RE: Notice of Lawsuit Filed and Legal Advice Relating to November 9, 2017 Legislative Action
Item no. 17-00618

As has been previously reported, a lawsuit was filed in Circuit Court on November 3, 2017, styled *Daniel D. Lindemann and Gerald W. Holzworth v. The City of Pensacola, the City of Pensacola Community Redevelopment Agency and the Florida Fish and Wildlife Conservation Commission*.

At the agenda conference on November 6, 2017, Councilmember Wingate inquired if item # 17-00618 was related to item # 17-00615 which was pulled from the agenda due to the pending litigation. After my review of the subject item and due to the circumstances surrounding the litigation and the nature of item # 17-00618, it is my recommendation that this item is related to the items previously pulled from the agenda and I recommend that this item also be pulled from the agenda and no discussion take place regarding this item.

Should you have any questions concerning this matter, please feel free to contact me.
