RECOMMENDATION:

That City Council adopt Supplemental Budget Resolution No. 2019-68.

SUMMARY:

The Pensacola Police Department has been combating impaired drivers for the past several years with the help of the FDOT grants. To continue making progress, lower high traffic incident statistics, and make the roadways safer the Pensacola Police Department will utilize the grant funds to initiate a full-time DUI Unit assigned to the Traffic Section. The grant will allow the Pensacola Police Department to educate and certify more patrol officers in the Standardized Field Sobriety Testing (SFST) and National Highway Traffic Safety Administration (NHTSA) 24-hour curriculum during this

grant period. Additionally, the Pensacola Police Department will utilize these funds to proactively enforce open container violations during this grant period. The Pensacola Police Department will work in conjunction with the DUI Units of the surrounding agencies to target impaired driving by using high visibility saturation patrols, and publicized sobriety checkpoints. The Pensacola Police Department's DUI Unit and patrol officers will attempt to locate impaired drivers by conducting general traffic enforcement. The Pensacola Police Department, in conjunction with NHTSA and FDOT traffic/impaired driving campaigns, will publicly announce enforcement efforts. The grant funds will provide Portable Breath Testing instruments to enforce the zero tolerance laws regarding underage drinking and driving.

In summary, the grant funds will increase education, publicity, and enforcement of impaired driving. Also, this grant will assist with moving forward to create a much-needed DUI Unit.
