SUBJECT:

Supplemental Budget Resolution No. 17-09 - Emergency Watershed Protection Program Measures - TA

RECOMMENDATION:

That City Council adopt Supplemental Budget Resolution No. 17-09.

A RESOLUTION AUTHORIZING AND MAKING REVISIONS AND APPROPRIATIONS FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2017; PROVIDING FOR AN EFFECTIVE DATE.

SUMMARY:

On April 14, 2016, City Council approved a legislative action item that authorized the Mayor to accept and execute the Project Agreement-Emergency Watershed Protection Program Measures with the Natural Resources Conservation Service (NRCS) related to the removal of debris and abatement of erosion problems resulting from the April 2014 flood event. Additionally, City Council adopted a supplemental budget resolution appropriating the grant funds. This agreement provided for federal grant dollars in the amount of \$1,500,000 in funding with the City being responsible for an additional 25% match (\$500,000) for the total estimated construction cost of \$2,000,000 to address issues within Baywoods Gully. However, the project agreement

provides for additional federal grant dollars entitled Technical Assistance Funds (“TA”) in the amount of \$200,000 that was accidentally omitted from the legislative action item and supplemental budget resolution.
