**SUMMARY:**

On September 20, 2011, the City acquired and subsequently demolished, the former Blount School building for the purpose of developing infill housing, utilizing Community Development Block Grant (CDBG) funds. The property is 2.65 acres and zoned R-1A for medium density residential land use. The intent is to provide the property for infill development of workforce housing through programs delivered by the City of Pensacola Housing Division. Redevelopment of this property will include single family detached, market based housing

with a park-like amenity and enhanced storm water infrastructure. Design of the homes will be developed to fit the character of the neighborhood, enhance the housing product and provide for increased private sector reinvestment. Specifics for this zoning and land use are cited in the Land Development Code Section 12.2.4. The negotiated Development Agreement will include design stipulations and criteria to meet these goals.

The City subsequently issued a Request for Proposals (RFP) #17-021 for the sale and redevelopment of the former Blount School property. On June 8, 2017 Council authorized the Mayor to negotiate and execute a contract and development agreement with ParsCo, LLC, with the stipulation that the green space for a common area be omitted.

On December 14, 2017 City Council approved the contract between ParsCo and the City of Pensacola for sale and development agreement of the property located at 113 North “C” Street (Parcel ID number 00-0S-00-9080-001-018) and that 100 percent of the proceeds, after costs associated with the final transaction, is allocated to the Housing Initiatives Fund.
