**SUBJECT:**

APPROVING THE EAST GARDEN DISTRICT STREETScape PROJECT SCHEDULE

**RECOMMENDATION:**

That the Community Redevelopment Agency (CRA) approve the attached project schedule for the East Garden District Streetscape Project.

**SUMMARY:**

On October 19, 2020 and November 12, 2020, the Community Redevelopment Agency and City Council, respectively, approved a Master Redevelopment Agreement with the East Garden District redevelopment project developers to construct streetscape improvements along Jefferson Street from Garden Street to Chase Street.

Per Section 2.6.A of the master redevelopment agreement, "Prior to or upon the completion of the Preconstruction Period, the Developer shall prepare and present to the City and the Agency for review and approval an overall Project Schedule detailing the Construction Period and the Completion Date, and the Developer shall commence construction of the Project in accordance with such schedule and the provisions of this Agreement."

A copy of the proposed project schedule and master redevelopment agreement is attached. Staff has reviewed the proposed schedule and recommends approval.

Implementation of this project furthers the goals and objectives set forth in the Urban Core

Redevelopment Plan, which expressly contemplates and encourages redevelopment and enhancement of public rights-of-way and pedestrian walkways and provides private sector participation in remediating and preventing blighted conditions. The project also supports key waterfront connectivity, in conjunction with enhancing the remaining Jefferson Street segments of the “Hashtag” Waterfront Connector (Continuous Waterfront Trail System) project.
