Upon release of all or any part of the Premises or upon termination or expiration of this Lease, all fixed improvements, including both physical structures and modifications of the Premises, shall become the property of City, unless the City, in the City's sole discretion, determines that best use for the Premises would include removal of the fixed improvements and in such case the Commission shall remove the fixed improvements at the Commission's sole cost and expense within six (6) months. Unless otherwise agreed to by the Commission and the City, removable equipment and removable improvements placed on Premises by Commission, which do not become a permanent part of the Premises will remain the property of Commission to be removed by Commission at the Commission's sole expense upon termination of this Lease, unless the City, in the City's sole discretion, determines that the best use for the Premises would include continuing similar operations that necessitate use of the removable equipment and removable improvements and in such case the Commission shall forfeit the removable equipment and removable improvements to the City at no cost and such shall be deemed as owned by the City.

Section 13. No Assignment. Commission shall not assign or otherwise transfer any of the rights or obligations under this Lease, assign or otherwise transfer any interest in or to the Premises or any improvement located thereon, without prior written consent of the City.

from any of Commission's obligations or responsibilities under this Lease.

Section 15. Net Lease. Notwithstanding anything contained herein to the contrary, the parties agree that this Lease shall be construed as a "net lease" whereby the Commission shall be solely responsible for any expense or cost relating to the Premises, this Lease, or the Commission's use of the Premises during the Term of this Lease, including, without limitation: insurance; utilities; repairs, replacement and maintenance; and security requirements.

have thirty (30) days following receipt of such written notice to correct the Event of Default. If said Default remains and/or is not corrected within this time period, the City may then, at its sole and absolute discretion, avail itself of any remedy provided by law and/or equity, including without limitation, any one or more of the following remedies:

Section 20. Performance Schedule. Time is of the essence of this Lease, and in case the Commission shall fail to perform the covenants on its part to be performed at the time fixed for the performance of such respective covenants by the provisions of this Lease, City may declare Tenant to be in default of such Lease and immediately terminate the Lease. Barring any unforeseen delays due to site conditions or Force Majeure as defined in Section 36 below, Commission shall commence construction of the Center, the public waterfront access and public recreation facilities no later than three (3) years following the execution date of this Lease.
