PREAMBLE

This Agreement is made and entered into by and between the City of Pensacola, Florida, which is hereinafter referred to as the "Employer," and the Pensacola Professional Firefighters, International Association of Firefighters, AFL-CIO, Local No. 707, hereinafter referred to as the "Union."

ARTICLE (1)

DEFINITIONS

- 1) "Day" shall mean a calendar day unless otherwise specified in this Agreement.
- (2) References to the male gender are intended to conform to traditional usage, and should be understood to include both males and females.
- 3) All references to Legislative Approval, approval by Legislature or such similar phrases included in this document shall mean the actual date the legislation becomes law.

ARTICLE (2)

PURPOSE AND INTENT

SECTION 1. The purpose of this Agreement is to secure industrial peace and efficiency, enabling the Employer and its employees to provide continuing satisfactory services to the citizens of the City, to secure a healthy operation through efficient service and public satisfaction, to establish an orderly and peaceful procedure for the resolution of grievances, and to set forth a basic understanding relative to rates of pay, hours of work and conditions of employment, designed to achieve those goals at a reasonable cost.

SECTION 2. The employees and management recognize that they are mutually dependent upon one another. Both are committed to public service and the success of that service. This success requires that both management and employees work together. The Employer, the Union and all employees are convinced that there is no reason why differences that may arise may not be peacefully and satisfactorily adjusted by sincere and patient efforts on the part of all.

SECTION 3. The Union agrees that it will support the Employer in its efforts to (a) eliminate waste and damage; (b) conserve equipment and supplies; (c) improve standards of efficiency; (d) prevent accidents; and (e) strengthen good will between the Employer, its employees and the public. This section is intended to express the purpose of this Agreement, and nothing in this section shall be considered to confer liability for monetary damages on the Union in any action in which the Union would not otherwise be liable.

ARTICLE (3)

RECOGNITION

SECTION 1. The Employer hereby recognizes the Union as the sole and exclusive bargaining representative of the employees covered by this Agreement for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment and other terms and conditions of employment.

SECTION 2. The Union is recognized as the sole and exclusive bargaining representative of: all Fire Department employees in the rank of Fire Captain, Fire Lieutenant, and Professional Firefighter; excluding the Fire Chief, Deputy Fire Chief, Battalion Chief Administrative Officer, and all other employees of the City. All other types of employees and classifications of employees not in existence at the time of the certification by the Pensacola Public Employees Relations Commission dated July 13, 1988 are excluded from the coverage of this Agreement; provided that the Union shall not be deprived of the right to bargain with respect to wages, hours, terms and conditions of employment for new job classifications which may hereafter be created, should either party obtain an order from the Public Employees Relations Commission certifying the Union as bargaining agent for such classifications.

ARTICLE (4)

NO STRIKE CLAUSE

SECTION 1. No employee, Union officer, agent, or employee shall instigate, promote, sponsor, or engage in any strike, slow down, concerted stoppage of work, or any other intentional interruption of the operations of the Employer.

SECTION 2. In the event of a strike, slow down, concerted stoppage of work, or other intentional interruption of the operations of Employer, the Union shall take direct and immediate action to bring about a cessation of such activities.

SECTION 3. In addition to the penalties provided by law, those employees found to be in violation of the provisions of Section 1 may be held liable for any damages which are suffered by the City as a result of the violation of the provisions of this Article.

ARTICLE (5)

DUES CHECK-OFF

SECTION 1. Dues deduction is currently accomplished thru electronic fund transfers from bargaining unit member credit union share accounts to the Union monthly. The City is currently not directly involved in the deduction of Union dues. Should the existing fund transfer method of monthly dues deduction for some reason become unworkable, the City will work cooperatively with the Union to establish a system for payroll deduction of dues to be submitted monthly to the Union.

ARTICLE (6)

SEVERABILITY

In the event that any Article or provision of this Agreement is found to be invalid or unenforceable, by reason of any legislation or judicial authority over which the parties have no amendatory power, all other provisions of this Agreement shall remain in full force and effect for the term of this Agreement. Moreover, should any change in wages, hours, or working conditions be required as a result of any subsequently enacted legislation, judicial order, conciliation agreement, or other legal requirements, the City shall give the Union notice of the action it intends to take to comply with such requirement, and shall negotiate with the Union, if requested, regarding the proposed action.

ARTICLE (7)

PROBATION & SENIORITY

SECTION 1. An appointment, employment or promotion shall not be deemed complete until a period of probation of twelve (12) months has elapsed from the date of employment or promotion; however, in no case shall the probationary period end earlier than twelve (12) months after the employee has received necessary required state certification.

SECTION 2. Employees serving a probationary period following their initial hiring shall not have recourse to the Grievance Procedures contained herein.

SECTION 3. Seniority shall first be determined by the period of service in a class or position within a chain of command (rank) within the fire department, and then by the period of service within the fire department based on hire date. In cases of equal seniority, seniority shall be determined through random selection via a draw through the Human Resources Division.

ARTICLE (8)

NO SMOKING

SECTION 1. The Surgeon General of the United States has determined that smoking tobacco contributes to the development of a number of heart and lung diseases.

SECTION 2. As of March 1, 1989, the City will hire as firefighters only those individuals who do not smoke, and such individuals will continue to not smoke for the duration of their employment. As of January 1, 1992, the City will hire as firefighters only those individuals who do not use tobacco products, and such individuals will continue to not use tobacco products for the duration of their employment.

SECTION 3. All bargaining unit employees who were hired before March 1, 1989, will not be affected by the no smoking condition of employment which will apply to the new hires, but current employees will smoke only in designated smoking areas while on duty. After meeting and conferring with the Union, the City retains the right to designate smoking areas in each fire station.

SECTION 4. The City agrees to make reasonably available courses to stop smoking for those employees wishing to quit smoking.

ARTICLE (9)

RESIDENCY

All employees covered by this Agreement shall live within Escambia or Santa Rosa County, Florida or 45 minute response time. Exceptions to this article may be granted by the City Administrator.

ARTICLE (10)

WAGES, HOURS OF WORK AND OVERTIME PAY

SECTION 1. Purpose of Article.

The purpose of this Article is to provide a basis for the computation of straight time and overtime wages, and nothing contained in this Agreement shall be construed as a guarantee or commitment by the City to any employee of a minimum or maximum number of hours of work per day, per week, per work period, or per year, for any employee covered by this Agreement. The City's pay records, practices, and procedures shall govern the payment of all wages.

SECTION 2. Straight Time Wage Rates.

All employees covered by this Agreement shall be paid as reflected below:

Professional Firefighter Minimum	\$32,500.00
Lieutenant Minimum:	\$ 43,000.00
Fire Captain Minimum:	\$53,000.00

*These amounts include the mandatory overtime adjustments.

Provisions that are set forth in the General Employees Pay Plan, shall apply also to the employees covered by this collective bargaining contract.

SECTION 3. Salary Adjustments.

From the effective date of this contract to September 30, 2020, bargaining unit members shall receive the following salary adjustments:

FY 2018

October 1, 2017 each bargaining unit member shall receive a 3% increase to their base wage at that time unless otherwise specified in the Compensation Schedule dated June 29, 2017 – Attached to this Agreement as Appendix A.

FY 2019

October 1, 2018 each bargaining unit member shall receive a 3% increase to their base wage at that time.

FY 2020

October 1, 2019 each bargaining unit member shall receive a 3% increase to their base wage at that time.

The City Administrator may, upon recommendation by the Fire Chief, withhold an employee's salary adjustment, if there is documented evidence that the employee is performing consistently at a level below standard during the previous year.

SECTION 4. Fire Inspectors.

The workweek for fire inspectors shall consist of seven (7) calendar days beginning at 12:00 midnight on Sunday and ending 12:00 midnight the following Sunday. Fire inspectors will be scheduled to work a 40 hour week. Daily shift times will be set by the City no earlier than 7:45 am and no later than 5:00 pm including a one hour meal period which shall not count as time worked (unless and then only to the extent of time spent in authorized calls to emergency duty). All time worked in excess of 40 hours per workweek will be compensated at a minimum of one and one-half times the straight time rate in effect as set forth in the City's salary schedule.

SECTION 5. Fire Suppression Employees.

Other than fire inspectors, all other employees covered by this Agreement will continue to be paid pursuant to the partial overtime pay exemption provided by 29 U.S.C. Section 207(k). The "work period" will continue to be a minimum of twenty-one (21) calendar days beginning immediately after 8:00 a.m. on Sunday and ending at 8:00 a.m. the third following Sunday. Fire suppression employees will be scheduled to work 24 hours on duty and 48 hours off duty, for a total of 168 hours of scheduled duty time during each 21 day work period. All fire suppression employees who work more than one hundred fifty-nine (159) hours during a 21 day work period will be compensated for such additional hours at a minimum of one and one-half times the straight time rate in effect as set forth in the City's wage schedule.

SECTION 6. Watch Captains

The parties agree that there shall be one watch captain on each watch.

SECTION 7. Overtime.

The Fire Department may offer the opportunity to work unscheduled overtime through the use of three alphabetized lists, one per watch, without regard to rank. This established list is for fire suppression activities only.

SECTION 8. Time Worked.

For the purpose of calculating overtime pay, scheduled sick leave should be considered as "time worked" in the appropriate work period. Leave taken as annual leave will not be considered as "time worked" for purposes of overtime calculation.

SECTION 9. Working Out of Class Pay.

Bargaining unit members working temporarily in a higher class for more than five (5) consecutive watches will be paid out-of-class differential pay incentive of 10% premium on their base wage beginning with their 6th consecutive watch. To qualify, an employee must be assuming the full and complete duties and responsibilities of the higher class. Said differential pay shall be applicable only when the vacancy has resulted from an illness that qualifies under FMLA, on-the-job injury or a job vacancy that is a position duly created and still existent but not occupied by an employee. Such differential pay shall begin only after the employee has performed the complete duties for five consecutive (5) watches and shall be paid only for time actually worked. Out-of-class differential pay shall apply only to the days worked after the five (5) consecutive watches have been completed. Out-of-class differential shall be paid with the employee's regular compensation and is pensionable. Complete records of such out-of-class differential work shall be submitted to the Division of Human Resources within two (2) weeks of having performed such work, on forms furnished by that department. Employees approved for acting out of class assignments must requalify every time a new event occurs.

SECTION 10. Pay Adjustment upon Promotion

Upon successful promotion from the rank of Firefighter to the rank of Lieutenant or from the rank of Lieutenant to the rank of Captain, employees shall have their base pay increased 10% or shall be moved to the new minimum of the pay scale for their new rank, whichever is greater.

SECTION 11. Special Duty Overtime

The special projects will be listed or advertised on an electronic bulletin board, which shall contain two (2) lists. The first list will provide the project description and the necessary qualifications. The second will be an alphabetical list of volunteers including their qualifications.

If an individual is skipped for lack of qualifications, he/she will remain at the top of the list. If assigned to Special Project overtime, the employee may not sign up for overtime, as described in Article X Section 7, on the dates listed for a special project.

ARTICLE (11)

GRIEVANCE PROCEDURE

SECTION 1. A grievance is defined as an allegation made during the term of this Agreement that the Employer has violated a specific provision of this Agreement. Employees who are not members of the Union may utilize the Grievance Procedure established by this Article, but the Union is in no way responsible for non-members' utilization of this article.

SECTION 2. Under no circumstance shall there be a suspension or slowdown of work, or refusal to follow any instruction, on account of any grievance. Grievances shall be resolved at the lowest supervisory level possible, but only within the customary authority of such succeeding level of supervision. No grievance shall be considered unless it is processed in complete accordance with the following steps:

STEP 1. There shall be a discussion between the employee and the Battalion Chief involved.

STEP 2. If the grievance is not resolved in Step 1, the Union may, within ten 10 calendar days of the alleged violation, reduce the grievance to writing on a grievance form and present it to the Fire Chief. The grievance form shall specify the particular Article, Section and provision of this Agreement alleged to have been violated, shall contain a complete and detailed statement of the facts upon which the grievance is based, including date of occurrence, shall specify the proposed remedy, shall be signed and dated by the employee or (if applicable) by his Union representative. Grievances submitted which do not contain the above information shall be considered null and void. Upon receipt of the grievance, the Chief or his designee shall record the time and date of receipt, shall consider the written grievance, shall investigate the same to the extent he chooses, and shall resolve or deny the grievance within ten (10) calendar days.

STEP 3. If the Union is dissatisfied with the decision rendered in Step 2, and the Union desires to further pursue the grievance, it shall present a letter of appeal to the City Administrator or his designee within ten (10) calendar days following the decision of the Fire Chief or his designee on the grievance in Step 2. The City Administrator or his designee shall consider the written grievance, investigate the same to the extent he chooses, and resolve or deny the grievance within fifteen (15) calendar days.

STEP 4. Within ten (10) calendar days following the decision by the City Administrator or his designee, if the Union chooses to proceed further on the grievance, it shall present to the City Administrator or his designee a written request for a Step 4 meeting concerning the grievance, to which shall be attached copies of the written grievance submitted in Step 2 and Step 3 letter of appeal. A meeting shall be held at the convenience of the parties between the grievant, the grievant's Union representative (if applicable), and the City Administrator or his designee and their representative, and the City Administrator or his designee shall resolve or deny the grievance within fifteen (15) calendar days.

SECTION 3. Submission to Arbitration. In the event any grievance which has been timely brought during the term of this Agreement under Section 4 of this Article cannot be satisfactorily adjusted in accordance with Section 2 of this Article, either the Union or the Employer may demand arbitration by filing a request with the Federal Mediation and Conciliation Service of the United States, with a copy to the other side by certified mail, return receipt requested, to submit the names of seven (7) approved arbitrators available to hear and decide the question involved. The party wishing to submit a grievance to arbitration must do so within twenty (20) calendar days of receipt by the Union of the decision in Step 4, or the right to pursue arbitration shall have been waived. The Union shall retain the exclusive authority to decide which, if any, union member grievances shall be forwarded to arbitration.

SECTION 4. The parties hereto acknowledge the importance of both the time limitations and the requirements for written grievances and appeals expressed in Sections 2 and 3 of this Article, and no grievance shall be considered or deemed to exist that is not reduced in writing in the manner specified, timely filed and pursued at each step of the grievance procedure, and timely submitted to arbitration. A timely filed grievance not answered by management within the time limit prescribed shall be treated as a denial of the grievance and the grievance may be pursued to the next step of the grievance procedure. Time limits may not be extended except by a written mutual agreement signed by representatives of both parties. The Employer's willingness to go through the grievance procedure and to submit the issue on the merits to an arbitrator shall not be interpreted as a waiver of any issue as to arbitrability.

SECTION 5. Absent permission from the Employer, grievances must be processed outside of the scheduled working hours of any employee involved in the grievance.

ARTICLE (12)

ARBITRATION

SECTION 1. Upon receipt of the list of arbitrators from the Federal Mediation and Conciliation Service, the parties shall flip a coin to determine who has the first strike. The party losing the coin flip shall strike a name from the list first; the other party shall strike second, and then each party shall in turn strike one name until only one name remains. This person shall be selected as an impartial Arbitrator.

SECTION 2. Each party shall have the right to reject one complete panel of arbitrators and request the Federal Mediation and Conciliation Service to submit a second list, from which names shall be stricken in accordance with Section 1. Nothing in this article shall prevent the parties from agreeing upon a mutually acceptable arbitrator other than one on a panel supplied by FMCS.

SECTION 3. The grievance submitted to the arbitrator shall be based exclusively on the written grievance as submitted in Section 2, Step 2, of the Grievance Procedure. If on-duty personnel are subpoenaed to the arbitration hearing, they will be released from duty only for the time required to testify. No more than two employees will be released from duty at a time, unless the Employer authorizes the release of more than two; such authorization shall not be unreasonably withheld.

SECTION 4. Any decision or award of the arbitrator shall be strictly limited to the interpretation of specific terms of this Agreement, and to a determination of (a) whether the grievance is arbitrable, and (b) whether the Employer violated a specific provision of this Agreement as alleged in the written grievance. The arbitrator shall not explicitly or implicitly change, amend, add to, subtract from, or otherwise alter or supplement any of its terms and conditions, nor depart from its terms in rendering a decision. The arbitrator shall confine himself exclusively to the question which is presented to him. The arbitrator's decision shall be final and binding upon both parties.

SECTION 5. The Employer may not be compelled to arbitrate any grievance not alleged to have occurred during the term of this Agreement.

SECTION 6. Each side shall bear the cost of its own witnesses and representatives. The cost of room accommodations shall be divided equally between the parties. The fees of the arbitrator shall be divided equally between the parties. The costs associated with the appearance of the court reporter and a copy of the transcript for the arbitrator shall be divided equally between the parties. Any party requesting a transcript copy for their use will bear its cost, unless otherwise agreed.

SECTION 7. The arbitrator shall have no authority to assess any compensatory or punitive damages, nor to impose as a remedy any back pay to any employees or individuals who are not grievants. No award of back pay to any grievant shall date back to a time prior to the date the grievance arose. All awards of back pay under this Agreement shall be offset by unemployment compensation benefits, workers' compensation benefits (except medical), earned by the grievant, during any period of unemployment for which back pay is awarded.

ARTICLE (13)

MANAGEMENT RIGHTS

SECTION 1. It is the right of the public employer to determine unilaterally the purpose of each of its constituent agencies, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the right of the public employer to direct its employees, take disciplinary action for proper cause, and relieve its employees from duty because of lack of work or for other legitimate reasons. However, the exercise of such rights shall not preclude employees or their representatives from raising grievances, should decisions on the above matters have the practical consequence of violating the terms and conditions of any collective bargaining agreement in force or any civil or career service regulation.

Additionally the City shall enjoy and retain any additional or expanded right granted to public employers through any decision issued by the Public Employee Relations Commission.

The City has the sole authority to determine the purpose and mission of the City, to prepare and submit budgets to be adopted by the City Council.

The City shall enforce and comply with the provisions of this Agreement so as not to violate the City Charter.

SECTION 2. Nothing contained herein shall be construed to constitute a waiver by the Union of its right to negotiate over the impact of managerial decisions on all terms and conditions of employment.

ARTICLE (14)

WORK RULES

SECTION 1. It is understood and agreed that the duties performed by members of the bargaining unit cannot always be covered by job descriptions and, therefore, members of the bargaining unit may be required to perform duties in addition to those listed within job descriptions.

SECTION 2. Except where expressly modified by any provision of this Agreement, the Rules, Regulations and Procedures of the Pensacola Fire Department shall govern the relationship between the Employer and the employees covered by this Agreement. Any of the Fire Department Rules, Regulations and Procedures in conflict with this Agreement shall be of no force and effect.

SECTION 3. Any new rules or regulations made after the effective date of this Agreement which conflict with this Agreement may be made the subject of an appropriate grievance and may be taken to arbitration by the Union as provided in the grievance and arbitration provisions of this Agreement.

ARTICLE (15)

PROMOTIONAL PROCESS & PROMOTIONAL REQUIREMENT EXAMINATION COMMITTEE

When a vacant position is to be filled by promotion within the Fire Department, these procedures apply:

SECTION 1. Study Materials and information for promotional testing will be posted a minimum of 90 days prior to a job announcement posting.

SECTION 2. Job announcements will be posted a minimum of 30 days prior to conducting a promotional examination.

SECTION 3. Examinations may include a written test, an interview, a performance test, an evaluation of training and experience, supervisory efficiency rating, assessment centers, or any combination thereof. Examination components will total 100%.

SECTION 4. If it is determined that a vacancy shall be filled from a promotional eligible register, a list shall be certified which contains the names of five (5) persons and ties (which can be created by adding points but not take points away from an applicant) having the highest promotional grades as hereinafter provided, and the vacant position shall be filled by the appointing authority by selection from said promotional eligible list. The list may contain less than five (5) names if five (5) persons do not meet the minimum qualifications for the position, or attain the required promotional grade; however, anytime a promotional eligible list cannot be certified with the required minimum number of candidates, the appointing authority may request a new examination.

SECTION 5. The following procedures will be followed to establish a current eligible register:

- a) The Fire Department shall prepare and administer examinations which shall be practical and objectively measure the relative capabilities of the applicant to perform the duties of the position. All persons within the department who meet the minimum qualifications established by the Promotional Qualification Committee (as defined below) for the position shall be eligible to take the promotional examination. Announcement of each examination shall be publicized for a minimum of thirty (30) calendar days prior to the application deadline specified in the announcement. Applications for each examination must be filed with the Human Resource Division prior to the designated deadline and all necessary records, licenses, certificates, transcripts and other documents of proofs must be submitted prior to the examination.
- b) The examination process shall include a written test and a performance test. The examination factor, assigned weights and scoring methods shall be included in the examination announcements. The total value of all questions on any wholly written

examination shall be one hundred percent (100%). The total percentage value on any combination of examinations shall be one hundred percent (100%).

- c) No person shall be promoted who has a promotional grade of less than seventy percent (70%), or a promotional examination score of less than seventy percent (70%). If a promotional examination score of seventy percent (70%) is attained, the total percent made upon such examination shall be added to the total number of points allowed for seniority defined as follows. Seniority Points: Points added to a passing score on a promotional examination to arrive at the total examination grade. For Lieutenants seeking promotion to the rank of Captain, these points shall be computed on the basis of one (1) percentage point for each full year of service as a Lieutenant. For Firefighters seeking promotion to the rank of Lieutenant, these points shall be computed on the basis of one (1) percentage point for each full year of service within the Fire Department, to a maximum of ten (10) points.

- d) Each such register shall stand for a period of one (1) year from the date the original promotional eligible list is certified, unless otherwise extended by the Chief Human Resources Officer for a period of not to exceed one (1) year. However, if the appointing authority requests that no extension be granted, then the register shall expire at the end of the on (1) year. Subsequent eligible lists shall be certified by the Human Resource Administrator from an unexpired register so long as the minimum qualifications and special requirements are the same as those required when the register was established. Additional promotional examinations may be given to supplement a current register which contains less than five (5) qualified persons, and the names of the successful examinees shall be in order behind the existing names on the register. If there is a significant change in special and minimum requirement and qualifications for a position, the Chief Human Resources Officer may cancel and terminate an existing eligible register and establish a new register of eligibles. The establishment of a new register shall require a new application and examination of each applicant.

SECTION 6. Definitions

Eligible List – A list of names taken from the eligible register, of the top (5) five candidates and ties. Names are listed in rank order according to their final overall score on the promotional testing.

Eligible Register: A register of names of all eligible applicants who have obtained a passing score on the overall examination process, listed in rank order according to their final overall score.

SECTION 7. A committee shall be formed to develop promotional qualification requirements for Fire Lieutenant and Fire Captain. This six-member committee shall consist of one Fire Captain and one Lieutenant, one selected by the Union, and one Fire Captain and one Lieutenant, one selected by the Fire Chief or designee; one representative of the Fire Chief's Management Team; and one representative from

Human Resources. The Committee's purpose is to develop and present promotional qualifications for approval by the Fire Chief.

SECTION 8. When changing promotional requirements the City must give a minimum of 2 years prior notice to said change or changes.

SECTION 9. Review of testing material

Following the testing, all test participants shall be provided the opportunity to review their test, the scoring and all answers and worksheet materials utilized during the testing to determine areas in which they might need improvement. It is understood that the participant shall not be permitted to copy or photograph the materials and may not take notes during the review. Additionally it is understood that no test materials shall be permitted to leave the control of the City at any time.

ARTICLE (16)

HEALTH AND LIFE INSURANCE

SECTION 1. The City will make available the same health and life insurance programs on a group basis to bargaining unit employees as are made available to all other non-managerial City employees. The City reserves the right to reduce or increase the benefits payable under coverages, to alter or cease any coverages, to raise or lower any "out-of-pocket" amounts and to raise or lower any deductibles and otherwise determine the coverage to be made available and the premium costs of the same, provided that such benefits, coverages, amounts and deductibles remain the same as those made available to all other non-managerial City employees.

SECTION 2. The insurance programs will be optional to all eligible employees. For those employees electing to participate in the program, the City will make contributions towards the cost of such insurance, in the same amounts as it makes for all other non-managerial City employees. Those employees who elect to participate in the City's group insurance programs will pay a share of the total premium through deductions from payroll, for the cost not paid by the City.

SECTION 3. The Union will be notified of any change in insurance carriers, nature or scope of coverage or amount of coverage and increased amounts to be paid by employees under this Article. The City reserves the right to terminate the group insurance program or any part thereof for all City employees at any time with prior notice to the Union.

SECTION 4. Upon notification by the Union, in its sole discretion, the City shall exclude all bargaining unit employees and Fire Department uniformed retirees from the City's group health and life insurance programs, and will cease deducting employee and retiree insurance premium amounts from compensation checks; the City will, in such event, make contributions towards the cost of such alternative insurance as the Union may designate, in the same amounts as the City contributes for all non-managerial City employees and retirees respectively, for each employee and retiree participating in such alternative insurance. Provided, however, that such notification must be given no less than ninety (90) days prior to the contract renewal date of the City's group health and life insurance programs.

ARTICLE (17)

LIFE INSURANCE BENEFITS

SECTION 1. The City will provide members of the bargaining unit those life insurance and death benefits for survivors as required by Federal and State laws. Additional life insurance may be purchased by members of the bargaining unit, under the City's group policy, with the employee paying the cost and those additional benefits shall be portable after 10 years of service, at the employee's continued expense, upon separation from the City.

SECTION 2. The voluntary life insurance benefit (currently provided by American General) shall be portable, at the employee's continued expense, upon separation from the City. Additionally the life insurance benefits (currently provided by Sun Life) shall be portable, at the employee's continued expense, upon separation from the City provided the employee has vested in the benefit through the completion of 10 years of service with the City prior to separation. No life insurance benefit shall be portable for employees who are terminated.

SECTION 3. Notwithstanding anything contained herein, the City will endeavor to maintain the provisions of this Article but the portability of life insurance benefits shall be subject to the insurance contract between the Life Insurance Company and the City.

ARTICLE (18)

TRAINING

SECTION 1. When employees attend required training, they will be compensated in accordance with the provisions of the Fair Labor Standards Act.

SECTION 2. Training will be deemed to be required only when an employee is given a direct order by the Fire Chief or his/her designee to attend training. Thus, if the City merely advises employees of available training courses and offers to pay all or part of course tuition, but does not order an employee to attend the courses, any employee attending courses will be engaged in voluntary training, and thus will not be engaged in compensable work hours.
