Subject: Soccer Complex funding

Can't put anything in the subject line for some reason.

SUBJECT:

It has come to my attention that the Mayor and Brian Cooper will be coming back and asking for an additional \$380,000.00 for the soccer complex on Langley. Where will that money come from? What programs will be cut? What is the transparent scoop on this deal. I sent you an email last night asking for the cost of the round a bout on Langley and where those funds came from and where in the budget document it is located. Also, how much was allocated in 2019 for the soccer complex on Langley, how much has been spent, and how much additional will be spent.
