Tommy White is the co-owner and operator of Tracy B LLC in which he and his team provide logistical support for the manufacturing of wind energy in Pensacola, FL and throughout the United States. Tommy responsibilities include maintaining great customer relationships, managing the on-time transport and delivery of sensitive cargo, budget management, and contract negotiations. Prior to launching Tracy B LLC, Tommy had multiple levels of success in the corporate world leading teams in the industries of customer service, sales, and finance.

Tommy is a veteran of the United States Navy where he served as an Air Traffic Controller for 5 years and was honorably discharged at Naval Air Station Pensacola Florida in 1997.

Tommy graduated number one in his class while at naval air traffic control school. Tommy continued to further his education while deployed and completing course work in Business Administration at Pensacola State College and Troy State University.

Tommy has a core value of community service and is an active member of the Eastside community . Tommy currently serves on the Executive Committee for East Pensacola Student Athletic Program and has previously held the position of Vice Chairman on the Escambia County Human Relations Board of Directors, a former member of the Pensacola Civitan Club and Optimus Club. He continues to serve his community in various ways through his active membership at Greater Little Rock Baptist Church and as an active volunteer at the youth organization of the East Pensacola Rattlers.

Tommy has been married for 20 years to his lovely wife and together they have 5 kids and 2 grandkids. So, when Tommy is not serving his community, Tommy is busy having fun going to youth events, the beach, dancing with his wife, hanging with the kids and visiting with the grandkids.
