SUBJECT:

COMMUNITY POLICING INTERLOCAL AGREEMENT BETWEEN THE CITY OF PENSACOLA AND THE COMMUNITY REDEVELOPMENT AGENCY - FY 2018 AND REMAINDER OF FY 2017

RECOMMENDATION:

That the Community Redevelopment Agency (CRA) approve an Interlocal Agreement with the City of Pensacola for the purpose of providing Community Policing Innovations within the Urban Core Community Redevelopment Area of the CRA for Fiscal Year 2018 and the remainder of Fiscal year 2017 in an amount not to exceed \$150,000.

SUMMARY:

One of the primary obstacles to urban revitalization is the perception of a lack of safety in areas that have seen decline over time and have become stigmatized in the public mind. This perception is typically related to criminal activity, may be real or perceived, and may involve both personal safety as well as the safety of property. In some cases, unless the safety issues are addressed first, other elements of the redevelopment plan are difficult to accomplish. Some of the methods used to address safety in the past have included improved street lighting and code enforcement actions in the case of derelict buildings.

In July 2002, the City Council approved amending the Urban Core Community Redevelopment Plan to provide for community policing of neighborhoods in the urban core. The community policing innovations are one

approach that can be initiated to target criminal activity within a community redevelopment area. The Community Redevelopment Act describes “community policing innovations” as a policing technique or strategy designed to reduce crime by reducing opportunities for the perceived risks of engaging in criminal activity through the visible presence of police in the community.

Areas of the Urban Core Community Redevelopment Area are still experiencing safety concerns of varying degrees. Revitalization has drawn significant numbers of people and activities to areas long underutilized. In some areas, the characteristics and history of ongoing criminal activities are an obstacle to revitalization.

The community policing activities to be provided through the attached Interlocal Agreement will focus on the entirety of the Urban Core Community Redevelopment Area from 17th Ave to A Street.
