

## FINANCIAL REPORT SIX MONTHS ENDING MARCH 31, 2022

***These statements are unaudited and are not the official financial statements of the City but rather are a review of the progress to date each quarter as it relates to the budget. The official financial statements of the City are included in the Comprehensive Annual Financial Report (CAFR) and will be presented to the City Council in the first quarter of each calendar year following the end of each fiscal year (September 30th).***

Attached are financial schedules setting forth the status of the major General Government, Special Revenue, Capital Projects and Proprietary Funds for the City of Pensacola for the six months ended March 31, 2022. The financial schedules compare actual results for the six-month period against the City's budget and against comparable percentages of a year ago. Such comparisons are useful in projecting potential problem areas, allowing management to take early corrective action. The City's debt service and investment schedules are also attached for Council's review.

While the City did see a decline in many of tourism based taxes during fiscal year 2020 due to COVID-19, we have seen a rebound in those revenues beginning in October of fiscal year 2021. Such growth has continued through fiscal year 2022 and can be seen in the Half-Cent Sales Tax and Local Option Sales Tax revenues which are 12.54% and 18.45% higher, respectively, in fiscal year 2022 as compared to the same time frame in FY 2021. In addition, Ad Valorem Taxable Valuations continue to show positive growth. While these are positive indicators, both revenues and expenditures continue to be closely monitored to assure a balanced budget. Expenditures in total are in line with budgeted projections. Significant variances from the current approved budget are noted in the individual fund narrative below.

The Investment Section of this financial report provides a comparison of interest rates for FY 2021 to FY 2022. Interest Income in the various funds may not meet budget if interest rates continue to trend lower as a result of the COVID-19 Pandemic.

The Legal Services and Fees of this financial report provides a listing of legal services and fees paid through the second quarter of FY 2022.

Contracts and Expenditures over \$25,000 approved by the Mayor have been included in this report with the changing of how the monthly information is being provided to City Council.

The Tree Planting Trust Fund Schedule in this financial report provides the revenues received through the second quarter of FY 2022 along with the address of the property, the district the property is within, the amount received and the reason for the removal of the tree.

## **General Fund:**

The General Fund is used to account for all financial resources except those required to be accounted for in another fund. All general property taxes, fines, various permits, property rentals and certain intergovernmental revenues are recorded in this fund. Typical expenditures are for administration, planning services, recreation services, public works, and public safety. (NOTE: The Tree Planting Trust Fund, Park Purchases Fund and the Housing Initiatives Fund are accounted for within the General Fund, however they are reported separately in the budget as well as the quarterly financial reports). All General Fund capital equipment has been funded in Local Option Sales Tax Series IV, therefore the only savings that can be realized are in operating and personal services.

In total, General Fund revenues exceeded the budget for the first and second quarter. The Half-Cent Sales Tax has was above budget by \$526,560 or 26.21% and Municipal Revenue Sharing revenue was above budget by \$51,856 or 4.42%. While total Franchise Fees and Public Service Tax revenues were less than budget by \$104,660 or 1.37% and Communication Services Tax revenue was below budget by \$48,679 or 3.81%. In total at fiscal year-end, revenues are projected to meet or exceed budget and expenditures are anticipated to come in at budget. Staff will continue to monitor revenues and expenditures and take appropriate actions as necessary in in order to assure a balanced budget.

On March 7, 2021, City council passed resolution 2021-32 amending the City of Pensacola's financial planning and administration policy as it related to the annual transfer into the Stormwater Capital Project Fund. Historically, the policy provides for the amount transferred into the Stormwater Capital Project Fund to be an amount equivalent to the stormwater utility fee revenue. The revised policy sets the dollar amount of the transfer into the Stormwater Capital Project Fund at \$2,735,000 each fiscal year. Funds are transferred monthly based on the amount of stormwater utility fee revenue collected until the \$2,735,000 required annual transfer is met.

## **Tree Planting Trust Fund**

The Tree Planting Trust Fund revenues and expenditures are recorded in the General Fund and revenues are dedicated to be used for acquiring, planting and maintaining trees and other vegetation for public purposes within the City as well as establishing a grant program for community organizations to assist in restoring the City's tree canopy. For the second quarter, contributions and interest income totaled \$45,248 and expenditures/encumbrances totaled \$87,716.

The unassigned balance in the "Tree Planting Trust Fund" at the end of the second quarter was \$290,370. Assigned fund balance is composed of \$130,000 for Marketplace Greenway, \$150,000 for the Tree Replacement Plan at various City Parks, \$49,424 for use by City Council in their respective district and \$3,575 in a neighborhood grant.

### **Park Purchases Trust Fund**

The Park Purchases Trust Fund revenues and expenditures are recorded in the General Fund and revenues are dedicated to be used for the purpose of acquiring parks and developing playgrounds. For the second quarter, contributions and interest income totaled \$17,005 and there were no expenditures/encumbrances.

The unassigned balance in the “Park Purchases Fund” at the end of the second quarter was \$21,741.

### **Housing Initiatives Fund**

The Housing Initiatives Fund revenues and expenditures are recorded in the General Fund and revenues are dedicated to supplement existing and future adopted Housing Program Initiatives. This initiative moves City-owned surplus properties back into productive use through the development and sale of surplus properties. The proceeds from those sales can be dedicated to expanding existing homeowner assistance programs. For the second quarter, contributions plus interest income totaled \$43,214 and expenditures/encumbrances totaled \$17,818.

The unassigned balance in the “Housing Initiatives Fund” at the end of the second quarter was \$488,616 and assigned fund balance was \$49,000. Assigned fund balance is used to fund the personnel and operating costs that administrate the program. Any unassigned fund balance is set aside to pay for future administrative costs and to provide aid for the Affordable Housing Program.

### **Local Option Gasoline Tax Fund:**

The Local Option Gasoline Tax (“LOGT”) Fund accounts for the receipt of the gasoline tax revenue and expenditures related to transportation including any transfers to pay debt service on bonds issued for construction or reconstruction of roads.

On July 25, 2016, The City issued its \$14,314,000 Local Option Gas Tax Revenue Bonds, Series 2016 (the “2016 Bond”). The 2016 Bond was issued for the purpose of financing the cost of the acquisition and construction of capital improvements to the road system of the City. LOGT revenues collected in the LOGT Fund along with prior year surplus funds are transferred to LOGT Debt Service Fund to pay principal and interest on the 2016 Bond. The 2016 Bond matures on December 31, 2026.

LOGT revenues were \$761,440 or 18.45% above budgeted levels through the second quarter of FY 2022. Fiscal year expenditures include the transfer to the LOGT debt service fund as well as allocated overhead and are consistent with the adopted FY 2022 budget.

### **Stormwater Utility Fund:**

The Stormwater Utility Fund accounts for the receipts of the stormwater utility fee revenue and expenditures for the day-to-day operations of stormwater and street cleaning functions.

For Fiscal Year 2022, City Council approved an adjustment to the Stormwater Utility Fee from \$72.24 per ESU to \$76.12 with a subsequent increase for Fiscal Year 2023 to the maximum approved by City Council of \$80 per ESU. This increase for Fiscal Year 2022 is expected to increase revenue by an estimated \$136,800 and provide sufficient funding for an additional three-person crew to provide additional stormwater maintenance.

Stormwater utility fee revenue of \$2,209,706 represents 76.91% of budgeted revenue for the fiscal year and is on target to meet year-end projections. Fiscal year expenditures include stormwater and street cleaning functions are not anticipated to exceed budget by fiscal year end.

### **Parking Management Fund:**

The Parking Management Fund accounts for the public parking services receipts and the expenditures thereof. Typical expenditures are related to parking enforcement, operations and maintenance of parking facilities and capital purchases related to parking.

For the second quarter of FY 2022 revenues exceeded expenditures by \$266,057. When compared to FY 2021, revenue for this fiscal year is \$215,844 more than the prior year as prior year revenues were down due to COVID. While the impacts of COVID on fiscal year 2022 revenues have diminished due to the reopening of businesses and less telecommuting, should revenues not meet projections, savings in current year budgeted expenditures will ensure a balanced fund. Expenditures for Parking Management are currently set to come in under the adopted FY 2022 budget.

### **Municipal Golf Course Fund:**

The Municipal Golf Course Fund accounts for the operations of the City-owned public golf course.

During the second quarter of FY 2021, 11,238 rounds were played plus 4,103 of driving range usage and in the second quarter of FY 2022, 11,362 rounds were played plus 4,237 of driving range usage, an increase of 124 rounds and an increase of 134 driving range usage. Staff will continue to advertise the golf course through local media outlets as well as continue to keep the golf course's website updated.

For the second quarter of FY 2022 expenditures (including total City sponsored pension costs) exceeded revenues (including the City's General Fund subsidy) by \$39,765. When compared to FY 2021, revenue for this fiscal year is \$13,010 more than

the prior year and staff anticipates meeting the estimated revenues budget for FY 2021. While expenditures are currently over the six month estimate due to amounts encumbered for the electric golf cart contract, expenditures are not anticipated to exceed budget by fiscal year end.

### **Inspection Services Fund:**

The Inspections Services Fund accounts for the inspection services receipts and the expenditures thereof. Typical expenditures are related to regulatory services, such as zoning and construction permitting expenditures.

In total, revenues exceeded expenditures (including total City sponsored pension costs) by \$342,415. When compared to FY 2021, revenues for this fiscal year is \$188,434 more than the prior year. This is due to the continued strong construction activity locally and demand for housing. Revenue increases are primarily in Building Permits and Permit Application Fees.

With the increased activity in the construction industry, it has become necessary to add a new full-time position as well as a temporary position in order to provide better customer service and meet the workload in this strong economy. Therefore, additional funding was required in the FY 2022 budget. City Council approved the Budget Resolution 2022-018 on February 10, 2022, to help provide for a Building Inspections Specialist and a temporary receptionist, equipment for this additional staff, and two new Ford Ranger pick-up trucks to be purchased which will give each licensed Inspections employee a vehicle to use. Expenditures for Inspection Services are not anticipated to exceed budget by fiscal year end.

### **Roger Scott Tennis Center Fund:**

The Roger Scott Tennis Center Fund accounts for the operations of the City-owned public tennis center. The City has contracted with Gulf Coast Tennis Group, LLC for the operation and management of the center. As part of the current contract, the City receives a minimum annual guaranteed revenue of \$125,000, which is estimated to fund the City's cost of operations. The City's three-year contract that began on January 1, 2018 continues to be extended monthly while a new contract negotiations continue.

To help businesses cope with the economic impacts of COVID-19, the City offered a commercial rent/lease deferral program to qualified lessees through June 30, 2020. Under the program, businesses were allowed to apply for deferrals on rent payments due in April, May, and June. Deferred payments are required to be paid in equal installments over a 12-month period or over the months remaining on the existing lease, whichever is the lesser period, commencing July 1, 2020, along with the rent/lease payment, which is also due on those dates. The Gulf Coast Tennis Group applied for and received approval for the deferral. As of the date of this report, the remaining balance of the deferral totals \$13,021.

In total, revenues exceeded expenditures by \$7,707. When compared to FY 2021, revenues for this fiscal year are \$11,464 less than the prior year. This is due to the repayment of the rent deferrals collected in FY 2021. Budgeted revenue for the fiscal year and is on target to meet year-end projections. Expenditures for Roger Scott Tennis Center are not anticipated to exceed budget by fiscal year end.

The following is a comparison of the activity at Roger Scott Tennis Center between Fiscal Years 2021 and 2022.

	<u>2nd QTR FY 2021</u>	<u>2nd QTR FY 2022</u>	<u>DIFF</u>

**Community Maritime Park Management Services Fund:**

The Community Maritime Park (“Park”) Management Services Fund accounts for the receipts and expenditures thereof at the Community Maritime Park. Typical expenditures are related to utilities, special event services and maintenance of the park outside of the baseball stadium.

In total, operation expenditures exceeded revenues by \$348,908 (excluding Renewal & Replacement). Expenditures normally exceed revenues through the fourth quarter of the fiscal year when the majority of the revenues generated at the Community Maritime Park are received or accrued. When compared to FY 2021, revenues for this fiscal year are \$300,179 less than the prior year. This is mainly due to \$345,711 in parcel option payments received in FY 2021. Expenditures for Community maritime Park are not anticipated to exceed budget by fiscal year end.

There have been limited activities at the park recently, however Baseball and college Football resumed during FY 2021. These large event activities at the Park help generate parking revenues that have been absent during the beginning of the pandemic. Additional activities are expected to resume at the park during the remainder of the fiscal year.

### **Local Option Sales Tax Fund:**

The Local Option Sales Tax (“LOST”) Fund accounts for the receipts of the local infrastructure surtax revenues and expenditures related to the purchase of capital equipment and construction of various infrastructure improvements including debt service on bonds issued such capital expenditures.

On November 4, 2014, voters approved a 10-year extension of the local infrastructure sales surtax. This extension allows for the continued collection of the surtax beginning January 1, 2018 through December 31, 2028 and is commonly referred to as LOST IV. In anticipation of future collections, the City issued its \$25 million Infrastructure Sales Surtax Revenue Bonds, Series 2017 (the “2017 Bonds”) in order to fund projects identified in the LOST IV Plan. As of the end of FY 2021, all bond proceeds have been expended and a portion of the annual Infrastructure Sales Surtax is used to pay principal and interest on the 2017 Bond. The 2017 Bond matures on October 1, 2028.

Since some of the larger LOST IV projects are funded with revenues received in subsequent fiscal years, it is anticipated that a draw upon the City’s pooled cash to cover cash shortfalls in the fund will occur. This is projected to be necessary through the end of the life of the LOST IV Series. The timing of the projects may also result in a negative fund balance until such time all LOST IV revenues have been collected.

Revenues exceeded budget by \$1,190,032 or 32.19% and is on target to meet year-end projections. As anticipated, Sales Tax revenues have picked back up as the COVID-19 Pandemic subsides. Over the life of the LOST IV Series total revenue should equal the total estimated revenue. Expenditures for LOST Fund are not anticipated to exceed budget by fiscal year end.

### **Stormwater Capital Projects Fund:**

The Stormwater Capital Projects Fund accounts for the construction of various stormwater improvements and is funded by a transfer from the City’s General Fund. On May 27, 2021 City Council adopted Resolution No. 2021-32 amending the City’s Financial Planning and Administrative Policy that provides greater flexibility allowing Stormwater Capital purchases to be paid for outside the Stormwater Capital Project Fund and set the General Fund transfer amount to the Stormwater Capital Fund at \$2,735,000 for future years.

The \$2,209,706 transfer from the General Fund to the Stormwater Capital Projects Fund will continue to equal the revenue fee collection in the Stormwater Utility Fund until the \$2,735,000 required annual transfer amount is met. Expenditures for Stormwater Capital Fund are not anticipated to exceed budget by fiscal year end.

### **Gas Utility Fund:**

The Gas Utility Fund accounts for the City-owned natural gas service, Pensacola Energy ("PE"). PE's rate structure includes an annual inflation adjustment component based on the Consumer Price Index (CPI) providing funding needed for operations and capital requirements to maintain the natural gas system. However, due to the economic impacts of COVID-19, no increase based on CPI was included for FY 2022. In addition, Pensacola Energy utilizes recovery mechanisms for Weather Normalization Adjustment (WNA), Purchase Gas Adjustment (PGA) and an Infrastructure Cost Recovery Adjustment. The WNA and PGA are built into the user fees. The Infrastructure Cost Recovery Adjustment is charged to recoup infrastructure replacement expenses that were made in the prior fiscal year and \$800,529 has been received as of the date of this report.

Appropriated fund balance and operating revenue exceeded gas operating expenses and encumbrances (including total City sponsored pension costs) by \$2.4 million for the second quarter. When compared to FY 2021, revenues for this fiscal year are \$2.9 million more than the prior year which is mainly due to an increase gas cost. Since gas cost is passed on to the consumer through the PGA, changes in gas cost directly affect revenues. Expenditures for Gas Utility Fund are not anticipated to exceed budget by fiscal year end.

### **Sanitation Fund:**

The Sanitation Fund accounts for solid waste disposal services provided to City residents. Sanitation's rate structure includes an annual inflation adjustment component based on the Consumer Price Index (CPI) providing funding needed for operations. For the fiscal year 2022, the CPI increase of 1.5% for fiscal year 2021 and 2.6% for fiscal year 2022 was approved. In addition, Sanitation rates allow for a sanitation equipment surcharge which provides much needed funding to replace extremely old and unrepairable Sanitation equipment and vehicles. Federal CNG rebates as well as advertising revenue is also dedicated for equipment and vehicle replacement. Sanitation is currently conducting a rate study to update the 2016 Solid Waste Rate Study through Geosyntech Consultants.

In total, appropriated fund balance and operating revenue exceeded operating expenses and encumbrances (including total City sponsored pension costs) by \$1.5 million for the second quarter. This is mainly due to the drawdown of fund balance to purchase capital equipment which was put on hold until the 2022 rate study was completed. When compared to FY 2021, revenues for this fiscal year are \$775,031 more than the prior year which is mainly due to a \$553,626 CNG rebate the department received and the CPI increases made to the rates and charges schedules. Expenditures for Sanitation Fund are not anticipated to exceed budget by fiscal year end.

### **Port Fund:**

The Port Fund accounts for the City-owned Port Facility. Revenues are based on tenant lease obligations and normal recurring cargo. In recent years, the Port has been supporting the expansion of offshore service industry which fluctuate base on market demand.

In total, appropriated fund balance and operating revenue exceeded operating expenses and encumbrances (including total City sponsored pension costs) by \$345,305. This amount includes the \$121,594 reduction in operating cost as a result of funds received from the Port's CARES Act Grant. When compared to FY 2021, revenues for this fiscal year are \$270,272 less than the prior year which is mainly due to a decrease in storage as it relates use by Pate Stevedore Company, Inc. Due to this decrease in storage revenues, both revenues and expenses continue to be closely monitored at the Port. Expenditures for Port Fund are not anticipated to exceed budget by fiscal year end.

### **Airport Fund:**

The Airport Fund accounts for the City-owned Airport Facility, Pensacola International Airport. The Airport's agreement with the airlines provides for the airlines to fund any shortfall, excluding incentives, should they occur. City Council has approved new airline agreements establishing the business strategy and rate making formula for the Pensacola International Airport. These five-year agreements use an industry-standard structure to allow the Airport to continue to maintain full financial self-sufficiency with no reliance on the City's General Fund.

When comparing December FY 2021 to FY 2022, passenger traffic at Pensacola International Airport has increased by 41.79%. For the three months that comprised the second quarter of FY 2022, the number of passengers increased by 67.52% over the same period in FY 2021. The increase is due the recovery from COVID-19 Pandemic.

In total, appropriated fund balance and operating revenue exceeded operating expenses and encumbrances (including total City sponsored pension costs) by \$11.1 million. This amount includes the \$900,013 reduction in operating cost as a result of funds received from the Airport's CARES Act Grant. When compared to FY 2021, revenues for this fiscal year are \$4.8 million more than prior year which is mainly due to a rebound in passenger traffic from the COVID-19 pandemic. Of the total revenues, Airline revenues were up \$1.7 million and non-airline revenues were up \$3.1 million. The increase in Airline revenues is mainly attributed to airline rentals, baggage handling system, loading bridge fees, apron area rentals, and cargo landing fees. The bulk of the non-airline revenue increase is from Parking Lot Revenues, CFC Rental Car Service Facility, Airport & 12<sup>th</sup> Property. Expenditures for Airport Fund are not anticipated to exceed budget by fiscal year end.

**Insurance Retention Fund / Central Services Fund:**

These funds are categorized as internal service funds. They provide services to the City's other operating funds. Revenues and expenses in these funds were consistent with budgeted levels.

**Investment Schedule / Debt Service Schedule:**

Also provided for information is a listing of City investments and a listing of the City's various debt issues.

The weighted interest rates received on investments during the second quarter of the last three fiscal years are as follows:

	<u>FY 2022</u>	<u>FY 2021</u>	<u>FY 2020</u>
January	0.16%	0.34%	1.69%
February	0.11%	0.33%	1.27%
March	0.11%	0.24%	1.46%

**Legal Costs Schedule:**

A schedule of legal costs paid to attorneys and/or firms who have provided services to the City has also been included in the quarterly report. This schedule lists the payee, the amount paid and the nature of the services provided to the City.

**Contracts/Expenditures Over \$25,000:**

A schedule of contracts and expenditures over \$25,000 approved by the Mayor have been included for the months of October, November, and December.

**Tree Planting Trust Fund:**

The Tree Planting Trust Fund Schedule in this financial report provides the revenues received through the second quarter of FY 2022 along with the address of the property, the district the property is within, the amount received and the reason for the removal of the tree.
