LEGISLATIVE ACTION ITEM

SPONSOR: Grover C. Robinson, IV, Mayor

SUBJECT:

PROPOSED ORDINANCE NO. 35-20 - ADOPTING AMENDMENTS TO THE COMPREHENSIVE PLAN AND ADOPTING THE CURRENT FUTURE LAND USE MAP

RECOMMENDATION:

That City Council adopt Proposed Ordinance No. 35-20 on second reading.

AN ORDINANCE ADOPTING AMENDMENTS TO THE COMPREHENSIVE PLAN AND ADOPTING THE CURRENT FUTURE LAND USE MAP OF THE CITY OF PENSACOLA, FLORIDA; REPEALING CLAUSE; PROVIDING AN EFFECTIVE DATE.

HEARING REQUIRED: No Hearing Required

SUMMARY:

As provided in Florida Statutes Chapter 163, Section 1391, Florida Statutes, the City of Pensacola previously transmitted to the Florida Department of Economic Opportunity (DEO) proposed Evaluation and Appraisal-based amendments to the City's Comprehensive Plan for review and comment.

All local governments within the state of Florida are required to participate in a state coordinated review for a Comprehensive Plan Update. The proposed amendments within this update reflect changes in state requirements and local conditions. Attached, you will find all changes submitted by the various subject matter experts in strike-through and underline format.

DEO identified two objections, one related to Peril of Flood, and one related to the Future Land Use Element, and provided recommendations as to how to address them. As a result, revisions were made to the Future Land Use Element language establishing the ability for the City to allow density transfers. Based on DEO's review and recommendation, additional language was included that will serve to create "meaningful and predictable standards" for the content of future land development regulations pertaining to density transfers.

An additional amendment will be brought forward creating goals, objectives and policies pertaining to "Peril of Flood," which will address an additional DEO recommendation and achieve compliance with Section 163.3178(2)(f), Florida Statutes, adopted in 2015. Staff is currently coordinating the

development of the proposed language through a FDEP Resiliency Grant.

This Public Hearing is to consider adopting the proposed Comprehensive Plan amendment, as-amended per our response to the Department of Economic Opportunity's review.

All applicable City Departments and Divisions have reviewed their relevant Comprehensive Plan areas and made recommended changes as needed. The appropriate staff will be available to answer questions specific to those individual recommendations.

The Planning Board unanimously recommended approval of the proposed amendments at the regular meetings in April and July of 2019.
