SUMMARY:

The 2000 Airport Master Plan identified 65 acres of adjacent land for future development of an Air Commerce Park. With the support of funding through multiple agency grants, the Airport has acquired 91 residential properties and 24 commercial properties. To prepare the area for future development, all existing buildings need to be removed. To date, seventy parcels have been cleared. Sixteen additional parcels in the Air Commerce Park were identified for demolition in this fiscal year.

Pensacola International Airport has received a grant offer and agreement totaling \$43,796 from the Federal Aviation Administration (FAA). The amount includes partial funding reimbursement of demolition expenses associated with the project.

PRIOR ACTION:

August 2006 - June 2017: City Council approved the purchase of 91 residential and 24 commercial parcels.

	<u>28,182</u>	Airport Matching Funds
	<u>\$ 71,978</u>	Total
