MEMORANDUM

TO: Planning Board Members
FROM: Cynthia R. Cannon, AICP, Assistant Planning Services Administrator 
DATE: September 27, 2019
SUBJECT: Request for Zoning Map and Future Land Use Map Amendment
 14 W. Jordan Street

Millwood Terrace, Inc. is requesting a Zoning Map and Future Land Use Map (FLUM) Amendment for the property located at 14 W. Jordan Street and identified by parcel number 00-05-00-9010-001-124. The property currently has split zoning with C-2 on the southeastern portion and R-2 on the western portion; the Future Land Use Map (FLUM) is consistent with Commercial and Office designations. The applicants are proposing to amend the zoning district to C-1 Commercial zoning district and the FLUM to Commercial.

Existing Zoning	Proposed Zoning	Existing FLUM	Proposed FLUM	Lot Size
R-2 & C-2	C-1	Office & Commercial	Commercial	1.69 acres

- R-2 (existing) provides a mixture housing types and office uses, in some cases the R-2 district is also intended as a transition area between commercial and residential uses.
- C-1 (*PROPOSED*) is intended to provide a transitional buffer between mixed-use neighborhood commercial areas and more intense commercial zoning.
- C-2 (existing) is intended to provide for major commercial areas intended primarily for retail sales and service establishments oriented to a general community and/or market.

Although the C-1 zoning district currently does not lie within the immediate area, the proposed district will appropriately serve as a transition area between the more-intensive C-2 zoning abutting the subject property to the east and the more-restrictive R-1AAA zoning district directly across N. Baylen Street to the west. Additionally, it will serve as a transition to the properties located directly to the south across W. Jordan and north across W. Maxwell Streets which are located within the R-2 zoning district.

This request has been routed through the various City departments and utility providers. Those comments are attached for your review.
