclusion of Code Enforcement would make it easier than sending through the court system. Ms. Campbell asked if a permit process was in place. Mr. Kraher advised there is a permit process in place which runs through the Planning Department and then proceeds to the City Council for approval. He stated currently there are four or five permits issued. Ms. Deese advised they were seeing more applications submitted recently to bring businesses into compliance with the Code. Mr. Grundhoefer asked about the barrier. Mr. Kraher pointed out the Code requires that some type of physical barrier be placed, but that requirement is not within the state statute. It was added at some point. Questions began to arise in defining a barrier, and Council wanted this removed since it was not required by the state.

Chairman Ritz stated as a person, he liked the idea of putting Code Enforcement in charge to go after the property owner to police their property. Ms. Campbell pointed out the \$25,000 liability insurance requirement. Chairman Ritz appreciated the fact that a permit process exists. Mr. Larson explained that if the businesses wanted more customers with dogs, they would have to follow the rules. Mr. Grundhoefer pointed out the Board was asked to approve the removal of the barrier language and to allow the magistrate to enforce it. Ms. Deese clarified that the State of Florida Statutes actually refer to this issue, and in order to even allow dogs to be at restaurants, the City has to adopt some form of code and requirements. So the fact that they are having to go through this permitting process is the only way that it is permitted by the State. The City is not imposing restrictions through this ordinance, but is actually being more lenient and allowing it to occur through this ordinance. She pointed out there were three amendments - the removal of the physical barrier, the removal of "patron" and the inclusion of Chapter 13. **Mr. Larson made the motion to approve the sample ordinance. It was seconded by Mr. Grundhoefer, and it carried unanimously.**

Consider Amendment to Eastside Neighborhood Plan

Staff has received a request from Mrs. Helen Gibson, CRA Administrator, for this Board to recommend to City Council the adoption of an amendment to the Eastside Neighborhood Plan Element of Urban Infill and Redevelopment Plan. This amendment establishes a time certain for a period of forty (40) years, beginning in 2005 and terminating in fiscal year 2045. Mrs. Gibson has asked that the Board find that the proposed Plan amendment conforms to the Comprehensive Plan for the City of Pensacola. She advised the CRA staff would like for Planning Board to recommend that City Council adopt an amendment to that Urban Infill Redevelopment Plan which provides that all community development activities financed by Tax Incremental Revenues (TIF) in the Urban Infill and Redevelopment area shall be completed by that 2045 year, and that it is in compliance with the Comprehensive Plan, so it expands from the initial request from just the Eastside Neighborhood to the Urban Infill and Redevelopment Plan.

Ms. Gibson advised that in 2000, the Planning Board recommended the approval by City Council of an amendment to the Future Land Use element of the Comprehensive Plan to approve the establishment of boundaries of the Urban Infill Redevelopment area. The purpose of that designation has to do with revitalization of blighted and high poverty areas of the city. At that time, the Planning Board also recommended that the Council also approve adoption of the Urban Infill and Redevelopment Plan. She explained the reason that they have asked that the recommendation be changed slightly was because the Eastside plan was subsequently added to the Urban Infill and Redevelopment Plan by City Council. So it is one component of the Urban Infill and Redevelopment Plan. The Planning Board recently found that this plan did conform to the City's Comprehensive Plan. At this point, the plan did not contain a time certain for completion of all revitalization activities within the district. It has been determined that per the statute, we are now required to have a time certain for completion of all activities. She advised Council is considering an ordinance adding that provision which will require that all activities be concluded within 40 years as allowed by the statute. She explained they were asking the Planning Board provide a recommendation to City Council that they approve this amendment to the plan adding that time certain and reconfirm the fact that this plan is in keeping with the City's Comprehensive Plan.

Mr. Larson made a motion to approve, seconded by Ms. Campbell. Mr. Grundhoefer asked if there were specific goals or just a time frame. Ms. Gibson stated there were specific projects identified within the plan, based on funding, to help the infill areas. She indicated grant funding was limited, and there was still work to be accomplished which will depend on resources available. **The motion then carried unanimously.**

Open Forum – Mr. Ryan Novota wanted to address the item concerning barber shops and beauty salons and wanted to bring a proposal to the Board to help clarify this issue. It was stated that it was a possibility that roads would have increased in volume and to change their designation. He wanted to know if the Board would consider proposing a list of roadways outside the 4-lane, to consider they are major roadways with high traffic volume which would solidify the locations that were affected. Chairman Ritz stated he would not be agreeable to that because as soon as you begin listing roadways based on road volume, if they change up or down, it represents a change which the Board could not keep track of. If traffic patterns change and A Street drops by 60%, that which we allowed then is no longer valid. He pointed out that Section W looked like an addition to the ordinance and not an existing edit. Ms. Deese stated it was an addition to the ordinance and highly opposed; the applicant at the last minute interjected the 4-lane language which enabled it to be approved by a 3-2 vote. Mr. Ryan Novota stated it implied the revision had catered to one event. Ms. Deese stated the barber and beauty shops were allowed in the RNC zone but not permitted in the R-2 zone. She advised the only way you can have a barber or beauty shop in a residential area is through a home occupation permit which limits it to one chair. Mr. Ryan Novota began questioning the Board about specific locations. The Chairman explained the Board was not here to answer those type of questions. Ms. Deese instructed Mr. Ryan Novota to send specific addresses to her and she would be glad to research it.

Ms. Mack advised in 2010, Council adopted an ordinance for doggie dining, but did not include a permit process. She explained this ordinance has not been enforced until this year because with Code Enforcement it is complaint driven. She admitted that she did complain as a matter of principal.

On another matter, Mr. Larson asked if the antenna on A Street at the church met the design standards put forth by the Board. Ms. Deese stated she would verify Council's approval did uphold the comments from the Board and would send an inspector to look at it.

Adjournment – With no further business, Chairman Ritz adjourned the meeting at 4:09 pm.

Respectfully Submitted,

AN ORDINANCE
TO BE ENTITLED:

AN ORDINANCE AMENDING SECTION 12-12-8 OF THE CODE OF THE CITY OF PENSACOLA, FLORIDA, REGULATION OF PATRONS' DOGS AT PERMITTED FOOD SERVICE ESTABLISHMENTS; PROVIDING FOR SEVERABILITY; REPEALING CLAUSE; PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY OF PENSACOLA, FLORIDA:

SECTION 1. Section 12-12-8 of the Code of the City of Pensacola, Florida, is hereby amended to read as follows:

Sec. 12-12-8. - Regulation of patrons' dogs at permitted food service establishments.

Pursuant to the authority granted by F.S. § 509.233, patrons' dogs may be permitted within certain designated outdoor portions of permitted public food service establishments, notwithstanding the provisions of section 4-2-33 of the Code of the City of Pensacola, Florida, or the provisions of F.S. § 509.032(7), provided that each of the following requirements and criteria have been complied with:

- (A) Any public food service establishment desiring to allow patrons' dogs within certain designated outdoor portions of its public food service establishment, must apply for and receive a permit from the city council before allowing patrons' dogs on its premises.
- (B) Each applicant shall supply the following information in order to receive a permit:
 - (1) The name, location, and mailing address of the public food service establishment.
 - (2) The name, mailing address, and telephone contact information of the permit applicant.
 - (3) A diagram and description of the outdoor area to be designated as available to patrons' dogs, including dimensions of the designated area; a depiction of the number and placement of tables, chairs, and restaurant equipment, if any; the entryways and exits to the designated outdoor area; the boundaries of the designated area and of other areas of outdoor dining not available for patrons' dogs; any fences or other barriers; surrounding property lines and public rights-of-way, including sidewalks and common pathways; and such other information as may reasonably be required by the city council. The diagram or plan shall be accurate and to scale but need not be prepared by a licensed design professional.
 - (4) A description of the days of the week and hours of operation that patrons' dogs will be permitted in the designated outdoor area.

- (5) Proof that the applicant possesses liability insurance in the minimum amount of twenty-five thousand dollars (\$25,000.00) in the event of a dog biting a staff member, patron, guest or passerby while on the premises.
 - ~~(6) With respect to applicants whose outdoor seating is on a public sidewalk, proof that the restaurant has erected a physical barrier which would prevent pedestrian passersby from having direct contact with any dog on premises.~~
 - ~~(7)~~(6) With respect to restaurants located adjacent to another restaurant or licensed establishment, proof that the applicant has provided the neighboring establishment with notification of the applicant's intent to seek a permit under this section.
- (C) In order to protect the health, safety, and general welfare of the public, the following measures shall be continuously applied by the permitted establishment:
- (1) All public food service establishment employees shall wash their hands promptly after touching, petting, or otherwise handling dogs. Employees shall be prohibited from touching, petting, or otherwise handling dogs while serving food or beverages or handling tableware or before entering other parts of the public food service establishment.
 - (2) Patrons in a designated outdoor area shall be advised that they should wash their hands before eating. Waterless hand sanitizer shall be provided at all tables in the designated outdoor area.
 - (3) Employees and patrons shall be instructed that they shall not allow dogs to come into contact with serving dishes, utensils, tableware, linens, paper products, or any other items involved in food service operations.
 - (4) Patrons shall keep their dogs on a leash at all times and shall keep their dogs under reasonable control.
 - (5) Dogs shall not be allowed on chairs, tables, or other furnishings.
 - (6) All table and chair surfaces shall be cleaned and sanitized with an approved product between seating of patrons. Spilled food and drink shall be removed from the floor or ground between seating of patrons.
 - (7) Accidents involving dog waste shall be cleaned immediately and the area sanitized with an approved product. A kit with the appropriate materials for this purpose shall be kept near the designated outdoor areas.
 - (8) A sign or signs reminding employees of the applicable rules shall be posted on premises in a manner and place as determined by the local permitting authority.
 - (9) A sign or signs reminding patrons of the applicable rules shall be prominently posted on premises.
 - (10) A sign or signs shall be prominently posted that places the public on notice that the designated outdoor area is available for the use of patrons and patrons' dogs.
 - (11) Dogs shall not be permitted to travel through indoor or non-designated outdoor portions of the public food service establishment, and ingress and egress to the designated outdoor portions of the public food service establishment must not require entrance into or passage through any indoor areas of the food establishment.
- (D) A permit issued pursuant to this section shall not be transferred to a subsequent owner upon the sale of a public food service establishment but shall expire automatically upon the sale of the

establishment. The subsequent owner shall be required to reapply for a permit pursuant to this section if the subsequent owner wishes to continue to accommodate patrons' dogs.

- (E) The application for a permit shall be accompanied by a nonrefundable permit fee of one hundred dollars (\$100.00).
- (F) This provision shall be enforced by sworn law enforcement officers employed by the City of Pensacola, and the civil fine penalty provided by section 1-1-8 of the Code of the City of Pensacola, Florida shall apply. Such officers shall enforce the provisions of this section of the code through issuing a Notice to Appear, a Civil Citation or other means of enforcement pursuant to Chapter 13 of this code; to be acknowledged and received by the patron, restaurant owner, managing agent, property owner or employee receiving the notice. Failure to sign acceptance of the Notice to Appear or Civil Citation shall be a first degree misdemeanor as defined by Florida law. Any permitted establishment accumulating three (3) or more Notices to Appear shall have its permit subject to suspension or revocation at the discretion of the Pensacola City Council.
- (G) In the event of a violation of this section at a permitted establishment, all costs of enforcement and prosecution shall be assessed against the establishment by the city council and shall constitute a special assessment against such establishment, for which a lien on all personal and real property may be imposed, recorded and foreclosed upon by the City of Pensacola.

SECTION 2. If any word, phrase, clause, paragraph, section or provision of this ordinance or the application thereof to any person or circumstance is held invalid or unconstitutional, such finding shall not affect the other provision or applications of the ordinance which can be given effect without the invalid or unconstitutional provisions or application, and to this end the provisions of this ordinance are declared severable.

SECTION 3. All ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflict.

SECTION 4. This ordinance shall take effect on the fifth business day after adoption, unless otherwise provided pursuant to Section 4.03(d) of the City Charter of the City of Pensacola.

Call to Order / Quorum Present

Chairman Ritz called the meeting to order at 2:03 pm with a quorum present. He gave instructions to the audience on the rules and procedures of the Board.

Approval of Meeting Minutes

Mr. Larson made a motion to approve the May 9, 2017 minutes, seconded by Mr. Grundhoefer, and it carried unanimously.

Request for ROW Vacation of the 1000 Block Avery Street

Mr. Dax Campbell, Campbell Construction, is requesting to vacate the portion of the right-of-way of Avery Street directly adjacent to his property at 1011 Fairnie Avenue and the properties located at 1015 Fairnie Avenue and 1717 N. 11th Avenue.

EVERYTHING THAT'S GREAT ABOUT FLORIDA IS BETTER IN PENSACOLA.

222 West Main Street Pensacola, FL 32502 / T: 850.435.1670 / F: 850.595.1143/www.cityofpensacola.com

The applicant indicates the reason for the request is to enable him to have a somewhat symmetric parcel and to allow him to install a privacy fence along the new rear property line. The applicant is only interested in the portion which abuts his property. He has indicated the remainder of the right-of-way could be equally divided between the property owners of 1015 Fairnie Avenue and 1717 N. 11th Avenue. He has indicated both abutting neighbors are in agreement with the request; however, both have signed with contingencies. In initial discussions the rationale for this request was that the applicant could gain additional square footage in order to split the lot and construct two dwellings instead of the one dwelling currently permitted by code. There is a potential for future variance requests to the Zoning Board of Adjustment, which would be self-created by this present request.

Dax Campbell explained they wanted to make the property more symmetrical and install a privacy fence. Both adjacent property owners were in agreement. He explained the contingencies were that he no longer use the easement in the future and install a fence across it. Chairman Ritz asked how the adjacent property owners would maintain their access, and Mr. Campbell advised at the moment he was not aware they were maintaining it. Mr. Joel Campbell explained the easement was like a road they drive in to access the rear of their house. On the Fairnie property, the neighbor does not have access to Fairnie Avenue, so they drive around to Avery and come in the back way. He advised when they demolish the home and rebuild, they will use the front entrance on Fairnie to access the property. Chairman Ritz pointed out at the present time the property belongs to Pensacola and is used by the neighbors who abut it. Since this would allow public property to be placed in the hands of a private individual, how would the Board become satisfied that Mr. Bell and Mr. Broadley (neighbors) still maintain access, and that all citizens are treated fairly. Dax Campbell stated on the rear corner of the property, he would be constructing a fence. When the neighbors access the easement, they turn in before the corner, and this would not impede their access. Ms. Campbell pointed out this is public property being handed over, and would it make more sense to address this as an individual vacation of right-of-way just for the portion needed? Ms. Deese advised that we don't typically vacate portions of rights-of-way for a variety of reasons. It is shown as 20' wide, which means each property owner would get half. Mr. Campbell would get the entire portion because his property abuts the right-of-way on the north and the south.

Mr. Grundhoefer explained the Board needed a legal description to show how the neighbors' contingencies for access were met. Chairman Ritz pointed out those contingencies needed to be clearly resolved. Dax Campbell asked for clarification on what the Board required, and Chairman Ritz advised some kind of legal description/survey from a licensed firm was needed. Even if Mr. Bell and Mr. Broadley were not present and they signed the legal description/survey, with the fence location indicated, the Board would have a much easier time accepting and approving the vacation. Ms. Deese explained the Board could table the item but she would recommend the Board specify the length of time instead of being bound to the 45-day requirement. **Mr. Grundhoefer made a motion to deny as presented without prejudice, seconded by Ms. Campbell, and it carried unanimously.**

Request for ROW Vacation of the 700 Block Commendancia Street – Ferry Landing Project

Chairman Ritz advised since his business was involved with this project, he recused himself from the discussion and voting on the item.

The Port of Pensacola is requesting to vacate the portion of the right-of-way of Commendancia Street directly adjacent to properties owned by the City of Pensacola, including the Port of Pensacola. Although the application indicates this is a request to vacate Pine Street, the proposed area has been identified as the 700 Block of Commendancia Street by the appropriate City departments. The applicant indicates the reason for the request is to enable this portion of the existing right-of-way to function more as a driveway between the proposed Ferry Landing ticket concession building and the parking area accommodating the passengers. As such, it provides more direct access to the users. The City of Pensacola is the sole adjacent property owner to this section of Commendancia Street.

Steve Popal of Atkins Engineering addressed the Board along with Robert Rice of Bullock Tice Associates. Though the ferry landing itself is confined to the rectangular block to the south of the proposed vacation area, it is supported by the existing large parking lot to the north, and approximately 100 parking spaces would be allocated to the ferry passengers coming to and from the ferry facilities. The right-of-way area would become a pedestrian area and a vehicular drop off for passengers. The building has been located closer to the right-of-way to have more queuing and storage space for passengers on the water side. In the long term, there is potential for an additional building to the east.

Mr. Grundhoefer asked if Pine Street would be changed, and Mr. Popal advised it would remain as is, but the building itself would fall within the 60' street right-of-way. Mr. Grundhoefer confirmed the building did not meet City codes because it was in the right-of-way. He asked if the City had ever reduced the right-of-way width, and Ms. Deese stated the City typically does not favor vacating portions of the right-of-way especially in this situation, and that was not the request routed through the utility providers and appropriate departments. Mr. Grundhoefer stated his concern was that it could turn into most anything, but it was City property. Chairman Ritz offered that the portion to the south (the building) was owned fee-simple by the City, and the right-of-way was owned by the citizens. Mr. Popal stated the fee-simple parcel was the same parcel as the northern parking lot – not subdivided. **Mr. Larson made a motion to approve, seconded by Mr. Moore, and it carried unanimously with Chairman Ritz abstaining.**

Request Variance Approval for the 700 Block Commendencia Street – Ferry Landing Project

The Port of Pensacola is requesting a Variance of 33.0 feet to reduce the required minimum building setback for structures adjacent to a bulkhead from 30 feet landward of the bulkhead line to 3.0 feet waterward of the bulkhead to accommodate an open-air shelter for ferry passengers. The ferries will be loading passengers at the terminal end of the Commendencia slip adjacent to the proposed sun/weather shelter. The design professionals have maintained a concise footprint while planning for future growth and expansion. However, given the limited space for the development adjacent to the boarding area and the nature of the intended use, the open-air shelters are proposed to be closer than the minimum setback allowed within the district. It should be noted the structural members of the shelters do not extend waterward of the bulkhead line; the roof extends beyond this vertical plane. Mr. Popal stated the reason for the variance was to provide shelter for queuing approximately 300 passengers waiting for the ferry boats. The space between the shelter and building is a general gathering area, open structure, and allows for a promenade along the water. Mr. Grundhoefer stated the Board had already approved the location, the look, and architectural character. **Mr. Moore made a motion to approve, seconded by Mr. Larson, and it carried unanimously with Chairman Ritz abstaining.**

Request Aesthetic Approval of 700 Block of Commendencia Street – Ferry Landing Project

The Port of Pensacola, is requesting aesthetic approval for the Ferry Landing Project. This project was considered by the Planning Board for preliminary approval at the May 9, 2017 meeting and approved with consideration being made for more permanent materials that would have lower maintenance. Mr. Moore wanted to review the suggested changes. Mr. Rice explained they had designed the building with wood veneer cladding and an EFIS cladding, so the white depicted on the drawings was an EFIS system, basically a clad foam system, with natural wood paneling. The Board felt these materials were not as durable, so in keeping with the design, they modified the EFIS to an insulated metal panel. The wood veneer is a cementitious fiber panel board rather than natural wood. The screen walls on the roof and below the finished floor, and the screen wall around the mechanical yard will also be cementitious hardi board panel.

Ms. Deese clarified the applicant was seeking final approval for the building and the open-air shelters which would move forward to City Council.

Mr. Popal indicated the sunshades for the high roof are a first bid option, and the second bid option is the canopy at the water's edge. The sunshade aluminum louver system is built in the high roof, and if they were removed, the opaque roof would remain. **Mr. Moore made a motion to approve as presented, seconded by Mr. Larson. Ms. Campbell noted the item was amended to include the main building. The motion then carried unanimously with Chairman Ritz abstaining.**

Request for Preliminary Plat Approval for River Birch Subdivision

John and Connie Bowman, Our Family Property LLC, have submitted a request for Preliminary Plat approval for "River Birch" subdivision. The proposed development, identified as the 7100 blk of Spanish Trail, is a 3.93-acre parcel located on the east side of Spanish Trail, north of Creighton Road and immediately adjacent to the north of Gull Point Community Center. The site is currently vacant. The proposed subdivision is located within the R-1AA zoning district and has a FLUM designation of MDR, Medium Density Residential. The density allowed within the zoning district is 8.7 units per acre with the lots adhering to the regulations within Table 12-2.2. Per the application, the proposed subdivision consists of 6 lots. However, the actual plat indicates 4 lots are being created and depicts 3 new lots, measuring at least 40 feet in width, and 2 drainage easements contained within the remainder of the parent parcel. Additionally, the developer has requested Administrative Variances to reduce the rear building setback from 30 feet to 28 feet. The developer has opted to pay into the park escrow in lieu of dedicating a park.

Chairman Ritz noted that the fire hydrant had been addressed.

Jason Rebold addressed the Board and stated the plan was to subdivide, and the large parcel would be Phase II, and they were not sure what they were going to do with it. Chairman Ritz addressed the rear setback from 30' to 28' and was concerned if neighbors nearby have that same requirement for them, here the large parcel is being subdivided with a request for the rear setback to be reduced by 2' which others in the neighborhood might not have as their benefit but was requested in this item. Ms. Deese explained it was for transparency and was actually permitted by the LDC, so not a variance to the actual property which would go to the Board; it would be administratively handled. She advised the LDC permits staff to grant administrative variances of 10 percent up to 2', whichever is less. Chairman Ritz explained the Board was reviewing the preliminary plat and would see the final. Ms. Campbell stated given the comments from the City, all the requirements had been met. Mr. Grundhoefer asked if R-1AA had a 50' minimum requirement on the street, and this was a variance to that. Ms. Deese clarified the lot width requirement was 40' and the comments he referred to were based on engineering which is a different regulation because of the corner parcel. Mr. Rebold stated because there were over 4 lots, Engineering required retention, so the drainage easements would be ponds for the three lots. As Lot 4 was developed, the ponds would be relocated to the downstream side. **Ms. Campbell made a motion to approve the preliminary plat, seconded by Mr. Grundhoefer, and the motion carried unanimously.**

Request for Preliminary Plat Approval for Girard Place Phase I Subdivision

Rebol-Battle & Associates has submitted a request for Preliminary Plat approval for "Girard Place" subdivision, a townhouse subdivision. The proposed development, formerly identified as 302 W. Romana St, is a total of 1.62 acres located on the eastern portion of the City block bounded by S. Reus Street (east), W. Romana Street (south), S. DeVilliers (west), and Hilary Street (north). The initial phase under consideration with this application is .92-acres in size. The site is currently vacant. The proposed subdivision is located within the C-2 zoning district, the Governmental Center District (GCD) overlay district, and has a FLUM designation of B, Business. It is also located within the Dense Business District. The density allowed within the zoning district is 135 units per acre with the lots adhering to the regulations within Table 12-2.7.

The application under review contains 11 lots in addition to the remainder of the parent parcel. Although the project will contain open space, the developer has opted to pay into the park escrow in lieu of dedicating a park to the City.

Chairman Ritz indicated Rebol Battle had provided the Board with revised materials.

Jason Rebol presented to the Board and explained this was the first phase of a townhome project as a subdivision which allows a fee-simple mortgage, with 11 lots being the first phases of the project. The second phase would be plotted on the north side of the property on the Hilary Street right-of-way.

Chairman Ritz noted the private drainage easement along Romana Street. Mr. Rebol stated because the lots are fronting an existing city street right-of-way, they were required to address the stormwater on this property, providing drainage at the foot of the driveways in order to route it to retention ponds.

Mr. Rebol clarified that the first phase had been presold, and rest of the parcel would be the second phase.

Ms. Campbell explained that the ARB voted 4 to 1 to approve with comments, and the project went before the Council. Ms. Deese stated the applicant then appealed the decision, and Council voted to overturn the ARB decision. Even though the applicant received approval from the ARB, they received approval with comments which were substantial enough in the developer's mind that the project could not go forward. He filed an appeal which is allowed by the LDC. Most of the discussion was centered around the comments that the building move forward toward the property lines so that a car could not be parked within that area, which eliminated the guest parking, and the developer said this made the project not feasible. She indicated she had not seen any renderings coming through ARB nor through Mr. Rebol's office that displayed any parking in the rear. She stated if the plat meets technical standards, the Board is obligated to approve. The aesthetic review process had been completed through the ARB. Mr. Rebol advised the applicant wanted to go through ARB first before the platting began.

Mr. Moore made a motion to approve the preliminary plat as submitted with the revised version, seconded by Ms. Campbell. The motion carried 3 to 2 with Mr. Larson and Mr. Grundhoefer dissenting.

Consider Amendment to LDC Section 12-2-6 Residential/Office Land Use District

Mr. Mick Novota is requesting the Board consider amending the Land Development Code as it relates to the land uses allowed within the R-2 zoning district, specifically barber shops and hair salons. The Ordinance was modified in 2016 to allow these uses as permitted within the district subject to their location along a 4-lane roadway. The applicant is requesting the Board consider changing this language to identify the roadway classification rather than the physical characteristics of the roadway.

Chairman Ritz asked if the designation "major urbanized collector or larger roadway" was a State of Florida transportation document. Ms. Deese stated it would be up to the City's transportation engineer.

Mr. Mick Novota explained they bought the property on A Street and found out about the 4-lane language later. The property has an office building, a warehouse, and parking and has always been commercial. He had a request to place a high-end beauty salon in the corner building. He did confer with the city engineer to find out how to proceed without a commercial variance. Through his research, he found that people did not like beauty salons in their neighborhoods.

Chairman Ritz stated in considering Garden at A Street, this location would suffice for this type of occupancy. Also, if they changed the underlying language of the Code, there were other locations where this would take effect - the far reaching effect of this agenda item.

Mr. Grundhoefer asked for the commercial uses in R-2. Ms. Deese stated getting into the more commercial uses would include childcare facilities, private clubs and lodges, boarding and lodging houses, bed and breakfast, dormitories, office buildings, hospitals, clinics, nursing homes, schools and educational institutions, libraries, community centers, social service homes or centers, banks and financial institutions, studios, and any accessory uses related to those above. Mr. Mick Novota advised the property was a dentist office at one time. Mr. Grundhoefer suggested barber shops and salons did not seem foreign to the other types of uses.

Ms. Deese stated the retail selling of products would fall under accessory, so it would have to maintain an accessory use and not consume the business (beauty supply house). She advised this is one of those uses that is often presumed to be allowed, but when you look at the Code, it is not permitted within the R-2 District. It was determined that "major urbanized collector or larger roadway" was based on traffic counts. Ms. Mack reminded the Board that one year ago she addressed the Board when Buddy Page pleaded for barber shops and beauty salons to be included in R-2 because a realtor selling the property at 9th and Cross did not perform the due diligence to read the LDC, noting the permitted uses before selling the property. This couple who bought the property put thousands of dollars in renovating it before realizing a beauty salon was not allowed. The request was denied initially by the Board but later approved by Planning Board and Council with the 4-lane roadway designation because of the hardship which was pleaded by the property owners. She explained if you were a real estate broker for 25 years, you should know to do the due diligence and read the LDC. She advised ordinances are laws, and we want laws to be clear and unambiguous. The ordinance was changed to allow barber shops and beauty salons in R-2 on 4-lane roadways. She emphasized that if you feel as a Board that we have reached the point that barber shops and beauty salons should be included in R-2, make it universal but not before you notify the affected people that you are looking at that change. The other alternative is that Mr. Novota does not need to have the Board change things citywide since he can ask for rezoning, and there is commercial zoning across the street.

Mr. Grundhoefer asked Ms. Mack to explain her opposition to the beauty salon versus other types of businesses. She stated it had nothing to do with services offered but the business operation parameters – operating within fixed hours. Beauty salons are not limited to 3 or 4 stations and have extended hours of operation.

Ryan Novota, Transportation Engineer, appeared before the Board and referred to the 2001 city document which defined an urban and minor and major urban collector for reference. He pointed out A Street had the volume for a 4-lane road. He stated personally, he wanted this amendment to happen, and professionally, he did not have an issue with it.

Ms. Campbell suggested this felt a little like a conflict of interest since Mr. Ryan Novota was speaking as the City Transportation Engineer. Given Ms. Mack's comments, she asked if Mr. Ryan Novota would consider requesting commercial zoning at this location. Mr. Ryan Novota stated it would be a cost to pursue that and a delay. When they received the latest proposal to install a salon, he did not know of the restrictions. Ms. Campbell stated one of the things she liked about an individual going through the process of rezoning, was the Board would not have to do what they were asking them to do for this item. Chairman Ritz stressed the request would have a citywide effect. He explained that we try to avoid language that requires research beyond the LDC, so if this 2001 document does exist, the citizen who brought it forth was the City Engineer who knows it exists. Mr. Ryan Novota explained that barber shops and hair salons were the only ones exempted from the R-2 which seemed wrong to him.

Ms. Mack stated it should be clear to the applicant that when this was changed to 4-lane roadway, R-2 did not allow barber shops or beauty salons, and this was in effect when Mr. Novota bought this property. If the City did a re-evaluation of the map in 2017, based on traffic volumes, might that not include more roadways? **Mr. Moore then made a motion to deny, seconded by Ms. Campbell. The motion carried 3 to 2 with Mr. Larson and Mr. Grundhoefer dissenting.**

Consider Amendment to LDC Section 12-12-8 Regulation of Patron's Dogs at Permitted Food Service Establishments

On May 11, 2017, City Council referred to this Board for recommendation a proposed ordinance amending Section 12-12-8 – Regulation of Patron's Dogs at Permitted Food Service Establishments. This amendment includes the removal of the requirements to have a physical barrier, removal of "patron" as one receiving a Notice to Appear or Civil Citation, and inclusion of the ability to allow enforcement via Chapter 13.

Chapter 13 includes Code Enforcement through a special magistrate as an option instead of all violations being routed through the court system.

Ms. Deese explained the amendment language was developed by Council staff. Chairman Ritz pointed out he encounters dogs on the sidewalks frequently and asked for a synopsis of the changes. Mr. Kraher, Council Executive, explained this requirement was on the business and not on the patron visiting the business. Council felt it should be the business that was held responsible for violations. The business has within their purview to say we don't have a permit yet, so you can't have your dog here. Chairman Ritz clarified that the business would then police their own customers. Mr. Kraher stated this would follow the state statute required by the Department of Health, and the restaurants have to meet those requirements. The inclusion of Code Enforcement would make it easier than sending through the court system. Ms. Campbell asked if a permit process was in place. Mr. Kraher advised there is a permit process in place which runs through the Planning Department and then proceeds to the City Council for approval. He stated currently there are four or five permits issued. Ms. Deese advised they were seeing more applications submitted recently to bring businesses into compliance with the Code. Mr. Grundhoefer asked about the barrier. Mr. Kraher pointed out the Code requires that some type of physical barrier be placed, but that requirement is not within the state statute. It was added at some point. Questions began to arise in defining a barrier, and Council wanted this removed since it was not required by the state.

Chairman Ritz stated as a person, he liked the idea of putting Code Enforcement in charge to go after the property owner to police their property. Ms. Campbell pointed out the \$25,000 liability insurance requirement. Chairman Ritz appreciated the fact that a permit process exists. Mr. Larson explained that if the businesses wanted more customers with dogs, they would have to follow the rules. Mr. Grundhoefer pointed out the Board was asked to approve the removal of the barrier language and to allow the magistrate to enforce it. Ms. Deese clarified that the State of Florida Statutes actually refer to this issue, and in order to even allow dogs to be at restaurants, the City has to adopt some form of code and requirements. So the fact that they are having to go through this permitting process is the only way that it is permitted by the State. The City is not imposing restrictions through this ordinance, but is actually being more lenient and allowing it to occur through this ordinance. She pointed out there were three amendments - the removal of the physical barrier, the removal of "patron" and the inclusion of Chapter 13. **Mr. Larson made the motion to approve the sample ordinance. It was seconded by Mr. Grundhoefer, and it carried unanimously.**

Consider Amendment to Eastside Neighborhood Plan

Staff has received a request from Mrs. Helen Gibson, CRA Administrator, for this Board to recommend to City Council the adoption of an amendment to the Eastside Neighborhood Plan Element of Urban Infill and Redevelopment Plan. This amendment establishes a time certain for a period of forty (40) years, beginning in 2005 and terminating in fiscal year 2045. Mrs. Gibson has asked that the Board find that the proposed Plan amendment conforms to the Comprehensive Plan for the City of Pensacola. She advised the CRA staff would like for Planning Board to recommend that City Council adopt an amendment to that Urban Infill Redevelopment Plan which provides that all community development activities financed by Tax Incremental Revenues (TIF) in the Urban Infill and Redevelopment area shall be completed by that 2045 year, and that it is in compliance with the Comprehensive Plan, so it expands from the initial request from just the Eastside Neighborhood to the Urban Infill and Redevelopment Plan.

Ms. Gibson advised that in 2000, the Planning Board recommended the approval by City Council of an amendment to the Future Land Use element of the Comprehensive Plan to approve the establishment of boundaries of the Urban Infill Redevelopment area. The purpose of that designation has to do with revitalization of blighted and high poverty areas of the city. At that time, the Planning Board also recommended that the Council also approve adoption of the Urban Infill and Redevelopment Plan. She explained the reason that they have asked that the recommendation be changed slightly was because the Eastside plan was subsequently added to the Urban Infill and Redevelopment Plan by City Council. So it is one component of the Urban Infill and Redevelopment Plan. The Planning Board recently found that this plan did conform to the City's Comprehensive Plan. At this point, the plan did not contain a time certain for completion of all revitalization activities within the district. It has been determined that per the statute, we are now required to have a time certain for completion of all activities. She advised Council is considering an ordinance adding that provision which will require that all activities be concluded within 40 years as allowed by the statute. She explained they were asking the Planning Board provide a recommendation to City Council that they approve this amendment to the plan adding that time certain and reconfirm the fact that this plan is in keeping with the City's Comprehensive Plan.

Mr. Larson made a motion to approve, seconded by Ms. Campbell. Mr. Grundhoefer asked if there were specific goals or just a time frame. Ms. Gibson stated there were specific projects identified within the plan, based on funding, to help the infill areas. She indicated grant funding was limited, and there was still work to be accomplished which will depend on resources available. **The motion then carried unanimously.**

Open Forum – Mr. Ryan Novota wanted to address the item concerning barber shops and beauty salons and wanted to bring a proposal to the Board to help clarify this issue. It was stated that it was a possibility that roads would have increased in volume and to change their designation. He wanted to know if the Board would consider proposing a list of roadways outside the 4-lane, to consider they are major roadways with high traffic volume which would solidify the locations that were affected. Chairman Ritz stated he would not be agreeable to that because as soon as you begin listing roadways based on road volume, if they change up or down, it represents a change which the Board could not keep track of. If traffic patterns change and A Street drops by 60%, that which we allowed then is no longer valid. He pointed out that Section W looked like an addition to the ordinance and not an existing edit. Ms. Deese stated it was an addition to the ordinance and highly opposed; the applicant at the last minute interjected the 4-lane language which enabled it to be approved by a 3-2 vote. Mr. Ryan Novota stated it implied the revision had catered to one event. Ms. Deese stated the barber and beauty shops were allowed in the RNC zone but not permitted in the R-2 zone. She advised the only way you can have a barber or beauty shop in a residential area is through a home occupation permit which limits it to one chair. Mr. Ryan Novota began questioning the Board about specific locations. The Chairman explained the Board was not here to answer those type of questions. Ms. Deese instructed Mr. Ryan Novota to send specific addresses to her and she would be glad to research it.

Ms. Mack advised in 2010, Council adopted an ordinance for doggie dining, but did not include a permit process. She explained this ordinance has not been enforced until this year because with Code Enforcement it is complaint driven. She admitted that she did complain as a matter of principal.

On another matter, Mr. Larson asked if the antenna on A Street at the church met the design standards put forth by the Board. Ms. Deese stated she would verify Council's approval did uphold the comments from the Board and would send an inspector to look at it.

Adjournment – With no further business, Chairman Ritz adjourned the meeting at 4:09 pm.

Respectfully Submitted,
