Subject: Agenda Item #12 -- Historic Building Demolition Review

Council President Spencer and Members of City Council,

I have received some questions about the number of properties that would be impacted by the proposed change to Section 12-2-5 of the Land Development Code that has been placed on the January 12 council meeting agenda.

As proposed, any building built prior to 1940 would be subject to review by the Planning Board. The number of such buildings, broken down by council district, is provided in the table below:

Council District	Structures prior to 1940 not in a special review district
District 1	3
District 2	26
District 3	17
District 4	870
District 5	1102
District 6	1761
District 7	1558

Respectfully,

Eric Olson
