

PROPOSED  
ORDINANCE NO. 42-22

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE  
TO BE ENTITLED:

AN ORDINANCE AMENDING SECTION 12-6-4 (4) OF THE CODE OF THE CITY OF PENSACOLA, FLORIDA, LANDSCAPE AND TREE PROTECTION PLAN; PROVIDING FOR A THIRTY **TWENTY-ONE** DAY POSTING REQUIREMENT PRIOR TO ISSUANCE OF PERMIT; PROVIDING FOR SEVERABILITY; REPEALING CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY OF PENSACOLA, FLORIDA:

SECTION 1. Section 12-6-4 of the Code of the City of Pensacola, Florida, is hereby amended to read as follows:

Sec. 12-6-4. Landscape and tree protection plan.

A landscape and tree protection plan shall be required as a condition of obtaining any building permit or site work permit for multi-family residential, commercial and industrial development as specified in section 12-6-3. The plan shall be submitted to the inspection services department and reviewed by the city's designated arborist. A fee shall be charged for services rendered in the review of the required plan (see chapter 7-10 of this Code).

No building permit or site work permit shall be issued until a landscape and tree protection plan has been submitted and approved. Clearing and grubbing is only permitted after a site has received development plan approval and appropriate permits have been issued. The city's designated arborist may authorize minimal clearing to facilitate surveying and similar site preparation work prior to the issuance of permits. No certificate of occupancy shall be issued until the city's designated arborist has determined after final inspection that required site improvements have been installed according to the approved landscape and tree protection plan. In lieu of the immediate installation of the landscaping material and trees, the city may require a performance bond or other security in an amount equal to the cost of the required improvements in lieu of withholding a certificate of occupancy, and may further require that improvements be satisfactorily installed within a specified length of time.

- (1) *Contents of landscape and tree protection plan.* The landscape and tree protection plan shall be drawn to scale by a landscape architect, architect or civil engineer licensed by the State of Florida, and shall include the following information unless alternative procedures are approved per section 12-6-8 or 12-6-9:

- a. Location, size and species of all trees and shrubs to be planted.
  - b. Location of proposed structures, driveways, parking areas, required perimeter and interior landscaped areas, and other improvements to be constructed or installed.
  - c. Location of irrigation system to be provided. All planted areas shall have an underground irrigation system designed to provide one hundred-percent coverage.
  - d. Landscape and tree protection techniques proposed to prevent damage to vegetation, during construction and after construction has been completed.
  - e. Location of all protected trees noting species and DBH.
  - f. Identification of protected trees to be preserved, protected trees to be removed, including dead trees, and trees to be replanted on site.
  - g. Proposed grade changes which might adversely affect or endanger protected trees with specifications on how to maintain trees.
  - h. Certification that the landscape architect, architect or civil engineer submitting the landscape and tree protection plan has read and is familiar with chapter 12-6 of the Code of the City of Pensacola, Florida, pertaining to tree and landscape regulation.
- (2) *Installation period.* All landscape materials and trees depicted on the approved landscape plan shall be installed prior to the issuance of the certificate of occupancy.
- (3) *Quality.* All plant materials used shall conform to the standards for Florida No. 1 or better as given in "Grades and Standards for Nursery Plants", current edition, State of Florida, Department of Agriculture and Consumer Services, Division of Plant Industry, Tallahassee, Florida, a copy of which shall be maintained for public inspection in the department of leisure services.
- (4) *Notice.* If removal is sought for one or more heritage trees or for more than ten protected trees (including heritage trees sought to be removed) and/or if removal of more than 50 of existing protected trees is sought within any property in any zoning district identified in section 12-6-2, a sign shall be posted no further back than four feet from the property line nearest each respective roadway adjacent to the property. One sign shall be posted for every 100 feet of roadway frontage. Each sign shall be of black lettering on a white background and contain two horizontal lines of legible and easily discernible type. The top line shall state: "Tree Removal Permit Applied For." The bottom line shall state: "For Further Information Contact the City of Pensacola at 311" (or other number as designated by the Mayor). The top line shall be in legible type no smaller than six inches in height. The bottom line shall be in legible type no smaller than three inches in height. There shall be a margin of at least three inches between all lettering and the edge of the sign. Prior to the final approval of any landscape or tree protection plan where a protected species and/or heritage tree removal is requested and prior to the requisite building, site work, or tree removal permit being issued, ~~the~~ requisite signs shall be posted by the applicant at their expense, and shall remain continuously posted for ~~two weeks~~ thirty (30) twenty-

one (21) days prior to the requisite building, site work, or tree removal permit is issued. At such time a tree or landscape plan has been deemed compliant by the designated city arborist, the city's designated arborist will notify the councilperson representing the district in which the permit has been requested, upon receipt of the request. which will initiate the thirty (30) day sign requirement.

*Exception:* This provision does not include any tree located on a currently occupied, residential property so long as the city's designated arborist has determined the tree meets the qualifications as a diseased or weakened tree as specified in section 12-6-6(2)b.5., or, in the alternative, documentation of danger to person or property has been submitted to the city's designated arborist in advance of removal. For purposes of this provision, "documentation" means a completed two-page Tree Risk Assessment Form, which should be completed according to the standards found within Best Management Practices: Tree Risk Assessment, Second Edition, by E. Thomas Smiley, Nelda Matheny, and Sharon Lilly, and distributed by the International Society of Arboriculture Society; further, consistent with ISA standards and tree risk assessment, a tree or tree part is a "danger" when two conditions exist: 1) the failure of the tree part or of the tree is imminent or impact is likely, and 2) the consequences of that failure are high or extreme.

SECTION 2. If any word, phrase, clause, paragraph, section or provision of this ordinance or the application thereof to any person or circumstance is held invalid or unconstitutional, such finding shall not affect the other provision or applications of the ordinance which can be given effect without the invalid or unconstitutional provisions or application, and to this end the provisions of this ordinance are declared severable.

SECTION 3. All ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflict.

SECTION 4. This ordinance shall take effect on the fifth business day after adoption, unless otherwise provided, pursuant to Section 4.03(d) of the City Charter of the City of Pensacola.
