City of Pensacola, Florida / Plaza de Luna
Berth Application (Berth 13-14-15-16)

The vessel agent for any vessel shall file a berth application request form with the Community Redevelopment Agency (CRA) of the City of Pensacola at least ten (10) business days prior to the arrival of the vessel. **No cargo, hazardous materials, or international cruise operations are permitted at Berths 13-16.**

In requesting application for berth, the vessel agent or owner assumes responsibility for all charges assessable against the vessel and any additional charges resulting from services from the terminals where the vessel is either working or at lay berth.

In making application for berth, the vessel agent indicates a desire to use City facilities under the jurisdiction of the City of Pensacola. Berth application request shall constitute consent to all the terms and conditions of any and all applicable tariffs to include payment of damages to the City's property caused by the owner, its agent, and employees.

Chapter 376.071, Florida Statute provides that any vessel operating in state waters with a storage capacity to carry 10,000 gallons or more of pollutants as fuel and cargo shall maintain an adequate written ship-specific Spill Prevention and Control Contingency Plan. Violators are subject to fine as administered by the State of Florida.
