Provide a brief description of nominee's qualifications:

- Cecily was accepted into LEAP this year and her platform for her application was affordable housing for residents of our County. She is the Youth and Family Engagement Specialist for Epilepsy Florida. She serves families touched by epilepsy throughout the Panhandle with educational resources, general advocacy and social and emotional support services regardless of income or socio-economic status. In her position, she has encountered many families that are displaced individuals affected by Seizure Disorder, which incurs loss of jobs, driving privileges, and subsequently housing. She wants for all individuals in our area who are affected by housing disparity.
