The party seeking delay in performance shall give notice to the other party specifying the anticipated duration of the delay, and if such delay shall extend beyond the duration specified in such notice, additional notice shall be repeated no less than monthly so long as such delay due to a Force Majeure Event continues. Any party seeking delay in performance due to a Force Majeure Event shall use its best efforts to rectify any condition causing such delay and shall cooperate with the other party to overcome any delay that has resulted.

XX. CITY NOT LIABLE FOR DELAYS:

Provider hereby understands and agrees that in no event shall the City be liable for, or responsible to Provider or any personnel, or to any other person, firm, or entity for or on account of, any stoppages or delay(s) in work herein provided for, or any damages whatsoever related thereto, because of any injunction or other legal or equitable

proceedings or on account of any delay(s) for any cause over which the City has no control.

XXI. USE OF NAME:

Provider understands and agrees that the City is not engaged in research for advertising, sales promotion, or other publicity purposes. Provider is allowed, within the limited scope of normal and customary marketing and promotion of its work, to use the general results of Services under Agreement and the name of the City. The Provider agrees to protect any confidential information provided by the City and will not release information of a specific nature without prior written consent of the Mayor in accordance with Florida state statutes.

XXII. NO CONFLICT OF INTEREST:

Pursuant to Chapter 112, Florida Statutes and Pensacola City Code Chapter 2-6, Sections 2-6-1 through 2-6-4 regarding conflicts of interest, Provider hereby certifies to City that no individual member of Provider, employee, or personnel under Agreement, nor any immediate family member of any of the same is also a member of any board, commission, or agency of the City. Provider hereby represents and warrants to the City that throughout the term of Agreement, Provider and its personnel will abide by this prohibition of the City Code.

XXVI. REQUEST FOR REBATE REVIEW:

The City has determined that it is in the best interest of the citizens to provide for renovations of the existing facilities located at the Roger Scott Tennis Center. Planned improvements include the replacement of the existing 18 hard courts and with 12 post-tension concrete tennis courts and 6 clay tennis courts (herein referred to as "Project"). The City understands that such renovations will have a significant impact on the Provider's ability to provide services and the City will work with the provider to ensure such impacts are minimized to the best of the City's ability.

In addition, to offset the negative impact to the Provider's revenues, the City will provide a rebate upon request from the Provider after Project completion. The rebate would be based on the number of days any one court is closed for construction and would offset the \$125,000 Annual Fee required to be paid under this agreement. The rebate would come into effect should any one court be closed for construction for more than seven consecutive days due to Project construction. The rebate shall equal \$12.23 per day per closed court. The \$12.23 daily rebate is calculated by taking the \$125,000 Annual Fee dividing it by 28 courts and then dividing it by 365 days (\$125,000 /28 /365 = \$12.23). In no event shall the rebate exceed the \$125,000 Annual Fee.

The Provider will be responsible for keeping a calendar showing what Courts were closed due to construction and the total number of days eligible for the rebate. Such calendars shall be submitted to the City's Parks and Recreation department on a monthly basis for review and sign-off. Within 60 days following the end of the calendar year in which the Project was completed, the Provider must submit to the City's Finance Director, a copy of the monthly calendars signed by the Parks and Recreation department and a written request for the rebate documenting, per Court, the total number of days the Court was closed (as determined above) and the total amount of rebate being requested. Upon approval of the rebate request, the City's Finance department will offset the monthly invoice associated with the annual fee until such rebate has been exhausted.

Review for rebate will only occur if all conditions described herein have been met.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed by their respective officials thereunto duly authorized, this the day and year above written.

CITY OF PENSACOLA ROGER SCOTT TENNIS FACILITY

The Roger Scott Tennis Center originated in 1964 and was dedicated to Roger Q. Scott, who was a member of the Pensacola Recreation board for 20 years and served as its chairman for many of those year.

Since its inception, there have been many agreements with Tennis Professionals to supervise the operation of the tennis club house. The Tennis professional would be paid an annual amount. The Tennis professional provided private tennis lessons and instructions and had the exclusive right of merchandising and selling and renting tennis equipment. The City received all of the court fees and membership dues and was responsible for the maintenance of the tennis facility. Additionally, the City was responsible for paying part-time employees for the operations of the facility. The most recent professional started in 2006 and continued through 2018.

Since its inception, the Roger Scott Tennis Center revenues and expenditures were accounted for in the General Fund. In 2008 it was moved out of the General Fund to provide a better accounting of the actual revenues and expenses associated with the tennis center and allowed for determinations to be made regarding the rate structure and activities associated with the tennis center.

There have also been separate beverage service concession agreements with separate entities. That called for an annual fee of a specific amount or a percentage of sales. In recent years, the concessionaires had not had much success and thus would not be able to sustain their business.

In 2018 the City entered into a professional services agreement with the Gulf Coast Tennis Group for the professional tennis operations and management services at the tennis center. Under this agreement, Gulf Coast Tennis Group provides all personnel, equipment, furnishings and supplies. They also provide janitorial services and supplies and all routine maintenance of the facility. The City is responsible for major internal/external repairs. Gulf Coast Tennis Group collects all fees associated with the Tennis Center and submits a set annual amount to the City for consideration of the agreement. They also oversee the food and beverage operation which eliminated the need for the City to seek out a concessionaire.

The Gulf Coast Tennis Group can only charge those membership fees and daily fees as established by the City Council included in the budget each year. Prior to the Fiscal Year 2017 Budget, the last membership increase was in FY 2014 when the sales tax was no longer included in the fees charged but was added to existing fees, when applicable. The membership fees were increase by 2.5% from the FY 2013 fee schedule. That rate increase, coupled with the change in sales tax equaled an increase of 10% to the patrons. In FY 2017, the membership fees for individuals and families were increased by 20% and the senior citizen memberships increased 10%. No

increase to the student memberships was implemented in FY 2017. An additional \$1.00 was added to the daily rates. Since that time there has been no increase to the rates at the tennis center.

Historically, the rates at the Tennis Center were different for City and County residents with the County residents paying more than the City residents. In 2009 the City entered into an Interlocal Agreement with Escambia County where the County provided \$1 million towards the construction cost of new clay courts. In consideration of the County's funding, there was a requirement that all Escambia County residents pay the same player user fees as City residents for the new clay courts. The existing hard surface courts remained with the separate fees for City and County residents.

On November 18, 2021, City Council approved an Interlocal Agreement with Escambia County where the County will provide \$1,302,545.50 for the complete removal and replacement of the existing 18 hard tennis courts and add one additional clay court. As with the prior agreement, there is a requirement that all Escambia County residents pay the same player user fees as City residents for both hard surface and clay courts.

In discussions with Staff, there are no plans to increase the fees in the FY 2023 Budget. However, they have not advised Council staff what the fees would be now that the Non-City resident fees will be going away. Council staff has inquired as to whether or not the City resident fees would increase since the Non-City resident fees will be going away based on the November 2021 Interlocal Agreement with the County.

While there has been some commentary regarding the differentiation between City and Non-City rates, please keep in mind that currently the Tennis Center is self-sufficient and no City tax dollars are provided to run the tennis center, other than the occasional Local Option Sales funding for major improvements that the County has also contributed towards.

Attached is a comparison of revenues and expenditures from Fiscal Year 2012 through Fiscal year 2021. As you can see, the differences between revenues and expenditures has not been favorable under the prior way the tennis center has operated. Since the beginning of the agreement with the Gulf Coast Tennis Group, the revenues received by the City have exceeded the expenditures spent.

Based on the current proposed agreement, the terms of the agreement appear to be similar regarding the terms and the financial impact for the City.
