**PRESENTATION ITEM**

**FROM:** City Council Member Sherri Myers

**SUBJECT:**

PRESENTATION FROM GEORGE HAWTHORNE REGARDING THE COVENANT WITH THE COMMUNITY

**REQUEST:**

That City Council accept a presentation from George Hawthorne regarding the Covenant with the Community as it relates to the Community Maritime Park.

**SUMMARY:**

In March of 2006, the CMPA and the City of Pensacola entered into agreements for the Master Development (Community Maritime Park Project) and the Master Lease (Community Maritime Pak) which set forth the respective duties and responsibilities pertaining to the development of real property for the project known as the Community Maritime Park Project.

In 2009, the CMPA executed the Development Agreement with the developer, Maritime Park Development Partners. The developer agreed to launch and sustain the Contractor's Academy Equal Business Opportunity Program to fulfill the CMPA's covenant with the Community and deliver on the commitment to ensure the inclusion of minority and women owned businesses in the CMPA development.

The Contractor's Academy / Equal Business Opportunity Program (EBO Program) goals were specifically aimed at attracting groups of minorities and women business enterprises: unskilled individuals seeking to learn a trade; skilled construction workers seeking to become subcontractors; and existing contractors and business owners seeking to expand their businesses.

In December of 2010, the Developer abandoned and ceased to perform its responsibility, obligations and in January 2011, the Developer had its contract rescinded as the Master Developer of the Community Maritime Park.

In February of 2011, the CMPA desired to see that the duties of the Developer agreed to under the EBO Agreement were assumed without interruption and hired Diversity Program Advisors, Inc. as the EBO Program Manager. Mr. Hawthorne was Chief Executive Officer of Diversity Program Advisors.
