

COMMUNITY POLICING & THE COMMUNITY REDEVELOPMENT AGENCY

► Increase presence/visibility in the Community Redevelopment Area

- Create visual deterrent for nuisances
- Increases police response time to incidents in the area
- Direct route for business owners and residents to engage with officers and address concerns, problems, and violations
- Promotes a positive relationship with the businesses and residents as well as strengthening the bond between the police and the community

OBJECTIVE #1

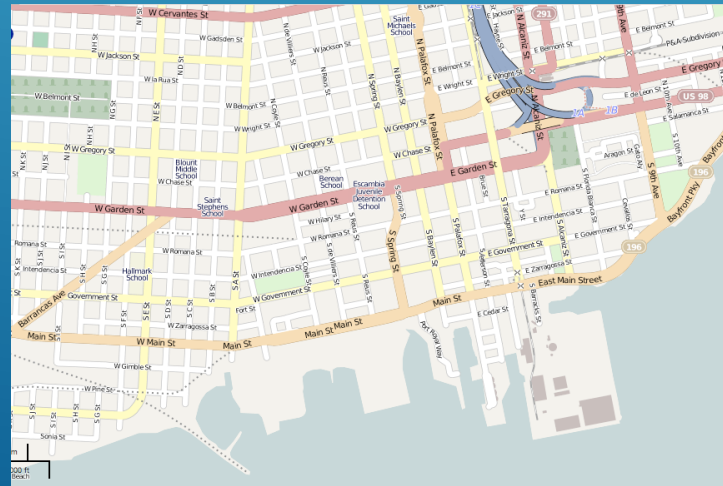

▶ **Address on-going problems in the CRA area**

- ▶ Disorderly behavior at Downtown night clubs and businesses
- ▶ Provide security for patrons that visits the Community Redevelopment Area
- ▶ Address other City ordinance violations
- ▶ Pro-actively enforce public safety concerns during special events such baseball games, festivals, and gallery night

OBJECTIVE #2

- ▶ Outfit the officers with the appropriate uniforms and equipment
- ▶ The police will use bicycle and foot patrol
- ▶ Targeted enforcement during chronic nuisance times
- ▶ During targeted shifts more officers will be utilized to promote omnipresence
- ▶ The Sergeant will manage the schedule
- ▶ An activity letter will be completed after each shift and the Sergeant will review the letter
- ▶ The Criminal Investigation Captain will manage/store the letters for auditing and forward the letters to the CRA Administrator

THE PLAN

- ▶ Lower crime
- ▶ Strengthen relationship with police and community
- ▶ Improve the City of Pensacola's image as a safe and accommodating area for commerce and leisure within the CRA area.
