Dear Council Members,

I would like to personally recommend that Council pass proposed Amendment to LDC Chapter 12-2-4 Vacation of Streets and Alleys.

As President of Old East Hill Property Owner's Association I have received many responses to the Mayor Transition Team Survey. The number one priority of our neighborhood is walkable/bikable neighborhoods. Passing this code amendment would ensure that we have safer and more walkable neighborhoods throughout the City. Thank you so much for your consideration.

Sincerely,
