Board(s) of interest: ARB

---

Please list the reasons for your interest in this position:

I have been a member of the ARB board for a few years and it is apparent that as the representing member of the downtown business community, one that is neither an architect nor a city planner nor an attorney, this position is one that takes several years to understand the nuances, legalities and impact of the work that we do. Additionally, I have recently spent the time and effort working with the Historic Trust and UWF to nominate my family home to the National register of Historic Places. The process is complicated and nuanced but it was enjoyable and the resulting addition of the PK Yonge Home to the National Register for categories A, B & C along with the State of Florida listing as a Florida Heritage Site, has been an invaluable education on Historic Preservation and undeniable contribution to our community. There are many hours of hearings and many more hours of research that go into reviewing the items set before us. It is neither easy nor to be taken lightly and is definitely a labor of love donated to our city and one that takes a discerning eye for not only design and architecture but also a commitment to bettering our downtowns historic districts and places. As a "woman owned business" of almost 14 years within the City of Pensacola, I bring minority diversity, and also would be viewed as a "young professional." I believe my unique diversity offers a important voice needed from our community. As a lifetime citizen of Pensacola who grew up in a historic home, I understand first hand the challenges and rewards of Historic Architecture. I feel adequately educated on the History of Pensacola, its recent rise to greatness (again) and the need to move forward with equity for its citizens. I feel I am in a unique position to bring an impartial but educated voice to this board in support of our City Council's directives through their written Code and objectively, through pairing that code with the decades of precedent that has reinforced the greatness of our

gem, this very special treasure, that must be nurtured and protected but must also grow and develop. It is near and dear to my heart and a position I do not take lightly. I feel I have gathered substantial institutional knowledge over the past few years and at such a crucial time in our City's growth, I am compelled to continue with the investment of time and knowledge that I have invested.
