

WHAT IS HGACBuy?

WE ELIMINATE THE BID PROCESS

HGACBuy is a “Government-to-Government” procurement service available nationwide. Governmental entities have been procuring products and services through **HGACBuy** for over 30 years. All contracts available to members of **HGACBuy** have been awarded by virtue of a public competitive procurement process compliant with state statutes.

HGACBuy's role is to conduct product research and surveys, write technical specifications, conduct pre-bid conferences, open bids, and evaluate responses. After contracts are awarded by the **HGACBuy** committee, **HGACBuy** certifies contract validity, and administers contracts.

All units of local government, including non-profits providing governmental services, are eligible to join **HGACBuy**.
