

Proposed Amendment to Land Development Code

Accessory Uses & Structure Standards

- Vending & Transaction Machines are permitted as an accessory use in the C-1 zoning district, and subsequent commercial districts (C-2A, C-2 & C-3).
- Accessory use means a use or structure which:
 - (a) Is clearly incidental to, customarily found in association with, and serves a principal use;
 - (b) Is subordinate in purpose, area, or extent to the principal use served; and
 - (c) Is located on the same lot as the principal use or on an adjoining lot in the same ownership as that of the principal use.
