ARTICLE 10. CONSTRUCTION BY THE COMPANY

Section 10.01 **GENERAL REQUIREMENTS**

The Company shall not construct, alter, remodel, renovate, remove, or demolish improvements on the Leased Premises without the prior written approval of the City, which approval shall not be unreasonably withheld, delayed, or conditioned.

In the event that the Company desires to construct, alter, remodel, renovate, remove, or demolish any improvements on the Leased Premises, it shall submit to the Port Director plans and specifications and a construction time schedule for such work prepared by Florida-registered architects and engineers, such other information and documents as may be required by the Port Director, all of which shall be in sufficient detail for the Port Director, to determine, whether or not the proposed work is consistent with the Company's use of the Leased Premises as defined in Section 4.01 but in any event the approval of proposed construction, remodel, renovation, removal or any other improvements for the Company business shall not be unreasonably withheld, delayed or conditioned, provided the proposed work is deemed to be consistent with Section 4.01 of this Lease. Upon pre-approval of reasonable estimated expenses as further described below, the Company will reimburse the City upon demand for the out of pocket expenses incurred by the City to review and act upon the Company's request, which expenses may include without limitation the fees and expenses of architects, engineers, attorneys and other professionals. Prior to engaging professionals or incurring other expenses, the City shall provide an estimate of those costs to the Company, and should the Company wish to continue its request, then the Company must approve of the expenses estimated to be incurred prior to incurring any responsibility for costs. The Port Director, acting on behalf of the City, shall have a total of thirty (30) days to provide written approval or disapproval of such work.

The Company shall not commence any such work unless and until the City, through the Port Director, has given its written approval of such work, and the Company has provided to the Port Director any payments, bonds and/or securities as required herein below.

Company shall be solely responsible for payment of all hard and soft costs of such work, and, prior to commencement of any work on the Leased Premises Company shall provide City with reasonably satisfactory evidence of Company's ability to pay the costs of such work as and when due.

Further, prior to the commencement of any such work, the Company shall procure and provide to the Port Director any and all additional approvals of such work and/or the plans and specifications for such work required by any federal, state, water management district, county, or municipal government, or authority, agency, officer, department, or subdivision thereof, having jurisdiction with respect to such work, and shall obtain and provide to the Port Director any and all requisite development, building and construction licenses, orders, permits, and approvals. The Company shall be solely responsible for obtaining and paying the costs of obtaining all required licenses, orders, permits, and approvals for such work.

All such work shall substantially conform to the plans and specifications, construction timetable and other documentations submitted to the City by the Company; all conditions and requirements

imposed by the City as a condition of its approval, including but not limited to applicable federal, state, and local laws, codes, ordinances, rules, and regulations, including but not limited to the Rules and Regulations and the federal Americans with Disabilities Act and regulations thereunder. In no event shall the approval of the City required by this Article be deemed to be any acknowledgement by the City that such work or any plans, specifications, or other information or documentation submitted to the City complies or will comply with applicable laws, codes, ordinances, rules, and regulations, including but not limited to those of the City of Pensacola, and shall not relieve Company from obtaining all required governmental authorizations, permits and approvals, including but not limited to authorizations, permits and approvals required by the ordinances, codes, rules and regulations of the City of Pensacola, all of which shall be obtained prior to the commencement of such work. Further, the City, by giving its approval of such work, assumes no liability or responsibility therefor or for any defects in such plans and specifications or for any defects in any of such work.

Upon the commencement of any work permitted under this Article, Company shall thereafter diligently and continuously prosecute such work to completion within a reasonable time. Company shall cause all work on the Leased Premises to be performed and constructed by appropriately licensed contractors, with high quality, new materials, in a good and workmanlike manner, and pursuant to valid building permits. All improvements (expressly excluding, however, movable office furniture and trade fixtures, and trade equipment) installed or constructed on the Leased Premises by the Company shall be deemed to be the sole property of the Company during the Lease Term. Unless otherwise agreed by the Parties, all improvements shall remain upon and be surrendered with the Leased Premises upon the expiration or termination of the Lease Term. Company shall indemnify, defend and hold the City free and harmless from and against any and all liabilities, claims, demands, lawsuits, administrative proceedings, loss, and damages or any kind, including but not limited to attorneys' fees and costs, arising out of any work done or material supplied to the Leased Premises by or at the request of Company.

Prior to commencement of any work on the Leased Premises for a total cost (both hard and soft costs, as estimated by the City) in excess of Seventy-Five Thousand Dollars (\$75,000.00), Company shall provide to the City payment bonds obtained by each general or sub-contractor of Company ensuring performance of that general contractor's obligations under the construction contract between that general contractor and the Company and payment of that contractor's subcontractors and suppliers with respect to the construction, alteration, removal or demolition of any improvements. Each of the bonds must (i) be issued by a Qualified Surety (hereinafter defined), (ii) be in form and substance satisfactory to the City, (iii) run in favor of the City, (iv) be in the amount of the total cost of constructing, altering, removing or demolishing, as the case may be, the improvements as approved by the City, as such cost is stipulated in the construction contract between the Company and its general contractor, and (v) conform to the provisions of Section 255.05, Florida Statutes, whether or not such statute applies to such work, and any other statutory requirements. A "Qualified Surety" is a corporate surety or insurer authorized to do business, and to issue bonds for construction payment and performance, in the State of Florida and possessing a rating of A/VIII or better in A.M. Best's Insurance Reports.

Upon completion of all renovations, construction, alterations, or improvements on the Leased Premises, the Company shall provide to the Port Director an accurate and complete conformed set of "as built" plans and specifications, certified by the appropriate contractor(s) and design professional(s), and a copy of the government-issued Certificate of Occupancy, if required for such work.

Section 10.02 CONSTRUCTION REQUIREMENTS

Immediately upon receipt of all approvals by the City required by this Lease and all permits and approvals required by all federal, state, and local governmental units and agencies having jurisdiction, the Company shall proceed with construction of said improvements. Work shall not be performed on days or at times other than those approved in writing by the Port Director.

The Company shall construct all improvements and additions to the Leased Premises at its own expense. Although the City has the right to review proposed improvement plans, and not approve the plans if the plans are inconsistent with the Company's use of the Leased Premises, and construction quality and design control within the norms of the proposed construction or improvements, pursuant to the standards set forth above, if the City does approve the improvement plans, and the Company thereafter constructs the improvements, the improvements shall be commissioned and constructed at the Company's sole initiative and behest, and nothing herein shall be construed as an authorization by City to the Company to construct the improvements, or as an agreement by City to be responsible for paying for the improvements, and neither the Leased Premises, including those structural improvements constructed in compliance with Section 4.01 herein, nor the City's interest in said Leased Premises, shall be subjected to any construction lien for any improvements constructed by the Company hereunder.

Should the Company construct improvements, alterations, or additions without fulfilling its obligations hereunder, the Company shall remove said improvements, alterations, or additions if so directed by the City, and shall do so at its own expense and within the time limits specified.

The City shall, at any period during construction of the Company's improvements, alterations, or additions, have the right, but not the obligation, to inspect any or all construction work, workmanship, material and installation involved in, or incidental to, the construction or installation of the improvements, alterations, or additions, for conformance with the applicable standards set forth in this Lease and within normally acceptable industry practices, provided that such inspection shall not include internal work that is exclusively of an operations (non-structural) nature, and provided further that no such inspections shall be deemed to constitute consent to or approval of any such work.

Immediately upon completion of any improvements, alterations, or additions, the Company shall submit to the City a detailed, certified statement from the construction contractor(s), architect(s), and engineer(s) specifying the total construction costs, both hard costs such as building contractor and material costs and soft costs such as architect fees, financing costs, bond costs, letter of credit fees, attorney fees to review and negotiate construction contracts and resolution of construction issues and for loan closing, and design and closing costs, but excluding debt service.

END OF ARTICLE

ARTICLE 11. LIENS PROHIBITED

Notwithstanding any other provision of this Lease, the City's fee simple estate and interest in the Leased Premises shall not be subject to any lien, statutory or otherwise, by reason of any improvements constructed or altered upon, removed from, or demolished on the Leased Premises or work, labor, services or materials performed upon or supplied to the Leased Premises, by or upon the order or request of the Company or its agents, employees or contractors, or any permitted sublessee of the Company, or anyone acting by, through or under the Company. All persons performing labor or service or furnishing materials to the Leased Premises on the order of the Company must look solely to the Company for payment. If the City notifies Company in writing that such a lien has been filed against the Leased Premises by Company or by any contractor or other entity performing work or providing services at the Leased Premises related to Company, then Company shall have the lien removed or bonded off and released of record at Company's sole cost and expense within thirty (30) days of Company's receipt of such written notice. The Company shall defend, indemnify and hold the City harmless from and against any such lien or claim or action thereon, together with costs of suit and reasonable attorneys' fees and costs incurred by the City in connection with any such lien, claim or action. In addition to complying with all requirements of Article 10 above, before commencing any work of any kind on or to the Leased Premises with a cost of \$75,000.00 or more, the Company shall give the City at least ten (10) business days' written notice of the proposed work and proposed commencement date in order to afford the City an opportunity to post appropriate notices of non-responsibility.

(g) Comply with the Port's Storm Water Pollution Prevention Plan and plan and take measures to prevent erosion;

The Company agrees to promptly install, without cost or expense to the City, any other device or devices for the handling and disposition of refuse and all manner of waste (liquid or otherwise) as may reasonably be required by the City or the Port Director.

Neither the City's inspection of the Leased Premises nor the City's failure to inspect the Leased Premises shall relieve the Company of any of its obligations under this Lease or applicable law.

Section 12.06 PERFORMANCE

In the event that the Company refuses or fails to undertake and complete any maintenance, repair or replacements within thirty (30) days after written notice from the Port Director or, in the event of exigent circumstances, such lesser time as the Port Director specifies in such written notice, then and in any such event the City shall have the right, but not the obligation, to perform such maintenance, repair or replacement on behalf of and for the Company. The costs of such maintenance, repair or replacement, plus ten percent (10.0%) for administration, shall be reimbursed by the Company to the City no later than 30 days following receipt by the Company of written demand from the City for same.

Throughout the Lease Term, the Company shall not render any utility lines inaccessible.

The City shall not be liable in any way to the Company for any failure or defect in the supply or character of electrical energy, internet service, cable service, gas, water, sewer, or other utility service furnished to the Leased Premises by reason of any requirement, act, or omission of the City in its capacity as a utility provider or of any public utility providing such service or for any other reason other than due to the City's gross negligence or willful misconduct with respect to the Leased Premises. The City shall have the right to shut down electrical and other utility services to the Leased Premises when necessitated by fire, safety or emergency exigencies, and in advancement of and consistent with the provisions of Section 12.07 herein above whether the need for such utility work arises with respect to the Leased Premises or any other facility at the Port. Whenever reasonable under the circumstances, the City shall give the Company not less than five (5) days' prior notice of any such utility shutdown. In no event shall the planned loss of utility services occur during normal manufacturing hours without the express knowledge and written consent of the Company. The City shall not be liable to the Company for any losses, including the loss of income or business interruption, resulting from any interruptions or failure in the supply of any utility to the Leased Premises whether said utility supply is controlled by the City or by a public utility provider.

ARTICLE 13. TITLE TO IMPROVEMENTS AND PERSONAL PROPERTY

Section 13.01 TITLE TO IMPROVEMENTS

Title to all permanent buildings, structures, pavement, and other improvements presently existing upon the Leased Premises or any part thereof is vested in the City. Improvements made upon the Leased Premises by the Company, except those structural improvements constructed in compliance with Section 4.01 herein, shall for financial purposes, be owned and claimed by the Company during the Lease Term.

Title to all permanent buildings, structures, pavement, and other improvements not considered to be trade fixtures or personal property of the Company constructed or installed on the Leased Premises by the Company during the Lease Term, shall become vested in the City immediately and automatically upon completion thereof, without notice to the Company or any action by the City.

Section 13.02 TITLE TO PERSONAL PROPERTY

Except as otherwise provided in this Section 13.02, all trade fixtures and equipment and other business personal property installed or placed by the Company at its sole expense, in the Leased Premises that can be removed without structural damage to the Leased Premises or any other City-owned property shall remain the property of the Company, subject, however, to the provisions of this Section 13.02, unless otherwise provided in subsequent agreements between the Company and the City. The Company shall have the right at any time during the Lease Term and prior to its expiration or earlier termination of this Lease to remove any and all of said property from the Leased Premises including, without limitation, the existing trailer, tool shed and conveyors. The Company shall promptly repair or pay for all damages, if any, resulting from such removal, Ordinary Wear and Tear excepted. All City property damaged by or as a result of removal of the Company's property by the Company shall promptly be restored at the Company's expense to substantially the same condition as it was prior to such damage, Ordinary Wear and Tear excepted.

Notwithstanding the foregoing but expressly subject to Section 3.04, above, any and all property not removed by the Company prior to the expiration of the Lease Term or the earlier termination of this Lease shall become a part of the land upon which it is located and title thereto shall automatically vest in the City with prior written notice to the Company within ten (10) days of suggested transfer of ownership. The City reserves the right to remove and dispose of any or all of such property not removed by the Company prior to the expiration of the Lease Term or earlier termination of this Lease, without any liability or obligation to the Company.

The provisions of this Section shall survive the expiration of the Lease Term or earlier termination of this Lease, as the case may be, and shall be fully enforceable by the City against the Company notwithstanding the termination of this Lease.

ARTICLE 14. ENVIRONMENTAL COMPLIANCE

Section 14.01 ENVIRONMENTAL LAWS

The Company shall, at all times, abide by all Environmental Laws applicable to, concerning, or arising from the Company's actions or inactions resulting directly or indirectly from its occupancy, use, or lease of the Leased Premises, including, without limitation, state and federal laws regulating storm water runoff contamination and pollution prevention, numeric nutrient criteria requirements, state and federal laws regulating soil, water, and groundwater quality, and state and federal laws regulating air quality. Prior to the beginning of any Lease Term, the Company shall identify in writing to the Port Director and its Fire Department all Hazardous Substances that are or may be used in the course of its occupation of the Leased Premises. The City acknowledges and agrees that the Company currently utilizes a 550-gallon skid mounted diesel tank on the Leased Premises and such tank is hereby deemed reported to the Port Director and its Fire Department pursuant to the previous sentence. This list shall be updated by Company in March of each year and include quantities of materials stored on the Leased Premises. Subject to any notice provisions contained in this Lease, the City shall have the right to inspect the Leased Premises at any reasonable time to ensure compliance with Environmental Laws and the provisions of this Article.

The City, acting through its Port Director, has the right to limit the amount of Hazardous Substances used and stored on the Leased Premises that are not reasonably used in the course of manufacturing for the authorized purposes herein.

The Company shall comply with the Port's Storm Water Pollution Prevention Plan and all amendments thereto irrespective of whether it has its own Storm Water Pollution Prevention Plan.

The Company shall not, directly or indirectly, allow the disposal or discharge of Hazardous Substances on the Leased Premises or other Port property, but in no way does this prohibit material to be properly stored in the Leased premises consistent with the proposed use of the premises and consistent with all applicable laws governing storage of same.

The Company shall be solely responsible for the payment of any and all fines, fees, penalties, assessments or citations issued as a result of the Company's failure to comply with applicable environmental laws whether such fine, fee, penalty, assessment or citation be issued to the Company directly or the City or Port as the property owner.

Section 14.02 ENVIRONMENTAL CONDITIONS

The City represents and warrants to its actual knowledge without independent investigation that:

- (i) it has not received any notice of violation of any environmental laws with respect to the Leased Premises or any property adjacent to the Leased Premises.
- (ii) it has not been a party to any actions, suits, proceedings or damage settlements related in any way to contamination in, upon, over or from the Leased Premises; and
- (iii) the Leased Premises is not listed in the United States Environmental Protection Agency's National Priorities List of Hazardous Waste Sites, CERCLIS, or any other list of hazardous sites maintained by any federal, state or local government agency.

Section 14.03 REMEDIATION OF ENVIRONMENTAL CONDITIONS

If, following the vacating, abandonment or surrender of the Leased Premises or any portion thereof by the Company, an assignee or a sublessee, the City has reason to believe any contamination of the Leased Premises occurred during the Lease Term, the City may at its own cost and expense undertake any environmental site assessment(s) need to verify the existence and extent of any such contamination. Should any contamination attributable to the activities of the Company, an assignee or a sublessee be confirmed, the responsible party shall be required to perform any and all assessments, remediation, and/or monitoring activities required by law at its sole cost and expense.

Section 14.04 ENVIRONMENTAL REPORTS

The Company promptly shall provide to the Port Director, on an ongoing basis and as updates are required, copies of all Company environmental permits and reports related to the Leased Premises, as well as any notices, orders, decrees, citations, or inspection reports issued by environmental regulatory authorities.

Section 14.05 SURVIVAL OF OBLIGATIONS

The obligations of this Article shall survive the expiration, termination, and full or partial assignment of this Lease, as well as the sublease of all or any portion of the Leased Premises.

Section 14.06 NPDES AND SWPPP

The Company shall comply with the requirements of the National Pollutant Discharge Elimination System (NPDES) program delegated by the United States Environmental Protection Agency (EPA) to the state of Florida and administered in part by the Florida Department of Environmental Protection (FDEP). The City and the Company are required to be covered by a Multi-Sector Generic Permit (MSGP) which is currently identified as “co-located permittees,” and the Company shall submit the required Notice of Intent (NOI) to FDEP and provide a copy of the NOI and related Storm Water Pollution Prevention Plans (SWPPP) to the City. The Port Administrative Office maintains copies of the most current SWPPP for tenants. All tenants and users (including the Company) are responsible for obtaining and maintaining a current copy of the SWPPP, as well as informing and familiarizing their employees, agents, contractors, and visitors of the SWPPP contents and their responsibilities thereunder. The City has control over the establishment and implementation of all policies relating to storm water associated with port docks and tenant areas, including the Leased Premises. All tenants and users (including the Company) shall comply with the most current SWPPP and with the most current Best Management Practices (BMPs) applicable to their facilities and operations contained in the document entitled “Port Pensacola BMPs for Potential Pollutant Sources,” copies of which are available from the Port Director.

ARTICLE 15. EVENTS OF DEFAULT; REMEDIES; TERMINATION

Section 15.01 COMPANY EVENTS OF DEFAULT

The occurrence of any one or more of the following events (each such event being referred to in this Lease as an “Event of Default”) shall constitute a material default and breach of this Lease by the Company:

- (a) The Company fails to make any monetary payment required to be made by the Company hereunder, as and when due, and such failure shall continue for a period of five (5) business days after written notice thereof by the City to the Company; or
- (b) The Company materially fails to observe, keep, or perform any of the material terms, covenants, agreements, and conditions of any of Articles 4, 6, 7, 10, or 19, and such failure shall continue for a period of fifteen (15) business days after written notice thereof by the City to the Company; or
- (c) The Company materially fails to observe or perform any material covenant, condition or provision of this Lease to be observed or performed by the Company, other than as described in subparagraph (a) or (b) above or subparagraphs (d), (e), (f), (g), or (h) below, and such failure shall continue for a period of thirty (30) days after written notice thereof by the City to the Company; provided, however, that if the nature of such failure is such that more than thirty (30) days are reasonably required for its remedy or cure, then such 30-day period shall be extended for up to thirty (30) additional days provided that the Company begins such remedy or cure within such 30-day period and thereafter diligently and continuously prosecutes such remedy or cure to completion within such additional 30-day period; or
- (d) The Company files a voluntary petition in bankruptcy or any petition or answer seeking or acquiescing in any reorganization, rehabilitation, arrangement, composition, readjustment, liquidation, dissolution or other relief under any present or future federal, state or other statute, law or regulation relating to bankruptcy, insolvency or other relief for debtors; or an order for relief is entered in an involuntary bankruptcy case filed against the Company; or the Company seeks or consents to or acquiesces in the appointment of any trustee, custodian, receiver or liquidator of itself or of all or any part of its assets or any interest therein; or the Company shall make a general assignment for the benefit of its creditors; or the Company commits any act providing grounds for the entry of an order for relief under any chapter of the federal bankruptcy code; or
- (e) A petition or case is filed against the Company seeking any reorganization, rehabilitation, arrangement, composition, readjustment, liquidation, dissolution or other relief under any present or future federal, state or other statute, law or regulation relating to bankruptcy, insolvency or other relief for debtors, or the appointment of any trustee, custodian, receiver or liquidator of the Company or of all or any part of its assets or any interest therein, and such petition, case or appointment is not dismissed within sixty (60) days after such filing or appointment; or

(f) The Company abandons all or any material part of the Company's business on the Leased Premises permitted under Article 4 above or ceases to conduct all or any material part of the Company's business at the Leased Premises permitted under Article 4 above for forty-five (45) days during any period of ninety (90) consecutive days provided that any such abandonment or cessation of conduct of business caused by an event of force majeure pursuant to Section 23.07 shall not be deemed to be a breach by Company hereunder; or

(g) The Company knowingly employs or contracts with or for work or services performed on or from the Leased Premises, any unauthorized alien as described by Section 274(e) of the Federal Immigration and Nationalization Act. Failure to comply with this paragraph (g) shall not constitute a material breach by the Company, provided the Company has undertaken reasonable efforts to ensure compliance with the Act through its practices and policies.

Section 15.02 REMEDIES.

Upon the occurrence of any Event of Default, the City may at any time thereafter, with or without notice or demand (except as expressly specified in Section 17.01 above or elsewhere in this Lease), and without limiting the City in the exercise of any right or remedy that the City may have by reason of such Event of Default:

(a) Terminate the Company's right to possession of the Leased Premises by any lawful means, in which case this Lease shall terminate and the Company shall surrender possession of the Leased Premises to the City within the provisions of the lease termination. In such event the City shall be entitled to recover from the Company all damages incurred by the City by reason of the Company's default, including but not limited to the cost of recovering possession of the Leased Premises; cost of repairs for any and all damages to the Leased Premises, Ordinary Wear and Tear excepted; cost of any repairs or improvements required to bring the Leased Premises up to code and obtain an Certificate of Occupancy, if said Leased Premises is left in an untenable state by the Company; and the worth at the time of award by the court having jurisdiction thereof of (i) the amount of unpaid Rent and other unpaid amounts under this Lease which had been earned at the time of termination, and (ii) the unpaid Rent and other amounts under this Lease which would have been earned after termination until the time of award. The worth at the time of award of the sums referred to in clauses (i) and (ii) above shall be computed by allowing interest from the due date at the greater of five percent (5%) per annum or the legal rate applicable to money judgments entered by the courts of the State of Florida provided that such rate shall not exceed eight percent (8%).

(b) Without terminating this Lease, enter and repossess the Leased Premises, remove the Company's property and signs therefrom, and re-let the same for such rent and upon such terms as shall be satisfactory to the City without such re-entry and repossession working a forfeiture of the Rent and other amounts to be paid and prior to the lease termination, the covenants to be performed by the Company during the remaining Lease Term. For the purpose of such re-letting, the City shall be entitled to make any repairs, changes, alterations or additions in or to the Leased Premises that may be necessary or convenient, and the City shall be entitled to recover from the Company the cost of repairs for any and all damages to the Leased Premises, Ordinary Wear and Tear excepted; and, cost of any repairs or improvements required to bring the

Leased Premises up to code and obtain an Certificate of Occupancy, if said Leased Premises is left in an untenable state by the Company.

(c) Maintain the Company's right to possession, in which case this Lease shall continue in effect whether or not the Company shall have abandoned the Leased Premises. In such event the City shall be entitled to enforce all of the City's rights and remedies under this Lease, including the right to recover Rent and other amounts as they become due hereunder.

(d) Pursue any other remedy now or hereafter available to the City at law or in equity under the laws or judicial decisions of the State of Florida, including without limitation any right or remedy available to a creditor under the Uniform Commercial Code.

Section 15.03 RIGHTS AND REMEDIES OF THE CITY CUMULATIVE

All rights and remedies of the City herein created or otherwise existing or arising at law or in equity by reason of any Event of Default are cumulative, and the exercise of one or more rights or remedies shall not operate to exclude or waive the right to the exercise of any other. All such rights and remedies may be exercised and enforced concurrently. Further, failure by the City to take any authorized action upon the occurrence of an Event of Default shall not be construed to be or act as a waiver of said Event of Default or of any subsequent Event of Default. The City's acceptance of Base Rent, Additional Rent or other amounts or payments by the Company for any period or periods after the occurrence of an Event of Default shall not be deemed a waiver of such Event of Default or a waiver of or estoppel to enforce any right or remedy on the part of the City arising or existing by reason of such Event of Default.

END OF ARTICLE

ARTICLE 16. HOLDING OVER

It is agreed and understood that any holding over by the Company, with the City's written consent, after the termination of this Lease, shall not serve to renew and extend same, but shall operate and be construed as a tenancy from month-to-month, subject to all terms and conditions of this Lease, including without limitation all Rent provisions.

Should the Company hold over without the City's written consent, the Company agrees to pay to the City, as monthly Rent during such period of holding over, for such Leased Premises for each month until the Company completely vacates the Leased Premises, one hundred fifty percent (150%) of the sum of Base Rent payable for the last month of the Lease Term, including without limitation applicable taxes, as well as all Additional Rent and other fees and charges required by this Lease or by City ordinance to be paid by the Company.

The Company shall be liable to the City for all loss or damage resulting from any holding over against the City's will after the termination of this Lease, whether such loss or damage may be contemplated at this time or not. It is expressly agreed that acceptance of the foregoing rental by the City, in the event that the Company fails or refuses to surrender possession, shall not serve to grant the Company any right to remain in possession beyond the period for which such amount has been paid nor shall it constitute a waiver by the City of its right to immediate possession thereafter.

END OF ARTICLE

ARTICLE 17. ASSIGNMENT AND SUBLEASE

Section 17.01 LEASE ASSIGNMENT

The Company shall not assign this Lease or the Company's interest in or to the Leased Premises, or any part thereof, without first having obtained the City's prior written consent which consent may be given or withheld in the City's sole and absolute discretion; provided, however, that this section is not intended to apply to or prevent the assignment of this Lease, in its entirety, to any corporation or other entity with which the Company may merge or to an Affiliate or Subsidiary. Should there be an internal assignment by the Company of the lease to an entity that has common ownership or is otherwise an Affiliate or Subsidiary or a transfer of the equity ownership of the Company to an Affiliate or Subsidiary, then no approval by the City is required, but the Company shall provide prompt written notice of any such assignment. Nothing in this provision shall impair the responsibilities of the Company to the City until the City provides any required approval of the assignment. Without limiting the foregoing, it is a precondition to City review and approval of a requested assignment of this Lease that there shall then exist no uncured Event of Default nor any event or state of facts which with notice or the lapse of time, or both, would constitute an Event of Default. Any transfer of more than fifty percent (50%) of the equity ownership of the Company other than to an Affiliate or Subsidiary, whether such transfer of equity ownership occurs pursuant to a single transaction or a series of related transactions, shall be deemed to be an assignment of this Lease for purposes of this Section 17.01.

In the event that the Company requests permission to assign this Lease in whole or in part, the request shall be submitted to the Port Director not less than thirty (30) days prior to the proposed effective date of the assignment requested, and shall be accompanied by a copy of the proposed assignment agreement(s) and of all agreement(s) collateral thereto, together with the following information and any other reasonable and pertinent information requested by the Port Director: the identity and contact information of the assignee, whether the requested assignment is a full or partial assignment of this Lease, the type of business to be conducted on the Leased Premises by the assignee, and reasonable financial history and financial information of the Assignee if the purpose of the Leased premises is to be different than the proposed usage in Section 2.01.

Section 17.02 LEASED PREMISES SUBLEASE

The Company shall not sublet the Leased Premises or any part thereof other than to an Affiliate or Subsidiary, regardless of the time period, without having first obtained the City's prior written consent, which consent shall not be unreasonably withheld. Without limiting the generality of the foregoing, it is a precondition to City review and approval of a proposed sublease of the Leased Premises that there shall then exist no uncured Event of Default nor any event or state of facts that with notice or the lapse of time, or both, would constitute an Event of Default.

In the event that the Company requests permission to sublet the Leased Premises in whole or in part, except to an Affiliate or Subsidiary, the request shall be submitted to the Port Director not less than sixty (60) days prior to the proposed effective date of the sublease requested, and shall be accompanied by a copy of the proposed sublease agreement(s) and of all agreement(s) collateral thereto, together with the following information and any other information requested by the Port Director: the identity and contact information of the sublessee, a description of the part of the Leased Premises to be subleased, a statement of the entire consideration to be

received by the Company by reason of such sublease (including but not limited to sublease rent and other fees and charges payable by the sublessee), the type of business to be conducted on subleased premises by the sublessee, and reasonable financial history and financial information of the sublessee.

For purposes of this Section 17.02 and Section 17.03 below, “sublease” and related terms shall include, without limitation, any sublease, license, or agreement, regardless of how denominated, that permits a third party to occupy or use all or any part of the Leased Premises other than those persons who use the Leased Premises in the ordinary course of Company’s business for the use permitted under Article 4 above.

Section 17.03 CONSUMMATION OF ASSIGNMENT OR SUBLEASE

The City’s consent for the assignment or sublease for which the City’s consent is required and for which such consent has been given shall be by written instrument, in a form reasonably satisfactory to the Port Director and the City Attorney, and shall be executed by the assignee or sublessee who shall agree, in writing, for the benefit of the City, to be bound by and to perform all the terms, covenants, and conditions of this Lease. Four (4) executed copies of such written instrument shall be delivered to the City. Failure either to obtain the City’s prior written consent or to comply with the provisions of this Lease shall serve to prevent any such transfer, assignment, or sublease from becoming effective and shall constitute an Event of Default by the Company.

The Company agrees and acknowledges that it shall remain fully and primarily liable for all obligations of lessee under this Lease, notwithstanding any full or partial assignment of this Lease or any sublease of all or any portion of the Leased Premises.

Notwithstanding Section 23.20, the City shall reasonably cooperate with the Company, to the greatest extent permitted by applicable law, in protecting any confidential information required to be provided to the City in connection with any of the foregoing consents.

END OF ARTICLE

ARTICLE 18. DAMAGE OR DESTRUCTION OF LEASED PREMISES; TAKING BY EMINENT DOMAIN

Section 18.01 LEASED PREMISES -- DAMAGE OR DESTRUCTION

If at any time during the Lease Term, the Leased Premises shall be so destroyed or so injured by fire or other casualty as to be unfit for full occupancy and use by the Company, and such destruction or injury could reasonably be repaired within one hundred eighty (180) days from the date of such destruction or injury, then the Company shall not be entitled to surrender possession of the Leased Premises; provided, however, that the Company's obligation to pay Rent shall be equitably reduced to the extent of the diminution in use to the Company resulting from such destruction or injury until full use and occupancy is restored to the Company. The Company shall repair the damage with all reasonable speed at least to the extent of the value and as nearly as possible to the character and quality of the building and improvements existing immediately prior to such occurrence, Ordinary Wear and Tear excepted.

If the Leased Premises shall be so destroyed or injured by fire or other casualty that such destruction or injury could not reasonably be repaired within one hundred eighty (180) days from the date of such destruction or injury, the Company shall have the option, upon written notice given to the City within thirty (30) days from the date of such destruction or injury, to terminate this Lease, and upon giving of such notice this Lease shall be terminated as of the date of such destruction or injury. In the event the Company elects not to terminate this Lease in accordance with the foregoing options, the Company's obligation to pay Rent shall be equitably reduced to the extent of the diminution in use to the Company resulting from such destruction or injury until full use and occupancy is restored to the Company and the Company shall repair the damage and restore or rebuild the building and improvements as promptly as reasonably possible after the one hundred eighty (180) day period.

Notwithstanding the foregoing provisions of this Article, in the event of damage or destruction, as aforesaid, such that fifty percent (50%) or more of the total floor area of the Facilities is rendered unfit for occupancy and use by the Company during the last three (3) years of the Lease Term, then either Party shall have the option, upon written notice given to the other Party within thirty (30) days from the date of such destruction or injury, to terminate this Lease, and upon the giving of such notice this Lease shall be terminated as of the date of such destruction or injury.

Section 18.02 TAKING BY EMINENT DOMAIN

In the event that the Leased Premises or any portion thereof shall be taken for public or quasi-public use or condemned under eminent domain, the Company shall be entitled to claim or have paid to the Company compensation, loss of business facilities or damages but nothing herein contained shall be construed to prevent the Company from asserting against the condemn or any separate claim for damages to the Company occurring by reason of said condemnation, including without limitation loss or damage to leasehold improvements, personal property, business, fixtures, goodwill, cost of removing fixtures or equipment or loss of future profits.

In the event of any such taking or condemnation referred to in the preceding paragraph, then if and when there is an actual taking, in whole or in part, of physical possession of the Leased Premises which shall render the Leased Premises unfit for the use and occupancy by the

Company substantially as used and occupied prior to such taking, the Company may terminate this Lease. The Leased Premises shall be deemed to be unfit for use by the Company if the area of the portion thereof remaining after such taking is less than sufficient to accommodate the operations carried on by the Company just prior to such taking. If the Company elects to terminate this Lease as provided above, it shall give written notice to the City within thirty (30) days after the later of (a) the entry of the final order of court authorizing the taking or appropriation or the date of settlement, as the case may be, or (b) the taking of physical possession by the condemner.

END OF ARTICLE

ARTICLE 19. FEDERAL, STATE, AND LOCAL REGULATIONS

Section 19.01 COMPLIANCE WITH RULES AND REGULATIONS

The Port Director is charged with administering the provisions of this Lease, and is authorized from time to time to promulgate and enforce such Rules and Regulations and policies as the Port Director deems necessary. All such Rules and Regulations and policies so promulgated shall not be inconsistent with any legally authorized rule or regulation of any federal or State of Florida agency, which is binding in law on the Company, as the same now are or may from time to time be amended or supplemented, nor inconsistent with the reasonable exercise by the Company of any right or privilege granted under this Lease shall be applicable in a non-discriminatory manner to all similarly situated parties.

The Company shall not, and the Company shall not suffer or knowingly permit any of its officers, representatives, agents, employees, guests, patrons, contractors, subcontractors, licensees, subtenants, invitees, or suppliers to, violate or to cause another person to violate any of the Rules and Regulations while engaged in activities related to this Lease.

Comply with and conform to all applicable current and future statutes and ordinances, and regulations promulgated thereunder, of all federal and State of Florida agencies of competent jurisdiction that apply to or affect, either directly or indirectly, the Company or the Company's operations and activities under this Lease. Without limiting the generality of the foregoing, the Company shall comply with the United States of America, United States Department of Homeland Security, United States Citizenship and Immigration Services E-Verify in order to implement the legal requirements of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, as amended, and with all applicable provisions of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101), as may be amended from time to time, and federal regulations promulgated thereunder that may be applicable as a result of activities conducted by the Company.

Subject to the prior written approval of the Port Director, make, at its own expense, all improvements, repairs, and alterations to the Leased Premises and all buildings and improvements thereon and to its equipment and personal property that are required to comply with or conform to any of such statutes, ordinances, or regulations. Notwithstanding the foregoing, if the cost of such improvements, repairs or alterations exceeds fifty percent (50%) of the remaining Base Rent in the Lease Term, the Company shall have the right to terminate this Lease on thirty (30) days written notice to the City.

Regarding the City, be and remain an independent contractor with respect to all installations, construction, and services performed by or on behalf of the Company hereunder.

Section 19.03 COMPLIANCE WITH ENVIRONMENTAL LAWS

At all times during the Lease Term, the Company shall not cause, permit or allow any Hazardous Substances to be placed, stored, dumped, dispensed, released, discharged deposited, used, transported or located on any portion of the Premises; provided, however, that quantities of such Hazardous Substances may be used or stored by Company on the Leased Premises in the ordinary course of business on the condition that such quantities and the use thereof are:

- (a) Identified in the Hazardous Substances listing described in Section 17.01,
- (b) Permitted by or are exempt from applicable governmental regulations, and
- (c) Are transported, stored and utilized in accordance with applicable governmental regulations and the best practices of the Company's industry.

To the extent caused by or resulting from the acts of the Company, its agents, servants, employees, or contractors, Company agrees that it shall, to the extent necessary to bring the Leased Premises into compliance with any and all applicable Environmental Laws regarding Hazardous Substances and clean-up thereof, investigate and promptly (but in any event within the time period permitted by applicable Environmental Laws) clean up Hazardous Substances found in, on, under, around, or within any portion of the Leased Premises and, with respect to such matters as described herein for which Company is responsible, to remediate the Leased Premises, and to pay for all reasonable clean-up and remediation costs at no cost to the City. All clean-up and remediation shall be performed to meet pre-existing conditions, and in no instance shall clean-up or remediation or related agreements with state or federal regulators include restrictions placed on the use of the Leased Premises or any part thereof.

Company shall perform Environmental Reporting required under this Section as described in Section 14.04.

Section 19.04 LICENSES AND PERMITS

The Company shall obtain in a timely manner and thereafter maintain in full force and effect during the Lease Term all licenses, permits and other approvals required by the federal, state, county, and municipal authorities in order to engage in the Company's business on the Leased Premises as permitted under Article 4 above, and consistent with Section 2.01.

END OF ARTICLE

ARTICLE 20. TAXES

Section 20.01 PAYMENT OF TAXES

The Company shall pay all taxes that may be levied upon, assessed, or charged the Company or its property located on the Port by the United States, the State of Florida or any of its political subdivisions, or Escambia County or the City, and shall obtain and pay for all licenses and permits required by law.

Section 20.02 REAL PROPERTY TAXES

The Company shall be responsible for all real property taxes applicable to the Leased Premises during the Lease Term. If any such taxes paid by the Company shall cover any period of time prior to or after the expiration of the Lease Term, the Company's share of such taxes shall be equitably prorated to cover only the period of time within the tax year during which this Lease shall be in effect, and the City shall reimburse the Company for any periods during with the Lease is not in effect. If the Company shall fail to pay any such taxes, the City shall have the right, but not the obligation, to pay the same, in which case the Company shall repay such amount to the City with the Company's next Base Rent installment, together with interest at the highest rate allowed by law.

Section 20.03 DEFINITION

As used herein the term "real property tax" shall mean all ad valorem and non-ad valorem taxes and assessments (including interest and penalties thereon) which are imposed against any legal or equitable interest of the City or the Company in the Leased Premises or any portion thereof by the City, Escambia County or the State of Florida or by any school, agricultural, lighting, fire, mosquito control, water, drainage or other improvement, benefits or tax district thereof, and which are collected by the Escambia County, Florida, Tax Collector, together with any tax imposed in substitution, partially or totally, of any tax previously included within the definition of "real property tax" and any additional tax the nature of which was previously included within the definition of "real property tax".

(c) Lender shall not be liable to the City as an assignee of this Lease unless and until such time as such Lender shall acquire the rights of Company hereunder through foreclosure or other appropriate proceedings in the nature thereof, or by deed-in-lieu, or as a result of any other action or remedy provided for by such mortgage, or which may otherwise be provided by law.

In the event that an Entrance Relocation results in the Company relocating its equipment and personal property (e.g., scales, trailers, conveyors, etc.), the City shall promptly reimburse the Company for the reasonable and actual cost thereof. Any reduction in the size of the Leased Premises due to an Entrance Relocation shall result in a pro-rata reduction in Base Rent and the CAIM expressly provided that neither Base Rent nor CAIM shall be increased due to an Entrance Relocation for any reason. The City will provide Company with reasonable prior written notice of any such activity and cooperate with Company in ensuring that the contemplated change meets the foregoing requirements.
