#### LEGISLATIVE ACTION ITEM

**SPONSOR:** Ashton J. Hayward, III, Mayor

**SUBJECT:**

AWARD OF CONTRACT - BID #17-032 BAYOU CHICO NORTH STORMWATER  
OUTFALL TREATMENT ENHANCEMENT PROJECT

**RECOMMENDATION:**

That City Council award a contract for construction of the Bayou Chico North Stormwater Outfall Treatment Enhancement Project to BKW, Inc., of Pensacola, Florida, the lowest and most responsible bidder with a base bid of \$304,926.06, plus 10% contingency of \$30,492.61 for a total amount of \$335,418.67.

**HEARING REQUIRED:** No Hearing Required

**SUMMARY:**

The scope of the project is to provide proprietary stormwater treatment for currently untreated drainage sub-basins within the Bayou Chico Watershed. Stormwater outfalls have been identified as one of the significant contributors of sediment into Bayou Chico and the proposed project will utilize underground stormwater treatment units to reduce total suspended solids pollution into Bayou Chico at various locations within the drainage basin. The treatment units proposed for use in this project are the most up to date technology available and are very effective in this type of application for pollutant removal. The project is located within developed commercial and residential areas which have existing stormwater collection/transmission facilities that discharge into Bayou Chico.
