Purpose of vacation of city right of way/comments:

Provide privacy to our home and enable us to make
improvements to the property.

It is our intention to work with our neighbors to maintain
the 60 foot city right away that abuts this property to the
South for the neighborhood's enjoyment. A bench has been moved
to this location with the city approval and the hillside cleaned up to
open up the view.

I, the undersigned applicant, understand that submittal of this application does not entitle me to approval of this vacation request and that no refund of these fees will be made. I have reviewed a copy of the applicable regulations and understand that I must be present on the date of the Planning Board and City Council meeting.
