Mayor Hayward and Pensacola City Council Members
222 West Main Street
Pensacola, FL 32502

Dear Mayor Hayward and City Council Members,

As a resident of the 18th block of Mallory/Moreno streets, I support my neighbors at 1771 E. Mallory Street and 1774 E. Moreno Street in their petition to obtain the right of way abutting their properties. The removal of the sidewalk on this right of way will in no way impact my quality of life or my safety in the foreseeable future.
