DISCUSSION ITEM

SUBJECT:

CONSULTANT TO REVIEW DESIGN STANDARDS WITHIN THE CITY'S SPECIAL REVIEW DISTRICTS

SUMMARY:

Within the City there are Special Review Districts that are within the purview of certain Council created boards. Each of the Special Review Districts have a set of design standards that are used by the boards in making decisions regarding applications submitted for work to be done within the districts.

In an effort to gain congruency of design standards within the districts and to remove existing ambiguity set forth in the design standards, a consultant should be engaged to review the existing design standards within the Special Review Districts.
