Board(s) of interest: Architectural Review Board

Please list the reasons for your interest in this position:

I have been a Pensacola native since 1983. My parents have owned a small business in Pensacola since settling here and my wife and her widowed mother moved to Pensacola when my wife became employed as a professor at UWF in 2012. Both of my siblings have returned to Pensacola to start families and businesses. I returned to Pensacola after completing my professional architecture degree at the University of Florida in 2010 and I have been licensed as an architect since 2014. I previously served as President of the Northwest Florida chapter of the American Institute of Architects and I am an alum of the Leadership Pensacola Class of 2016. I recently co-hosted two workshops on Accessory Dwelling Units, which is one strategy to increase affordable housing in Pensacola. As an architect, it has been a pleasure to witness and contribute to Pensacola's renaissance since returning home. Serving on the Architectural Review Board would be an honor and provide another opportunity to serve my local community as a citizen and architect.
