Good Afternoon Ms. Myers,

I wanted to inform you of a tree removal request that pertains to a development in your district. The project is for a new car wash at 2660 Creighton Road and includes a demolition of an existing vacant building and parking lot. There are live oaks being removed from the existing site but the developer is retaining 58" of trees beyond the minimum 10% for a total of 93" retained. They are mitigating by paying \$10,000 into the tree fund. I will be glad to go over the plans with you if you want. .A screenshot of the removal table from the plans is attached.

The plans are approved but we will withhold the permit until the required signs are in place for 14 days. Please let me know if you have any questions.

Regards,
Jonathan
