SUMMARY:

In 2019, the Port of Pensacola and the Pensacola Fire Department were awarded a U.S. Department of Homeland Security Port Security Grant. This award included two projects submitted by the Port of Pensacola and the Pensacola Fire Department. The Port of Pensacola's Investment Justification is a security patrol boat with a CBRNE (chemical, biological, radiological, nuclear and explosive) detection systems. Total project cost is \$225,000 with a cost share of \$56,250. The

Pensacola Fire Department's Investment Justification is to replace and upgrade vessel equipment on Fire Boat 1. They also are adding a CBRNE detection systems. Total project cost is \$208,651 with a cost share of \$52,163.

Since 2006, the Port has been awarded nearly than \$6 million in Federal grant funds on behalf of the Port as well as other City departments, including Pensacola Fire Department, Pensacola Police Department, Pensacola Energy and Technology Resources. Critical projects funded through the program to date have included replacement of the City's antiquated telephone system with a Voice-over Internet Protocol (VoIP) system, replacement of the Englewood communications tower, purchase of the Fire Department's fire boat, and purchase of a maritime fire training simulator for the Fire Department.
