536 E. Government Street #2
Pensacola Historic District / Zone HC-1 / Wood Cottages
Change of Siding and Windows at a Noncontributing Structure

BACKGROUND:

Norberto Prieto is requesting approval to replace siding and windows on the front side of a noncontributing townhome. The proposed project would involve replacing the wood siding with fiber cement siding and replacing the wood windows with wood-clad windows of a similar profile and design. A similar request to replace the siding and windows on the rear of the home was approved by the board in July 2012.
