SUBJECT:

AWARD OF BID #18-027, PENSACOLA INTERNATIONAL AIRPORT - DOLLAR RENT A CAR PARKING LOT REHABILITATION PROJECT PHASE 2

RECOMMENDATION:

That City Council award Bid #18-027, Pensacola International Airport - Dollar Rent A Car Parking Lot Rehabilitation Project Phase 2 to J. Miller Construction, Inc., the lowest and most responsive bidder in the amount of \$190,592.60 for parking lot repairs as outlined in the bid specifications plus a 10% contingency of \$19,059.26 for a total amount of \$209,651.86. Further, that City Council authorize the Mayor to execute the contract and take all actions necessary to complete the project.

HEARING REQUIRED: No Hearing Required

SUMMARY:

The rental car service facilities at Pensacola International Airport were constructed in 2009. During design development, engineers noted that the area had once been used as a landfill, and therefore required the contractor during construction to remove buried debris and place suitable fill. In late 2013, Staff noted that a small portion of the paved parking area in one of the service facilities had sunk slightly. City Engineering designed a remedial action plan and repairs to the affected section of pavement were performed in early 2015.

In mid-2018, Staff noted deviations to another section of the paved parking area within the same service facility. City Engineering again prepared a remedial action plan to address the issue. Bids were solicited for the work. J. Miller Construction, Inc. was the lowest most responsive bidder.

PRIOR ACTION:

April 29, 2015 - A contract was awarded to Site & Utility LLC for Pensacola International Airport - Dollar Rent A Car Parking Lot Remediation Project.

FUNDING:

Budget: \$210,000.00

Actual: \$209,651.86

FINANCIAL IMPACT:

The ongoing maintenance of the rental car service facilities is funded through the collection of Customer Facility Charges assessed on each rental transaction. Sufficient funds are available in the Airport Fund for these repairs.

LEGISLATIVE ACTION ITEM

SPONSOR: Ashton J. Hayward, III, Mayor

SUBJECT:

FEDERAL AVIATION ADMINISTRATION GRANT AGREEMENT - CORPORATE APRON REHABILITATION AND ACQUISITION OF REPLACEMENT INTERACTIVE EMPLOYEE TRAINING SYSTEM

RECOMMENDATION:

That City Council approve and authorize the Mayor to execute the acceptance of the Federal Aviation Administration Airport Improvement Program (AIP) Grant 3-12-0063-042-2018 in the amount of \$1,880,142 for the rehabilitation of the corporate general aviation apron at the Pensacola International Airport, and the acquisition of a replacement interactive employee training system at the Pensacola International Airport. Further, that City Council authorize the Mayor to take all actions necessary relating to the finalization of the grant.

HEARING REQUIRED: No Hearing Required

SUMMARY:

Four general aviation operators conduct activity off an asphalt apron located in the southeastern quadrant of the Pensacola International Airport. The apron was constructed in 1997. Given its age and use, the apron is now showing signs of deterioration. Pavement inspectors from the Florida Department of Transportation, as well as engineers under contract with the Pensacola International Airport, all indicated that a rehabilitation project was needed to prevent potential aircraft damage from debris associated with the deteriorating pavement. Airport Staff identified the rehabilitation of the apron as one of the projects to be addressed under the current general engineering services contract. The design portion of the project was awarded to Atkins North America.

All individuals working at the Pensacola International Airport are required to undergo certain training both on initial employment and then on a periodic basis thereafter to ensure the ongoing security and safe operation of the facility. Training is provided via an interactive computer based system developed by the American Association of Airport Executives. The current platform was purchased thirteen years ago. Given its age the equipment can no longer be supported and must be replaced. Additionally, the training modules themselves need to be updated to account for current conditions at the Airport.

Pensacola International Airport has received a grant offer and agreement totaling \$1,880,142 from the Federal

Aviation Administration (FAA). The amount includes 90% funding reimbursement of the construction expenses associated with the corporate apron project, and with expenses associated with the replacement of the interactive employee training system.

PRIOR ACTION:

February 8, 2018 - City Council awarded the master agreement for architectural and engineering services for Airport improvements to Atkins North American, Mott MacDonald, and RS&H.

NOW THEREFORE, According to the applicable provisions of the former Federal Aviation Act of 1958, as amended and recodified, 49 U.S.C. § 40101, et seq., and the former Airport and Airway Improvement Act of 1982 (AAIA), as amended and recodified, 49 U.S.C. § 47101, et seq., (herein the AAIA grant statute is referred to as "the Act"), the representations contained in the Project Application, and in consideration of (a) the Sponsor's adoption and ratification of the Grant Assurances dated March 2014, and the Sponsor's acceptance of this Offer; and, (b) the benefits to accrue to the United States and the public from the accomplishment of the Project and compliance with the Grant Assurances and conditions as herein provided.

THE FEDERAL AVIATION ADMINISTRATION, FOR AND ON BEHALF OF THE UNITED STATES, HEREBY OFFERS AND AGREES to pay ninety (90) percent of the allowable costs incurred accomplishing the Project as the United States share of the Project.

This Offer is made on and SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS:

CONDITIONS

1. <u>Maximum Obligation</u>. The maximum obligation of the United States payable under this Offer is \$1,880,142.

The following amounts represent a breakdown of the maximum obligation for the purpose of establishing allowable amounts for any future grant amendment, which may increase the foregoing maximum obligation of the United States under the provisions of 49 U.S.C. § 47108(b):

\$0 for planning

\$1,880,142 airport development or noise program implementation; and,

\$0 for land acquisition.

2. <u>Period of Performance</u>. The period of performance begins on the date the Sponsor formally accepts this agreement. Unless explicitly stated otherwise in an amendment from the FAA, the end date of the period of performance is 4 years (1,460 calendar days) from the date of formal grant acceptance by the Sponsor.

The Sponsor may only charge allowable costs for obligations incurred prior to the end date of the period of performance (2 CFR §200.309). Unless the FAA authorizes a written extension, the sponsor must submit all project closeout documentation and liquidate (pay off) all obligations incurred under this award no later than 90 calendar days after the end date of the period of performance (2 CFR §200.343).

The period of performance end date does not relieve or reduce Sponsor obligations and assurances that extend beyond the closeout of a grant agreement.

- 3. <u>Ineligible or Unallowable Costs</u>. The Sponsor must not include any costs in the project that the FAA has determined to be ineligible or unallowable.
- 4. <u>Indirect Costs Sponsor</u>. Sponsor may charge indirect costs under this award by applying the indirect cost rate identified in the project application as accepted by the FAA, to allowable costs for Sponsor direct salaries and wages.
- 5. <u>Determining the Final Federal Share of Costs</u>. The United States' share of allowable project costs will be made in accordance with the regulations, policies, and procedures of the Secretary. Final determination of the United States' share will be based upon the final audit of the total amount of allowable project costs and settlement will be made for any upward or downward adjustments to the Federal share of costs.
- 6. Completing the Project Without Delay and in Conformance with Requirements. The Sponsor must carry out and complete the project without undue delays and in accordance with this agreement, and the regulations, policies, and procedures of the Secretary. Per 2 CFR § 200.308, the Sponsor agrees to report to the FAA any disengagement from performing the project that exceeds three months. The report must include a reason for the project stoppage. The Sponsor also agrees to comply with the assurances which are part of this agreement.
- 7. <u>Amendments or Withdrawals before Grant Acceptance</u>. The FAA reserves the right to amend or withdraw this offer at any time prior to its acceptance by the Sponsor.
- 8. Offer Expiration Date. This offer will expire and the United States will not be obligated to pay any part of the costs of the project unless this offer has been accepted by the Sponsor on or before September 4, 2018, or such subsequent date as may be prescribed in writing by the FAA.
- 9. <u>Improper Use of Federal Funds</u>. The Sponsor must take all steps, including litigation if necessary, to recover Federal funds spent fraudulently, wastefully, or in violation of Federal antitrust statutes, or

misused in any other manner for any project upon which Federal funds have been expended. For the purposes of this grant agreement, the term "Federal funds" means funds however used or dispersed by the Sponsor, that were originally paid pursuant to this or any other Federal grant agreement. The Sponsor must obtain the approval of the Secretary as to any determination of the amount of the Federal share of such funds. The Sponsor must return the recovered Federal share, including funds recovered by settlement, order, or judgment, to the Secretary. The Sponsor must furnish to the Secretary, upon request, all documents and records pertaining to the determination of the amount of the Federal share or to any settlement, litigation, negotiation, or other efforts taken to recover such funds. All settlements or other final positions of the Sponsor, in court or otherwise, involving the recovery of such Federal share require advance approval by the Secretary.

- 10. <u>United States Not Liable for Damage or Injury</u>. The United States is not responsible or liable for damage to property or injury to persons which may arise from, or be incident to, compliance with this grant agreement.
- 11. System for Award Management (SAM) Registration And Universal Identifier.
 - A. Requirement for System for Award Management (SAM): Unless the Sponsor is exempted from this requirement under 2 CFR 25.110, the Sponsor must maintain the currency of its information in the SAM until the Sponsor submits the final financial report required under this grant, or receives the final payment, whichever is later. This requires that the Sponsor review and update the information at least annually after the initial registration and more frequently if required by changes in information or another award term. Additional information about registration procedures may be found at the SAM website (currently at https://www.sam.gov).
 - B. Data Universal Numbering System: DUNS number means the nine-digit number established and assigned by Dun and Bradstreet, Inc. (D & B) to uniquely identify business entities. A DUNS number may be obtained from D & B by telephone (currently 866–705–5771) or on the web (currently at http://fedgov.dnb.com/webform).
- 12. <u>Electronic Grant Payment(s)</u>. Unless otherwise directed by the FAA, the Sponsor must make each payment request under this agreement electronically via the Delphi elnvoicing System for Department of Transportation (DOT) Financial Assistance Awardees.
- 13. <u>Informal Letter Amendment of AIP Projects</u>. If, during the life of the project, the FAA determines that the maximum grant obligation of the United States exceeds the expected needs of the Sponsor by \$25,000 or five percent (5%), whichever is greater, the FAA can issue a letter amendment to the Sponsor unilaterally reducing the maximum obligation.

The FAA can also issue a letter to the Sponsor increasing the maximum obligation if there is an overrun in the total actual eligible and allowable project costs to cover the amount of the overrun provided it will not exceed the statutory limitations for grant amendments. The FAA's authority to increase the maximum obligation does not apply to the "planning" component of condition No. 1.

The FAA can also issue an informal letter amendment that modifies the grant description to correct administrative errors or to delete work items if the FAA finds it advantageous and in the best interests of the United States.

An informal letter amendment has the same force and effect as a formal grant amendment.

- 14. <u>Air and Water Quality</u>. The Sponsor is required to comply with all applicable air and water quality standards for all projects in this grant. If the Sponsor fails to comply with this requirement, the FAA may suspend, cancel, or terminate this agreement.
- 15. <u>Financial Reporting and Payment Requirements</u>. The Sponsor will comply with all federal financial reporting requirements and payment requirements, including submittal of timely and accurate reports.

- **16.** <u>Buy American.</u> Unless otherwise approved in advance by the FAA, the Sponsor will not acquire or permit any contractor or subcontractor to acquire any steel or manufactured products produced outside the United States to be used for any project for which funds are provided under this grant. The Sponsor will include a provision implementing Buy American in every contract.
- 17. <u>Maximum Obligation Increase For Primary Airports</u>. In accordance with 49 U.S.C. § 47108(b), as amended, the maximum obligation of the United States, as stated in Condition No. 1 of this Grant Offer:
 - A. May not be increased for a planning project;
 - B. May be increased by not more than 15 percent for development projects;
 - C. May be increased by not more than 15 percent for land project.
- 18. <u>Audits for Public Sponsors</u>. The Sponsor must provide for a Single Audit or program specific audit in accordance with 2 CFR part 200. The Sponsor must submit the audit reporting package to the Federal Audit Clearinghouse on the Federal Audit Clearinghouse's Internet Data Entry System at http://harvester.census.gov/facweb/. Provide one copy of the completed audit to the FAA if requested.
- **19.** <u>Suspension or Debarment.</u> When entering into a "covered transaction" as defined by 2 CFR §180.200, the Sponsor must:
 - A. Verify the non-federal entity is eligible to participate in this Federal program by:
 - Checking the excluded parties list system (EPLS) as maintained within the System for Award Management (SAM) to determine if the non-federal entity is excluded or disqualified; or
 - 2. Collecting a certification statement from the non-federal entity attesting they are not excluded or disqualified from participating; or
 - 3. Adding a clause or condition to covered transactions attesting individual or firm are not excluded or disqualified from participating.

FOOTNOTES TO ASSURANCE C.1.

- These laws do not apply to airport planning sponsors.
- These laws do not apply to private sponsors.
- 49 CFR Part 18 and 2 CFR Part 200 contain requirements for State and Local Governments receiving Federal assistance. Any requirement levied upon State and Local Governments by this regulation and circular shall also be applicable to private sponsors receiving Federal assistance under Title 49, United States Code.
- On December 26, 2013 at 78 FR 78590, the Office of Management and Budget (OMB) issued the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR Part 200. 2 CFR Part 200 replaces and combines the former Uniform Administrative Requirements for Grants (OMB Circular A-102 and Circular A-110 or 2 CFR Part 215 or Circular) as well as the Cost Principles (Circulars A-21 or 2 CFR part 220; Circular A-87 or 2 CFR part 225; and A-122, 2 CFR part 230). Additionally it replaces Circular A-133 guidance on the Single Annual Audit. In accordance with 2 CFR section 200.110, the standards set forth in Part 200 which affect administration of Federal awards issued by Federal agencies become effective once implemented by Federal agencies or when any future amendment to this Part becomes final. Federal agencies, including the Department of Transportation, must implement the policies and procedures applicable to Federal awards by promulgating a regulation to be effective by December 26, 2014 unless different provisions are required by statute or approved by OMB.
- Cost principles established in 2 CFR part 200 subpart E must be used as guidelines for determining the eligibility of specific types of expenses.
- ⁶ Audit requirements established in 2 CFR part 200 subpart F are the guidelines for audits.
- 2. Responsibility and Authority of the Sponsor.
 - a. Public Agency Sponsor:
 - It has legal authority to apply for this grant, and to finance and carry out the proposed project; that a resolution, motion or similar action has been duly adopted or passed as an official act of the applicant's governing body authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required.
 - b. Private Sponsor:

It has legal authority to apply for this grant and to finance and carry out the proposed project and comply with all terms, conditions, and assurances of this grant agreement. It shall designate an official representative and shall in writing direct and authorize that person to file this application, including all understandings and assurances contained therein; to act in connection with this application; and to provide such additional information as may be required.

3. Sponsor Fund Availability.

It has sufficient funds available for that portion of the project costs which are not to be paid by the United States. It has sufficient funds available to assure operation and maintenance of items funded under this grant agreement which it will own or control.

4. Good Title.

- a. It, a public agency or the Federal government, holds good title, satisfactory to the Secretary, to the landing area of the airport or site thereof, or will give assurance satisfactory to the Secretary that good title will be acquired.
- b. For noise compatibility program projects to be carried out on the property of the sponsor, it holds good title satisfactory to the Secretary to that portion of the property upon which Federal funds will be expended or will give assurance to the Secretary that good title will be obtained.

5. Preserving Rights and Powers.

- a. It will not take or permit any action which would operate to deprive it of any of the rights and powers necessary to perform any or all of the terms, conditions, and assurances in this grant agreement without the written approval of the Secretary, and will act promptly to acquire, extinguish or modify any outstanding rights or claims of right of others which would interfere with such performance by the sponsor. This shall be done in a manner acceptable to the Secretary.
- b. It will not sell, lease, encumber, or otherwise transfer or dispose of any part of its title or other interests in the property shown on Exhibit A to this application or, for a noise compatibility program project, that portion of the property upon which Federal funds have been expended, for the duration of the terms, conditions, and assurances in this grant agreement without approval by the Secretary. If the transferee is found by the Secretary to be eligible under Title 49, United States Code, to assume the obligations of this grant agreement and to have the power, authority, and financial resources to carry out all such obligations, the sponsor shall insert in the contract or document transferring or disposing of the sponsor's interest, and make binding upon the transferee all of the terms, conditions, and assurances contained in this grant agreement.
- c. For all noise compatibility program projects which are to be carried out by another unit of local government or are on property owned by a unit of local government other than the sponsor, it will enter into an agreement with that government. Except as otherwise specified by the Secretary, that agreement shall obligate that government to the same terms, conditions, and assurances that would be applicable to it if it applied directly to the FAA for a grant to undertake the noise compatibility program project. That agreement and changes thereto must be satisfactory to the Secretary. It will take steps to enforce this agreement against the local government if there is substantial non-compliance with the terms of the agreement.

- d. For noise compatibility program projects to be carried out on privately owned property, it will enter into an agreement with the owner of that property which includes provisions specified by the Secretary. It will take steps to enforce this agreement against the property owner whenever there is substantial non-compliance with the terms of the agreement.
- e. If the sponsor is a private sponsor, it will take steps satisfactory to the Secretary to ensure that the airport will continue to function as a public-use airport in accordance with these assurances for the duration of these assurances.
- f. If an arrangement is made for management and operation of the airport by any agency or person other than the sponsor or an employee of the sponsor, the sponsor will reserve sufficient rights and authority to insure that the airport will be operated and maintained in accordance Title 49, United States Code, the regulations and the terms, conditions and assurances in this grant agreement and shall insure that such arrangement also requires compliance therewith.
- g. Sponsors of commercial service airports will not permit or enter into any arrangement that results in permission for the owner or tenant of a property used as a residence, or zoned for residential use, to taxi an aircraft between that property and any location on airport. Sponsors of general aviation airports entering into any arrangement that results in permission for the owner of residential real property adjacent to or near the airport must comply with the requirements of Sec. 136 of Public Law 112-95 and the sponsor assurances.

6. Consistency with Local Plans.

The project is reasonably consistent with plans (existing at the time of submission of this application) of public agencies that are authorized by the State in which the project is located to plan for the development of the area surrounding the airport.

7. Consideration of Local Interest.

It has given fair consideration to the interest of communities in or near where the project may be located.

8. Consultation with Users.

In making a decision to undertake any airport development project under Title 49, United States Code, it has undertaken reasonable consultations with affected parties using the airport at which project is proposed.

9. Public Hearings.

In projects involving the location of an airport, an airport runway, or a major runway extension, it has afforded the opportunity for public hearings for the purpose of considering the economic, social, and environmental effects of the airport or runway location and its consistency with goals and objectives of such planning as has been carried out by the community and it shall, when requested by the Secretary, submit a copy of the transcript of such hearings to the Secretary. Further, for such projects, it has on its management board either voting representation from the communities where the project is located or has advised the communities that they have the right to petition the Secretary concerning a proposed project.

10. Metropolitan Planning Organization.

In projects involving the location of an airport, an airport runway, or a major runway extension at a medium or large hub airport, the sponsor has made available to and has provided upon request to the metropolitan planning organization in the area in which the airport is located, if any, a copy

of the proposed amendment to the airport layout plan to depict the project and a copy of any airport master plan in which the project is described or depicted.

11. Pavement Preventive Maintenance.

With respect to a project approved after January 1, 1995, for the replacement or reconstruction of pavement at the airport, it assures or certifies that it has implemented an effective airport pavement maintenance-management program and it assures that it will use such program for the useful life of any pavement constructed, reconstructed or repaired with Federal financial assistance at the airport. It will provide such reports on pavement condition and pavement management programs as the Secretary determines may be useful.

12. Terminal Development Prerequisites.

For projects which include terminal development at a public use airport, as defined in Title 49, it has, on the date of submittal of the project grant application, all the safety equipment required for certification of such airport under section 44706 of Title 49, United States Code, and all the security equipment required by rule or regulation, and has provided for access to the passenger enplaning and deplaning area of such airport to passengers enplaning and deplaning from aircraft other than air carrier aircraft.

13. Accounting System, Audit, and Record Keeping Requirements.

- a. It shall keep all project accounts and records which fully disclose the amount and disposition by the recipient of the proceeds of this grant, the total cost of the project in connection with which this grant is given or used, and the amount or nature of that portion of the cost of the project supplied by other sources, and such other financial records pertinent to the project. The accounts and records shall be kept in accordance with an accounting system that will facilitate an effective audit in accordance with the Single Audit Act of 1984.
- b. It shall make available to the Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, for the purpose of audit and examination, any books, documents, papers, and records of the recipient that are pertinent to this grant. The Secretary may require that an appropriate audit be conducted by a recipient. In any case in which an independent audit is made of the accounts of a sponsor relating to the disposition of the proceeds of a grant or relating to the project in connection with which this grant was given or used, it shall file a certified copy of such audit with the Comptroller General of the United States not later than six (6) months following the close of the fiscal year for which the audit was made.

14. Minimum Wage Rates.

It shall include, in all contracts in excess of \$2,000 for work on any projects funded under this grant agreement which involve labor, provisions establishing minimum rates of wages, to be predetermined by the Secretary of Labor, in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a-276a-5), which contractors shall pay to skilled and unskilled labor, and such minimum rates shall be stated in the invitation for bids and shall be included in proposals or bids for the work.

15. Veteran's Preference.

It shall include in all contracts for work on any project funded under this grant agreement which involve labor, such provisions as are necessary to insure that, in the employment of labor (except in executive, administrative, and supervisory positions), preference shall be given to Vietnam era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns owned and controlled by disabled veterans as defined in Section 47112 of Title

49, United States Code. However, this preference shall apply only where the individuals are available and qualified to perform the work to which the employment relates.

16. Conformity to Plans and Specifications.

It will execute the project subject to plans, specifications, and schedules approved by the Secretary. Such plans, specifications, and schedules shall be submitted to the Secretary prior to commencement of site preparation, construction, or other performance under this grant agreement, and, upon approval of the Secretary, shall be incorporated into this grant agreement. Any modification to the approved plans, specifications, and schedules shall also be subject to approval of the Secretary, and incorporated into this grant agreement.

17. Construction Inspection and Approval.

It will provide and maintain competent technical supervision at the construction site throughout the project to assure that the work conforms to the plans, specifications, and schedules approved by the Secretary for the project. It shall subject the construction work on any project contained in an approved project application to inspection and approval by the Secretary and such work shall be in accordance with regulations and procedures prescribed by the Secretary. Such regulations and procedures shall require such cost and progress reporting by the sponsor or sponsors of such project as the Secretary shall deem necessary.

18. Planning Projects.

In carrying out planning projects:

- a. It will execute the project in accordance with the approved program narrative contained in the project application or with the modifications similarly approved.
- b. It will furnish the Secretary with such periodic reports as required pertaining to the planning project and planning work activities.
- c. It will include in all published material prepared in connection with the planning project a notice that the material was prepared under a grant provided by the United States.
- d. It will make such material available for examination by the public, and agrees that no material prepared with funds under this project shall be subject to copyright in the United States or any other country.
- e. It will give the Secretary unrestricted authority to publish, disclose, distribute, and otherwise use any of the material prepared in connection with this grant.
- f. It will grant the Secretary the right to disapprove the sponsor's employment of specific consultants and their subcontractors to do all or any part of this project as well as the right to disapprove the proposed scope and cost of professional services.
- g. It will grant the Secretary the right to disapprove the use of the sponsor's employees to do all or any part of the project.
- h. It understands and agrees that the Secretary's approval of this project grant or the Secretary's approval of any planning material developed as part of this grant does not constitute or imply any assurance or commitment on the part of the Secretary to approve any pending or future application for a Federal airport grant.

19. Operation and Maintenance.

a. The airport and all facilities which are necessary to serve the aeronautical users of the airport, other than facilities owned or controlled by the United States, shall be operated at all times in a safe and serviceable condition and in accordance with the minimum standards as may be

required or prescribed by applicable Federal, state and local agencies for maintenance and operation. It will not cause or permit any activity or action thereon which would interfere with its use for airport purposes. It will suitably operate and maintain the airport and all facilities thereon or connected therewith, with due regard to climatic and flood conditions. Any proposal to temporarily close the airport for non-aeronautical purposes must first be approved by the Secretary. In furtherance of this assurance, the sponsor will have in effect arrangements for-

- 1) Operating the airport's aeronautical facilities whenever required;
- 2) Promptly marking and lighting hazards resulting from airport conditions, including temporary conditions; and
- Promptly notifying airmen of any condition affecting aeronautical use of the airport. Nothing contained herein shall be construed to require that the airport be operated for aeronautical use during temporary periods when snow, flood or other climatic conditions interfere with such operation and maintenance. Further, nothing herein shall be construed as requiring the maintenance, repair, restoration, or replacement of any structure or facility which is substantially damaged or destroyed due to an act of God or other condition or circumstance beyond the control of the sponsor.
- b. It will suitably operate and maintain noise compatibility program items that it owns or controls upon which Federal funds have been expended.

20. Hazard Removal and Mitigation.

It will take appropriate action to assure that such terminal airspace as is required to protect instrument and visual operations to the airport (including established minimum flight altitudes) will be adequately cleared and protected by removing, lowering, relocating, marking, or lighting or otherwise mitigating existing airport hazards and by preventing the establishment or creation of future airport hazards.

21. Compatible Land Use.

It will take appropriate action, to the extent reasonable, including the adoption of zoning laws, to restrict the use of land adjacent to or in the immediate vicinity of the airport to activities and purposes compatible with normal airport operations, including landing and takeoff of aircraft. In addition, if the project is for noise compatibility program implementation, it will not cause or permit any change in land use, within its jurisdiction, that will reduce its compatibility, with respect to the airport, of the noise compatibility program measures upon which Federal funds have been expended.

22. Economic Nondiscrimination.

- a. It will make the airport available as an airport for public use on reasonable terms and without unjust discrimination to all types, kinds and classes of aeronautical activities, including commercial aeronautical activities offering services to the public at the airport.
- b. In any agreement, contract, lease, or other arrangement under which a right or privilege at the airport is granted to any person, firm, or corporation to conduct or to engage in any aeronautical activity for furnishing services to the public at the airport, the sponsor will insert and enforce provisions requiring the contractor to-
 - furnish said services on a reasonable, and not unjustly discriminatory, basis to all users thereof, and
 - 2) charge reasonable, and not unjustly discriminatory, prices for each unit or service,

provided that the contractor may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

- a.) Each fixed-based operator at the airport shall be subject to the same rates, fees, rentals, and other charges as are uniformly applicable to all other fixed-based operators making the same or similar uses of such airport and utilizing the same or similar facilities.
- b.) Each air carrier using such airport shall have the right to service itself or to use any fixed-based operator that is authorized or permitted by the airport to serve any air carrier at such airport.
- c.) Each air carrier using such airport (whether as a tenant, non-tenant, or subtenant of another air carrier tenant) shall be subject to such nondiscriminatory and substantially comparable rules, regulations, conditions, rates, fees, rentals, and other charges with respect to facilities directly and substantially related to providing air transportation as are applicable to all such air carriers which make similar use of such airport and utilize similar facilities, subject to reasonable classifications such as tenants or non-tenants and signatory carriers and non-signatory carriers. Classification or status as tenant or signatory shall not be unreasonably withheld by any airport provided an air carrier assumes obligations substantially similar to those already imposed on air carriers in such classification or status.
- d.) It will not exercise or grant any right or privilege which operates to prevent any person, firm, or corporation operating aircraft on the airport from performing any services on its own aircraft with its own employees [including, but not limited to maintenance, repair, and fueling] that it may choose to perform.
- e.) In the event the sponsor itself exercises any of the rights and privileges referred to in this assurance, the services involved will be provided on the same conditions as would apply to the furnishing of such services by commercial aeronautical service providers authorized by the sponsor under these provisions.
- f.) The sponsor may establish such reasonable, and not unjustly discriminatory, conditions to be met by all users of the airport as may be necessary for the safe and efficient operation of the airport.
- g.) The sponsor may prohibit or limit any given type, kind or class of aeronautical use of the airport if such action is necessary for the safe operation of the airport or necessary to serve the civil aviation needs of the public.

23. Exclusive Rights.

It will permit no exclusive right for the use of the airport by any person providing, or intending to provide, aeronautical services to the public. For purposes of this paragraph, the providing of the services at an airport by a single fixed-based operator shall not be construed as an exclusive right if both of the following apply:

- a. It would be unreasonably costly, burdensome, or impractical for more than one fixed-based operator to provide such services, and
- b. If allowing more than one fixed-based operator to provide such services would require the reduction of space leased pursuant to an existing agreement between such single fixed-based operator and such airport. It further agrees that it will not, either directly or indirectly, grant or permit any person, firm, or corporation, the exclusive right at the airport to conduct any aeronautical activities, including, but not limited to charter flights, pilot training, aircraft rental

and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft sales and services, sale of aviation petroleum products whether or not conducted in conjunction with other aeronautical activity, repair and maintenance of aircraft, sale of aircraft parts, and any other activities which because of their direct relationship to the operation of aircraft can be regarded as an aeronautical activity, and that it will terminate any exclusive right to conduct an aeronautical activity now existing at such an airport before the grant of any assistance under Title 49, United States Code.

24. Fee and Rental Structure.

It will maintain a fee and rental structure for the facilities and services at the airport which will make the airport as self-sustaining as possible under the circumstances existing at the particular airport, taking into account such factors as the volume of traffic and economy of collection. No part of the Federal share of an airport development, airport planning or noise compatibility project for which a grant is made under Title 49, United States Code, the Airport and Airway Improvement Act of 1982, the Federal Airport Act or the Airport and Airway Development Act of 1970 shall be included in the rate basis in establishing fees, rates, and charges for users of that airport.

25. Airport Revenues.

- a. All revenues generated by the airport and any local taxes on aviation fuel established after December 30, 1987, will be expended by it for the capital or operating costs of the airport; the local airport system; or other local facilities which are owned or operated by the owner or operator of the airport and which are directly and substantially related to the actual air transportation of passengers or property; or for noise mitigation purposes on or off the airport. The following exceptions apply to this paragraph:
 - 1) If covenants or assurances in debt obligations issued before September 3, 1982, by the owner or operator of the airport, or provisions enacted before September 3, 1982, in governing statutes controlling the owner or operator's financing, provide for the use of the revenues from any of the airport owner or operator's facilities, including the airport, to support not only the airport but also the airport owner or operator's general debt obligations or other facilities, then this limitation on the use of all revenues generated by the airport (and, in the case of a public airport, local taxes on aviation fuel) shall not apply.
 - 2) If the Secretary approves the sale of a privately owned airport to a public sponsor and provides funding for any portion of the public sponsor's acquisition of land, this limitation on the use of all revenues generated by the sale shall not apply to certain proceeds from the sale. This is conditioned on repayment to the Secretary by the private owner of an amount equal to the remaining unamortized portion (amortized over a 20-year period) of any airport improvement grant made to the private owner for any purpose other than land acquisition on or after October 1, 1996, plus an amount equal to the federal share of the current fair market value of any land acquired with an airport improvement grant made to that airport on or after October 1, 1996.
 - 3) Certain revenue derived from or generated by mineral extraction, production, lease, or other means at a general aviation airport (as defined at Section 47102 of title 49 United States Code), if the FAA determines the airport sponsor meets the requirements set forth in Sec. 813 of Public Law 112-95.
 - a.) As part of the annual audit required under the Single Audit Act of 1984, the sponsor will direct that the audit will review, and the resulting audit report will provide an opinion concerning, the use of airport revenue and taxes in paragraph (a), and indicating whether funds paid or transferred to the owner or operator are paid or transferred in a

- manner consistent with Title 49, United States Code and any other applicable provision of law, including any regulation promulgated by the Secretary or Administrator.
- b.) Any civil penalties or other sanctions will be imposed for violation of this assurance in accordance with the provisions of Section 47107 of Title 49, United States Code.

26. Reports and Inspections.

It will:

- a. submit to the Secretary such annual or special financial and operations reports as the Secretary may reasonably request and make such reports available to the public; make available to the public at reasonable times and places a report of the airport budget in a format prescribed by the Secretary;
- for airport development projects, make the airport and all airport records and documents
 affecting the airport, including deeds, leases, operation and use agreements, regulations and
 other instruments, available for inspection by any duly authorized agent of the Secretary upon
 reasonable request;
- c. for noise compatibility program projects, make records and documents relating to the project and continued compliance with the terms, conditions, and assurances of this grant agreement including deeds, leases, agreements, regulations, and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request; and
- d. in a format and time prescribed by the Secretary, provide to the Secretary and make available to the public following each of its fiscal years, an annual report listing in detail:
 - all amounts paid by the airport to any other unit of government and the purposes for which each such payment was made; and
 - all services and property provided by the airport to other units of government and the amount of compensation received for provision of each such service and property.

27. Use by Government Aircraft.

It will make available all of the facilities of the airport developed with Federal financial assistance and all those usable for landing and takeoff of aircraft to the United States for use by Government aircraft in common with other aircraft at all times without charge, except, if the use by Government aircraft is substantial, charge may be made for a reasonable share, proportional to such use, for the cost of operating and maintaining the facilities used. Unless otherwise determined by the Secretary, or otherwise agreed to by the sponsor and the using agency, substantial use of an airport by Government aircraft will be considered to exist when operations of such aircraft are in excess of those which, in the opinion of the Secretary, would unduly interfere with use of the landing areas by other authorized aircraft, or during any calendar month that —

- a. by gross weights of such aircraft) is in excess of five million pounds Five (5) or more Government aircraft are regularly based at the airport or on land adjacent thereto; or
- b. The total number of movements (counting each landing as a movement) of Government aircraft is 300 or more, or the gross accumulative weight of Government aircraft using the airport (the total movement of Government aircraft multiplied.

28. Land for Federal Facilities.

It will furnish without cost to the Federal Government for use in connection with any air traffic control or air navigation activities, or weather-reporting and communication activities related to air traffic control, any areas of land or water, or estate therein, or rights in buildings of the sponsor as the Secretary considers necessary or desirable for construction, operation, and maintenance at

Federal expense of space or facilities for such purposes. Such areas or any portion thereof will be made available as provided herein within four months after receipt of a written request from the Secretary.

29. Airport Layout Plan.

- a. It will keep up to date at all times an airport layout plan of the airport showing:
 - boundaries of the airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the sponsor for airport purposes and proposed additions thereto;
 - the location and nature of all existing and proposed airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangars and roads), including all proposed extensions and reductions of existing airport facilities;
 - the location of all existing and proposed nonaviation areas and of all existing improvements thereon; and
 - 4) all proposed and existing access points used to taxi aircraft across the airport's property boundary. Such airport layout plans and each amendment, revision, or modification thereof, shall be subject to the approval of the Secretary which approval shall be evidenced by the signature of a duly authorized representative of the Secretary on the face of the airport layout plan. The sponsor will not make or permit any changes or alterations in the airport or any of its facilities which are not in conformity with the airport layout plan as approved by the Secretary and which might, in the opinion of the Secretary, adversely affect the safety, utility or efficiency of the airport.
 - a.) If a change or alteration in the airport or the facilities is made which the Secretary determines adversely affects the safety, utility, or efficiency of any federally owned, leased, or funded property on or off the airport and which is not in conformity with the airport layout plan as approved by the Secretary, the owner or operator will, if requested, by the Secretary (1) eliminate such adverse effect in a manner approved by the Secretary; or (2) bear all costs of relocating such property (or replacement thereof) to a site acceptable to the Secretary and all costs of restoring such property (or replacement thereof) to the level of safety, utility, efficiency, and cost of operation existing before the unapproved change in the airport or its facilities except in the case of a relocation or replacement of an existing airport facility due to a change in the Secretary's design standards beyond the control of the airport sponsor.

30. Civil Rights.

It will promptly take any measures necessary to ensure that no person in the United States shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in any activity conducted with, or benefiting from, funds received from this grant.

- a. Using the definitions of activity, facility and program as found and defined in §§ 21.23 (b) and 21.23 (e) of 49 CFR § 21, the sponsor will facilitate all programs, operate all facilities, or conduct all programs in compliance with all non-discrimination requirements imposed by, or pursuant to these assurances.
- b. Applicability
 - Programs and Activities. If the sponsor has received a grant (or other federal assistance) for any of the sponsor's program or activities, these requirements extend to all of the

- sponsor's programs and activities.
- 2) Facilities. Where it receives a grant or other federal financial assistance to construct, expand, renovate, remodel, alter or acquire a facility, or part of a facility, the assurance extends to the entire facility and facilities operated in connection therewith.
- 3) Real Property. Where the sponsor receives a grant or other Federal financial assistance in the form of, or for the acquisition of real property or an interest in real property, the assurance will extend to rights to space on, over, or under such property.

c. Duration.

The sponsor agrees that it is obligated to this assurance for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the assurance obligates the sponsor, or any transferee for the longer of the following periods:

- 1) So long as the airport is used as an airport, or for another purpose involving the provision of similar services or benefits; or
- 2) So long as the sponsor retains ownership or possession of the property.
- d. Required Solicitation Language. It will include the following notification in all solicitations for bids, Requests For Proposals for work, or material under this grant agreement and in all proposals for agreements, including airport concessions, regardless of funding source:

"The (City of Pensacola), in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises and airport concession disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award."

e. Required Contract Provisions.

- 1) It will insert the non-discrimination contract clauses requiring compliance with the acts and regulations relative to non-discrimination in Federally-assisted programs of the DOT, and incorporating the acts and regulations into the contracts by reference in every contract or agreement subject to the non-discrimination in Federally-assisted programs of the DOT acts and regulations.
- 2) It will include a list of the pertinent non-discrimination authorities in every contract that is subject to the non-discrimination acts and regulations.
- 3) It will insert non-discrimination contract clauses as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a sponsor.
- 4) It will insert non-discrimination contract clauses prohibiting discrimination on the basis of race, color, national origin, creed, sex, age, or handicap as a covenant running with the land, in any future deeds, leases, license, permits, or similar instruments entered into by the sponsor with other parties:
 - a.) For the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and

- b.) For the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
- f. It will provide for such methods of administration for the program as are found by the Secretary to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the acts, the regulations, and this assurance.
- g. It agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the acts, the regulations, and this assurance.

31. Disposal of Land.

- a. For land purchased under a grant for airport noise compatibility purposes, including land serving as a noise buffer, it will dispose of the land, when the land is no longer needed for such purposes, at fair market value, at the earliest practicable time. That portion of the proceeds of such disposition which is proportionate to the United States' share of acquisition of such land will be, at the discretion of the Secretary, (1) reinvested in another project at the airport, or (2) transferred to another eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order, (1) reinvestment in an approved noise compatibility project, (2) reinvestment in an approved project that is eligible for grant funding under Section 47117(e) of title 49 United States Code, (3) reinvestment in an approved airport development project that is eligible for grant funding under Sections 47114, 47115, or 47117 of title 49 United States Code, (4) transferred to an eligible sponsor of another public airport to be reinvested in an approved noise compatibility project at that airport, and (5) paid to the Secretary for deposit in the Airport and Airway Trust Fund. If land acquired under a grant for noise compatibility purposes is leased at fair market value and consistent with noise buffering purposes, the lease will not be considered a disposal of the land. Revenues derived from such a lease may be used for an approved airport development project that would otherwise be eligible for grant funding or any permitted use of airport revenue.
- b. For land purchased under a grant for airport development purposes (other than noise compatibility), it will, when the land is no longer needed for airport purposes, dispose of such land at fair market value or make available to the Secretary an amount equal to the United States' proportionate share of the fair market value of the land. That portion of the proceeds of such disposition which is proportionate to the United States' share of the cost of acquisition of such land will, (1) upon application to the Secretary, be reinvested or transferred to another eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order: (1) reinvestment in an approved noise compatibility project, (2) reinvestment in an approved project that is eligible for grant funding under Section 47117(e) of title 49 United States Code, (3) reinvestment in an approved airport development project that is eligible for grant funding under Sections 47114, 47115, or 47117 of title 49 United States Code, (4) transferred to an eligible sponsor of another public airport to be reinvested in an approved noise compatibility project at that airport, and (5) paid to the Secretary for deposit in the Airport and Airway Trust Fund.
- c. Land shall be considered to be needed for airport purposes under this assurance if (1) it may be needed for aeronautical purposes (including runway protection zones) or serve as noise buffer land, and (2) the revenue from interim uses of such land contributes to the financial self-sufficiency of the airport. Further, land purchased with a grant received by an airport operator or owner before December 31, 1987, will be considered to be needed for airport purposes if the Secretary or Federal agency making such grant before December 31, 1987, was

notified by the operator or owner of the uses of such land, did not object to such use, and the land continues to be used for that purpose, such use having commenced no later than December 15, 1989.

d. Disposition of such land under (a) (b) or (c) will be subject to the retention or reservation of any interest or right therein necessary to ensure that such land will only be used for purposes which are compatible with noise levels associated with operation of the airport.

32. Engineering and Design Services.

It will award each contract, or sub-contract for program management, construction management, planning studies, feasibility studies, architectural services, preliminary engineering, design, engineering, surveying, mapping or related services with respect to the project in the same manner as a contract for architectural and engineering services is negotiated under Title IX of the Federal Property and Administrative Services Act of 1949 or an equivalent qualifications-based requirement prescribed for or by the sponsor of the airport.

33. Foreign Market Restrictions.

It will not allow funds provided under this grant to be used to fund any project which uses any product or service of a foreign country during the period in which such foreign country is listed by the United States Trade Representative as denying fair and equitable market opportunities for products and suppliers of the United States in procurement and construction.

34. Policies, Standards, and Specifications.

It will carry out the project in accordance with policies, standards, and specifications approved by the Secretary including, but not limited to, the advisory circulars listed in the Current FAA Advisory Circulars for AIP projects, dated January 24, 2017 and included in this grant, and in accordance with applicable state policies, standards, and specifications approved by the Secretary.

35. Relocation and Real Property Acquisition.

- a. It will be guided in acquiring real property, to the greatest extent practicable under State law, by the land acquisition policies in Subpart B of 49 CFR Part 24 and will pay or reimburse property owners for necessary expenses as specified in Subpart B.
- b. It will provide a relocation assistance program offering the services described in Subpart C and fair and reasonable relocation payments and assistance to displaced persons as required in Subpart D and E of 49 CFR Part 24.
- c. It will make available within a reasonable period of time prior to displacement, comparable replacement dwellings to displaced persons in accordance with Subpart E of 49 CFR Part 24.

36. Access By Intercity Buses.

The airport owner or operator will permit, to the maximum extent practicable, intercity buses or other modes of transportation to have access to the airport; however, it has no obligation to fund special facilities for intercity buses or for other modes of transportation.

37. Disadvantaged Business Enterprises.

The sponsor shall not discriminate on the basis of race, color, national origin or sex in the award and performance of any DOT-assisted contract covered by 49 CFR Part 26, or in the award and performance of any concession activity contract covered by 49 CFR Part 23. In addition, the sponsor shall not discriminate on the basis of race, color, national origin or sex in the administration of its DBE and ACDBE programs or the requirements of 49 CFR Parts 23 and 26. The sponsor shall take all necessary and reasonable steps under 49 CFR Parts 23 and 26 to ensure

nondiscrimination in the award and administration of DOT-assisted contracts, and/or concession contracts. The sponsor's DBE and ACDBE programs, as required by 49 CFR Parts 26 and 23, and as approved by DOT, are incorporated by reference in this agreement. Implementation of these programs is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the sponsor of its failure to carry out its approved program, the Department may impose sanctions as provided for under Parts 26 and 23 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1936 (31 U.S.C. 3801).

38. Hangar Construction.

If the airport owner or operator and a person who owns an aircraft agree that a hangar is to be constructed at the airport for the aircraft at the aircraft owner's expense, the airport owner or operator will grant to the aircraft owner for the hangar a long term lease that is subject to such terms and conditions on the hangar as the airport owner or operator may impose.

39. Competitive Access.

- a. If the airport owner or operator of a medium or large hub airport (as defined in section 47102 of title 49, U.S.C.) has been unable to accommodate one or more requests by an air carrier for access to gates or other facilities at that airport in order to allow the air carrier to provide service to the airport or to expand service at the airport, the airport owner or operator shall transmit a report to the Secretary that-
 - 1) Describes the requests;
 - 2) Provides an explanation as to why the requests could not be accommodated; and
 - 3) Provides a time frame within which, if any, the airport will be able to accommodate the requests.
- b. Such report shall be due on either February 1 or August 1 of each year if the airport has been unable to accommodate the request(s) in the six month period prior to the applicable due date.

AWARD OF BID #18-023, PENSACOLA INTERNATIONAL AIRPORT - CORPORATE APRON REHABILITATION

RECOMMENDATION:

That City Council award Bid #18-023, Pensacola International Airport - Corporate Apron Rehabilitation to Panhandle Grading & Paving, Inc., the lowest and most responsive bidder in the amount of \$2,020,046.75, which includes the base bid and bid alternate number 1, for the rehabilitation of the corporate general aviation apron as outlined in the bid specifications plus a 10% contingency of \$202,004.68 for a total amount of \$2,222,051.43. Further, that City Council authorize the Mayor to execute the contract and take all actions necessary to complete the project.

HEARING REQUIRED: No Hearing Required

SUMMARY:

Four general aviation operators conduct activity off an asphalt apron located in the southeastern quadrant of the Pensacola International Airport. The apron was constructed in 1997. Given its age and use the apron is now showing signs of deterioration. Pavement inspectors from the Florida Department of Transportation (FDOT) during FDOT's last periodic Pavement Management Program review as well as engineers under contract with the Pensacola International Airport all indicated that a rehabilitation project was needed to prevent potential aircraft damage from debris associated with the deteriorating pavement. Airport Staff identified the rehabilitation of the apron as one of the projects to be addressed under the current general engineering services contract. The design portion of the project was awarded to Atkins North America. Atkins evaluated the area to determine the appropriate rehabilitation method and prepared construction plans and specifications based on the Federal Aviation Administration's requirements.

Bid #18-023, Pensacola International Airport - Corporate Apron Rehabilitation was advertised May 22, 2018. Three bids were received and subsequently provided to Atkins North America for review. Panhandle Grading & Paving, Inc. was the lowest and most responsive bidder.

PRIOR ACTION:

February 8, 2018 - City Council awarded the Master Agreement for Architectural and Engineering Services for Airport Improvements to Atkins North America, Inc., Mott MacDonald Florida, LLC, and RS&H, Inc.

Since 1988 I have served in various roles as a mortgage lender in the Pensacola market by helping our community to obtain home ownership. My dedication to the Pensacola community, and during the time of First Time Homebuyer Programs through the Escambia County Housing Bond Program, we would arrive at 5:00am or earlier to begin the application process by faxing the reserve form on a first come first serve basis, we knew that some of our customers had been camping out for days to apply for the programs. It was important that our community received the resources available to make their dreams of homeownership come true. Through all of these years, many of these customers still send referrals for others seeking to buy homes.
Currently I work with Synovus Mortgage as the Market Sales Leader/Escambia & Santa Rosa and have served on our committee to develop our 1 st Time Homebuyer Program (AMP) up to 100% financing, which is rare, and also allows our different DPA's programs assisting with down payment and/or closing cost. Again, to serve our community to help those realize their dream of owning a home.
As a manager I train and encourage the staff I supervise to consider USDA, Bond and SHIP programs to assist our customers on their home buying journey. I believe by assisting those that qualify for these programs, we are building a stronger community of people that will stay and live in our beautiful city. Finally, I understand the dedication that it takes to serve our community and actively participating on a board. I was an active member of Favor House for many years serving as President, Vice President and other executive positions. In the years that I served on the Favor House Board, I assisted in fundraising activities, bringing awareness and education to the public and others in need of domestic violence support. I was also influential in the successful acceptance of two \$100,000 grants awarded to Favor House by Impact 100. While utilizing one of the grants, we were able to remodel our Favor House Kids Center. The second grant we remodeled our safe house in Santa Rosa County and worked with the Sex Trafficking Division to have a safe temporary haven while helping relocate them back to their families. I love our town of Pensacola and believe my experience and desire to see our community grow will serve the Affordable Housing Advisory Committee. I feel home ownership is the forefront for growth and stability for our community.
I hope you consider my application to serve on your board.

Dear Ross,

If selected by the council, it would be my great pleasure to join the Architectural Review Board for the City of Pensacola. My experience in the design field has allowed me the opportunity to involve myself with a variety of project types, across multiple disciplines. I feel that this experience, combined with my general passion for design, will be valuable to the ARB.

In graduate school, I co-founded and served as the president for a small non-profit group whose mission was to improve public space in some of Post-Katrina New Orleans' most devastated neighborhoods. We had a passion for educating ourselves and others about storm water mitigation, best management practices and collaboration within the community. I was also an active member of the 2009 Boston Architectural College/Tufts University Solar Decathlon team. Sponsored by the U.S. Department of Energy, the international competition required that each team design, build and operate an energy-efficient, solar powered home. In my free time, I participated in a "moonlighting studio" with a local architecture firm. We gathered once a week to work on design competitions, from façade studies to public art projects.

Since moving to Pensacola in 2014, I haven't yet found my extracurricular niche, so to speak. I believe that joining the Architectural Review Board would offer me the opportunity to involve myself with local design and community - two things that are very important to me.

Thanks for your consideration!

Sincerely,

Anna Fogarty

RE: City of Pensacola

Architecture Review Board Position

Members of the UWF Historic Trust Board of Directors,

I am Derek D. Salter and I would be honored for your consideration for nomination to the Pensacola Architecture Review Board.

I have been a resident of the City of Pensacola for the past 20 years. I moved to Pensacola after graduating college with a Bachelor of Architecture from Mississippi State University. One of the main reasons I chose Pensacola was the uniqueness of the historic downtown area and the history preserved through its Architecture.

I received my Florida Architect license in 2002 and over the years I've had a handful of opportunities to work on projects located in various districts covered by the ARB. These opportunities helped to provide insight into the uniqueness of each district and each request. Though I have never served on a board I am excited for the opportunity and committed to respect and follow the rules and procedures of the ARB to the best of my ability for the full term of the position.

Thank you again for your consideration.

STATUTORY PROCESS GOVERNING MUNICIPAL EMINENT DOMAIN

73.015 Presuit negotiation.—

- (1) Effective July 1, 2000, before an eminent domain proceeding is brought under this chapter or chapter 74, the condemning authority must attempt to negotiate in good faith with the fee owner of the parcel to be acquired, must provide the fee owner with a written offer and, if requested, a copy of the appraisal upon which the offer is based, and must attempt to reach an agreement regarding the amount of compensation to be paid for the parcel.
- (a) No later than the time the initial written or oral offer of compensation for acquisition is made to the fee owner, the condemning authority must notify the fee owner of the following:
- 1. That all or a portion of his or her property is necessary for a project.
- 2. The nature of the project for which the parcel is considered necessary, and the parcel designation of the property to be acquired.
- 3. That, within 15 business days after receipt of a request by the fee owner, the condemning authority will provide a copy of the appraisal report upon which the offer to the fee owner is based; copies, to the extent prepared, of the right-of-way maps or other documents that depict the proposed taking; and copies, to the extent prepared, of the construction plans that depict project improvements to be constructed on the property taken and improvements to be constructed adjacent to the remaining property, including, but not limited to, plan, profile, cross-section, drainage, and pavement marking sheets, and driveway connection detail. The condemning authority shall provide any additional plan sheets within 15 days of request.
- 4. The fee owner's statutory rights under ss. 73.091 and 73.092, or alternatively provide copies of these provisions of law.
- 5. The fee owner's rights and responsibilities under paragraphs (b) and (c) and subsection
- (4), or alternatively provide copies of these provisions of law.
- (b) The condemning authority must provide a written offer of compensation to the fee owner as to the value of the property sought to be appropriated and, where less than the entire property is sought to be appropriated, any damages to the remainder caused by the taking. The owner must be given at least 30 days after either receipt of the notice or the date the notice is returned as undeliverable by the postal authorities to respond to the offer, before the condemning authority files a condemnation proceeding for the parcel identified in the offer.
- (c) The notice and written offer must be sent by certified mail, return receipt requested, to the fee owner's last known address listed on the county ad valorem tax roll. Alternatively, the notice and written offer may be personally delivered to the fee owner of the property. If there is more than one owner of a property, notice to one owner constitutes notice to all owners of the property. The return of the notice as undeliverable by the postal authorities constitutes compliance with this provision. The condemning authority is not required to give notice or a written offer to a person who acquires title to the property after the notice required by this section has been given.
- (d) Notwithstanding this subsection, with respect to lands acquired under s. 253.025,8 the condemning authority is not required to give the fee owner the current appraisal before executing an option contract.

⁷ Provisions for pre-trial hearing and right to jury trial (see below)

- (2) Effective July 1, 2000, before an eminent domain proceeding is brought under this chapter or chapter 74 by ... a ... municipality, ... for the condemnation of right-of-way, the condemning authority must make a good faith effort to notify the business owners, including lessees, who operate a business located on the property to be acquired. ... [omitted]
- (3) At any time in the presuit negotiation process, the parties may agree to submit the compensation or business damage claims to nonbinding mediation. The parties shall agree upon a mediator certified under s. 44.102. In the event that there is a settlement reached as a result of mediation or other mutually acceptable dispute resolution procedure, the agreement reached shall be in writing. The written agreement provided for in this section shall incorporate by reference the right-of-way maps, construction plans, or other documents related to the taking upon which the settlement is based. In the event of a settlement, both parties shall have the same legal rights that would have been available under law if the matter had been resolved through eminent domain proceedings in circuit court with the maps, plans, or other documents having been made a part of the record.
- (4) If a settlement is reached between the condemning authority and a property or business owner prior to a lawsuit being filed, the property or business owner who settles compensation claims in lieu of condemnation shall be entitled to recover costs in the same manner as provided in s. 73.091 and attorney's fees in the same manner as provided in s. 73.092, more specifically as follows:
- (a) Attorney's fees for presuit negotiations under this section regarding the amount of compensation to be paid for the land, severance damages, and improvements must be calculated in the same manner as provided in s. 73.092(1) unless the parties otherwise agree.
- (b) If business damages are recovered by the business owner[omitted]
- (c) Presuit costs must be presented, calculated, and awarded in the same manner as provided in s. 73.091, after submission by the business or property owner to the condemning authority of all appraisal reports, business damage reports, or other work products for which recovery is sought, and upon transfer of title of the real property by closing, upon payment of any amounts due for business damages, or upon final judgment.
- (d) If the parties cannot agree on the amount of costs and attorney's fees to be paid by the condemning authority, the business or property owner may file a complaint in the circuit court in the county in which the property is located to recover attorney's fees and costs.

This shall only apply when the action is by the Department of Transportation, county, municipality, board, district, or other public body for the condemnation of a road right-of-way.

(5) Evidence of negotiations or of any written or oral statements used in mediation or negotiations between the parties under this section is inadmissible in any condemnation proceeding, except in a proceeding to determine reasonable costs and attorney's fees. History.—s. 57, ch. 99-385; s. 8, ch. 2001-256; s. 28, ch. 2016-233.

73.021 Petition; contents.—Those having the right to exercise the power of eminent domain may file a petition therefor in the circuit court of the county wherein the property lies, which petition shall set forth:

..

⁸ 253.025, F.S. governs acquisition of state lands; therefore it is not applicable here.

- (1) The authority under which and the public use or purpose for which the property is to be acquired, and that the property is necessary for that public use or purpose;
- (2) A description identifying the property sought to be acquired. The petitioners may join in the same action all properties involved in a planned project whether in the same or different ownership, or whether or not the property is sought for the same use;
- (3) The estate or interest in the property which the petitioner intends to acquire;
- (4) The names, places of residence, legal disabilities, if any, and interests in the property of all owners, lessees, mortgagees, judgment creditors, and lienholders, so far as ascertainable by diligent search, and all unknown persons having an interest in the property when the petitioner has been unable to ascertain the identity of such persons by diligent search and inquiry. If any interest in the property, or lien thereon, belongs to the unsettled estate of a decedent, the executor or administrator shall be made a defendant without joining the devisee or heir; if a trust estate, the trustee shall be made a defendant without joining the cestui que trust. The court may appoint an administrator ad litem to represent the estate of a deceased person whose estate is not being administered, and a guardian ad litem for all defendants who are infants or are under other legal disabilities; and for defendants whose names or addresses are unknown. A copy of the order of appointment shall be served on the guardian ad litem at least 10 days before trial unless he or she has entered an appearance;
- (6) A statement that the petitioner has surveyed and located its line or area of construction, and intends in good faith to construct the project on or over the described property; and
- (7) A demand for relief that the property be condemned and taken for the uses and purposes set forth in the petition, and that the interest sought be vested in the petitioner. History.—s. 1, ch. 65-369; s. 2, ch. 77-51; s. 358, ch. 95-147; s. 3, ch. 2006-11.

73.031 Process; service and publication.—

- (1) Upon the filing of the petition, the clerk of the court shall issue a summons to show cause why the property should not be taken, directed "to all whom it may concern," containing the names of all the defendants named in the petition, commanding them and any other persons claiming any interest in the property described to serve written defenses to the petition on a day specified in the summons not less than 28 nor more than 60 days from the date of the summons. A copy of the summons and the petition shall be served upon all resident defendants in the manner provided by law and not less than 20 days before the return day.
- (2) If any defendant is alleged to be a nonresident of the state, or if the name or residence of any defendant is alleged to be unknown, or if personal service cannot be had upon any defendant for any other reason, the clerk shall cause a notice to be published at least once each week for 2 consecutive weeks prior to the return day in some newspaper published in the county; provided, however, that if the petitioner be a municipality and a newspaper is published therein, the notice shall be published in such a newspaper. This notice shall contain the names of the defendants to whom it is directed, a description of the property sought to be appropriated, the nature of the action, and the name of the court in which it is pending. The clerk shall mail a copy of the summons and the petition to each out-of-state defendant at the address as set forth in the petition. The clerk shall file a certificate of mailing which, together with proof of publication, shall constitute effective service as though the defendant had been personally served with process within this state.
- (3) The failure of any party to receive notice by mail shall not invalidate the proceedings of the court or any order made pursuant to this chapter.

73.032 Offer of judgment.—

- (1) This section shall provide the exclusive offer of judgment provisions for eminent domain actions.
- (2) The petitioner may serve a defendant with an offer of judgment no sooner than 120 days after the defendant has filed an answer and no later than 20 days prior to trial.
- (3) A defendant may make an offer to have judgment entered against defendant for payment of compensation by petitioner only for an amount that is under \$100,000, and such offer may be served on petitioner no sooner than 120 days after the defendant has filed an answer and no later than 20 days prior to trial.
- (4)(a) The offer of judgment must:
- 1. Be in writing;
- 2. Settle all pending claims with that party or parties exclusive of attorney's fees and costs;
- 3. State that the offer is made pursuant to this section;
- 4. Name the parties to whom the offer is made;
- 5. Briefly summarize any relevant conditions;
- 6. State the total amount of the offer; and
- 7. Include a certificate of service.
- (b) The offer of judgment must be served in the same manner as other pleadings upon the parties to whom it is made, but may not be filed with the court unless it is accepted or unless filing is necessary to enforce this section.
- (c) The offer of judgment shall be deemed rejected unless accepted by filing both a written acceptance and the written offer with the court within 30 days after service of the offer, or before the trial begins if less than 30 days. Upon proper filing of both the offer and acceptance, the court shall enter judgment thereon. A rejection of an offer terminates the offer.
- (d) The party making the offer may withdraw the offer in a writing served on the opposing party before a written acceptance is filed with the court. Once withdrawn in this manner, an offer is void.
- (e) An offer of judgment which is rejected or which is withdrawn does not preclude the making of a subsequent offer of judgment; however, any such subsequent offer of judgment shall automatically void the prior offer of judgment as if the same had never been made.
- (5) If a defendant does not accept the offer of judgment made by the petitioner and the judgment obtained by the defendant, exclusive of any interest accumulated after the offer of judgment was initially made, is equal to or less than such offer, then the court shall not award any costs incurred by the defendant after the date the offer of judgment was rejected.
- (6) If the petitioner rejects the offer of judgment made by defendant and the judgment obtained by defendant, exclusive of any interest accumulated after the offer of judgment was initially made, is equal to or is more than such offer, then the court shall award a reasonable attorney's fee to the defendant based on the factors set forth in s. 73.092(2) and (3).
- (7) At the time an offer of judgment is made by the petitioner, the petitioner shall identify and make available to the defendant the construction plans, if any, for the project on which the offer is based.
- (8) Evidence of an offer of judgment is admissible only in proceedings to enforce an accepted offer or to determine the costs to be awarded a defendant pursuant to subsection (5) or a reasonable attorney's fee pursuant to subsection (6).

History.—s. 53, ch. 90-136; s. 2, ch. 90-303; s. 1, ch. 94-162.

- 73.041 Acquiring or perfecting title after appropriation.—In any instance, where the petitioner has not acquired the title to or a necessary interest in any lands which it is using, or if at any time after an attempt to acquire such title or interest, it is found to be defective, the petitioner may proceed under this chapter to acquire or perfect such title or interest; provided, however, that the compensation to be allowed the defendants shall be determined as of the date of appropriation. History.—s. 1, ch. 65-369.
- 73.051 Returns; defaults.—Any person interested in or having a lien upon the property, whether named as a defendant or not, may file his or her written defenses to the petition, as a matter of right, on or before the return date set in the notice or thereafter by leave of court. If a defendant does not file his or her defenses on or before the return date, defaults may be entered against the defendant, but nothing shall prevent any person who is shown by the record to be interested in the property from appearing before the jury to claim the amount of compensation that he or she conceives to be due for the property. History.—s. 1, ch. 65-369; s. 1, ch. 70-285; s. 27, ch. 73-333; s. 360, ch. 95-147.
- 73.0511 Prelitigation notice.—Prior to instituting litigation, the condemning authority shall notify the fee owners of statutory rights under s. 73.091. History.—s. 1, ch. 87-148.

73.061 Pretrial hearing.—

- (1) Prior to the date of trial, the court may hold a hearing, in limine, to settle all disputed matters properly before it which must be determined prior to trial. Should it appear that the causes of action joined cannot be conveniently disposed of together, the court may order separate trials; provided, however, that any such actions shall be tried in the county in which the lands are located.
- (2) The court in which an action in eminent domain is pending shall have jurisdiction and authority over any and all taxes and assessments encumbering the lands involved in such actions, and may stay or defer the enforcement of such taxes and assessments, including all applications for tax deeds, foreclosures and other enforcement proceedings, until final termination of such eminent domain actions. The said court may make such orders concerning such taxes and assessments as may be equitable and proper; provided, however, that ad valorem taxes levied upon any such lands shall be prorated against the owner to the date of taking. History.—s. 1, ch. 65-369.

1 iistory. 3. 1, cm. 00 007.

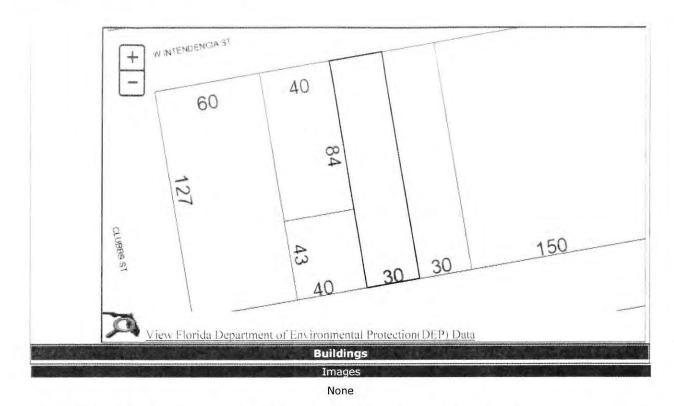

- 73.071 Jury trial; compensation; severance damages; business damages.—
- (1) When the action is at issue, and only upon notice and hearing to set the cause for trial, the court shall impanel a jury of 12 persons as soon as practical considering the reasonable necessities of the court and of the parties, and giving preference to the trial of eminent domain cases over other civil actions, and submit the issue of compensation to them for determination, which issue shall be tried in the same manner as other issues of fact are tried in the circuit courts.
- (2) The amount of such compensation shall be determined as of the date of trial, or the date upon which title passes, whichever shall occur first.
- (3) The jury shall determine solely the amount of compensation to be paid, which compensation shall include:
- (a) The value of the property sought to be appropriated;

(b) Where less than the entire property is sought to be appropriated, any damages to the remainder caused by the taking, including, when the action is by the Department of Transportation, county, municipality, board, district or other public body for the condemnation of a right-of-way, and the effect of the taking of the property involved may damage or destroy an established business of more than 4 years' standing before January 1, 2005, or the effect of the taking of the property involved may damage or destroy an established business of more than 5 years' standing on or after January 1, 2005, owned by the party whose lands are being so taken, located upon adjoining lands owned or held by such party, the probable damages to such business which the denial of the use of the property so taken may reasonably cause; any person claiming the right to recover such special damages shall set forth in his or her written defenses the nature and extent of such damages; and

...

- (4) When the action is by the Department of Transportation, county, municipality, board, district, or other public body for the condemnation of a road, canal, levee, or water control facility right-of-way, the enhancement, if any, in value of the remaining adjoining property of the defendant property owner by reason of the construction or improvement made or contemplated by the petitioner shall be offset against the damage, if any, resulting to such remaining adjoining property of the defendant property owner by reason of the construction or improvement. However, such enhancement in the value shall not be offset against the value of the property appropriated, and if such enhancement in value shall exceed the damage, if any, to the remaining adjoining property, there shall be no recovery over against such property owner for such excess.
- (5) Any increase or decrease in the value of any property to be acquired which occurs after the scope of the project for which the property is being acquired is known in the market, and which is solely a result of the knowledge of the project location, shall not be considered in arriving at the value of the property acquired. For the purpose of this section, the scope of the project for which the property is being acquired shall be presumed to be known in the market on or after the condemnor executes a resolution which depicts the location of the project.
- (6) The jury shall view the subject property upon demand by any party or by order of the court.
- (7) If the jury cannot agree on a verdict the court shall discharge them, impanel a new jury, and proceed with the trial.

Memorandum

File #: 18-00269 City Council 9/13/2018

LEGISLATIVE ACTION ITEM

SPONSOR: City Council Vice President Sherri F. Myers

SUBJECT:

ANALYSIS OF GENTRIFICATION DUE TO URBAN REVITALIZATION

RECOMMENDATION:

That City Council allocate up to \$200,000 or an amount approved by City Council, to hire a consultant to perform an analysis of the impact of urban revitalization in the CRA urban core on the African American population in the city limits and that the consultant provide Council with recommendations to mitigate the dislocation, displacement, economic loss of affordable housing, and community resources in historically African American and low income communities. Further, the City Council direct the Council Executive to partner with the Community Redevelopment Agency staff in developing an RFP for engaging said consultant.

HEARING REQUIRED: No Hearing Required

SUMMARY:

For the past 30 years the African American population has been decreasing due to revitalization of the City's urban core CRA. Beginning with the whole sale removal and relocation of residents of Aragon Court, the African American population continues to decline. Historically African American neighborhoods are disappearing and being replaced by predominately white, wealthy populations. In the last several years there has been a dramatic increase in housing built in what has been traditionally African American communities. The building frenzy to build more and more housing that is out of reach of many low income minorities will escalate the exodus of African Americans from the CRA urban core and west side CRA districts. All over the country communities are rising up against the unbridled gentrification of minority and low income neighborhoods. Many communities are now adopting ordinances aimed at finding ways to stabilize inner city minority communities, rather than replace and dislocating communities. In our rush to "build Pensacola" many low income neighborhoods and individuals are being left in the dust.

The hiring of a consultant to study the potential impacts, both bad and good, on low income minority neighborhoods, will provide the City Council with a road map and strategic plan to engage and empower low income and minority neighborhoods and individuals to live, work, and thrive in the communities that belong to them and that they call home.

Housing Needs Assessment Draft Scope of Work

Task 1. Kick-Off Meeting and Background Review

PES will participate in a kick-off meeting with representatives of the CRA and other entities as desired to discuss the city's housing needs, tools available to the CRA and the City and potential housing projects for the three community redevelopment areas. PES will review existing background reports and studies in preparation for that meeting.

Task 2. Stakeholder Interviews

PES will spend three days interviewing stakeholders, including housing advocates, developers and others to elicit inputs on constraints on affordable housing development, current efforts and planned projects. We will rely on CRA staff to arrange small group meetings and individual stakeholder interviews.

Task 3. Socioeconomic and Demographic Analysis

PES will analyze socioeconomic conditions and demographic trends in the metropolitan area, the City as a whole and the Urban Core, Eastside and Westside Community Redevelopment Areas, drawing on data from the U.S. Census, the American Community Survey and ESRI, a private demographic data provider. The analysis will include trends in population, households, race and ethnicity, household income, household type and composition, household size, householder age, employment by occupations and industry, educational attainment and means of transport. Maps, tables and graphics will illustrate the trends.

Task 4. Existing Housing Market Conditions

PES will document current housing market conditions with a particular focus on the city's rental housing stock. Inventory data regarding age, vacancies, rents and home values will be drawn from the American Community Survey, supplemented by rental housing inventories, assisted housing inventories, building permit data, development pipeline information and recent housing unit sales.

PES will review recent construction and the current development pipeline by project, based on data provided by Planning Services, to quantify the pace and type of construction and identify locational patterns to better understand the private market activity.

We will prepare an inventory of all HUD-assisted and Low-Income Housing Tax Credit developments as well as any other housing developments that have received financial support from the City, analyzing the distribution of units by type, size, income levels served and geography. Developments with expiring affordability restrictions will be identified.

Drawing on a comprehensive inventory of rental developments in the City and region prepared by Axiometrics, PES will prepare an in-depth analysis of the City's rental housing stock, including the mix of housing types and sizes, vacancy rates, rent trends and year built. We will work with the housing inspections staff to identify developments with building code violations.

From these data, PES will prepare an inventory of affordable housing units in developments of 10 or more units (both committed affordable and naturally occurring units) and will identify those at risk for loss.

The inventory will be reorganized to provide estimates of the number of rental and homeownership units available for households at the following income levels: less than 30% of Area Median Income (AMI); 30% - 50% of AMI; 50% - 60% of AMI; 60% - 80% of AMI; 80% - 100% of AMI; 100% - 120% of AMI; and above 120% of AMI.

On the homeownership side, PES will purchase and analyze home sales data to document sales trends by housing type, size and price for the city and by community redevelopment area.

Task 5. Needs Assessment Report

PES will prepare a report that documents the Task 4 housing needs assessment and identifies and quantifies affordable housing deficiencies for the City and the three community redevelopment areas, incorporating graphics, tables and maps. A technical appendix will provide more detailed tabular data.

Task 6. Market Constraints and Opportunities

PES will identify and discuss market constraints that inhibit the production of additional affordable housing, including quantity, quality, housing types and development patterns, supply and demand metrics, affordability thresholds, policies, land development regulations and funding. These issues will be revealed primarily through existing studies and the Task 2 stakeholder interviews.

A memorandum (with accompanying tables) will identify key issues that should be addressed in the Urban Core Community Redevelopment Plan, the Westside Community Redevelopment Plan and the Urban Infill and Redevelopment Area Plan (UIRAP)/Eastside Neighborhood Community Redevelopment Plan.

Task 7. Affordable Housing Projects and Programs

Based on the housing needs identified in Task 5, CRA and stakeholder inputs, the Urban Core Community Redevelopment Plan recommendations and other plans for the Eastside and Westside areas, PES will identify specific affordable housing projects and programs for the three community redevelopment plans. We will recommend programs, projects, policies, land development regulations and housing design, funding mechanisms and other related strategies for affordable housing.

Task 8. Draft Plan Amendments

PES will draft amendments to the three Community Redevelopment Plans for CRA review and approval, coordinating with DPZ.

Task 9. Presentation

PES will present the draft amendments and receive feedback from the CRA.

Task 10. Final Plan Amendments

Based on the CRA feedback, PES will finalize the plan amendments for the three areas' community redevelopment plans.

Task 11. Technical Support

PES will provide technical support during the redevelopment plan adoption process including Planning Board approval, Community Redevelopment Agency approval, City Council public hearing and City Council approval. We anticipate that this will primarily involve answering questions, editing text and other activities that can be handled from our office. We have assumed attendance at the Planning Board, CRA and City Council meetings and one public hearing.

SUBJECT:

AEROSPACE MAINTENANCE REPAIR AND OVERHAUL (MRO) CAMPUS EXPANSION AT PENSACOLA INTERNATIONAL AIRPORT

RECOMMENDATION:

That City Council commit funding in the amount of \$10 million from Local Option Sales Tax Series IV in support of the aerospace maintenance repair and overhaul (MRO) campus expansion. Funding will support the construction of certain airfield infrastructure associated with the proposed development of a second MRO hangar and buildout of an aerospace campus at Pensacola International Airport.

HEARING REQUIRED: No Hearing Required

SUMMARY:

On December 17, 2013 Mayor Hayward executed a nonbinding Memorandum of Understanding with ST Aerospace which allowed the City of Pensacola to begin contract negotiations with VT Mobile Aerospace Engineering Inc. (VT MAE) for the construction and operation of a maintenance, repair, and overhaul (MRO) facility at the Pensacola International Airport. City Council approved the negotiated lease agreement on September 9, 2014. The 173,000 sq. ft. facility officially opened in June 2018 and is on the way to creating 400 new high-wage jobs for the area. On July 18, 2018 the Triumph Gulf Coast Board of Directors unanimously approved a \$56 million grant to the City of Pensacola to allow for development of an expanded MRO Campus.

The Mayor and Staff have a longer term strategy to grow the MRO capacity. Expanding taxiways and aprons to additional development sites will allow for the expansion of MRO capabilities to further diversify the economic development opportunities in the region, create additional high quality jobs, and support the burgeoning aviation industry in the State of Florida.

As part of this strategy and in anticipation of the associated growth, the Mayor and Staff have begun to identify possible funding sources to partially pay for the possible construction of additional facilities.

Pursuant to Section 288.8-17, Triumph Gulf Coast, Inc. was created to make awards from available funds to

projects or programs that meet the priorities for economic recovery, diversification, and enhancement of the disproportionately affected counties including Escambia. On July 5, 2018 an updated application for funds for Pensacola International Airport MRO Aviation Campus was submitted by the City of Pensacola to the Triumph Board of Directors for consideration.

At the July 18, 2018 meeting of the Triumph Board of Directors, the Board voted unanimously in support of preliminary approval of a \$56 million grant supporting major expansions of Pensacola International Airport's maintenance, repair and overhaul facilities stating that this transformative investment will directly create high-paying jobs and generate more jobs in support and supply areas and grow Northwest Florida as a leader in aviation and aerospace. The Triumph grant is contingent upon obtaining funding from other public and private entities in order to finance the cost of the entire MRO Aviation campus. Triumph's funds will be paid over a period of years with each payment dependent upon jobs created and sustained. The next step for the Pensacola project is an agreement on a term sheet that will stipulate, among other things, a payout schedule and performance requirements.

A funding request in the amount of \$12 million was made to the Board of County Commissioners at their September 6, 2018 meeting. However, the Board of County Commissioners voted to contribute \$10 million towards the expansion project, leaving a shortfall of \$2 million. As explained at the FY 2019 Budget Workshops as well as mentioned in the FY 2019 Budget Message, based on receipts for the first eight months of fiscal year 2018, another \$4.3 million may be received over the life of the LOST IV series. Also during the Budget Workshops, the Chief Financial Officer notified City Council that of the \$4.3 million an additional \$2 million would be added for Fiscal year 2021 to bring the City's commitment to \$8 million for the MRO expansion project. In light of the actions of the Board of County Commissioners, the initial \$2 million shortfall is now \$4 million. Therefore, in order to ensure the success of this expansion project, it is recommended that an additional \$2 million be added for Fiscal year 2022 to the City's contribution for a total of \$10 million.

PRIOR ACTION:

June 13, 2013 - City Council adopted a resolution to support the acceptance of a grant offered by the Florida Department of Transportation as a Joint Participation Agreement # 43360229401 in the amount of \$11,090,000 for air commerce park phases I and IA - Infrastructure Development.

which \$1,121,242 will be used towards taxiway connecting future VT MAE facility to runway 17-35.

April 14, 2016 - City Council authorized the Mayor to execute acceptance of the Florida Department of Transportation Joint Participation Agreement # 43571769401 in the amount of \$8,599,600 for construction of a hangar at the Pensacola International Airport.

September 22, 2016 - City Council authorized the Mayor to execute Amendment No. 1 to the contract with Atkins North America.

February 8, 2017 - City Council authorized the Mayor to execute Amendment No. 2 and Amendment No. 3 to the contract with Atkins North America.

March 8, 2018 - City Council authorized the Mayor to execute acceptance of the State of Florida Department of Economic Opportunity Grant Agreement G0009 in the amount of \$4,000,000 for construction of infrastructure related to MRO expansion.

FUNDING:

Budget: \$ 10.000,000 Local Option Sales Tax Series IV

Actual: Unknown At This Time

FINANCIAL IMPACT:

The Fiscal Year 2019 Proposed Budget included \$6 million for Economic Development Initiatives in Fiscal Year 2019. During the Budget Workshops, the Chief Financial Officer notified City Council that an additional \$2 million would be added for Fiscal Year 2021 to bring the City's commitment to \$8 million for the MRO expansion project. As a result of the September 6, 2018 action of the Board of County Commissioners, the additional \$2 million will be added in Fiscal Year 2022 bringing the City's total commitment to \$10 million. The additional \$4 million was made possible through revised revenue estimates based on the estimates received from the State of Florida as well as the revenues received during Fiscal Year 2018. No projects were affected with the additional \$4 million towards the MRO expansion project.

As part of the County's \$10 million contribution, they voted to forgive the \$3.2 million loan to the City from the first phase of the MRO project which was budgeted in FY 2020. This will leave a balance of \$6.8 million due from Escambia County.

If Optionee exercises the Option, and the Parties enter into a definitive ground sublease(s) for one, or more Parcels, the Option Payment paid to date for the Parcel(s) identified in an Exercise Notice (as that term is defined hereinbelow) will be credited towards the Optionee's base rent under such corresponding ground sublease(s).
- b. Option Payment Earned Upon Delivery. Optionee acknowledges and agrees that

the Option Payment constitutes consideration to Optionor for Optionor's agreement to (i) enter into this Agreement with Optionee, (ii) not sell nor lease the Property to another purchaser, lessee, nor tenant while this Agreement is in effect, and (iii) lease the Property to Optionee on certain terms and conditions to be more particularly defined in a definitive ground sublease agreement, provided that Optionee has exercised the Option in the manner provided in Section 5 below. The Option Payment shall be fully earned by Optionor, and due and owing by Optionee, upon the Parties' execution of this Agreement, and shall be non-refundable to Optionee except for (A) a default by Optionor giving Optionee the right to terminate this Agreement, or (B) a termination of this Agreement pursuant to Section 6 below.

- 4. Sublease Agreement. As of the Effective Date, Optionor has presented a proposed form of Ground Sublease Agreement, a copy of which is attached hereto as Exhibit "D" (the "Template Sublease Agreement"). The Parties agree to use the Template Sublease Agreement as a template for negotiations of a definitive ground sublease agreement, and the Template Sublease Agreement will be modified as the parties mutually agree so as to meet the specifics of Optionee's or its assigns' intended use of any Parcel. The Parties do expressly agree as of the Effective date that the "Base Rent" (as that term is defined in the Template Sublease Agreement) under any ground sublease agreement for any Parcel entered into after an Exercise Notice will be the dollar amounts identified in the column identified as Monthly Rent on the attached Exhibit "B", with any increase to such initial Base Rent limited to adjustments based on the Consumer Price Index, using the formula and methodology set forth in the Template Sublease Agreement. Optionor and Optionee expressly agree that all other terms and conditions of any definitive ground sublease agreement for any Parcel will be negotiated using commercially reasonable terms and conditions taking into consideration the specific use of any Parcel as proposed by Optionee or its assigns. The Parties will consider in good faith, any revisions, deletions, and modifications to the final form of any ground sublease agreement in working towards a mutually agreeable definitive ground sublease agreement.
- 5. Exercise of Option. At any time during the Option Term, Optionee may exercise the Option by timely sending Optionor a written notice of Optionee's intention to exercise the Option ("Exercise Notice"). Optionee is expressly permitted to send multiple Exercise Notices to sublease Parcels at different time periods during the Option Term. The exercise of an Option to sublease any individual Parcel shall not affect the continuing rights granted to Optionee under this Agreement as to any Parcels not identified in an Exercise Notice. The Parties agree to work diligently in good faith to enter into a commercially reasonable ground sublease agreement(s) after Optionee's Exercise Notice(s). If Optionee does not timely exercise the Option in the manner described herein on or before the Option Termination Date, the Optionor shall have the right to terminate this Agreement and retain the Option Payment. Thereafter, neither party shall have any further obligations hereunder except for those that expressly survive termination of this Agreement.
- 6. <u>Damage or Destruction</u>. If the Property is totally or partially damaged or destroyed by fire, earthquake, accident or other casualty prior to exercise of the Option through no fault of Optionee, Optionee may cancel this Agreement by giving written notice to Optionor and shall be entitled to the return of the Option Payment. However, Optionee shall have no right to cancel this Agreement if, before Optionee gives notice of cancellation to Optionor, the Property has been repaired or replaced so that it is in substantially the same condition as it was on the Effective Date.
- 7. Obligation to Maintain/Restrictions. During the Option Term, Optionor will maintain the Property in its existing condition and will not make any major removals, alterations or changes thereto, except as may be required by law, and shall affect no changes to the Property's zoning classification, land

use, boundary lines or physical topography unless Optionee, in its sole absolute discretion, consents thereto in writing. City shall keep the Property free of all liens and encumbrances, except for those in effect on even date herewith and identified in a title commitment obtained by Optionee, and delivered to Optionor on or before the Effective Date.

- 8. <u>Default by Optionee</u>. In addition to Optionor's rights in the event that Optionee does not exercise the Option in the manner described in Section 5 before the Option Termination Date, if Optionee fails to perform any of its obligations under this Option Agreement and such failure continues for more than ten (10) days after notice from Optionor, then Optionor may terminate this Option Agreement and retain all Option Payments paid by Optionee and Optionor thereafter shall have no further liability or obligations hereunder. Notwithstanding the foregoing, if a nonmonetary obligation of Optionee is not capable of being performed within such ten (10) day period, Optionee shall be permitted a reasonable period of time to cure such failure, but in no instance will such time extend beyond sixty (60) days after receipt of notice from Optionor.
- 9. <u>Default by Optionor</u>. If Optionor fails to perform any of its obligations or is otherwise in default hereunder, Optionee shall have the right to terminate this Option Agreement, obtain a refund of the Option Payment, and/or to seek such other relief Optionee may have at law or in equity, including, without limitation, seeking injunctive relief to prevent a lease, sublease, or sale of the Property to a party other than Optionee and the filing of an action for specific performance.
- Assignment of Option. This Agreement shall be binding upon and shall inure to the benefit of the Parties hereto and their respective heirs or successors and permitted assigns. Optionee may not assign its interest under this Agreement without the prior consent of Optionor, which consent will not be unreasonable withheld, provided however, Option will be permitted to assign this Agreement without the consent of the Optionor, if (a) Optionee gives Optionor written notice of such assignment at least five (5) days prior to such assignment, and (b) the assignee is a corporation, limited liability company, partnership, other entity, or joint venture of which Quinton D. Studer and Mary P. Studer remain an owner or principal thereof, and (c) Optionee's assignee executes an instrument in form reasonably satisfactory to Optionor agreeing to be bound by all the terms and conditions of this Agreement. Upon any assignment of Optionee's entire interest under this Agreement, Optionee shall be relieved of all further liability under this Agreement.
- 11. <u>Memorandum of Option</u>. Concurrently with the execution and delivery of this Agreement, Optionor and Optionee will execute and acknowledge a Memorandum of Option in the form of that attached as <u>Exhibit "C"</u>, which Optionee, at its sole cost and expense, is authorized to file and record in the public records of Escambia County, Florida.
- Notices. Unless specifically stated otherwise in this Agreement, all notices shall be in writing and delivered by one the following methods: (a) personal delivery, whereby delivery is deemed to have occurred at the time of delivery; (b) overnight delivery by a nationally recognized overnight courier company, whereby delivery is deemed to have occurred the business day following deposit with the courier, (c) registered or certified mail, postage prepaid, return receipt requested, whereby delivery is deemed to have occurred on the third business day following deposit with the United States Postal Service, or (d) electronic transmission (facsimile or electronic mail) provided that such transmission is completed no later than 5:00 pm on a business day and the original is also sent by personal delivery, overnight delivery or by mail for receipt the next business day, in the manner previously described, whereby delivery is deemed to have occurred at the end of the business day on which the electronic transmission is complete. - 13. Attorneys Fees and Costs. In connection with any litigation arising out of this Agreement, the prevailing party shall be entitled to recover all costs incurred including reasonable attorney's fees for services rendered in connection with any enforcement of breach of contract, including appellate proceedings and post judgment proceedings. All legal actions arising out of or connected with this Agreement must be instituted solely in the Circuit Court of Escambia County, Florida, or in the Federal District Court for the First District of Florida, and all Parties hereto do hereby agree to submit to the exclusive personal jurisdiction of such courts.

- 15. Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be deemed an original and all of which when taken together shall constitute one and the same document.
- 16. <u>Time of Essence</u>. Optionor and Optionee hereby acknowledge and agree that time is strictly of the essence with respect to each and every term, condition, obligation and provision hereof and that failure to timely perform any of the terms, conditions, obligations or provisions hereof by either party

will constitute a material breach of and a non-curable (but waivable) default under this Agreement by the party so failing to perform.

Sublessee shall indemnify, defend and hold Sublessor free and harmless from all liens and claims of lien, and all other liability, claims and demands arising out of any work done or material supplied to the Leased Premises by or at the request of Sublessee. All Improvements (expressly excluding, however, movable office furniture and trade fixtures, and trade equipment) shall be deemed to be a part of the real estate and shall remain upon and be surrendered with the Leased Premises upon the termination of this Sublease. Except to the extent otherwise provided in paragraph (a) above with respect to the Initial Improvements, upon commencement of any permitted construction, alteration, removal or demolition, Sublessee shall thereafter diligently and continuously prosecute such work to completion within a reasonable time.
- (d) Prior to commencement of any work on Improvements, Sublessee shall provide to the Sublessor payment and performance bonds obtained by each general contractor of Sublessee ensuring performance of that general contractor's obligations under the prime construction contract between that general contractor and the Sublessee and payment of that contractor's subcontractors and suppliers with respect to the construction, alteration, removal or demolition of Improvements. All persons performing labor or service or furnishing materials to the Leased Premises on the order of Sublessee must look solely to Sublessee for payment. Sublessee shall keep the Leased Premises, Improvements and Park Property free from any construction liens, mechanics liens, vendors liens or any other liens or claims arising out of any work performed, materials furnished or obligations incurred by Sublessee, all of which liens and claims are hereby expressly prohibited, and Sublessee shall defend, indemnify and hold Sublessor harmless from and against any such lien or claim or action thereon, together with costs of suit and reasonable attorneys' fees and costs incurred by Sublessor in connection with any such lien, claim or action. Before commencing any work of alteration, addition, demolition or improvement to the Leased Premises, Sublessee shall give Sublessor at least ten (10) business days' written notice of the proposed commencement of such work (to afford Sublessor an opportunity to post appropriate notices of non-responsibility). In the event that there shall be recorded against the Leased Premises, Improvements or Park Property any claim or lien arising out of any such work performed, materials furnished or obligations incurred by Sublessee and such claim or lien shall not be removed or discharged within thirty (30) days of filing, Sublessor shall have the right but not the obligation to pay and discharge said lien without regard to whether such lien shall be lawful or correct, or to require that Sublessee promptly deposit with Sublessor in cash, lawful money of the United States, one hundred fifty percent (150%) of the amount of such claim, which sum may be retained by Sublessor until such claim shall have been removed of record or until judgment shall have been rendered on such claim and such judgment shall have become final, at which time Sublessor shall have the right to apply such deposit in discharge of the judgment on said claim and any costs, including reasonable attorneys' fees and costs incurred by Sublessor, and shall remit the balance thereof to Sublessee. Sublessor shall have the right to execute and record in the public records of Escambia

County, Florida, a notice of provisions of this paragraph, meeting the requirements of Section 713.10, Florida Statutes.

- 5. RENT COMMENCEMENT DATE. As used in this Sublease, the Rent Commencement Date shall mean the earliest of (a) the date the Initial Improvements are occupied and used for the purposes permitted by Section 2 above, (b) the date the Initial Improvements are completed in accordance with Section 4(a) above, or (c) 180 days after the Sublease Effective Date.

Promptly after the occurrence of the Rent Commencement Date, the Parties shall enter into an amendment to this Sublease confirming the Rent Commencement Date and the expiration date of the Term.

7. RENT; CAM CHARGES; AND BROKER'S COMMISSION.

- (a) <u>Base Rent</u>. Beginning on the Rent Commencement Date and continuing during the remainder of the Term, and as compensation for the use of the Leased Premises, Sublessee shall pay the Sublessor annual base rent in the amount of \$______ (the "Base Rent"), payable in twelve (12) equal monthly installments in accordance with paragraph (b) below (each such monthly installment being referred to herein as a "Monthly Rent Payment"), subject to adjustment as provided in paragraphs (c) and (d) below. Prepayment of Base Rent may be permitted upon such terms and conditions as the Parties shall mutually agree, in the sole and absolute discretion of each Party, if, but only if, such agreement is set forth in a written instrument duly executed by all Parties.
- (b) <u>Base Rent Payment Terms</u>. Each Monthly Rent Payment shall be due and payable in advance, without invoicing, notice, demand, deduction or set-off, on the first (1st) day of each calendar month beginning on the Rent Commencement Date and continuing during the remainder of the Term; provided that the first Monthly Rent Payment shall be pro-rated according to the Rent Commencement Date and the number of days remaining in the month in which the Rent Commencement Date occurs, and shall be due and paid by Sublessee to the Sublessor on the Commencement Date.
- (c) <u>Automatic Periodic Adjustments to Base Rent</u>. The term "Lease Year" as used herein shall mean a period of twelve (12) consecutive months. The first (1st) Lease Year shall begin on the Rent Commencement Date if the Rent Commencement Date is the first (1st) day of a month; otherwise, the first (1st) Lease Year shall commence upon the first (1st) day of the following month. Each succeeding Lease Year shall commence on the next day after the last day of the immediately preceding Lease Year. Effective annually on each anniversary of the first day of the first Lease Year, the annual Base Rent shall be increased in direct proportion to the increase, if any, of the

CPI (hereinafter defined) for the third month prior to such anniversary (the "New CPI") over the CPI for the same month one year earlier (the "Base CPI") as follows: The Base Rent for the Lease Year immediately preceding such anniversary shall be multiplied by a fraction, the numerator of which shall be the New CPI and the denominator of which shall be the Base CPI. The product of such multiplication shall be the new annual Base Rent for the new Lease Year that commences on such anniversary date, and such adjusted Base Rent shall be in effect during the remainder of the Term, subject to further adjustments in accordance with this paragraph (c) and paragraph (d) below. In no event, however, shall the annual Base Rent for such new Lease Year be less than the annual Base Rent for the immediately preceding Lease Year. As used herein, "CPI" shall mean the Consumer Price Index for All Urban Consumers (CPI-U), U.S. City Average, All Items, not seasonally adjusted, 1982-84 = 100 reference base, published by the Bureau of Labor Statistics of the United States Department of Labor. If the Bureau of Labor Statistics of the United States Department of Labor ceases publishing the CPI or materially changes the method of its computation, components, base year, consumers whose experiences are included therein or other features thereof, a comparable index published by a governmental agency, responsible financial periodical, trade association or educational institution selected by the Sublessor, in its sole discretion, shall be substituted for the CPI and used in making the computations required herein.

Market Rate Adjustments to Base Rent. At the conclusion of the (d) Lease Years Inote: time periods for market rate adjustments will vary according to length of sublease term] the annual Base Rent shall be adjusted to an amount equal to the Market Rate Rent (as hereinafter defined), and such adjusted Base Rent shall be in effect during the remainder of the Term, subject to further adjustment as provided in paragraph (c) above and this paragraph (d); provided, however, that in no event shall such adjusted Base Rent be less than the Base Rent determined in accordance with paragraph (c) above. For the purposes of this Sublease, the "Market Rate Rent" shall mean the most probable ground rent, that the Leased Premises should bring in a competitive and open market reflecting all conditions and restrictions of this Sublease, including without limitation term, rental adjustment and revaluation, permitted uses, use restrictions and expense obligations, the sublessor and sublessee each acting prudently and knowledgeably, and assuming consummation of a sublease contract as of the date that is sixty (60) days prior to the date the adjusted Base Rent would become effective pursuant to this paragraph (the "Adjusted Rent Effective Date"), and assuming the passing of the subleasehold estate from sublessor to sublessee under conditions whereby:

- (1) Sublessor and sublessee are typically motivated.
- (2) Both parties are well informed or well advised, and acting in what they consider their best interests.

- (3) A reasonable time is allowed for exposure in the open market.
- (4) The rent payment is made in terms of case in United States dollars and is expressed as an amount per time period consistent with the payment schedule of this Sublease.
- (5) The rental amount represents the normal consideration for the Leased Premises unaffected by special fees or concessions granted anyone associated with the transaction.

During the time period between ninety (90) days and sixty five (65) days prior to the Adjusted Rent Effective Date, Sublessor and Sublessee shall negotiate in good faith to agree on the Market Rate Rent. If Sublessor agrees in writing on the Market Rate Rent (whether during the foregoing time period or thereafter), then such mutually agreed Market Rate Rent shall be conclusively binding upon Sublessor and Sublessee. If Sublessor and Sublessee fail to agree upon the Market Rate Rent during such time period, then the Market Rate Rent shall be determined by appraisers as follows:

Not less than sixty (60) days prior to the Adjusted Rent Effective Date, Sublessee shall retain, at its sole expense, an appraiser who shall prepare a written market rent appraisal report setting forth such appraiser's opinion of the Market Rate Rent and the rationale and data supporting such opinion. Sublessee shall deliver such appraisal report to Sublessor not less than thirty (30) days prior to the Adjusted Rent Effective Date. If the Sublessor disagrees with the Market Rate Rent as determined by such appraisal report, then not less than twenty (20) days prior to the Adjusted Rent Effective Date, Sublessor shall retain, at its sole expense, an appraiser who shall prepare a written market rent appraisal report setting forth such appraiser's opinion of the Market Rate Rent and the rationale and data supporting such opinion. Sublessor shall deliver such appraisal report to Sublessee not less than ten (10) days after the Adjusted Rent Effective Date. In the event the two (2) appraisers agree on the Market Rate Rent, their determination of the Market Rate Rent shall be conclusively binding upon Sublessor and Sublessee. In the event that the determination of the Market Rate Rent set forth in the two appraiser's determinations differ by ten percent (10%) or less, then the Market Rate Rent shall be equal to the average of the two determinations, and such Market Rate Rent shall be conclusively binding upon Sublessor and Sublessee. In the event that the two appraisers' respective determinations of Market Rate Rent differ by greater than 10%, then Sublessor and Sublessee shall cause their respective appraisers to designate a third appraiser not less than twenty (20) days after the Adjusted Rent Effective Date. Upon such designation of a third appraiser, Sublessor and Sublessee shall promptly jointly retain such third appraiser and furnish such third appraiser with the market rent appraisal reports prepared by the other two appraisers. The third appraiser shall evaluate such appraisal reports and their respective determinations of Market Rate Rent and shall determine the Market Rate Rent within twenty (20) days after his or her appointment, which determination shall be no lower or higher than the other two

determinations. The determination of the Market Rate Rent by such third appraiser shall be conclusively binding upon Sublessor and Sublessee.

Sublessor and Sublessee shall each pay the fee of the appraiser it retains, and the fees of the third appraiser (if any) shall borne equally by Sublessor and Sublessee. All appraisers engaged pursuant to this paragraph (d) shall be M.A.I. certified appraisers with at least six (6) years full time commercial appraisal experience, (ii) shall have demonstrable substantial experience in market rent appraisals of properties comparable to the Leased Premises, and (iii) shall adhere to the parameters set forth in this paragraph (d). Once the Market Rate Rent is determined, the parties shall execute an amendment to this Sublease specifying the amount of the adjusted Base Rent.

If for any reason the Market Rate Rent shall not have been determined prior to the Adjusted Rent Effective Date, then, until the Market Rate Rent is finally determined, Sublessee shall pay the monthly Base Rent required by paragraph (c) above. Upon final determination of the Market Rate Rent, the adjusted Base Rent equal to such Market Rate Rent shall be deemed effective retroactively to the Adjusted Rent Effective Date, and Sublessee shall promptly pay to Sublessor any shortfall in the payment of Base Rent from the Adjusted Rent Effective Date to the date of such final determination.

- (e) <u>Percentage Rent</u>. [Include Percentage Rent provision if appropriate for permitted use]
 - (1) Percentage Rent. In addition to the Base Rent provided for hereinabove, Sublessee shall pay the Sublessor percentage rent ("Percentage Rent") equal to ______percent (_____%) of the excess of the annual Gross Sales (hereinafter defined) in each full Lease Year and the Final Partial Lease Year (hereinafter defined), if any, over the corresponding Base Amount (hereinafter defined). Percentage Rent for each full Lease Year and the Final Partial Lease Year if any, shall be due and payable on _____ [month and day] immediately following the last day of such year during the Term and on [month and day] after the termination of this Sublease.

As used in this Sublease, the term "Gross Sales" shall mean the total amount in dollars of the aggregate actual sales price, whether for cash or on credit or partly for cash and partly on credit, of all sales of food, beverage, merchandise and services, including all gift and merchandise certificates, all credit charges and carrying charges and all other receipts of business conducted by the

Sublessee or anyone else in, from, upon, or in any way connected with the Leased Premises, including without limitation all sales to employees of Sublessee or anyone else; all mail, telephone and other sales and orders received or taken in or from the Leased Premises whether or not such sales and orders are filled elsewhere; all mail, telephone and other sales and orders filled at or from the Leased Premises whether or not such sales and orders are taken in or from the Leased Premises; receipts and sales through any vending machine or other coin-operated device; receipts and sales through any catering or similar service operated at, from or in any way connected with the Leased Premises; sales by any assignee, sub-sublessee, concessionaire, licensee or any other person or persons permitted by Sublessee to use the Leased Premises or any portion thereof; and all revenues and receipts of any kind or nature derived, generated or arising from or in connection with the Leased Premises or the operation or use thereof by the Sublessee or anyone else. Notwithstanding any contrary provision of the foregoing, however, Gross Sales shall not include any refunds to customers or any sums collected and paid out for any sales tax imposed by any duly constituted governmental authority if such tax is stated and collected separately from the price of the merchandise or service sold. As used in this Sublease, the term "Final Partial Lease Year" shall mean the period from the first day of the Lease Year in which this Sublease terminates through and including the date on which this Sublease terminates, but only if this Sublease terminates on a date other than the last day of such final Lease Year.

- (3) Survival of Percentage Rent Obligation. Notwithstanding any contrary provision in this Sublease or any contrary rule of law, Sublessee's obligation to pay Percentage Rent for the final Lease Year or Final Partial Lease Year, as the case may be, as well as all preceding Lease Years, shall survive the termination of this Sublease and shall continue in effect until all such Percentage Rent has been paid in full.

The acceptance by the Sublessor of payments of Percentage Rent shall be without prejudice to the Sublessor's right to examine all books, records and accounts relating to Gross Sales and inventories of merchandise in order to verify the amount of Gross Sales made in, at or from the Leased Premises or in any way related to the Leased Premises.

- (6)Audit. At its option at any reasonable time upon seven (7) days prior written notice to Sublessee, the Sublessor may cause a complete audit to be made of Sublessee's business affairs and records relating to the Leased Premises for any period of time during the Term, which period of time shall be stated in the written notice delivered to Sublessee, and Sublessee shall cooperate fully in such audit and make available to the auditor all books, records, accounts and other information requested by In addition, Sublessee shall contractually require all assignees, sub-sublessees, concessionaires, licensees and other persons conducting business in, at or from the Leased Premises during the Term to permit the Sublessor to cause a complete audit to be made of each such person's business affairs and records relating to the Leased Premises for any period of time during the Term, which period of time shall be stated in the written notice delivered to such person, and to cooperate fully in such audit and make available to the auditor all books, records, accounts and other information requested by such auditor. Sublessee shall promptly pay to the Sublessor the cost of said audit; otherwise, the Sublessor shall be solely responsible for the cost of said audit. If such audit or audits disclose that Sublessee has overpaid Percentage Rent for such period of time, the Sublessor shall promptly refund such overpayment to Sublessee upon demand. Any information obtained by the Sublessor as a result of such audit or audits shall be held in strict confidence by the Sublessor. The Sublessor may cause any audits authorized hereunder to be made by any auditor acceptable to the Sublessor, including without limitation the agents and employees of the Sublessor, and the reasonable costs of the audit shall be paid as herein provided regardless of the auditor selected.

Such CAM Charges shall include, without limitation, the reserves, costs and expenses itemized in Exhibit "A" attached hereto and incorporated herein by reference. Sublessee shall pay Sublessee's Share of CAM Charges in equal monthly installments, commencing on the Rent Commencement Date and continuing on the first day of each month thereafter during the Term of this Sublease, based upon Sublessor's estimated CAM Charges for its then current fiscal year. Without limiting the foregoing, it is a precondition to Sublessor review and approval of a requested assignment that there shall then exists no uncured Event of Default nor any event or state of facts which with notice or the lapse of time, or both, would constitute an Event of Default. In the event that the Sublessee requests permission to assign this Sublease, in whole or in part, the request shall be submitted to the Sublessor not less than sixty (60) days prior to the proposed effective date of the assignment requested, and shall be accompanied by a copy of the proposed assignment agreement and of all agreements collateral thereto, together with the following information and any other information requested by the Sublessor: the identity and contact information of the assignee, whether the requested assignment is a full or partial assignment of this Sublease, a statement of the entire consideration to be received by the Sublessee by reason of such assignment, the type of business to be conducted on the Leased Premises by the assignee, and history and financial information of the Assignee. As provided in Section 42(c) below, all rights and privileges exercisable by the Sublessor under this paragraph (a) shall be exercisable only by the Pensacola City Council.

Further, the Sublessor may, in its sole and absolute discretion, condition its consent to any such sub-sublease upon changes in any terms or conditions of this Lease, including but not limited to changes in the Base Rent and other charges payable by the Sublessee hereunder, and may also condition its consent to any such subsublease upon the Sublessee's payment to the Sublessor of (i) a portion, acceptable to the Sublessor, of the amount of the excess of the rent and other charges payable from time to time by the sub-sublessee to the Sublessee over the Rent and other charges payable from time to time by the Sublessee to the Sublessor under this Sublease, as determined by the Sublessor in its sole and absolute discretion, and (ii) a sublease approval fee acceptable to the Sublessor in its sole and absolute discretion, determined

on the basis of such factors as the Sublessor deems relevant in its sole and absolute discretion, which factors may include, without limitation, the Sublessor's estimate of the financial and economic consideration payable to the Sublessee in respect of such subsublease. In the event that the Sublessee requests permission to sub-sublease the Leased Premises in whole or in part, the request shall be submitted to the Sublessor not less than sixty (60) days prior to the proposed effective date of the sub-sublease requested, and shall be accompanied by a copy of the proposed sub-sublease agreement and of all agreements collateral thereto, together with the following information and any other information requested by the Sublessor: the identity and contact information of the sub-sublessee, a description of the part of the Leased Premises to be subleased, a statement of the entire consideration to be received by the Sublessee by reason of such sub-sublease (including but not limited to sub-sublease rent and other charges payable by the sub-sublessee), the type of business to be conducted on sub-subleased premises by the sub-sublessee, and history and financial information of the sub-sublessee. Failure either to obtain the Sublessor's prior written consent or to comply with the provisions of this Sublease shall serve to prevent any such transfer, assignment, or sublease from becoming effective. The Sublessee agrees and acknowledges that it shall remain fully and primarily liable for all obligations of sublessee under this Sublease, notwithstanding any full or partial assignment of this Sublease or any sub-sublease of all or any portion of the Leased Premises. Receipt by Sublessor of Rent or any other payment from an assignee, sub-sublessee, or occupant of the Leased Premises shall not be deemed a waiver of any covenant in this Sublease against assignment and subletting or as acceptance of the assignee, sub-sublessee, or occupant as a tenant or a release of the Sublessee from further observance or performance of the covenants contained in this Sublease. No provision of this Sublease shall be deemed to have been waived by the Sublessor, unless such waiver is in writing, signed by the Sublessor. Further, by applying for consent to an assignment or sub-sublease, the Sublessee agrees to reimburse the Sublessor for its out-of-pocket costs for consultants, attorneys, and experts to evaluate the request, to advise the Sublessor with respect thereto and to prepare or review appropriate documents. As provided in Section 42(c) below, all rights and privileges exercisable by the Sublessor under this paragraph (c) shall be exercisable only by the Pensacola City Council.

- 10. IMPROVEMENTS. This Sublease represents a ground lease only. During the Term, Sublessee shall own all improvements constructed on the Leased Premises. Upon the expiration or termination of this Sublease for any reason, the Improvements on the Leased Premises shall automatically be and become the sole property of Sublessor, and Sublessee shall have no further right, title or interest therein.
- CONDITION OF PREMISES. SUBLESSEE HEREBY ACKNOWLEDGES AND AGREES THAT THE SUBLESSOR SUBLEASES THE LEASED PREMISES AND SUBLESSEE ACCEPTS THE LEASED PREMISES "AS/IS, WHERE IS AND WITH ALL FAULTS" WITHOUT ANY REPRESENTATION OR WARRANTY OF SUBLESSOR, EXPRESS OR IMPLIED, OF ANY KIND WHATSOEVER. SUBLESSEE ACKNOWLEDGES THAT THE SUBLESSOR HAS MADE NO REPRESENTATIONS OR WARRANTIES RELATING TO THE SUITABILITY OF THE LEASED PREMISES FOR ANY PARTICULAR USE OR PURPOSE (INCLUDING WITHOUT LIMITATION THE USE SET FORTH IN SECTION 2 ABOVE) AND THAT THE SUBLESSOR SHALL HAVE NO OBLIGATION WHATSOEVER TO REPAIR, MAINTAIN, RENOVATE OR OTHERWISE INCUR ANY COST OR EXPENSE WITH RESPECT TO THE LEASED PREMISES OR PARK PROPERTY EXCEPT AS EXPRESSLY SET FORTH IN THIS SUBLEASE. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THE SUBLESSOR SHALL NOT BE LIABLE FOR ANY LATENT OR PATENT DEFECTS IN THE LEASED PREMISES OR PARK PROPERTY, AND THE SUBLESSOR SHALL NOT HAVE ANY LIABILITY OR RESPONSIBILITY TO SUBLESSEE FOR ANY LOSS, DAMAGE OR EXPENSE INCURRED BY SUBLESSEE OCCASIONED BY THE CONDITION OR CHARACTERISTICS OF THE LEASED PREMISES OR PARK PROPERTY. FURTHER, SUBLESSOR HEREBY DISCLAIM ANY AND ALL EXPRESS AND IMPLIED WARRANTIES AS TO THE CONDITION OF THE LEASED PREMISES AND THE PARK PROPERTY, INCLUDING WITHOUT LIMITATION ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, HABITABILITY OR TENANTABILITY.

Further, Sublessee shall at all times maintain the Leased Premises in a safe, neat and orderly manner; free from trash, debris or other unsafe, unsightly or unsanitary matter. Without limiting the generality of the foregoing, upon completion of the Initial Improvements, Sublessee shall not thereafter demolish, remove or materially alter the Initial Improvements or any portion thereof except pursuant to and in accordance with Section 4 above. Subject to provisions contained herein, the arbitrator shall have the jurisdiction and authority to decide a grievance as defined in this Article, and to enforce compliance with the terms and conditions of the Agreement.

- Arbitrability: Issues of arbitrability shall be bifurcated from the (1) substantive issues(s) and, whenever possible, determined by means of a hearing conducted by conference call. The parties may jointly select an arbitrator or utilize FMCS to obtain an arbitrator for this conference call hearing. However, if the parties can't mutually agree on an arbitrator then either party may request a panel list of seven (7) arbitrator names from FMCS. The strikeout method shall be utilized with the person requesting said panel to strike first. The arbitrator shall have ten (10) days from the hearing to issue a decision on arbitrability. The parties agree that the non-prevailing party at the arbitrability hearing shall be solely liable for the arbitrator's fees not to exceed \$1,000.00 and if said arbitrator's fee exceeds \$1,000.00 then that excess amount shall be equally split between the parties and attorney's fees of the prevailing party up to \$500.00. If the issue(s) is/are judged to be arbitrable, a different arbitrator may then be selected using the above method to hear the substantive issue(s) in accordance with the provisions of this agreement. All other provisions of this agreement shall remain in full force in effect.
- C. Once an arbitrator has been notified of his/her selection, the date for the arbitration hearing will be set as soon as practicable.
- D. All testimony given at the arbitration hearing shall be under oath.
- E. Post-hearing briefs may be filed at the request of either party or the arbitrator.
- F. The arbitrator shall render his/her decision within thirty (30) days of receipt of post-hearing briefs or of the close of the hearing, whichever is later.
- G. The arbitrator shall have jurisdiction and authority to decide the grievance, as defined in this Article. However, the arbitrator shall have no authority to change, modify, amend, ignore, add to, subtract from, or otherwise alter or supplement the Agreement or any part thereof or any amendment thereto.
- H. The arbitrator shall consider only the specific issue(s) submitted to him/her in writing by the parties, and shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration, or which is not specifically covered by this Agreement.
- I. Any event that occurred or failed to occur prior to the effective date of this Agreement shall not be the subject of any grievance hereunder, nor shall the arbitrator have the power to make any decision concerning such a matter.

- J. The arbitrator's decision shall be exclusively based upon specific findings of fact and conclusions which shall be the predicate for any decision. In rendering any decision, the arbitrator shall only consider the written, oral, or documentary evidence submitted at the hearing.
- K. The arbitrator may not issue declaratory or advisory opinions. The arbitrator shall be confined exclusively to the issue(s) presented to him/her, which issue(s) must be actual and existing.
- L. The decision of the arbitrator shall be final and binding on all parties, subject to those challenges permitted by law. However, the authority and responsibility of the Employer as provided by Chapter 447, Florida Statutes, and the Charter of the City of Pensacola shall not be usurped in any manner unless specifically amended or modified by this Agreement.
- M. Each party shall bear the cost of its own witnesses and representatives. The parties shall bear equally the cost of the arbitrator. Any party requesting a copy of the transcript of the arbitration hearing shall bear the cost of it.
- N. It is specifically and expressly understood that taking a grievance to arbitration constitutes an election of remedies and a waiver of any and all rights by the appealing party and all persons whom it represents.

ARTICLE 26 INJURY-IN-LINE-OF-DUTY/DISABILITY BENEFITS

26.1 Compensation for Job – Incurred Injury or Illness

A. General

The State of Florida has a Worker's Compensation statute to which the City of Pensacola adheres. The purpose of this coverage is to provide some degree of payment to those employees who become temporarily or permanently disabled due to illness or injury incurred on the job. The following rules will serve to delegate responsibility for proper handling of all such cases, claims, and relevant forms.

In compliance with the Federal Americans with Disabilities Act, the Family Medical Leave Act, and other applicable federal and state laws, each employee injured in a job-related accident will be assured of their job when released to return to duty. If the employee is unable to return to their normal job, every reasonable effort will be made to ensure that the employee will be placed in another position within the City structure commensurate with their physical limitations.

Upon injury or illness and filing of the First Notice of Injury or Illness report where lost time from work or medical expenses are incurred, a letter will be sent to the injured employee notifying the employee that in the event they are unable to resume their usual duties due to physical limitations from the injury or illness, every reasonable effort will be made to ensure that they will be placed in another position within the City structure commensurate with their physical limitations.

B. Report of Injury and Examination

Each incident involving bodily injury sustained on the job by a City employee shall be reported to the employee's supervisor during the course of the shift in which the accident occurred. The employee shall be referred to the City Clinic where a preliminary examination will be made and the Injury or Illness Report (PF-351) is initiated. A copy of this report shall be returned immediately to the employee's supervisor and the Human Resources Office. In cases of severe injury or extreme emergencies the injured employee should be taken to the nearest hospital emergency room and the supervisor should notify the City Clinic.

If in the opinion of the nurse or physician the injury requires more advanced or specialized treatment, the employee will be referred to the physician chosen by the City. The attending physician upon examination shall then determine, in conjunction with the City Physician:

Where loss of time from work is indicated, the City Clinic, with assistance from the Department of Human Resources, shall arrange for continuation of proper medical care and supervision. The City Clinic must approve all time off from work.

When transitional duties or accommodations are indicated or appropriate, these shall be arranged by the City Clinic, the supervisor, and/or Department Director with approval of the Human Resources Director. If the employee is unable to return to their normal duty due to physical limitations set forth by their physician, in accordance with the Americans with Disabilities Act, every reasonable effort will be made to ensure that the employee will be placed in another position with the City structure that accommodates their physical restrictions.

In all cases, the City Clinic shall arrange for the initiation of proper State Compensation forms as required (these are mandatory in all cases regardless of loss time or incurrence of medical expense).

C. Temporary Total or Temporary Partial Disability

All time off work due to a job-related injury/illness must be approved by the City Physician/City Nurse.

If loss time is incurred, continuation of salary under Florida Statute requires that a compensable injury or illness be paid for at the rate of 66 2/3 % of the employee's average earnings to a maximum as established by the State. However, the City will compensate in the following manner for each temporary total or temporary partial disability caused by an initial on the job injury. In determining the period of time listed below, all absences shall be cumulative calendar days.

- (1) The injured employee may be paid 100% salary for no longer than ninety (90) day, without using accumulated leave.
- (2) During the above ninety (90) day period of 100% compensation, the employee will receive all workers' compensation monies and those amounts will be deducted from the employee's normal salary.
- (3) After the ninety (90) day period, an employee may at their option use up to thirty (30) days accumulated PTO leave. The employee will then keep their Worker's Compensation checks without further payroll deductions. To qualify for compensation from the City funds, the employee must present sufficient evidence of their disability and the City Physician shall determine the eligibility of such claims. At the end of the ninety (90) day loss time period for an "on-the-job" injury, when no other leave is available, the employee must return to full active duty or be placed in another position within the City structure that is commensurate with their physical restrictions. This is to be determined by the City Physician, in conjunction with the Human Resources Director.

(4) At the end of the ninety (90) day period, plus the expiration of accumulated PTO leave, used at the employee's option, an employee must have returned to work in his/her normal duty or other duty within the City structure commensurate with their physical restrictions. It is the intent of this section that no employee shall remain off work and be on the regular payroll for any more than ninety (90) days, plus a maximum or thirty (30) days of accumulated PTO leave due to an onthe-job injury.

D. Recurring Injuries

For recurring complications relevant to a particular previous lost-time injury following a return to active duty, the City of Pensacola will begin compensation as of the first day of the recurrence provided the employee has reported such on the first day of the recurrence to the City Clinic, and the City Physician or City Clinic has given authorization for leave.

(5) Separation from service.

- 12. Pursuant to Florida Statute 185.35 mutual consent is required for deviations from the default rules on the use of premium tax revenues. The Police Officer's Retirement Fund states the following use of the insurance proceeds in Section 9-5-21(a)(1). "Prior to January 2, 2013, the net proceeds of any excise or license tax under F.S. § 185.08, as amended, imposed by the City or the State of Florida upon certain casualty insurance companies on their gross receipts of premiums from holders of policies, which policies cover property within the corporate limits of the City. Such revenue shall first be used to fund the benefit increase provided in subsection 9-5-23(a)(ii)(a) and (b), and then any remaining revenue shall be used for the remaining benefits of the plan. If the receipt of this revenue is not sufficient to pay all benefits of the plan, nevertheless, all of the plan benefits shall be paid;" As a part of the contract both parties mutually consent to use the insurance proceeds and any accumulated insurance proceeds balance (reflected in the Police Officer's Pension Fund actuarial valuation) as stated in this paragraph.
- 13. For the purpose of estimating an employee's pension benefit bargaining unit members can request the City to calculate their estimated pension benefit twice within five years of retirement at no cost to the employee.

ARTICLE 36 PROMOTIONS

36.1 Promotional Procedures Overview.

The City will continue to follow the status quo concerning the promotional process as outlined below.

When a vacant position is to be filled by promotion within the Police Department, through competitive examination these procedures will be followed:

A promotional eligible list will be certified that contains the names of the top five (5) applicants and ties, having the highest total exam score. Any person on the list is eligible for promotion. If a promotional register contains less than five (5) names and an additional examination is requested, successful examinees will be listed in order behind the existing names on the promotional register. If qualifications substantially change, a register may be cancelled and a new register established. A new register requires a new application and examination of each applicant.

All persons within the department who meet the minimum qualifications may apply and take a promotional examination. When a position is announced, a job bulletin will be distributed and open for a minimum of five (5) working days prior to the application

deadline. Applicants must apply by the application deadline and supply necessary records, licenses, certificates, transcripts, etc.

Examinations will be practical and objectively measure the relative capabilities of the applicant to perform the target position. The examination process may include a written test, an interview, a performance test, an evaluation of training and experience, supervisory efficiency rating, assessment centers, psychological tests, or other accepted assessment, or any combination thereof. Examination components may be weighted, but will total 100%.

Passing scores are required on a promotional examination before an employee is eligible for promotion. When a passing score is attained, the total examination score may be augmented by veteran preference points (per Florida statutes), education points, and seniority points as defined below.

Eligible registers are in effect for one year, unless extended by request of the appointing authority.

APPENDIX C

CITY OF PENSACOLA DRUG-FREE WORKPLACE HANDOUT

City of Pensacola, FL

Drug Free Workplace Policy

I. STATEMENT OF POLICY

City of Pensacola, hereafter known as the "Employer" strives to provide a safe work environment and encourages personal health. In this regard, the Employer considers the abuse of drugs on the job to be an unsafe counter-productive work practice. Furthermore, we see substance abuse as a serious threat to our staff and the public. With these objectives in mind, the Employer has established the following policy with regard to the use, possession, and sale of illegal drugs and alcohol at work. FL Statutes 112.0455 Drug-Free Workplace Act.

Drug use has serious adverse effects upon a significant portion of the workforce, resulting in billions of dollars of lost productivity each year and posing a threat to the workplace and to public safety and security. Drug use creates a variety of workplace problems, including increased injury on the job, increased absenteeism, increased financial burden on health and benefit programs, increased workplace theft, decreased employee morale, decreased productivity, and a decline in the quality of products and services.

Drug addiction is a complex, yet treatable disease. We encourage those who abuse drugs or alcohol to seek help in overcoming their problem and participate in an alcohol and drug rehabilitation program.

Prior to testing, employees and job applicants shall be given a written policy statement. The ultimate goal of this policy is to balance our respect for individual privacy with our need to keep a safe and drug free environment within government through fair and reasonable drug testing methods for the protection of public employees and employers. Our intention is to prevent and treat substance abuse.

It is the Employer's policy that an employee found with the presence of illegal drugs and/or alcohol in his/her system, in possession of, using, selling, trading, or offering for sale illegal drugs during working hours, at government functions, or on city premises (including parking lots) may be subject to disciplinary action up to and including discharge. The use of any over the counter products that contain illegal drugs is expressly prohibited. Anyone observing a violation of this policy must report it to his or her immediate supervisor, and that violation be reported to the Department Administrator.

Drugs prescribed by employee's physician may be taken during work hours. The employee should notify the supervisor if the use of properly prescribed medication will affect the employee's work performance. Abuse of prescription drugs will not be tolerated.

Employees must be in compliance with all federal drug laws and the Federal Controlled Substance Act and the Florida Drug Free Workplace Act, Chapter 112. Any and all information gathered as a result of the drug testing program is confidential and may not be disclosed except in accordance with procedures allowed under the Federal/State Statute, County or City policy.

As a condition of employment, employees must abide by the terms of this policy and must notify the Employer in writing of any conviction of a violation of a criminal drug statute no later than five calendar days after such conviction.

II. DEFINITIONS

DEFINITIONS. Except where the context otherwise requires, as used in this act:

- (a) "Drug" means alcohol, including distilled spirits, wine, malt beverages, and intoxicating liquors; amphetamines; cannabinoids; cocaine; phencyclidine (PCP); hallucinogens; methaqualone; opiates; barbiturates; benzodiazepines; synthetic narcotics; designer drugs; or a metabolite of any of the substances listed herein.

- (d) "Confirmation test," "confirmed test," or "confirmed drug test" means a second analytical procedure used to identify the presence of a specific drug or metabolite in a specimen. The confirmation test must be different in scientific principle from that of the initial test procedure. This confirmation method must be capable of providing requisite specificity, sensitivity, and quantitative accuracy.

- (k) "Reasonable suspicion drug testing" means drug testing based on a belief that an employee is using or has used drugs in violation of the employer's policy drawn from specific objective and articulable facts and reasonable inferences drawn from those facts in light of experience. Reasonable suspicion drug testing may not be required except upon the recommendation of a supervisor who is at least one level of supervision higher than the immediate supervisor of the employee in question. Among other things, such facts and inferences may be based upon:
- 1. Observable phenomena while at work, such as direct observation of drug use or of the physical symptoms or manifestations of being under the influence of a drug.
- 2. Abnormal conduct or erratic behavior while at work or a significant deterioration in work performance.

- 3. A report of drug use, provided by a reliable and credible source, which has been independently corroborated.

III. POLICY AND WORK RULES

The Employer's policy is to employ a workforce free from the use of illegal drugs either on or off the job, and free from alcohol in the workplace. Any employee determined to be in violation of this policy is subject to disciplinary action up to and including termination, even for the first offense. It is a Standard of Conduct of the Employees of this Employer that employees shall not use illegal drugs or abuse legal ones. In order to maintain this standard, the Employer shall establish and maintain the programs and rules set forth here.

Employees/applicants who are directed by the City clinic staff or supervisor to report to the clinic or an approved collection facility, for a drug/alcohol test and refuse to take a drug or alcohol test may result in a refusal to hire; the employee forfeiting his or her eligibility for medical and indemnity benefits under State Workers' Compensation; and is cause for disciplinary action up to, and including, dismissal of the employee which may also cause denial of Unemployment Compensation.

A. Drug Testing Standards

All testing will be conducted by an Agency for Health Care Administration approved laboratory; positive and negative test results will be reviewed by a certified Medical Review Officer to assure accuracy. All testing, specimen collection, security measures, monthly reports, storage, handling, chain of custody procedures, and quality control procedures will be performed in accordance with appropriate State and Federal rules and regulations.

The Agency for Health Care Administration may adopt additional rules to support this law and Part II of Chapter 408, using criteria established by the US Department of Health & Human Services as guidelines for laboratories: standards for licensing; technical assistance; appropriate specimens; methods of analysis; minimum cut-off detection levels; chain of custody procedures; and a list of common medications by brand or common, brand, and chemical name.

B. General Procedures

The Employer will not discriminate against applicants for employment because of past substance abuse. It is the current abuse of drugs which prevents employees from properly performing their jobs and which, therefore, the Employer will not tolerate. No employee or applicant whose drug test is confirmed as positive shall be defined as a person with a "handicap". The Employer will pay for required drug and alcohol tests. The employee shall pay costs of non-required tests.

C. Initial Test

The initial screen for all drugs except alcohol shall use an inununoassay. For alcohol the initial test may be the enzyme oxidation methodology. The following cutoff levels shall be used when first screening specimens to find whether they are negative or need to be tested further with the confirmation test. All levels equal to or exceeding the following shall be reported as positive:

Alcohol	0.04%
Amphetamines	1000 ng/ml
Cannabinoids	50 ng/ml
Cocaine	300 ng/ml

Barbiturates	300 ng/ml
Benzodiazepine	300 ng/ml
Synthetic Narcotics:

D. Confirmation Test

A positive finding will generate a confirmation test through the GC/MS (gas chromatography/mass spectrometry) method and the results will be kept confidential. A copy of any positive can be received by the employee by submitting his/her request in writing. As drug testing technology is constantly improving and state and federal laws governing said testing are changing almost as rapidly, the company may change the cut off levels without notice. The cut-off levels in effect for the GC/MS at the time of this printing are as follows:

Alcohol	0.04%

E. Confidentiality will be maintained pursuant to F.S 119.07(1)

All information, interviews, reports, statements, memoranda and drug and alcohol test results may not be received in evidence, discovery, or disclosed without a written consent by the donor, except when compelled by a hearing officer or a court of competent jurisdiction, or where deemed appropriate by a professional or occupational licensing board in a related disciplinary proceeding, or in defense of a civil or administrative matter, or for the purpose of reviewing certification of employees.

F. Types of Testing-F.S.S 112 authorizes 5 types of tests:

1. Pre-employment Drug Testing: Consistent with the Employer's policy opposing drug abuse and its commitment to a safe working environment, we have implemented a pre-employment drug testing policy. All job applicants will undergo screening for the presence of illegal drugs as a condition of employment. Applicants will be required to voluntarily submit to a urinalysis test at a laboratory chosen by the Employer after signing a consent and release form. Job applicants who refuse to submit to a drug test or have a positive confirmed drug test are basis for refusal to hire a job applicant. Special Risk and Safety-Sensitive job applicants are required to submit to a drug test, and a refusal to test or a positive confirmed drug test are a basis for refusal to hire the job applicant.

Active Employee Drug Testing: The Employer has adopted screening practices to identify employees who use illegal drugs. It shall be a condition of employment for all employees to refrain from reporting to work, or working with the presence of drugs or alcohol in his/her system, and to submit to drug testing.

- **2. Routine Fitness for Duty testing**: An Employer may require an employee to test if conducted as part of a routinely scheduled employee fitness-for-duty medical examination that is part of the Policy or is scheduled for all members of an employment classification or group.
- **3. Reasonable Suspicion testing**: An Employer may require an employee to submit to testing:
- 1. Observable phenomena while at work, such as direct observation of drug use or of the physical symptoms or manifestations of being under the influence of a drug.
- 2. Abnormal conduct or erratic behavior while at work or a significant deterioration in work performance.
- 3. A report of drug use, provided by a reliable and credible source, which has been independently corroborated.
- 4. Evidence that an individual has tampered with a drug test during employment with the current employer.
- 5. Information that an employee has caused, or contributed to, an accident while at work.
- 6. Evidence that an employee has used, possessed, sold, solicited, or transferred drugs while working or while on the employer's premises or while operating the employer's vehicle, machinery, or equipment.

An employee reporting for work visibly under the influence as determined by his/her supervisor and is unable to properly and safely perform required duties will be placed on administrative leave to allow for reasonable suspicion testing. If possible, the supervisor should first seek another supervisor's opinion of the employee's status. Then the supervisor should consult privately with the employee, in accordance with F.S.S. 112, to determine the cause of the observation, including whether substance abuse has occurred. If, in the opinion of the supervisor, the employee is unfit for duty, the supervisor, as defined above, shall promptly detail in writing the circumstances which formed the basis of the determination that reasonable suspicion existed to warrant the testing. Upon request, a copy of this documentation shall be given to the employee. The Supervisor should contact the City Nurse to arrange for testing at the earliest possible time. The employee should be provided safe transportation to the City Clinic or an approved collection facility, and accompanied by the supervisor or another employee. An employee such as this should not be allowed to drive.

If an employee is tested for reasonable suspicion, documentation will be placed in the employee's confidential file within five working days of the reasonable suspicion test. The Employer will provide to an employee (upon their request) a written report regarding the circumstances that formed the basis for reasonable suspicion. The original and signed report will be maintained in the confidential human resource records for one year.

- **4. Random Testing:** The City may, through the use of an unbiased selection procedure, conduct random drug tests of employees occupying safety-sensitive or special-risk positions if the testing is performed in accordance with drug-testing rules adopted by the Agency for Health Care Administration and the department. Employees who are directed by the City clinic staff or a supervisor to report to the clinic or an approved collection facility, for a drug/alcohol test and who refuse to submit or who fails to appear within a reasonable time as determined by the clinic, are considered a "no show" and will be deemed a positive drug screen.
- **5. Return-to-duty and Follow-up Testing (not related to job injury):** Employees who successfully complete a rehabilitation program, or as part of their rehabilitation program may return to work. The employee must agree a **Return-to-duty** test and **Follow-up** drug testing for up to two years following completion of a rehabilitation program. Follow-up testing will be unannounced and on a quarterly, semiannual, or annual basis for up to two years thereafter. Employees not complying with these conditions, or testing positive at any time during or following rehabilitation, will be terminated from employment.

G. Procedures

An employee bringing onto the Employer's premises or property, having possession of, possessing in the employee's body, blood or urine an amount above the threshold levels established by the Agency for Health Care Administration., or using, consuming, transferring, selling or attempting to sell, or transfer any form of illegal drug while on city business or at any time during the hours between the beginning and the end of the employee's working day, whether on city property or not, is guilty of misconduct and is subject to discipline including discharge or suspension without pay from employment, even for a first offense. Failure to submit to required non-duty related tests is misconduct and is grounds for disciplinary action up to, and including, dismissal.

Except for reasonable suspicion tests meeting the criteria listed above, All testing will be conducted by an Agency for Health Care Administration certified lab; Employees shall give either a, breath sample, and/or a urine sample at a hospital, clinic, approved collection facility, or accredited testing laboratory, as designated by the City Clinic. Positive and negative results will be reviewed by a Medical Review Officer to assure accuracy. All testing, sample collection, storage, handling, and chain of custody will be conducted in accordance with appropriate guidelines of State and Federal rules and regulations.

If a test is not collectable because of possible tampering or adulteration, a second test will be requested. The second test may be observed. If a test is rejected because of purposeful adulteration - the employee will be terminated.

Documentation of a positive drug test result will be placed in the employee's confidential file within five working days, an Employer shall inform the employee in writing of the positive result, consequences of the result, and options available. If an employee is tested for reasonable suspicion, documentation of this test will be placed in the employee's confidential file within five working days of the reasonable suspicion test. The employee shall not be disciplined until a positive test results is communicated to the City.

Safety Sensitive, and Special Risk employees who have tested positive shall not be permitted to perform a safety-sensitive function. If a non-safety sensitive position is not available, the employee may be placed on leave status while participating in an alcohol and drug rehabilitation program. The employee must use a substance/alcohol program approved by the City. While in the program, the employee will be allowed to return to work upon approval by the clinic medical director and program administrator; if not, the employee may use all of their accrued personal time off leave and then may be placed on leave without pay under the City's temporary disability policy.

A Special Risk employee and other positions as designated by the Mayor or designee, may be discharged or disciplined for the first positive confirmed drug and/or alcohol test, pursuant to s. 893.13.

All information received in regard to drug/alcohol testing results will be maintained in separate confidential files and only be used for the purposes spelled out in this document.

H. Medical Review Officer

A certified Medical Review Officer who is a medical physician shall review with the employee/applicant all positive test results concerning that employee/applicant within five (5) days of the test collection. If the employee tests positive the MRO shall contact said employee to determine if said employee has a valid medical prescription for the medication which caused the positive test result. If after that determination by the MRO that said prescription was valid then the MRO shall report the test as negative, however, if said employee has no justification or a valid prescription for testing positive then the MRO shall report that positive test to the city. Testing may exceed the five (5) days only when extraordinary circumstances have been communicated with both Employer and the Employee to allow for

reconsideration of administrative leave provided as well as proper time required to grieve or challenge test. An employee/applicant may consult with the MRO, (850)434-3782, after being tested in order to report any prescription or non-prescription drug use. No physician-patient relationship is created by the establishment and administration of a drug-testing program.

I. Education

Employee and Supervisor education and training will be conducted in a manner required by the appropriate state regulations.

J. Employee Assistance

The management of the Employer is aware that many personal or health problems can and do interfere with an employee's ability to perform on the job. These problems may include emotional and mental illness, family and marital stress, abuse of drugs and/or alcohol and others.

Employees whose job performance is not related to a lack of skill and who do not respond to the usual disciplinary procedures are usually in need of the attention of professionals. With proper treatment, many troubled employees can be restored to a satisfactory level of job performance. However, if the underlying problems or illnesses are ignored, they may worsen with time, rendering the person unemployable.

The Employer shall not discharge, discipline, or discriminate against an employee solely upon voluntarily seeking treatment for a drug or alcohol related problem if the employee has not previously tested positive for alcohol or drug use, or previously entered an alcohol and drug rehabilitation program. Participation in an Employee Assistance Program, or another mental health or substance abuse counseling program, will not affect the employee's future career advancement or employment, nor will it protect an employee from disciplinary action if substandard job performance continues. Employee Assistance is used in conjunction with discipline, not a substitute for discipline.

If an employee is unable to participate in outpatient rehabilitation, the employee may be placed on leave status while participating in a drug and alcohol rehabilitation program. The employee shall be permitted to use accumulated leave prior to being place on leave without pay. Upon successful completion of the rehabilitation program, the employee shall be reinstated to the same or equivalent position.

The Human Resource Office will have a list of Drug and Alcohol Counselors and other mental health facilities available in your area. The employee may review this list discreetly. The costs of these services are the responsibility of the employee.

K. Grounds for Discipline or Termination:

An employee bringing onto the Employer's premises or property, having possession of, being under the influence of, possessing in the employee's body, blood, or urine in the amount set forth in Section III, Parts C & D; purposely tampering or adulterating a specimen; or using, consuming, transferring, selling, attempting to sell or transfer any form of illegal drug as defined above while on city business, or at any time during the hours between the beginning and ending of the employee's working day, whether on duty or not, whether on city property or not, is guilty of misconduct and subject to discipline including discharge or suspension without pay from employment, even for the first offense. Failure to submit to required drug and/or alcohol tests is considered refusal to test and is grounds for discharge from employment.

If the employee fails to complete the program, or fails to or cannot be rehabilitated, they may be terminated from their employment with the City.

(1) b. Educational Reimbursement Plan

The educational reimbursement program encourages personal development through formal education so that employees can maintain and improve job related skills or enhance their ability to compete for reasonably attainable jobs within the City of Pensacola. Individual courses that are part of a degree, licensing, or certification program must be related to the employees current job duties or a foreseeable future position. The City of Pensacola may reimburse employees for the costs of obtaining undergraduate or graduate degrees with the City of Pensacola. Employees should contact Human Resources for more information about educational reimbursement.

Employees requesting educational reimbursement must prior to registration, submit an application for reimbursement on the Application for Education Benefits Form (PF-202), to the department director for approval prior to class registration. The department director will determine if funds have been budgeted and are currently available in the department's budget. The City will budget \$30,000 toward the educational reimbursement annual total for members of the all three FOP collective bargaining units (Officer, Sgt, and Lt). If 75% of the funds are allocated during a fiscal year, the Pensacola Police Department Budget Planning Specialist will notify the FOP Lodge 71 President. Each course must be part of a curriculum related to an employee's present position with the City of a reasonable promotional objective as determined by the Chief Human Resources Officer. Once this determination has been made, then the approved request form (PF 202) will be submitted by the department director to the Human Resources Division, before course registration commences.

In order to receive reimbursement, an employee must submit a copy of his or her final grades within forty-five (45) days of completion of the course, to the department director to be forwarded to the Chief Human Resources Officer for final review and payment.

When an employee has received advance approval for education reimbursement, following the receipt of grades at the end of a course, the employee must have achieved a grade of "C" or better. If a collective bargaining unit member receives payment from another source, the City will only reimburse the amount of tuition not otherwise covered.

The City encourages all employees to utilize courses offered by the University of West Florida or Pensacola State College. Approved reimbursement will be made at the prevailing hourly course rate for "in state" students, utilized at the University of West Florida or at Pensacola State College, respectively.

Employees who otherwise meet the educational reimbursement criteria set forth above but who elect to attend a college or university other than the University of West Florida or Pensacola State College may receive reimbursement in an amount not to exceed the higher rate of the University of West Florida or Pensacola State

College. The City will not be responsible for payment to that institution, if the rate exceeds the prevailing "in state" rate of the University of West Florida or Pensacola State College.

Employees seeking to receive educational reimbursement from the City of Pensacola shall accept a contractual employment condition obligating the employee to remain in the employment of the City of Pensacola for a period of six months for each fifteen (15) hours of paid reimbursement. This obligation shall be cumulative in nature. Employees who voluntarily sever employment with the City of Pensacola prior to fulfilling the employment obligations set forth above shall reimburse the City of Pensacola for any remaining balance of educational reimbursement, and employees will be obligated to consent to pay such balance from any funds in the possession of or managed by the City of Pensacola before any remaining balances are paid to the terminating employee.

Employees receiving tuition payment for vocational credits such as enrollment in the fire or police academy are subject to a repayment agreement to be executed by the employee prior to entering into the vocational education program. In the event that such an employee should voluntary terminate his or her employment with the City within two (2) years of receipt of the amount paid by the City to attend the fire or police academy, the employee shall be contractually responsible for repayment to the City of the cost incurred to attend such school. The City will reimburse 100% of the tuition only for any employee who voluntarily takes a course which is directly related to their job, and who attains a "C" grade or better in the approved course. Department Directors will be the signing authority on determining if a course is job related, along with review by the Chief Human Resources Officer_for reimbursement purposes.

(3) Non-Job Related Courses

The City will reimburse 50% of tuition only for any employee who voluntary takes a course and who attains a "C" grade or better even though that course is not job related.

(4) High School Diploma

Any employee wishing to obtain their high school diploma or G.E.D. will be reimbursed 100% for any tuition, book, or fee expenses they may incur.

(5) Tax Status

All educational reimbursements are subject to income tax laws and regulations as determined by the Internal Revenue Service. Employees may have to report any amounts received under the Education Reimbursement Plan as taxable income.

Where an employee is required to use his personal automobile in the performance of his duty, said employee will be reimbursed as prescribed by Section 20.2.

20.4 Comprehensive Medical Coverage

The insurance programs will be optional to all eligible employees. For those employees electing to participate in the program, the City will make contributions towards the cost of such insurance, in the same amounts as it makes for all other non-managerial City employees. Those employees who elect to participate in the City's group insurance programs will pay a share of the total premium through deductions from payroll, for the cost not paid by the City.

- The Union will be notified of any change in insurance carriers, nature or scope of coverage or amount of coverage and increased amounts to be paid by employees under this Article.

However, officers engaged in off-duty security employment should remain constantly aware that they are law enforcement officers utilizing equipment provided by the City of Pensacola while engaging in such activities, and they are perceived by the public as on-duty officers. Therefore, all officers are directed to conduct their behavior while working off-duty in exactly the same manner and following all applicable policies and procedures as though they were working on their scheduled tour of duty. The fact that compensation is provided by an entity other than the City of Pensacola does not diminish an officer's responsibilities and can never be allowed to present a conflict of interest between the entity providing compensation and the paramount responsibility as a police sergeant.

Under no circumstance will any officer working off-duty disregard any law enforcement responsibility or violate any policy or procedure of the Pensacola Police Department at the request or at the direction of an off-duty employee. Independent judgment as a law enforcement officer must prevail in every situation.

A police sergeant is authorized by Florida Law (F.S.S. 790.052) during off-duty hours – at discretion of their superior officer – to perform law enforcement functions normally performed during work hours. ARTICLE 26 INJURY-IN-LINE-OF-DUTY/DISABILITY BENEFITS

26.1 Compensation for Job – Incurred Injury or Illness

a. General

The State of Florida has a Worker's Compensation stature to which the City of Pensacola adheres. The purpose of this coverage is to provide some degree of payment to those employees who become temporarily or permanently disabled due to illness or injury incurred on the job. The following rules will serve to delegate responsibility for proper handling of all such cases, claims, and relevant forms.

In compliance with the Federal Americans with Disabilities Act, the Family Medical Leave Act, and other applicable federal and state laws, each employee injured in a job-related accident will be assured of their job when released to return to duty. If the employee is unable to return to their normal job, every reasonable effort will be made to ensure that the employee will be placed in another position within the City structure commensurate with their physical limitations.

Upon injury or illness and filing of the First Notice of Injury or Illness report where lost time from work or medical expenses are incurred, a letter will be sent to the injured employee notifying the employee that in the event they are unable to resume their usual duties due to physical limitations from the injury or illness, every reasonable effort will be made to ensure that they will be placed in another position within the City structure commensurate with their physical limitations.

b. Report of Injury and Examination

Each incident involving bodily injury sustained on the job by a City employee shall be reported to the employee's supervisor during the course of the shift in which the accident occurred. The employee shall be referred to the City Clinic where a preliminary examination will be made and the Injury or Illness Report (PF-351) is initiated. A copy of this report shall be returned immediately to the employee's supervisor and the Human Resources Division. In cases of severe injury or extreme emergencies the injured employee should be taken to the nearest hospital emergency room and the supervisor should notify the City Clinic.

If in the opinion of the nurse or physician the injury requires more advanced or specialized treatment, the employee will be referred to the physician chosen by the City. The attending physician upon examination shall then determine, in conjunction with the City Physician:

- (1) the need for further examination or treatment,
- (2) the extent to which the employee may work,
- (3) the need for loss of time from work for treatment, rest, hospital care, or a combination or these.

The City Clinic shall keep the employee's supervisor informed as to the condition of the employee and estimated length of time that the employee will be off duty. Where loss of time from work is indicated, the City Clinic, with assistance from the Human Resources Division, shall arrange for continuation of proper medical care and supervision. The City Clinic must approve all time off from work.

When transitional duties or accommodations are indicated or appropriate, these shall be arranged by the City Clinic, the supervisor, and/or Department Director with approval of the Chief Human Resources Officer. If the employee is unable to return to their normal duty due to physical limitations set forth by their physician, in accordance with the Americans with Disabilities Act, every reasonable effort will be made to ensure that the employee will be placed in another position with the City structure that accommodates their physical restrictions.

In all cases, the City Clinic shall arrange for the initiation of proper State Compensation forms as required (these are mandatory in all cases regardless of loss time or incurrence of medical expense).

c. Temporary Total or Temporary Partial Disability

All time off work due to a job-related injury/illness must be approved by the City Physician/City Nurse.

If loss time is incurred, continuation of salary under Florida Statute requires that a compensable injury or illness be paid for at the rate of 66 2/3 % of the employee's average earnings to a maximum as established by the State. However, the City will compensate in the following manner for each temporary total or temporary partial disability caused by an initial on the job injury. In determining the period of time listed below, all absences shall be cumulative calendar days.

- (1) The injured employee may be paid 100% salary for no longer than ninety (90) day, without using accumulated leave.
- (2) During the above ninety (90) day period of 100% compensation, the employee will receive all workers' compensation monies and those amounts will be deducted from the employee's normal salary.
- (3) After the ninety (90) day period, an employee may at their option use up to thirty (30) days accumulated PTO leave. The employee will then keep their Worker's Compensation checks without further payroll deductions. To qualify for compensation from the City funds, the employee must present sufficient evidence of their disability and the City Physician shall determine the eligibility of such claims. At the end of the ninety (90) day loss time period for an "on-the-job" injury, when no other leave is available, the employee must return to full active duty or be placed in another position within the City structure that is commensurate with their physical restrictions. This is to be determined by the City Physician, in conjunction with the Chief Human Resources Officer.
- (4) At the end of the ninety (90) day period, plus the expiration of accumulated PTO leave, used at the employee's option, an employee must have returned to work in his/her normal duty or other duty within the City structure commensurate with their physical restrictions. It is the intent of this section that no employee shall remain off work and be on the regular payroll for any more than ninety (90) days, plus a maximum or thirty (30) days of accumulated PTO leave due to an on-the-job injury.

d. Recurring Injuries

For recurring complications relevant to a particular previous lost-time injury following a return to active duty, the City of Pensacola will begin compensation as of the first day of the recurrence provided the employee has reported such on the first day of the recurrence to the City Clinic, and the City Physician or City Clinic has given authorization for leave.

26.2. Disability Benefits

Any alleged violation(s) of this article are not subject to the grievance/arbitration procedure but through competent court of jurisdiction.

26.3 Return to duty examinations

If the city requires an employee to be examined by a doctor chosen by the city, the city will agree to reimburse the employee the total cost of the examination if the employee is not covered by health insurance. If the employee is covered by health insurance, the city will agree to reimburse the employee the employee's co-pay.

ARTICLE 27 PERSONAL TIME OFF (PTO) LEAVE

27.1 Leaves of absence.

(1) Purpose.

Personal time off (PTO) is established for the purpose of providing employees leave for a variety of reasons such as vacation, personal business, illness, medical or dental appointments, and family. It replaces leave formerly known as sick and annual leave.

(2) Employee responsibility.

Employees are required to arrange and obtain prior/advance approval of personal time off leave. In the case of illness, supervisors can consider same day request.

- a. In any case of absence on account of illness, an employee may be required by his department to file a doctor's certificate with the city clinic, and all absences due to illness or injury of more than three (3) days' duration shall require the employee to provide a doctor's certificate to the city clinic stating:
 - 1) The nature of illness or injury;
 - 2) That the employee was incapacitated for work for the duration of his absence;
 - 3) The employee is physically able to return to work and perform his duties;
 - 4) That the employee has no contagious disease, which would jeopardize the health of other employees.
- b. If an employee is habitually or chronically absent, a supervisor may require medical evidence to be provided to the city clinic concerning any illness or injury beginning with the first day of absence.
- c. If an employee is absent and an excuse is felt necessary, an activity head or department director may request the city nurse to verify the reason for absence.

(3) Record keeping.

No employee will be granted personal time off leave unless the time requested has already accrued prior to the leave period. Personal time off leave request shall be for a period of not less that one (1) hour and shall be in increments of not less than one (1) hour.

(4) Accrual of time.

Employees covered by this agreement will be credited twenty (20) hours personal time off for each month of service. Hours of PTO leave will be available for immediate use as soon as accrual has been posted. Sergeants may not accumulate more than 500 hours of Personal Time Off (PTO) during any calendar year. On the first day of the pay period beginning in January of each year, the employee's PTO balance will be reduced to the allowed maximum of 500 hours. These excess hours will be placed in an auxiliary PTO account. Employees will be able to use this leave for FMLA qualifying absences or may donate this leave.

Police Officers who are promoted to the rank of Sergeant shall receive a PTO payout as described:

The hours between 500 and the Officer's current maximum PTO payout (900 hours) will be paid to the employee upon their promotion to Sergeant.

Officer's with a PTO balance greater than their current maximum payout (900 hours) will have the hours over the maximum placed into an auxiliary PTO account which may be used as regular PTO or donated to employees in need. The employee will not be paid for any hours remaining in their auxiliary PTO account upon leaving City employment.

(5) Separation from service.

Employees who are separated from the service of the city in good standing by retirement, resignation, or layoff shall be paid the balance of their accrued PTO, but at no time shall that payout exceed the maximum of 500. The employee may not be paid for any hours remaining in their auxiliary PTO account upon leaving the City.

ARTICLE 28 LEAVE SHARING

A leave sharing program is hereby established for all classified, administrative professional, and appointed employees. The Mayor or designee shall establish the procedure by which the Chief Human Resources Officer shall administer the leave-sharing program. This leave-sharing program shall be administered in keeping with the area practices and within the financial limits as set forth by the council. Unless otherwise provided for by the council or by law, shared personal time off (PTO) leave of more than 30 days shall be considered non-salaried supplement, and shall not be utilized in the calculation of pensions,

a. **Scope and Purpose**

The leave sharing program will allow employees to donate unused Personal Time Off (PTO) leave to co-workers who are seriously ill or have family members who are ill, and have exhausted their own leave.

Donated leave is not considered time worked, and the employee receiving the donation will not accrue leave in their PTO account while on donated leave. Donated leave must be submitted in advance for use and cannot be used retroactively.

e. **Administration**

An employee donating leave must complete a leave transfer form (PF-306) and turn the form into the Human Resources Division for verification of leave balance. This form will be forwarded to the Finance Department for processing. Employees receiving leave will be awarded leave hours based on the "cash value" of the donated leave.

ARTICLE 36 PROMOTIONS

36.1 **Promotional Procedures Overview**

The City will continue to follow the status quo concerning the promotional process as outlined below.

When a vacant position is to be filled by promotion within the Police Department, through competitive examination these procedures will be followed:

A promotional eligible list will be certified that contains the names of the top five (5) applicants and ties, having the highest total exam score. Any person on the list is eligible for promotion. If a promotional register contains less than five (5) names and an additional examination is requested, successful examinees will be listed in order behind the existing names on the promotional register. If qualifications substantially change, a register may be cancelled and a new register established. A new register requires a new application and examination of each applicant.

All persons within the department who meet the minimum qualifications may apply and take a promotional examination. When a position is announced, a job bulletin will be distributed and open for a minimum of five (5) working days prior to the application deadline. Applicants must apply by the application deadline and supply necessary records, licenses, certificates, transcripts, etc.

Examinations will be practical and objectively measure the relative capabilities of the applicant to perform the target position. The examination process may include a written test, an interview, a performance test, an evaluation of training and experience, supervisory efficiency rating, assessment centers, psychological tests, or other accepted assessment, or any combination thereof. Examination components may be weighted, but will total 100%.

Passing scores are required on a promotional examination before an employee is eligible for promotion. When a passing score is attained, the total examination score may be augmented by veteran preference points (per Florida statutes), education points, and seniority points as defined below.

Eligible registers are in effect for one year, unless extended by request of the appointing authority.

CITY OF PENSACOLA
DRUG-FREE WORKPLACE HANDOUT

City of Pensacola, FL

Drug Free Workplace Policy

I. STATEMENT OF POLICY

City of Pensacola, hereafter known as the "Employer" strives to provide a safe work environment and encourages personal health. In this regard, the Employer considers the abuse of drugs on the job to be an unsafe counter-productive work practice. Furthermore, we see substance abuse as a serious threat to our staff and the public. With these objectives in mind, the Employer has established the following policy with regard to the use, possession, and sale of illegal drugs and alcohol at work. FL Statutes 112.0455 Drug-Free Workplace Act.

Drug use has serious adverse effects upon a significant portion of the workforce, resulting in billions of dollars of lost productivity each year and posing a threat to the workplace and to public safety and security. Drug use creates a variety of workplace problems, including increased injury on the job, increased absenteeism, increased financial burden on health and benefit programs, increased workplace theft, decreased employee morale, decreased productivity, and a decline in the quality of products and services.

Drug addiction is a complex, yet treatable disease. We encourage those who abuse drugs or alcohol to seek help in overcoming their problem and participate in an alcohol and drug rehabilitation program.

Prior to testing, employees and job applicants shall be given a written policy statement. The ultimate goal of this policy is to balance our respect for individual privacy with our need to keep a safe and drug free environment within government through fair and reasonable drug testing methods for the protection of public employees and employers. Our intention is to prevent and treat substance abuse.

It is the Employer's policy that an employee found with the presence of illegal drugs and/or alcohol in his/her system, in possession of, using, selling, trading, or offering for sale illegal drugs during working hours, at government functions, or on city premises (including parking lots) may be subject to disciplinary action up to and including discharge. The use of any over the counter products that contain illegal drugs is expressly prohibited. Anyone observing a violation of this policy must report it to his or her immediate supervisor, and that violation be reported to the Department Administrator.

Drugs prescribed by employee's physician may be taken during work hours. The employee should notify the supervisor if the use of properly prescribed medication will affect the employee's work performance. Abuse of prescription drugs will not be tolerated.

Employees must be in compliance with all federal drug laws and the Federal Controlled Substance Act and the Florida Drug Free Workplace Act, Chapter 112. Any and all information gathered as a result of the drug testing program is confidential and may not be disclosed except in accordance with procedures allowed under the Federal/State Statute, County or City policy.

As a condition of employment, employees must abide by the terms of this policy and must notify the Employer in writing of any conviction of a violation of a criminal drug statute no later than five calendar days after such conviction.

III. POLICY AND WORK RULES

The Employer's policy is to employ a workforce free from the use of illegal drugs either on or off the job, and free from alcohol in the workplace. Any employee determined to be in violation of this policy is subject to disciplinary action up to and including termination, even for the first offense. It is a Standard of Conduct of the Employees of this Employer that employees shall not use illegal drugs or abuse legal ones. In order to maintain this standard, the Employer shall establish and maintain the programs and rules set forth here.

Employees/applicants who are directed by the City clinic staff or supervisor to report to the clinic or an approved collection facility, for a drug/alcohol test and refuse to take a drug or alcohol test may result in a refusal to hire; the employee forfeiting his or her eligibility for medical and indemnity benefits under State Workers' Compensation; and is cause for disciplinary action up to, and including, dismissal of the employee which may also cause denial of Unemployment Compensation.

A. Drug Testing Standards

All testing will be conducted by an Agency for Health Care Administration approved laboratory; positive and negative test results will be reviewed by a certified Medical Review Officer to assure accuracy. All testing, specimen collection, security measures, monthly reports, storage, handling, chain of custody procedures, and quality control procedures will be performed in accordance with appropriate State and Federal rules and regulations.

The Agency for Health Care Administration may adopt additional rules to support this law and Part II of Chapter 408, using criteria established by the US Department of Health & Human Services as guidelines for laboratories: standards for licensing; technical assistance; appropriate specimens; methods of analysis; minimum cut-off detection levels; chain of custody procedures; and a list of common medications by brand or common, brand, and chemical name.

B. General Procedures

The Employer will not discriminate against applicants for employment because of past substance abuse. It is the current abuse of drugs which prevents employees from properly performing their jobs and which, therefore, the Employer will not tolerate. No employee or applicant whose drug test is confirmed as positive shall be defined as a person with a "handicap". The Employer will pay for required drug and alcohol tests. The employee shall pay costs of non-required tests.

C. Initial Test

The initial screen for all drugs except alcohol shall use an inununoassay. For alcohol the initial test may be the enzyme oxidation methodology. The following cutoff levels shall be used when first screening specimens to find whether they are negative or need to be tested further with the confirmation test. All levels equal to or exceeding the following shall be reported as positive:

Alcohol	0.04%
Amphetamines	1000 ng/ml
Cannabinoids	50 ng/ml

Benzodiazepine	300 ng/ml
Synthetic Narcotics:

D. Confirmation Test

A positive finding will generate a confirmation test through the GC/MS (gas chromatography/mass spectrometry) method and the results will be kept confidential. A copy of any positive can be received by the employee by submitting his/her request in writing. As drug testing technology is constantly improving and state and federal laws governing said testing are changing almost as rapidly, the company may change the cut off levels without notice. The cut-off levels in effect for the GC/MS at the time of this printing are as follows:

E. Confidentiality will be maintained pursuant to F.S 119.07(1)

All information, interviews, reports, statements, memoranda and drug and alcohol test results may not be received in evidence, discovery, or disclosed without a written consent by the donor, except when compelled by a hearing officer or a court of competent jurisdiction, or where deemed appropriate by a professional or occupational licensing board in a related disciplinary proceeding, or in defense of a civil or administrative matter, or for the purpose of reviewing certification of employees.

F. Types of Testing-F.S.S 112 authorizes 5 types of tests:

1. Pre-employment Drug Testing: Consistent with the Employer's policy opposing drug abuse and its commitment to a safe working environment, we have implemented a pre-employment drug testing policy. All job applicants will undergo screening for the presence of illegal drugs as a condition of employment. Applicants will be required to voluntarily submit to a urinalysis test at a laboratory chosen by the Employer after signing a consent and release form. Job applicants who refuse to submit to a drug test or have a positive confirmed drug test are basis for refusal to hire a job applicant. Special Risk and Safety-Sensitive job applicants are required to submit to a drug test, and a refusal to test or a positive confirmed drug test are a basis for refusal to hire the job applicant.

Active Employee Drug Testing: The Employer has adopted screening practices to identify employees who use illegal drugs. It shall be a condition of employment for all employees to refrain from reporting to work, or working with the presence of drugs or alcohol in his/her system, and to submit to drug testing.

- **2. Routine Fitness for Duty testing**: An Employer may require an employee to test if conducted as part of a routinely scheduled employee fitness-for-duty medical examination that is part of the Policy or is scheduled for all members of an employment classification or group.
- **3. Reasonable Suspicion testing**: An Employer may require an employee to submit to testing:
- 1. Observable phenomena while at work, such as direct observation of drug use or of the physical symptoms or manifestations of being under the influence of a drug.
- 2. Abnormal conduct or erratic behavior while at work or a significant deterioration in work performance.
- 3. A report of drug use, provided by a reliable and credible source, which has been independently corroborated.
- 4. Evidence that an individual has tampered with a drug test during employment with the current employer.
- 5. Information that an employee has caused, or contributed to, an accident while at work.
- 6. Evidence that an employee has used, possessed, sold, solicited, or transferred drugs while working or while on the employer's premises or while operating the employer's vehicle, machinery, or equipment.

An employee reporting for work visibly under the influence as determined by his/her supervisor and is unable to properly and safely perform required duties will be placed on administrative leave to allow for reasonable suspicion testing. If possible, the supervisor should first seek another supervisor's opinion of the employee's status. Then the supervisor should consult privately with the employee, in accordance with F.S.S. 112, to determine the cause of the observation, including whether substance abuse has occurred. If, in the opinion of the supervisor, the employee is unfit for duty, the supervisor, as defined above, shall promptly detail in writing the circumstances which formed the basis of the determination that reasonable suspicion existed to warrant the testing. Upon request, a copy of this documentation shall be given to the employee. The Supervisor should contact the City Nurse to arrange for testing at the earliest possible time. The employee should be provided safe transportation to the City Clinic or an approved collection facility, and accompanied by the supervisor or another employee. An employee such as this should not be allowed to drive.

If an employee is tested for reasonable suspicion, documentation will be placed in the employee's confidential file within five working days of the reasonable suspicion test. The Employer will provide to an employee (upon their request) a written report regarding the circumstances that formed the basis for reasonable suspicion. The original and signed report will be maintained in the confidential human resource records for one year.

- **4. Random Testing:** The City may, through the use of an unbiased selection procedure, conduct random drug tests of employees occupying safety-sensitive or special-risk positions if the testing is performed in accordance with drug-testing rules adopted by the Agency for Health Care Administration and the department. Employees who are directed by the City clinic staff or a supervisor to report to the clinic or an approved collection facility, for a drug/alcohol test and who refuse to submit or who fails to appear within a reasonable time as determined by the clinic, are considered a "no show" and will be deemed a positive drug screen.
- **5.** Return-to-duty and Follow-up Testing (not related to job injury): Employees who successfully complete a rehabilitation program, or as part of their rehabilitation program may return to work. The employee must agree a Return-to-duty test and Follow-up drug testing for up to two years following completion of a rehabilitation program. Follow-up testing will be unannounced and on a quarterly, semiannual, or annual basis for up to two years thereafter. Employees not complying with these conditions, or testing positive at any time during or following rehabilitation, will be terminated from employment.

G. Procedures

An employee bringing onto the Employer's premises or property, having possession of, possessing in the employee's body, blood or urine an amount above the threshold levels established by the Agency for Health Care Administration., or using, consuming, transferring, selling or attempting to sell, or transfer any form of illegal drug while on city business or at any time during the hours between the beginning and the end of the employee's working day, whether on city property or not, is guilty of misconduct and is subject to discipline including discharge or suspension without pay from employment, even for a first offense. Failure to submit to required non-duty related tests is misconduct and is grounds for disciplinary action up to, and including, dismissal.

Except for reasonable suspicion tests meeting the criteria listed above, All testing will be conducted by an Agency for Health Care Administration certified lab; Employees shall give either a, breath sample, and/or a urine sample at a hospital, clinic, approved collection facility, or accredited testing laboratory, as designated by the City Clinic. Positive and negative results will be reviewed by a Medical Review Officer to assure accuracy. All testing, sample collection, storage, handling, and chain of custody will be conducted in accordance with appropriate guidelines of State and Federal rules and regulations.

If a test is not collectable because of possible tampering or adulteration, a second test will be requested. The second test may be observed. If a test is rejected because of purposeful adulteration - the employee will be terminated.

Documentation of a positive drug test result will be placed in the employee's confidential file within five working days, an Employer shall inform the employee in writing of the positive result, consequences of the result, and options available. If an employee is tested for reasonable suspicion, documentation of this test will be placed in the employee's confidential file within five working days of the reasonable suspicion test. The employee shall not be disciplined until a positive test results is communicated to the City.

Safety Sensitive, and Special Risk employees who have tested positive shall not be permitted to perform a safety-sensitive function. If a non-safety sensitive position is not available, the employee may be placed on leave status while participating in an alcohol and drug rehabilitation program. The employee must use a substance/alcohol program approved by the City. While in the program, the employee will be allowed to return to work upon approval by the clinic medical director and program administrator; if not, the employee may use all of their accrued personal time off leave and then may be placed on leave without pay under the City's temporary disability policy.

A Special Risk employee and other positions as designated by the Mayor or designee, may be discharged or disciplined for the first positive confirmed drug-and/or alcohol test, pursuant to s. 893.13.

All information received in regard to drug/alcohol testing results will be maintained in separate confidential files and only be used for the purposes spelled out in this document.

H. Medical Review Officer

A certified Medical Review Officer who is a medical physician shall review with the employee/applicant all positive test results concerning that employee/applicant within five (5) days of the test collection. If the employee tests positive the MRO shall contact said employee to determine if said employee has a valid medical prescription for the medication which caused the positive test result. If after that determination by the MRO that said

prescription was valid then the MRO shall report the test as negative, however, if said employee has no justification or a valid prescription for testing positive then the MRO shall report that positive test to the city. Testing may exceed the five (5) days only when extraordinary circumstances have been communicated with both Employer and the Employee to allow for reconsideration of administrative leave provided as well as proper time required to grieve or challenge test. An employee/applicant may consult with the MRO, (850)434-3782, after being tested in order to report any prescription or non-prescription drug use. No physician-patient relationship is created by the establishment and administration of a drug-testing program.

I. Education

Employee and Supervisor education and training will be conducted in a manner required by the appropriate state regulations.

J. Employee Assistance

The management of the Employer is aware that many personal or health problems can and do interfere with an employee's ability to perform on the job. These problems may include emotional and mental illness, family and marital stress, abuse of drugs and/or alcohol and others.

Employees whose job performance is not related to a lack of skill and who do not respond to the usual disciplinary procedures are usually in need of the attention of professionals. With proper treatment, many troubled employees can be restored to a satisfactory level of job performance. However, if the underlying problems or illnesses are ignored, they may worsen with time, rendering the person unemployable.

The Employer shall not discharge, discipline, or discriminate against an employee solely upon voluntarily seeking treatment for a drug or alcohol related problem if the employee has not previously tested positive for alcohol or drug use, or previously entered an alcohol and drug rehabilitation program. Participation in an Employee Assistance Program, or another mental health or substance abuse counseling program, will not affect the employee's future career advancement or employment, nor will it protect an employee from disciplinary action if substandard job performance continues. Employee Assistance is used in conjunction with discipline, not a substitute for discipline.

If an employee is unable to participate in outpatient rehabilitation, the employee may be placed on leave status while participating in a drug and alcohol rehabilitation program. The employee shall be permitted to use accumulated leave prior to being place on leave without pay. Upon successful completion of the rehabilitation program, the employee shall be reinstated to the same or equivalent position.

The Human Resource Office will have a list of Drug and Alcohol Counselors and other mental health facilities available in your area. The employee may review this list discreetly. The costs of these services are the responsibility of the employee.

K. Grounds for Discipline or Termination:

An employee bringing onto the Employer's premises or property, having possession of, being under the influence of, possessing in the employee's body, blood, or urine in the amount set forth in Section III, Parts C & D; purposely tampering or adulterating a specimen; or using, consuming, transferring, selling, attempting to sell or transfer any form of illegal drug as defined above while on city business, or at any time during the hours between the beginning and ending of the employee's working day, whether on duty or not, whether on city property or not, is guilty of misconduct and subject to discipline including discharge or suspension without pay from employment, even for the first offense. Failure to submit to required drug and/or alcohol tests is considered refusal to test and is grounds for discharge from employment.

- 1. The Employer will use the Federal Department of Transportation guidelines to determine a refusal to test in the case of shy bladder or shy lung.
- 2. In the case of shy bladder or shy lung, the employee, within 5 working days, must
 - secure evaluation from a licensed physician as to whether or not there is a medical condition for a failure to provide sufficient specimen.

The parties agree that the non-prevailing party at the arbitrability hearing shall be solely liable for the arbitrator's fees not to exceed \$1,000.00 and if said arbitrator's fee exceeds \$1,000.00 then that excess amount shall be equally split between the parties and attorney's fees of the prevailing party up to \$500.00. Requests for training and travel must be **pre-approved** by the Department Director/Administrator or designee on the Training and Travel Form. Training and travel requests for Department Directors/Administrators must be **pre-approved** by the City Administrator or designee on the Training and Travel Form. In addition, employees, who are not regular, full-time employees of the City, must obtain Training and Travel pre-approval from the HR Administrator or designee. Reimbursement by the City may be denied absent advanced approval.

The Training and Travel Form must include all expenses and list all RPs billed or paid separately and have all required signatures. If funds are being requested in advance, the Training and Travel Form should be submitted to the Financial Services Department for check processing at least fifteen (15) days prior to travel.

Reconciliation of the Training and Travel Form is due within ten (10) working days after return. The reconciled Training and Travel Form must be signed by the employee and submitted to the Department Director/Administrator for approval and signature. The reconciled Training and Travel form for Department Directors/Administrators must be approved and signed by the City Administrator or designee. The City's Chief Financial Officer (CFO) will review and determine if the reconciliation should be approved for reimbursement. The final determination of the amount paid for training and travel shall be made by the CFO or designee.

Expenses are calculated as follows:

M&IE:

Hotel/Motel:	Single, at cost (double at single rate is acceptable).	
	Receipt required. City does not pay Florida State	
	Sales Tax on lodging within the state.	

General Services Administration (GSA) per diem rates for the travel destination city shall be used. GSA per diem rates are for meals and incidental expenses (M&IE) when total travel and training time exceeds 12 hours. No M&IE per diem is allowable for total travel and training time that is 12 hours or less. M&IE per diem rates for travel destination cities are available on the GSA website at www.gsa.gov/perdiem. The Breakdown of M&IE per diem rates for the first and last day of travel shall be utilized. Tuition/Registration:	Reimbursed at cost; receipt required.

Baggage: When an airline charges a fee for baggage, reimbursement will be made at cost for one bag only; if the first bag is free, no reimbursement will be made. If your personal bag exceeds the restrictions and you are charged extra, the City will not reimburse.

<u>Fly vs Drive:</u> If flying is less expensive than driving and the employee chooses to drive, the mileage reimbursement may be limited to the airfare and ground transportation calculation. As a tip - when comparing flying to driving, the flight cost should be based on departure in and out of the Pensacola International Airport given your flight parameters with at least two weeks' advanced ticketing.

An accounting of monies is required within 10 working days after return. Itemized receipts must accompany report of funds spent. In the event that the 10 working day settlement cannot be met, the employee will be precluded from receiving advances and/or reimbursements for subsequent travel until settlement of the previous trip.

The final determination of the amount paid for training and travel shall be made by the CFO or designee.

B. Educational Reimbursement Plan

The educational reimbursement program encourages personal development through formal education so that employees can maintain and improve job related skills or enhance their ability to compete for reasonably attainable jobs within the City of Pensacola. Individual courses that are part of a degree, licensing, or certification program must be related to the employees current job duties or a foreseeable future position. The City of Pensacola may reimburse employees for the costs of obtaining undergraduate or graduate degrees with the City of Pensacola. Employees should contact Human Resources for more information about educational reimbursement.

Employees requesting educational reimbursement must prior to registration, submit an application for reimbursement on the Application for Education Benefits Form (PF-202), to the department director for approval prior to class registration. The department director will determine if funds have been budgeted and are currently available in the department's budget. The City will budget \$30,000 toward the educational reimbursement annual total for members of the all three FOP collective bargaining units (Officer, Sgt, and Lt). If 75% of the funds are allocated during a

fiscal year, the Pensacola Police Department Budget Planning Specialist will notify the FOP Lodge 71 President. Each course must be part of a curriculum related to an employee's present position with the City of a reasonable promotional objective as determined by the Chief Human Resources Officer. Once this determination has been made, then the approved request form (PF 202) will be submitted by the department director to the Human Resources Office, before course registration commences.

In order to receive reimbursement, an employee must submit a copy of his or her final grades within forty-five (45) days of completion of the course, to the department director to be forwarded to the Chief Human Resources Officer for final review and payment.

When an employee has received advance approval for education reimbursement, following the receipt of grades at the end of a course, the employee must have achieved a grade of "C" or better If a collective bargaining unit member receives payment from another source, the City will only reimburse the amount of tuition not otherwise covered.

The City encourages all employees to utilize courses offered by the University of West Florida or Pensacola State College. Approved reimbursement will be made at the prevailing hourly course rate for "in state" students, utilized at the University of West Florida or at Pensacola State College, respectively.

Employees who otherwise meet the educational reimbursement criteria set forth above but who elect to attend a college or university other than the University of West Florida or Pensacola State College may receive reimbursement in an amount not to exceed the higher rate of the University of West Florida or Pensacola State College. The City will not be responsible for payment to that institution, if the rate exceeds the prevailing "in state" rate of the University of West Florida or Pensacola State College.

Employees seeking to receive educational reimbursement from the City of Pensacola shall accept a contractual employment condition obligating the employee to remain in the employment of the City of Pensacola for a period of six months for each fifteen (15) hours of paid reimbursement. This obligation shall be cumulative in nature. Employees who voluntarily sever employment with the City of Pensacola prior to fulfilling the employment obligations set forth above shall reimburse the City of Pensacola for any remaining balance of educational reimbursement, and employees will be obligated to consent to pay such balance from any funds in the possession of or managed by the City of Pensacola before any remaining balances are paid to the terminating employee.

Employees receiving tuition payment for vocational credits such as enrollment in the fire or police academy are subject to a repayment agreement to be executed by the employee prior to entering into the vocational education program. In the event that such an employee should voluntary terminate his or her employment with the City within two (2) years of receipt of the amount paid by the City to attend the fire or police academy, the employee shall be contractually responsible for repayment to the City of the cost incurred to attend such school. Employees will be required to consent in advance to allow the City to recoup such funds from any funds in the

possession of or managed by the City of Pensacola prior to the employee receiving the balance of such funds after reimbursement has been made.

(1) Required Courses

The City will reimburse 100% of the tuition, books, and fees for any employee attaining a "C" grade or better in a course that is required by the City. Upon completion of the course, all books or course material will become property of the City.

(2) Voluntary Job-Related Courses

The City will reimburse 100% of the tuition only for any employee who voluntary takes a course which is directly related to their job, and who attains a "C" grade or better in the approved course. Department Directors will be the signing authority on determining if a course is job related, along with review by the Chief Human Resources Officer_for reimbursement purposes.

(3) Non-Job Related Courses

The City will reimburse 50% of tuition only for any employee who voluntary takes a course and who attains a "C" grade or better even though that course is not job related.

(4) High School Diploma

Any employee wishing to obtain their high school diploma or G.E.D. will be reimbursed 100% for any tuition, book, or fee expenses they may incur.

(5) Tax Status

All educational reimbursements are subject to income tax laws and regulations as determined by the Internal Revenue Service. Employees may have to report any amounts received under the Education Reimbursement Plan as taxable income.

The employee shall have the right to retain an attorney of his choice at the employee's expense to defend the employee in any individual claim.

ARTICLE 23 SECONDARY EMPLOYMENT

23.1 Off-duty employment of a security nature conducted according to the procedures set forth below is authorized by the Pensacola Police Department because it confers a substantial benefit upon citizens by allowing an expanded law enforcement presence at minimal expense to the City.

However, officers engaged in off-duty security employment should remain constantly aware that they are law enforcement officers utilizing equipment provided by the City of Pensacola while engaging in such activities, and they are perceived by the public as on-duty officers. Therefore, all officers are directed to conduct their behavior while working off-duty in exactly the same manner and following all applicable policies and procedures as though they were working on their scheduled tour of duty. The fact that compensation is provided by an entity other than the City of Pensacola does not diminish an officer's responsibilities and can never be allowed to present a conflict of interest between the entity providing compensation and the paramount responsibility as a police officer.

Under no circumstance will any officer working off-duty disregard any law enforcement responsibility or violate any policy or procedure of the Pensacola Police Department at the request or at the direction of an off-duty employee. Independent judgment as a law enforcement officer must prevail in every situation.

A police officer is authorized by Florida Law (F.S.S. 790.052) during off-duty hours – at discretion of their superior officer – to perform law enforcement functions normally performed during work hours. Pensacola Police officers are authorized by the Police Chief to carry firearms off-duty and to perform law enforcement functions for off-duty employment normally performed during duty hours.

Members engaging in permanent business or employment shall submit a request for permission to do so to the Police Chief.

ARTICLE 25 INJURY-IN-LINE-OF-DUTY/DISABILITY BENEFITS

25.1 Compensation for Job – Incurred Injury or Illness

a. General

The State of Florida has a Worker's Compensation statute to which the City of Pensacola adheres. The purpose of this coverage is to provide some degree of payment to those employees who become temporarily or permanently disabled due to illness or injury incurred on the job. The following rules will serve to delegate responsibility for proper handling of all such cases, claims, and relevant forms.

In compliance with the Federal Americans with Disabilities Act, the Family Medical Leave Act, and other applicable federal and state laws, each employee injured in a job-related accident will be assured of their job when released to return to duty. If the employee is unable to return to their normal job, every reasonable effort will be made to ensure that the employee will be placed in another position within the City structure commensurate with their physical limitations.

Upon injury or illness and filing of the First Notice of Injury or Illness report where lost time from work or medical expenses are incurred, a letter will be sent to the injured employee notifying the employee that in the event they are unable to resume their usual duties due to physical limitations from the injury or illness, every reasonable effort will be made to ensure that they will be placed in another position within the City structure commensurate with their physical limitations.

b. Report of Injury and Examination

Each incident involving bodily injury sustained on the job by a City employee shall be reported to the employee's supervisor during the course of the shift in which the accident occurred. The employee shall be referred to the City Clinic where a preliminary examination will be made and the Injury or Illness Report (PF-351) is initiated. A copy of this report shall be returned immediately to the employee's supervisor and the Human Resources Office. In cases of severe injury or extreme emergencies the injured employee should be taken to the nearest hospital emergency room and the supervisor should notify the City Clinic.

If in the opinion of the nurse or physician the injury requires more advanced or specialized treatment, the employee will be referred to the physician chosen by the City. The attending physician upon examination shall then determine, in conjunction with the City Physician:

- (1) the need for further examination or treatment,
- (2) the extent to which the employee may work,
- (3) the need for loss of time from work for treatment, rest, hospital care, or a combination or these.

The City Clinic shall keep the employee's supervisor informed as to the condition of the employee and estimated length of time that the employee will be off duty. Where loss of time from work is indicated, the City Clinic, with assistance from the Department of Human Resources, shall arrange for continuation of proper medical care and supervision. The City Clinic must approve all time off from work.

When transitional duties or accommodations are indicated or appropriate, these shall be arranged by the City Clinic, the supervisor, and/or Department Director with approval of the Chief Human Resources Officer. If the employee is unable to return to their normal duty due to physical limitations set forth by their physician, in accordance with the Americans with Disabilities Act, every reasonable effort will be made to ensure that the employee will be placed in another position with the City structure that accommodates their physical restrictions.

In all cases, the City Clinic shall arrange for the initiation of proper State Compensation forms as required (these are mandatory in all cases regardless of loss time or incurrence of medical expense).

c. Temporary Total or Temporary Partial Disability

All time off work due to a job-related injury/illness must be approved by the City Physician/City Nurse.

If loss time is incurred, continuation of salary under Florida Statute requires that a compensable injury or illness be paid for at the rate of 66 2/3 % of the employee's average earnings to a maximum as established by the State. However, the City will compensate in the following manner for each temporary total or temporary partial disability caused by an initial on the job injury. In determining the period of time listed below, all absences shall be cumulative calendar days.

- (1) The injured employee may be paid 100% salary for no longer than ninety (90) day, without using accumulated leave.
- (2) During the above ninety (90) day period of 100% compensation, the employee will receive all workers' compensation monies and those amounts will be deducted from the employee's normal salary.
- (3) After the ninety (90) day period, an employee may at their option use up to thirty (30) days accumulated annual leave. The employee will then keep their Worker's Compensation checks without further payroll deductions. To qualify for compensation from the City funds, the employee must present sufficient evidence of their disability and the City Physician shall determine the eligibility of such claims. At the end of the ninety (90) day loss time period for an "on-the-job" injury, when no other leave is available, the employee must return to full active duty or be placed in another position within the City structure that is commensurate with their

physical restrictions. This is to be determined by the City Physician, in conjunction with the Chief Human Resources Officer.

(4) At the end of the ninety (90) day period, plus the expiration of accumulated annual leave, used at the employee's option, an employee must have returned to work in his/her normal duty or other duty within the City structure commensurate with their physical restrictions. It is the intent of this section that no employee shall remain off work and be on the regular payroll for any more than ninety (90) days, plus a maximum or thirty (30) days of accumulated annual leave due to an on-the-job injury.

d. Recurring Injuries

For recurring complications relevant to a particular previous lost-time injury following a return to active duty, the City of Pensacola will begin compensation as of the first day of the recurrence provided the employee has reported such on the first day of the recurrence to the City Clinic, and the City Physician or City Clinic has given authorization for leave.

(2) Employee responsibility

Lieutenants will request personal time off (PTO) from their Division Commander.

- a. In any case of absence on account of illness, an employee may be required by his department to file a doctor's certificate with the city clinic, and all absences due to illness or injury of more than three (3) days' duration shall require the employee to provide a doctor's certificate to the city clinic stating:
 - 1) The nature of illness or injury;
 - 2) That the employee was incapacitated for work for the duration of his absence;

- The employee is physically able to return to work and perform his duties;
- 4) That the employee has no contagious disease, which would jeopardize the health of other employees.
- b. If an employee is habitually or chronically absent, a supervisor may require medical evidence to be provided to the city clinic concerning any illness or injury beginning with the first day of absence.
- c. If an employee is absent and an excuse is felt necessary, an activity head or department director may request the city nurse to verify the reason for absence.

(3) Record keeping

No employee will be granted personal time off unless the time requested has already accrued prior to the leave period. Personal time off requests shall be for a period of not less than one (1) hour and shall be in increments of not less than one (1) hour.

non-salaried supplement, and shall not be utilized in the calculation of pensions, deferred compensation(s), longevity and other benefits.

The leave sharing program will allow employees to donate unused Personal Time Off (PTO) leave to co-workers who are seriously ill or have family members who are ill, and have exhausted their own leave.

Employees can donate up to half the leave they have available in their PTO and Auxiliary PTO accounts. Employees may receive up to nine (9) months maximum of donated leave. Donated leave of more than 30 days will be considered a non-salaried supplement and shall not be utilized in the calculation of pensions, deferred compensation(s), and accrual of time credited to an employee's longevity. The city will continue to pay their portion toward the group insurance plans, social security replacement, and longevity pay. Donated leave is not considered time worked, and the employee receiving the donation will not accrue leave in their PTO account while on donated leave. Donated leave must be submitted in advance for use and cannot be used retroactively.

e. Administration

An employee donating leave must complete a leave transfer form (PF-306) and turn the form into the Human Resources Office for verification of leave balance. This form will be forwarded to the Finance Department for processing. Employees receiving leave will be awarded leave hours based on the "cash value" of the donated leave.

CITY OF PENSACOLA
DRUG-FREE WORKPLACE HANDOUT

City of Pensacola, FL

Drug Free Workplace Policy

I. STATEMENT OF POLICY

City of Pensacola, hereafter known as the "Employer" strives to provide a safe work environment and encourages personal health. In this regard, the Employer considers the abuse of drugs on the job to be an unsafe counter-productive work practice. Furthermore, we see substance abuse as a serious threat to our staff and the public. With these objectives in mind, the Employer has established the following policy with regard to the use, possession, and sale of illegal drugs and alcohol at work. FL Statutes 112.0455 Drug-Free Workplace Act.

Drug use has serious adverse effects upon a significant portion of the workforce, resulting in billions of dollars of lost productivity each year and posing a threat to the workplace and to public safety and security. Drug use creates a variety of workplace problems, including increased injury on the job, increased absenteeism, increased financial burden on health and benefit programs, increased workplace theft, decreased employee morale, decreased productivity, and a decline in the quality of products and services.

Drug addiction is a complex, yet treatable disease. We encourage those who abuse drugs or alcohol to seek help in overcoming their problem and participate in an alcohol and drug rehabilitation program.

Prior to testing, employees and job applicants shall be given a written policy statement. The ultimate goal of this policy is to balance our respect for individual privacy with our need to keep a safe and drug free environment within government through fair and reasonable drug testing methods for the protection of public employees and employers. Our intention is to prevent and treat substance abuse.

It is the Employer's policy that an employee found with the presence of illegal drugs and/or alcohol in his/her system, in possession of, using, selling, trading, or offering for sale illegal drugs during working hours, at government functions, or on city premises (including parking lots) may be subject to disciplinary action up to and including discharge. The use of any over the counter products that contain illegal drugs is expressly prohibited. Anyone observing a violation of this policy must report it to his or her immediate supervisor, and that violation be reported to the Department Administrator.

Drugs prescribed by employee's physician may be taken during work hours. The employee should notify the supervisor if the use of properly prescribed medication will affect the employee's work performance. Abuse of prescription drugs will not be tolerated.

Employees must be in compliance with all federal drug laws and the Federal Controlled Substance Act and the Florida Drug Free Workplace Act, Chapter 112. Any and all information gathered as a result of the drug testing program is confidential and may not be disclosed except in accordance with procedures allowed under the Federal/State Statute, County or City policy.

As a condition of employment, employees must abide by the terms of this policy and must notify the Employer in writing of any conviction of a violation of a criminal drug statute no later than five calendar days after such conviction.

Reasonable suspicion drug testing may not be required except upon the recommendation of a supervisor who is at least one level of supervision higher than the immediate supervisor of the employee in question. Among other things, such facts and inferences may be based upon:
- 1. Observable phenomena while at work, such as direct observation of drug use or of the physical symptoms or manifestations of being under the influence of a drug.
- 2. Abnormal conduct or erratic behavior while at work or a significant deterioration in work performance.

- 3. A report of drug use, provided by a reliable and credible source, which has been independently corroborated.

III. POLICY AND WORK RULES

The Employer's policy is to employ a workforce free from the use of illegal drugs either on or off the job, and free from alcohol in the workplace. Any employee determined to be in violation of this policy is subject to disciplinary action up to and including termination, even for the first offense. It is a Standard of Conduct of the Employees of this Employer that employees shall not use illegal drugs or abuse legal ones. In order to maintain this standard, the Employer shall establish and maintain the programs and rules set forth here.

Employees/applicants who are directed by the City clinic staff or supervisor to report to the clinic or an approved collection facility, for a drug/alcohol test and refuse to take a drug or alcohol test may result in a refusal to hire; the employee forfeiting his or her eligibility for medical and indemnity benefits under State Workers' Compensation; and is cause for disciplinary action up to, and including, dismissal of the employee which may also cause denial of Unemployment Compensation.

A. Drug Testing Standards

All testing will be conducted by an Agency for Health Care Administration approved laboratory; positive and negative test results will be reviewed by a certified Medical Review Officer to assure accuracy. All testing, specimen collection, security measures, monthly reports, storage, handling, chain of custody procedures, and quality control procedures will be performed in accordance with appropriate State and Federal rules and regulations.

The Agency for Health Care Administration may adopt additional rules to support this law and Part II of Chapter 408, using criteria established by the US Department of Health & Human Services as guidelines for laboratories: standards for licensing; technical assistance; appropriate specimens; methods of analysis; minimum cut-off detection levels; chain of custody procedures; and a list of common medications by brand or common, brand, and chemical name.

B. General Procedures

The Employer will not discriminate against applicants for employment because of past substance abuse. It is the current abuse of drugs which prevents employees from properly performing their jobs and which, therefore, the Employer will not tolerate. No employee or applicant whose drug test is confirmed as positive shall be defined as a person with a "handicap". The Employer will pay for required drug and alcohol tests. The employee shall pay costs of non-required tests.

C. Initial Test

The initial screen for all drugs except alcohol shall use an inununoassay. For alcohol the initial test may be the enzyme oxidation methodology. The following cutoff levels shall be used when first screening specimens to find whether they are negative or need to be tested further with the confirmation test. All levels equal to or exceeding the following shall be reported as positive:

Alcohol	0.04%
Amphetamines	1000 ng/ml
Cannabinoids	50 ng/ml
Cocaine	300 ng/ml
Phencyclidine	25 ng/ml

Barbiturates	300 ng/ml
Benzodiazepine	300 ng/ml
Synthetic Narcotics:

D. Confirmation Test

A positive finding will generate a confirmation test through the GC/MS (gas chromatography/mass spectrometry) method and the results will be kept confidential. A copy of any positive can be received by the employee by submitting his/her request in writing. As drug testing technology is constantly improving and state and federal laws governing said testing are changing almost as rapidly, the company may change the cut off levels without notice. The cut-off levels in effect for the GC/MS at the time of this printing are as follows:

Alcohol	0.04%
Amphetamines (amphetamine, methamphetamine)	500ng/ml
Cannabinoids	15 ng/ml

E. Confidentiality will be maintained pursuant to F.S 119.07(1)

All information, interviews, reports, statements, memoranda and drug and alcohol test results may not be received in evidence, discovery, or disclosed without a written consent by the donor, except when compelled by a hearing officer or a court of competent jurisdiction, or where deemed appropriate by a professional or occupational licensing board in a related disciplinary proceeding, or in defense of a civil or administrative matter, or for the purpose of reviewing certification of employees.

F. Types of Testing-F.S.S 112 authorizes 5 types of tests:

1. Pre-employment Drug Testing: Consistent with the Employer's policy opposing drug abuse and its commitment to a safe working environment, we have implemented a pre-employment drug testing policy. All job applicants will undergo screening for the presence of illegal drugs as a condition of employment. Applicants will be required to voluntarily submit to a urinalysis test at a laboratory chosen by the Employer after signing a consent and release form. Job applicants who refuse to submit to a drug test or have a positive confirmed drug test are basis for refusal to hire a job applicant. Special Risk and Safety-Sensitive job applicants are required to submit to a drug test, and a refusal to test or a positive confirmed drug test are a basis for refusal to hire the job applicant.

Active Employee Drug Testing: The Employer has adopted screening practices to identify employees who use illegal drugs. It shall be a condition of employment for all employees to refrain from reporting to work, or working with the presence of drugs or alcohol in his/her system, and to submit to drug testing.

- **2. Routine Fitness for Duty testing**: An Employer may require an employee to test if conducted as part of a routinely scheduled employee fitness-for-duty medical examination that is part of the Policy or is scheduled for all members of an employment classification or group.
- **3. Reasonable Suspicion testing**: An Employer may require an employee to submit to testing:
- 1. Observable phenomena while at work, such as direct observation of drug use or of the physical symptoms or manifestations of being under the influence of a drug.
- 2. Abnormal conduct or erratic behavior while at work or a significant deterioration in work performance.
- 3. A report of drug use, provided by a reliable and credible source, which has been independently corroborated.
- 4. Evidence that an individual has tampered with a drug test during employment with the current employer.
- 5. Information that an employee has caused, or contributed to, an accident while at work.
- 6. Evidence that an employee has used, possessed, sold, solicited, or transferred drugs while working or while on the employer's premises or while operating the employer's vehicle, machinery, or equipment.

An employee reporting for work visibly under the influence as determined by his/her supervisor and is unable to properly and safely perform required duties will be placed on administrative leave to allow for reasonable suspicion testing. If possible, the supervisor should first seek another supervisor's opinion of the employee's status. Then the supervisor should consult privately with the employee, in accordance with F.S.S. 112, to determine the cause of the observation, including whether substance abuse has occurred. If, in the opinion of the supervisor, the employee is unfit for duty, the supervisor, as defined above, shall promptly detail in writing the circumstances which formed the basis of the determination that reasonable suspicion existed to warrant the testing. Upon request, a copy of this documentation shall be given to the employee. The Supervisor should contact the City Nurse to arrange for testing at the earliest possible time. The employee should be provided safe transportation to the City Clinic or an approved collection facility, and accompanied by the supervisor or another employee. An employee such as this should not be allowed to drive.

If an employee is tested for reasonable suspicion, documentation will be placed in the employee's confidential file within five working days of the reasonable suspicion test. The Employer will provide to an employee (upon their request) a written report regarding the circumstances that formed the basis for reasonable suspicion. The original and signed report will be maintained in the confidential human resource records for one year.

- **4. Random Testing:** The City may, through the use of an unbiased selection procedure, conduct random drug tests of employees occupying safety-sensitive or special-risk positions if the testing is performed in accordance with drug-testing rules adopted by the Agency for Health Care Administration and the department. Employees who are directed by the City clinic staff or a supervisor to report to the clinic or an approved collection facility, for a drug/alcohol test and who refuse to submit or who fails to appear within a reasonable time as determined by the clinic, are considered a "no show" and will be deemed a positive drug screen.
- **5.** Return-to-duty and Follow-up Testing (not related to job injury): Employees who successfully complete a rehabilitation program, or as part of their rehabilitation program may return to work. The employee must agree a Return-to-duty test and Follow-up drug testing for up to two years following completion of a rehabilitation program. Follow-up testing will be unannounced and on a quarterly, semiannual, or annual basis for up to two years thereafter. Employees not complying with these conditions, or testing positive at any time during or following rehabilitation, will be terminated from employment.

G. Procedures

An employee bringing onto the Employer's premises or property, having possession of, possessing in the employee's body, blood or urine an amount above the threshold levels established by the Agency for Health Care Administration., or using, consuming, transferring, selling or attempting to sell, or transfer any form of illegal drug while on city business or at any time during the hours between the beginning and the end of the employee's working day, whether on city property or not, is guilty of misconduct and is subject to discipline including discharge or suspension without pay from employment, even for a first offense. Failure to submit to required non-duty related tests is misconduct and is grounds for disciplinary action up to, and including, dismissal.

Except for reasonable suspicion tests meeting the criteria listed above, All testing will be conducted by an Agency for Health Care Administration certified lab; Employees shall give either a, breath sample, and/or a urine sample at a hospital, clinic, approved collection facility, or accredited testing laboratory, as designated by the City Clinic. Positive and negative results will be reviewed by a Medical Review Officer to assure accuracy. All testing, sample collection, storage, handling, and chain of custody will be conducted in accordance with appropriate guidelines of State and Federal rules and regulations.

If a test is not collectable because of possible tampering or adulteration, a second test will be requested. The second test may be observed. If a test is rejected because of purposeful adulteration - the employee will be terminated.

Documentation of a positive drug test result will be placed in the employee's confidential file within five working days, an Employer shall inform the employee in writing of the positive result, consequences of the result, and options available. If an employee is tested for reasonable suspicion, documentation of this test will be placed in the employee's confidential file within five working days of the reasonable suspicion test. The employee shall not be disciplined until a positive test results is communicated to the City.

Safety Sensitive, and Special Risk employees who have tested positive shall not be permitted to perform a safety-sensitive function. If a non-safety sensitive position is not available, the employee may be placed on leave status while participating in an alcohol and drug rehabilitation program. The employee must use a substance/alcohol program approved by the City. While in the program, the employee will be allowed to return to work upon approval by the clinic medical director and program administrator; if not, the employee may use all of their accrued personal time off leave and then may be placed on leave without pay under the City's temporary disability policy.

A Special Risk employee and other positions as designated by the Mayor or designee, may be discharged or disciplined for the first positive confirmed drug-and/or alcohol test, pursuant to s. 893.13.

All information received in regard to drug/alcohol testing results will be maintained in separate confidential files and only be used for the purposes spelled out in this document.

H. Medical Review Officer

A certified Medical Review Officer who is a medical physician shall review with the employee/applicant all positive test results concerning that employee/applicant within five (5) days of the test collection. If the employee tests positive the MRO shall contact said employee to determine if said employee has a valid medical prescription for the medication which caused the positive test result. If after that determination by the MRO that said

prescription was valid then the MRO shall report the test as negative, however, if said employee has no justification or a valid prescription for testing positive then the MRO shall report that positive test to the city. Testing may exceed the five (5) days only when extraordinary circumstances have been communicated with both Employer and the Employee to allow for reconsideration of administrative leave provided as well as proper time required to grieve or challenge test. An employee/applicant may consult with the MRO, (850)434-3782, after being tested in order to report any prescription or non-prescription drug use. No physician-patient relationship is created by the establishment and administration of a drug-testing program.

I. Education

Employee and Supervisor education and training will be conducted in a manner required by the appropriate state regulations.

J. Employee Assistance

The management of the Employer is aware that many personal or health problems can and do interfere with an employee's ability to perform on the job. These problems may include emotional and mental illness, family and marital stress, abuse of drugs and/or alcohol and others.

Employees whose job performance is not related to a lack of skill and who do not respond to the usual disciplinary procedures are usually in need of the attention of professionals. With proper treatment, many troubled employees can be restored to a satisfactory level of job performance. However, if the underlying problems or illnesses are ignored, they may worsen with time, rendering the person unemployable.

The Employer shall not discharge, discipline, or discriminate against an employee solely upon voluntarily seeking treatment for a drug or alcohol related problem if the employee has not previously tested positive for alcohol or drug use, or previously entered an alcohol and drug rehabilitation program. Participation in an Employee Assistance Program, or another mental health or substance abuse counseling program, will not affect the employee's future career advancement or employment, nor will it protect an employee from disciplinary action if substandard job performance continues. Employee Assistance is used in conjunction with discipline, not a substitute for discipline.

If an employee is unable to participate in outpatient rehabilitation, the employee may be placed on leave status while participating in a drug and alcohol rehabilitation program. The employee shall be permitted to use accumulated leave prior to being place on leave without pay. Upon successful completion of the rehabilitation program, the employee shall be reinstated to the same or equivalent position.

The Human Resource Office will have a list of Drug and Alcohol Counselors and other mental health facilities available in your area. The employee may review this list discreetly. The costs of these services are the responsibility of the employee.

K. Grounds for Discipline or Termination:

An employee bringing onto the Employer's premises or property, having possession of, being under the influence of, possessing in the employee's body, blood, or urine in the amount set forth in Section III, Parts C & D; purposely tampering or adulterating a specimen; or using, consuming, transferring, selling, attempting to sell or transfer any form of illegal drug as defined above while on city business, or at any time during the hours between the beginning and ending of the employee's working day, whether on duty or not, whether on city property or not, is guilty of misconduct and subject to discipline including discharge or suspension without pay from employment, even for the first offense. Failure to submit to required drug and/or alcohol tests is considered refusal to test and is grounds for discharge from employment.

- 1. The Employer will use the Federal Department of Transportation guidelines to determine a refusal to test in the case of shy bladder or shy lung.
- 2. In the case of shy bladder or shy lung, the employee, within 5 working days, must secure evaluation from a licensed physician as to whether or not there is a medical condition for a failure to provide sufficient specimen.
- 3. In the case of psychological cause, the diagnosis must have been made prior to the test. Diagnosis such as typical anxiety is not acceptable.

Employees tested for reasonable suspicion may be placed on administrative leave status or placed in non-safety sensitive jobs pending the results of the required test and/or investigation. An employee with a negative result will be reinstated if suspended, with full back-pay and/or return to the same or equivalent position. A verified positive test will result in immediate disciplinary action up to and including termination of employment. However, if the employee's conduct in connection with the substance/alcohol abuse amounts to conduct for which the City may otherwise discipline the employee, the City may take action prior to knowing a positive test result. If the employee fails to complete the program, or fails to or cannot be rehabilitated, they may be terminated from their employment with the City.

L. Responsibilities of the Employee

As a condition of employment, employees must abide by the terms of this policy and must notify the Employer in writing of any conviction of a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such a conviction.

- (2) The employee or job applicant must notify the laboratory of any administrative or civil action planned as a result of a positive test within five working days from receipt of notification.
- (3) The Employee has the right to contest the result of a positive drug test, in writing, within five working days of being notified in writing of the positive test result.

The parties further agree that the Grievance Procedure Article in this Collective Bargaining Agreement shall be the remedy for resolving any dispute concerning these policies and procedures.

Except under extraordinary circumstances, vacations, shifts, shift transfers and regular days off shall be determined with due regard for needs of the department, seniority, and bargaining unit employee preference. The City and the Union understand that there may be times when the needs of a department will not permit such scheduling.

Seniority shall also be considered in promotions, transfers, and lay-offs as indicated in this Agreement.

Section 3: Employees of Systems Acquired by the City

Employees covered by this Agreement shall suffer no loss of seniority in the event the city acquires an operating system and it is deemed necessary to retain the employees of the newly acquired system and incorporate them into the City's organization.

LAY-OFFS AND RECALLS

Section 1.

"Lay-off" shall be defined as a reduction in force after a determination by the City of a lack of funds, lack of work, material changes in duties or organization for purposes of economy or efficiency, or abolishment of positions.

The City may lay off employees when the City determines a reduction of workforce to be in the best interests of the City. Such lay-off shall be based upon seniority.

Section 2.

Any laid-off employees shall be responsible to keep on file with Employer the address to which the notice of return to work is to be sent. The Employer will notify a recalled laid-off employee not less than three (3) weeks prior to the date the individual is to report to work by certified mail sent to the address which such laid-off employee has on file with the Employer.

Section 3.

Any recalled employee shall be considered to have abandoned his/her position if he/she fails to accept employment within three (3) days after notification, or fails, without an excuse which Employer regards as reasonable, to report to work as instructed.

EMPLOYMENT, PROMOTION, DEMOTION & TRANSFER

10.1(A) Classification Review

When an employee alleges that regularly assigned duties constitutes a significant portion of the employee's work time are duties not included in the employee's position description or the classification specification to which the position is assigned, the employee may make a request for a review through the Human Resources Division.

Classification review includes the following outcomes:

Potential outcomes of a classification review:

- Determination that the position is classified correctly and that the current role and pay level are appropriate. Changes in job duties were not significant enough to require a change in salary range or title.
- Determination that the job duties of the position are best allocated to a higher role and pay range. (promotion)
- Determination that the job duties of the position are best allocated laterally to a different role but in the same pay range.
- Determination that a position is functioning in a pay range below its current classification. (demotion)

When a decision is reached the results will be communicated through the supervising manager. Even if a job is found to complete tasks associated with a higher pay grade management reserves the right to reassign tasks to appropriate staff in lieu of providing a promotion to the effected staff member. Employee shall be paid for time worked if position is assigned to a higher classification. The effective date of such changes shall be no more than 20 days retro from the date the classification audit is completed.

10.1(B) Position Description

Each employee shall be given the opportunity to review his/her position description and the employees' signature shall acknowledge that the incumbent has made such a review and that the employee has received a copy of the current position description.

10.2 Working out of classification

Bargaining unit members working temporarily in a higher class for more than twenty (20) consecutive shifts will be paid out-of-class differential pay incentive of 10% premium on their base wage beginning with their 21st consecutive shifts. To qualify, an employee must be assuming the full and complete duties and responsibilities of the higher class. Said differential pay shall be applicable only when the vacancy has resulted from an illness that qualifies under FMLA, on-thejob injury or a job vacancy that is a position duly created and still existent but not occupied by an employee. Such differential pay shall begin only after the employee has performed the complete duties for twenty consecutive (20) shifts and shall be paid only for time actually worked. Out-of-class differential pay shall apply only to the shifts worked after the twenty (20) consecutive shifts have been completed. Out-of-class differential shall be paid with the employee's regular compensation and is pensionable. Complete records of such out-of-class differential work shall be submitted to the Division of Human Resources within two (2) weeks of having performed such work, on forms furnished by that department. Employees approved for acting out of class assignments must requalify every time a new event occurs.

- 10.3. When a vacancy exists, the City may choose to fill the vacancy from within the City's workforce (internal) or may request an external recruitment process be conducted. Those positions to be filled by recruitment may be advertised internally and externally concurrently. Job announcements will provide information about the position and the required examination process.
- 10.4 When a position is announced internally, a job announcement will be distributed and open for a minimum of ten (10) working days, to all City departments. Applicants are required to submit the appropriate application by the announced closing date. Internal announcements are open only to employees of the City.
- 10.5 When a position is announced externally, a job announcement will be distributed and open for a minimum of ten (10) working days. External recruitments may require outside advertising (i.e., newspapers, trade journals, etc.).
- 10.6 Applications are accepted only when positions are posted. Applications are required for all positions filled by a recruitment process and must be filed with Human Resources by the announced closing date and time. Applications collect details regarding experience, training, education, and other pertinent information. Required documentation may be required along with the application that provides proof of education, certification, veteran preference, etc. Applicants must attest to the truthfulness of all statements contained in the application and false statements or misrepresentation by an applicant may be cause for denying employment or for discharge from City employment at any time after being employed.

- 10.7 Examinations for positions will be practical and objectively measure the relative capabilities of the applicant to perform the duties of the position in accordance with industry standards and generally accepted testing practices.

 Persons eligible to make application—whether by internal or external recruitment—who meet the minimum qualifications may apply and take an examination.
- 10.8 Examinations may include a written test, an interview, a performance test, an evaluation of training and experience, supervisory efficiency rating, self-development, recency of pertinent experience, assessment centers, psychological tests, or other accepted assessment, or any combination thereof. Examination components will total 100%.
- 10.9 Eligible registers will be prepared based on internal and/or external recruitment status. Registers will contain the names of candidates who meet the minimum qualifications and who have obtained a passing score on the examination process.

"Minimum Qualifications" are defined as those minimum requirements such as education and experience that are bona fide occupational qualifications which an applicant must possess to be considered for appointment.

Additional requirements such as licenses, certificates, etc. may also be indicated when necessary to perform the essential duties of the position. No person may be employed or promoted who does not meet the minimum qualifications for a position.

Passing examination scores may be augmented by additional points, such as veteran preference points (per Florida statutes). However, the availability of such additional points will be indicated on the job posting or announcement. Applicants will be listed by total score/grade.

- 10.10 Eligible registers for positions covered by this Agreement are in effect for one
 (1) year, unless extended by request of the appointing authority. If a substantial change is made to the bona-fide qualifications of a position, an eligible register may be cancelled.
- 10.11 The eligible list of applicants will be certified by Human Resources to the appointing authority; any person on the list is eligible for employment or promotion.
- 10.12 Prior to employment or appointment to a position, appropriate background and reference checks will be completed in accordance with City policy.
- 10.13 Any applicant for employment who makes a false statement in connection with any application or examination shall be deemed ineligible for selection under that job announcement. Knowingly making a false statement in connection with an application or examination shall be grounds for termination, and such an employee will be ineligible for any appointment in the service of the City for a period of three (3) years.

- 10.14 When a vacancy is to be filled by demotion, the employee must meet the qualifications for the target position. Demotions may be the result of disciplinary action or at the request of an employee.
- 10.15 When a vacancy is to be filled by transfer, the employee must meet the qualifications for the target position and department directors/administrators must agree to accept the transferee. The request for transfer must be documented on an approved form and approved by both department directors/administrators.
- 10.16 All employees will receive written performance evaluations at periodic intervals during their probationary period, annually, and when there is a significant change in the employee's performance. Such evaluations are intended to provide the employee with an opportunity to increase the employee's understanding of the City's performance standards and expectations as well as to continue to grow in the employee's service to the City. A Union representative may be present at the time an evaluation is presented to the employee, and the employee may provide a rebuttal to any assessment with which he or she disagrees.

DISCHARGE AND DISCIPLINE

Discipline and/or counseling will normally be carried out in a manner, which does not embarrass an employee. Neither formal nor informal counseling are considered to be a disciplinary action, but are considered efforts to identify and correct deficiencies or improve performance. An employee who receives a formal record of counseling will be permitted a period of ten (10) calendar days within which to prepare a written rebuttal; and the supervisor who prepared the counseling will review the documents prior to placing them in the affected employee's personnel file.

The parties agree to the principle that employee discipline should be conducted in accordance with a progressive discipline approach in which progressive disciplinary action will be taken for repeated similar or related offenses, except where the course of conduct or the severity of the offense justifies otherwise. Any disciplinary action instituted under this section shall be implemented within a reasonable period of time after the event giving rise to such disciplinary action or knowledge thereof.

No non-probationary employee shall be removed, discharged, reduced in rank or pay, suspended, or otherwise disciplined except for just cause. Employees being disciplined must be furnished with a written statement of the charges or reason for the discipline. If requested by the employee, a copy of the written statement must be provided to a Union representative.

Any written reprimand shall be furnished to the employee and shall state the reason for the reprimand. The employee will be requested to sign the reprimand in order to acknowledge awareness of it, and if he or she refuses to sign it, the refusal shall be noted and placed in the employee's personnel file. An employee's signature on a written reprimand shall constitute an acknowledgement of an awareness of the reprimand, and not an agreement with the basis for the reprimand. Employees shall be able to file a grievance through step II of the grievance procedure.

Employees have the right to review their own personnel file at reasonable times under supervision of the designated custodian.

Employees shall have the right to grieve the disciplinary actions of suspension, demotion, reduction in rank for cause stated, or dismissal by utilizing the grievance and arbitration rights provided herein.

- A. City of Pensacola shall have the right to bring discipline within 30 days of the event giving rise to the discipline or 30 days upon the closure of an investigation should an investigation be deemed necessary..

- No such employment may be of a character inconsistent or incompatible with or in obvious conflict with the employee's duties with the City.
- 2. Such outside occupations must be carried on fully outside of regular hours of City employment and must not interfere in the performance or efficiency of the employee's position. Such work must not be of such a strenuous nature or of such a schedule as to influence the employee's conduct, efficiency, attendance or promptness.

- 4. Under no conditions may the employee, in his or her alternate capacity, sell any service or merchandise to the City.
- Any employee taking part in any outside employment must fully and honestly complete an Outside Employment Form (PF-405). The form must be submitted to the employee's Department Director for review and approval.

A form must be completed for each outside employment; with a new one to be filled out any time there is a change in such employment. Termination of outside employment must be reported on the Termination of Outside Employment Form (PF-406)

Continued efforts by the City to cooperate with employees in permitting outside employment will not be construed as a waiver of the City's right to require unscheduled overtime and to require that its employees be available for emergency services in accordance with this Agreement.

Disputes concerning the disapproval of outside employment shall be subject to the grievance procedure up to Step 3.

LEAVE SHARING PROGRAM

A leave sharing program is hereby established for all classified civil service and administrative professional, non-civil service appointed employees. The Mayor or his designee shall establish the procedure by which the Human Resources Administrator shall administer the leave-sharing program. This form is required for all requests as stated: employee's own health condition or serious health condition of a family member (as defined above). Medical certification forms are available in the City Clinic.

(4) Leave Donation Restrictions

Employees can donate up to half the leave they have available in their PTO, Auxiliary PTO, and FMLA PTO accounts. Employees may receive up to nine (9) months maximum of donated leave. Donated leave of more than thirty (30) days will be considered a non-salaried supplement and shall not be utilized in the calculation of pensions, and deferred compensation(s). The City will continue to pay their portion toward the group insurance plans and Social Security replacement. Donated leave is not considered time worked, and the employee receiving the donation will not accrue leave in their PTO account while on donated leave. Donated leave will run concurrently with FMLA leave. Donated leave must be submitted in advance for use and cannot be used retroactively. An employee who is receiving donated leave may not work a second job outside the City while on donated leave. An employee who has been released to return to work by his/her physician, with verification/approval of return to work by the City Clinic, will no longer be authorized to receive donated leave, unless documentation of the need to remain off work has been approved through the City Clinic.

(5) Administration

An employee donating leave must complete a leave transfer form (PF-306) and turn the form into the Human Resources Department for verification of leave balance. This form will be forwarded to the Finance Department for processing. Employees receiving leave will be awarded leave hours based on the "cash value" of the donated leave.

(6) Tax Treatment

Employees who donate leave are not subject to any taxes because of their donation. However, employees who receive donated leave are subject to regular income tax and it will be reported as income.

City of Pensacola

Memorandum

File #: 18-00293 City Council 9/13/2018

LEGISLATIVE ACTION ITEM

SPONSOR: Ashton J. Hayward, III, Mayor

SUBJECT:

STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION PUBLIC TRANSPORTATION GRANT AGREEMENT

RECOMMENDATION:

That City Council authorize the Mayor to accept and execute the State of Florida Department of Transportation Public Transportation Grant Agreement Financial Project 441494-2-94-01 in the amount of \$3,000,000 for Pensacola International Airport Facilities Development related to MRO expansion. Further, that City Council approve the grant resolution and authorize the Mayor or his designee to take all actions necessary related to the finalization of the grant. Finally, that City Council approve the supplemental budget resolution appropriating the grant funds.

HEARING REQUIRED: No Hearing Required

SUMMARY:

On December 17, 2013 Mayor Hayward executed a nonbinding Memorandum of Understanding with ST Aerospace which allowed the City of Pensacola to begin contract negotiations with VT Mobile Aerospace Engineering, Inc. (VT MAE) for the construction and operation of a maintenance, repair, and overhaul (MRO) facility at the Pensacola International Airport. City Council approved the negotiated lease agreement on September 9, 2014. The 173,000 sq. ft. facility officially opened in June 2018 and is on the way to creating 400 new high-wage jobs for the area. On July 18, 2018 the Triumph Gulf Coast Board of Directors unanimously approved a \$56 million grant to the City of Pensacola to allow for development of an expanded MRO Campus.

The Mayor and Staff have a longer term strategy to grow the MRO capacity. Expanding taxiways and aprons to additional development sites will allow for the expansion of MRO capabilities to further diversify the economic development opportunities in the region, create additional high quality jobs, and support the burgeoning aviation industry in the State of Florida.

As part of this strategy and in anticipation of the associated growth, the Mayor and Staff have begun to identify possible funding sources to partially pay for the possible construction of additional facilities. The Mayor and Staff worked with the local legislative delegation to obtain a State appropriation during the 2018 Legislative Session. These funds will be committed in the form of a State of Florida Department of Transportation Public

Transportation Grant Agreement in the amount of \$3,000,000 that could be used to assist with the construction associated with an additional facility.

The acceptance and execution of the grant does not obligate the City of Pensacola to undertake the project. Rather, the acceptance and execution of the grant provides a source of funds for a future project.

PRIOR ACTION:

June 13, 2013 - City Council adopted a resolution to support the acceptance of a grant offered by the Florida Department of Transportation as a Joint Participation Agreement # 43360229401 in the amount of \$11,090,000 for air commerce park phases I and IA - Infrastructure Development.

If the Agency does not complete the Project within this time period, this Agreement will expire unless an extension of the time period is requested by the Agency and granted in writing by the Department prior to the expiration of this Agreement. Expiration of this Agreement will be considered termination of the Project. The cost of any work performed prior to the Effective Date or after the expiration date of this Agreement will not be reimbursed by the Department.
 - a. __ If this box is checked the following provision applies:

Unless terminated earlier, work on the Project shall commence no later than the __day of __ or within __ days of the issuance of the Notice to Proceed for the construction phase of the Project (if the Project involves construction), whichever date is earlier.  - c. If the Agreement is terminated before performance is completed, the Agency shall be paid only for that work satisfactorily performed for which costs can be substantiated. Such payment, however, may not exceed the equivalent percentage of the Department's maximum financial assistance. Department's Comptroller under Section 334.044(29), Florida Statutes. If the Department determines that the performance of the Agency is unsatisfactory, the Department shall notify the Agency of the deficiency to be corrected, which correction shall be made within a time-frame to be specified by the Department. The Agency shall, within sixty (60) days after notice from the Department, provide the Department with a corrective action plan describing how the Agency will address all issues of contract non-performance, unacceptable performance, failure to meet the minimum performance levels, deliverable deficiencies, or contract non-compliance. If the corrective action plan is unacceptable to the Department, the Agency will not be reimbursed. If the deficiency is subsequently resolved, the Agency may bill the Department for the amount that was previously not reimbursed during the next billing period. If the Agency is unable to resolve the deficiency, the funds shall be forfeited at the end of the Agreement's term.

g. Invoice Processing. An Agency receiving financial assistance from the Department should be aware of the following time frames. Inspection or verification and approval of deliverables shall take no longer than 20 days from the Department's receipt of the invoice. The Department has 20 days to deliver a request for payment (voucher) to the Department of Financial Services. The 20 days are measured from the latter of the date the invoice is received or the deliverables are received, inspected or verified, and approved.

If a payment is not available within 40 days, a separate interest penalty at a rate as established pursuant to Section 55.03(1), Florida Statutes, will be due and payable, in addition to the invoice amount, to the Agency. Interest penalties of less than one (1) dollar will not be enforced unless the Agency requests payment. Invoices that have to be returned to an Agency because of Agency preparation errors will result in a delay in the payment. The invoice payment requirements do not start until a properly completed invoice is provided to the Department.

A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this individual include acting as an advocate for Agency who may be experiencing problems in obtaining timely payment(s) from a state agency. The Vendor Ombudsman may be contacted at (850) 413-5516.

- h. Records Retention. The Agency shall maintain an accounting system or separate accounts to ensure funds and projects are tracked separately. Records of costs incurred under the terms of this Agreement shall be maintained and made available upon request to the Department at all times during the period of this Agreement and for five years after final payment is made. Copies of these records shall be furnished to the Department upon request. Records of costs incurred include the Agency's general accounting records and the Project records, together with supporting documents and records, of the Contractor and all subcontractors performing work on the Project, and all other records of the Contractor and subcontractors considered necessary by the Department for a proper audit of costs.
- i. Progress Reports. Upon request, the Agency agrees to provide progress reports to the Department in the standard format used by the Department and at intervals established by the Department. The Department will be entitled at all times to be advised, at its request, as to the status of the Project and of details thereof.

- m. Department's Performance and Payment Contingent Upon Annual Appropriation by the Legislature. The Department's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The Department shall require a statement from the comptroller of the Department that funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding 1 year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years; and this paragraph shall be incorporated verbatim in all contracts of the Department which are for an amount in excess of \$25,000 and which have a term for a period of more than 1 year."

- o. Agency Obligation to Refund Department. Any Project funds made available by the Department pursuant to this Agreement that are determined by the Department to have been expended by the Agency in violation of this Agreement or any other applicable law or regulation shall be promptly refunded in full to the Department. Acceptance by the Department of any documentation or certifications, mandatory or otherwise permitted, that the Agency files shall not constitute a waiver of the Department's rights as the funding agency to verify all information at a later date by audit or investigation.
- p. Non-Eligible Costs. In determining the amount of the payment, the Department will exclude all Project costs incurred by the Agency prior to the execution of this Agreement, costs incurred after the expiration of the Agreement, costs that are not provided for in Exhibit "A", Project Description and Responsibilities, and as set forth in Exhibit "B", Schedule of Financial Assistance, costs agreed to be borne by the Agency or its contractors and subcontractors for not meeting the Project commencement and final invoice time lines, and costs attributable to goods or services received under a contract or other arrangement that has not been approved in writing by the Department. Project Description and Responsibilities

- **A. Project Description** (description of Agency's project to provide context, description of project components funded via this Agreement (if not the entire project)): Pensacola International Airport Facilities Development
- **B. Project Location** (limits, city, county, map, illustration/graphic of project area): <u>Pensacola International</u> Airport/Pensacola, FL/Escambia
- **C. Project Scope** (allowable costs: describe project components, improvement type/service type, approximate timeline, project schedule, project size):

Pensacola International Facility Development. The scope of work will include the design and construction of three additional hangars (one hangar at 173,000 sf and two additional hangars at 191,000 sf), 100,000 sf of warehouse and shop space, 120,000 sf administrative office building, and all adjacent roadways, taxiways, aprons, and infrastructure. The MRO hangars will be capable of accommodating aircraft as large as the Boeing 777/A300. Much of this new construction is on land the Airport acquired using prior FDOT funding, consequently this project is a natural extension of its long-term commercial development plan made possible by previous FDOT grants. **Justification:** There are several key quantitative measures that promote economic recovery, diversification, and are truly transformative to the economy of NW Florida and the State. The direct new jobs created in the Aerospace industry sector are 1,325. The average wage associated with the direct new jobs is \$44,461, not including fringe benefits. Based on the above, total annual payroll to NW Floridians will be \$58.9 million associated with the proposed project. When combined with the new jobs already created from Hangar 1 (not part of this project), total new Aerospace industry sector jobs will be 1,725 and total annual payrolls will be approximately \$69.0 million. Estimated cost for the project is approximately \$200 Million. This FDOT grant funds of \$3,000,000 for the project.

D. Deliverable(s):

The project scope identifies the ultimate project deliverables. Deliverables for requisition, payment and invoice purposes will be the incremental progress made toward completion of project scope elements. Supporting documentation will be quantifiable, measurable, and verifiable, to allow for a determination of the amount of incremental progress that has been made, and provide evidence that the payment requested is commensurate with the accomplished incremental progress and costs incurred by the Agency.

Contract Payment Requirements Florida Department of Financial Services, Reference Guide for State Expenditures Cost Reimbursement Contracts

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.). Supporting documentation shall be submitted for each amount for which reimbursement is being claimed indicating that the item has been paid. Documentation for each amount for which reimbursement is being claimed must indicate that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved agreement budget may be reimbursed. These expenditures must be allowable (pursuant to law) and directly related to the services being provided.

Listed below are types and examples of supporting documentation for cost reimbursement agreements:

- (1) Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.
- (2) Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.

- (3) Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher or electronic means.
- (4) Other direct costs: Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with Department of Management Services Rule 60A-1.017, Florida Administrative Code, regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in Section 273.02, Florida Statutes, for subsequent transfer to the State.
- (5) In-house charges: Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable.
- (6) Indirect costs: If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown.

Contracts between state agencies, and/or contracts between universities may submit alternative documentation to substantiate the reimbursement request that may be in the form of FLAIR reports or other detailed reports. RESOLUTION 18-30 - STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION PUBLIC TRANSPORTATION GRANT AGREEMENT

RECOMMENDATION:

That City Council approve Resolution No. 18-30.

A RESOLUTION AUTHORIZING AND DIRECTING THE MAYOR OF THE CITY OF PENSACOLA **EXECUTE** TO PUBLIC TRANSPORTATION **GRANT** AGREEMENT FINANCIAL **PROJECT** 441494-2-94-01 WITH THE **FLORIDA DEPARTMENT** THE TRANSPORTATION **FOR FACILITIES DEVELOPMENT** AT **PENSACOLA** INTERNATIONAL AIRPORT AIR COMMERCE PARK; PROVIDING AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

On December 17, 2013 Mayor Hayward executed a nonbinding Memorandum of Understanding with ST Aerospace which allowed the City of Pensacola to begin contract negotiations with VT Mobile Aerospace Engineering, Inc. (VT MAE) for the construction and operation of a maintenance, repair, and overhaul (MRO) facility at the Pensacola International Airport. City Council approved the negotiated lease agreement on September 9, 2014. The 173,000 sq. ft. facility officially opened in June 2018 and is on the way to creating 400 new high-wage jobs for the area. On July 18, 2018 the Triumph Gulf Coast Board of Directors unanimously approved a \$56 million grant to the City of Pensacola to allow for development of an expanded MRO Campus.

The Mayor and Staff have a longer term strategy to grow the MRO capacity. Expanding taxiways and aprons to additional development sites will allow for the expansion of MRO capabilities to further diversify the economic development opportunities in the region, create additional high quality jobs, and support the burgeoning aviation industry in the State of Florida.

As part of this strategy and in anticipation of the associated growth, the Mayor and Staff have begun to identify possible funding sources to partially pay for the possible construction of additional facilities. The Mayor and

Staff worked with the local legislative delegation to obtain a State appropriation during the 2018 Legislative Session. These funds will be committed in the form of a State of Florida Department of Transportation Public Transportation Grant Agreement in the amount of \$3,000,000 that could be used to assist with the construction associated with an additional facility.

The acceptance and execution of the grant does not obligate the City of Pensacola to undertake the project. Rather, the acceptance and execution of the grant provides a source of funds for a future project.

PRIOR ACTION:

June 13, 2013 - City Council adopted a resolution to support the acceptance of a grant offered by the Florida Department of Transportation as a Joint Participation Agreement # 43360229401 in the amount of \$11,090,000 for air commerce park phases I and IA - Infrastructure Development.

RESOLUTION NO. 18-33 - AUTHORIZING THE MODIFICATION OF THE TERMS OF THE EXISTING AIRPORT TAXABLE CUSTOMER FACILITY CHARGES REVENUE NOTE.

RECOMMENDATION:

That City Council adopt Resolution No. 18-33.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PENSACOLA, FLORIDA, AUTHORIZING THE MODIFICATION TO THE TERMS OF A LOAN TO FINANCE THE **SERVICE FACILITY** AT THE **PENSACOLA** OF THE **RENTAL** CAR INTERNATIONAL AIRPORT; APPROVING CERTAIN AMENDMENTS TO THE LOAN AGREEMENT: AUTHORIZING **CERTAIN OTHER MATTERS** IN CONNECTION THEREWITH; **PROVIDING** FOR **OTHER ADMINISTRATIVE ACTIONS** AND APPROVALS: **PROVIDING FOR** SEVERABILITY: REPEALING INCONSISTENT PROVISIONS AND PROVIDING FOR AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

In January 2008 City Council approved a \$21 million taxable loan (the "Original Loan") from Bank of America, N.A., to finance the Rental Car Service Facility at the Pensacola Regional Airport and the City issued its Airport Taxable Customer Facility Charges Revenue Note (the "Original Note"). Construction costs were lower than originally anticipated and only \$17,847,177 was actually borrowed. The terms of the Original Loan required interest only payments for three years with interest calculated on the basis of the 30 day LIBOR Rate plus 75 basis points (or .75%). The loan is currently being paid from Customer Facility Charge (CFC) revenues.

On September 23, 2010, with authorization by City Council and Bank of America, the maturity of the Original Note was extended to December 31, 2012 (the "2010 Modified Note") under the same terms provided in the Original Loan (the "2010 Loan Modification"). Prior to the closing of the 2010 Loan Modification, accumulated CFC revenues in the amount of \$3,047,177 were applied by the City to pay a portion of the outstanding principal amount of the Original Note, leaving an outstanding balance of \$14,800,000.

On June 27, 2012, with authorization by City Council and Bank of America, the maturity of the 2010 Modified Note was extended to December 31, 2015 (the "2012 Modified Note") under the same terms provided in the Original Loan (the "2012 Loan Modification"). Prior to the closing of the 2012 Loan Modification, accumulated CFC revenues in the amount of \$3,000,000 were applied by the City to pay a portion of the outstanding principal amount of the 2010 Modified Note, leaving an outstanding balance of \$11,800,000.

On September 25, 2015, with authorization by City Council and Bank of America, the maturity of the 2012 Modified Note was extended to December 31, 2018 (the "2015 Modified Note") under the same terms provided in the Original Loan (the "2015 Loan Modification"). Prior to the closing of the 2015 Loan Modification, accumulated CFC revenues in the amount of \$3,000,000 were applied by the City to pay a portion of the outstanding principal amount of the 2015 Modified Note, leaving an outstanding balance of \$8,800,000.

In anticipation of the maturity of the 2015 Modified Note on December 31, 2018, City staff along with the City's Financial Advisor, Julie Santamaria of RBC Capital Markets, LLC, began reviewing market conditions, CFC revenue capacity for debt service and refinancing options. It was determined that extending the maturity of the 2015 Modified Note to December 31, 2021, with a pay down of principal of \$3,000,000 was the best option. The Bank of America was represented by Joe Miller, Senior Vice President of Bank of America Merrill Lynch. The financing team also included Randy Clement, Esq. with Bryant Miller Olive P.A., the City's Bond Council.

Renewal terms negotiated with Bank of America allow for an extension of interest only through December 31, 2021. Interest will be calculated on the same basis as the Original Loan, including an interest rate based on the 30 day LIBOR Rate plus 75 basis points. Due to the pay down of principal, the renewal loan amount will be reduced to \$5,800,000. Repayments of the loan are secured from a first priority pledge of the portion of the Customer Facility Charge (CFC) revenues constituting the Service Site Area Customer Facility Charge, the Service Site Area Ground Rent and Facilities Rent.

FORM OF 2018 MODIFIED NOTE

KNOW ALL MEN BY THESE PRESENTS that the undersigned maker, the City of Pensacola, Florida (the "City"), a municipality created and existing pursuant to the Constitution and the laws of Florida, for value received, promises to pay solely from the sources hereinafter provided, to the order of Bank of America, N.A. or registered assigns (hereinafter, the "Bank"), the principal sum of \$5,800,000.00, together with interest on the principal balance outstanding at the rate set forth below, based upon a year of 360 days for the actual number of days elapsed. This Note evidences the same indebtedness originally issued in an amount not exceeding \$21,000,000 and currently outstanding and being exchanged and re-issued hereby in the amount of \$5,800,000.00 and is issued in conjunction with a Loan Agreement dated as of February 4, 2008, as modified by a Modification to Loan Agreement dated as of September 23, 2010, a 2012 Modification to Loan Agreement dated as of September 25, 2015, and as modified by a 2018 Modification to Loan Agreement dated even date herewith, each between the City and the Bank (collectively, the "Loan Agreement").

Principal of and interest on this Note is payable in immediately available funds constituting lawful money of the United States of America at such place (the "Payment Office of the Bank") as the Bank may designate to the City.

The City shall pay the Bank interest on the outstanding principal balance hereof on the first day of each month, beginning October 1, 2018 and the entire unpaid principal balance, together with all accrued and unpaid interest hereon, shall be due and payable in full on December 31, 2021 (the "Maturity Date"). No principal shall be due prior to the Maturity Date.

All payments by the City pursuant to this Note shall apply first to accrued interest, then to other charges due to the Bank, and the balance thereof shall apply to the principal sum due.

During each Interest Period other than the First Modified Interest Period (hereinafter defined) any principal outstanding hereunder will bear interest at a rate equal to the sum of (i) the LIBOR Rate (hereinafter defined) applicable to such Interest Period plus (ii) 0.75 percent (75 basis points). During the First Modified Interest Period any principal outstanding hereunder will bear interest at a rate of _____%.

"Interest Period" means each period commencing on and including the 1st day (or if not a Business Day, the next day which is a Business Day) of each month and ending on, but not including, the 1st day (or if not a Business Day, the next day which is a Business Day) of the next month, provided that the first Interest Period shall commence on September 20, 2018 (or if not a Business Day, the next succeeding Business Day) (the "First Modified Interest Period").

"LIBOR Rate" for each Interest Period is a rate of interest equal to the rate per annum equal to the London Interbank Offered Rate (or a comparable or successor rate which is approved by the Bank), as published by Bloomberg (or other commercially available source providing quotations of such rate as selected by the Bank from time to time) as determined for the first day of each Interest Period (the "Adjustment Date") at approximately 11:00 a.m. London time two (2) London Banking Days prior to such Adjustment date, for U.S. Dollar deposits (for delivery on such Adjustment Date) with a term of one month, as adjusted from time to time in the Bank's sole discretion for reserve requirements, deposit insurance assessment rates and other regulatory costs. If such rate is not available at such time for any reason, then the rate for that Interest Period will be determined by such alternate method as reasonably selected by the Bank. A "London Banking Day" is a day on which banks in London are open for business and dealing in offshore dollars. If at any time the LIBOR Rate is less than zero, such rate shall be deemed to be zero.

Subject to three (3) days' prior written notice to the Bank, this Note may be prepaid in whole or in part on the first Business Day of each month by payment in an amount equal to the principal amount to be prepaid plus accrued interest thereon to the date of prepayment, and without premium or penalty; provided, however, this Note may be prepaid in whole or in part on any date other than the first Business Day of each month, subject to a prepayment premium in an amount sufficient to compensate the Bank for any loss, cost or expense incurred by it as a result of the prepayment, including any loss of anticipated profits and any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain the amount prepaid or from fees payable to terminate the deposits from which such funds were obtained. The City shall also pay any customary administrative fees charged by the Bank in connection with the foregoing. For purposes of this paragraph, the Bank shall be deemed to have funded each prepaid amount by a matching deposit or other borrowing in the applicable interbank market, whether or not the amount was in fact so funded.

Upon the occurrence of an Event of Default (as defined in the Loan Agreement) then the Bank may declare the entire debt then remaining unpaid hereunder immediately due and payable; and in any such default and acceleration, the City shall also be obligated to pay (but only from the Pledged Revenues) as part of the indebtedness evidenced by this Note, all costs of collection and enforcement hereof, including such fees as may be incurred on appeal or incurred in any proceeding under bankruptcy laws as they now or hereafter exist, including specifically but without limitation, claims, disputes and proceedings seeking adequate protection or relief from the automatic stay. If any payment hereunder is not made within fifteen (15) days after it is due, then the City shall also be obligated to pay, from Pledged Revenues, as a part of the indebtedness evidenced by this Note a late payment fee in the amount of 4% of delinquent payment, which late payment shall be due and payable immediately.

In no event shall the aggregate amounts contracted for, demanded, charged, or collected in connection herewith which are deemed "interest" exceed the Lawful Rate. The term "Lawful Rate" shall mean the highest lawful rate of interest applicable to this Note pursuant to State law.

It is expressly stipulated and agreed to be the intent of the City and the Bank at all times to comply with the applicable law governing the Lawful Rate or amount of interest payable on or in connection with this Note (or applicable United States federal law). If the applicable law, as judicially interpreted from time to time, shall ever render usurious any amount called for under the Loan Agreement or this Note or contracted for, demanded, charged, taken, reserved, or received with respect to this Note, or if acceleration of the maturity of this Note or if any prepayment by the City results in the City having paid any interest in excess of that permitted by law, then it is the City's express intent that all excess amounts theretofore collected by the Bank be credited to the principal balance of this Note (or, if this Note has been or would thereby be paid in full, the excess refunded to the City), and the provisions of this Note immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder reduced, without the necessity of the execution of any new documents, so as to comply with the applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder and thereunder. The right to accelerate maturity of this Note does not include the right to accelerate any interest which has not otherwise accrued on the date of acceleration. All sums paid or agreed to be paid by the City for the use, forbearance or detention of the indebtedness evidenced hereby shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full term of such indebtedness until payment in full so that the rate or amount of interest on the account of such indebtedness does not exceed the applicable usury ceiling. Notwithstanding any provision contained in this Note that permits the compounding of interest, including, without limitation, any provision by which any accrued interest is added to the principal amount of this Note, the total amount of interest that the City is obligated to pay with respect to this Note under the terms of this paragraph shall not exceed the amount calculated on a simple (i.e., noncompounded) interest basis at the Lawful Rate on the principal amount hereof, including any advances made pursuant to the Loan Agreement (such as the payment of taxes, insurance premiums and similar expenses or costs).

Interest at the maximum lawful rate per annum (not exceeding a rate of 25% per annum) shall be payable on the entire principal balance owing hereunder from and after the occurrence of and during the continuation of a default described in the preceding paragraph, irrespective of a declaration of maturity. Nothing herein shall be deemed to pledge or obligate any other funds, other than the Pledged Revenues as provided in the Loan Agreement, to the repayment of this Note. This Note shall not constitute a general or moral obligation of the City, or a pledge of the faith, credit or taxing power of the City.

The City to the extent permitted by law hereby waives presentment, demand, protest and notice of dishonor.

This Note is a limited and special obligation of the City, payable solely from the Pledged Revenues to the extent provided in the Loan Agreement. Notwithstanding any other provision of this Note, the City is not and shall not be liable for the payment of the principal of and interest on this Note or otherwise monetarily liable in connection herewith from any property other than as provided in the Loan Agreement.

All terms, conditions and provisions of the Loan Agreement are by this reference thereto incorporated herein as a part of this Note. Terms used herein in capitalized form and not otherwise defined herein shall have the meanings ascribed thereto in the Loan Agreement.

This Note may be exchanged or transferred but only as provided in the Loan Agreement.

It is hereby certified, recited and declared that all acts, conditions and prerequisites required to exist, happen and be performed precedent to and in the execution, delivery and the issuance of this Note do exist, have happened and have been performed in due time, form and manner as required by law, and that the issuance of this Note is in full compliance with and does not exceed or violate any constitutional or statutory limitations.

SUBJECT:

SUPPLEMENTAL BUDGET RESOLUTION NO. 18-34 - APPROPRIATING FUNDING IN CONNECTION WITH THE MODIFICATION OF THE TERMS OF THE EXISTING AIRPORT TAXABLE CUSTOMER FACILITY CHARGES REVENUE NOTE.

RECOMMENDATION:

That City Council adopt Supplemental Budget Resolution No. 18-34.

A RESOLUTION AUTHORIZING AND MAKING REVISIONS AND APPROPRIATIONS FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2018; PROVIDING FOR AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

In January 2008 City Council approved a \$21 million taxable loan (the "Original Loan") from Bank of America, N.A., to finance the Rental Car Service Facility at the Pensacola Regional Airport and the City issued its Airport Taxable Customer Facility Charges Revenue Note (the "Original Note"). Construction costs were lower than originally anticipated and only \$17,847,177 was actually borrowed. The terms of the Original Loan required interest only payments for three years with interest calculated on the basis of the 30 day LIBOR Rate plus 75 basis points (or .75%). The loan is currently being paid from Customer Facility Charge (CFC) revenues.

On September 23, 2010, with authorization by City Council and Bank of America, the maturity of the Original Note was extended to December 31, 2012 (the "2010 Modified Note") under the same terms provided in the Original Loan (the "2010 Loan Modification"). Prior to the closing of the 2010 Loan Modification, accumulated CFC revenues in the amount of \$3,047,177 were applied by the City to pay a portion of the outstanding principal amount of the Original Note, leaving an outstanding balance of \$14,800,000.

On June 27, 2012, with authorization by City Council and Bank of America, the maturity of the 2010 Modified Note was extended to December 31, 2015 (the "2012 Modified Note") under the same terms provided in the Original Loan (the "2012 Loan Modification"). Prior to the closing of the 2012 Loan Modification, accumulated CFC revenues in the amount of \$3,000,000 were applied by the City to pay a portion of the

outstanding principal amount of the 2010 Modified Note, leaving an outstanding balance of \$11,800,000.

On September 25, 2015, with authorization by City Council and Bank of America, the maturity of the 2012 Modified Note was extended to December 31, 2018 (the "2015 Modified Note") under the same terms provided in the Original Loan (the "2015 Loan Modification"). Prior to the closing of the 2015 Loan Modification, accumulated CFC revenues in the amount of \$3,000,000 were applied by the City to pay a portion of the outstanding principal amount of the 2015 Modified Note, leaving an outstanding balance of \$8,800,000.

In anticipation of the maturity of the 2015 Modified Note on December 31, 2018, City staff along with the City's Financial Advisor, Julie Santamaria of RBC Capital Markets, LLC, began reviewing market conditions, CFC revenue capacity for debt service and refinancing options. It was determined that extending the maturity of the 2015 Modified Note to December 31, 2021, with a pay down of principal of \$3,000,000 was the best option. The Bank of America was represented by Joe Miller, Senior Vice President of Bank of America Merrill Lynch. The financing team also included Randy Clement, Esq. with Bryant Miller Olive P.A., the City's Bond Council.

Renewal terms negotiated with Bank of America allow for an extension of interest only through December 31, 2021. Interest will be calculated on the same basis as the Original Loan, including an interest rate based on the 30 day LIBOR Rate plus 75 basis points. Due to the pay down of principal, the renewal loan amount will be reduced to \$5,800,000. Repayments of the loan are secured from a first priority pledge of the portion of the Customer Facility Charge (CFC) revenues constituting the Service Site Area Customer Facility Charge, the Service Site Area Ground Rent and Facilities Rent.

RESOLUTION NO. 18-43 - AUTHORIZING THE COMMUNITY REDEVELOPMENT AGENCY (CRA) TO APPLY FOR AND ACCEPT A FDOT BEAUTIFICATION GRANT FOR GARDEN STREET LANDSCAPE IMPROVEMENTS

RECOMMENDATION:

That City Council adopt Resolution No. 18-43.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PENSACOLA AUTHORIZING THE COMMUNITY REDEVELOPMENT AGENCY TO APPLY FOR AND ACCEPT A FDOT BEAUTIFICATION GRANT AND ENTER INTO A BEAUTIFICATION GRANT AGREEMENT AND A LANDSCAPE CONSTRUCTION AND MAINTENANCE MEMORANDUM OF AGREEMENT WITH THE FLORIDA DEPARTMENT OF TRANSPORTATION

HEARING REQUIRED: No Hearing Required

SUMMARY:

On August 6, 2018, the Community Redevelopment Agency (CRA) approved the CRA Fiscal Year 2019 Budget, which allocated \$70,000 for Garden Street improvements. To provide for construction of the improvements to the maximum extent, CRA staff has identified a supplemental grant opportunity available through the Florida Department of Transportation (FDOT) Beautification Grant Program. CRA staff is currently working with Atkins North America, Inc., an engineering and design firm, under the City of Pensacola's continuing services agreement to develop a conceptual landscape plan and provide cost estimates for the grant submission. Improvements will be targeted from Alcaniz Street to North "A" Street, with actual project boundaries determined based on cost.

The FDOT Beautification Grant offers funding in the amount of up to \$100,000 for landscape improvements to state transportation facilities, such as Garden Street, with a suggested fifty-percent (50%) local match. To apply for the opportunity, the CRA and City Council must adopt resolutions authorizing the CRA to apply for and accept the grant and to maintain the improvements. If awarded, the improvements would be maintained under the CRA's existing interlocal agreement for landscape, park, public space and accessibility improvement maintenance services with the City of Pensacola. Due to the time sensitive nature of the application process, the

resolutions must be adopted during the September 2018 CRA and City Council meetings to successfully submit a grant application.

PRIOR ACTION:

SUPPLEMENTAL BUDGET RESOLUTION NO. 18-42 - AMENDING THE FISCAL YEAR 2018 BUDGET

RECOMMENDATION:

That City Council adopt Supplemental Budget Resolution No. 18-42.

A RESOLUTION AUTHORIZING AND MAKING REVISIONS AND APPROPRIATIONS FOR THE FISCALYEAR ENDING SEPTEMBER 30, 2018; PROVIDING FOR AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

In order to maintain a balanced budget, supplemental budget resolutions require approval by City Council during the course of a fiscal year. The attached resolution includes budget adjustments for Fiscal Year 2018 that require Council Action.

General Fund related budget adjustments include increases or decreases in estimated revenues from various sources which results in a net increase in estimated revenues. Offsetting the increase in revenues are changes to the Allocated Overhead/(Cost Recovery) based on the most recent Full Cost Allocation Study.

The Transfer to the Stormwater Capital Projects Fund was decreased as a result of decreased revenues within the Stormwater Utility Fund. Offsetting the decrease in the Stormwater Capital Projects Fund is a decrease in Grant Match Funding ensuring no existing projects would be affected. When preparing the FY 2018 Budget, the revenue was projected based on FY 2016 receipts. However, the Escambia County Tax Collector increased the fee to collect the special assessment from 1% to 2% which reduces the amount remitted to the City. Additionally, certain properties owned by the Airport have been determined to qualify for a credit to Stormwater Utility Fee and will not be submitting payment for those parcels located on Airport property. An adjustment to the FY 2019 Budget will be presented to City Council on a Non-Encumbered Supplemental Budget Resolution.

As reported in the FY 2019 Proposed Budget, City Council General Fund Reserves will be increased by \$2.2

Million bringing the Council Reserves to \$13.5 million or 25% of the General Fund FY 2019 beginning proposed appropriations.

Revenues within the Tree Planting Trust Fund have been adjusted in accordance with actual revenues received and will be placed into Fund Balance.

Within the Special Grants Fund, appropriations have been made to recognize grant revenues and expenditures that have occurred throughout the fiscal year.

Within the Community Redevelopment Agency Fund adjustments include increases or decreases in estimated revenues from various sources which results in a net increase in estimated revenues. Included in the adjustments are the proceeds from the sale of CRA owned property (215 N. "A" Street, Hawkshaw Land and 120 Government Street).

Within the Stormwater Utility Fund, estimated revenue from the State Right of Way Maintenance contract has been reduced by \$189,900. In the development of the FY 2018 Budget, Public Works Staff anticipated an additional contract with the State that would have provided additional sweeping in conjunction with the construction of the Pensacola Bay Bridge. However, subsequent to the adoption of the FY 2018 Budget the State elected not to have the additional sweeping performed and revenues have been adjusted accordingly.

Revenues and expenditures in the Section 8 Housing Assistance Fund have been increased based on available funding from the Federal Government.

Revenue of \$45,133 has been budgeted within the Law Enforcement Trust Fund based on receipts and will be placed into Fund Balance.

Within the Eastside Tax Increment Financing District Fund the \$90,000 appropriation for the transfer to the CRA Debt Service Fund has been reduced as there were sufficient funds within the CRA Debt Service Fund to pay the debt for FY 2018.

The revenues within the Inspection Services Fund have been more than anticipated and will be placed into Fund Balance.

As previously reported, City Council awarded a contract for the operation and management of the Roger Scott Tennis Center to Gulf Coast Tennis Group, LLC. As part of the contract, the City will receive a minimum annual guaranteed revenue of \$125,000 which is estimated to fund the City's cost of operations as outlined in the RFP. Adjustments have been made in the Roger Scott Tennis Center Fund to reflect the new management.

Revenues within the Airport Fund were greater than anticipated and have been adjusted based on actual revenues received. The excess amount will be placed into Fund Balance.

AN ORDINANCE AMENDING SECTION 12-2-10 (C)(4)(b) OF THE CODE OF THE CITY OF PENSACOLA, FLORIDA; AMENDING THE HISTORIC AND PRESERVATION LAND USE DISTRICT; OLD EAST HILL PRESERVATION ZONING DISTRICT; CONDITIONAL USES PERMITTED; OEHC-1 NEIGHBORHOOD COMMERCIAL DISTRICT PROVIDING FOR SEVERABILITY; REPEALING CLAUSE; PROVIDING AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

The City has received a request from Dr. Laura Hall of East Hill Animal Hospital for an amendment to the Land Development Code Section 12-2-10 (C)(4)(b) Historic and Preservation Land Use District; Old East Hill Preservation Zoning District; Uses Permitted; OEHC-1 Neighborhood Commercial District. More specifically, Dr. Hall is requesting that the use of animal hospitals, veterinary clinics and pet resorts no longer require Conditional Use Permit approved and instead become a permitted use by right. In addition, Dr. Hall is requesting that this use be permitted with the stipulation that kennels must be fully enclosed, outside runs are not permitted but exercise areas are permitted. Dr. Hall recently appeared before the Special Magistrate for a code violation of having exercise areas in the OEHC-1 zoning district. The Special Magistrate gave Dr. Hall one year to resolve the issue. Dr. Hall is requesting this amendment in order to bring her property at 805 E. Gadsden Street into compliance.

On April 10, 2018, the Planning Board recommended approval of this amendment by a 4-1 vote with the stipulation that outside exercise areas must be supervised and limited to five (5) or fewer animals at one time.

PRIOR ACTION:

Public Hearings were held on June 14, 2018 and July 19, 2018. During the July 19, 2018 Public Hearing City Council requested staff modify this amendment to accept Planning Board's recommendation with the requirement that this land use be permitted by Conditional Use Permit only.

August 9, 2018 - The City Council voted to approve Ordinance No. 11-18 on first reading.

Planning Board Item - Request to consider Amendment to LDC Section 12-2-10 Historic

and Preservation Land Use District

Brandi,

I hope this finds you doing well.

Our Board saw on the agenda that an amendment to the Historic & Preservation Land Use District, Section 12-2-10 was being proposed and reviewed the application and past history on the change in great detail.

It appears that the applicant has changed the wording of what is currently in Section 12-2-10 in their request, (added two words for a new land use not previously approved, or defined in the Land Development Code, "Pet Resort", and deleted the word "or". That one word "or" changes it from the current reading of "Animal Hospitals and Veterinary Clinics with fully enclosed kennels and no outside runs OR exercise areas" to now adding Pet Resorts AND exercise areas as an allowed Conditional Use...

I think that it would be very helpful if the Public and the Board:

have a copy of what the existing Section 12-2-10 says on the subject, the background for the change in 2008, and where such a use that is being requested is currently allowed in the rest of the City (C-3 Zoning District) and that perhaps more clarification could be added to the Staff Memorandum. As it is now, the Board and Public don't know that the applicant is trying to put a C-3 type use in a C-1 Zoning District. This is a MAJOR change in the 12-2-10.

Here is the section of OEHC-1 from Section 12-2-10

- (b) OEHC-1, neighborhood commercial district.
- 1. Any use permitted in the OEHR-2 district.
- 2. Child care facilities subject to regulations in section 12-2-58.
- 3. Nursing homes, rest homes, convalescent homes.
- 4. Parking lots.
- 5. The following uses, retail only, with no outside storage or work permitted, except as provided herein:
- a. Food and drugstore.
- b. Personal service shops.
- c. Clothing and fabric stores.
- d. Home furnishing, hardware and appliance stores.
- e. Craft and specialty shops.
- f. Banks.
- g. Bakeries.
- h. Secondhand stores.
- i. Floral shops.

- j. Martial arts studios.
- k. Outdoor sales of trees, shrubs, plants and related landscaping materials as an accessory to indoor retail sales uses permitted by this paragraph, provided that the area is enclosed within a fence attached to the rear or side of the main building, and provided that the outdoor area does not exceed twenty (20) percent of the total area of the main building.
- I. Restaurants.
- m. Mortuary and funeral parlors.
- n.Pet shops with all uses inside the principal building.
- o. Printing firms.
- p. Business schools.
- q. Upholstery shops.
- {6. Conditional uses permitted. Animal hospitals and veterinary clinics with fully enclosed kennels and no outside runs or exercise areas.}

This is the exact same language that is in the Municipal Code for the same use in C-1 districts throughout the City. Our Board does not have an issue if the applicant makes this a permitted versus conditional use, however, we take issue to the addition of "Pet Resort" (not in the LDC and the removal of the word or which would allow outside exercise areas.

Previous to November 2008, Animal hospitals and veterinary clinics were NOT allowed in the OEH Zoning Districts. This same applicant, Dr.

Hall, petitioned to have them added in 2008 and was approved on the condition that there would be no outside runs or exercise areas.

It was very controversial and there was much concern about noise to adjacent residential property owners and Dr. Hall is on record saying that there would be no outside exercise areas. Sherry Morris is on record throughout the Council Hearing insisting that there would not be any outside runs or exercise areas. I have attached the minutes from the City Council meeting from November 17, 2008 which voted to approve the conditional use of animal hospitals and veterinary clinics with no outside runs or exercise areas. The minutes also contain numerous concerns by adjacent property owners.

Many of the residents concerns have materialized according to the Code Enforcement Complaint and Violation. I think that the Board and the Public should have a copy of the minutes from that CEB Meeting since it's referenced in your memorandum.

Has notice been mailed to the adjacent property owners about this new proposal before the Planning Board?

I would recommend that the Planning Board look in the Municipal Code to see where the facility the applicant would like to run would be allowed to occur. It is only allowed to occur in the C-3 Zoning District which is by no means comparable to the OEHC-1 District where this change would be made.

Dr. Hall is currently operating a Pet Resort with outside exercise areas that meets with the City's Municipal Code in the C-3 Zoning District near Hayne Street. (Not within the boundaries of Old East Hill governed by the ARB). The applicant's request to bring C-3 uses within the Preservation District is not compatible.

- C-3, commercial zoning district (wholesale and limited industry)
- (a) Any use permitted in the C-2 district. (Animal Hospitals and Vet Clinics with NO outside kennels, runs, or exercise allowed in C-2) but you can't have outside exercise areas until section (b) below in C-3

Outside storage and work shall be permitted for those uses and the following uses, but shall be screened by an opaque fence or wall at least eight (8) feet high at installation. Vegetation shall also be used as a screen and shall provide seventy-five (75) percent opacity.

The vegetative screen shall be located on the exterior of the required fence.

(b) Outside kennels, runs or exercise areas for animals subject to regulations in section 12-2-54

Section 12-2-54 is titled, Animal Hospitals, veterinary clinics, commercial kennels and businesses that board animals and contains minimum setbacks of 100 feet to a residence and must contain a buffer yard as described in Section 12-2-32 Buffer Yard.

There is no survey or diagram of the site in the application to see how close the clinic and outside exercise area would be to adjacent properties.

As you will see from the attached minutes and Memorandum from Thaddeus Cohen, Community Development Director and also signed by Sherry Morris, Planning Services Administrator, "The majority of those who responded were opposed to the proposed request" in 2008.

Now, additional changes are being proposed which will intensify the use on this property and the noise which could impair the quiet enjoyment of adjacent properties.

The North Hill Preservation Association Inc. does NOT support this change to the Historic and Preservation Land Use District. We strongly feel that such a change would negatively impact the families who make Old East Hill their home and who like us, have very small lots which are close together. Furthermore, such a change establishes a legal precedent which could be used to add this use to all the other Districts governed by Section 12-2-10.

In closing, the words of Robyn Tice to the City Council in November 2008 say it best, "Codes aren't written for one individual's benefit, they are to be to the benefit of the citizens/neighborhood as a whole".

Thank you for your consideration,

Melanie Nichols, President North Hill Preservation Association, Inc.

Old East Hill

Hello Brandi:

In response to my email to our Old East Hill Property Owner's Association email list regarding the proposed change to the LDC regarding outdoor exercise areas at pet resorts and vet clinics in Old East Hill, I received the following:

Lou Courtney

to me

Christian, can you please forward this letter to our Old East Hill mailing list? I think it would be good to get it out sooner rather than later. Also I would like Melanie Nichols contact information if you have it. Thanks

I am a resident of Old East Hill and am concerned about the issue described below. Our next neighborhood meeting is **this coming Monday**, **April 9th**, at Mount Lily Church a few blocks away at <u>619 East Gadsden</u> in the community center next to the church. Meeting begins at **6:30pm**. We will be holding board member elections that night also, so if you are property owner, please come vote! (you do not need to be an owner to attend meetings and voice concerns)

The East Hill Veterinary Clinic and Pet Resort Too on the corner of Gadsden and 8th Avenue is applying to CHANGE our neighborhood CODE. This is a dramatic change that will affect our entire district. **This vet clinic has been in violation since adding their outdoor run and exercise areas**, which they have been advertising on their website www.Pensacolapetresorttoo.com ('they go outside 5 times a day'). When this vet came into our area they were granted a Conditional Use permit. This type of permit is granted because the city thinks there may be unforeseen problems that arise and that might not be compatible. On their original permit application they clearly state there would be '*NO outdoor runs or exercise areas'. At the time, it was explained that the boarding of pets was already established several blocks away at Pensacola Pet Resort on Hayne street and they would not board animals at the Gadsden location. This vet understood yet completely disregarded code restrictions. I anticipate they intend to expand their business in our area. Although we are a mixed use neighborhood, meaning that we allow for businesses with different restrictions in different areas, allowing this code change will impact us all negatively, both now and in the future. Speaking with several people who have been in planning and code enforcement for many years, they said that there are always unintended, negative, consequences after a code change even 8, 9, 10 years later.

As a neighborhood, we should have voiced concerns when the vet went to the magistrate a month or 2 ago to address their code violation. Unfortunately, it was not publicized and no-one showed up to speak against it.

WE STILL HAVE A CHANCE TO PREVENT THIS CODE CHANGE: We can attend the Tuesday, April 10th CITY
PLANNING BOARD MEETING at 2:00 pm at City Hall in the Mason Conference room, 222 West Main Street. SHOWING
UP IN PERSON MAKES A DIFFERENCE. You can also write in ahead of time to Brandi Deese
at Bdeese@cityofpensacola.com BOTH before April 10th and before May 10th

***IT IS ALSO IMPORTANT to SHOW UP for the Thursday, May 10th CITY COUNCIL MEETING	at 5:30pm at City Ha	all,
where a decision will be made after hearing comments from the audience.

to me

Hello Christian,

Takes some study to understand this. (For example, on the map of Old East Hill, there's OEHC and OEHR and I'm not sure of the meaning of C and R.) I doubt any ruling would affect us; it's those folks who live close to the clinic who ought to have a sayso. But one more thing: What are the ramifications for the whole neighborhood in the future? When Dr. Hall petitioned to get a zoning change so she could open the clinic, I saw it as continued encroachment by businesses such that in the future they could be right next door. That might be far away, but the encroachment process itself might cause grief, little by little.

Or course, most of what I just said is my imagination.

By the by, do you happen to know what's going to be done with that empty lot across the street from Bill and Nanette's?

Hope to see you Monday,

Jerry

Christian,

Thank you for this information.

I may not be at the meeting so here is my position.

I am strongly against changing OEHC-1, which equates to about half the neighborhood, to allow animal hospitals, veterinary clinics, and pet resorts with fully enclosed kennels and no outside runs; outdoor exercise areas are permitted by right. The placement of a new Animal Facility with an outside exercise area in a primarily residential area should not be allowable by right. This should be a conditional use and the neighbors should have say as it could affect their enjoyment of their own home.

I personally have no issue with Dr Halls current facility but I also don't live close to it.

It seems her specific issue is what should be addressed, not code for an entire area (OEHC-1). And her issue should be addressed with input from her neighbors near by who are potentially affected by this. (Maybe they have no issue with the facility as it is and could work with her and the city to come up with a variance. I don't know)

Sincerely, Mark Casson

Section 12-2-10

Brandi,

My name is Amber Hoverson and I live at 706 E Jackson Street in Old East Hill preservation district. I am writing in regards to the amendment to the Historic and Preservation Land Use District, Section 12-2-10 that is being proposed

My husband and I moved to our home in Old East Hill in 2010 so we were not here when the original code was changed in 2008 to allow for veterinary clinics. My understanding is that many of the homeowners were not in favor of the code changing because they were concerned about noise, overcrowding, parking, the structure's design complementing the neighborhood's integrity, and lastly changing the precedence in which our neighborhood's codes were originally designed and created for.

Here are my observations of East Hill Veterinary Clinic and Pet Resort Too for the past few years: I live a block away from the clinic.

- 1. The structure is very much in keeping with the integrity of our neighborhood. I think the owner/designers did an excellent job adhering to, even elevating the way remodels and new construction should be treated in our historic preservation district.
- 2. Having a vet and groomer in the neighborhood is convenient. I've been able to walk my pet to get groomed instead of stressing it out by driving. My In-Laws have also taken advantage of boarding their dog at the Pet Resort when visiting from out of town.
- 3. Parking can be a problem. The street gets congested and there have been several instances where I've had to stop driving on 8th avenue for someone pulling out of the parking lot that either couldn't see me or wasn't paying attention.
- 4. Noise from the barking dogs is a problem. Both my husband and I are home all day and the noise can be distracting and annoying. It seems that the barking noise has become more bothersome within the last 6 months.

Here are my concerns about the current proposal to amend section 12-2-10 further:

1. I don't think that any codes should be changed for an individual business. Codes are written for a reason and changing them should benefit the entire neighborhood, not just an individual/business. Also, if changing a code is easy to do current codes lose their authority and people are less likely to comply with them to begin with. This equates to more code violations in general and people doing what they want because they can.

- 2. We are a mixed use neighborhood so there is commercial zoning throughout the area. The proposed change could hypothetically allow for a veterinary clinic or animal hospital with dogs barking throughout the day to open anywhere within the neighborhood with commercial zoning. Which means hypothetically we could have barking dogs scattered around our entire neighborhood instead of concentrated in one area. Noise pollution lowers home values and quality of life.
- 3. As someone who has had to go to the ARB several times to get approval for our own home's renovations I can speak to strict guidelines that are in place. The majority of structures in our neighborhood are people's homes. It seems grossly unfair to me that homeowners are held to such strict standards for the exterior renovation of our homes but a business (someone who makes money here) can violate a code (which is a law and not merely a guideline as in the case of the ARB), have a year to come into compliance with the code, and has the option of changing the code so that the business can continue to do what it has always done. Also consider that homeowner's guidelines set in place by the ARB only influence what we see. The proposed code change affects what we hear. A person can make a choice to ignore something they find ugly in the neighborhood, but noise pollution cannot simply be ignored, even from the interior of a home.

I congratulate East Hill Veterinary Clinic and Pet Resort Too on its business success, however as the saying goes, there is a time and place for everything. The place for the part of her business that includes outdoor runs or exercise areas is not Old East Hill. This is a place that is primarily made up of charming old houses and a scattering of small businesses that are either unobtrusive or adding to the charm. We live in a very special place and it is exciting to see the growth that our community has experienced. Allowing a business to change the code to suit its needs does not set us up for success. The needs of the community need to be put before anything. We will survive without a pet resort in the neighborhood but we will not survive if we are known as the noisy neighborhood with the barking dogs because we are the only C1 zoning area that allows for C3 noise.

Sincerely,

Amber Hoverson

Proposed LDC Amendment for Old East Hill Preservation District

My address is 603 N. 8th Avenue. This puts me across from East Hill Animal Hospital on the same block. I am writing to voice my strenuous objections to Ms. Hall's proposed changes to the land development code for a neighborhood in which she chose to place a business, with full knowledge of what the limitations to that business would be.

Ms. Hall has been in violation of the code for quite some time now. Her casual disregard for the people who have property, children, investments, and long-term regard for the neighborhood is obscene. I have been subjected to hour after hour of 8-10 dogs barking in an enclosure behind her business, IN VIOLATION OF THE CODE. Countless times, I have witnessed her clientele using our neighborhood as a repository for their dogs' feces, IN VIOLATION OF THE LAW. Nearly every day of the week, she and her employees use the City's grass easement (between the sidewalk and 8th Avenue) as a parking lot, IN VIOLATION OF THE LAW.

I remember distinctly when Ms. Hall showed up years ago with a lot of promises and assurances. In truth, she has been a very poor neighbor, and this beautiful piece of historic Pensacola is dirtier, louder, trashier, and more congested for Ms. Hall having been here. We take care of this place because it is our home. Clearly she does not feel the same responsibility.

The Code was not written for or against Ms. Hall, so there is no compelling reason to amend it for Ms. Hall. She knew what the Code said when she located here, and she chose to violate it over and over and over. Now she wants the Planning Board, whom she has pointedly ignored, to change the Code solely for her benefit? For her to even make this request, after what she has done to our street, is outrageous.

I would prefer Ms. Hall pack up her business and move it to a location in which the Land Development Code suits her goals. Otherwise, I fully expect the City of Pensacola to reject this ridiculous request, and then get serious about enforcing the existing regulations to bring this business into compliance. Thank you.

Sincerely, Charles Voltz and Dr. Stacey Rimmerman

East Hill Vet Clinic

Having been a resident of Old East Hill for over 20 years, I am adamantly opposed to the request for code change by the East Hill Veterinary Clinic and Pet Resort Too. This vet clinic has been in violation since adding their outdoor run and exercise areas. When this vet came into our area they were granted a Conditional Use permit. This type of permit is granted because the city thinks there may be unforeseen problems that arise and that might not be compatible. This yet understood vet completely disregarded code restrictions. As their business has grown, the number of barking dogs has increased and gotten louder. I work at home and am often outside. Even though I am a block away, the noise is very loud and obnoxious and, as their website advertises, it occurs when they take the dogs out '5 TIMES A DAY'. I am asking the planning board to SAY NO to this request and to enforce the existing code. I am disappointed they have been given a YEAR to come into compliance.

City Code was created to protect the majority of the citizens, not for special interest groups, We are a small, HISTORIC PRESERVATION neighborhood. Our quality of life is diminished by this NOISE POLLUTION.

I anticipate they are attempting to change this code because they intend to expand this business in our district. If they need to expand their business they should find an area more compatible with their needs. Although we are a mixed use neighborhood, meaning that we allow for businesses with different restrictions in different areas, allowing this code change will impact our ENTIRE DISTRICT negatively, both now and in the future. 805 E. Gadsden St code ordinance

Dear Ms. Deese,

i became aware of an ordinance that Laura Hall wants to remove from the Code at 805 East Gadsden St.

This is not a good move. As a Licensed Massage Therapist and renter at Innerpeace 815 E. Gadsden,

the dog barking noise will be unavoidable. I give massage throughout the day along with 3 other therapists

and we are not happy to hear of a dog run and kennels outside. This is a residential area too and the noise can be unnerving.

I hope you will consider the people on the whole block on Gadsden St and around the corner.

No one wants to listen to dogs barking all day and night. Please do not remove the code ordinance for this area.

When she bought here, she knew the deal and has broken the code already. Can you please put an end to it right now!!

Thank you for your consideration, I am not able to attend the meeting on this topic.

Vet code change letter vote

I have been a home owner in Old East Hill for over 20 years. I am opposed to the code changes proposed by Dr. Laura Hall regarding East Hill Veterinary Hospital/ Pet Resort. I already hear loud nuisance barking off and on throughout each day. She was granted **conditional use** and has not abided by the original code which was written as a condition for allowing her business into the neighborhood. Why is the city even considering changing a land use code for one business when it will affect all residents negatively and open up unforeseen complications years down the road? I am OPPOSED to these changes.

Planning and Zoning board: Attention Brandi Deese

This letter is to serve as a statement that my home is directly behind Dr. Laura Hall's businesses. My back yard shares a fence with the pet resort yard. I have never had any issue with her business, employees, customers or clients. I have had no noise, odor or parking concerns. Nor have any of the residents living in my home.

I am in favor of any code change that will allow her to continue to conduct her business with the intended use that the city allowed in 2008. She has conducted herself in a professional manner and has been a pleasant addition to the neighborhood.

Sincerely,

Ken Norris 804 East Jackson

Good morning, Laura. Please forward the following letter to whomever you deem necessary.

April 9, 2018

RE: East Hill Animal Hospital

To whom it may concern:

I, D. Brandon Cobb, am the property owner at <u>811 East Gadsden Street</u>, the property directly next to East Hill Animal Hospital. This property has been mine or in my family since before East Hill Animal Hospital came to be our neighbors. It is my understanding that there have been some complaints about the clinic and the animals there.

While I do not currently reside full time in the building (as I am staying with my great aunt who has had a stroke and help manage her care), I am there periodically and have a working knowledge of the neighborhood. In addition, we had a tenant in the property for over twelve years. I am listing these facts so that you will have an idea of our involvement with our neighbors.

East Hill Animal Hospital has never given me or my tenant any reason to raise a complaint. They have been good and considerate neighbors even taking the extra effort and asking if I minded them using the parking in front of my home rather than just telling their employees or customers to park there. As I am not there, I have had no issue with them using the property which is, after all, part of the public right of way along Gadsden street.

East Hill Animal Hospital has added to our diverse neighborhood and done so while keeping the charming look of Old East Hill in mind. I count them as an asset to our community.

On a personal note, it is extremely convenient to walk next door when I have any veterinary need.

If you have any further questions, I can be reached by phone at 850.748.2200, by email at dbrandoncobb@gmail.com, or by U.S. Mail at 811 East Gadsden Street, Pensacola, Florida 32501.

Cordially, D. Brandon Cobb

I have an annoying, waste of time, situation I was hoping you could help me with. :)

I have never had any sort of complaint or issue with the city with any of my 3 businesses but in the recent months my staff has been legally "on street" parking so an anonymous neighbor made a complaint and became frustrated when she was told the parking was legal so she started snooping around for something else to complain about. So, she told the code enforcement officer that she heard dogs barking and followed the barking onto my property and saw 14 dogs in the yard. Not true, not ever!! She then took the time to watch my video on my website "Pensacola Pet Resort, too" and it does say that we allow the "play time is offered next" and "afternoon playtime before dinner" and "offered 5 leash free outings a day 365 days a year". "In 1 of 3 clean shaded and spacious exercise yards" .. all true. Never unattended always in the fence, always under direct control.

She then looked up the code and saw my conditional use in OEHC-1 that said " animal hospitals or Veterinary Clinics with fully enclosed kennels and no outside runs or exercise areas." The distinction was a distinction with C3 in which outdoor runs are allowed- see pics attached below. Very sadly, after a lengthy explantation, (see letter also attached) Code Enforcement turfed the issue saying that they could not make that distinction or interpretation and that I had to go before a magistrate which is next Tuesday. (Needless to say once I found out the parking was a concern of a neighbor I asked my staff to stop doing it that problem is solved.) I asked code enforcement to have the lady come talk to me and she refused and wanted to remain anonymous-probably because she lied and trespassed!

I went to the magistrate for a proposed code violation and he could not rule on the interpretation so gave me a year to get the wording changed so there is no concern in the future, he was very nice. The city is behind the change as I have always complied with the intended use, but as always there are some crazy neighbors opposing any change even though it is no change from my original use, just a clarification about the language.

I would love it if as a direct neighbor to my business you would write a letter saying something like you have never had noise or odor complaints or congestion or any issues at all that this business has in fact improved the lot etc etc.

I can write something for you to copy and paste into your email? Thanks, the meeting is Tuesday with planning and zoning!

Have a good day! Bet it is beautiful in NC- you in the mountains?

Dr. Laura

I sent this to president of local association:

- "1) pet resorts were already allowed-- I did not have any changes with the code for that, all uses were to be indoors such as boarding, grooming, exchange of pets and products etc. and they are, the dogs go out to potty and play shortly less than 5-10 mins at a time and always attended. I have no formal or informal complaint of noise at all since 2010 when I opened my doors or of dog droppings, odors, traffic or anything. It's just the recent on street parking that lead to all of this.
- 2) the term 'outdoor exercise areas' in the conditional use is what all the fuss is about--- how is that interpreted? It was interpreted in 2008 by planning and zoning and city council to mean no outdoor runs or exercise areas in which the dogs are housed outside overnight and where the dogs have access via a dog door to go in and out at free will. Never are my patients left unattended. Never, it is always like you saw it 1 or 2 staff members 1 or 2 dogs, at times like on my video at PensacolaPetResort, too you will see we do have groups that go out together: we have old dog play, young dog play, rowdy dog play etc and all of these dogs are under 40#-- never unattended never barking always playing or pottying! they are done playing in 5- 10 mins and we let them back inside, in the summer heat it is even less and we have indoor playtime. (SO let's call it a potty yard and a play yard not an exercise yard)

I realize that it was our mistake in 2008 for not giving more detail in the code, that is why we are correcting it now. All is takes is 1 person to challenge the black and white of the law. Even though her claims were false and in my opinion she not only lied but she trespassed. I am a rule follower and have improved the area and I am passionate about my career, my family and my employees and the East Hill Neighborhood which I have been a part of since 2002!! I would be happy to give anyone a tour as I did you."

Call to Order / Quorum Present

Chairman Ritz called the meeting to order at 2:00 pm with a quorum present.

Approval of Meeting Minutes

Mr. Larson made a motion to approve the March 13, 2018 minutes, seconded by Mr. Monk, and it carried unanimously.

New Business

Request for License to Use Right-of-Way - Intendencia Street - Southtowne

Daily Convo is requesting approval for a License to Use for improvements within the Intendencia Street right-of-way in connection with the Southtowne Development. This request is unique in that the project will provide a large amount of improvements within the right-of-way of Intendencia and the perimeter of the development, however, the property owner will assume maintenance for these improvements. This will be agreed upon in the form of a modified License to Use agreement between Daily Convo and the City. This request has been routed through the various City departments and utility providers with those comments provided.

Bruce Partington presented to the Board and stated the project presented today was the final piece of the development.

He explained he had negotiated at length with the City Attorney for the License to Use (LTU) which will comply with all city requirements. Daily Convo would bear 100 percent of the construction and ongoing maintenance. He indicated the project would be aesthetically consistent with the existing structures.

Chairman Ritz appreciated the work placed into the overall project with the level of quality, concern for citizens, and addressing the environment. He also appreciated the use of the right-of-way for bettering the entire development and believed this would be a better treatment of the roadway than the city could execute without private dollars. The size of the development showed the level of commitment over the span of time. Mr. Larson made a motion to approve, seconded by Ms. Campbell. Mr. Larson pointed out he liked the public-private partnership and wanted to take the opportunity to try this LTU in a different manner. Ms. Campbell noted the utility comments, and Ms. Deese advised the project had oversight through the Engineering Department. Mr. Monk wanted to state a no conflict of interest since at the inception of Southtowne, he was an employee of Studer Properties, however, none of this discussion was going on at that time. Chairman Ritz advised since Mr. Monk was not in play for any financial gain, no conflict of interest would exist. The motion then carried unanimously.

Consider Amendment to LDC Section 12-2-10 Historic and Preservation land Use District

The City has received a request from Dr. Laura Hall of East Hill Animal Hospital for an amendment to Land Development Code Section 12-2-10 Historic & Preservation Land Use District. More specifically, Dr. Hall is requesting that the use of animal hospitals, veterinary clinics and pet resorts (with fully enclosed kennels, with no outside runs, exercise areas are permitted) no longer require Conditional Use Permit approval and instead become a permitted use by right. Dr. Hall recently appeared before the Special Magistrate for a code violation of having exercise areas in the OEHC-1 zoning district. The Special Magistrate gave Dr. Hall one year to resolve the issue. Dr. Hall is requesting this amendment in order to bring her property into compliance.

In reviewing the Code Violation form, Chairman Ritz note the violation involved dogs running outside of the building which was not allowed. Ms. Deese advised a Conditional Use Permit would no longer be necessary, and it would become a permitted use by right. Chairman Ritz pointed out even though it was for one piece of property, if we keep changing the Code, the neighborhood could lose some of its character. One of the issues was encroachment and movement of commercial businesses within the residential neighborhood. But on the positive side, customers appreciated Dr. Hall's services and the convenience of having her clinic at this location. The change to the Code would become area-wide and not just for one property. Mr. Monk wanted to clarify that this change would allow for exterior exercise areas for pets in the clinic or the resort during business hours. Chairman Ritz advised there were no time limitations. Ms. Deese confirmed that since the ordinance does not define that, another use could come in by right without a Conditional Use Permit, and there would not be any ability to add those stipulations; they could operate at any hour, however, they would still operate under the noise ordinance.

Dr. Hall stated she had been in the OEHPD since 2007. She explained she put the outdoor exercise area provision in herself and had operated since 2007 with no formal complaints. Her pet resort was given the same rights as pet shops. She explained she attended the neighborhood association meeting and understood their concerns with businesses, future expansions, and parking. She explained all noise ordinances would still be intact, and this change in the Code would simply allow her to continue the business the City had allowed. She indicated the Magistrate from the Code Enforcement hearing advised her to change the Code so a violation would not happen again.

Ms. Campbell confirmed that the business had improved the neighborhood while maintaining the architectural integrity and spirit of that area. Chairman Ritz had not noticed a parking issue. In full disclosure, Ms. Campbell explained that Dr. Hall was her veterinarian, and her pets had stayed at the pet resort; she had not been overwhelmed with noise on the inside or outside. She stated when addressing these issues, certain areas of the community want to be self-sufficient as a sub community, and if that was the case, it might be appropriate for a pet resort to go in; Dr. Hall did bring a lot of business into the area.

Lou Courtney agreed Dr. Hall had a great reputation and was a great businesswoman. She explained a lot of the neighbors were opposed to the business when it was originally permitted because of the barking. Ms. Courtney lives one block away and observed the animals go outside five times a day, and the noise gets loud during the summer and during holidays. She indicated she worked from home in a studio and had followed the noise to observe 20 dogs within the exercise area with an attendant present. However, she was unable to address the attendant because of the noise. She applauded the doctor for the integrity of the architecture, but noise pollution was a serious issue. She also pointed out the doctor could sell the clinic, and the next owner might not be as conscientious. She also explained they do not like changes that hurt property values, aesthetic values, or quality of life. She explained there were no neighbors immediately adjacent to the doctor; one was being used for storage and the two behind were vacant. Joshua Gleaton appeared before the Board and stated he works from home does hear the dogs barking and it is a noticeable background noise. He did appreciate what the doctor's business had brought to the neighborhood but was concerned the Code change would allow for the continuation and the addition to what he sees as an existing problem. He felt changes to the Code should benefit the community and not just a few people. He stated Dr. Hall had indicated she was involved with the original language, and he was concerned with the result of changing the Code when someone is found in violation, and he did not see the benefit being for the neighborhood but for only one business.

Steven Shelley advised he had been an East Hill resident for 50 years, and even though the business was not in East Hill, he wanted to comment that when she was with Sacred Heart, she was well respected and loved. He was amazed in driving up to the facility how little noise was heard. He stated her business is exactly what the community was looking for.

Amber Hoverson, President of the OEHPA, was at the meeting and as a neighborhood, they were opposed to the Code change. She explained they were not opposed to change but were concerned with the noise and that some other business could come in and not be as mindful of the neighborhood. Also, as a homeowner of a contributing structure, she felt it was not fair when a homeowner in this district is required to go before the ARB and comply with their guidelines. However, this is a law that is being considered; she expressed you can avoid ugly but you cannot avoid noise, and many of the older homes are not insulated.

Betty Bowlin Hinote with Innerpeace Massage Therapies behind the McDonald's stated she had heard barking during therapy sessions, and they would lose business if the noise continued during treatments. She explained patients do sleep during therapy sessions, and the business maintains a quite atmosphere. She further stated the Code was set up to protect the interest of owners, their property values, and safety. She stated she had been at this location for 17 years and felt her property might lose value if the Code is changed. She had visited the pet resort on Hayne Street, and it was absolutely too loud, and if the Code is changed to include any hour, this noise would also be outside. One of her therapists left a note to her to make sure this does not happen since there will be barking dogs while the therapies are in session. Mr. Monk asked how long she had been in business, and she stated they had been operating there 17 years. She was not sure how much business she had already lost. With the Code change and having the dogs outside along with the possibility of a growing business, the problem might get worse. Mr. Monk asked if any customer left an appointment because of the barking dogs. Ms. Hinote explained they could not know if a person did not return because their session was disturbed. She further explained the Code protects against many issues, but she could not provide any solid facts supporting loss of income since this would be speculative. She did emphasize with a change in the Code, the situation would likely get worse.

Chairman Ritz stated as he reflected back from 2008, the noise issue was of concern. At that time, many Old East Hill residents were concerned with the noise; there were no outside exercise runs at that time. As of today, some of those members still do not embrace the idea of outdoor exercise runs, which have been consistent from then to now. He explained the idea of a Conditional Use allows for

checks and balances to occur should situations change. Changing the Code affects the entire area, and if another veterinarian should choose to come in, they could put in an outside run a block away. He advised one of the reasons for the Conditional Use being granted at that time was that a lack of outside runs would prevent a noise issue. He said he tended to think on the side of the neighborhood who opposed it in light of the way it came before the Board the first time. Mr. Monk emphasized the historic nature of East Hill and the Van Gogh Coffee Shop where the youth populated; the 309 house was a safe place for train hoppers and both were a part of the history of this community. It was constantly shut down because of noise complaints. His opinion was if you want quiet, don't live in the city which includes traffic, movement, and noise.

Ms. Campbell questioned how long this area had been business and residential, and Ms. Deese advised since its inception in the late 90s. Dr. Hall pointed out nothing would change since the dogs had already been entering an exercise yard. The exercise yard simply means they go out and exercise and come back in. Ms. Campbell indicated aside from the most recent complaint, the doctor had no other complaints and thought that was an interesting observation; it seemed the problem was not with the dog resort or the veterinarian but the noise level. She questioned if anyone had come up with a build-out for sounds. Dr. Hall stated she had investigated other resorts in the city which are all C-1, but they were not in a historic neighborhood, and when she went to change the Code in 2008, they placed the language in there. She advised at that time, parking was the main concern. She also explained as a property owner, she would be using outside cameras to protect her interests and confirm activity documenting the number of dogs.

Chairman Ritz clarified a Code violation was issued which stated "There are dogs running and exercising outside this facility which has a Conditional Use Permit which prohibits same and the condition constitutes an apparent violation of the Conditional Use Permit." Ms. Deese verified the Code violation was because there were dogs outside. She explained there was a video on the website showing how many times animals go outside into the exercise areas which was the specific Code violation. Dr. Hall explained exercise areas were where dogs were left unattended, which was not the case in her exercise areas. Mr. Moore asked if the change was approved, would it allow dogs to be left unattended. Ms. Deese referred to Dr. Hall's request for fully enclosed kennels with no outside runs and exercise areas are permitted. She explained there are scenarios where there are no outside runs. but the animals could go outside unsupervised, which was not Dr. Hall's intent. Mr. Monk asked if the Board had the authority to limit the number of animals allowed within a square footage. Ms. Deese advised the Board could include in the recommendation to City Council added conditions amending Dr. Hall's request. She clarified that the amendment takes it out of a Conditional Use Permit and makes it a standalone by right use. Chairman Ritz emphasized Conditional Use historically was used as a check and balance. Ms. Deese pointed out limiting the number of animals would be a challenge to enforce. Dr. Hall emphasized she wanted to operate her business as the City gave her permission to ten years ago.

Ms. Campbell asked if the amendment did not go forward and the doctor had one year to satisfy this issue, how would that impact her business. Dr. Hall advised she would not operate a boarding facility where the animals could not go outside. For clarification, Ms. Deese stated during the discussions with Code Enforcement, they felt it would be unreasonable to think that a medical facility for animals could not allow the dogs to go out and relieve themselves, but when the evidence was compiled along with the website video with the five times a day, it clearly was more than relieving themselves. Dr. Hall advised she wished she had clarified "no exercise yards where animals are left unattended" on her original plans. Ms. Campbell advised it would be a terrible loss for this portion of Pensacola to lose Dr. Hall, and asked could there be some sort of buildout for the exercise pad. Dr. Hall explained they incorporated vegetation and astro turf as well as 9' fencing.

Mr. Monk pointed out with the evolution of cities and small towns, we were going to see more small

businesses in isolated parts of the community so people do not have to drive great distances for these services. He personally did not want to live in a community where his children were playing the backyard and someone would call in a complaint on them or his dogs. More small business were going to creep into historic neighborhoods, and this natural evolution is where we're going as a community; There will be some discomfort, but that is the reality of living in a city.

Mr. Larson asked Dr. Hall if she was going to solve the problem before the Board involving multiple dogs, supervised or unsupervised, because he was not comfortable with just saying "exercise areas." Dr. Hall advised she liked the term "no exercise areas where dogs are left unattended." She explained they had play groups with 6 to 8 dogs maximum, and if they were loud, they returned to the inside. However, she was fine with whatever the Board approved. Mr. Monk made a motion to support with an edit that it read "allows animal hospitals, veterinary clinics and pet resorts within the district by right with fully enclosed kennels, no unsupervised outside runs or exercise areas permitted with a limitation of 5 animals in the area." The motion was seconded by Mr. Larson. For clarification, Mr. Larson stated with this change, a Conditional Use Permit would no longer be required in C-1. Ms. Deese explained this amendment was specifically for 12-2-10 Old East Hill Preservation District; C-1 still has the language which does not permit exercise areas, and you would be opening up to the entire city if you modified C-1. This is specific to Old East Hill, taking out the Conditional Use Permit requirement. Ms. Deese clarified Dr. Hall's proposal stated "with no outside runs." Was the Board meaning "no unsupervised outside runs" and thus allow "outside runs" or add "unsupervised" to the exercise areas, and Mr. Monk verified adding "unsupervised" to the exercise areas only. The amendment was accepted by Mr. Larson. For further clarification Mr. Moore stated in OEHPD exercise areas would be allowed, but the language would state they would go out in groups of 5 or fewer supervised. There were no outside runs and the amendment was by right with no Conditional Use. The motion then carried 4 to 1 with Mr. Moore dissenting. Ms. Deese reminded the audience that this amendment was a recommendation which would proceed to the City Council on May 10, 2018 at 5:30 pm.

SUBJECT:

PROPOSED ORDINANCE NO. 16-18 - AMENDMENT TO SECTION 4-3-97, SANITATION COLLECTION FEE AND EQUIPMENT SURCHARGE

RECOMMENDATION:

That City Council adopt Proposed Ordinance No. 16-18 on second reading.

AN ORDINANCE AMENDING SECTION 4-3-97 OF THE CODE OF THE CITY OF PENSACOLA, FLORIDA; PROVIDING FOR INCREASE IN SANITATION FEES AND SANITATION EQUIPMENT SURCHARGE; PROVIDING FOR SEVERABILITY; REPEALING CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

Section 4-3-97 of the City Code provides for an automatic adjustment to the monthly sanitation rate each October 1st in accordance with the Consumer Price Index (CPI) for the twelve month period ending March 31st of the current year. The CPI for that period was +2.4% which amounts to an increase of fifty-eight cents and would set the new rate at \$24.64 per month. This increase would allow for full funding of the Sanitation Services operation as budgeted in the FY 2019 Proposed Budget.

Additionally, in accordance with the rate study completed in 2016, City Council approved the implementation of a sanitation equipment surcharge to fund capital equipment replacement. The surcharge was initially set at \$1.00 effective June 1, 2017 with an increase to \$2.00 scheduled to take effect on October 1, 2018. Beginning October 1, 2019 and each October 1 thereafter, this surcharge will be adjusted based on changes in the CPI as previously described.

PRIOR ACTION:

May 11, 2017 - City Council adopted Ordinance No. 10-17 adjusting the monthly sanitation rate to \$24.06 and implementation of the sanitation equipment surcharge.

August 9, 2018 - City Council voted to approve Ordinance No. 16-18 on first reading.

FUNDING:

N/A

FINANCIAL IMPACT:

Approval of the proposed ordinance would set the sanitation rate at \$24.64 per month, a 58¢ per month increase and would set the sanitation equipment surcharge at \$2.00 per month, a \$1.00 per month increase, effective October 1, 2018 upon adoption on second reading. The increase in the sanitation rate is projected to generate an additional \$101,400 annually in additional Residential Refuse Container Charges and the sanitation equipment surcharge is projected to generate an additional \$235,400 annually for capital equipment expenditures both of which have been incorporated in the FY 2019 Proposed Budget.

A. Subject to the provisions of subsection 1-1-1 (c), the charges and assessments set forth below shall be levied and assessed by the department of Pensacola Energy through the Mayor or the Chief Financial Officer for natural gas services provided by the city to consumers.

The charges for gas are segregated according to the following service classifications: residential gas inside and outside the city limits (GR-1, GR-2), commercial gas inside and outside the city limits (GC-1, GC-2), interruptible industrial contract (GI-1, GI-2, GI-3, GI-4), City of Pensacola, almost firm service (GAF), flexible gas transportation (GTS, GPT, GIT, GVT), compressed natural gas service (CNG), and street or outdoor lighting.

Changes to the PGA will be effective at the beginning of a monthly billing cycle.
- C. For the purpose of calculating the municipal public service tax, the city's cost of gas prior to October 1, 1973, was forty-five cents (\$0.45) per Mcf.
- D. WNA	$= \underbrace{R \ X \ (HSF \ X \ (NDD-ADD))}_{(BL + (HSF \ X \ ADD))}$
Where:	
WNA	= Weather normalization adjustment factor for each rate schedule classification expressed in cents per Mcf.
R	= Weighted average base rate of temperature sensitive sales for each included rate schedule.
HSF	= Heat sensitive factor for the appropriate rate schedule.
NDD	= Normal billing cycle heating degree.
ADD	= Actual billing cycle heating degree day.

The percentage shall not exceed 10 percent of the non-gas operating expenses in the current fiscal year budget and will be applied to the rates used for each bill over the following 12 months.

F. Distribution and customer charge rates shall be adjusted annually if approved by the

city council during budget sessions, effective each October based upon the percentage difference in the cost of living as computed under the most recent Consumer Price Index for all urban consumers published by the Bureau of Labor Statistics, U.S. Department of Labor for the period beginning April 1 of the preceding year and ending March 31 of the current year. The applicable rates are residential gas inside and outside the city limits (GR-1, GR-2), commercial gas inside and outside city limits (GC-1, GC-2), contract delivery, and municipal operated buildings and facilities.

DISCUSSION ITEM

FROM: City Council Member Brian Spencer

SUBJECT:

HISTORIC BUILDING DEMOLITION REVIEW

SUMMARY:

Currently the Land Development Code (LDC) only affords an application and review process for the issuance of demolition permits for those areas within a historic district or other similarly designated area requiring such review. Given the steep history throughout the City of Pensacola, a desire exists to provide a review process citywide regarding the issuance of demolition permits for historic structures as defined in the LDC.

This item encourages further discussion of this matter.

PRIOR ACTION:

July 14, 2016 - City Council referred to Planning Board for their review and recommendation a Historic Building Demolition Review Ordinance.

August through November, 2016 - Planning Board discussed at regular meetings as well as workshops to provide a proposed amendment to the Land Development Code

September 15, 2016 - Ordinance No. 27-16 imposing a temporary moratorium on the issuance of demolition permits for Historic Structures passed on 2nd reading.
