- (a) It shall be unlawful for any person to willfully make, continue or cause to be made or continued any loud and raucous noise which term shall mean any sound which, because of its volume level, duration, and character, annoys, disturbs, injures or endangers the comfort, repose, health, peace or safety of reasonable persons of ordinary sensibilities within the limits of the city.
- (b) The following acts, among others, are declared to be loud and raucous noises in violation of this section 8-1-16, which enumeration shall not be deemed to be exclusive:
 - (1) *Horns and signaling devices.* The sounding of any horn or signaling device on any automobile, motorcycle or other vehicle on any street or public place of the city, except as a danger warning; the creation by means of any such signaling device of any unreasonably loud or harsh sound; the sounding of any such device for an unnecessary and unreasonable period of time; the use of any signaling device except one operated by hand or electricity; the use of any horn, whistle or other device operated by engine exhaust; and the use of any such signaling device when traffic is for any reason held up. The operation of any such set, instrument, phonograph, machine or device between the hours of 11:00 p.m. and 7:00 a.m. in such a manner as to be plainly audible at a distance of fifty (50) feet from the building, structure or vehicle in which it is located shall be prima facie evidence of a violation of this paragraph.
 - (3) *Local vocal noises.* Vocal noises made in a loud and raucous manner between the hours of 11:00 p.m. and 7:00 a.m., so as to annoy or disturb the quiet, comfort, or repose of persons in any office or other place of business, or in any dwelling, hotel or other type of residence.

If the director of inspections should determine that the public health and safety will not be impaired by the erection, demolition, alteration or repair of any building or the excavation of streets and highways within the hours of 7:00 p.m. and 6:00 a.m., and if he shall further determine that loss or inconvenience would result to any party in interest, he may grant permission for such work to be done within the hours of 7:00 p.m. and 6:00 a.m., including Sundays, upon application being made at the time the permit for work is awarded or during the progress of the work.
