Congratulations City of Pensacola!

Your application for the Florida Local Government Cybersecurity Grant administered by the Florida Digital Service has been granted. Based on the requests and information included in your application, the following capabilities will be offered:

Endpoint-Based Asset Discovery (Agent); Network-Based Asset Discovery (Agentless);
Security Operations Platform.

In addition to software access for the capabilities offered, the Florida Digital Service will provide the following:

- Incident response assistance when requested; and
- Training, technical assistance and support for the capabilities granted.

As the procurements for the capabilities are being finalized, Florida Digital Service needs your help to execute the Grant Agreement by **May 31, 2023**. Once complete, we will outline the specific capabilities or funds awarded, identify the solution provider(s), and set up technical meetings to determine an implementation schedule.

The Florida Digital Service remains committed to supporting you throughout this process as we deploy critical capabilities to mitigate cybersecurity threats to your local community. We look forward to working alongside you and your team.

Regards,

Florida's Local Government Cybersecurity Grant Team
