## Scope of Services

Daikin Applied Americas, Inc. is pleased to offer the following proposal for your consideration. Thank you for selecting Daikin Applied Service Group to care for your building's system. Our factory-trained service personnel have the knowledge and experience to deliver the best support available. Daikin will perform all services using factory-trained technicians who specialize in HVAC, refrigeration and electronic system maintenance and repair services. Daikin is pleased to offer this proposal for your consideration.

### **Scope of Work**

Daikin Applied agrees to provide the following turnkey solution as listed in the scope of work below.

### **City of Pensacola – West Florida Library Install (2) Condensing Units**

- Lock out and tag out existing 35 ton condensing unit per the Daikin Applied safety protocol.
- Per epa regulations recover the existing refrigerant in circuit 1 and 2 and dispose of.
- Disconnect existing electrical and control connections.
- Disconnect and demo existing refrigerant piping as needed.
- Using a boom truck remove existing condensing unit and dispose of.
- Set (2) new condensing units previously purchased by the City of Pensacola.
- Provide and install (2) 100-amp 3R fused disconnects.
- Provide and install gutter for wire taps.
- Install rigid raceways on top of slab for power.
- Extend raceways and control wiring as needed for new units.
- Tie in electrical and control wiring to new condensing units.
- Extend refrigerant piping as needed to connect existing line sets.
- Pressure test both circuits with nitrogen and check for leaks.
- Evacuate circuits overnight to 500 microns.
- Charge both circuits to nameplate with new refrigerant.
- Start circuits and monitor operation, trim charge as needed.

*\*1 year warranty on new work performed.*

*\*Costs included to pull necessary permits for new equipment installation.*

### **Exclusions**

- Modifications to existing controls.

- Modifications to existing piping other than listed.
- Modifications or repairs to existing air handler.
- Anything not listed in the scope of work above.

## Proposal Clarifications, Exclusions, and Exceptions:

### Clarifications:

1. This proposal takes precedence over any other written, verbal, or other statements of scope, schedule, and pricing.
2. Acceptance of a Notice to Proceed is not an acceptance of terms and conditions. Any Notice to Proceed will be based upon the terms and conditions contained in this proposal.
3. All working hours are estimated at regular or straight time rates. Accelerated or expedited project execution schedules and associated costs are subject to additional quotation.
4. Daikin Applied is not responsible for any delays or cost as a result of delays incurred due to limited or no access to roads, buildings or equipment required to complete the scope of work provided for in this proposal.
5. Sales taxes are not included within our pricing.
6. Costs associated with Owner directed programs or software required to fulfill project reporting, execution, safety management, and or Owner or Owner's Representative invoicing are not covered and will be invoiced in addition to the agreed proposal price.
7. Signage will not be provided or installed by Daikin Applied.
8. Staffing of onsite Safety or Security personnel during project execution or after working hours will not be provided and Daikin Applied understands this is the responsibility of the Owner or Owner's Representative.
9. Site drainage, pollution prevention plan and execution, temporary bathrooms, emergency eye-wash stations, barricades, ramps, splash-blocks, fire protection plans and systems required during construction, flagman, access controls features, trash repositories and pick services are not included. Daikin Applied understands the Owner or Owners Representative is responsible for these measures.
10. Daikin Applied understands temporary HVAC, temporary power, work site lighting, and temporary water required to perform the scope of work provided is the Owner or Owner's Representative responsibility.
11. Daikin Applied will only provide supervision for itself and its sub-contractors when we or they are on site.
12. Daikin Applied Material or Labor warranty is excluded on Owner or Owner's Representative provided equipment.

### Exclusions:

1. Any labor, materials, or subcontracted service not specifically provided for in the description or scope of work.
2. Identification and remediation of existing code violations.
3. Authority Having Jurisdiction required changes are not included and will be quoted as additional work scope.
4. Painting, repair work to buildings, and/or equipment which is not specifically identified in the description or scope of work.
5. Costs associated with hazardous materials identification, removal, and/or abatement.
6. Temporary or portable HVAC equipment and connections to existing systems.
7. The creation of new Building Automation Systems graphics, monitoring, trending, analysis or any other software or labor required for implementation of these items.
8. Testing and balancing.
9. Commissioning plan development and execution.
10. Sound testing or acoustical treatments for any elements inside or external to the work site or equipment.
11. Seismic analysis and certification for all materials and equipment.
12. Permits, insurance coverages other than indicated in the attached Evidence of Insurance, and performance and payment bonds.
13. Professional services including Architectural, Mechanical, Electrical, Structural and other Engineering Disciplines.
14. Fire, Smoke and/or Security controls, equipment, repair, graphics, programming, replacement or upgrades.

## OMNIAPricing and Acceptance

Feel free to contact me if you have any questions or concerns regarding the information contained in this proposal. If you would like us to proceed with the solution presented above, sign the acceptance line below (including PO# if applicable) and return a copy so that we can begin to mobilize our efforts to complete services as quickly as possible. We appreciate the opportunity to provide you with this solution and look forward to working with you on this and servicing your needs in the future.

### Investment Amount and Billing Terms:

Investment required to implement the proposed solution

**\$30,746.44 Thirty Thousand, Seven Hundred Forty Six dollars and Forty Four cents**

*\*Price does not include applicable sales tax*

Proposal, inclusive of the pricing, is provided in accordance with Region 4 ESC Contract # R200401, available via OMNIA Partners, including the terms and conditions contained therein

(<https://public.omniapartners.com/suppliers/daikin-applied/contract-documentation#c38611>) shall govern this Proposal and the corresponding scope of work as described herein which are hereby incorporated by this reference. Pricing and acceptance are subject to Daikin Applied's final credit approval.

**Billing/Payment Terms\*:** Billed in full upon completion

\*All billings are due immediately upon Receipt

This proposal will be honored by Daikin Applied for 30 days from the date on the front of the proposal. After 30 days, Daikin Applied reserves the right to evaluate cost changes (both increases and decreases) from the proposal.
