Board(s) of interest: City Council District 5

Please list the reasons for your interest in this position: I'm interested in serving on the City Council during this interim period to give back to this community and be a voice for the people of District 5 and the City of Pensacola. It is my intent to serve only during the interim of 14 months and not seek election for this office or get involved with the campaign of anyone running for the seat in 2020. One of my priorities will be to find ways Council can contribute in regards to the recommendations that were made in the Transition Report. This community and the Transition Team put a lot of work into that process and it's only fair that each recommendation is vetted fully, especially were Council can contribute. I hope to be a team player and fight for the needs of District 5 as well as all the citizens of this City.
