DISCUSSION ITEM

FROM: City Council Member Jewel Cannada-Wynn

SUBJECT:

NOISE COMPLAINTS

SUMMARY:

The purpose of this item is to discuss the need to revisit our current noise ordinance and/or seek a consultant to help us through the process.

Council members routinely receive complaints about noise within the city, from loud vehicles to the use of leaf blowers; as summer approaches these complaints will increase. The hope is, through this discussion, an appropriate course of action can be determined as we move forward.
