**HEARING REQUIRED:** No Hearing Required

**SUMMARY:**

On December 10, 2021 the City issued a Request for Qualification (RFQ) for Professional Consulting Services for the City of Pensacola Active Transportation Plan. A selection committee was formed to

review the written RFQ responses, short list firms for oral presentations, receive the oral presentations, rank the firms, and provide a recommendation for award of the contract to the top ranked firm. The committee was comprised of City employees Caitlin Cerame, Gray Parker, and Brad Hinote. The Committee short listed three firms to make oral presentations: HDR Engineering, Inc., Toole Design Group, LLC, and Kimley-Horn and Associates, Inc. Following the presentations, the committee ranked the firms and designated Kimley-Horn and Associates, Inc. as the top ranked and most qualified firm responding to the RFQ.

The purpose of the Active Transportation Plan is to develop solutions and identify critical infrastructure investments to improve the access, comfort, and safety for people walking, bicycling, and other self-propelled modes of transportation, with an emphasis on connection within and to major destinations and transit stops.
