

Ayuntamiento de Borobia

Attn:
Mr. Ashton Hayward
Mayor of Pensacola
Florida
United States of America

Dear Sir,

I am meeting with Mr. Álvaro de Marichalar y Sáenz de Tejada and talking about the possibility of establishing relations between Pensacola and Borobia in the province of Soria, where Don Tristán de Luna y Arellano was born. A personage of the history that unites to our two towns, and of which he is direct descendant.

Relations could be based in several fields such as Education; History; Archeology; Tourism; Agriculture; Business and Astrology (we have one of the few Astronomical Observatories dedicated to divulgation in Spain)

Twinning our towns could be a great way to start. Don Tristán de Luna y Arellano was born in his Family's castle of Borobia back in 1510. He was son of Carlos de Luna y Arellano, Marshal of Castile, Knight of Ciria and Borobia, and inherited from him the Knighthood of Ciria and Borobia, two old villas in Castile next to the Aragon border, and near the Moncayo mountain.

I would be delighted to meet with you whenever possible in order to further talk about this Initiative and the projects that we can develop together

In the meantime, you are most welcome to come and visit our town at your best convenience.

Thank you very much for your time.

Yours sincerely,

José Javier Gómez Pardo
Alcalde Ayuntamiento de Borobia
Soria, Castilla y León
Kingdom of Spain
