Member Bruni inquired regarding the status of the Neighborhood Challenge Grant that was submitted by the Scenic Heights Neighborhood Association last year. Interim Director, Byrd responded that the Neighborhood Grants are handled through the Neighborhood Services Department with Kelsey Powell as the contact person. Interim Director, Byrd shared that she had met with Ms. Brittany Ellers to make recommendations to her for the proposed park project regarding the budget and the durability of the proposed amenities.

Chairperson Hicks invited Deputy City Administrator, Miller to offer her insights to the board regarding Neighborhood Grants. Deputy City Administrator, Miller stated the Neighborhood Challenge Grant is a cumbersome process and administration is working on updating and

simplifying the process to have clarity of who reviews the application, who approves, and how it is awarded and the timeline of awarding the grant. Deputy City Administrator, Miller added she will be following up on the application to see that the grant moves along as expeditiously as possible. Some staffing changes will take place first of the new fiscal year and Neighborhood Services will be absorbed into Economic Development Department so Kelsey Powell will be reporting to Director Erica Grancagnolo.
