Gregg,

Thank you so much. I do not see where this variance could do anything but improve our neighborhood.

Florida has a very broad public records law. As a result, any written communication created or received by City of Pensacola officials and employees will be made available to the public and media, upon request, unless otherwise exempt. Under Florida law, email addresses are public records. If you do not want your email address released in response to a public records request, do not send electronic mail to this office. Instead, contact our office by phone or in writing.

Subject: [EXTERNAL] Variance 617 Crown Cove

THIS EMAIL IS FROM AN EXTERNAL EMAIL ACCOUNT

I am the managing member of Historic Pensacola Properties LLC which owns the lot at 609 Crown Cove. I am in favor of the variance requested by Mr. & Mrs Kevin Stephens at 617 Crown Cove to reduce the minimum west side yard setback from 3 feet to 1 foot 9 inches to accommodate a new three story single-family dwelling.
