Abe,

Thank you for your response today. I spoke with Shirley about the minutes not yet being produced. Councilwoman Cannada-Wynn is going to pull the item from Thursday evening's Council meeting and reschedule once we have the minutes as supporting background. So, therefore, no need for anyone to attend Thursday's meeting. Thank you for your cooperation.

>> Haven't received your email yet regarding our conversation this morning. I'd like to attach it to my Council Memorandum illustrating your Boards support and request to receive the property back. Sometimes emails auto populate to my old County email address. Thanks for your attention. This isn't due until Friday but I don't like waiting until the last minute. I also want to get Councilwoman Cannada-Wynn's concurrence and haven't heard back from her. Thanks for your quick attention to this, this morning.
