Historical Markers

OVERVIEW OF THE FLORIDA HISTORICAL MARKER PROGRAM

Program Overview

The Florida Historical Marker Program is one of the Division of Historical Resources' most popular and visible public history programs. It is designed to raise public awareness of Florida's rich cultural history and to enhance the enjoyment of our historic sites by citizens and tourists. These markers allow us to tell the stories of the places and people who created the Florida that we all enjoy today, by identifying the churches, schools, archaeological sites, battlefields and homes that represent our past.

Q: What are the dimensions of a historical marker?

A: Cast aluminum, text area is 30" high by 42" wide; dark blue background; letters and Florida Heritage emblem are white; comes with a 7' concrete post coated with brushed aluminum (three feet of the post goes into the ground). Markers weigh around 95lbs.

Q: How long does it take to produce a historical marker?

A: Marker production usually takes 6–8 weeks after the finalized text is submitted to the manufacturer. This estimate is based on the manufacturer's production backlog. At times of high production, it can take 10-12 weeks to receive your marker.
