Don – We do not know exactly how much their investment will be because they have not engineered/designed the facility yet and I am not prepared to venture a guess other than to say several million dollars.

Their 2018 P&L shows sales of \$3,127,091.

2019 P&L shows sales of \$3,927,000.

Florida has a very broad public records law. As a result, any written communication created or received by City of Pensacola officials and employees will be made available to the public and media, upon request, unless otherwise exempt. Under Florida law, email addresses are public records. If you do not want your email address released in response to a public records request, do not send electronic mail to this office. Instead, contact our office by phone or in writing.

Subject: FW: Council Questions Re Streamline

Amy

I thought the answer to the first part of this question was somewhere in the information you have provided...am I wrong about that?? I do not believe the second question has been answered yet...

Thanks,

Don

Don, Do we know how much the company plans to invest in Streamline Project facility to get it up and running? Also, much is their annual sales for the year 2017, 2018 from their south Florida operations? Thank you, Sherri
